"(3) The relocation of patients from the transferred property will be completed not later than 3 years after the date on which the transfer is made, except to the extent the Secretary determines that relocating particular patients is not feasible. During the period of relocation, the Secretary will have unrestricted access to the transferred property, and after such period will have such access as may be necessary with respect to the patients who pursuant to the preceding sentence are not relocated.

"(4)(A) With respect to projects to make repairs and energy-related improvements at the transferred property, the Secretary will provide for the completion of all such projects for which contracts have been awarded and appropriations have been made as of the date on which the transfer is made.

"(B) If upon completion of the projects referred to in subparagraph (A) there are any unobligated balances of amounts appropriated for the projects, and the sum of such balances is in excess of \$100,000—

"(i) the Secretary will transfer the amount of such excess to the State; and

"(ii) the State will expend such amount for the purposes referred to in paragraph (1), which may include the renovation of facilities at the transferred property.

"(5)(A) The State will maintain the cemetery located on the transferred property, will permit individuals who were long-term-care patients of the Center to be buried at the cemetery, and will permit members of the public to visit the cemetery.

"(B) The State will permit the Center to maintain a museum on the transferred property, and will permit members of the public to visit the museum.

"(C) In the case of any waste products stored at the transferred property as of the date of the transfer, the Federal Government will after the transfer retain title to and responsibility for the products, and the State will not require that the Federal Government remove the products from the transferred property.

"(6) In the case of each individual who as of the date of the enactment of this Act [Nov. 13, 1997] is a Federal employee at the transferred property with facilities management or dietary duties:

"(A) The State will offer the individual an employment position with the State, the position with the State will have duties similar to the duties the individual performed in his or her most recent position at the transferred property, and the position with the State will provide compensation and benefits that are similar to the compensation and benefits provided for such most recent position, subject to the concurrence of the Governor of the State.

"(B) If the individual becomes an employee of the State pursuant to subparagraph (A), the State will make payments in accordance with subsection (e)(2)(B) (relating to disability), as applicable with respect to the individual.

"(7) The Federal Government may, consistent with the intended uses by the State of the transferred property, carry out at such property activities regarding at-risk youth.

"(8) Such additional conditions as the Secretary determines to be necessary to protect the interests of the United States.

"(e)(1) This subsection applies if the transfer under subsection (b) is made.

"(2) In the case of each individual who as of the date of the enactment of this Act [Nov. 13, 1997] is a Federal employee at the Center with facilities management or dietary duties, and who becomes an employee of the State pursuant to subsection (d)(6)(A):

"(A) The provisions of subchapter III of chapter 83 of title 5, United States Code, or of chapter 84 of such title, whichever are applicable, that relate to disability shall be considered to remain in effect with respect to the individual (subject to subparagraph (C)) until the earlier of—

"(i) the expiration of the 2-year period beginning on the date on which the transfer under subsection (b) is made; or

"(ii) the date on which the individual first meets all conditions for coverage under a State program for payments during retirement by reason of disability.

"(B) The payments to be made by the State pursuant to subsection (d)(6)(B) with respect to the individual are payments to the Civil Service Retirement and Disability Fund, if the individual is receiving Federal disability coverage pursuant to subparagraph (A). Such payments are to be made in a total amount equal to that portion of the normal-cost percentage (determined through the use of dynamic assumptions) of the basic pay of the individual that is allocable to such coverage and is paid for service performed during

the period for which such coverage is in effect. Such amount is to be determined in accordance with chapter 84 of such title 5, is to be paid at such time and in such manner as mutually agreed by the State and the Office of Personnel Management, and is in lieu of individual or agency contributions otherwise required.

"(C) In the determination pursuant to subparagraph (A) of whether the individual is eligible for Federal disability coverage (during the applicable period of time under such subparagraph), service as an employee of the State after the date of the transfer under subsection (b) shall be counted toward the service requirement specified in the first sentence of section 8337(a) or 8451(a)(1)(A) of such title 5 (whichever is applicable).

"(3) In the case of each individual who as of the date of the enactment of this Act is a Federal employee with a position at the Center and is, for duty at the Center, receiving the pay differential under section 208(e) of the Public Health Service Act [42 U.S.C. 210(e)] or under section 5545(d) of title 5, United States Code:

"(A) If as of the date of the transfer under subsection (b) the individual is eligible for an annuity under section 8336 or 8412 of title 5, United States Code, then once the individual separates from the service and thereby becomes entitled to receive the annuity, the pay differential shall be included in the computation of the annuity if the individual separated from the service not later than the expiration of the 90-day period beginning on the date of the transfer.

"(B) If the individual is not eligible for such an annuity as of the date of the transfer under subsection (b) but subsequently does become eligible, then once the individual separates from the service and thereby becomes entitled to receive the annuity, the pay differential shall be included in the computation of the annuity if the individual separated from the service not later than the expiration of the 90-day period beginning on the date on which the individual first became eligible for the annuity.

"(C) For purposes of this paragraph, the individual is eligible for the annuity if the individual meets all conditions under such section 8336 or 8412 to be entitled to the annuity, except the condition that the individual be separated from the service.

"(4) With respect to individuals who as of the date of the enactment of this Act are Federal employees with positions at the Center and are not, for duty at the center, receiving the pay differential under section 208(e) of the Public Health Service Act [42 U.S.C. 210(e)] or under section 5545(d) of title 5, United States Code:

"(A) During the calendar years 1997 and 1998, the Secretary may in accordance with this paragraph provide to any such individual a voluntary separation incentive payment. The purpose of such payments is to avoid or minimize the need for involuntary separations under a reduction in force with respect to the Center.

"(B) During calendar year 1997, any payment under subparagraph (A) shall be made under section 663 of the Treasury, Postal Service, and General Government Appropriations Act, 1997 (as contained in section 101(f) of division A of Public Law 104-208) [5 U.S.C. 5597 note], except that, for purposes of this subparagraph, subsection (b) of such section 663 does not apply.

"(C) During calendar year 1998, such section 663 applies with respect to payments under subparagraph (A) to the same extent and in the same manner as such section applied with respect to the payments during fiscal year 1997, and for purposes of this subparagraph, the reference in subsection (c)(2)(D) of such section 663 to December 31, 1997, is deemed to be a reference to December 31, 1998.

"(f) The following provisions apply if under subsection (a) the Secretary makes the decision to relocate the Center:

"(1) The site to which the Center is relocated shall be in the vicinity of Baton Rouge, in the State of Louisiana.

"(2) The facility involved shall continue to be designated as the National Hansen's Disease Programs Center.

"(3) The Secretary shall make reasonable efforts to inform the patients of the Center with respect to the planning and carrying out of the relocation.

"(4) In the case of each individual who as of October 1, 1996, was a patient of the Center and is considered by the Director of the Center to be a long-term-care patient (referred to in this subsection as an 'eligible patient'), the Secretary shall continue to provide for the long-term care of the eligible patient, without charge, for the remainder of the life of the patient.

"(5)(A) For purposes of paragraph (4), an eligible patient who is legally competent has the following options with respect to support and maintenance and other nonmedical expenses:

"(i) For the remainder of his or her life, the patient may reside at the Center.

"(ii) For the remainder of his or her life, the patient may receive payments each year at an annual rate of \$33,000 (adjusted in accordance with subparagraphs (C) and (D)), and may not reside at the

Center. Payments under this clause are in complete discharge of the obligation of the Federal Government under paragraph (4) for support and maintenance and other nonmedical expenses of the patient.

"(B) The choice by an eligible patient of the option under clause (i) of subparagraph (A) may at any time be revoked by the patient, and the patient may instead choose the option under clause (ii) of such subparagraph. The choice by an eligible patient of the option under such clause (ii) is irrevocable.

"(C) Payments under subparagraph (A)(ii) shall be made on a monthly basis, and shall be pro rated as applicable. In 1999 and each subsequent year, the monthly amount of such payments shall be increased by a percentage equal to any percentage increase taking effect under section 215(i) of the Social Security Act [42 U.S.C. 415(i)] (relating to a cost-of-living increase) for benefits under title II of such Act [42 U.S.C. 401 et seq.] (relating to Federal old-age, survivors, and disability insurance benefits). Any such percentage increase in monthly payments under subparagraph (A)(ii) shall take effect in the same month as the percentage increase under such section 215(i) takes effect.

"(D) With respect to the provision of outpatient and inpatient medical care for Hansen's disease and related complications to an eligible patient:

"(i) The choice the patient makes under subparagraph (A) does not affect the responsibility of the Secretary for providing to the patient such care at or through the Center.

"(ii) If the patient chooses the option under subparagraph (A)(ii) and receives inpatient care at or through the Center, the Secretary may reduce the amount of payments under such subparagraph, except to the extent that reimbursement for the expenses of such care is available to the provider of the care through the program under title XVIII of the Social Security Act [42 U.S.C. 1395 et seq.] or the program under title XIX of such Act [42 U.S.C. 1396 et seq.]. Any such reduction shall be made on the basis of the number of days for which the patient received the inpatient care.

"(6) The Secretary shall provide to each eligible patient such information and time as may be necessary for the patient to make an informed decision regarding the options under paragraph (5)(A).

"(7) After the date of the enactment of this Act [Nov. 13, 1997], the Center may not provide long-term care for any individual who as of such date was not receiving such care as a patient of the Center.

"(8) If upon completion of the projects referred to in subsection (d)(4)(A) there are unobligated balances of amounts appropriated for the projects, such balances are available to the Secretary for expenses relating to the relocation of the Center, except that, if the sum of such balances is in excess of \$100,000, such excess is available to the State in accordance with subsection (d)(4)(B). The amounts available to the Secretary pursuant to the preceding sentence are available until expended.

"(g) For purposes of this section:

"(1) The term 'Center' means the National Hansen's Disease Programs Center.

"(2) The term 'Secretary' means the Secretary of Health and Human Services.

"(3) The term 'State' means the State of Louisiana."

§248. Control and management of hospitals; furnishing prosthetic and orthopedic devices; transfer of patients; disposal of articles produced by patients; disposal of money and effects of deceased patients; payment of burial expenses

The Surgeon General, pursuant to regulations, shall—

(a) Control, manage, and operate all institutions, hospitals, and stations of the Service, including minor repairs and maintenance, and provide for the care, treatment, and hospitalization of patients, including the furnishing of prosthetic and orthopedic devices; and from time to time, with the approval of the President, select suitable sites for and establish such additional institutions, hospitals, and stations in the States and possessions of the United States as in his judgment are necessary to enable the Service to discharge its functions and duties;

(b) Provide for the transfer of Public Health Service patients, in the care of attendants where necessary, between hospitals and stations operated by the Service or between such hospitals and stations and other hospitals and stations in which Public Health Service patients may be received, and the payment of expenses of such transfer;

(c) Provide for the disposal of articles produced by patients in the course of their curative treatment, either by allowing the patient to retain such articles or by selling them and depositing the

money received therefor to the credit of the appropriation from which the materials for making the articles were purchased;

(d) Provide for the disposal of money and effects, in the custody of the hospitals or stations, of deceased patients; and

(e) Provide, to the extent the Surgeon General determines that other public or private funds are not available therefor, for the payment of expenses of preparing and transporting the remains of, or the payment of reasonable burial expenses for, any patient dying in a hospital or station.

EXECUTIVE DOCUMENTS

TRANSFER OF FUNCTIONS

Functions of Public Health Service, Surgeon General of Public Health Service, and all other officers and employees of Public Health Service, and functions of all agencies of or in Public Health Service transferred to Secretary of Health, Education, and Welfare by Reorg. Plan No. 3 of 1966, eff. June 25, 1966, 31 F.R. 8855, 80 Stat. 1610, set out as a note under section 202 of this title.

DELEGATION OF FUNCTIONS

Functions of President delegated to Secretary of Health and Human Services, see Ex. Ord. No. 11140, Jan. 30, 1964, 29 F.R. 1637, as amended, set out as a note under section 202 of this title.

§248a. Closing or transfer of hospitals; reduction of services; Congressional authorization required

(a) Except as provided in subsection (b), the Secretary of Health and Human Services shall take such action as may be necessary to assure that the hospitals of the Public Health Service, located in Seattle, Washington, Boston, Massachusetts, San Francisco, California, Galveston, Texas, New Orleans, Louisiana, Baltimore, Maryland, Staten Island, New York, and Norfolk, Virginia, shall continue—

(1) in operation as hospitals of the Public Health Service,

(2) to provide for all categories of individuals entitled or authorized to receive care and treatment at hospitals or other stations of the Public Health Service inpatient, outpatient, and other health care services in like manner as such services were provided on January 1, 1973, to such categories of individuals at the hospitals of the Public Health Service referred to in the matter preceding paragraph (1) and at a level and range at least as great as the level and range of such services which were provided (or authorized to be provided) by such hospitals on such date, and

(3) to conduct at such hospitals a level and range of other health-related activities (including training and research activities) which is not less than the level and range of such activities which

were being conducted on January 1, 1973, at such hospitals.

(b)(1) The Secretary may—

(A) close or transfer control of a hospital of the Public Health Service to which subsection (a) applies,

(B) reduce the level and range of health care services provided at such a hospital from the level and range required by subsection (a)(2) or change the manner in which such services are provided at such a hospital from the manner required by such subsection, or

(C) reduce the level and range of the other health-related activities conducted at such hospital from the level and range required by subsection (a)(3),

if Congress by law (enacted after November 16, 1973) specifically authorizes such action.

(2) Any recommendation submitted to the Congress for legislation to authorize an action described in paragraph (1) with respect to a hospital of the Public Health Service shall be accompanied by a copy of the written, unqualified approval of the proposed action submitted to the Secretary by each (A) section 314(a) State health planning agency whose section 314(a) plan covers (in whole or in part) the area in which such hospital is located or which is served by such hospital, and (B) section 314(b) areawide health planning agency whose section 314(b) plan covers (in whole or in part) such area.

(3) For purposes of this subsection, the term "section 314(a) State health planning agency" means the agency of a State which administers or supervises the administration of a State's health planning functions under a State plan approved under section 314(a) of the Public Health Service Act (referred to in paragraph (2) as a "section 314(a) plan"); and the term "section 314(b) areawide health planning agency" means a public or nonprofit private agency or organization which has developed a comprehensive regional, metropolitan, or other local area plan or plans referred to in section 314(b) of that Act (referred to in paragraph (2) as a "section 314(b) plan").

Section 314 of the Public Health Service Act, referred to in subsec. (b)(2), (3), is classified to section 246 of this title.

CODIFICATION

Section was enacted as part of the Department of Defense Appropriation Authorization Act, 1974, and not as part of the Public Health Service Act which comprises this chapter.

PRIOR PROVISIONS

Provisions similar to those comprising this section were contained in Pub. L. 92–585, §3, Oct. 27, 1972, 86 Stat. 1292, setting out procedure to be followed in closing or transferring control of hospitals or other health care delivery facilities of Public Health Service, prior to repeal by Pub. L. 93–155, §818(c).

CHANGE OF NAME

"Secretary of Health and Human Services" substituted for "Secretary of Health, Education, and Welfare" in subsec. (a) pursuant to section 509(b) of Pub. L. 96–88, which is classified to section 3508(b) of Title 20, Education.

§248b. Transfer or financial self-sufficiency of public health service hospitals and clinics

(a) Deadline for closure, transfer, or financial self-sufficiency

The Secretary of Health and Human Services (hereinafter in this subtitle referred to as the "Secretary") shall, in accordance with this section and notwithstanding section 248a of this title, provide for the closure, transfer, or financial self-sufficiency of all hospitals and other stations of the Public Health Service (hereinafter in this subtitle referred to as the "Service") not later than September 30, 1982.

(b) Proposals for transfer or financial self-sufficiency

Not later than July 1, 1981, the Secretary shall notify each Service hospital and other station, and the chief executive officer of each State and of each locality in which such a hospital or other station is located, that the Secretary will accept proposals for the transfer of each such hospital and station from the Service to a public (including Federal) or nonprofit private entity or for the achievement of financial self-sufficiency of each such hospital and station not later than September 30, 1982. No such proposal shall be considered by the Secretary if it is submitted later than September 1, 1981.

(c) Evaluation of proposals

The Secretary shall evaluate promptly each proposal submitted under subsection (b) with respect to a hospital or other station and determine, not later than September 30, 1981, whether or not under such proposal the hospital or station—

- (1) will be maintained as a general health care facility providing a range of services to the population within its service area,
- (2) will continue to make services available to existing patient populations, and
- (3) has a reasonable expectation of financial viability and, in the case of a hospital or station that is not proposed to be transferred, of financial self-sufficiency.

Paragraph (1) shall not apply in the case of a proposal for the transfer of a discrete, minor, freestanding part of a hospital or station to a local public entity for the purpose of continuing the provision of services to refugees.

(d) Rejection or approval of proposal

(1) If the Secretary determines that a proposal for a hospital or other station does not meet the standards of subsection (c) or if there is no proposal submitted under subsection (b) with respect to a hospital or other station, the Secretary shall provide for the closure of the hospital or station by not later than October 31, 1981.

(2) If the Secretary determines that a proposal for a hospital or other station meets the standards of subsection (c), the Secretary shall take such steps, within the amounts available through appropriations, as may be necessary and proper—

- (A) to operate (or participate or assist in the operation of) the hospital or station by the Service until the transfer is accomplished or financial self-sufficiency is achieved,
- (B) to bring the hospital or station into compliance with applicable licensure, accreditation, and local medical practice standards, and
- (C) to provide for such other legal, administrative, personnel, and financial arrangements (including allowing payments made with respect to services provided by the hospital or station to be made directly to that hospital or station) as may be necessary to effect a timely and orderly transfer of such hospital or station (including the land, building, and equipment thereof) from the Service, or for the financial self-sufficiency of the hospital or station, not later than September 30, 1982.

(e) Establishment of identifiable administrative unit

There is established, within the Office of the Assistant Secretary for Health of the Department of Health and Human Services, an identifiable administrative unit which shall have direct responsibility and authority for overseeing the activities under this section.

(f) Finding of financial self-sufficiency

For purposes of this section, a hospital or station cannot be found to be financially self-sufficient if

the hospital or station is relying, in whole or in part, on direct appropriated funds for its continued operations.

CONGRESSIONAL FINDINGS AND DECLARATION OF PURPOSE

Pub. L. 97–35, title IX, §985, Aug. 13, 1981, 95 Stat. 602, provided that:

"(a) Congress finds that—

"(1) because of national budgetary considerations, it has become necessary to terminate Federal appropriations for Public Health Service hospitals and clinics,

"(2) with proper planning and coordination, some of these hospitals and clinics could be transferred to State, local, or private control or become financially self-sufficient and continue to provide effective and efficient health care to individuals in the areas in which they are located,

"(3) a precipitous closure of these hospitals and clinics will preclude the possibility of such orderly transfer to entities which are willing and able to take over operations at such facilities and will cause unnecessary and costly hardships on the patients and staffs at such facilities and on the communities in which the facilities are located, and

"(4) it is in the national interest, consistent with sound budgetary considerations, to assist in the orderly and prompt transfer of such operations to State, local, or private operation or in the achievement of financial self-sufficiency where feasible.

"(b) The purposes of this subtitle [enacting this section, amending sections 201, 249, and 254e of this title, and enacting provisions set out as notes under section 249 of this title] are—

"(1) to provide for the prompt and orderly closure by October 31, 1981, of Public Health Service hospitals and clinics which cannot reasonably be transferred to State, local, or private operation or become financially self-sufficient and for the transfer or achievement of financial self-sufficiency by September 30, 1982, of those hospitals and clinics which can be so transferred or which can achieve such financial self-sufficiency, and

"(2) to provide for transitional assistance for merchant seamen whose entitlement to receive free care through Public Health Service hospitals and clinics is repealed and who are hospitalized at the end of fiscal year 1981 and require continuing hospitalization."

§251. Medical examination and treatment of Federal employees; medical care at remote stations

(a) The Surgeon General is authorized to provide at institutions, hospitals, and station of the Service medical, surgical, and hospital services and supplies for persons entitled to treatment under subchapter I of Chapter 81 of title 5 and extensions thereof. The Surgeon General may also provide for making medical examinations of—

- (1) employees of the Federal Government for retirement purposes;
- (2) employees in the Federal classified service, and applicants for appointment, as requested by the Director of the Office of Personnel Management for the purpose of promoting health and efficiency;
- (3) seamen for purposes of qualifying for certificates of service; and
- (4) employees eligible for benefits under the Longshore and Harbor Workers' Compensation Act, as amended [33 U.S.C. 901 et seq.], as requested by any deputy commissioner thereunder.

(b) The Secretary is authorized to provide medical, surgical, and dental treatment and hospitalization and optometric care for Federal employees (as defined in section 8901(1) of title 5) and their dependents at remote medical facilities of the Public Health Service where such care and treatment are not otherwise available. Such employees and their dependents who are not entitled to this care and treatment under any other provision of law shall be charged for it at rates established by the Secretary to reflect the reasonable cost of providing the care and treatment. Any payments pursuant to the preceding sentence shall be credited to the applicable appropriation to the Public Health Service for the year in which such payments are received.

(b) Health care for involuntarily separated officers and dependents

(1) The Secretary may provide health care for an officer of the Regular or Reserve Corps ¹ involuntarily separated from the Service, and for any dependent of such officer, if—

(A) the officer or dependent was receiving health care at the expense of the Service at the time of separation; and

(B) the Secretary finds that the officer or dependent is unable to obtain appropriate insurance for the conditions for which the officer or dependent was receiving health care.

(2) Health care may be provided under paragraph (1) for a period of not more than one year from the date of separation of the officer from the Service.

(c) Examination of personnel of Service assigned to Coast Guard or National Oceanic and Atmospheric Administration

The Service shall provide all services referred to in subsection (a) required by the Coast Guard or National Oceanic and Atmospheric Administration and shall perform all duties prescribed by statute in connection with the examinations to determine physical or mental condition for purposes of appointment, enlistment, and reenlistment, promotion and retirement, and officers of the Service assigned to duty on Coast Guard or National Oceanic and Atmospheric Administration vessels may extend aid to the crews of American vessels engaged in deep-sea fishing.

§253a. Medical services to retired personnel of National Oceanic and Atmospheric Administration

(a) Eligibility

Subject to regulations of the President, retired ships' officers and retired members of the crews of vessels of the National Oceanic and Atmospheric Administration shall be entitled to medical, surgical, and dental treatment and hospitalization by the Public Health Service if the ships' officer or crew member, (1) was on active duty as a vessel employee of the National Oceanic and Atmospheric Administration on July 1, 1963, or on July 19, 1963, whichever is later, and his employment as a vessel employee was continuous from that date until retirement, or (2) was retired as a vessel employee of the National Oceanic and Atmospheric Administration on or before July 1, 1963, or on July 19, 1963, whichever is later.

(b) Treatment of dependents of personnel

Subject to regulations of the President, dependent members of families (as defined in such regulations) of ships' officers and members of crews of vessels of the National Oceanic and Atmospheric Administration, whether such, ships' officers and members of crew are on active duty or retired, shall be furnished medical advice and outpatient treatment by the Public Health Service and, if suitable accommodations are available, they shall also be furnished hospitalization by the Public Health Service if the ships' officer or crew member (1) was on active duty as a vessel employee of the National Oceanic and Atmospheric Administration on July 1, 1963, or on July 19, 1963, whichever is later, and his employment as a vessel employee has been continuous from that time, or (2) was on active duty as a vessel employee of the National Oceanic and Atmospheric Administration on July 1, 1963, or on July 19, 1963, whichever is later, and his employment as a vessel employee was continuous from that time until retirement, or (3) was retired as a vessel employee of the National Oceanic and Atmospheric Administration on or before July 1, 1963, or on July 19, 1963, whichever is later. When dependent members of families are hospitalized, a per diem charge, at such uniform rate as may be prescribed from time to time for the hospitalization of dependents of members of the uniformed services at hospitals of the uniformed services pursuant to section 1078(a) of title 10 shall be made.

(c) Identification

The National Oceanic and Atmospheric Administration shall furnish proper identification to those persons entitled to medical treatment under the provisions of this section.

EX. ORD. NO. 11160. REGULATIONS RELATING TO MEDICAL CARE FOR RETIRED PERSONNEL OF COAST AND GEODETIC SURVEY [NOW NATIONAL OCEANIC AND ATMOSPHERIC ADMINISTRATION] AND THEIR DEPENDENTS

Ex. Ord. No. 11160, July 6, 1964, 29 F.R. 9315, provided:

By virtue of the authority vested in me by the first section of the Act of July 19, 1963 (Public Law 88-71, 77 Stat. 83, 42 U.S.C. 253a), and as President of the United States, I hereby prescribe the following regulations relating to the medical care of certain retired personnel of the Coast and Geodetic Survey [now National Oceanic and Atmospheric Administration] and dependents of Coast and Geodetic Survey [now National Oceanic and Atmospheric Administration] ships' officers and crew members, both active and retired.

SECTION 1. *Definitions*. As used in these regulations, the term:

(1) "Retired ships' officer and retired crew member" means a noncommissioned ships' officer or crew member of a vessel of the Coast and Geodetic Survey [now National Oceanic and Atmospheric Administration] who either was on active duty as a vessel employee on July 19, 1963, and whose employment as such vessel employee was continuous from that date until the date of his retirement, or who had retired as a vessel employee on or before July 19, 1963.

(2) "Active duty ships' officer and active duty crew member" means a noncommissioned ships' officer or crew member on active duty as a vessel employee of the Coast and Geodetic Survey [now National Oceanic and Atmospheric Administration] on July 19, 1963, and whose employment as such vessel employee has been continuous from that time.

(3) "Dependent members of families", with respect to active duty or retired ships' officers or crew members, means:

(A) the lawful wife;

(B) the unmarried legitimate child, including an adopted child or stepchild, who has not passed his twenty-first birthday; and

(C) the father or mother, if in fact dependent upon such active duty or retired ships' officer or crew member for over one-half of his or her support.

(4) "Relief stations" means Public Health Service outpatient clinics and outpatient offices.

(5) "Outpatient clinic" means a full-time outpatient medical facility, operated in Federally owned or leased space under the supervision of a commissioned medical officer or a full-time civil service medical officer (formerly known as a Second-Class Relief Station).

(6) "Outpatient office" means a part-time outpatient facility serving all classes of legal beneficiaries, located in other than Federal space, and in the charge of a local private physician under contract to the Service to provide medical care on an annual or fee basis (formerly known as a Third-Class Relief Station).

SEC. 2. *Persons entitled to treatment.* The following persons shall be entitled to medical care under these regulations:

(1) Retired ships' officers and retired crew members of the Coast and Geodetic Survey [now National Oceanic and Atmospheric Administration];

(2) Dependent members of families of persons described in paragraph (1) of this section;

(3) Dependent members of families of active duty ships' officers and crew members of the Coast and Geodetic Survey [now National Oceanic and Atmospheric Administration].

SEC. 3. *Application for treatment; evidence of eligibility.* Persons entitled to medical care under Section 2 of these regulations, when applying to Public Health Service medical care facilities for medical care, shall produce proper identification, as issued to them by the Coast and Geodetic Survey [now National Oceanic and Atmospheric Administration], and such identification shall be accepted as evidence of eligibility for such medical care by the Service.

SEC. 4. *Extent of treatment; retired ships' officers and crew members.* Subject to the limitation imposed by paragraph (2) of this section, retired ships' officers and crew members entitled to medical care under these regulations shall be furnished:

(1) Medical, surgical, and dental treatment at hospitals, outpatient clinics, and outpatient offices of the Service, and hospitalization at hospitals of the Service. The Service will not be responsible for defraying the cost of hospitalization, medical services, and supplies procured elsewhere.

(2) Dental treatment shall be furnished to the extent that facilities and services at hospitals and outpatient clinics of the Service having full-time dental officers on duty are available to provide such treatment. At other Service facilities, dental treatment shall be limited to emergency measures necessary to relieve pain.

SEC. 5. *Extent of treatment; dependent members of families; charges.* (a) Dependent members of families shall be furnished medical advice and outpatient treatment at hospitals, outpatient clinics, and outpatient offices of the Service and, if suitable accommodations are available, shall be furnished hospitalization at hospitals of the Service. The Service will not be responsible for defraying the cost of hospitalization, medical services, and supplies procured elsewhere.

(b) For the purpose of this section—

(1) Medical advice and outpatient treatment may include such services and supplies as the Medical Officer in Charge may deem to be necessary for reasonable and adequate treatment.

(2) Hospitalization shall be furnished when, in the opinion of the Medical Officer in Charge, suitable accommodations are available and the condition of the patient is such as to require hospitalization. When hospitalization is authorized, it may include such services and supplies as the Medical Officer in Charge may deem to be necessary for reasonable and adequate treatment.

(c) Charges shall be made for hospitalization of dependent members of families at the same per diem rate as is prescribed for dependents of members of the uniformed services pursuant to section 1078(a) of Title 10 of the United States Code.

(d) Dental treatment may be furnished to the extent that facilities and services at hospitals and outpatient clinics of the Service having full-time dental officers are available to provide such treatment. Dental care will not be furnished under any circumstances in private facilities at the expense of the Service.

SEC. 6. *Prior orders.* Executive Order No. 9703 of March 12, 1946, prescribing regulations relating to medical care of certain personnel of the Coast Guard, Coast and Geodetic Survey [now National Oceanic and Atmospheric Administration], Public Health Service, and former Lighthouse Service, is hereby amended to the extent necessary to conform it to the provisions of this order.

LYNDON B. JOHNSON.

§253b. Former Lighthouse Service employees; medical service eligibility

Subject to regulations of the President, lightkeepers, assistant lightkeepers, and officers and crews

of vessels of the former Lighthouse Service, including any such persons who subsequent to June 30, 1939, were involuntarily assigned to other civilian duty in the Coast Guard, who were entitled to medical relief at hospitals and other stations of the Public Health Service prior to July 1, 1944, and who retired under the provisions of section 763 of title 33, shall be entitled to medical, surgical, and dental treatment and hospitalization at hospitals and other stations of the Public Health Service. EXECUTIVE DOCUMENTS

TRANSFER OF FUNCTIONS

Functions of Public Health Service, Surgeon General of Public Health Service, and all other officers and employees of Public Health Service, and functions of all agencies of or in Public Health Service transferred to Secretary of Health, Education, and Welfare by Reorg. Plan No. 3 of 1966, eff. June 25, 1966, 31 F.R. 8855, 80 Stat. 1610, set out as a note under section 202 of this title.

Functions of Federal Security Administrator transferred to Secretary of Health, Education, and Welfare and all agencies of Federal Security Agency transferred to Department of Health, Education, and Welfare by section 5 of Reorg. Plan No. 1 of 1953, set out as a note under section 3501 of this title. Federal Security Agency and office of Administrator abolished by section 8 of Reorg. Plan No. 1 of 1953.

§254a. Sharing of medical care facilities and resources

(a) Definitions

For purposes of this section—

(1) the term "specialized health resources" means health care resources (whether equipment, space, or personnel) which, because of cost, limited availability, or unusual nature, are either unique in the health care community or are subject to maximum utilization only through mutual use;

(2) the term "hospital", unless otherwise specified, includes (in addition to other hospitals) any Federal hospital.

(b) Statement of purpose; agreements or arrangements; reciprocity; reimbursement; credits

For the purpose of maintaining or improving the quality of care in Public Health Service facilities and to provide a professional environment therein which will help to attract and retain highly qualified and talented health personnel, to encourage mutually beneficial relationships between Public Health Service facilities and hospitals and other health facilities in the health care community, and to promote the full utilization of hospitals and other health facilities and resources, the Secretary may—

(1) enter into agreements or arrangements with schools of medicine, schools of osteopathic medicine, and with other health professions schools, agencies, or institutions, for such interchange or cooperative use of facilities and services on a reciprocal or reimbursable basis, as will be of benefit to the training or research programs of the participating agencies; and

(2) enter into agreements or arrangements with hospitals and other health care facilities for the mutual use or the exchange of use of specialized health resources, and providing for reciprocal reimbursement.

Any reimbursement pursuant to any such agreement or arrangement shall be based on charges covering the reasonable cost of such utilization, including normal depreciation and amortization costs of equipment. Any proceeds to the Government under this subsection shall be credited to the applicable appropriation of the Public Health Service for the year in which such proceeds are received.

(July 1, 1944, ch. 373, title III, §327A, formerly §328, as added Pub. L. 90-174, §7, Dec. 5, 1967, 81 Stat. 539; renumbered §327A, Pub. L. 95-626, title I, §113(a)(2), Nov. 10, 1978, 92 Stat. 3562; amended Pub. L. 100-607, title VI, §629(a)(1), Nov. 4, 1988, 102 Stat. 3146.)

Pub. L. 95–626, title I, §113(a)(3), Nov. 10, 1978, 92 Stat. 3562, added heading "Subpart I—Primary Health Centers".

§254b. Health centers

(a) "Health center" defined

(1) In general

For purposes of this section, the term "health center" means an entity that serves a population that is medically underserved, or a special medically underserved population comprised of migratory and seasonal agricultural workers, the homeless, and residents of public housing, by providing, either through the staff and supporting resources of the center or through contracts or cooperative arrangements—

(A) required primary health services (as defined in subsection (b)(1)); and

(B) as may be appropriate for particular centers, additional health services (as defined in subsection (b)(2)) necessary for the adequate support of the primary health services required

under subparagraph (A);

for all residents of the area served by the center (hereafter referred to in this section as the "catchment area").

(2) Limitation

The requirement in paragraph (1) to provide services for all residents within a catchment area shall not apply in the case of a health center receiving a grant only under subsection (g), (h), or (i).

(b) Definitions

For purposes of this section:

(1) Required primary health services

(A) In general

The term "required primary health services" means—

(i) basic health services which, for purposes of this section, shall consist of—

(I) health services related to family medicine, internal medicine, pediatrics, obstetrics, or gynecology that are furnished by physicians and where appropriate, physician assistants, nurse practitioners, and nurse midwives;

(II) diagnostic laboratory and radiologic services;

(III) preventive health services, including—

(aa) prenatal and perinatal services;

(bb) appropriate cancer screening;

(cc) well-child services;

(dd) immunizations against vaccine-preventable diseases;

(ee) screenings for elevated blood lead levels, communicable diseases, and cholesterol;

(ff) pediatric eye, ear, and dental screenings to determine the need for vision and hearing correction and dental care;

(gg) voluntary family planning services; and

(hh) preventive dental services;

(IV) emergency medical services; and

(V) pharmaceutical services as may be appropriate for particular centers;

(ii) referrals to providers of medical services (including specialty referral when medically indicated) and other health-related services (including substance use disorder and mental health services);

(iii) patient case management services (including counseling, referral, and follow-up services) and other services designed to assist health center patients in establishing eligibility for and gaining access to Federal, State, and local programs that provide or financially support the provision of medical, social, housing, educational, or other related services;

(iv) services that enable individuals to use the services of the health center (including outreach and transportation services and, if a substantial number of the individuals in the population served by a center are of limited English-speaking ability, the services of appropriate personnel fluent in the language spoken by a predominant number of such individuals); and

(v) education of patients and the general population served by the health center regarding the availability and proper use of health services.

(B) Exception

With respect to a health center that receives a grant only under subsection (g), the Secretary, upon a showing of good cause, shall—

(i) waive the requirement that the center provide all required primary health services under

this paragraph; and

(ii) approve, as appropriate, the provision of certain required primary health services only during certain periods of the year.

(2) Additional health services

The term "additional health services" means services that are not included as required primary health services and that are appropriate to meet the health needs of the population served by the health center involved. Such term may include—

(A) behavioral and mental health and substance use disorder services;

(B) recuperative care services;

(C) environmental health services, including—

(i) the detection and alleviation of unhealthful conditions associated with—

(I) water supply;

(II) chemical and pesticide exposures;

(III) air quality; or

(IV) exposure to lead;

(ii) sewage treatment;

(iii) solid waste disposal;

(iv) rodent and parasitic infestation;

(v) field sanitation;

(vi) housing; and

(vii) other environmental factors related to health; and

(D) in the case of health centers receiving grants under subsection (g), special occupation-related health services for migratory and seasonal agricultural workers, including—

(i) screening for and control of infectious diseases, including parasitic diseases; and

(ii) injury prevention programs, including prevention of exposure to unsafe levels of agricultural chemicals including pesticides.

(3) Medically underserved populations

(A) In general

The term "medically underserved population" means the population of an urban or rural area designated by the Secretary as an area with a shortage of personal health services or a population group designated by the Secretary as having a shortage of such services.

(B) Criteria

In carrying out subparagraph (A), the Secretary shall prescribe criteria for determining the specific shortages of personal health services of an area or population group. Such criteria shall—

(i) take into account comments received by the Secretary from the chief executive officer of a State and local officials in a State; and

(ii) include factors indicative of the health status of a population group or residents of an area, the ability of the residents of an area or of a population group to pay for health services and their accessibility to them, and the availability of health professionals to residents of an area or to a population group.

(C) Limitation

The Secretary may not designate a medically underserved population in a State or terminate the designation of such a population unless, prior to such designation or termination, the Secretary provides reasonable notice and opportunity for comment and consults with—

(i) the chief executive officer of such State;

(ii) local officials in such State; and

(iii) the organization, if any, which represents a majority of health centers in such State.

(D) Permissible designation

The Secretary may designate a medically underserved population that does not meet the criteria established under subparagraph (B) if the chief executive officer of the State in which such population is located and local officials of such State recommend the designation of such population based on unusual local conditions which are a barrier to access to or the availability of personal health services.

(c) Planning grants

(1) Centers

The Secretary may make grants to public and nonprofit private entities for projects to plan and develop health centers which will serve medically underserved populations. A project for which a grant may be made under this subsection may include the cost of the acquisition and lease of buildings and equipment (including the costs of amortizing the principal of, and paying the interest on, loans) and shall include—

(A) an assessment of the need that the population proposed to be served by the health center for which the project is undertaken has for required primary health services and additional health services;

(B) the design of a health center program for such population based on such assessment;

(C) efforts to secure, within the proposed catchment area of such center, financial and professional assistance and support for the project;

(D) initiation and encouragement of continuing community involvement in the development and operation of the project; and

(E) proposed linkages between the center and other appropriate provider entities, such as health departments, local hospitals, and rural health clinics, to provide better coordinated, higher quality, and more cost-effective health care services.

(2) Limitation

Not more than two grants may be made under this subsection for the same project, except that upon a showing of good cause, the Secretary may make additional grant awards.

(3) Recognition of high poverty

(A) In general

In making grants under this subsection, the Secretary may recognize the unique needs of high poverty areas.

(B) High poverty area defined

For purposes of subparagraph (A), the term "high poverty area" means a catchment area which is established in a manner that is consistent with the factors in subsection (k)(3)(J), and the poverty rate of which is greater than the national average poverty rate as determined by the Bureau of the Census.

(d) Improving quality of care

(1) Supplemental awards

The Secretary may award supplemental grant funds to health centers funded under this section to implement evidence-based models for increasing access to high-quality primary care services, which may include models related to—

(A) improving the delivery of care for individuals with multiple chronic conditions;

(B) workforce configuration;

(C) reducing the cost of care;

(D) enhancing care coordination;

(E) expanding the use of telehealth and technology-enabled collaborative learning and capacity building models;

(F) care integration, including integration of behavioral health, mental health, or substance use disorder services;

(G) addressing emerging public health or substance use disorder issues to meet the health needs of the population served by the health center; and

(H) improving access to recommended immunizations.

(2) Sustainability

In making supplemental awards under this subsection, the Secretary may consider whether the health center involved has submitted a plan for continuing the activities funded under this subsection after supplemental funding is expended.

(3) Special consideration

The Secretary may give special consideration to applications for supplemental funding under this subsection that seek to address significant barriers to access to care in areas with a greater shortage of health care providers and health services relative to the national average.

(e) Operating grants

(1) Authority

(A) In general

The Secretary may make grants for the costs of the operation of public and nonprofit private health centers that provide health services to medically underserved populations.

(B) Entities that fail to meet certain requirements

The Secretary may make grants, for a period of not to exceed 1 year, for the costs of the operation of public and nonprofit private entities which provide health services to medically underserved populations but with respect to which the Secretary is unable to make each of the determinations required by subsection (k)(3). The Secretary shall not make a grant under this paragraph unless the applicant provides assurances to the Secretary that within 120 days of receiving grant funding for the operation of the health center, the applicant will submit, for approval by the Secretary, an implementation plan to meet the requirements of subsection (k)(3). The Secretary may extend such 120-day period for achieving compliance upon a demonstration of good cause by the health center.

(C) Operation of networks

The Secretary may make grants to health centers that receive assistance under this section, or at the request of the health centers, directly to a network that is at least majority controlled and, as applicable, at least majority owned by such health centers receiving assistance under this section, for the costs associated with the operation of such network including—

(i) the purchase or lease of equipment, which may include data and information systems (including the costs of amortizing the principal of, and paying the interest on, loans for equipment);

(ii) the provision of training and technical assistance; and

(iii) other activities that—

(I) reduce costs associated with the provision of health services;

(II) improve access to, and availability of, health services provided to individuals served by the centers;

(III) enhance the quality and coordination of health services; or

(IV) improve the health status of communities.

(2) Use of funds

The costs for which a grant may be made under subparagraph (A) or (B) of paragraph (1) may include the costs of acquiring and leasing buildings and equipment (including the costs of amortizing the principal of, and paying interest on, loans), and the costs of providing training related to the provision of required primary health services and additional health services and to the management of health center programs.

(3) Construction

The Secretary may award grants which may be used to pay the costs associated with expanding and modernizing existing buildings or constructing new buildings (including the costs of amortizing the principal of, and paying the interest on, loans) for projects approved prior to October 1, 1996.

(4) Limitation

Not more than two grants may be made under subparagraph (B) of paragraph (1) for the same entity.

(5) Amount

(A) In general

The amount of any grant made in any fiscal year under subparagraphs (A) and (B) of paragraph (1) to a health center shall be determined by the Secretary, but may not exceed the amount by which the costs of operation of the center in such fiscal year exceed the total of—

(i) State, local, and other operational funding provided to the center; and

(ii) the fees, premiums, and third-party reimbursements, which the center may reasonably be expected to receive for its operations in such fiscal year.

(B) Networks

The total amount of grant funds made available for any fiscal year under paragraph (1)(C) to a health center or to a network shall be determined by the Secretary, but may not exceed 2 percent of the total amount appropriated under this section for such fiscal year.

(C) Payments

Payments under grants under subparagraph (A) or (B) of paragraph (1) shall be made in advance or by way of reimbursement and in such installments as the Secretary finds necessary and adjustments may be made for overpayments or underpayments.

(D) Use of nongrant funds

Nongrant funds described in clauses (i) and (ii) of subparagraph (A), including any such funds in excess of those originally expected, shall be used as permitted under this section, and may be used for such other purposes as are not specifically prohibited under this section if such use furthers the objectives of the project.

(6) New access points and expanded services

(A) Approval of new access points

(i) In general

The Secretary may approve applications for grants under subparagraph (A) or (B) of paragraph (1) to establish new delivery sites.

(ii) Special consideration

In carrying out clause (i), the Secretary may give special consideration to applicants that have demonstrated the new delivery site will be located within a sparsely populated area, or an area which has a level of unmet need that is higher relative to other applicants.

(iii) Consideration of applications

In carrying out clause (i), the Secretary shall approve applications for grants in such a manner that the ratio of the medically underserved populations in rural areas which may be expected to use the services provided by the applicants involved to the medically underserved populations in urban areas which may be expected to use the services provided by the applicants is not less than two to three or greater than three to two.

(iv) Service area overlap

If in carrying out clause (i) the applicant proposes to serve an area that is currently served by another health center funded under this section, the Secretary may consider whether the award of funding to an additional health center in the area can be justified based on the unmet

need for additional services within the catchment area.

(B) Approval of expanded service applications

(i) In general

The Secretary may approve applications for grants under subparagraph (A) or (B) of paragraph (1) to expand the capacity of the applicant to provide required primary health services described in subsection (b)(1) or additional health services described in subsection (b)(2).

(ii) Priority expansion projects

In carrying out clause (i), the Secretary may give special consideration to expanded service applications that seek to address emerging public health or behavioral health, mental health, or substance abuse issues through increasing the availability of additional health services described in subsection (b)(2) in an area in which there are significant barriers to accessing care.

(iii) Consideration of applications

In carrying out clause (i), the Secretary shall approve applications for grants in such a manner that the ratio of the medically underserved populations in rural areas which may be expected to use the services provided by the applicants involved to the medically underserved populations in urban areas which may be expected to use the services provided by such applicants is not less than two to three or greater than three to two.

(f) Infant mortality grants

(1) In general

The Secretary may make grants to health centers for the purpose of assisting such centers in—

(A) providing comprehensive health care and support services for the reduction of—

(i) the incidence of infant mortality; and

(ii) morbidity among children who are less than 3 years of age; and

(B) developing and coordinating service and referral arrangements between health centers and other entities for the health management of pregnant women and children described in subparagraph (A).

(2) Priority

In making grants under this subsection the Secretary shall give priority to health centers providing services to any medically underserved population among which there is a substantial incidence of infant mortality or among which there is a significant increase in the incidence of infant mortality.

(3) Requirements

The Secretary may make a grant under this subsection only if the health center involved agrees that—

(A) the center will coordinate the provision of services under the grant to each of the recipients of the services;

(B) such services will be continuous for each such recipient;

(C) the center will provide follow-up services for individuals who are referred by the center for services described in paragraph (1);

(D) the grant will be expended to supplement, and not supplant, the expenditures of the center for primary health services (including prenatal care) with respect to the purpose described in this subsection; and

(E) the center will coordinate the provision of services with other maternal and child health providers operating in the catchment area.

(g) Migratory and seasonal agricultural workers

(1) In general

The Secretary may award grants for the purposes described in subsections (c), (e), and (f) for the planning and delivery of services to a special medically underserved population comprised of—

(A) migratory agricultural workers, seasonal agricultural workers, and members of the families of such migratory and seasonal agricultural workers who are within a designated catchment area; and

(B) individuals who have previously been migratory agricultural workers but who no longer meet the requirements of subparagraph (A) of paragraph (3) because of age or disability and members of the families of such individuals who are within such catchment area.

(2) Environmental concerns

The Secretary may enter into grants or contracts under this subsection with public and private entities to—

(A) assist the States in the implementation and enforcement of acceptable environmental health standards, including enforcement of standards for sanitation in migratory agricultural worker and seasonal agricultural worker labor camps, and applicable Federal and State pesticide control standards; and

(B) conduct projects and studies to assist the several States and entities which have received grants or contracts under this section in the assessment of problems related to camp and field sanitation, exposure to unsafe levels of agricultural chemicals including pesticides, and other environmental health hazards to which migratory agricultural workers and seasonal agricultural workers, and members of their families, are exposed.

(3) Definitions

For purposes of this subsection:

(A) Migratory agricultural worker

The term "migratory agricultural worker" means an individual whose principal employment is in agriculture, who has been so employed within the last 24 months, and who establishes for the purposes of such employment a temporary abode.

(B) Seasonal agricultural worker

The term "seasonal agricultural worker" means an individual whose principal employment is in agriculture on a seasonal basis and who is not a migratory agricultural worker.

(C) Agriculture

The term "agriculture" means farming in all its branches, including—

(i) cultivation and tillage of the soil;

(ii) the production, cultivation, growing, and harvesting of any commodity grown on, in, or as an adjunct to or part of a commodity grown in or on, the land; and

(iii) any practice (including preparation and processing for market and delivery to storage or to market or to carriers for transportation to market) performed by a farmer or on a farm incident to or in conjunction with an activity described in clause (ii).

(h) Homeless population

(1) In general

The Secretary may award grants for the purposes described in subsections (c), (e), and (f) for the planning and delivery of services to a special medically underserved population comprised of homeless individuals, including grants for innovative programs that provide outreach and comprehensive primary health services to homeless children and youth, children and youth at risk of homelessness, homeless veterans, and veterans at risk of homelessness.

(2) Required services

In addition to required primary health services (as defined in subsection (b)(1)), an entity that

receives a grant under this subsection shall be required to provide substance abuse services as a condition of such grant.

(3) Supplement not supplant requirement

A grant awarded under this subsection shall be expended to supplement, and not supplant, the expenditures of the health center and the value of in kind contributions for the delivery of services to the population described in paragraph (1).

(4) Temporary continued provision of services to certain former homeless individuals

If any grantee under this subsection has provided services described in this section under the grant to a homeless individual, such grantee may, notwithstanding that the individual is no longer homeless as a result of becoming a resident in permanent housing, expend the grant to continue to provide such services to the individual for not more than 12 months.

(5) Definitions

For purposes of this section:

(A) Homeless individual

The term "homeless individual" means an individual who lacks housing (without regard to whether the individual is a member of a family), including an individual whose primary residence during the night is a supervised public or private facility that provides temporary living accommodations and an individual who is a resident in transitional housing.

(B) Substance use disorder services

The term "substance use disorder services" includes detoxification, risk reduction, outpatient treatment, residential treatment, and rehabilitation for substance abuse provided in settings other than hospitals.

(i) Residents of public housing

(1) In general

The Secretary may award grants for the purposes described in subsections (c), (e), and (f) for the planning and delivery of services to a special medically underserved population comprised of residents of public housing (such term, for purposes of this subsection, shall have the same meaning given such term in section 1437a(b)(1) of this title) and individuals living in areas immediately accessible to such public housing.

(2) Supplement not supplant

A grant awarded under this subsection shall be expended to supplement, and not supplant, the expenditures of the health center and the value of in kind contributions for the delivery of services to the population described in paragraph (1).

(3) Consultation with residents

The Secretary may not make a grant under paragraph (1) unless, with respect to the residents of the public housing involved, the applicant for the grant—

- (A) has consulted with the residents in the preparation of the application for the grant; and
- (B) agrees to provide for ongoing consultation with the residents regarding the planning and administration of the program carried out with the grant.

(j) Access grants

(1) In general

The Secretary may award grants to eligible health centers with a substantial number of clients with limited English speaking proficiency to provide translation, interpretation, and other such services for such clients with limited English speaking proficiency.

(2) Eligible health center

In this subsection, the term "eligible health center" means an entity that—

- (A) is a health center as defined under subsection (a);
- (B) provides health care services for clients for whom English is a second language; and
- (C) has exceptional needs with respect to linguistic access or faces exceptional challenges with respect to linguistic access.

(3) Grant amount

The amount of a grant awarded to a center under this subsection shall be determined by the Administrator. Such determination of such amount shall be based on the number of clients for whom English is a second language that is served by such center, and larger grant amounts shall be awarded to centers serving larger numbers of such clients.

(4) Use of funds

An eligible health center that receives a grant under this subsection may use funds received through such grant to—

- (A) provide translation, interpretation, and other such services for clients for whom English is a second language, including hiring professional translation and interpretation services; and
- (B) compensate bilingual or multilingual staff for language assistance services provided by the staff for such clients.

(5) Application

An eligible health center desiring a grant under this subsection shall submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may reasonably require, including—

- (A) an estimate of the number of clients that the center serves for whom English is a second language;
- (B) the ratio of the number of clients for whom English is a second language to the total number of clients served by the center;
- (C) a description of any language assistance services that the center proposes to provide to aid clients for whom English is a second language; and
- (D) a description of the exceptional needs of such center with respect to linguistic access or a description of the exceptional challenges faced by such center with respect to linguistic access.

(6) Authorization of appropriations

There are authorized to be appropriated to carry out this subsection, in addition to any funds authorized to be appropriated or appropriated for health centers under any other subsection of this section, such sums as may be necessary for each of fiscal years 2002 through 2006.

(k) Applications

(1) Submission

No grant may be made under this section unless an application therefore is submitted to, and approved by, the Secretary. Such an application shall be submitted in such form and manner and shall contain such information as the Secretary shall prescribe.

(2) Description of unmet need

An application for a grant under subparagraph (A) or (B) of subsection (e)(1) or subsection (e)(6) for a health center shall include—

- (A) a description of the unmet need for health services in the catchment area of the center;
- (B) a demonstration by the applicant that the area or the population group to be served by the applicant has a shortage of personal health services;
- (C) a demonstration that the center will be located so that it will provide services to the greatest number of individuals residing in the catchment area or included in such population group; and
- (D) in the case of an application for a grant pursuant to subsection (e)(6), a demonstration that the applicant has consulted with appropriate State and local government agencies, and health care providers regarding the need for the health services to be provided at the proposed

delivery site.

Such a demonstration shall be made on the basis of the criteria prescribed by the Secretary under subsection (b)(3) or on any other criteria which the Secretary may prescribe to determine if the area or population group to be served by the applicant has a shortage of personal health services. In considering an application for a grant under subparagraph (A) or (B) of subsection (e)(1), the Secretary may require as a condition to the approval of such application an assurance that the applicant will provide any health service defined under paragraphs (1) and (2) of subsection (b) that the Secretary finds is needed to meet specific health needs of the area to be served by the applicant. Such a finding shall be made in writing and a copy shall be provided to the applicant.

(3) Requirements

Except as provided in subsection (e)(1)(B) or subsection (e)(6), the Secretary may not approve an application for a grant under subparagraph (A) or (B) of subsection (e)(1) unless the Secretary determines that the entity for which the application is submitted is a health center (within the meaning of subsection (a)) and that—

(A) the required primary health services of the center will be available and accessible in the catchment area of the center promptly, as appropriate, and in a manner which assures continuity;

(B) the center has made and will continue to make every reasonable effort to establish and maintain collaborative relationships with other health care providers, including other health care providers that provide care within the catchment area, local hospitals, and specialty providers in the catchment area of the center, to provide access to services not available through the health center and to reduce the non-urgent use of hospital emergency departments;

(C) the center will have an ongoing quality improvement system that includes clinical services and management, and that maintains the confidentiality of patient records;

(D) the center will demonstrate its financial responsibility by the use of such accounting procedures and other requirements as may be prescribed by the Secretary;

(E) the center—

(i)(I) has or will have a contractual or other arrangement with the agency of the State, in which it provides services, which administers or supervises the administration of a State plan approved under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] for the payment of all or a part of the center's costs in providing health services to persons who are eligible for medical assistance under such a State plan; and

(II) has or will have a contractual or other arrangement with the State agency administering the program under title XXI of such Act (42 U.S.C. 1397aa et seq.) with respect to individuals who are State children's health insurance program beneficiaries; or

(ii) has made or will make every reasonable effort to enter into arrangements described in subclauses (I) and (II) of clause (i);

(F) the center has made or will make and will continue to make every reasonable effort to collect appropriate reimbursement for its costs in providing health services to persons who are entitled to insurance benefits under title XVIII of the Social Security Act [42 U.S.C. 1395 et seq.], to medical assistance under a State plan approved under title XIX of such Act [42 U.S.C. 1396 et seq.], or to assistance for medical expenses under any other public assistance program or private health insurance program;

(G) the center—

(i) has prepared a schedule of fees or payments for the provision of its services consistent with locally prevailing rates or charges and designed to cover its reasonable costs of operation and has prepared a corresponding schedule of discounts to be applied to the payment of such fees or payments, which discounts are adjusted on the basis of the patient's ability to pay;

(ii) has made and will continue to make every reasonable effort—

(I) to secure from patients payment for services in accordance with such schedules; and

(II) to collect reimbursement for health services to persons described in subparagraph (F) on the basis of the full amount of fees and payments for such services without application of any discount;

(iii)(I) will assure that no patient will be denied health care services due to an individual's inability to pay for such services; and

(II) will assure that any fees or payments required by the center for such services will be reduced or waived to enable the center to fulfill the assurance described in subclause (I); and

(iv) has submitted to the Secretary such reports as the Secretary may require to determine compliance with this subparagraph;

(H) the center has established a governing board which except in the case of an entity operated by an Indian tribe or tribal or Indian organization under the Indian Self-Determination Act [25 U.S.C. 5321 et seq.] or an urban Indian organization under the Indian Health Care Improvement Act (25 U.S.C. 1651 et seq.)—

(i) is composed of individuals, a majority of whom are being served by the center and who, as a group, represent the individuals being served by the center;

(ii) meets at least once a month, selects the services to be provided by the center, schedules the hours during which such services will be provided, approves the center's annual budget, approves the selection of a director for the center who shall be directly employed by the center, and, except in the case of a governing board of a public center (as defined in the second sentence of this paragraph), establishes general policies for the center; and

(iii) in the case of an application for a second or subsequent grant for a public center, has approved the application or if the governing body has not approved the application, the failure of the governing body to approve the application was unreasonable;

except that, upon a showing of good cause the Secretary shall waive, for the length of the project period, all or part of the requirements of this subparagraph in the case of a health center that receives a grant pursuant to subsection (g), (h), (i), or (p);

(I) the center has developed—

(i) an overall plan and budget that meets the requirements of the Secretary; and

(ii) an effective procedure for compiling and reporting to the Secretary such statistics and other information as the Secretary may require relating to—

(I) the costs of its operations;

(II) the patterns of use of its services;

(III) the availability, accessibility, and acceptability of its services; and

(IV) such other matters relating to operations of the applicant as the Secretary may require;

(J) the center will review periodically its catchment area to—

(i) ensure that the size of such area is such that the services to be provided through the center (including any satellite) are available and accessible to the residents of the area promptly and as appropriate;

(ii) ensure that the boundaries of such area conform, to the extent practicable, to relevant boundaries of political subdivisions, school districts, and Federal and State health and social service programs; and

(iii) ensure that the boundaries of such area eliminate, to the extent possible, barriers to access to the services of the center, including barriers resulting from the area's physical characteristics, its residential patterns, its economic and social grouping, and available transportation;

(K) in the case of a center which serves a population including a substantial proportion of individuals of limited English-speaking ability, the center has—

(i) developed a plan and made arrangements responsive to the needs of such population for providing services to the extent practicable in the language and cultural context most appropriate to such individuals; and

(ii) identified an individual on its staff who is fluent in both that language and in English and whose responsibilities shall include providing guidance to such individuals and to appropriate staff members with respect to cultural sensitivities and bridging linguistic and cultural differences;

(L) the center, has developed an ongoing referral relationship with one or more hospitals;

(M) the center encourages persons receiving or seeking health services from the center to participate in any public or private (including employer-offered) health programs or plans for which the persons are eligible, so long as the center, in complying with this subparagraph, does not violate the requirements of subparagraph (G)(iii)(I); and

(N) the center has written policies and procedures in place to ensure the appropriate use of Federal funds in compliance with applicable Federal statutes, regulations, and the terms and conditions of the Federal award.

For purposes of subparagraph (H), the term "public center" means a health center funded (or to be funded) through a grant under this section to a public agency.

(l) Technical assistance

The Secretary shall establish a program through which the Secretary shall provide (either through the Department of Health and Human Services or by grant or contract) technical and other assistance to eligible entities to assist such entities to meet the requirements of subsection (k)(3). Services provided through the program may include necessary technical and nonfinancial assistance, including fiscal and program management assistance, training in fiscal and program management, operational and administrative support, and the provision of information to the entities of the variety of resources available under this subchapter and how those resources can be best used to meet the health needs of the communities served by the entities. Funds expended to carry out activities under this subsection and operational support activities under subsection (m) shall not exceed 3 percent of the amount appropriated for this section for the fiscal year involved.

(m) Memorandum of agreement

In carrying out this section, the Secretary may enter into a memorandum of agreement with a State. Such memorandum may include, where appropriate, provisions permitting such State to—

(1) analyze the need for primary health services for medically underserved populations within such State;

(2) assist in the planning and development of new health centers;

(3) review and comment upon annual program plans and budgets of health centers, including comments upon allocations of health care resources in the State;

(4) assist health centers in the development of clinical practices and fiscal and administrative systems through a technical assistance plan which is responsive to the requests of health centers; and

(5) share information and data relevant to the operation of new and existing health centers.

(n) Records

(1) In general

Each entity which receives a grant under subsection (e) shall establish and maintain such records as the Secretary shall require.

(2) Availability

Each entity which is required to establish and maintain records under this subsection shall make such books, documents, papers, and records available to the Secretary or the Comptroller General of the United States, or any of their duly authorized representatives, for examination, copying or

mechanical reproduction on or off the premises of such entity upon a reasonable request therefore. The Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, shall have the authority to conduct such examination, copying, and reproduction.

(o) Delegation of authority

The Secretary may delegate the authority to administer the programs authorized by this section to any office, except that the authority to enter into, modify, or issue approvals with respect to grants or contracts may be delegated only within the central office of the Health Resources and Services Administration.

(p) Special consideration

In making grants under this section, the Secretary shall give special consideration to the unique needs of sparsely populated rural areas, including giving priority in the awarding of grants for new health centers under subsections (c) and (e), and the granting of waivers as appropriate and permitted under subsections (b)(1)(B)(i) and (k)(3)(G).

(q) Audits

(1) In general

Each entity which receives a grant under this section shall provide for an independent annual financial audit of any books, accounts, financial records, files, and other papers and property which relate to the disposition or use of the funds received under such grant and such other funds received by or allocated to the project for which such grant was made. For purposes of assuring accurate, current, and complete disclosure of the disposition or use of the funds received, each such audit shall be conducted in accordance with generally accepted accounting principles. Each audit shall evaluate—

- (A) the entity's implementation of the guidelines established by the Secretary respecting cost accounting,
- (B) the processes used by the entity to meet the financial and program reporting requirements of the Secretary, and
- (C) the billing and collection procedures of the entity and the relation of the procedures to its fee schedule and schedule of discounts and to the availability of health insurance and public programs to pay for the health services it provides.

A report of each such audit shall be filed with the Secretary at such time and in such manner as the Secretary may require.

(2) Records

Each entity which receives a grant under this section shall establish and maintain such records as the Secretary shall by regulation require to facilitate the audit required by paragraph (1). The Secretary may specify by regulation the form and manner in which such records shall be established and maintained.

(3) Availability of records

Each entity which is required to establish and maintain records or to provide for and ¹ audit under this subsection shall make such books, documents, papers, and records available to the Secretary or the Comptroller General of the United States, or any of their duly authorized representatives, for examination, copying or mechanical reproduction on or off the premises of such entity upon a reasonable request therefore. The Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, shall have the authority to conduct such examination, copying, and reproduction.

(4) Waiver

The Secretary may, under appropriate circumstances, waive the application of all or part of the requirements of this subsection with respect to an entity. A waiver provided by the Secretary under this paragraph may not remain in effect for more than 1 year and may not be extended after

such period. An entity may not receive more than one waiver under this paragraph in consecutive years.

(r) Authorization of appropriations

(1) General amounts for grants

For the purpose of carrying out this section, in addition to the amounts authorized to be appropriated under subsection (d), there is authorized to be appropriated the following:

(A) For fiscal year 2010, \$2,988,821,592.

(B) For fiscal year 2011, \$3,862,107,440.

(C) For fiscal year 2012, \$4,990,553,440.

(D) For fiscal year 2013, \$6,448,713,307.

(E) For fiscal year 2014, \$7,332,924,155.

(F) For fiscal year 2015, \$8,332,924,155.

(G) For fiscal year 2016, and each subsequent fiscal year, the amount appropriated for the preceding fiscal year adjusted by the product of—

(i) one plus the average percentage increase in costs incurred per patient served; and

(ii) one plus the average percentage increase in the total number of patients served.

(2) Special provisions

(A) Public centers

The Secretary may not expend in any fiscal year, for grants under this section to public centers (as defined in the second sentence of subsection (k)(3)) the governing boards of which (as described in subsection (k)(3)(H)) do not establish general policies for such centers, an amount which exceeds 5 percent of the amounts appropriated under this section for that fiscal year. For purposes of applying the preceding sentence, the term "public centers" shall not include health centers that receive grants pursuant to subsection (h) or (i).

(B) Distribution of grants

For fiscal year 2002 and each of the following fiscal years, the Secretary, in awarding grants under this section, shall ensure that the proportion of the amount made available under each of subsections (g), (h), and (i), relative to the total amount appropriated to carry out this section for that fiscal year, is equal to the proportion of the amount made available under that subsection for fiscal year 2001, relative to the total amount appropriated to carry out this section for fiscal year 2001.

(3) Funding report

The Secretary shall annually prepare and submit to the Committee on Health, Education, Labor, and Pensions of the Senate, and the Committee on Energy and Commerce of the House of Representatives, a report including, at a minimum—

(A) the distribution of funds for carrying out this section that are provided to meet the health care needs of medically underserved populations, including the homeless, residents of public housing, and migratory and seasonal agricultural workers, and the appropriateness of the delivery systems involved in responding to the needs of the particular populations;

(B) an assessment of the relative health care access needs of the targeted populations;

(C) the distribution of awards and funding for new or expanded services in each of rural areas and urban areas;

(D) the distribution of awards and funding for establishing new access points, and the number of new access points created;

(E) the amount of unexpended funding for loan guarantees and loan guarantee authority under subchapter XIV;

(F) the rationale for any substantial changes in the distribution of funds;

(G) the rate of closures for health centers and access points;

(H) the number and reason for any grants awarded pursuant to subsection (e)(1)(B); and

(I) the number and reason for any waivers provided pursuant to subsection (q)(4).

(4) Rule of construction with respect to rural health clinics

(A) In general

Nothing in this section shall be construed to prevent a community health center from contracting with a Federally certified rural health clinic (as defined in section 1861(aa)(2) of the Social Security Act [42 U.S.C. 1395x(aa)(2)]), a low-volume hospital (as defined for purposes of section 1886 of such Act [42 U.S.C. 1395ww]), a critical access hospital, a sole community hospital (as defined for purposes of section 1886(d)(5)(D)(iii) of such Act), or a medicare-dependent share hospital (as defined for purposes of section 1886(d)(5)(G)(iv) of such Act) for the delivery of primary health care services that are available at the clinic or hospital to individuals who would otherwise be eligible for free or reduced cost care if that individual were able to obtain that care at the community health center. Such services may be limited in scope to those primary health care services available in that clinic or hospitals.²

(B) Assurances

In order for a clinic or hospital to receive funds under this section through a contract with a community health center under subparagraph (A), such clinic or hospital shall establish policies to ensure—

- (i) nondiscrimination based on the ability of a patient to pay; and
- (ii) the establishment of a sliding fee scale for low-income patients.

(5) Funding for participation of health centers in All of Us Research Program

In addition to any amounts made available pursuant to paragraph (1) of this subsection, section 282a of this title, or section 254b–2 of this title, there is authorized to be appropriated, and there is appropriated, out of any monies in the Treasury not otherwise appropriated, to the Secretary \$25,000,000 for fiscal year 2018 to support the participation of health centers in the All of Us Research Program under the Precision Medicine Initiative under section 289g–5 of this title.

(6) Additional amounts for supplemental awards

In addition to any amounts made available pursuant to this subsection, section 282a of this title, or section 254b—2 of this title, there is authorized to be appropriated, and there is appropriated, out of any monies in the Treasury not otherwise appropriated, \$1,320,000,000 for fiscal year 2020 for supplemental awards under subsection (d) for the detection of SARS–CoV–2 or the prevention, diagnosis, and treatment of COVID–19.

(July 1, 1944, ch. 373, title III, §330, as added Pub. L. 104–299, §2, Oct. 11, 1996, 110 Stat. 3626; amended Pub. L. 107–251, title I, §101, Oct. 26, 2002, 116 Stat. 1622; Pub. AMENDMENT OF SUBSECTION (E)(6)(A)

Pub. L. 117–204, §2, Oct. 17, 2022, 136 Stat. 2231, provided that, effective on Jan. 1, 2024, subsection (e)(6)(A) of this section is amended by adding at the end the following:

(v) Mobile units

An existing health center may be awarded funds under clause (i) to establish a new delivery site that is a mobile unit, regardless of whether the applicant additionally proposes to establish a permanent, full-time site. In the case of a health center that is not currently receiving funds under this section, such health center may be awarded funds under clause (i) to establish a new delivery site that is a mobile unit only if such health center uses a portion of such funds to also establish a permanent, full-time site.

Subsec. (b)(2)(B) to (D). Pub. L. 107-251, §101(2)(B), (C), added subpar. (B) and redesignated former subpars. (A) and (B) as (C) and (D), respectively.

Subsec. (c)(1)(B). Pub. L. 107-251, §101(3)(A)(iii), struck out concluding provisions which read as follows: "Any such grant may include the acquisition and lease of buildings and equipment which may include data and information systems (including the costs of amortizing the principal of, and paying the interest on, loans), and providing training and technical assistance related to the provision of health services on a prepaid basis or under another managed care arrangement, and for other purposes that promote the development of managed care networks and plans."

Pub. L. 107-251, §101(3)(A)(ii), in introductory provisions, substituted "managed care network or plan." for "network or plan for the provision of health services, which may include the provision of health services on a prepaid basis or through another managed care arrangement, to some or to all of the individuals which the centers serve".

Pub. L. 107-251, §101(3)(A)(i), substituted "Managed care" for "Comprehensive service delivery" in heading.

Subsec. (c)(1)(C), (D). Pub. L. 107-251, §101(3)(B), added subpars. (C) and (D).

Subsec. (d). Pub. L. 107-251, §101(4)(A), substituted "Loan guarantee program" for "Managed care loan guarantee program" in heading.

Subsec. (d)(1)(A). Pub. L. 107-251, §101(4)(B)(i), substituted "up to 90 percent of the principal and interest on loans made by non-Federal lenders to health centers, funded under this section, for the costs of developing and operating managed care networks or plans described in subsection (c)(1)(B), or practice management networks described in subsection (c)(1)(C)" for "the principal and interest on loans made by non-Federal lenders to health centers funded under this section for the costs of developing and operating managed care networks or plans".

Subsec. (d)(1)(B)(iii). Pub. L. 107-251, §101(4)(B)(ii), added cl. (iii).

Subsec. (d)(1)(D), (E). Pub. L. 107-251, §101(4)(B)(iii), added subpars. (D) and (E).

Subsec. (d)(6) to (8). Pub. L. 107-251, §101(4)(C), redesignated par. (8) as (6) and struck out headings and text of former pars. (6) and (7) which related to annual reports and program evaluation, respectively.

Subsec. (e)(1)(B). Pub. L. 107-251, §101(4)(A)(i), substituted "subsection (k)(3)" for "subsection (j)(3)".

Subsec. (e)(1)(C). Pub. L. 107-251, §101(4)(A)(ii), added subpar. (C).

Subsec. (e)(3). Pub. L. 107-251, §101(4)(C), redesignated par. (4), relating to limitation, as (3).

Subsec. (e)(4). Pub. L. 107-251, §101(4)(C), redesignated par. (5) as (4). Former par. (4) redesignated (3).

Subsec. (e)(5). Pub. L. 107-251, §101(4)(B), (C), redesignated par. (5) as (4), inserted "subparagraphs (A) and (B) of" after "any fiscal year under" in subpar. (A), added subpar. (B), and redesignated former subpars. (B) and (C) as (C) and (D), respectively.

Subsec. (g)(2)(A). Pub. L. 107-251, §101(5)(A)(i), inserted "and seasonal agricultural worker" after "migratory agricultural worker".

Subsec. (g)(2)(B). Pub. L. 107-251, §101(5)(A)(ii), substituted "and seasonal agricultural workers, and members of their families," for "and members of their families".

Subsec. (g)(3)(A). Pub. L. 107-251, §101(5)(B), struck out "on a seasonal basis" after "in agriculture".

Subsec. (h)(1). Pub. L. 107-251, §101(6)(A), substituted "homeless children and youth and children and youth at risk of homelessness" for "homeless children and children at risk of homelessness".

Subsec. (h)(4). Pub. L. 107-251, §101(6)(B)(ii), added par. (4). Former par. (4) redesignated (5).

Subsec. (h)(5). Pub. L. 107-251, §101(6)(B)(i), (C), redesignated par. (4) as (5) and substituted ", risk reduction, outpatient treatment, residential treatment, and rehabilitation" for "and residential treatment" in subpar. (C).

Subsec. (j). Pub. L. 107-251, §101(8)(C), added subsec. (j) relating to access grants.

Pub. L. 107-251, §101(8)(B), which directed the redesignation of subsecs. (j), (k), and (m) through (q) as subsecs. (n), (o), and (p) through (s), respectively, could not be executed.

Subsec. (j)(3)(E)(i). Pub. L. 107-251, §101(7)(A)(i), designated existing provisions as subcl. (I) and added subcl. (II).

Subsec. (j)(3)(E)(ii). Pub. L. 107-251, §101(7)(A)(ii), substituted "arrangements described in subclauses (I) and (II) of clause (i)" for "such an arrangement".

Subsec. (j)(3)(G)(iii), (iv). Pub. L. 107-251, §101(7)(B), added cl. (iii) and redesignated former cl. (iii) as

(iv).

Subsec. (j)(3)(H). Pub. L. 107–251, §101(7)(C), substituted "or (q)" for "or (p)" in concluding provisions.

Subsec. (j)(3)(M). Pub. L. 107–251, §101(7)(D)–(F), added subpar. (M).

Subsec. (k). Pub. L. 107–251, §101(8)(B), which directed the redesignation of subsecs. (j), (k), and (m) through (q) as subsecs. (n), (o), and (p) through (s), respectively, could not be executed.

Subsec. (l). Pub. L. 107–251, §101(8)(A), redesignated subsec. (l) as (s).

Subsec. (m). Pub. L. 107–251, §101(9), which directed striking subsec. (m) (as redesignated by paragraph (9)(B)) and adding a new subsec. (m), could not be executed. The new subsec. (m) to be added read as follows: "(m) TECHNICAL ASSISTANCE.—The Secretary shall establish a program through which the Secretary shall provide technical and other assistance to eligible entities to assist such entities to meet the requirements of subsection (l)(3). Services provided through the program may include necessary technical and nonfinancial assistance, including fiscal and program management assistance, training in fiscal and program management, operational and administrative support, and the provision of information to the entities of the variety of resources available under this subchapter and how those resources can be best used to meet the health needs of the communities served by the entities."

Pub. L. 107–251, §101(8)(B), which directed the redesignation of subsecs. (j), (k), and (m) through (q) as subsecs. (n), (o), and (p) through (s), respectively, could not be executed.

Subsecs. (n) to (p). Pub. L. 107–251, §101(8)(B), which directed the redesignation of subsecs. (j), (k), and (m) through (q) as subsecs. (n), (o), and (p) through (s), respectively, could not be executed.

Subsec. (q). Pub. L. 107–251, §101(10), which directed the substitution of "(l)(3)(G)" for "(j)(3)(G)" in subsec. (q) "(as redesignated by paragraph (9)(B))", could not be executed.

Pub. L. 107–251, §101(8)(B), which directed the redesignation of subsecs. (j), (k), and (m) through (q) as subsecs. (n), (o), and (p) through (s), respectively, could not be executed.

Subsec. (r). Pub. L. 107–251, §101(8)(B), which directed the redesignation of subsecs. (j), (k), and (m) through (q) as subsecs. (n), (o), and (p) through (s), respectively, could not be executed.

Subsec. (s). Pub. L. 107–251, §101(8)(B), which directed the redesignation of subsecs. (j), (k), and (m) through (q) as subsecs. (n), (o), and (p) through (s), respectively, could not be executed.

Subsec. (s)(1). Pub. L. 107–251, §101(11)(A), substituted "\$1,340,000,000 for fiscal year 2002 and such sums as may be necessary for each of the fiscal years 2003 through 2006" for "\$802,124,000 for fiscal year 1997, and such sums as may be necessary for each of the fiscal years 1998 through 2001".

Subsec. (s)(2)(A). Pub. L. 107–251, §101(11)(B)(i), substituted "(l)(3)" for "(j)(3)" and "(l)(3)(H)" for "(j)(3)(G)(ii)".

Subsec. (s)(2)(B). Pub. L. 107–251, §101(11)(B)(ii), added subpar. (B) and struck out heading and text of former subpar. (B) relating to distribution of grants for fiscal years 1997 through 1999.

subpart existed on the day prior to the date of enactment of this Act [Oct. 11, 1996]), until the expiration of the grant period or the term of the contract or cooperative agreement. Such funding shall be continued under the same terms and conditions as were in effect on the date on which the grant, contract or cooperative agreement was awarded, subject to the availability of appropriations."

**NEGOTIATED RULEMAKING FOR DEVELOPMENT OF METHODOLOGY AND CRITERIA
FOR DESIGNATING MEDICALLY UNDERSERVED POPULATIONS AND HEALTH
PROFESSIONS SHORTAGE AREAS**

Pub. L. 111–148, title V, §5602, Mar. 23, 2010, 124 Stat. 677, provided that:

"(a) ESTABLISHMENT.—

"(1) IN GENERAL.—The Secretary of Health and Human Services (in this section referred to as the 'Secretary') shall establish, through a negotiated rulemaking process under subchapter 3 [III] of chapter 5 of title 5, United States Code, a comprehensive methodology and criteria for designation of—

"(A) medically underserved populations in accordance with section 330(b)(3) of the Public Health Service Act (42 U.S.C. 254b(b)(3));

"(B) health professions shortage areas under section 332 of the Public Health Service Act (42 U.S.C. 254e).

"(2) FACTORS TO CONSIDER.—In establishing the methodology and criteria under paragraph (1), the Secretary—

"(A) shall consult with relevant stakeholders who will be significantly affected by a rule (such as national, State and regional organizations representing affected entities), State health offices, community organizations, health centers and other affected entities, and other interested parties; and

"(B) shall take into account—

"(i) the timely availability and appropriateness of data used to determine a designation to potential applicants for such designations;

"(ii) the impact of the methodology and criteria on communities of various types and on health centers and other safety net providers;

"(iii) the degree of ease or difficulty that will face potential applicants for such designations in securing the necessary data; and

"(iv) the extent to which the methodology accurately measures various barriers that confront individuals and population groups in seeking health care services.

"(b) PUBLICATION OF NOTICE.—In carrying out the rulemaking process under this subsection, the Secretary shall publish the notice provided for under section 564(a) of title 5, United States Code, by not later than 45 days after the date of the enactment of this Act [Mar. 23, 2010].

"(c) TARGET DATE FOR PUBLICATION OF RULE.—As part of the notice under subsection (b), and for purposes of this subsection, the 'target date for publication', as referred to in section 564(a)(5) of title 5, United States [sic] Code, shall be July 1, 2010.

"(d) APPOINTMENT OF NEGOTIATED RULEMAKING COMMITTEE AND FACILITATOR.—The Secretary shall provide for—

"(1) the appointment of a negotiated rulemaking committee under section 565(a) of title 5, United States Code, by not later than 30 days after the end of the comment period provided for under section 564(c) of such title; and

"(2) the nomination of a facilitator under section 566(c) of such title 5 by not later than 10 days after the date of appointment of the committee.

"(e) PRELIMINARY COMMITTEE REPORT.—The negotiated rulemaking committee appointed under subsection (d) shall report to the Secretary, by not later than April 1, 2010, regarding the committee's progress on achieving a consensus with regard to the rulemaking proceeding and whether such consensus is likely to occur before one month before the target date for publication of the rule. If the committee reports that the committee has failed to make significant progress toward such consensus or is unlikely to reach such consensus by the target date, the Secretary may terminate such process and provide for the publication of a rule under this section through such other methods as the Secretary may provide.

"(f) FINAL COMMITTEE REPORT.—If the committee is not terminated under subsection (e), the rulemaking committee shall submit a report containing a proposed rule by not later than one month before the target publication date.

"(g) INTERIM FINAL EFFECT.—The Secretary shall publish a rule under this section in the Federal Register by not later than the target publication date. Such rule shall be effective and final immediately on an interim basis, but is subject to change and revision after public notice and opportunity for a period (of not less than 90 days) for public comment. In connection with such rule, the Secretary shall specify the process for the

timely review and approval of applications for such designations pursuant to such rules and consistent with this section.

"(h) PUBLICATION OF RULE AFTER PUBLIC COMMENT.—The Secretary shall provide for consideration of such comments and republication of such rule by not later than 1 year after the target publication date."

FUNDING FOR COMMUNITY HEALTH CENTERS AND COMMUNITY CARE

Pub. L. 117–2, title II, §2601, Mar. 11, 2021, 135 Stat. 43, provided that:

"(a) IN GENERAL.—In addition to amounts otherwise available, there is appropriated to the Secretary of Health and Human Services (in this subtitle [subtitle G (§§2601–2605) of title II of Pub. L. 117–2, see Tables for classification] referred to as the 'Secretary') for fiscal year 2021, out of any money in the Treasury not otherwise appropriated, \$7,600,000,000, to remain available until expended, for necessary expenses for awarding grants and cooperative agreements under section 330 of the Public Health Service Act (42 U.S.C. 254b) to be awarded without regard to the time limitation in subsection (e)(3) and subsections (e)(6)(A)(iii), (e)(6)(B)(iii), and (r)(2)(B) of such section 330, and for necessary expenses for awarding grants to Federally qualified health centers, as described in section 1861(aa)(4)(B) of the Social Security Act (42 U.S.C. 1395x(aa)(4)(B)), and for awarding grants or contracts to Papa Ola Lokahi and to qualified entities under sections 4 and 6 of the Native Hawaiian Health Care Improvement Act (42 U.S.C. 11703, 11705). Of the total amount appropriated by the preceding sentence, not less than \$20,000,000 shall be for grants or contracts to Papa Ola Lokahi and to qualified entities under sections 4 and 6 of the Native Hawaiian Health Care Improvement Act (42 U.S.C. 11703, 11705).

"(b) USE OF FUNDS.—Amounts made available to an awardee pursuant to subsection (a) shall be used—

"(1) to plan, prepare for, promote, distribute, administer, and track COVID–19 vaccines, and to carry out other vaccine-related activities;

"(2) to detect, diagnose, trace, and monitor COVID–19 infections and related activities necessary to mitigate the spread of COVID–19, including activities related to, and equipment or supplies purchased for, testing, contact tracing, surveillance, mitigation, and treatment of COVID–19;

"(3) to purchase equipment and supplies to conduct mobile testing or vaccinations for COVID–19, to purchase and maintain mobile vehicles and equipment to conduct such testing or vaccinations, and to hire and train laboratory personnel and other staff to conduct such mobile testing or vaccinations, particularly in medically underserved areas;

"(4) to establish, expand, and sustain the health care workforce to prevent, prepare for, and respond to COVID–19, and to carry out other health workforce-related activities;

"(5) to modify, enhance, and expand health care services and infrastructure; and

"(6) to conduct community outreach and education activities related to COVID–19.

"(c) PAST EXPENDITURES.—An awardee may use amounts awarded pursuant to subsection (a) to cover the costs of the awardee carrying out any of the activities described in subsection (b) during the period beginning on the date of the declaration of a public health emergency by the Secretary under section 319 of the Public Health Service Act (42 U.S.C. 247d) on January 31, 2020, with respect to COVID–19 and ending on the date of such award."

STUDIES RELATING TO COMMUNITY HEALTH CENTERS

Pub. L. 110–355, §2(b)(1)–(3), Oct. 8, 2008, 122 Stat. 3988, 3989, provided that:

"(1) DEFINITIONS.—For purposes of this subsection—

"(A) the term 'community health center' means a health center receiving assistance under section 330 of the Public Health Service Act (42 U.S.C. 254b); and

"(B) the term 'medically underserved population' has the meaning given that term in such section 330.

"(2) SCHOOL-BASED HEALTH CENTER STUDY.—

"(A) IN GENERAL.—Not later than 2 years after the date of enactment of this Act [Oct. 8, 2008], the Comptroller General of the United States shall issue a study of the economic costs and benefits of school-based health centers and the impact on the health of students of these centers.

"(B) CONTENT.—In conducting the study under subparagraph (A), the Comptroller General of the United States shall analyze—

"(i) the impact that Federal funding could have on the operation of school-based health centers;

"(ii) any cost savings to other Federal programs derived from providing health services in school-based health centers;

"(iii) the effect on the Federal Budget and the health of students of providing Federal funds to school-based health centers and clinics, including the result of providing disease prevention and nutrition information;

"(iv) the impact of access to health care from school-based health centers in rural or underserved areas; and

"(v) other sources of Federal funding for school-based health centers.

"(3) HEALTH CARE QUALITY STUDY.—

"(A) IN GENERAL.—Not later than 1 year after the date of enactment of this Act [Oct. 8, 2008], the Secretary of Health and Human Services (referred to in this Act [see Short Title of 2008 Amendment note set out under section 201 of this title] as the 'Secretary'), acting through the Administrator of the Health Resources and Services Administration, and in collaboration with the Agency for Healthcare Research and Quality, shall prepare and submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives a report that describes agency efforts to expand and accelerate quality improvement activities in community health centers.

"(B) CONTENT.—The report under subparagraph (A) shall focus on—

"(i) Federal efforts, as of the date of enactment of this Act, regarding health care quality in community health centers, including quality data collection, analysis, and reporting requirements;

"(ii) identification of effective models for quality improvement in community health centers, which may include models that—

"(I) incorporate care coordination, disease management, and other services demonstrated to improve care;

"(II) are designed to address multiple, co-occurring diseases and conditions;

"(III) improve access to providers through non-traditional means, such as the use of remote monitoring equipment;

"(IV) target various medically underserved populations, including uninsured patient populations;

"(V) increase access to specialty care, including referrals and diagnostic testing; and

"(VI) enhance the use of electronic health records to improve quality;

"(iii) efforts to determine how effective quality improvement models may be adapted for implementation by community health centers that vary by size, budget, staffing, services offered, populations served, and other characteristics determined appropriate by the Secretary;

"(iv) types of technical assistance and resources provided to community health centers that may facilitate the implementation of quality improvement interventions;

"(v) proposed or adopted methodologies for community health center evaluations of quality improvement interventions, including any development of new measures that are tailored to safety-net, community-based providers;

"(vi) successful strategies for sustaining quality improvement interventions in the long-term; and

"(vii) partnerships with other Federal agencies and private organizations or networks as appropriate, to enhance health care quality in community health centers.

"(C) DISSEMINATION.—The Administrator of the Health Resources and Services Administration shall establish a formal mechanism or mechanisms for the ongoing dissemination of agency initiatives, best practices, and other information that may assist health care quality improvement efforts in community health centers."

GUARANTEE STUDY

Pub. L. 107–251, title V, §501, Oct. 26, 2002, 116 Stat. 1664, as amended by Pub. L. 108–163, §2(n)(2), Dec. 6, 2003, 117 Stat. 2023, required the Secretary of Health and Human Services to conduct a study regarding the ability of the Department of Health and Human Services to provide for guarantees of solvency for managed care networks or plans involving health centers receiving funding under this section and to prepare and submit a report to Congress regarding such ability by 2 years after Oct. 26, 2002.

REFERENCE TO COMMUNITY, MIGRANT, PUBLIC HOUSING, OR HOMELESS HEALTH CENTER CONSIDERED REFERENCE TO HEALTH CENTER

Pub. L. 104–299, §4(c), Oct. 11, 1996, 110 Stat. 3645, provided that: "Whenever any reference is made in any provision of law, regulation, rule, record, or document to a community health center, migrant health center, public housing health center, or homeless health center, such reference shall be considered a reference to a health center."

LEGISLATIVE PROPOSAL FOR CHANGES CONFORMING TO PUB. L. 104–299

Pub. L. 104–299, §4(e), Oct. 11, 1996, 110 Stat. 3645, provided that: "After consultation with the appropriate committees of the Congress, the Secretary of Health and Human Services shall prepare and submit to the Congress a legislative proposal in the form of an implementing bill containing technical and conforming

amendments to reflect the changes made by this Act [see Short Title of 1996 Amendments note set out under section 201 of this title]."

EXECUTIVE DOCUMENTS

EX. ORD. NO. 13937. ACCESS TO AFFORDABLE LIFE-SAVING MEDICATIONS

Ex. Ord. No. 13937, July 24, 2020, 85 F.R. 45755, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

SECTION 1. *Purpose.* Insulin is a critical and life-saving medication that approximately 8 million Americans rely on to manage diabetes. Likewise, injectable epinephrine is a life-saving medication used to stop severe allergic reactions.

The price of insulin in the United States has risen dramatically over the past decade. The list price for a single vial of insulin today is often more than \$250 and most patients use at least two vials per month. As for injectable epinephrine, recent increased competition is helping to drive prices down. Nevertheless, the price for some types of injectable epinephrine remains more than \$600 per kit. While Americans with diabetes and severe allergic reactions may have access to affordable insulin and injectable epinephrine through commercial insurance or Federal programs such as Medicare and Medicaid, many Americans still struggle to purchase these products.

Federally Qualified Health Centers (FQHCs), as defined in section 1905(l)(2)(B)(i) and (ii) of the Social Security Act, as amended, 42 U.S.C. 1396d(l)(2)(B)(i) and (ii), receive discounted prices through the 340B Prescription Drug Program on prescription drugs. Due to the sharp increases in list prices for many insulins and some types of injectable epinephrine in recent years, many of these products may be subject to the "penny pricing" policy when distributed to FQHCs, meaning FQHCs may purchase the drug at a price of one penny per unit of measure. These steep discounts, however, are not always passed through to low-income Americans at the point of sale. Those with low-incomes can be exposed to high insulin and injectable epinephrine prices, as they often do not benefit from discounts negotiated by insurers or the Federal or State governments.

SEC. 2. *Policy.* It is the policy of the United States to enable Americans without access to affordable insulin and injectable epinephrine through commercial insurance or Federal programs, such as Medicare and Medicaid, to purchase these pharmaceuticals from an FQHC at a price that aligns with the cost at which the FQHC acquired the medication.

SEC. 3. *Improving the Availability of Insulin and Injectable Epinephrine for the Uninsured.* To the extent permitted by law, the Secretary of Health and Human Services shall take action to ensure future grants available under section 330(e) of the Public Health Service Act, as amended, 42 U.S.C. 254b(e), are conditioned upon FQHCs' having established practices to make insulin and injectable epinephrine available at the discounted price paid by the FQHC grantee or sub-grantee under the 340B Prescription Drug Program (plus a minimal administration fee) to individuals with low incomes, as determined by the Secretary, who:

- (a) have a high cost sharing requirement for either insulin or injectable epinephrine;
- (b) have a high unmet deductible; or
- (c) have no health care insurance.

SEC. 4. *General Provisions.* (a) Nothing in this order shall be construed to impair or otherwise affect:

- (i) the authority granted by law to an executive department or agency, or the head thereof;
- (ii) the functions of the Director of the Office of Management and Budget relating to budgetary,

administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

DONALD J. TRUMP.

MEDICARE DEMONSTRATION TO TEST MEDICAL HOMES IN FEDERALLY QUALIFIED HEALTH CENTERS

Memorandum of President of the United States, Dec. 9, 2009, 74 F.R. 66207, provided:

Memorandum for the Secretary of Health And Human Services

My Administration is committed to building a high-quality, efficient health care system and improving access to health care for all Americans. Health centers are a vital part of the health care delivery system. For

more than 40 years, health centers have served populations with limited access to health care, treating all patients regardless of ability to pay. These include low-income populations, the uninsured, individuals with limited English proficiency, migrant and seasonal farm workers, individuals and families experiencing homelessness, and individuals living in public housing. There are over 1,100 health centers across the country, delivering care at over 7,500 sites. These centers served more than 17 million patients in 2008 and are estimated to serve more than 20 million patients in 2010.

The American Recovery and Reinvestment Act of 2009 (Recovery Act) provided \$2 billion for health centers, including \$500 million to expand health centers' services to over 2 million new patients by opening new health center sites, adding new providers, and improving hours of operations. An additional \$1.5 billion is supporting much-needed capital improvements, including funding to buy equipment, modernize clinic facilities, expand into new facilities, and adopt or expand the use of health information technology and electronic health records.

One of the key benefits health centers provide to the communities they serve is quality primary health care services. Health centers use interdisciplinary teams to treat the "whole patient" and focus on chronic disease management to reduce the use of costlier providers of care, such as emergency rooms and hospitals.

Federally qualified health centers provide an excellent environment to demonstrate the further improvements to health care that may be offered by the medical homes approach. In general, this approach emphasizes the patient's relationship with a primary care provider who coordinates the patient's care and serves as the patient's principal point of contact for care. The medical homes approach also emphasizes activities related to quality improvement, access to care, communication with patients, and care management and coordination. These activities are expected to improve the quality and efficiency of care and to help avoid preventable emergency and inpatient hospital care. Demonstration programs establishing the medical homes approach have been recommended by the Medicare Payment Advisory Commission, an independent advisory body to the Congress.

Therefore, I direct you to implement a Medicare Federally Qualified Health Center Advanced Primary Care Practice demonstration, pursuant to your statutory authority to conduct experiments and demonstrations on changes in payments and services that may improve the quality and efficiency of services to beneficiaries. Health centers participating in this demonstration must have shown their ability to provide comprehensive, coordinated, integrated, and accessible health care.

This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

You are authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.

§254b–1. State grants to health care providers who provide services to a high percentage of medically underserved populations or other special populations

(a) In general

A State may award grants to health care providers who treat a high percentage, as determined by such State, of medically underserved populations or other special populations in such State.

(b) Source of funds

A grant program established by a State under subsection (a) may not be established within a department, agency, or other entity of such State that administers the Medicaid program under title XIX of the Social Security Act (42 U.S.C. 1396 et seq.), and no Federal or State funds allocated to such Medicaid program, the Medicare program under title XVIII of the Social Security Act (42 U.S.C. 1395 et seq.), or the TRICARE program under chapter 55 of title 10 may be used to award grants or to pay administrative costs associated with a grant program established under subsection (a).

§254c. Rural health care services outreach, rural health network development, and small health care provider quality improvement grant programs

(a) Purpose

The purpose of this section is to provide grants for expanded delivery of health care services in rural areas, for the planning and implementation of integrated health care networks in rural areas, and for the planning and implementation of small health care provider quality improvement activities.

(b) Definitions

(1) Director

The term "Director" means the Director specified in subsection (d).

(2) Federally qualified health center; rural health clinic

The terms "Federally qualified health center" and "rural health clinic" have the meanings given the terms in section 1395x(aa) of this title.

(3) Health professional shortage area

The term "health professional shortage area" means a health professional shortage area designated under section 254e of this title.

(4) Medically underserved community

The term "medically underserved community" has the meaning given the term in section 295p(6) of this title.

(5) Medically underserved population

The term "medically underserved population" has the meaning given the term in section 254b(b)(3) of this title.

(c) Program

The Secretary shall establish, under section 241 of this title, a small health care provider quality improvement grant program.

(d) Administration

(1) Programs

The rural health care services outreach, rural health network development, and small health care provider quality improvement grant programs established under section 241 of this title shall be administered by the Director of the Office of Rural Health Policy of the Health Resources and Services Administration, in consultation with State offices of rural health or other appropriate State government entities.

(2) Grants

(A) In general

In carrying out the programs described in paragraph (1), the Director may award grants under subsections (e), (f), and (g) to expand access to, coordinate, and improve the quality of basic health care services, and enhance the delivery of health care, in rural areas.

(B) Types of grants

The Director may award the grants to—

- (i) promote expanded delivery of health care services in rural areas under subsection (e);
- (ii) provide for the planning and implementation of integrated health care networks in rural areas under subsection (f); and
- (iii) provide for the planning and implementation of small health care provider quality improvement activities under subsection (g).

(e) Rural health care services outreach grants

(1) Grants

The Director may award grants to eligible entities to promote rural health care services outreach by improving and expanding the delivery of health care services to include new and enhanced services in rural areas, through community engagement and evidence-based or innovative, evidence-informed models. The Director may award the grants for periods of not more than 5 years.

(2) Eligibility

To be eligible to receive a grant under this subsection for a project, an entity shall—

- (A) be an entity with demonstrated experience serving, or the capacity to serve, rural underserved populations;
- (B) represent a consortium composed of members that—
 - (i) include 3 or more health care providers; and
 - (ii) may be nonprofit or for-profit entities; and

(C) not previously have received a grant under this subsection for the same or a similar project, unless the entity is proposing to expand the scope of the project or the area that will be served through the project.

(3) Applications

To be eligible to receive a grant under this subsection, an eligible entity, in consultation with the appropriate State office of rural health or another appropriate State entity, shall prepare and submit to the Secretary an application, at such time, in such manner, and containing such information as the Secretary may require, including—

- (A) a description of the project that the eligible entity will carry out using the funds provided under the grant;
- (B) a description of the manner in which the project funded under the grant will meet the health care needs of rural underserved populations in the local community or region to be served;
- (C) a description of how the rural underserved populations in the local community or region to be served will be involved in the development and ongoing operations of the project;
- (D) a plan for sustaining the project after Federal support for the project has ended;
- (E) a description of how the project will be evaluated; and
- (F) other such information as the Secretary determines to be appropriate.

(f) Rural health network development grants

(1) Grants

(A) In general

The Director may award rural health network development grants to eligible entities to plan, develop, and implement integrated health care networks that collaborate in order to—

- (i) achieve efficiencies;
- (ii) expand access to, coordinate, and improve the quality of basic health care services and associated health outcomes; and
- (iii) strengthen the rural health care system as a whole.

(B) Grant periods

The Director may award grants under this subsection for periods of not more than 5 years.

(2) Eligibility

To be eligible to receive a grant under this subsection, an entity shall—

(A) be an entity with demonstrated experience serving, or the capacity to serve, rural underserved populations;

(B) represent a network composed of participants that—

- (i) include 3 or more health care providers; and
- (ii) may be nonprofit or for-profit entities; and

(C) not previously have received a grant under this subsection (other than a grant for planning activities) for the same or a similar project.

(3) Applications

To be eligible to receive a grant under this subsection, an eligible entity, in consultation with the appropriate State office of rural health or another appropriate State entity, shall prepare and submit to the Secretary an application, at such time, in such manner, and containing such information as the Secretary may require, including—

(A) a description of the project that the eligible entity will carry out using the funds provided under the grant;

(B) an explanation of the reasons why Federal assistance is required to carry out the project;

(C) a description of—

- (i) the history of collaborative activities carried out by the participants in the network;
- (ii) the degree to which the participants are ready to integrate their functions; and
- (iii) how the rural underserved populations in the local community or region to be served will benefit from and be involved in the development and ongoing operations of the network;

(D) a description of how the rural underserved populations in the local community or region to be served will experience increased access to quality health care services across the continuum of care as a result of the integration activities carried out by the network;

(E) a plan for sustaining the project after Federal support for the project has ended;

(F) a description of how the project will be evaluated; and

(G) other such information as the Secretary determines to be appropriate.

(g) Small health care provider quality improvement grants

(1) Grants

The Director may award grants to provide for the planning and implementation of small health care provider quality improvement activities, including activities related to increasing care coordination, enhancing chronic disease management, and improving patient health outcomes. The Director may award the grants for periods of 1 to 5 years.

(2) Eligibility

To be eligible for a grant under this subsection, an entity shall—

(A)(i) be a rural public or rural nonprofit private health care provider or provider of health care services, such as a critical access hospital or a rural health clinic; or

(ii) be another rural provider or network of small rural providers identified by the Secretary as a key source of local or regional care; and

(B) not previously have received a grant under this subsection for the same or a similar project.

(3) Applications

To be eligible to receive a grant under this subsection, an eligible entity, in consultation with the appropriate State office of rural health or another appropriate State entity shall prepare and submit to the Secretary an application, at such time, in such manner, and containing such information as the Secretary may require, including—

- (A) a description of the project that the eligible entity will carry out using the funds provided under the grant;
- (B) an explanation of the reasons why Federal assistance is required to carry out the project;
- (C) a description of the manner in which the project funded under the grant will assure continuous quality improvement in the provision of services by the entity;
- (D) a description of how the rural underserved populations in the local community or region to be served will experience increased access to quality health care services across the continuum of care as a result of the activities carried out by the entity;
- (E) a plan for sustaining the project after Federal support for the project has ended;
- (F) a description of how the project will be evaluated; and
- (G) other such information as the Secretary determines to be appropriate.

(4) Expenditures for small health care provider quality improvement grants

In awarding a grant under this subsection, the Director shall ensure that the funds made available through the grant will be used to provide services to residents of rural areas. The Director shall award not less than 50 percent of the funds made available under this subsection to providers located in and serving rural areas.

(h) General requirements

(1) Prohibited uses of funds

An entity that receives a grant under this section may not use funds provided through the grant—

- (A) to build or acquire real property; or
- (B) for construction.

(2) Coordination with other agencies

The Secretary shall coordinate activities carried out under grant programs described in this section, to the extent practicable, with Federal and State agencies and nonprofit organizations that are operating similar grant programs, to maximize the effect of public dollars in funding meritorious proposals.

(3) Preference

In awarding grants under this section, the Secretary, as appropriate, shall give preference to entities that—

- (A) are located in health professional shortage areas or medically underserved communities, or serve medically underserved populations; or
- (B) propose to develop projects with a focus on primary care, and wellness and prevention strategies.

(i) Report

Not later than 4 years after March 27, 2020, and every 5 years thereafter, the Secretary shall prepare and submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives a report on the activities and outcomes of the grant programs under subsections (e), (f), and (g), including the impact of projects funded under such programs on the health status of rural residents with chronic conditions.

(j) Authorization of appropriations

There are authorized to be appropriated to carry out this section \$79,500,000 for each of fiscal years 2021 through 2025.

(July 1, 1944, ch. 373, title III, §330A, as added Pub. L. 104–299, §3(a), Oct. 11, 1996, 110 Stat.

Subsec. (e)(3)(C). Pub. L. 116–136, §3213(2)(C), substituted "the rural underserved populations in the local community or region" for "the local community or region".

Subsec. (f)(1)(A). Pub. L. 116–136, §3213(3)(A)(i)(I), substituted "plan, develop, and implement integrated health care networks that collaborate" for "promote, through planning and implementation, the development of integrated health care networks that have combined the functions of the entities participating in the networks" in introductory provisions.

Subsec. (f)(1)(A)(ii). Pub. L. 116–136, §3213(3)(A)(i)(II), substituted "basic health care services and associated health outcomes" for "essential health care services".

Subsec. (f)(1)(B). Pub. L. 116–136, §3213(3)(A)(ii), amended subpar. (B) generally. Prior to amendment, text read as follows: "The Director may award such a rural health network development grant for implementation activities for a period of 3 years. The Director may also award such a rural health network development grant for planning activities for a period of 1 year, to assist in the development of an integrated health care network, if the proposed participants in the network do not have a history of collaborative efforts and a 3-year grant would be inappropriate."

Subsec. (f)(2). Pub. L. 116–136, §3213(3)(B)(i), inserted "shall" after "entity" in introductory provisions.

Subsec. (f)(2)(A). Pub. L. 116–136, §(3)(B)(ii), substituted "be an entity with demonstrated experience serving, or the capacity to serve, rural underserved populations" for "shall be a rural public or rural nonprofit private entity".

Subsec. (f)(2)(B). Pub. L. 116–136, §3213(3)(B)(iii), struck out "shall" before "represent" and inserted "that" after "participants" in introductory provisions and struck out "that" at beginning of cls. (i) and (ii).

Subsec. (f)(2)(C). Pub. L. 116–136, §3213(3)(B)(iv), struck out "shall" before "not previously".

Subsec. (f)(3)(C)(iii). Pub. L. 116–136, §3213(3)(C)(i), amended cl. (iii) generally. Prior to amendment, cl. (iii) read as follows: "how the local community or region to be served will benefit from and be involved in the activities carried out by the network;".

Subsec. (f)(3)(D). Pub. L. 116–136, §3213(3)(C)(ii), substituted "the rural underserved populations in the

local community or region" for "the local community or region".

Subsec. (g)(1). Pub. L. 116–136, §3213(4)(A), inserted ", including activities related to increasing care coordination, enhancing chronic disease management, and improving patient health outcomes" after "quality improvement activities" and substituted "5 years" for "3 years".

Subsec. (g)(2). Pub. L. 116–136, §3213(4)(B)(i), inserted "shall" after "entity" in introductory provisions.

Subsec. (g)(2)(A). Pub. L. 116–136, §3213(4)(B)(ii), (iii), struck out "shall" at beginning of cls. (i) and (ii), and inserted "or regional" after "local" in cl. (ii).

Subsec. (g)(2)(B). Pub. L. 116–136, §3213(4)(B)(ii), struck out "shall" before "not previously".

Subsec. (g)(3)(D). Pub. L. 116–136, §3213(4)(C), substituted "the rural underserved populations in the local community or region" for "the local community or region".

Subsec. (h)(3). Pub. L. 116–136, §3213(5), inserted ", as appropriate," after "the Secretary" in introductory provisions.

Subsec. (i). Pub. L. 116–136, §3213(6), amended subsec. (i) generally. Prior to amendment, text read as follows: "Not later than September 30, 2005, the Secretary shall prepare and submit to the appropriate committees of Congress a report on the progress and accomplishments of the grant programs described in subsections (e), (f), and (g)."

Subsec. (j). Pub. L. 116–136, §3213(7), substituted "\$79,500,000 for each of fiscal years 2021 through 2025" for "\$45,000,000 for each of fiscal years 2008 through 2012".

2008—Subsec. (j). Pub. L. 110–355 substituted "\$45,000,000 for each of fiscal years 2008 through 2012." for "\$40,000,000 for fiscal year 2002, and such sums as may be necessary for each of fiscal years 2003 through 2006."

2003—Subsec. (b)(4). Pub. L. 108–163 substituted "section 295p(6)" for "section 295p".

2002—Pub. L. 107–251 amended section generally. Prior to amendment, section related to a rural health outreach, network development, and telemedicine grant program, and in subsec. (a), provided for administration by the Office of Rural Health Policy; in subsec. (b), set out the objectives of grants; in subsec. (c), set out eligibility requirements; in subsec. (d), described preferred characteristics of applicant networks; in subsec. (e), specified permitted uses of grant funds; in subsec. (f), limited the duration of grants; and in subsec. (g), authorized appropriations.

EFFECTIVE DATE OF 2003 AMENDMENT

Amendment by Pub. L. 108–163 deemed to have taken effect immediately after the enactment of Pub. L. 107–251, see section 3 of Pub. L. 108–163, set out as a note under section 233 of this title.

EFFECTIVE DATE

Section effective Oct. 1, 1996, see section 5 of Pub. L. 104–299, as amended, set out as an Effective Date of 1996 Amendment note under section 233 of this title.

RURAL ACCESS TO EMERGENCY DEVICES

Pub. L. 106–505, title IV, subtitle B, Nov. 13, 2000, 114 Stat. 2340, provided that:

"SEC. 411. SHORT TITLE.

"This subtitle may be cited as the 'Rural Access to Emergency Devices Act' or the 'Rural AED Act'.

"SEC. 412. FINDINGS.

"Congress makes the following findings:

"(1) Heart disease is the leading cause of death in the United States.

"(2) The American Heart Association estimates that 250,000 Americans die from sudden cardiac arrest each year.

"(3) A cardiac arrest victim's chance of survival drops 10 percent for every minute that passes before his or her heart is returned to normal rhythm.

"(4) Because most cardiac arrest victims are initially in ventricular fibrillation, and the only treatment for ventricular fibrillation is defibrillation, prompt access to defibrillation to return the heart to normal rhythm is essential.

"(5) Lifesaving technology, the automated external defibrillator, has been developed to allow trained lay rescuers to respond to cardiac arrest by using this simple device to shock the heart into normal rhythm.

"(6) Those people who are likely to be first on the scene of a cardiac arrest situation in many communities, particularly smaller and rural communities, lack sufficient numbers of automated external

defibrillators to respond to cardiac arrest in a timely manner.

"(7) The American Heart Association estimates that more than 50,000 deaths could be prevented each year if defibrillators were more widely available to designated responders.

"(8) Legislation should be enacted to encourage greater public access to automated external defibrillators in communities across the United States.

"SEC. 413. GRANTS.

"(a) IN GENERAL.—The Secretary of Health and Human Services, acting through the Rural Health Outreach Office of the Health Resources and Services Administration, shall award grants to community partnerships that meet the requirements of subsection (b) to enable such partnerships to purchase equipment and provide training as provided for in subsection (c).

"(b) COMMUNITY PARTNERSHIPS.—A community partnership meets the requirements of this subsection if such partnership—

"(1) is composed of local emergency response entities such as community training facilities, local emergency responders, fire and rescue departments, police, community hospitals, and local non-profit entities and for-profit entities concerned about cardiac arrest survival rates;

"(2) evaluates the local community emergency response times to assess whether they meet the standards established by national public health organizations such as the American Heart Association and the American Red Cross; and

"(3) submits to the Secretary of Health and Human Services an application at such time, in such manner, and containing such information as the Secretary may require.

"(c) USE OF FUNDS.—Amounts provided under a grant under this section shall be used—

"(1) to purchase automated external defibrillators that have been approved, or cleared for marketing, by the Food and Drug Administration; and

"(2) to provide defibrillator and basic life support training in automated external defibrillator usage through the American Heart Association, the American Red Cross, or other nationally recognized training courses.

"(d) REPORT.—Not later than 4 years after the date of the enactment of this Act [Nov. 13, 2000], the Secretary of Health and Human Services shall prepare and submit to the appropriate committees of Congress a report containing data relating to whether the increased availability of defibrillators has affected survival rates in the communities in which grantees under this section operated. The procedures under which the Secretary obtains data and prepares the report under this subsection shall not impose an undue burden on program participants under this section.

"(e) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated \$25,000,000 for fiscal years 2001 through 2003 to carry out this section."

REPORT ON TELEMEDICINE

Pub. L. 106–129, §6, Dec. 6, 1999, 113 Stat. 1675, provided that: "Not later than January 10, 2001, the Secretary of Health and Human Services shall submit to the Congress a report that—

"(1) identifies any factors that inhibit the expansion and accessibility of telemedicine services, including factors relating to telemedicine networks;

"(2) identifies any factors that, in addition to geographical isolation, should be used to determine which patients need or require access to telemedicine care;

"(3) determines the extent to which—

"(A) patients receiving telemedicine service have benefited from the services, and are satisfied with the treatment received pursuant to the services; and

"(B) the medical outcomes for such patients would have differed if telemedicine services had not been available to the patients;

"(4) determines the extent to which physicians involved with telemedicine services have been satisfied with the medical aspects of the services;

"(5) determines the extent to which primary care physicians are enhancing their medical knowledge and experience through the interaction with specialists provided by telemedicine consultations; and

"(6) identifies legal and medical issues relating to State licensing of health professionals that are presented by telemedicine services, and provides any recommendations of the Secretary for responding to such issues."

EXECUTIVE DOCUMENTS

EX. ORD. NO. 13941. IMPROVING RURAL HEALTH AND TELEHEALTH ACCESS

Ex. Ord. No. 13941, Aug. 3, 2020, 85 F.R. 47881, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

SECTION 1. *Purpose.* My Administration is committed to improving the health of all Americans by improving access to better care, including for the approximately 57 million Americans living in rural communities. Americans living in rural communities face unique challenges when seeking healthcare services, such as limited transportation opportunities, shortages of healthcare workers, and an inability to fully benefit from technological and care-delivery innovations. These factors have contributed to financial insecurity and impaired health outcomes for rural Americans, who are more likely to die from five leading causes, many of which are preventable, than their urban counterparts. That gap widened from 2010 to 2017 for cancer, heart disease, and chronic lower respiratory disease.

Since 2010, the year the [Patient Protection and] Affordable Care Act [Pub. L. 111–148] was passed, 129 rural hospitals in the United States have closed. Predictably, financial distress is the strongest driver for risk of closure, and many rural hospitals lack sufficient patient volume to be sustainable under traditional healthcare-reimbursement mechanisms. From 2015 to 2017, the average occupancy rate of a hospital that closed was only 22 percent. When hospitals close, the patient population around them carries an increased risk of mortality due to increased travel time and decreased access.

During the COVID–19 public health emergency (PHE), hospitals curtailed elective medical procedures and access to in-person clinical care was limited. To help patients better access healthcare providers, my Administration implemented new flexibility regarding what services may be provided via telehealth, who may provide them, and in what circumstances, and the use of telehealth increased dramatically across the Nation. Internal analysis by the Centers for Medicare and Medicaid Services (CMS) of the Department of Health and Human Services (HHS) showed a weekly jump in virtual visits for CMS beneficiaries, from approximately 14,000 pre-PHE to almost 1.7 million in the last week of April. Additionally, a recent report by HHS shows that nearly half (43.5 percent) of Medicare fee-for-service primary care visits were provided through telehealth in April, compared with far less than one percent (0.1 percent) in February before the PHE. Importantly, the report finds that telehealth visits continued to be frequent even after in-person primary care visits resumed in May, indicating that the expansion of telehealth services is likely to be a more permanent feature of the healthcare delivery system.

Rural healthcare providers, in particular, need these types of flexibilities to provide continuous care to patients in their communities. It is the purpose of this order to increase access to, improve the quality of, and improve the financial economics of rural healthcare, including by increasing access to high-quality care through telehealth.

SEC. 2. *Launching an Innovative Payment Model to Enable Rural Healthcare Transformation.* Within 30 days of the date of this order [Aug. 3, 2020], the Secretary of HHS (Secretary) will announce a new model, pursuant to section 1115A of the Social Security Act (42 U.S.C. 1315a), to test innovative payment mechanisms in order to ensure that rural healthcare providers are able to provide the necessary level and quality of care. This model should give rural providers flexibilities from existing Medicare rules, establish predictable financial payments, and encourage the movement into high-quality, value-based care.

SEC. 3. *Investments in Physical and Communications Infrastructure.* Within 30 days of the date of this order, the Secretary and the Secretary of Agriculture shall, consistent with applicable law and subject to the availability of appropriations, and in coordination with the Federal Communications Commission and other executive departments and agencies, as appropriate, develop and implement a strategy to improve rural health by improving the physical and communications healthcare infrastructure available to rural Americans.

SEC. 4. *Improving the Health of Rural Americans.* Within 30 days of the date of this order, the Secretary shall submit a report to the President, through the Assistant to the President for Domestic Policy and the Assistant to the President for Economic Policy, regarding existing and upcoming policy initiatives to:

- (a) increase rural access to healthcare by eliminating regulatory burdens that limit the availability of clinical professionals;
- (b) prevent disease and mortality by developing rural-specific efforts to drive improved health outcomes;
- (c) reduce maternal mortality and morbidity; and
- (d) improve mental health in rural communities.

SEC. 5. *Expanding Flexibilities Beyond the Public Health Emergency.* Within 60 days of the date of this order, the Secretary shall review the following temporary measures put in place during the PHE, and shall propose a regulation to extend these measures, as appropriate, beyond the duration of the PHE:

- (a) the additional telehealth services offered to Medicare beneficiaries; and
- (b) the services, reporting, staffing, and supervision flexibilities offered to Medicare providers in rural

areas.

SEC. 6. *General Provisions.* (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

DONALD J. TRUMP.

§254c–1. Grants for health services for Pacific Islanders

(a) Grants

The Secretary of Health and Human Services (hereafter in this section referred to as the "Secretary") shall provide grants to, or enter into contracts with, public or private nonprofit agencies that have demonstrated experience in serving the health needs of Pacific Islanders living in the Territory of American Samoa, the Commonwealth of Northern Mariana Islands, the Territory of Guam, the Republic of the Marshall Islands, the Republic of Palau, and the Federated States of Micronesia.

(b) Use of grants or contracts

Grants or contracts made or entered into under subsection (a) shall be used, among other items—

(1) to continue, as a priority, the medical officer training program in Pohnpei, Federated States of Micronesia;

(2) to improve the quality and availability of health and mental health services and systems, with an emphasis therein on preventive health services and health promotion programs and projects, including improved health data systems;

(3) to improve the quality and availability of health manpower, including programs and projects to train new and upgrade the skills of existing health professionals by—

(A) establishing dental officer, dental assistant, nurse practitioner, or nurse clinical specialist training programs;

(B) providing technical training of new auxiliary health workers;

(C) upgrading the training of currently employed health personnel in special areas of need;

(D) developing long-term plans for meeting health profession needs;

(E) developing or improving programs for faculty enhancement or post-doctoral training; and

(F) providing innovative health professions training initiatives (including scholarships) targeted toward ensuring that residents of the Pacific Basin attend and graduate from recognized health professional programs;

(4) to improve the quality of health services, including laboratory, x-ray, and pharmacy, provided in ambulatory and inpatient settings through quality assurance, standard setting, and other culturally appropriate means;

(5) to improve facility and equipment repair and maintenance systems;

(6) to improve alcohol, drug abuse, and mental health prevention and treatment services and systems;

(7) to improve local and regional health planning systems; and

(8) to improve basic local public health systems, with particular attention to primary care and services to those most in need.

No funds under subsection (b) shall be used for capital construction.

(c) Advisory Council

The Secretary of Health and Human Services shall establish a "Pacific Health Advisory Council" which shall consist of 12 members and shall include—

- (1) the Directors of the Health Departments for the entities identified in subsection (a); and
- (2) 6 members, including a representative of the Rehabilitation Hospital of the Pacific, representing organizations in the State of Hawaii actively involved in the provision of health services or technical assistance to the entities identified in subsection (a). The Secretary shall solicit the advice of the Governor of the State of Hawaii in appointing the 5 Council members in addition to the representative of the Rehabilitation Hospital of the Pacific from the State of Hawaii.

The Secretary shall be responsible for providing sufficient staff support to the Council.

(d) Advisory Council functions

The Council shall meet at least annually to—

- (1) recommend priority areas of need for funding by the Public Health Service under this section; and
- (2) review progress in addressing priority areas and make recommendations to the Secretary for needed program modifications.

(e) Omitted

(f) Authorization of appropriation

There is authorized to be appropriated to carry out this section \$10,000,000 for each of the fiscal years 1991 through 1993.

(Pub. L. 101–527, §10, Nov. 6, 1990, 104 Stat. 2333.)

EDITORIAL NOTES

CODIFICATION

Section was enacted as part of the Disadvantaged Minority Health Improvement Act of 1990, and not as part of the Public Health Service Act which comprises this chapter.

Subsec. (e) of this section, which required the Secretary, in consultation with the Council, to annually prepare and submit to appropriate committees of Congress a report describing the expenditure of funds authorized to be appropriated under this section, with any recommendations of the Secretary, terminated, effective May 15, 2000, pursuant to section 3003 of Pub. L. 104–66, as amended, set out as a note under section 1113 of Title 31, Money and Finance. See, also, page 95 of House Document No. 103–7.

STATUTORY NOTES AND RELATED SUBSIDIARIES

TERMINATION OF ADVISORY COUNCILS

Advisory councils established after Jan. 5, 1973, to terminate not later than the expiration of the 2-year period beginning on the date of their establishment, unless, in the case of a council established by the President or an officer of the Federal Government, such council is renewed by appropriate action prior to the expiration of such 2-year period, or in the case of a council established by Congress, its duration is otherwise provided by law. See sections 1001(2) and 1013 of Title 5, Government Organization and Employees.

§254c–1a. Grants to nurse-managed health clinics

(a) Definitions

(1) Comprehensive primary health care services

In this section, the term "comprehensive primary health care services" means the primary health services described in section 254b(b)(1) of this title.

(2) Nurse-managed health clinic

The term "nurse-managed health clinic" means a nurse-practice arrangement, managed by advanced practice nurses, that provides primary care or wellness services to underserved or vulnerable populations and that is associated with a school, college, university or department of nursing, federally qualified health center, or independent nonprofit health or social services agency.

(b) Authority to award grants

The Secretary shall award grants for the cost of the operation of nurse-managed health clinics that meet the requirements of this section.

(c) Applications

To be eligible to receive a grant under this section, an entity shall—

(1) be an NMHC; and

(2) submit to the Secretary an application at such time, in such manner, and containing—

(A) assurances that nurses are the major providers of services at the NMHC and that at least 1 advanced practice nurse holds an executive management position within the organizational structure of the NMHC;

(B) an assurance that the NMHC will continue providing comprehensive primary health care services or wellness services without regard to income or insurance status of the patient for the duration of the grant period; and

(C) an assurance that, not later than 90 days of receiving a grant under this section, the NMHC will establish a community advisory committee, for which a majority of the members shall be individuals who are served by the NMHC.

(d) Grant amount

The amount of any grant made under this section for any fiscal year shall be determined by the Secretary, taking into account—

(1) the financial need of the NMHC, considering State, local, and other operational funding provided to the NMHC; and

(2) other factors, as the Secretary determines appropriate.

(e) Authorization of appropriations

For the purposes of carrying out this section, there are authorized to be appropriated \$50,000,000 for the fiscal year 2010 and such sums as may be necessary for each of the fiscal years 2011 through 2014.

(July 1, 1944, ch. 373, title III, §330A–1, as added Pub. L. 111–148, title V, §5208(b), Mar. 23, 2010, 124 Stat. 613.)

STATUTORY NOTES AND RELATED SUBSIDIARIES

PURPOSE

Pub. L. 111–148, title V, §5208(a), Mar. 23, 2010, 124 Stat. 612, provided that: "The purpose of this section [enacting this section] is to fund the development and operation of nurse-managed health clinics."

§254c–1b. Rural obstetric network grants

(a) Program established

The Secretary shall award grants or cooperative agreements to eligible entities to establish collaborative improvement and innovation networks (referred to in this section as "rural obstetric networks") to improve maternal and infant health outcomes and reduce preventable maternal mortality and severe maternal morbidity by improving maternity care and access to care in rural areas, frontier areas, maternity care health professional target areas, or jurisdictions of Indian Tribes and Tribal organizations.

(b) Use of funds

Grants or cooperative agreements awarded pursuant to this section shall be used for the establishment or continuation of collaborative improvement and innovation networks to improve maternal and infant health outcomes and reduce preventable maternal mortality and severe maternal morbidity by improving prenatal care, labor care, birthing, and postpartum care services in rural areas. Rural obstetric networks established in accordance with this section may—

(1) develop a network to improve coordination and increase access to maternal health care and assist pregnant women in the areas described in subsection (a) with accessing and utilizing prenatal care, labor care, birthing, and postpartum care services to improve outcomes in birth and maternal mortality and morbidity;

(2) identify and implement evidence-based and sustainable delivery models for providing prenatal care, labor care, birthing, and postpartum care services, including home visiting programs and culturally appropriate care models that reduce health disparities;

(3) develop a model for maternal health care collaboration between health care settings to improve access to care in areas described in subsection (a), which may include the use of telehealth;

(4) provide training for professionals in health care settings that do not have specialty maternity care;

(5) collaborate with academic institutions that can provide regional expertise and help identify barriers to providing maternal health care, including strategies for addressing such barriers; and

(6) assess and address disparities in infant and maternal health outcomes, including among racial and ethnic minority populations and underserved populations in such areas described in subsection (a).

(c) Definitions

In this section:

(1) Eligible entities

The term "eligible entities" means entities providing prenatal care, labor care, birthing, and postpartum care services in rural areas, frontier areas, or medically underserved areas, or to medically underserved populations or Indian Tribes or Tribal organizations.

(2) Frontier area

The term "frontier area" means a frontier county, as defined in section 1395ww(d)(3)(E)(iii)(III) of this title.

(3) Indian Tribes; Tribal organization

The terms "Indian Tribe" and "Tribal organization" have the meanings given the terms "Indian tribe" and "tribal organization" in section 5304 of title 25.

(4) Maternity care health professional target area

The term "maternity care health professional target area" has the meaning described in section 254e(k)(2) of this title.

(d) Report to Congress

Not later than September 30, 2026, the Secretary shall submit to Congress a report on activities supported by grants awarded under this section, including—

(1) a description of activities conducted pursuant to paragraphs (1) through (6) of subsection (b); and

(2) an analysis of the effects of rural obstetric networks on improving maternal and infant health outcomes.

(e) Authorization of appropriations

There are authorized to be appropriated to carry out this section \$3,000,000 for each of fiscal years 2023 through 2027.

(July 1, 1944, ch. 373, title III, §330A–2, as added Pub. L. 117–103, div. P, title I, §142, Mar. 15,

§254c–2. Special diabetes programs for type I diabetes

(a) In general

The Secretary, directly or through grants, shall provide for research into the prevention and cure of Type I diabetes.

(b) Funding

(1) Transferred funds

Notwithstanding section 1397dd(a) of this title, from the amounts appropriated in such section for each of fiscal years 1998 through 2002, \$30,000,000 is hereby transferred and made available in such fiscal year for grants under this section.

(2) Appropriations

For the purpose of making grants under this section, there is appropriated, out of any funds in the Treasury not otherwise appropriated—

- (A) \$70,000,000 for each of fiscal years 2001 and 2002 (which shall be combined with amounts transferred under paragraph (1) for each such fiscal years);
- (B) \$100,000,000 for fiscal year 2003;
- (C) \$150,000,000 for each of fiscal years 2004 through 2017; and
- (D) \$150,000,000 for each of fiscal years 2018 through 2023, to remain available until expended.

(July 1, 1944, ch. 373, title III, §330B, as added Pub. L. 105–33, title IV, §4921, Aug. 5, 1997, 111 Stat. 574; amended Pub. L. 106–129, §3, Dec. 6, 1999, 113 Stat. 1670, authorized grants for establishment and operation of regional centers to develop, evaluate, and disseminate effective strategies on facilitating utilization of preventive health services among various populations.

EDITORIAL NOTES

CODIFICATION

Pub. L. 117–328, which directed amendment of Part B of title III of the Public Health Service Act by striking section 330D, was executed by striking section 330D (this section) of Part D of title III of the Public Health Service Act, to reflect the probable intent of Congress.

§254c–5. Epilepsy; seizure disorder

(a) National public health campaign

(1) In general

The Secretary shall develop and implement public health surveillance, education, research, and intervention strategies to improve the lives of persons with epilepsy, with a particular emphasis on children. Such projects may be carried out by the Secretary directly and through awards of grants or contracts to public or nonprofit private entities. The Secretary may directly or through such awards provide technical assistance with respect to the planning, development, and operation of such projects.

(2) Certain activities

Activities under paragraph (1) shall include—

- (A) expanding current surveillance activities through existing monitoring systems and improving registries that maintain data on individuals with epilepsy, including children;
- (B) enhancing research activities on the diagnosis, treatment, and management of epilepsy;
- (C) implementing public and professional information and education programs regarding epilepsy, including initiatives which promote effective management of the disease through children's programs which are targeted to parents, schools, daycare providers, patients;
- (D) undertaking educational efforts with the media, providers of health care, schools and others regarding stigmas and secondary disabilities related to epilepsy and seizures, and its effects on youth;
- (E) utilizing and expanding partnerships with organizations with experience addressing the health and related needs of people with disabilities; and
- (F) other activities the Secretary deems appropriate.

(3) Coordination of activities

The Secretary shall ensure that activities under this subsection are coordinated as appropriate with other agencies of the Public Health Service that carry out activities regarding epilepsy and seizure.

(b) Seizure disorder; demonstration projects in medically underserved areas

(1) In general

The Secretary, acting through the Administrator of the Health Resources and Services Administration, may make grants for the purpose of carrying out demonstration projects to improve access to health and other services regarding seizures to encourage early detection and treatment in children and others residing in medically underserved areas.

(2) Application for grant

A grant may not be awarded under paragraph (1) unless an application therefore is submitted to the Secretary and the Secretary approves such application. Such application shall be submitted in such form and manner and shall contain such information as the Secretary may prescribe.

(c) Definitions

For purposes of this section:

(1) The term "epilepsy" refers to a chronic and serious neurological condition characterized by excessive electrical discharges in the brain causing recurring seizures affecting all life activities. The Secretary may revise the definition of such term to the extent the Secretary determines necessary.

(2) The term "medically underserved" has the meaning applicable under section 295p(6) of this title.

(d) Authorization of appropriations

For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 2001 through 2005.

(July 1, 1944, ch. 373, title III, §330E, as added Pub. L. 106–310, div. A, title VIII, §801, Oct. 17, 2000, 114 Stat. 1124.)

§254c–6. Certain services for pregnant women

(a) Infant adoption awareness

(1) In general

The Secretary shall make grants to national, regional, or local adoption organizations for the purpose of developing and implementing programs to train the designated staff of eligible health centers in providing adoption information and referrals to pregnant women on an equal basis with all other courses of action included in nondirective counseling to pregnant women.

(2) Best-practices guidelines

(A) In general

A condition for the receipt of a grant under paragraph (1) is that the adoption organization involved agree that, in providing training under such paragraph, the organization will follow the guidelines developed under subparagraph (B).

(B) Process for development of guidelines

(i) In general

The Secretary shall establish and supervise a process described in clause (ii) in which the participants are—

- (I) an appropriate number and variety of adoption organizations that, as a group, have expertise in all models of adoption practice and that represent all members of the adoption triad (birth mother, infant, and adoptive parent); and
- (II) affected public health entities.

(ii) Description of process

The process referred to in clause (i) is a process in which the participants described in such clause collaborate to develop best-practices guidelines on the provision of adoption information and referrals to pregnant women on an equal basis with all other courses of action included in nondirective counseling to pregnant women.

(iii) Date certain for development

The Secretary shall ensure that the guidelines described in clause (ii) are developed not later than 180 days after October 17, 2000.

(C) Relation to authority for grants

The Secretary may not make any grant under paragraph (1) before the date on which the guidelines under subparagraph (B) are developed.

(3) Use of grant

(A) In general

With respect to a grant under paragraph (1)—

- (i) an adoption organization may expend the grant to carry out the programs directly or through grants to or contracts with other adoption organizations;
- (ii) the purposes for which the adoption organization expends the grant may include the development of a training curriculum, consistent with the guidelines developed under paragraph (2)(B); and
- (iii) a condition for the receipt of the grant is that the adoption organization agree that, in providing training for the designated staff of eligible health centers, such organization will make reasonable efforts to ensure that the individuals who provide the training are individuals who are knowledgeable in all elements of the adoption process and are

experienced in providing adoption information and referrals in the geographic areas in which the eligible health centers are located, and that the designated staff receive the training in such areas.

(B) Rule of construction regarding training of trainers

With respect to individuals who under a grant under paragraph (1) provide training for the designated staff of eligible health centers (referred to in this subparagraph as "trainers"), subparagraph (A)(iii) may not be construed as establishing any limitation regarding the geographic area in which the trainers receive instruction in being such trainers. A trainer may receive such instruction in a different geographic area than the area in which the trainer trains (or will train) the designated staff of eligible health centers.

(4) Adoption organizations; eligible health centers; other definitions

For purposes of this section:

- (A) The term "adoption organization" means a national, regional, or local organization—
- (i) among whose primary purposes are adoption;
 - (ii) that is knowledgeable in all elements of the adoption process and on providing adoption information and referrals to pregnant women; and
 - (iii) that is a nonprofit private entity.

(B) The term "designated staff", with respect to an eligible health center, means staff of the center who provide pregnancy or adoption information and referrals (or will provide such information and referrals after receiving training under a grant under paragraph (1)).

(C) The term "eligible health centers" means public and nonprofit private entities that provide health services to pregnant women.

(5) Training for certain eligible health centers

A condition for the receipt of a grant under paragraph (1) is that the adoption organization involved agree to make reasonable efforts to ensure that the eligible health centers with respect to which training under the grant is provided include—

- (A) eligible health centers that receive grants under section 300 of this title (relating to voluntary family planning projects);
- (B) eligible health centers that receive grants under section 254b of this title (relating to community health centers, migrant health centers, and centers regarding homeless individuals and residents of public housing); and
- (C) eligible health centers that receive grants under this chapter for the provision of services in schools.

(6) Participation of certain eligible health clinics

In the case of eligible health centers that receive grants under section 254b or 300 of this title:

(A) Within a reasonable period after the Secretary begins making grants under paragraph (1), the Secretary shall provide eligible health centers with complete information about the training available from organizations receiving grants under such paragraph. The Secretary shall make reasonable efforts to encourage eligible health centers to arrange for designated staff to participate in such training. Such efforts shall affirm Federal requirements, if any, that the eligible health center provide nondirective counseling to pregnant women.

(B) All costs of such centers in obtaining the training shall be reimbursed by the organization that provides the training, using grants under paragraph (1).

(C) Not later than 1 year after October 17, 2000, the Secretary shall submit to the appropriate committees of the Congress a report evaluating the extent to which adoption information and referral, upon request, are provided by eligible health centers. Within a reasonable time after training under this section is initiated, the Secretary shall submit to the appropriate committees of the Congress a report evaluating the extent to which adoption information and referral, upon request, are provided by eligible health centers in order to determine the effectiveness of such training and the extent to which such training complies with subsection (a)(1). In preparing the

reports required by this subparagraph, the Secretary shall in no respect interpret the provisions of this section to allow any interference in the provider-patient relationship, any breach of patient confidentiality, or any monitoring or auditing of the counseling process or patient records which breaches patient confidentiality or reveals patient identity. The reports required by this subparagraph shall be conducted by the Secretary acting through the Administrator of the Health Resources and Services Administration and in collaboration with the Director of the Agency for Healthcare Research and Quality.

(b) Application for grant

The Secretary may make a grant under subsection (a) only if an application for the grant is submitted to the Secretary and the application is in such form, is made in such manner, and contains such agreements, assurances, and information as the Secretary determines to be necessary to carry out this section.

(c) Authorization of appropriations

For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 2001 through 2005.

(July 1, 1944, ch. 373, title III, §330F, as added Pub. L. 106–310, div. A, title XII, §1201, Oct. 17, 2000, 114 Stat. 1132.)

§254c–7. Special needs adoption programs; public awareness campaign and other activities

(a) Special needs adoption awareness campaign

(1) In general

The Secretary shall, through making grants to nonprofit private entities, provide for the planning, development, and carrying out of a national campaign to provide information to the public regarding the adoption of children with special needs.

(2) Input on planning and development

In providing for the planning and development of the national campaign under paragraph (1), the Secretary shall provide for input from a number and variety of adoption organizations throughout the States in order that the full national diversity of interests among adoption organizations is represented in the planning and development of the campaign.

(3) Certain features

With respect to the national campaign under paragraph (1):

(A) The campaign shall be directed at various populations, taking into account as appropriate differences among geographic regions, and shall be carried out in the language and cultural context that is most appropriate to the population involved.

(B) The means through which the campaign may be carried out include—

- (i) placing public service announcements on television, radio, and billboards; and
- (ii) providing information through means that the Secretary determines will reach individuals who are most likely to adopt children with special needs.

(C) The campaign shall provide information on the subsidies and supports that are available to individuals regarding the adoption of children with special needs.

(D) The Secretary may provide that the placement of public service announcements, and the dissemination of brochures and other materials, is subject to review by the Secretary.

(4) Matching requirement

(A) In general

With respect to the costs of the activities to be carried out by an entity pursuant to paragraph

(1), a condition for the receipt of a grant under such paragraph is that the entity agree to make available (directly or through donations from public or private entities) non-Federal contributions toward such costs in an amount that is not less than 25 percent of such costs.

(B) Determination of amount contributed

Non-Federal contributions under subparagraph (A) may be in cash or in kind, fairly evaluated, including plant, equipment, or services. Amounts provided by the Federal Government, or services assisted or subsidized to any significant extent by the Federal Government, may not be included in determining the amount of such contributions.

(b) National resources program

The Secretary shall (directly or through grant or contract) carry out a program that, through toll-free telecommunications, makes available to the public information regarding the adoption of children with special needs. Such information shall include the following:

- (1) A list of national, State, and regional organizations that provide services regarding such adoptions, including exchanges and other information on communicating with the organizations. The list shall represent the full national diversity of adoption organizations.
- (2) Information beneficial to individuals who adopt such children, including lists of support groups for adoptive parents and other postadoptive services.

(c) Other programs

With respect to the adoption of children with special needs, the Secretary shall make grants—

- (1) to provide assistance to support groups for adoptive parents, adopted children, and siblings of adopted children; and
- (2) to carry out studies to identify—
 - (A) the barriers to completion of the adoption process; and
 - (B) those components that lead to favorable long-term outcomes for families that adopt children with special needs.

(d) Application for grant

The Secretary may make an award of a grant or contract under this section only if an application for the award is submitted to the Secretary and the application is in such form, is made in such manner, and contains such agreements, assurances, and information as the Secretary determines to be necessary to carry out this section.

(e) Funding

For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 2001 through 2005.

(July 1, 1944, ch. 373, title III, §330G, as added Pub. L. 106–310, div. A, title XII, §1211, Oct. 17, 2000, 114 Stat. 1135.)

§254c–8. Healthy start for infants

(a) In general

(1) Continuation and expansion of program

The Secretary, acting through the Administrator of the Health Resources and Services Administration, Maternal and Child Health Bureau, shall under authority of this section continue in effect the Healthy Start Initiative and may carry out such program on a national basis.

(2) Definition

For purposes of paragraph (1), the term "Healthy Start Initiative" is a reference to the program that, as an initiative to reduce the rate of infant mortality and improve perinatal outcomes, makes

grants for project areas with high or increasing above the national average annual rates of infant mortality and that, prior to the effective date of this section, was a demonstration program carried out under section 241 of this title.

(b) Considerations in making grants

(1) Requirements

In making grants under subsection (a), the Secretary shall require that applicants (in addition to meeting all eligibility criteria established by the Secretary) establish, for project areas under such subsection, community-based consortia of individuals and organizations (including agencies responsible for administering block grant programs under title V of the Social Security Act [42 U.S.C. 701 et seq.], participants and former participants of project services, public health departments, hospitals, health centers under section 254b of this title, State substance abuse agencies, and other significant sources of health care services) that are appropriate for participation in projects under subsection (a).

(2) Other considerations

In making grants under subsection (a), the Secretary shall take into consideration the following:

(A) Factors that contribute to infant mortality, including poor birth outcomes (such as low birthweight and preterm birth) and social determinants of health.

(B) Communities with—

(i) high rates of infant mortality or poor perinatal outcomes; or

(ii) high rates of infant mortality or poor perinatal outcomes in specific subpopulations within the community.

(C) The extent to which applicants for such grants facilitate—

(i) collaboration with the local community in the development of the project;

(ii) a community-based approach to the delivery of services;

(iii) a comprehensive approach to women's health care to improve perinatal outcomes; and

(iv) the use and collection of data demonstrating the effectiveness of such program in decreasing infant mortality rates and improving perinatal outcomes, as applicable, or the process by which new applicants plan to collect this data.

(3) Special projects

Nothing in paragraph (2) shall be construed to prevent the Secretary from awarding grants under subsection (a) for special projects that are intended to address significant disparities in perinatal health indicators in communities along the United States-Mexico border or in Alaska or Hawaii.

(c) Coordination

(1) In general

Recipients of grants under subsection (a) shall coordinate their services and activities with the State agency or agencies that administer block grant programs under title V of the Social Security Act [42 U.S.C. 701 et seq.] in order to promote cooperation, integration, and dissemination of information with Statewide systems and with other community services funded under the Maternal and Child Health Block Grant.

(2) Other programs

The Secretary shall ensure coordination of the program carried out pursuant to this section with other programs and activities related to the reduction of the rate of infant mortality and improved perinatal and infant health outcomes supported by the Department.

(d) Rule of construction

Except to the extent inconsistent with this section, this section may not be construed as affecting the authority of the Secretary to make modifications in the program carried out under subsection (a).

(e) Funding

(1) Authorization of appropriations

For the purpose of carrying out this section, there are authorized to be appropriated \$125,500,000 for each of fiscal years 2021 through 2025.

(2) Allocation

(A) Program administration

Of the amounts appropriated under paragraph (1) for a fiscal year, the Secretary may reserve up to 5 percent for coordination, dissemination, technical assistance, and data activities that are determined by the Secretary to be appropriate for carrying out the program under this section.

(B) Evaluation

Of the amounts appropriated under paragraph (1) for a fiscal year, the Secretary may reserve up to 1 percent for evaluations of projects carried out under subsection (a). Each such evaluation shall include a determination of whether such projects have been effective in reducing the disparity in health status between the general population and individuals who are members of racial or ethnic minority groups. Evaluations may also include, to the extent practicable, information related to—

- (i) progress toward achieving any grant metrics or outcomes related to reducing infant mortality rates, improving perinatal outcomes, or reducing the disparity in health status;
- (ii) recommendations on potential improvements that may assist with addressing gaps, as applicable and appropriate; and
- (iii) the extent to which the grantee coordinated with the community in which the grantee is located in the development of the project and delivery of services, including with respect to technical assistance and mentorship programs.

(f) GAO report

(1) In general

Not later than 4 years after March 27, 2020, the Comptroller General of the United States shall conduct an independent evaluation, and submit to the appropriate Committees of Congress a report, concerning the Healthy Start program under this section.

(2) Evaluation

In conducting the evaluation under paragraph (1), the Comptroller General shall consider, as applicable and appropriate, information from the evaluations under subsection (e)(2)(B).

(3) Report

The report described in paragraph (1) shall review, assess, and provide recommendations, as appropriate, on the following:

- (A) The allocation of Healthy Start program grants by the Health Resources and Services Administration, including considerations made by such Administration regarding disparities in infant mortality or perinatal outcomes among urban and rural areas in making such awards.
- (B) Trends in the progress made toward meeting the evaluation criteria pursuant to subsection (e)(2)(B), including programs which decrease infant mortality rates and improve perinatal outcomes, programs that have not decreased infant mortality rates or improved perinatal outcomes, and programs that have made an impact on disparities in infant mortality or perinatal outcomes.
- (C) The ability of grantees to improve health outcomes for project participants, promote the awareness of the Healthy Start program services, incorporate and promote family participation, facilitate coordination with the community in which the grantee is located, and increase grantee accountability through quality improvement, performance monitoring, evaluation, and the effect such metrics may have toward decreasing the rate of infant mortality and improving perinatal outcomes.
- (D) The extent to which such Federal programs are coordinated across agencies and the

identification of opportunities for improved coordination in such Federal programs and activities.

AMENDMENTS

2020—Subsec. (a)(1). Pub. L. 116–136, §3225(1)(A), struck out ", during fiscal year 2001 and subsequent years," after "and may".

Subsec. (a)(2). Pub. L. 116–136, §3225(1)(B), inserted "or increasing above the national average" after "areas with high".

Subsec. (b)(1). Pub. L. 116–136, §3225(2)(A), substituted "participants and former participants of project services, public health departments, hospitals, health centers under section 254b of this title, State substance abuse agencies" for "consumers of project services, public health departments, hospitals, health centers under section 254b of this title".

Subsec. (b)(2)(A). Pub. L. 116–136, §3225(2)(B)(i), substituted "including poor birth outcomes (such as low birthweight and preterm birth) and social determinants of health" for "such as low birthweight".

Subsec. (b)(2)(B). Pub. L. 116–136, §3225(2)(B)(iii), added subpar. (B). Former subpar. (B) redesignated (C).

Subsec. (b)(2)(C). Pub. L. 116–136, §3225(2)(B)(iv), added cl. (i) and (iv) and redesignated former cls. (i) and (ii) as (ii) and (iii), respectively.

Pub. L. 116–136, §3225(2)(B)(ii), redesignated subpar. (B) as (C).

Subsec. (c). Pub. L. 116–136, §3225(3), designated existing provisions as par. (1), inserted heading, and added par. (2).

Subsec. (e)(1). Pub. L. 116–136, §3225(4)(A), substituted "appropriated \$125,500,000 for each of fiscal years 2021 through 2025." for "appropriated—

"(A) \$120,000,000 for fiscal year 2008; and

"(B) for each of fiscal years 2009 through 2013, the amount authorized for the preceding fiscal year increased by the percentage increase in the Consumer Price Index for all urban consumers for such year."

Subsec. (e)(2)(B). Pub. L. 116–136, §3225(4)(B), inserted at end "Evaluations may also include, to the extent practicable, information related to—" and added cls. (i) to (iii).

Subsec. (f). Pub. L. 116–136, §3225(5), added subsec. (f).

2008—Subsec. (a)(3). Pub. L. 110–339, §2(b)(1), struck out par. (3). Text read as follows: "Effective upon increased funding beyond fiscal year 1999 for such Initiative, additional grants may be made to States to assist communities with technical assistance, replication of successful projects, and State policy formation to reduce infant and maternal mortality and morbidity."

Subsec. (b). Pub. L. 110–339, §2(a), substituted "Considerations in making grants" for "Requirements for making grants" in heading, designated existing provisions as par. (1), inserted par. heading, and added pars. (2) and (3).

Subsec. (e). Pub. L. 110–339, §2(b)(2), (c), added subsec. (e) and struck out former subsec. (e) which related to additional services for at-risk pregnant women and infants.

Subsec. (f). Pub. L. 110–339, §2(b)(2), struck out subsec. (f) which related to funding of program and additional services for at-risk pregnant women and infants.

2004—Subsec. (e)(3). Pub. L. 108–271 substituted "Government Accountability Office" for "General Accounting Office" in heading.

§254c–9. Establishment of program of grants

(a) In general

The Secretary of Health and Human Services shall in accordance with sections 254c–9 to 254c–13 of this title make grants to provide for projects for the establishment, operation, and coordination of effective and cost-efficient systems for the delivery of essential services to individuals with lupus and their families.

(b) Recipients of grants

A grant under subsection (a) may be made to an entity only if the entity is a public or nonprofit private entity, which may include a State or local government; a public or nonprofit private hospital, community-based organization, hospice, ambulatory care facility, community health center, migrant health center, or homeless health center; or other appropriate public or nonprofit private entity.

(c) Certain activities

To the extent practicable and appropriate, the Secretary shall ensure that projects under subsection (a) provide services for the diagnosis and disease management of lupus. Activities that the Secretary may authorize for such projects may also include the following:

(1) Delivering or enhancing outpatient, ambulatory, and home-based health and support services, including case management and comprehensive treatment services, for individuals with lupus; and delivering or enhancing support services for their families.

(2) Delivering or enhancing inpatient care management services that prevent unnecessary hospitalization or that expedite discharge, as medically appropriate, from inpatient facilities of individuals with lupus.

(3) Improving the quality, availability, and organization of health care and support services (including transportation services, attendant care, homemaker services, day or respite care, and providing counseling on financial assistance and insurance) for individuals with lupus and support services for their families.

(d) Integration with other programs

To the extent practicable and appropriate, the Secretary shall integrate the program under sections 254c–9 to 254c–13 of this title with other grant programs carried out by the Secretary, including the program under section 254b of this title.

§254c–10. Certain requirements

A grant may be made under section 254c–9 of this title only if the applicant involved makes the following agreements:

(1) Not more than 5 percent of the grant will be used for administration, accounting, reporting, and program oversight functions.

(2) The grant will be used to supplement and not supplant funds from other sources related to the treatment of lupus.

(3) The applicant will abide by any limitations deemed appropriate by the Secretary on any charges to individuals receiving services pursuant to the grant. As deemed appropriate by the Secretary, such limitations on charges may vary based on the financial circumstances of the individual receiving services.

(4) The grant will not be expended to make payment for services authorized under section 254c–9(a) of this title to the extent that payment has been made, or can reasonably be expected to be made, with respect to such services—

(A) under any State compensation program, under an insurance policy, or under any Federal or State health benefits program; or

(B) by an entity that provides health services on a prepaid basis.

(5) The applicant will, at each site at which the applicant provides services under section 254c–9(a) of this title, post a conspicuous notice informing individuals who receive the services of any Federal policies that apply to the applicant with respect to the imposition of charges on such individuals.

§254c–14. Telehealth network and telehealth resource centers grant programs

(a) Definitions

In this section:

(1) Director; Office

The terms "Director" and "Office" mean the Director and Office specified in subsection (c).

(2) Federally qualified health center and rural health clinic

The term "Federally qualified health center" and "rural health clinic" have the meanings given the terms in section 1395x(aa) of this title.

(3) Frontier community

The term "frontier community" shall have the meaning given the term in regulations issued under subsection (r).

(4) Medically underserved area

The term "medically underserved area" has the meaning given the term "medically underserved community" in section 295p(6) of this title.

(5) Medically underserved population

The term "medically underserved population" has the meaning given the term in section 254b(b)(3) of this title.

(6) Telehealth services

The term "telehealth services" means services provided through telehealth technologies.

(7) Telehealth technologies

The term "telehealth technologies" means technologies relating to the use of electronic information, and telecommunications technologies, to support and promote, at a distance, health care, patient and professional health-related education, health administration, and public health.

(b) Programs

The Secretary shall establish, under section 241 of this title, telehealth network and telehealth resource centers grant programs.

(c) Administration

(1) Establishment

There is established in the Health Resources and Services Administration an Office for the Advancement of Telehealth. The Office shall be headed by a Director.

(2) Duties

The telehealth network and telehealth resource centers grant programs established under section 241 of this title shall be administered by the Director, in consultation with the State offices of rural health, State offices concerning primary care, or other appropriate State government entities.

(d) Grants

(1) Telehealth network grants

The Director may, in carrying out the telehealth network grant program referred to in subsection (b), award grants to eligible entities for evidence-based projects that utilize telehealth technologies through telehealth networks in rural areas, frontier communities, and medically underserved areas, and for medically underserved populations, to—

(A) expand access to, coordinate, and improve access to, and the quality of, health care services; and

(B) expand and improve the quality of health information available to health care providers,¹ patients, and their families.

(2) Telehealth resource centers grants

The Director may, in carrying out the telehealth resource centers grant program referred to in subsection (b), award grants to eligible entities for projects to support initiatives that utilize telehealth technologies in the areas and communities, and for the populations, described in paragraph (1).

(e) Grant periods

The Director may award grants under this section for periods of not more than 5 years.

(f) Eligible entities

(1) In general

To be eligible to receive a grant under subsection (d)(1), an entity shall demonstrate that the entity will provide services through a telehealth network.

(2) Nature of entities

Each entity participating in the telehealth network may be a nonprofit or for-profit entity.

(3) Composition of network

The telehealth network shall include at least 2 of the following entities (at least 1 of which shall be a community-based health care provider):

(A) Community or migrant health centers or other Federally qualified health centers.

(B) Health care providers, including pharmacists, in private practice.

(C) Entities operating clinics, including rural health clinics.

(D) Local health departments.

(E) Nonprofit hospitals, including community access hospitals.

(F) Other publicly funded health or social service agencies.

(G) Long-term care providers.

(H) Providers of health care services in the home.

(I) Providers of outpatient mental health and substance use disorder services and entities operating outpatient mental health and substance use disorder facilities.

(J) Local or regional emergency health care providers.

(K) Institutions of higher education.

(L) Entities operating dental clinics.

(M) Providers of prenatal, labor care, birthing, and postpartum care services, including hospitals that operate obstetric care units.

(g) Applications

To be eligible to receive a grant under subsection (d), an eligible entity, in consultation with the appropriate State office of rural health or another appropriate State entity, shall prepare and submit to

the Secretary an application, at such time, in such manner, and containing such information as the Secretary may require, including—

(1) a description of the project that the eligible entity will carry out using the funds provided under the grant;

(2) a description of the manner in which the project funded under the grant will meet the health care needs of rural or other populations to be served through the project, and improve the access to services of, and the quality of the services received by, those populations;

(3) evidence of local support for the project, and a description of how the areas, communities, or populations to be served will be involved in the development and ongoing operations of the project;

(4) a plan for sustaining the project after Federal support for the project has ended;

(5) information on the source and amount of non-Federal funds that the entity will provide for the project;

(6) information demonstrating the long-term viability of the project, and other evidence of institutional commitment of the entity to the project;

(7) in the case of an application for a project involving a telehealth network, information demonstrating how the project will promote the integration of telehealth technologies into the operations of health care providers, to avoid redundancy, and improve access to and the quality of care; and

(8) other such information as the Secretary determines to be appropriate.

(h) Preferences

(1) Telehealth networks

In awarding grants under subsection (d)(1) for projects involving telehealth networks, the Secretary shall give preference to an eligible entity that meets at least 1 of the following requirements:

(A) Organization

The eligible entity is a rural community-based organization or another community-based organization.

(B) Services

The eligible entity proposes to use Federal funds made available through such a grant to develop plans for, or to establish, telehealth networks that provide mental health care, public health services, long-term care, home care, preventive care, case management services, prenatal care, labor care, birthing care, or postpartum care.

(C) Coordination

The eligible entity demonstrates how the project to be carried out under the grant will be coordinated with other relevant federally funded projects in the areas, communities, and populations to be served through the grant.

(D) Network

The eligible entity demonstrates that the project involves a telehealth network that includes an entity that—

(i) provides clinical health care services, or educational services for health care providers and for patients or their families; and

(ii) is—

(I) a public library;

(II) an institution of higher education; or

(III) a local government entity.

(E) Connectivity

The eligible entity proposes a project that promotes local and regional connectivity within areas, communities, or populations to be served through the project.

(2) Telehealth resource centers

In awarding grants under subsection (d)(2) for projects involving telehealth resource centers, the Secretary shall give preference to an eligible entity that meets at least 1 of the following requirements:

(A) Provision of services

The eligible entity has a record of success in the provision of telehealth services to rural areas, medically underserved areas, or medically underserved populations.

(B) Collaboration and sharing of expertise

The eligible entity has a demonstrated record of collaborating and sharing expertise with providers of telehealth services at the national, regional, State, and local levels.

(C) Broad range of telehealth services

The eligible entity has a record of providing a broad range of telehealth services, which may include—

- (i) a variety of clinical specialty services;
- (ii) patient or family education;
- (iii) health care professional education; and
- (iv) rural residency support programs.

(i) Distribution of funds

(1) In general

In awarding grants under this section, the Director shall ensure, to the greatest extent possible, that such grants are equitably distributed among the geographical regions of the United States.

(2) Telehealth networks

In awarding grants under subsection (d)(1) for a fiscal year, the Director shall ensure that not less than 50 percent of the funds awarded shall be awarded for projects in rural areas.

(j) Use of funds

(1) Telehealth network program

The recipient of a grant under subsection (d)(1) may use funds received through such grant for salaries, equipment, and operating or other costs, including the cost of—

(A) developing and delivering clinical telehealth services that enhance access to community-based health care services in rural areas, frontier communities, or medically underserved areas, or for medically underserved populations;

(B) developing and acquiring, through lease or purchase, equipment that furthers the objectives of the telehealth network grant program;

(C)(i) developing and providing distance education, in a manner that enhances access to care in rural areas, frontier communities, or medically underserved areas, or for medically underserved populations; or

(ii) mentoring, precepting, or supervising health care providers and students seeking to become health care providers, in a manner that enhances access to care in the areas and communities, or for the populations, described in clause (i);

(D) developing and acquiring instructional programming;

(E)(i) providing for transmission of medical data, and maintenance of equipment; and

(ii) providing for compensation (including travel expenses) of specialists, and referring health care providers, who are providing telehealth services through the telehealth network, if no third party payment is available for the telehealth services delivered through the telehealth network;

(F) developing projects to use telehealth technology to facilitate collaboration between health care providers;

(G) collecting and analyzing usage statistics and data to document the cost-effectiveness of the telehealth services; and

(H) carrying out such other activities as are consistent with achieving the objectives of this

section, as determined by the Secretary.

(2) Telehealth resource centers

The recipient of a grant under subsection (d)(2) may use funds received through such grant for salaries, equipment, and operating or other costs for—

(A) providing technical assistance, training, and support, and providing for travel expenses, for health care providers and a range of health care entities that provide or will provide telehealth services;

(B) disseminating information and research findings related to telehealth services;

(C) promoting effective collaboration among telehealth resource centers and the Office;

(D) conducting evaluations to determine the best utilization of telehealth technologies to meet health care needs;

(E) promoting the integration of the technologies used in clinical information systems with other telehealth technologies;

(F) fostering the use of telehealth technologies to provide health care information and education for consumers in a more effective manner; and

(G) implementing special projects or studies under the direction of the Office.

(k) Prohibited uses of funds

An entity that receives a grant under this section may not use funds made available through the grant—

(1) to acquire real property;

(2) for expenditures to purchase or lease equipment, to the extent that the expenditures would exceed 20 percent of the total grant funds;

(3) in the case of a project involving a telehealth network, to purchase or install transmission equipment;

(4) to pay for any equipment or transmission costs not directly related to the purposes for which the grant is awarded;

(5) to purchase or install general purpose voice telephone systems;

(6) for construction; or

(7) for expenditures for indirect costs (as determined by the Secretary), to the extent that the expenditures would exceed 15 percent of the total grant funds.

(l) Collaboration

In providing services under this section, an eligible entity shall collaborate, if feasible, with entities that—

(1)(A) are private or public organizations, that receive Federal or State assistance; or

(B) are public or private entities that operate centers, or carry out programs, that receive Federal or State assistance; and

(2) provide telehealth services or related activities.

(m) Coordination with other agencies

The Secretary shall coordinate activities carried out under grant programs described in subsection (b), to the extent practicable, with Federal and State agencies and nonprofit organizations that are operating similar programs, to maximize the effect of public dollars in funding meritorious proposals.

(n) Outreach activities

The Secretary shall establish and implement procedures to carry out outreach activities to advise potential end users of telehealth services in rural areas, frontier communities, medically underserved areas, and medically underserved populations in each State about the grant programs described in subsection (b).

(o) Telehealth

It is the sense of Congress that, for purposes of this section, States should develop reciprocity agreements so that a provider of services under this section who is a licensed or otherwise authorized

health care provider under the law of 1 or more States, and who, through telehealth technology, consults with a licensed or otherwise authorized health care provider in another State, is exempt, with respect to such consultation, from any State law of the other State that prohibits such consultation on the basis that the first health care provider is not a licensed or authorized health care provider under the law of that State.

(p) Report

Not later than 4 years after March 27, 2020, and every 5 years thereafter, the Secretary shall prepare and submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives a report on the activities and outcomes of the grant programs under subsection (b).

(q) Authorization of appropriations

There are authorized to be appropriated to carry out this section \$29,000,000 for each of fiscal years 2021 through 2025.

(July 1, 1944, ch. 373, title III, §330I, as added Pub. L. 107–251, title II, §212, Oct. 26, 2002, 116 Stat. 1632; amended Pub. L. 108–163, §2(c), Dec. 6, 2003, 117 Stat. 2021; Pub. §254c–15. Rural emergency medical service training and equipment assistance program

(a) Grants

The Secretary, acting through the Administrator of the Health Resources and Services Administration (referred to in this section as the "Secretary") shall award grants to eligible entities to enable such entities to provide for improved emergency medical services in rural areas or to residents of rural areas.

(b) Eligibility; application

To be eligible to receive grant under this section, an entity shall—

(1) be—

(A) an emergency medical services agency operated by a local or tribal government (including fire-based and non-fire based); or

(B) an emergency medical services agency that is described in section 501(c) of title 26 and exempt from tax under section 501(a) of title 26; and

(2) submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may require.

(c) Use of funds

An entity—

(1) shall use amounts received through a grant under subsection (a) to—

(A) train emergency medical services personnel as appropriate to obtain and maintain licenses and certifications relevant to service in an emergency medical services agency described in subsection (b)(1);

(B) conduct courses that qualify graduates to serve in an emergency medical services agency described in subsection (b)(1) in accordance with State and local requirements;

(C) fund specific training to meet Federal or State licensing or certification requirements; and

(D) acquire emergency medical services equipment; and

(2) may use amounts received through a grant under subsection (a) to—

(A) recruit and retain emergency medical services personnel, which may include volunteer personnel;

(B) develop new ways to educate emergency health care providers through the use of technology-enhanced educational methods; or

(C) acquire personal protective equipment for emergency medical services personnel as required by the Occupational Safety and Health Administration.

(d) Grant amounts

Each grant awarded under this section shall be in an amount not to exceed \$200,000.

(e) Definitions

In this section:

(1) The term "emergency medical services"—

(A) means resources used by a public or private nonprofit licensed entity to deliver medical care outside of a medical facility under emergency conditions that occur as a result of the condition of the patient; and

(B) includes services delivered (either on a compensated or volunteer basis) by an emergency medical services provider or other provider that is licensed or certified by the State involved as an emergency medical technician, a paramedic, or an equivalent professional (as determined by the State).

- (2) The term "rural area" means—
- (A) a nonmetropolitan statistical area;
 - (B) an area designated as a rural area by any law or regulation of a State; or
 - (C) a rural census tract of a metropolitan statistical area (as determined under the most recent rural urban commuting area code as set forth by the Office of Management and Budget).

(f) Matching requirement

The Secretary may not award a grant under this section to an entity unless the entity agrees that the entity will make available (directly or through contributions from other public or private entities) non-Federal contributions toward the activities to be carried out under the grant in an amount equal to 10 percent of the amount received under the grant.

(g) Authorization of appropriations

(1) In general

There are authorized to be appropriated to carry out this section such sums as may be necessary for each of fiscal years 2019 through 2023.

(2) Administrative costs

The Secretary may use not more than 10 percent of the amount appropriated under paragraph (1) for a fiscal year for the administrative expenses of carrying out this section.

(July 1, 1944, ch. 373, title III, §330J, as added Pub. L. 107–251, title II, §221, Oct. 26, 2002, 116 Stat. 1638; amended Pub. L. 115–334, title XII, §12608, Dec. 20, 2018, 132 Stat. 5008.)

EDITORIAL NOTES

AMENDMENTS

2018—Subsec. (a). Pub. L. 115–334, §12608(1), substituted "in rural areas or to residents of rural areas" for "in rural areas".

Subsecs. (b) to (f). Pub. L. 115–334, §12608(2), added subsecs. (b) to (f) and struck out former subsecs. (b) to (f) which related to eligibility for grants, use of funds, preference for certain grant applications, matching requirement, and definition of "emergency medical services", respectively.

Subsec. (g)(1). Pub. L. 115–334, §12608(3), substituted "2019 through 2023" for "2002 through 2006".

§254c–16. Mental health services delivered via telehealth

(a) Definitions

In this section:

(1) Eligible entity

The term "eligible entity" means a public or nonprofit private telehealth provider network that offers services that include mental health services provided by qualified mental health providers.

(2) Qualified mental health professionals

The term "qualified mental health professionals" refers to providers of mental health services reimbursed under the medicare program carried out under title XVIII of the Social Security Act (42 U.S.C. 1395 et seq.) who have additional training in the treatment of mental illness in children and adolescents or who have additional training in the treatment of mental illness in the elderly.

(3) Special populations

The term "special populations" refers to the following 2 distinct groups:

(A) Children and adolescents in mental health underserved rural areas or in mental health underserved urban areas.

(B) Elderly individuals located in long-term care facilities in mental health underserved rural or urban areas.

(4) Telehealth

The term "telehealth" means the use of electronic information and telecommunications technologies to support long distance clinical health care, patient and professional health-related education, public health, and health administration.

(b) Program authorized

(1) In general

The Secretary, acting through the Director of the Office for the Advancement of Telehealth of the Health Resources and Services Administration, shall award grants to eligible entities to establish demonstration projects for the provision of mental health services to special populations as delivered remotely by qualified mental health professionals using telehealth and for the provision of education regarding mental illness as delivered remotely by qualified mental health professionals using telehealth.

(2) Populations served

The Secretary shall award the grants under paragraph (1) in a manner that distributes the grants so as to serve equitably the populations described in subparagraphs (A) and (B) of subsection (a)(3).

(c) Use of funds

(1) In general

An eligible entity that receives a grant under this section shall use the grant funds—

(A) for the populations described in subsection (a)(3)(A)—

(i) to provide mental health services, including diagnosis and treatment of mental illness, as delivered remotely by qualified mental health professionals using telehealth; and

(ii) to collaborate with local public health entities to provide the mental health services; and

(B) for the populations described in subsection (a)(3)(B)—

(i) to provide mental health services, including diagnosis and treatment of mental illness, in long-term care facilities as delivered remotely by qualified mental health professionals using telehealth; and

(ii) to collaborate with local public health entities to provide the mental health services.

(2) Other uses

An eligible entity that receives a grant under this section may also use the grant funds to—

(A) pay telecommunications costs; and

(B) pay qualified mental health professionals on a reasonable cost basis as determined by the Secretary for services rendered.

(3) Prohibited uses

An eligible entity that receives a grant under this section shall not use the grant funds to—

(A) purchase or install transmission equipment (other than such equipment used by qualified mental health professionals to deliver mental health services using telehealth under the project involved); or

(B) build upon or acquire real property.

(d) Equitable distribution

In awarding grants under this section, the Secretary shall ensure, to the greatest extent possible, that such grants are equitably distributed among geographical regions of the United States.

(e) Application

An entity that desires a grant under this section shall submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary determines to be reasonable.

(f) Report

Not later than 4 years after October 26, 2002, the Secretary shall prepare and submit to the appropriate committees of Congress a report that shall evaluate activities funded with grants under this section.

(g) Authorization of appropriations

There are authorized to be appropriated to carry out this section, \$20,000,000 for fiscal year 2002 and such sums as may be necessary for fiscal years 2003 through 2006.

(July 1, 1944, ch. 373, title III, §330K, as added Pub. L. 107–251, title II, §221, Oct. 26, 2002, 116 Stat. 1640; amended Pub. L. 108–163, §2(d), Dec. 6, 2003, 117 Stat. 2021.)

§254c–19. Pediatric mental health care access grants

(a) In general

The Secretary, acting through the Administrator of the Health Resources and Services Administration and in coordination with other relevant Federal agencies, shall award grants or cooperative agreements to States, political subdivisions of States, and Indian Tribes and Tribal organizations (for purposes of this section, as such terms are defined in section 5304 of title 25) to promote behavioral health integration in pediatric primary care by—

- (1) supporting the development of statewide or regional pediatric mental health care telehealth access programs; and
- (2) supporting the improvement of existing statewide or regional pediatric mental health care telehealth access programs.

(b) Program requirements

(1) In general

A pediatric mental health care telehealth access program referred to in subsection (a), with respect to which an award under such subsection may be used, shall—

- (A) be a statewide or regional network of pediatric mental health teams that provide support to pediatric primary care sites as an integrated team;
- (B) support and further develop organized State or regional networks of pediatric mental health teams to provide consultative support to pediatric primary care sites;
- (C) conduct an assessment of critical behavioral consultation needs among pediatric providers and such providers' preferred mechanisms for receiving consultation, training, and technical assistance;
- (D) develop an online database and communication mechanisms, including telehealth, to facilitate consultation support to pediatric practices;
- (E) provide rapid statewide or regional clinical telephone or telehealth consultations when requested between the pediatric mental health teams and pediatric primary care providers;
- (F) conduct training and provide technical assistance to pediatric primary care providers to support the early identification, diagnosis, treatment, and referral of children with behavioral health conditions;
- (G) provide information to pediatric providers about, and assist pediatric providers in accessing, pediatric mental health care providers, including child and adolescent psychiatrists, developmental-behavioral pediatricians, and licensed mental health professionals, such as psychologists, social workers, or mental health counselors and in scheduling and conducting technical assistance;
- (H) provide information to pediatric health care providers about available mental health services for children in the community and assist with referrals to specialty care and community or behavioral health resources; and
- (I) establish mechanisms for measuring and monitoring increased access to pediatric mental health care services by pediatric primary care providers and expanded capacity of pediatric primary care providers to identify, treat, and refer children with mental health conditions.

(2) Support to schools and emergency departments

(A) In general

In addition to the activities required under paragraph (1), a pediatric mental health care access program referred to in subsection (a), with respect to which an award under such subsection may be used, may provide information, consultative support, training, and technical assistance to—

- (i) emergency departments; and
- (ii) State educational agencies, local educational agencies, Tribal educational agencies, and elementary and secondary schools.

(B) Requirements for certain recipients

An entity receiving information, consultative support, training, and technical assistance under subparagraph (A)(ii) shall operate in a manner consistent with, and shall ensure consistency with, the requirements of subsections (a) and (c) of section 7101 of title 20 ¹ with respect to such information, consultative support, training, and technical assistance.

(3) Pediatric mental health teams

In this subsection, the term "pediatric mental health team" means a team consisting of at least one case coordinator, at least one child and adolescent psychiatrist, and at least one licensed clinical mental health professional, such as a psychologist, social worker, or mental health counselor, and which may include a developmental-behavioral pediatrician. Such a team may be regionally based.

(c) Application

A State, political subdivision of a State, Indian Tribe, or Tribal organization seeking an award under this section shall submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may require, including a plan for the comprehensive evaluation of activities that are carried out with funds received under such award.

(d) Evaluation

A State, political subdivision of a State, Indian Tribe, or Tribal organization that receives an award under this section shall prepare and submit an evaluation of activities that are carried out with funds received under such award to the Secretary at such time, in such manner, and containing such information as the Secretary may reasonably require, including a process and outcome evaluation.

(e) Access to broadband

In administering awards under this section, the Secretary may coordinate with other agencies to ensure that funding opportunities are available to support access to reliable, high-speed Internet for providers.

(f) Matching requirement

The Secretary may not make an award under this section unless the State, political subdivision of a State, Indian Tribe, or Tribal organization involved agrees, with respect to the costs to be incurred by the State, political subdivision of a State, Indian Tribe, or Tribal organization in carrying out the purpose described in this section, to make available non-Federal contributions (in cash or in kind) toward such costs in an amount that is not less than 20 percent of Federal funds provided in the award.

(g) Technical assistance

The Secretary may—

- (1) provide, or continue to provide, technical assistance to recipients of awards under subsection (a); and
- (2) award a grant or contract to an eligible public or nonprofit private entity (as determined by the Secretary) for the purpose of providing such technical assistance pursuant to this subsection.

(h) Authorization of appropriations

To carry out this section, there are authorized to be appropriated, \$31,000,000 for each of fiscal years 2023 through 2027.

(July 1, 1944, ch. 373, title III, §330M, as added Pub. L. 114–255, div. B, title X, §10002, Dec. 13, 2016, 130 Stat. 1262; amended Pub. L. 117–159, div. A, title I, §11005, June 25, 2022, 136 Stat. 1321.)

§254c–20. Expanding capacity for health outcomes

(a) Definitions

In this section:

(1) Eligible entity

The term "eligible entity" means an entity that provides, or supports the provision of, health care services in rural areas, frontier areas, health professional shortage areas, or medically underserved areas, or to medically underserved populations or Native Americans, including Indian Tribes, Tribal organizations, and urban Indian organizations, and which may include entities leading, or capable of leading, a technology-enabled collaborative learning and capacity building model or engaging in technology-enabled collaborative training of participants in such model.

(2) Health professional shortage area

The term "health professional shortage area" means a health professional shortage area designated under section 254e of this title.

(3) Indian Tribe

The terms "Indian Tribe" and "Tribal organization" have the meanings given the terms "Indian tribe" and "tribal organization" in section 5304 of title 25.

(4) Medically underserved population

The term "medically underserved population" has the meaning given the term in section 254b(b)(3) of this title.

(5) Native Americans

The term "Native Americans" has the meaning given the term in section 293 of this title and includes Indian Tribes and Tribal organizations.

(6) Technology-enabled collaborative learning and capacity building model

The term "technology-enabled collaborative learning and capacity building model" means a distance health education model that connects health care professionals, and particularly specialists, with multiple other health care professionals through simultaneous interactive videoconferencing for the purpose of facilitating case-based learning, disseminating best practices, and evaluating outcomes.

(7) Urban Indian organization

The term "urban Indian organization" has the meaning given the term in section 1603 of title 25.

(b) Program established

The Secretary shall, as appropriate, award grants to evaluate, develop, and, as appropriate, expand the use of technology-enabled collaborative learning and capacity building models, to improve retention of health care providers and increase access to health care services, such as those to address chronic diseases and conditions, infectious diseases, mental health, substance use disorders, prenatal and maternal health, pediatric care, pain management, palliative care, and other specialty care in rural areas, frontier areas, health professional shortage areas, or medically underserved areas and for medically underserved populations or Native Americans.

(c) Use of funds

(1) In general

Grants awarded under subsection (b) shall be used for—

(A) the development and acquisition of instructional programming, and the training of health care providers and other professionals that provide or assist in the provision of services through models described in subsection (b), such as training on best practices for data collection and leading or participating in such technology-enabled activities consistent with technology-enabled collaborative learning and capacity-building models;

(B) information collection and evaluation activities to study the impact of such models on patient outcomes and health care providers, and to identify best practices for the expansion and use of such models; or

(C) other activities consistent with achieving the objectives of the grants awarded under this section, as determined by the Secretary.

(2) Other uses

In addition to any of the uses under paragraph (1), grants awarded under subsection (b) may be used for—

(A) equipment to support the use and expansion of technology-enabled collaborative learning and capacity building models, including for hardware and software that enables distance learning, health care provider support, and the secure exchange of electronic health information; or

(B) support for health care providers and other professionals that provide or assist in the provision of services through such models.

(d) Length of grants

Grants awarded under subsection (b) shall be for a period of up to 5 years.

(e) Grant requirements

The Secretary may require entities awarded a grant under this section to collect information on the effect of the use of technology-enabled collaborative learning and capacity building models, such as on health outcomes, access to health care services, quality of care, and provider retention in areas and populations described in subsection (b). The Secretary may award a grant or contract to assist in the coordination of such models, including to assess outcomes associated with the use of such models in grants awarded under subsection (b), including for the purpose described in subsection (c)(1)(B).

(f) Application

An eligible entity that seeks to receive a grant under subsection (b) shall submit to the Secretary an application, at such time, in such manner, and containing such information as the Secretary may require. Such application shall include plans to assess the effect of technology-enabled collaborative learning and capacity building models on patient outcomes and health care providers.

(g) Access to broadband

In administering grants under this section, the Secretary may coordinate with other agencies to ensure that funding opportunities are available to support access to reliable, high-speed internet for grantees.

(h) Technical assistance

The Secretary shall provide (either directly through the Department of Health and Human Services or by contract) technical assistance to eligible entities, including recipients of grants under subsection (b), on the development, use, and evaluation of technology-enabled collaborative learning and capacity building models in order to expand access to health care services provided by such entities, including for medically underserved areas and to medically underserved populations or Native Americans.

(i) Research and evaluation

The Secretary, in consultation with stakeholders with appropriate expertise in such models, shall develop a strategic plan to research and evaluate the evidence for such models. The Secretary shall use such plan to inform the activities carried out under this section.

(j) Report by Secretary

Not later than 4 years after December 27, 2020, the Secretary shall prepare and submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives, and post on the internet website of the Department of Health and Human Services, a report including, at minimum—

(1) a description of any new and continuing grants awarded to entities under subsection (b) and the specific purpose and amounts of such grants;

(2) an overview of—

(A) the evaluations conducted under subsections (b);

(B) technical assistance provided under subsection (h); and

(C) activities conducted by entities awarded grants under subsection (b); and

(3) a description of any significant findings or developments related to patient outcomes or health care providers and best practices for eligible entities expanding, using, or evaluating technology-enabled collaborative learning and capacity building models, including through the activities described in subsection (h).

(k) Authorization of appropriations

There are authorized to be appropriated to carry out this section \$10,000,000 for each of fiscal years 2022 through 2026.

(July 1, 1944, ch. 373, title III, §330N, as added Pub. L. 116–260, div. BB, title III, §313, Dec. 27,

§254c–21. Innovation for maternal health

(a) In general

The Secretary, in consultation with experts representing a variety of clinical specialties, State, Tribal, or local public health officials, researchers, epidemiologists, statisticians, and community organizations, shall establish or continue a program to award competitive grants to eligible entities for the purpose of—

(1) identifying, developing, or disseminating best practices to improve maternal health care quality and outcomes, improve maternal and infant health, and eliminate preventable maternal mortality and severe maternal morbidity, which may include—

(A) information on evidence-based practices to improve the quality and safety of maternal health care in hospitals and other health care settings of a State or health care system by addressing topics commonly associated with health complications or risks related to prenatal care, labor care, birthing, and postpartum care;

(B) best practices for improving maternal health care based on data findings and reviews conducted by a State maternal mortality review committee that address topics of relevance to common complications or health risks related to prenatal care, labor care, birthing, and postpartum care; and

(C) information on addressing determinants of health that impact maternal health outcomes for women before, during, and after pregnancy;

(2) collaborating with State maternal mortality review committees to identify issues for the development and implementation of evidence-based practices to improve maternal health outcomes and reduce preventable maternal mortality and severe maternal morbidity, consistent with section 247b–12 of this title;

(3) providing technical assistance and supporting the implementation of best practices identified in paragraph (1) to entities providing health care services to pregnant and postpartum women; and

(4) identifying, developing, and evaluating new models of care that improve maternal and infant health outcomes, which may include the integration of community-based services and clinical care.

(b) Eligible entities

To be eligible for a grant under subsection (a), an entity shall—

(1) submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require; and

(2) demonstrate in such application that the entity is capable of carrying out data-driven maternal safety and quality improvement initiatives in the areas of obstetrics and gynecology or maternal health.

(c) Report

Not later than September 30, 2025, and every 2 years thereafter, the Secretary shall submit a report to Congress on the practices described in paragraphs (1) and (2) of subsection (a). Such report shall include a description of the extent to which such practices reduced preventable maternal mortality and severe maternal morbidity, and whether such practices improved maternal and infant health. The Secretary shall disseminate information on such practices, as appropriate.

(d) Authorization of appropriations

To carry out this section, there are authorized to be appropriated \$9,000,000 for each of fiscal years 2023 through 2027.

(July 1, 1944, ch. 373, title III, §330O, as added Pub. L. 117–103, div. P, title I, §131, Mar. 15, 2022, 136 Stat. 794.)

§254c–22. Integrated services for pregnant and postpartum women

(a) In general

The Secretary may award grants for the purpose of establishing or operating evidence-based or innovative, evidence-informed programs to deliver integrated health care services to pregnant and postpartum women to optimize the health of women and their infants, including to reduce adverse maternal health outcomes, pregnancy-related deaths, and related health disparities (including such disparities associated with racial and ethnic minority populations), and, as appropriate, by addressing issues researched under subsection (b)(2) of section 247b–12 of this title.

(b) Integrated services for pregnant and postpartum women

(1) Eligibility

To be eligible to receive a grant under subsection (a), a State, Indian Tribe, or Tribal organization (as such terms are defined in section 5304 of title 25) shall work with relevant stakeholders that coordinate care to develop and carry out the program, including—

(A) State, Tribal, and local agencies responsible for Medicaid, public health, social services, mental health, and substance use disorder treatment and services;

(B) health care providers who serve pregnant and postpartum women; and

(C) community-based health organizations and health workers, including providers of home visiting services and individuals representing communities with disproportionately high rates of maternal mortality and severe maternal morbidity, and including those representing racial and ethnic minority populations.

(2) Terms

(A) Period

A grant awarded under subsection (a) shall be made for a period of 5 years. Any supplemental award made to a grantee under subsection (a) may be made for a period of less than 5 years.

(B) Priorities

In awarding grants under subsection (a), the Secretary shall—

(i) give priority to States, Indian Tribes, and Tribal organizations that have the highest rates of maternal mortality and severe maternal morbidity relative to other such States, Indian Tribes, or Tribal organizations, respectively; and

(ii) shall consider health disparities related to maternal mortality and severe maternal morbidity, including such disparities associated with racial and ethnic minority populations.

(C) Evaluation

The Secretary shall require grantees to evaluate the outcomes of the programs supported under the grant.

(c) Authorization of appropriations

There are authorized to be appropriated to carry out this section \$10,000,000 for each of fiscal years 2023 through 2027.

(July 1, 1944, ch. 373, title III, §330P, as added Pub. L. 117–103, div. P, title I, §134(a), Mar. 15, 2022, 136 Stat. 796.)

STATUTORY NOTES AND RELATED SUBSIDIARIES

DISSEMINATION OF BEST PRACTICES

Pub. L. 117–103, div. P, title I, §134(b)(2), Mar. 15, 2022, 136 Stat. 797, provided that: "Not later than August 1, 2027, the Secretary of Health and Human Services shall disseminate information on best practices and models of care used by recipients of grants under the amendments made by this section [enacting this

section] (including best practices and models of care relating to the reduction of health disparities, including such disparities associated with racial and ethnic minority populations, in rates of maternal mortality and severe maternal morbidity) to relevant stakeholders, which may include health providers, medical schools, nursing schools, relevant State, Tribal, and local agencies, and the general public."

SUBPART II—NATIONAL HEALTH SERVICE CORPS PROGRAM

EDITORIAL NOTES

CODIFICATION

Pub. L. 94-484, title IV, §407(b)(3), Oct. 12, 1976, 90 Stat. 2268, added heading "Subpart II—National Health Service Corps Program".

§254d. National Health Service Corps

(a) Establishment; composition; purpose; definitions

(1) For the purpose of eliminating health manpower shortages in health professional shortage areas, there is established, within the Service, the National Health Service Corps, which shall consist of—

- (A) such officers of the Regular and Reserve Corps ¹ of the Service as the Secretary may designate,
- (B) such civilian employees of the United States as the Secretary may appoint, and
- (C) such other individuals who are not employees of the United States.

(2) The Corps shall be utilized by the Secretary to provide primary health services in health professional shortage areas.

(3) For purposes of this subpart and subpart III:

- (A) The term "Corps" means the National Health Service Corps.
- (B) The term "Corps member" means each of the officers, employees, and individuals of which the Corps consists pursuant to paragraph (1).
- (C) The term "health professional shortage area" has the meaning given such term in section 254e(a) of this title.
- (D) The term "primary health services" means health services regarding family medicine, internal medicine, pediatrics, obstetrics and gynecology, dentistry, or mental health, that are provided by physicians or other health professionals.
- (E)(i) The term "behavioral and mental health professionals" means health service psychologists, licensed clinical social workers, licensed professional counselors, marriage and family therapists, psychiatric nurse specialists, and psychiatrists.
- (ii) The term "graduate program of behavioral and mental health" means a program that trains behavioral and mental health professionals.

(b) Recruitment and fellowship programs

(1) The Secretary may conduct at schools of medicine, osteopathic medicine, dentistry, and, as appropriate, nursing and other schools of the health professions, including schools at which graduate programs of behavioral and mental health are offered, and at entities which train allied health personnel, recruiting programs for the Corps, the Scholarship Program, and the Loan Repayment Program. Such recruiting programs shall include efforts to recruit individuals who will serve in the Corps other than pursuant to obligated service under the Scholarship or Loan Repayment Program.

(2) In the case of physicians, dentists, behavioral and mental health professionals, certified nurse midwives, certified nurse practitioners, and physician assistants who have an interest and a commitment to providing primary health care, the Secretary may establish fellowship programs to

enable such health professionals to gain exposure to and expertise in the delivery of primary health services in health professional shortage areas. To the maximum extent practicable, the Secretary shall ensure that any such programs are established in conjunction with accredited residency programs, and other training programs, regarding such health professions.

(c) Travel and moving expenses; persons entitled; reimbursement; limitation

(1) The Secretary may reimburse an applicant for a position in the Corps (including an individual considering entering into a written agreement pursuant to section 254n of this title) for the actual and reasonable expenses incurred in traveling to and from the applicant's place of residence to an eligible site to which the applicant may be assigned under section 254f of this title for the purpose of evaluating such site with regard to being assigned at such site. The Secretary may establish a maximum total amount that may be paid to an individual as reimbursement for such expenses.

(2) The Secretary may also reimburse the applicant for the actual and reasonable expenses incurred for the travel of 1 family member to accompany the applicant to such site. The Secretary may establish a maximum total amount that may be paid to an individual as reimbursement for such expenses.

(3) In the case of an individual who has entered into a contract for obligated service under the Scholarship Program or under the Loan Repayment Program, the Secretary may reimburse such individual for all or part of the actual and reasonable expenses incurred in transporting the individual, the individual's family, and the family's possessions to the site of the individual's assignment under section 254f of this title. The Secretary may establish a maximum total amount that may be paid to an individual as reimbursement for such expenses.

(d) Monthly pay adjustments of members directly engaged in delivery of health services in health professional shortage area; "monthly pay" defined; monthly pay adjustment of member with service obligation incurred under Scholarship Program or Loan Repayment Program; personnel system applicable

(1) The Secretary may, under regulations promulgated by the Secretary, adjust the monthly pay of each member of the Corps (other than a member described in subsection (a)(1)(C)) who is directly engaged in the delivery of health services in a health professional shortage area as follows:

(A) During the first 36 months in which such a member is so engaged in the delivery of health services, his monthly pay may be increased by an amount which when added to the member's monthly pay and allowances will provide a monthly income competitive with the average monthly income from a practice of an individual who is a member of the profession of the Corps member, who has equivalent training, and who has been in practice for a period equivalent to the period during which the Corps member has been in practice.

(B) During the period beginning upon the expiration of the 36 months referred to in subparagraph (A) and ending with the month in which the member's monthly pay and allowances are equal to or exceed the monthly income he received for the last of such 36 months, the member may receive in addition to his monthly pay and allowances an amount which when added to such monthly pay and allowances equals the monthly income he received for such last month.

(C) For each month in which a member is directly engaged in the delivery of health services in a health professional shortage area in accordance with an agreement with the Secretary entered into under section 294n(f)(1)(C) ² of this title, under which the Secretary is obligated to make payments in accordance with section 294n(f)(2) ² of this title, the amount of any monthly increase under subparagraph (A) or (B) with respect to such member shall be decreased by an amount equal to one-twelfth of the amount which the Secretary is obligated to pay upon the completion of the year of practice in which such month occurs.

For purposes of subparagraphs (A) and (B), the term "monthly pay" includes special pay received under chapter 5 of title 37.

(2) In the case of a member of the Corps who is directly engaged in the delivery of health services in a health professional shortage area in accordance with a service obligation incurred under the Scholarship Program or the Loan Repayment Program, the adjustment in pay authorized by

paragraph (1) may be made for such a member only upon satisfactory completion of such service obligation, and the first 36 months of such member's being so engaged in the delivery of health services shall, for purposes of paragraph (1)(A), be deemed to begin upon such satisfactory completion.

(3) A member of the Corps described in subparagraph (C) of subsection (a)(1) shall when assigned to an entity under section 254f of this title be subject to the personnel system of such entity, except that such member shall receive during the period of assignment the income that the member would receive if the member was a member of the Corps described in subparagraph (B) of such subsection.

(e) Employment ceiling of Department not affected by Corps members

Corps members assigned under section 254f of this title to provide health services in health professional shortage areas shall not be counted against any employment ceiling affecting the Department.

(f) Assignment of personnel provisions inapplicable to members whose service obligation incurred under Scholarship Program or Loan Repayment Program

Sections 215 and 217 of this title shall not apply to members of the National Health Service Corps during their period of obligated service under the Scholarship Program or the Loan Repayment Program, except when such members are Commissioned Corps officers who entered into a contract with ³ Secretary under section 254l or 254l-1 of this title after December 31, 2006 and when the Secretary determines that exercising the authority provided under section 215 or 217 of this title with respect to any such officer to ⁴ would not cause unreasonable disruption to health care services provided in the community in which such officer is providing health care services.

(g) Conversion from Corps member to commissioned officer; retirement credits

(1) The Secretary shall, by rule, prescribe conversion provisions applicable to any individual who, within a year after completion of service as a member of the Corps described in subsection (a)(1)(C), becomes a commissioned officer in the Regular or Reserve Corps ¹ of the Service.

(2) The rules prescribed under paragraph (1) shall provide that in applying the appropriate provisions of this chapter which relate to retirement, any individual who becomes such an officer shall be entitled to have credit for any period of service as a member of the Corps described in subsection (a)(1)(C).

(h) Effective administration of program

The Secretary shall ensure that adequate staff is provided to the Service with respect to effectively administering the program for the Corps.

(i) Demonstration projects; waivers

(1) In carrying out subpart III, the Secretary may, in accordance with this subsection, issue waivers to individuals who have entered into a contract for obligated service under the Scholarship Program or the Loan Repayment Program under which the individuals are authorized to satisfy the requirement of obligated service through providing clinical practice that is half time.

(2) A waiver described in paragraph (1) may be provided by the Secretary only if—

(A) the entity for which the service is to be performed—

(i) has been approved under section 254f-1 of this title for assignment of a Corps member; and

(ii) has requested in writing assignment of a health professional who would serve half time;

(B) the Secretary has determined that assignment of a health professional who would serve half time would be appropriate for the area where the entity is located;

(C) a Corps member who is required to perform obligated service has agreed in writing to be assigned for half-time service to an entity described in subparagraph (A);

(D) the entity and the Corps member agree in writing that the Corps member will perform half-time clinical practice;

(E) the Corps member agrees in writing to fulfill all of the service obligations under section

254m of this title through half-time clinical practice and either—

- (i) double the period of obligated service that would otherwise be required; or
- (ii) in the case of contracts entered into under section 254l–1 of this title, accept a minimum service obligation of 2 years with an award amount equal to 50 percent of the amount that would otherwise be payable for full-time service; and

(F) the Corps member agrees in writing that if the Corps member begins providing half-time service but fails to begin or complete the period of obligated service, the method stated in 254o(c) of this title for determining the damages for breach of the individual's written contract will be used after converting periods of obligated service or of service performed into their full-time equivalents.

(3) In evaluating waivers issued under paragraph (1), the Secretary shall examine the effect of multidisciplinary teams.

(j) Definitions

For the purposes of this subpart and subpart III:

- (1) The term "Department" means the Department of Health and Human Services.
- (2) The term "Loan Repayment Program" means the National Health Service Corps Loan Repayment Program established under section 254l–1 of this title.
- (3) The term "Scholarship Program" means the National Health Service Corps Scholarship Program established under section 254l of this title.
- (4) The term "State" includes, in addition to the several States, only the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, the Virgin Islands, Guam, American Samoa, and the Trust Territory of the Pacific Islands.
- (5) The terms "full time" and "full-time" mean a minimum of 40 hours per week in a clinical practice, for a minimum of 45 weeks per year.
- (6) The terms "half time" and "half-time" mean a minimum of 20 hours per week (not to exceed 39 hours per week) in a clinical practice, for a minimum of 45 weeks per year.

EDITORIAL NOTES

REFERENCES IN TEXT

Section 294n of this title, referred to in subsec. (d)(1)(C), was in the original a reference to section 741 of act July 1, 1944. Section 741 of that Act was omitted in the general revision of subchapter V of this chapter by Pub. L. 102–408, title I, §102, Oct. 13, 1992, 106 Stat. 1994. Pub. L. 102–408 enacted a new section 776 of act July 1, 1944, relating to acquired immune deficiency syndrome, which was classified to section 294n of this title, and subsequently renumbered section 2692 and transferred to section 300ff–111 of this title.

AMENDMENTS

2010—Subsec. (i)(1). Pub. L. 111–148, §10501(n)(1)(A), substituted "issue waivers to individuals who have entered into a contract for obligated service under the Scholarship Program or the Loan Repayment Program under which the individuals are authorized to satisfy the requirement of obligated service through providing clinical practice that is half time" for "carry out demonstration projects in which individuals who have entered into a contract for obligated service under the Loan Repayment Program receive waivers under which the individuals are authorized to satisfy the requirement of obligated service through providing clinical service that is not full-time".

Subsec. (i)(2)(A)(ii), (B). Pub. L. 111–148, §10501(n)(1)(B)(i), substituted "half time" for "less than full

time".

Subsec. (i)(2)(C). Pub. L. 111–148, §10501(n)(1)(B)(ii), substituted "half-time service" for "less than full-time service".

Subsec. (i)(2)(D), (E). Pub. L. 111–148, §10501(n)(1)(B)(iii), amended subpars. (D) and (E) generally. Prior to amendment, subpars. (D) and (E) read as follows:

"(D) the entity and the Corps member agree in writing that the less than full-time service provided by the Corps member will not be less than 16 hours of clinical service per week;

"(E) the Corps member agrees in writing that the period of obligated service pursuant to section 2541–1 of this title will be extended so that the aggregate amount of less than full-time service performed will equal the amount of service that would be performed through full-time service under section 254m of this title; and".

Subsec. (i)(2)(F). Pub. L. 111–148, §10501(n)(1)(B)(ii), substituted "half-time service" for "less than full-time service".

Subsec. (i)(3). Pub. L. 111–148, §10501(n)(1)(C), substituted "In evaluating waivers issued under paragraph (1)" for "In evaluating a demonstration project described in paragraph (1)".

Subsec. (j)(5), (6). Pub. L. 111–148, §10501(n)(2), added pars. (5) and (6).

2006—Subsec. (f). Pub. L. 109–417 inserted before period at end ", except when such members are Commissioned Corps officers who entered into a contract with Secretary under section 2541 or 2541–1 of this title after December 31, 2006 and when the Secretary determines that exercising the authority provided under section 215 or 217 of this title with respect to any such officer would not cause unreasonable disruption to health care services provided in the community in which such officer is providing health care services".

2002—Subsec. (a)(3)(E). Pub. L. 107–251, §301(a)(1), added subpar. (E).

Subsec. (b)(1). Pub. L. 107–251, §301(a)(2)(A), substituted "health professions, including schools at which graduate programs of behavioral and mental health are offered," for "health professions".

Subsec. (b)(2). Pub. L. 107–251, §301(a)(2)(B), inserted "behavioral and mental health professionals," after "dentists,".

Subsec. (c). Pub. L. 107–251, §301(a)(3), added subsec. (c) and struck out former subsec. (c) which read as follows: "The Secretary may reimburse applicants for positions in the Corps (including individuals considering entering into a written agreement pursuant to section 254n of this title) for actual and reasonable expenses incurred in traveling to and from their places of residence to a health professional shortage area (designated under section 254e of this title) in which they may be assigned for the purpose of evaluating such area with regard to being assigned in such area. The Secretary shall not reimburse an applicant for more than one such trip."

Subsecs. (i), (j). Pub. L. 107–251, §301(b), added subsec. (i) and redesignated former subsec. (i) as (j).

1990—Subsec. (a). Pub. L. 101–597, §401(b)[(a)], substituted reference to health professional shortage area for reference to health manpower shortage area in pars. (1), (2), and (3)(C).

§254e. Health professional shortage areas

(a) Designation by Secretary; removal from areas designated; "medical facility" defined

(1) For purposes of this subpart the term "health professional shortage area" means (A) an area in an urban or rural area (which need not conform to the geographic boundaries of a political subdivision and which is a rational area for the delivery of health services) which the Secretary

determines has a health manpower shortage and which is not reasonably accessible to an adequately served area, (B) a population group which the Secretary determines has such a shortage, or (C) a public or nonprofit private medical facility or other public facility which the Secretary determines has such a shortage. All Federally qualified health centers and rural health clinics, as defined in section 1861(aa) of the Social Security Act (42 U.S.C. 1395x(aa)), that meet the requirements of section 254g of this title shall be automatically designated as having such a shortage. The Secretary shall not remove an area from the areas determined to be health professional shortage areas under subparagraph (A) of the preceding sentence until the Secretary has afforded interested persons and groups in such area an opportunity to provide data and information in support of the designation as a health professional shortage area or a population group described in subparagraph (B) of such sentence or a facility described in subparagraph (C) of such sentence, and has made a determination on the basis of the data and information submitted by such persons and groups and other data and information available to the Secretary.

(2) For purposes of this subsection, the term "medical facility" means a facility for the delivery of health services and includes—

(A) a hospital, State mental hospital, public health center, outpatient medical facility, rehabilitation facility, facility for long-term care, community mental health center, migrant health center, facility operated by a city or county health department, and community health center;

(B) such a facility of a State correctional institution or of the Indian Health Service, and a health program or facility operated by a tribe or tribal organization under the Indian Self-Determination Act [25 U.S.C. 5321 et seq.];

(C) such a facility used in connection with the delivery of health services under section 248 of this title (relating to hospitals), 249 of this title (relating to care and treatment of persons under quarantine and others), 250 of this title (relating to care and treatment of Federal prisoners), 251 of this title (relating to examination and treatment of certain Federal employees), 252 of this title (relating to examination of aliens), 253 of this title (relating to services to certain Federal employees), 247e of this title (relating to services for persons with Hansen's disease), or 254b(h) of this title (relating to the provision of health services to homeless individuals); and

(D) a Federal medical facility.

(3) Homeless individuals (as defined in section 254b(h)(5) of this title), seasonal agricultural workers (as defined in section 254b(g)(3) of this title) and migratory agricultural workers (as so defined), and residents of public housing (as defined in section 1437a(b)(1) of this title) may be population groups under paragraph (1).

(b) Criteria for designation of health professional shortage areas; promulgation of regulations

The Secretary shall establish by regulation criteria for the designation of areas, population groups, medical facilities, and other public facilities, in the States, as health professional shortage areas. In establishing such criteria, the Secretary shall take into consideration the following:

(1) The ratio of available health manpower to the number of individuals in an area or population group, or served by a medical facility or other public facility under consideration for designation.

(2) Indicators of a need, notwithstanding the supply of health manpower, for health services for the individuals in an area or population group or served by a medical facility or other public facility under consideration for designation.

(3) The percentage of physicians serving an area, population group, medical facility, or other public facility under consideration for designation who are employed by hospitals and who are graduates of foreign medical schools.

(c) Considerations in determination of designation

In determining whether to make a designation, the Secretary shall take into consideration the following:

(1) The recommendations of the Governor of each State in which the area, population group, medical facility, or other public facility under consideration for designation is in whole or part located.

(2) The extent to which individuals who are (A) residents of the area, members of the population group, or patients in the medical facility or other public facility under consideration for designation, and (B) entitled to have payment made for medical services under title XVIII, XIX, or XXI of the Social Security Act [42 U.S.C. 1395 et seq., 1396 et seq., 1397aa et seq.], cannot obtain such services because of suspension of physicians from the programs under such titles.

(d) Designation; publication of descriptive lists

(1) In accordance with the criteria established under subsection (b) and the considerations listed in subsection (c), the Secretary shall designate health professional shortage areas in the States, publish a descriptive list of the areas, population groups, medical facilities, and other public facilities so designated, and at least annually review and, as necessary, revise such designations.

(2) For purposes of paragraph (1), a complete descriptive list shall be published in the Federal Register not later than July 1 of 1991 and each subsequent year.

(e) Notice of proposed designation of areas and facilities; time for comment

(1) Prior to the designation of a public facility, including a Federal medical facility, as a health professional shortage area, the Secretary shall give written notice of such proposed designation to the chief administrative officer of such facility and request comments within 30 days with respect to such designation.

(2) Prior to the designation of a health professional shortage area under this section, the Secretary shall, to the extent practicable, give written notice of the proposed designation of such area to appropriate public or private nonprofit entities which are located or have a demonstrated interest in such area and request comments from such entities with respect to the proposed designation of such area.

(f) Notice of designation

The Secretary shall give written notice of the designation of a health professional shortage area, not later than 60 days from the date of such designation, to—

(1) the Governor of each State in which the area, population group, medical facility, or other public facility so designated is in whole or part located; and

(2) appropriate public or nonprofit private entities which are located or which have a demonstrated interest in the area so designated.

(g) Recommendations to Secretary

Any person may recommend to the Secretary the designation of an area, population group, medical facility, or other public facility as a health professional shortage area.

(h) Public information programs in designated areas

The Secretary may conduct such information programs in areas, among population groups, and in medical facilities and other public facilities designated under this section as health professional shortage areas as may be necessary to inform public and nonprofit private entities which are located or have a demonstrated interest in such areas of the assistance available under this subchapter by virtue of the designation of such areas.

(i) Dissemination

The Administrator of the Health Resources and Services Administration shall disseminate information concerning the designation criteria described in subsection (b) to—

(1) the Governor of each State;

(2) the representative of any area, population group, or facility selected by any such Governor to receive such information;

(3) the representative of any area, population group, or facility that requests such information; and

(4) the representative of any area, population group, or facility determined by the Administrator to be likely to meet the criteria described in subsection (b).

(j) Regulations and report

(1) The Secretary shall submit the report described in paragraph (2) if the Secretary, acting through the Administrator of the Health Resources and Services Administration, issues—

(A) a regulation that revises the definition of a health professional shortage area for purposes of this section; or

(B) a regulation that revises the standards concerning priority of such an area under section 254f-1 of this title.

(2) On issuing a regulation described in paragraph (1), the Secretary shall prepare and submit to the Committee on Energy and Commerce of the House of Representatives and the Committee on Health, Education, Labor, and Pensions of the Senate a report that describes the regulation.

(3) Each regulation described in paragraph (1) shall take effect 180 days after the committees described in paragraph (2) receive a report referred to in such paragraph describing the regulation.

(k) Maternity care health professional target areas

(1) The Secretary, acting through the Administrator of the Health Resources and Services Administration, shall identify, based on the data collected under paragraph (3), maternity care health professional target areas that satisfy the criteria described in paragraph (2) for purposes of, in connection with receipt of assistance under this subchapter, assigning to such identified areas maternity care health professionals who, without application of this subsection, would otherwise be eligible for such assistance. The Secretary shall distribute maternity care health professionals within health professional shortage areas using the maternity care health professional target areas so identified.

(2) For purposes of paragraph (1), the Secretary shall establish criteria for maternity care health professional target areas that identify geographic areas within health professional shortage areas that have a shortage of maternity care health professionals.

(3) For purposes of this subsection, the Secretary shall collect and publish in the Federal Register data comparing the availability and need of maternity care health services in health professional shortage areas and in areas within such health professional shortage areas.

(4) In carrying out paragraph (1), the Secretary shall seek input from relevant provider organizations, including medical societies, organizations representing medical facilities, and other organizations with expertise in maternity care.

(5) For purposes of this subsection, the term 'full scope maternity care health services' includes during labor care, birthing, prenatal care, and postpartum care.

(6) Nothing in this subsection shall be construed as—

(A) requiring the identification of a maternity care health professional target area in an area not otherwise already designated as a health professional shortage area; or

(B) affecting the types of health professionals, without application of this subsection, otherwise eligible for assistance, including a loan repayment or scholarship, pursuant to the application of this section.

GAO STUDY

Pub. L. 107–251, title III, §302(e), Oct. 26, 2002, 116 Stat. 1645, required the Comptroller General, no later than Feb. 1, 2005, to submit to Congress a report on the appropriateness of certain criteria established by the Secretary of Health and Human Services for the designation of health professional shortage areas and whether federally qualified health centers and rural health clinics should be deemed as such areas.

REFERENCE TO COMMUNITY, MIGRANT, PUBLIC HOUSING, OR HOMELESS HEALTH CENTER CONSIDERED REFERENCE TO HEALTH CENTER

Reference to community health center, migrant health center, public housing health center, or homeless health center, considered reference to health center, see section 4(c) of Pub. L. 104–299, set out as a note under section 254b of this title.

EVALUATION OF CRITERIA USED TO DESIGNATE HEALTH MANPOWER SHORTAGE AREAS; REPORT TO CONGRESS

Pub. L. 97–35, title XXVII, §2702(c), Aug. 13, 1981, 95 Stat. 903, directed the Secretary of Health and Human Services, effective Oct. 1, 1981, to evaluate the criteria used under section 254e(b) of this title to determine if the use of the criteria resulted in areas which did not have a shortage of health professions personnel being designated as health manpower shortage areas, and to consider different criteria (including the actual use of health professions personnel in an area by the residents, taking into account their health status and indicators of unmet demand and likelihood that such demand would not be met in two years) which might be used to designate health manpower shortage areas. The Secretary was to report the results of his activities to Congress not later than Nov. 30, 1982.

§254f. Corps personnel

(a) Conditions necessary for assignment of Corps personnel to area; contents of application for assignment; assignment to particular facility; approval of applications

(1) The Secretary may assign members of the Corps to provide, under regulations promulgated by the Secretary, health services in or to a health professional shortage area during the assignment period only if—

(A) a public or private entity, which is located or has a demonstrated interest in such area makes application to the Secretary for such assignment;

(B) such application has been approved by the Secretary;

(C) the entity agrees to comply with the requirements of section 254g of this title; and

(D) the Secretary has (i) conducted an evaluation of the need and demand for health manpower for the area, the intended use of Corps members to be assigned to the area, community support for the assignment of Corps members to the area, the area's efforts to secure health manpower for the area, and the fiscal management capability of the entity to which Corps members would be assigned and (ii) on the basis of such evaluation has determined that—

(I) there is a need and demand for health manpower for the area;

(II) there has been appropriate and efficient use of any Corps members assigned to the entity for the area;

(III) there is general community support for the assignment of Corps members to the entity;

(IV) the area has made unsuccessful efforts to secure health manpower for the area;

(V) there is a reasonable prospect of sound fiscal management, including efficient collection of fee-for-service, third-party, and other appropriate funds, by the entity with respect to Corps members assigned to such entity; and

(VI) the entity demonstrates willingness to support or facilitate mentorship, professional development, and training opportunities for Corps members.

An application for assignment of a Corps member to a health professional shortage area shall include a demonstration by the applicant that the area or population group to be served by the applicant has a shortage of personal health services and that the Corps member will be located so that the member will provide services to the greatest number of persons residing in such area or included in such population group. Such a demonstration shall be made on the basis of the criteria prescribed by the Secretary under section 254e(b) of this title and on additional criteria which the Secretary shall prescribe to determine if the area or population group to be served by the applicant has a shortage of personal health services.

(2) Corps members may be assigned to a Federal health care facility, but only upon the request of the head of the department or agency of which such facility is a part.

(3) In approving applications for assignment of members of the Corps the Secretary shall not discriminate against applications from entities which are not receiving Federal financial assistance under this chapter. In approving such applications, the Secretary shall give preference to applications in which a nonprofit entity or public entity shall provide a site to which Corps members may be assigned.

(b) Corps member income assurances; grants respecting sufficiency of financial resources

(1) The Secretary may not approve an application for the assignment of a member of the Corps described in subparagraph (C) of section 254d(a)(1) of this title to an entity unless the application of the entity contains assurances satisfactory to the Secretary that the entity (A) has sufficient financial resources to provide the member of the Corps with an income of not less than the income to which the member would be entitled if the member was a member described in subparagraph (B) of section 254d(a)(1) of this title, or (B) would have such financial resources if a grant was made to the entity under paragraph (2).

(2)(A) If in approving an application of an entity for the assignment of a member of the Corps described in subparagraph (C) of section 254d(a)(1) of this title the Secretary determines that the entity does not have sufficient financial resources to provide the member of the Corps with an income of not less than the income to which the member would be entitled if the member was a member described in subparagraph (B) of section 254d(a)(1) of this title, the Secretary may make a grant to the entity to assure that the member of the Corps assigned to it will receive during the period of assignment to the entity such an income.

(B) The amount of any grant under subparagraph (A) shall be determined by the Secretary. Payments under such a grant may be made in advance or by way of reimbursement, and at such intervals and on such conditions, as the Secretary finds necessary. No grant may be made unless an

application therefor is submitted to and approved by the Secretary. Such an application shall be in such form, submitted in such manner, and contain such information, as the Secretary shall by regulation prescribe.

(c) Assignment of members without regard to ability of area to pay for services

The Secretary shall assign Corps members to entities in health professional shortage areas without regard to the ability of the individuals in such areas, population groups, medical facilities, or other public facilities to pay for such services.

(d) Entities entitled to aid; forms of assistance; coordination of efforts; agreements for assignment of Corps members; qualified entity

(1) The Secretary may provide technical assistance to a public or private entity which is located in a health professional shortage area and which desires to make an application under this section for assignment of a Corps member to such area. Assistance provided under this paragraph may include assistance to an entity in (A) analyzing the potential use of health professions personnel in defined health services delivery areas by the residents of such areas, (B) determining the need for such personnel in such areas, (C) determining the extent to which such areas will have a financial base to support the practice of such personnel and the extent to which additional financial resources are needed to adequately support the practice, (D) determining the types of inpatient and other health services that should be provided by such personnel in such areas, and (E) developing long-term plans for addressing health professional shortages and improving access to health care. The Secretary shall encourage entities that receive technical assistance under this paragraph to communicate with other communities, State Offices of Rural Health, State Primary Care Associations and Offices, and other entities concerned with site development and community needs assessment.

(2) The Secretary may provide, to public and private entities which are located in a health professional shortage area to which area a Corps member has been assigned, technical assistance to assist in the retention of such member in such area after the completion of such member's assignment to the area.

(3) The Secretary may provide, to health professional shortage areas to which no Corps member has been assigned, (A) technical assistance to assist in the recruitment of health manpower for such areas, and (B) current information on public and private programs which provide assistance in the securing of health manpower.

(4)(A) The Secretary shall undertake to demonstrate the improvements that can be made in the assignment of members of the Corps to health professional shortage areas and in the delivery of health care by Corps members in such areas through coordination with States, political subdivisions of States, agencies of States and political subdivisions, and other public and private entities which have expertise in the planning, development, and operation of centers for the delivery of primary health care. In carrying out this subparagraph, the Secretary shall enter into agreements with qualified entities which provide that if—

- (i) the entity places in effect a program for the planning, development, and operation of centers for the delivery of primary health care in health professional shortage areas which reasonably addresses the need for such care in such areas, and
- (ii) under the program the entity will perform the functions described in subparagraph (B),

the Secretary will assign under this section members of the Corps in accordance with the program.

(B) For purposes of subparagraph (A), the term "qualified entity" means a State, political subdivision of a State, an agency of a State or political subdivision, or other public or private entity operating solely within one State, which the Secretary determines is able—

- (i) to analyze the potential use of health professions personnel in defined health services delivery areas by the residents of such areas;
- (ii) to determine the need for such personnel in such areas and to recruit, select, and retain health professions personnel (including members of the National Health Service Corps) to meet such need;
- (iii) to determine the extent to which such areas will have a financial base to support the

practice of such personnel and the extent to which additional financial resources are needed to adequately support the practice;

(iv) to determine the types of inpatient and other health services that should be provided by such personnel in such areas;

(v) to assist such personnel in the development of their clinical practice and fee schedules and in the management of their practice;

(vi) to assist in the planning and development of facilities for the delivery of primary health care; and

(vii) to assist in establishing the governing bodies of centers for the delivery of such care and to assist such bodies in defining and carrying out their responsibilities.

(e) Practice within State by Corps member

Notwithstanding any other law, any member of the Corps licensed to practice medicine, osteopathic medicine, dentistry, or any other health profession in any State shall, while serving in the Corps, be allowed to practice such profession in any State.

Pub. L. 97–35, title XXVII, §2703(d), Aug. 13, 1981, 95 Stat. 905, provided that the amendment made by that section is effective Oct. 1, 1981.

FLEXIBILITY FOR MEMBERS OF NATIONAL HEALTH SERVICE CORPS DURING EMERGENCY PERIOD

Pub. L. 116–136, div. A, title III, §3216, Mar. 27, 2020, 134 Stat. 375, provided that: "During the public health emergency declared by the Secretary of Health and Human Services under section 319 of the Public Health Service Act (42 U.S.C. 247d) on January 31, 2020, with respect to COVID–19, the Secretary may, notwithstanding section 333 of the Public Health Service Act (42 U.S.C. 254f), assign members of the National Health Service Corps, with the voluntary agreement of such corps members, to provide such health services at such places, and for such number of hours, as the Secretary determines necessary to respond to such emergency, provided that such places are within a reasonable distance of the site to which such members were originally assigned, and the total number of hours required are the same as were required of such members prior to the date of enactment of this Act [Mar. 27, 2020]."

§254f–1. Priorities in assignment of Corps personnel

(a) In general

In approving applications made under section 254f of this title for the assignment of Corps members, the Secretary shall—

(1) give priority to any such application that—

(A) is made regarding the provision of primary health services to a health professional shortage area with the greatest such shortage; and

(B) is made by an entity that—

(i) serves a health professional shortage area described in subparagraph (A);

(ii) coordinates the delivery of primary health services with related health and social services;

(iii) has a documented record of sound fiscal management; and

(iv) will experience a negative impact on its capacity to provide primary health services if a Corps member is not assigned to the entity;

(2) with respect to the geographic area in which the health professional shortage area is located, take into consideration the willingness of individuals in the geographic area, and of the appropriate governmental agencies or health entities in the area, to assist and cooperate with the Corps in providing effective primary health services; and

(3) take into consideration comments of medical, osteopathic, dental, or other health professional societies whose members deliver services to the health professional shortage area, or if no such societies exist, comments of physicians, dentists, or other health professionals delivering services to the area.

(b) Establishment of criteria for determining priorities

(1) In general

The Secretary shall establish criteria specifying the manner in which the Secretary makes a determination under subsection (a)(1)(A) of the health professional shortage areas with the greatest such shortages.

(2) Publication of criteria

The criteria required in paragraph (1) shall be published in the Federal Register not later than July 1, 1991. Any revisions made in the criteria by the Secretary shall be effective upon publication in the Federal Register.

(c) Notifications regarding priorities

(1) Proposed list

The Secretary shall prepare and publish a proposed list of health professional shortage areas and entities that would receive priority under subsection (a)(1) in the assignment of Corps members. The list shall contain the information described in paragraph (2), and the relative scores and relative priorities of the entities submitting applications under section 254f of this title, in a proposed format. All such entities shall have 30 days after the date of publication of the list to provide additional data and information in support of inclusion on the list or in support of a higher priority determination and the Secretary shall reasonably consider such data and information in preparing the final list under paragraph (2).

(2) Preparation of list for applicable period

For the purpose of carrying out paragraph (3), the Secretary shall prepare and, as appropriate, update a list of health professional shortage areas and entities that are receiving priority under subsection (a)(1) in the assignment of Corps members. Such list—

(A) shall include a specification, for each such health professional shortage area, of the entities for which the Secretary has provided an authorization to receive assignments of Corps members in the event that Corps members are available for the assignments; and

(B) shall, of the entities for which an authorization described in subparagraph (A) has been provided, specify—

- (i) the entities provided such an authorization for the assignment of Corps members who are participating in the Scholarship Program;
- (ii) the entities provided such an authorization for the assignment of Corps members who are participating in the Loan Repayment Program; and
- (iii) the entities provided such an authorization for the assignment of Corps members who have become Corps members other than pursuant to contractual obligations under the Scholarship or Loan Repayment Programs.

The Secretary may set forth such specifications by medical specialty.

(3) Notification of affected parties

(A) Entities

Not later than 30 days after the Secretary has added to a list under paragraph (2) an entity specified as described in subparagraph (A) of such paragraph, the Secretary shall notify such entity that the entity has been provided an authorization to receive assignments of Corps members in the event that Corps members are available for the assignments.

(B) Individuals

In the case of an individual obligated to provide service under the Scholarship Program, not later than 3 months before the date described in section 254m(b)(5) of this title, the Secretary shall provide to such individual the names of each of the entities specified as described in paragraph (2)(B)(i) that is appropriate for the individual's medical specialty and discipline.

(4) Revisions

If the Secretary proposes to make a revision in the list under paragraph (2), and the revision would adversely alter the status of an entity with respect to the list, the Secretary shall notify the entity of the revision. Any entity adversely affected by such a revision shall be notified in writing by the Secretary of the reasons for the revision and shall have 30 days from such notification to file a written appeal of the determination involved which shall be reasonably considered by the Secretary before the revision to the list becomes final. The revision to the list shall be effective with respect to assignment of Corps members beginning on the date that the revision becomes final.

(d) Limitation on number of entities offered as assignment choices in Scholarship Program

(1) Determination of available Corps members

By April 1 of each calendar year, the Secretary shall determine the number of participants in the Scholarship Program who will be available for assignments under section 254f of this title during the program year beginning on July 1 of that calendar year.

(2) Determination of number of entities

At all times during a program year, the number of entities specified under subsection (c)(2)(B)(i) shall be—

(A) not less than the number of participants determined with respect to that program year under paragraph (1); and

(B) not greater than twice the number of participants determined with respect to that program year under paragraph (1).

EDITORIAL NOTES

AMENDMENTS

2003—Subsec. (c)(4). Pub. L. 108–163 substituted "30 days from such notification" for "30 days".

2002—Subsec. (a)(1)(A). Pub. L. 107–251, §304(1), struck out ", as determined in accordance with subsection (b) of this section" after "such shortage".

Subsec. (b). Pub. L. 107–251, §304(2), (7), redesignated subsec. (c) as (b) and struck out heading and text of former subsec. (b). Text read as follows: "In making a determination under subsection (a)(1)(A) of this section of the health professional shortage areas with the greatest such shortages, the Secretary may consider only the following factors:

"(1) The ratio of available health manpower to the number of individuals in the area or population group involved, or served by the medical facility or other public facility involved.

"(2) Indicators of need as follows:

"(A) The rate of low birthweight births.

"(B) The rate of infant mortality.

"(C) The rate of poverty.

"(D) Access to primary health services, taking into account the distance to such services."

Subsec. (c). Pub. L. 107–251, §304(7), redesignated subsec. (d) as (c). Former subsec. (c) redesignated (b).

Subsec. (c)(1). Pub. L. 107–251, §304(3), struck out second sentence, which read as follows: "Such criteria shall specify the manner in which the factors described in subsection (b) of this section are implemented regarding such a determination."

Subsec. (d). Pub. L. 107–251, §304(7), redesignated subsec. (e) as (d). Former subsec. (d) redesignated (c).

Subsec. (d)(1). Pub. L. 107–251, §304(4)(B), added par. (1). Former par. (1) redesignated (2).

Subsec. (d)(2). Pub. L. 107–251, §304(4)(C), in introductory provisions, substituted "paragraph (3)" for "paragraph (2)" and "prepare and, as appropriate, update a list of health professional shortage areas and entities" for "prepare a list of health professional shortage areas" and struck out "for the period applicable under subsection (f) of this section" after "Corps members".

Pub. L. 107–251, §304(4)(A), redesignated par. (1) as (2). Former par. (2) redesignated (3).

Subsec. (d)(3). Pub. L. 107–251, §304(4)(D), added par. (3) and struck out heading and text of former par. (3). Text read as follows:

"(A) Not later than 30 days after the preparation of each list under paragraph (1), the Secretary shall notify entities specified for purposes of subparagraph (A) of such paragraph of the fact that the entities have been provided an authorization to receive assignments of Corps members in the event that Corps members are available for the assignments.

"(B) In the case of individuals with respect to whom a period of obligated service under the Scholarship Program will begin during the period under subsection (f) of this section for which a list under paragraph (1) is prepared, the Secretary shall, not later than 30 days after the preparation of each such list, provide to such individuals the names of each of the entities specified for purposes of paragraph (1)(B)(i) that is appropriate to the medical specialty of the individuals."

Pub. L. 107–251, §304(4)(A), redesignated par. (2) as (3). Former par. (3) redesignated (4).

Subsec. (d)(4). Pub. L. 107–251, §304(4)(E), added par. (4) and struck out heading and text of former par. (4). Text read as follows: "If the Secretary makes a revision in a list under paragraph (1) during the period under subsection (f) of this section to which the list is applicable, and the revision alters the status of an entity with respect to the list, the Secretary shall notify the entity of the effect on the entity of the revision. Such notification shall be provided not later than 30 days after the date on which the revision is made."

Pub. L. 107–251, §304(4)(A), redesignated par. (3) as (4).

Subsec. (e). Pub. L. 107–251, §304(7), redesignated subsec. (e) as (d).

Pub. L. 107–251, §304(5), added subsec. (e) and struck out heading and text of former subsec. (e). Text related to limitation on the number of entities offered as assignment choices in the Scholarship Program based on the number of participants available for assignments.

Subsec. (f). Pub. L. 107–251, §304(6), struck out heading and text of subsec. (f), which related to applicable period regarding priorities in assignment of Corps members.

1990—Pub. L. 101–597, §401(b)[(a)], substituted reference to health professional shortage area for reference to health manpower shortage area wherever appearing in subsecs. (a) to (c)(1), (d)(1), and (e)(3).

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2003 AMENDMENT

Amendment by Pub. L. 108–163 deemed to have taken effect immediately after the enactment of Pub. L. 107–251, see section 3 of Pub. L. 108–163, set out as a note under section 233 of this title.

§254g. Charges for services by entities using Corps members

(a) Availability of services regardless of ability to pay or payment source

An entity to which a Corps member is assigned shall not deny requested health care services, and shall not discriminate in the provision of services to an individual—

- (1) because the individual is unable to pay for the services; or
- (2) because payment for the services would be made under—
 - (A) the medicare program under title XVIII of the Social Security Act (42 U.S.C. 1395 et seq.);
 - (B) the medicaid program under title XIX of such Act (42 U.S.C. 1396 et seq.); or
 - (C) the State children's health insurance program under title XXI of such Act (42 U.S.C. 1397aa et seq.).

(b) Charges for services

The following rules shall apply to charges for health care services provided by an entity to which a Corps member is assigned:

(1) In general

(A) Schedule of fees or payments

Except as provided in paragraph (2), the entity shall prepare a schedule of fees or payments for the entity's services, consistent with locally prevailing rates or charges and designed to cover the entity's reasonable cost of operation.

(B) Schedule of discounts

Except as provided in paragraph (2), the entity shall prepare a corresponding schedule of discounts (including, in appropriate cases, waivers) to be applied to the payment of such fees or payments. In preparing the schedule, the entity shall adjust the discounts on the basis of a patient's ability to pay.

(C) Use of schedules

The entity shall make every reasonable effort to secure from patients fees and payments for services in accordance with such schedules, and fees or payments shall be sufficiently discounted in accordance with the schedule described in subparagraph (B).

(2) Services to beneficiaries of Federal and federally assisted programs

In the case of health care services furnished to an individual who is a beneficiary of a program listed in subsection (a)(2), the entity—

- (A) shall accept an assignment pursuant to section 1842(b)(3)(B)(ii) of the Social Security Act (42 U.S.C. 1395u(b)(3)(B)(ii)) with respect to an individual who is a beneficiary under the medicare program; and
- (B) shall enter into an appropriate agreement with—
 - (i) the State agency administering the program under title XIX of such Act [42 U.S.C. 1396 et seq.] with respect to an individual who is a beneficiary under the medicaid program; and
 - (ii) the State agency administering the program under title XXI of such Act [42 U.S.C. 1397aa et seq.] with respect to an individual who is a beneficiary under the State children's health insurance program.

(3) Collection of payments

The entity shall take reasonable and appropriate steps to collect all payments due for health care services provided by the entity, including payments from any third party (including a Federal, State, or local government agency and any other third party) that is responsible for part or all of the charge for such services.

(July 1, 1944, ch. 373, title III, §334, as added Pub. L. 107–251, title III, §305, Oct. 26, 2002, 116 Stat. 1647; amended Pub. L. 108–163, §2(i), Dec. 6, 2003, 117 Stat. 2022.)

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2003 AMENDMENT

Amendment by Pub. L. 108–163 deemed to have taken effect immediately after the enactment of Pub. L. 107–251, see section 3 of Pub. L. 108–163, set out as a note under section 233 of this title.

§254h. Provision of health services by Corps members

(a) Means of delivery of services; cooperation with other health care providers

In providing health services in a health professional shortage area, Corps members shall utilize the techniques, facilities, and organizational forms most appropriate for the area, population group, medical facility, or other public facility, and shall, to the maximum extent feasible, provide such services (1) to all individuals in, or served by, such health professional shortage area regardless of their ability to pay for the services, and (2) in a manner which is cooperative with other health care providers serving such health professional shortage area.

(b) Utilization of existing health facilities; lease, acquisition, and use of equipment and supplies; permanent and temporary professional services

(1) Notwithstanding any other provision of law, the Secretary may (A) to the maximum extent feasible make such arrangements as he determines necessary to enable Corps members to utilize the health facilities in or serving the health professional shortage area in providing health services; (B) make such arrangements as he determines are necessary for the use of equipment and supplies of the Service and for the lease or acquisition of other equipment and supplies; and (C) secure the permanent or temporary services of physicians, dentists, nurses, administrators, and other health personnel. If there are no health facilities in or serving such area, the Secretary may arrange to have Corps members provide health services in the nearest health facilities of the Service or may lease or otherwise provide facilities in or serving such area for the provision of health services.

(2) If the individuals in or served by a health professional shortage area are being served (as determined under regulations of the Secretary) by a hospital or other health care delivery facility of the Service, the Secretary may, in addition to such other arrangements as he may make under paragraph (1), arrange for the utilization of such hospital or facility by Corps members in providing

health services, but only to the extent that such utilization will not impair the delivery of health services and treatment through such hospital or facility to individuals who are entitled to health services and treatment through such hospital or facility.

(c) Loan; purposes; limitations

The Secretary may make one loan to any entity with an approved application under section 254f of this title to assist such entity in meeting the costs of (1) establishing medical, dental, or other health profession practices, including the development of medical practice management systems; (2) acquiring equipment for use in providing health services; and (3) renovating buildings to establish health facilities. No loan may be made under this subsection unless an application therefor is submitted to, and approved by, the Secretary. The amount of any such loan shall be determined by the Secretary, except that no such loan may exceed \$50,000.

(d) Property and equipment disposal; fair market value; sale at less than full market value

Upon the expiration of the assignment of all Corps members to a health professional shortage area, the Secretary may (notwithstanding any other provision of law) sell, to any appropriate local entity, equipment and other property of the United States utilized by such members in providing health services. Sales made under this subsection shall be made at the fair market value (as determined by the Secretary) of the equipment or such other property; except that the Secretary may make such sales for a lesser value to an appropriate local entity, if he determines that the entity is financially unable to pay the full market value.

(e) Admitting privileges denied to Corps member by hospital; notice and hearing; denial of Federal funds for violation; "hospital" defined

(1)(A) It shall be unlawful for any hospital to deny an authorized Corps member admitting privileges when such Corps member otherwise meets the professional qualifications established by the hospital for granting such privileges and agrees to abide by the published bylaws of the hospital and the published bylaws, rules, and regulations of its medical staff.

(B) Any hospital which is found by the Secretary, after notice and an opportunity for a hearing on the record, to have violated this subsection shall upon such finding cease, for a period to be determined by the Secretary, to receive and to be eligible to receive any Federal funds under this chapter or under titles XVIII, XIX, or XXI of the Social Security Act [42 U.S.C. 1395 et seq., 1396 et seq., 1397aa et seq.].

(2) For purposes of this subsection, the term "hospital" includes a State or local public hospital, a private profit hospital, a private nonprofit hospital, a general or special hospital, and any other type of hospital (excluding a hospital owned or operated by an agency of the Federal Government), and any related facilities.

(July 1, 1944, ch. 373, title III, §335, as added Pub. L. 94–484, title IV, §407(b)(3), Oct. 12, 1976, 90 Stat. 2275; amended Pub. L. 97–35, title XXVII, §2705, Aug. 13, 1981, 95 Stat. 907; Pub. AMENDMENTS

2002—Subsec. (e)(1)(B). Pub. L. 107–251 substituted "titles XVIII, XIX, or XXI of the Social Security Act" for "titles XVIII or XIX of the Social Security Act".

1990—Subsecs. (a), (b)(1)(A), (2), (d). Pub. L. 101–597, §401(b)[(a)], substituted reference to health professional shortage area for reference to health manpower shortage area wherever appearing.

Subsec. (e)(1)(A). Pub. L. 101–597, §106, substituted "authorized Corps member admitting privileges" for "authorized physician or dentist member of the Corps admitting privileges".

1981—Subsec. (a)(2). Pub. L. 97–35, §2705(a), substituted provisions respecting cooperation with other health care providers, for provisions respecting direct health services programs.

Subsec. (c)(4). Pub. L. 97–35, §2705(b), struck out cl. (4) relating to appropriate continuing education programs.

§254h–1. Facilitation of effective provision of Corps services

(a) Consideration of individual characteristics of members in making assignments

In making an assignment of a Corps member to an entity that has had an application approved under section 254f of this title, the Secretary shall, subject to making the assignment in accordance with section 254f–1 of this title, seek to assign to the entity a Corps member who has (and whose spouse, if any, has) characteristics that increase the probability that the member will remain in the health professional shortage area involved after the completion of the period of service in the Corps.

(b) Counseling on service in Corps

(1) In general

The Secretary shall, subject to paragraph (3), offer appropriate counseling on service in the Corps to individuals during the period of membership in the Corps, particularly during the initial period of each assignment.

(2) Career advisor regarding obligated service

(A) In the case of individuals who have entered into contracts for obligated service under the Scholarship or Loan Repayment Program, counseling under paragraph (1) shall include appropriate counseling on matters particular to such obligated service. The Secretary shall ensure that career advisors for providing such counseling are available to such individuals throughout the period of participation in the Scholarship or Loan Repayment Program.

(B) With respect to the Scholarship Program, counseling under paragraph (1) shall include counseling individuals during the period in which the individuals are pursuing an educational degree in the health profession involved, including counseling to prepare the individual for service in the Corps.

(3) Extent of counseling services

With respect to individuals who have entered into contracts for obligated service under the Scholarship or Loan Repayment Program, this subsection shall be carried out regarding such individuals throughout the period of obligated service (and, additionally, throughout the period specified in paragraph (2)(B), in the case of the Scholarship Program). With respect to Corps members generally, this subsection shall be carried out to the extent practicable.

(c) Grants regarding preparation of students for practice

With respect to individuals who have entered into contracts for obligated service under the Scholarship or Loan Repayment Program, the Secretary may make grants to, and enter into contracts with, public and nonprofit private entities (including health professions schools) for the conduct of programs designed to prepare such individuals for the effective provision of primary health services in the health professional shortage areas to which the individuals are assigned.

(d) Professional development and training

(1) In general

The Secretary shall assist Corps members in establishing and maintaining professional relationships and development opportunities, including by—

(A) establishing appropriate professional relationships between the Corps member involved and the health professions community of the geographic area with respect to which the member is assigned;

(B) establishing professional development, training, and mentorship linkages between the Corps member involved and the larger health professions community, including through distance learning, direct mentorship, and development and implementation of training modules designed to meet the educational needs of offsite Corps members;

(C) establishing professional networks among Corps members; or

(D) engaging in other professional development, mentorship, and training activities for Corps members, at the discretion of the Secretary.

(2) Assistance in establishing professional relationships

In providing such assistance under paragraph (1), the Secretary shall focus on establishing relationships with hospitals, with academic medical centers and health professions schools, with area health education centers under section 294a of this title, with health education and training centers under section 294b ¹ of this title, and with border health education and training centers under such section 294b ¹ of this title. Such assistance shall include assistance in obtaining faculty appointments at health professions schools.

(3) Supplement not supplant

Such efforts under this subsection shall supplement, not supplant, non-government efforts by professional health provider societies to establish and maintain professional relationships and development opportunities.

(e) Temporary relief from Corps duties

(1) In general

The Secretary shall, subject to paragraph (4), provide assistance to Corps members in establishing arrangements through which Corps members may, as appropriate, be provided temporary relief from duties in the Corps in order to pursue continuing education in the health professions, to participate in exchange programs with teaching centers, to attend professional conferences, or to pursue other interests, including vacations.

(2) Assumption of duties of member

(A) Temporary relief under paragraph (1) may be provided only if the duties of the Corps member involved are assumed by another health professional. With respect to such temporary relief, the duties may be assumed by Corps members or by health professionals who are not Corps members, if the Secretary approves the professionals for such purpose. Any health professional so approved by the Secretary shall, during the period of providing such temporary relief, be deemed to be a Corps member for purposes of section 233 of this title (including for purposes of the remedy described in such section), section 254f(f) of this title, and section 254h(e) of this title.

(B) In carrying out paragraph (1), the Secretary shall provide for the formation and continued existence of a group of health professionals to provide temporary relief under such paragraph.

(3) Recruitment from general health professions community

In carrying out paragraph (1), the Secretary shall—

(A) encourage health professionals who are not Corps members to enter into arrangements under which the health professionals temporarily assume the duties of Corps members for purposes of paragraph (1); and

(B) with respect to the entities to which Corps members have been assigned under section 254f of this title, encourage the entities to facilitate the development of arrangements described in subparagraph (A).

(4) Limitation

In carrying out paragraph (1), the Secretary may not, except as provided in paragraph (5), obligate any amounts (other than for incidental expenses) for the purpose of—

(A) compensating a health professional who is not a Corps member for assuming the duties of a Corps member; or

(B) paying the costs of a vacation, or other interests that a Corps member may pursue during

the period of temporary relief under such paragraph.

(5) Sole providers of health services

In the case of any Corps member who is the sole provider of health services in the geographic area involved, the Secretary may, from amounts appropriated under section 254k of this title, obligate on behalf of the member such sums as the Secretary determines to be necessary for purposes of providing temporary relief under paragraph (1).

(f) Determinations regarding effective service

In carrying out subsection (a) and sections 254l(d) and 254l-1(d) of this title, the Secretary shall carry out activities to determine—

(1) the characteristics of physicians, dentists, and other health professionals who are more likely to remain in practice in health professional shortage areas after the completion of the period of service in the Corps;

(2) the characteristics of health manpower shortage areas, and of entities seeking assignments of Corps members, that are more likely to retain Corps members after the members have completed the period of service in the Corps; and

(3) the appropriate conditions for the assignment and utilization in health manpower shortage areas of certified nurse practitioners, certified nurse midwives, and physician assistants.

Section 294b of this title, referred to in subsec. (d)(2), was repealed and a new section 294b enacted by Pub. L. 111-148, title V, §5403(b), Mar. 23, 2010, 124 Stat. 648, and, as so enacted, no longer relates to health education and training centers.

PRIOR PROVISIONS

A prior section 336 of act July 1, 1944, was renumbered section 336A by Pub. L. 97-35, §2706(a), and is classified to section 254i of this title.

AMENDMENTS

2008—Subsec. (d). Pub. L. 110-355 amended subsec. (d) generally. Prior to amendment, text read as follows: "The Secretary shall assist Corps members in establishing appropriate professional relationships between the Corps member involved and the health professions community of the geographic area with respect to which the member is assigned, including such relationships with hospitals, with health professions schools, with area health education centers under section 295g-1 of this title, with health education and training centers under such section, and with border health education and training centers under such section. Such assistance shall include assistance in obtaining faculty appointments at health professions schools."

2002—Subsecs. (c), (f)(1). Pub. L. 107-251 substituted "health professional shortage areas" for "health manpower shortage areas".

1990—Pub. L. 101-597, §107, amended section generally. Prior to amendment, section read as follows:

"(a) The Secretary may make grants to and enter into contracts with public and private nonprofit entities for the conduct of programs which are designed to prepare individuals subject to a service obligation under the National Health Service Corps Scholarship Program or Loan Repayment Program to effectively provide health services in the health manpower shortage area to which they are assigned.

"(b) No grant may be made or contract entered into under subsection (a) of this section unless an application therefor is submitted to and approved by the Secretary. Such an application shall be in such form, submitted in such manner, and contain such information, as the Secretary shall by regulation prescribe."

Subsec. (a). Pub. L. 101-597, §401(b)[(a)], substituted "health professional shortage area" for "health manpower shortage area".

1987—Subsec. (a). Pub. L. 100–177 substituted "Scholarship Program or Loan Repayment Program" for "scholarship program".

1990—Pars. (1), (3), (5), (6). Pub. L. 101–597 substituted reference to health professional shortage area for reference to health manpower shortage area wherever appearing.

1982—Pub. L. 97–375 struck out "on May 1 of each year" after "report to Congress".

§254j. National Advisory Council on National Health Service Corps

(a) Establishment; appointment of members

There is established a council to be known as the National Advisory Council on the National Health Service Corps (hereinafter in this section referred to as the "Council"). The Council shall be

composed of not more than 15 members appointed by the Secretary. The Council shall consult with, advise, and make recommendations to, the Secretary with respect to his responsibilities in carrying out this subpart (other than section 254r ¹ of this title), and shall review and comment upon regulations promulgated by the Secretary under this subpart.

(b) Term of members; compensation; expenses

(1) Members of the Council shall be appointed for a term of three years, except that any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall be appointed for the remainder of such term. No member shall be removed, except for cause.

(2) Members of the Council (other than members who are officers or employees of the United States), while attending meetings or conferences thereof or otherwise serving on the business of the Council, shall be entitled to receive for each day (including traveltime) in which they are so serving compensation at a rate fixed by the Secretary (but not to exceed the daily equivalent of the annual rate of basic pay in effect for grade GS-18 of the General Schedule); and while so serving away from their homes or regular places of business all members may be allowed travel expenses, including per diem in lieu of subsistence, as authorized by section 5703 of title 5 for persons in the Government Service employed intermittently.

(c) Termination

Section 1013 of title 5 shall not apply with respect to the Council.

SUBPART III—SCHOLARSHIP PROGRAM AND LOAN REPAYMENT

PROGRAM

EDITORIAL NOTES

CODIFICATION

Pub. L. 100–177, title II, §202(f), Dec. 1, 1987, 101 Stat. 999, inserted subpart III heading and redesignated former subpart III as IV.

§254l. National Health Service Corps Scholarship Program

(a) Establishment

The Secretary shall establish the National Health Service Corps Scholarship Program to assure, with respect to the provision of primary health services pursuant to section 254d(a)(2) of this title—

- (1) an adequate supply of physicians, dentists, behavioral and mental health professionals, certified nurse midwives, certified nurse practitioners, and physician assistants; and
- (2) if needed by the Corps, an adequate supply of other health professionals.

(b) Eligibility; application; written contract

To be eligible to participate in the Scholarship Program, an individual must—

(1) be accepted for enrollment, or be enrolled, as a full-time student (A) in an accredited (as determined by the Secretary) educational institution in a State and (B) in a course of study or program, offered by such institution and approved by the Secretary, leading to a degree in medicine, osteopathic medicine, dentistry, or other health profession, or an appropriate degree from a graduate program of behavioral and mental health;

(2) be eligible for, or hold, an appointment as a commissioned officer in the Regular or Reserve Corps ¹ of the Service or be eligible for selection for civilian service in the Corps;

(3) submit an application to participate in the Scholarship Program; and

(4) sign and submit to the Secretary, at the time of submittal of such application, a written contract (described in subsection (f)) to accept payment of a scholarship and to serve (in accordance with this subpart) for the applicable period of obligated service in a health professional shortage area.

(c) Review and evaluation of information and forms by prospective applicant

(1) In disseminating application forms and contract forms to individuals desiring to participate in the Scholarship Program, the Secretary shall include with such forms—

(A) a fair summary of the rights and liabilities of an individual whose application is approved (and whose contract is accepted) by the Secretary, including in the summary a clear explanation of the damages to which the United States is entitled under section 254o of this title in the case of the individual's breach of the contract; and

(B) information respecting meeting a service obligation through private practice under an agreement under section 254n of this title and such other information as may be necessary for the individual to understand the individual's prospective participation in the Scholarship Program and service in the Corps, including a statement of all factors considered in approving applications for participation in the Program and in making assignments for participants in the Program.

(2) The application form, contract form, and all other information furnished by the Secretary under this subpart shall be written in a manner calculated to be understood by the average individual applying to participate in the Scholarship Program. The Secretary shall make such application forms, contract forms, and other information available to individuals desiring to participate in the Scholarship Program on a date sufficiently early to insure that such individuals have adequate time to carefully review and evaluate such forms and information.

(3)(A) The Secretary shall distribute to health professions schools materials providing information on the Scholarship Program and shall encourage the schools to disseminate the materials to the

students of the schools.

(B)(i) In the case of any health professional whose period of obligated service under the Scholarship Program is nearing completion, the Secretary shall encourage the individual to remain in a health professional shortage area and to continue providing primary health services.

(ii) During the period in which a health professional is planning and making the transition to private practice from obligated service under the Scholarship Program, the Secretary may provide assistance to the professional regarding such transition if the professional is remaining in a health professional shortage area and is continuing to provide primary health services.

(C) In the case of entities to which participants in the Scholarship Program are assigned under section 254f of this title, the Secretary shall encourage the entities to provide options with respect to assisting the participants in remaining in the health professional shortage areas involved, and in continuing to provide primary health services, after the period of obligated service under the Scholarship Program is completed. The options with respect to which the Secretary provides such encouragement may include options regarding the sharing of a single employment position in the health professions by 2 or more health professionals, and options regarding the recruitment of couples where both of the individuals are health professionals.

(d) Factors considered in providing contracts; priorities

(1) Subject to section 254f–1 of this title, in providing contracts under the Scholarship Program—

(A) the Secretary shall consider the extent of the demonstrated interest of the applicants for the contracts in providing primary health services;

(B) the Secretary, in considering applications from individuals accepted for enrollment or enrolled in dental school, shall consider applications from all individuals accepted for enrollment or enrolled in any accredited dental school in a State; and

(C) may ² consider such other factors regarding the applicants as the Secretary determines to be relevant to selecting qualified individuals to participate in such Program.

(2) In providing contracts under the Scholarship Program, the Secretary shall give priority—

(A) first, to any application for such a contract submitted by an individual who has previously received a scholarship under this section or under section 294z ³ of this title;

(B) second, to any application for such a contract submitted by an individual who has characteristics that increase the probability that the individual will continue to serve in a health professional shortage area after the period of obligated service pursuant to subsection (f) is completed; and

(C) third, subject to subparagraph (B), to any application for such a contract submitted by an individual who is from a disadvantaged background.

(e) Commencement of participation in Scholarship Program; notice

(1) An individual becomes a participant in the Scholarship Program only upon the Secretary's approval of the individual's application submitted under subsection (b)(3) and the Secretary's acceptance of the contract submitted by the individual under subsection (b)(4).

(2) The Secretary shall provide written notice to an individual promptly upon the Secretary's approving, under paragraph (1), of the individual's participation in the Scholarship Program.

(f) Written contract; contents

The written contract (referred to in this subpart) between the Secretary and an individual shall contain—

(1) an agreement that—

(A) subject to paragraph (2), the Secretary agrees (i) to provide the individual with a scholarship (described in subsection (g)) in each such school year or years for a period of years (not to exceed four school years) determined by the individual, during which period the individual is pursuing a course of study described in subsection (b)(1)(B), and (ii) to accept

(subject to the availability of appropriated funds for carrying out sections 254d through 254h and section 254j of this title) the individual into the Corps (or for equivalent service as otherwise provided in this subpart); and

(B) subject to paragraph (2), the individual agrees—

(i) to accept provision of such a scholarship to the individual;

(ii) to maintain enrollment in a course of study described in subsection (b)(1)(B) until the individual completes the course of study;

(iii) while enrolled in such course of study, to maintain an acceptable level of academic standing (as determined under regulations of the Secretary by the educational institution offering such course of study);

(iv) if pursuing a degree from a school of medicine or osteopathic medicine, to complete a residency in a specialty that the Secretary determines is consistent with the needs of the Corps; and

(v) to serve for a time period (hereinafter in the subpart referred to as the "period of obligated service") equal to—

(I) one year for each school year for which the individual was provided a scholarship under the Scholarship Program, or

(II) two years,

whichever is greater, as a provider of primary health services in a health professional shortage area (designated under section 254e of this title) to which he is assigned by the Secretary as a member of the Corps, or as otherwise provided in this subpart;

(2) a provision that any financial obligation of the United States arising out of a contract entered into under this subpart and any obligation of the individual which is conditioned thereon, is contingent upon funds being appropriated for scholarships under this subpart and to carry out the purposes of sections 254d through 254h and sections 254j and 254k of this title;

(3) a statement of the damages to which the United States is entitled, under section 254o of this title, for the individual's breach of the contract; and

(4) such other statements of the rights and liabilities of the Secretary and of the individual, not inconsistent with the provisions of this subpart.

(g) Scholarship provisions; contract with educational institution; increase in monthly stipend

(1) A scholarship provided to a student for a school year under a written contract under the Scholarship Program shall consist of—

(A) payment to, or (in accordance with paragraph (2)) on behalf of, the student of the amount (except as provided in section 292k ² of this title) of—

(i) the tuition of the student in such school year; and

(ii) all other reasonable educational expenses, including fees, books, and laboratory expenses, incurred by the student in such school year; and

(B) payment to the student of a stipend of \$400 per month (adjusted in accordance with paragraph (3)) for each of the 12 consecutive months beginning with the first month of such school year.

(2) The Secretary may contract with an educational institution, in which a participant in the Scholarship Program is enrolled, for the payment to the educational institution of the amounts of tuition and other reasonable educational expenses described in paragraph (1)(A). Payment to such an educational institution may be made without regard to section 3324(a) and (b) of title 31.

(3) The amount of the monthly stipend, specified in paragraph (1)(B) and as previously adjusted (if at all) in accordance with this paragraph, shall be increased by the Secretary for each school year ending in a fiscal year beginning after September 30, 1978, by an amount (rounded to the next highest multiple of \$1) equal to the amount of such stipend multiplied by the overall percentage

(under section 5303 of title 5) of the adjustment (if such adjustment is an increase) in the rates of pay under the General Schedule made effective in the fiscal year in which such school year ends.

(h) Employment ceiling of Department unaffected

Notwithstanding any other provision of law, individuals who have entered into written contracts with the Secretary under this section, while undergoing academic training, shall not be counted against any employment ceiling affecting the Department.

§254l–1. National Health Service Corps Loan Repayment Program

(a) Establishment

The Secretary shall establish a program to be known as the National Health Service Corps Loan Repayment Program to assure, with respect to the provision of primary health services pursuant to section 254d(a)(2) of this title—

- (1) an adequate supply of physicians, dentists, behavioral and mental health professionals, certified nurse midwives, certified nurse practitioners, and physician assistants; and
- (2) if needed by the Corps, an adequate supply of other health professionals.

(b) Eligibility

To be eligible to participate in the Loan Repayment Program, an individual must—

- (1)(A) have a degree in medicine, osteopathic medicine, dentistry, or another health profession, or an appropriate degree from a graduate program of behavioral and mental health, or be certified as a nurse midwife, nurse practitioner, or physician assistant;
- (B) be enrolled in an approved graduate training program in medicine, osteopathic medicine, dentistry, behavioral and mental health, or other health profession; or
- (C) be enrolled as a full-time student—
 - (i) in an accredited (as determined by the Secretary) educational institution in a State; and
 - (ii) in the final year of a course of a study or program, offered by such institution and approved by the Secretary, leading to a degree in medicine, osteopathic medicine, dentistry, or other health profession;

(2) be eligible for, or hold, an appointment as a commissioned officer in the Regular or Reserve Corps ¹ of the Service or be eligible for selection for civilian service in the Corps; and

(3) submit to the Secretary an application for a contract described in subsection (f) (relating to the payment by the Secretary of the educational loans of the individual in consideration of the individual serving for a period of obligated service).

(c) Information to be included with application and contract forms; understandability; availability

(1) Summary and information

In disseminating application forms and contract forms to individuals desiring to participate in the Loan Repayment Program, the Secretary shall include with such forms—

(A) a fair summary of the rights and liabilities of an individual whose application is approved (and whose contract is accepted) by the Secretary, including in the summary a clear explanation of the damages to which the United States is entitled under section 254o of this title in the case of the individual's breach of the contract; and

(B) information respecting meeting a service obligation through private practice under an agreement under section 254n of this title and such other information as may be necessary for the individual to understand the individual's prospective participation in the Loan Repayment Program and service in the Corps.

(2) Understandability

The application form, contract form, and all other information furnished by the Secretary under this subpart shall be written in a manner calculated to be understood by the average individual applying to participate in the Loan Repayment Program.

(3) Availability

The Secretary shall make such application forms, contract forms, and other information available to individuals desiring to participate in the Loan Repayment Program on a date sufficiently early to ensure that such individuals have adequate time to carefully review and evaluate such forms and information.

(4) Recruitment and retention

(A) The Secretary shall distribute to health professions schools materials providing information on the Loan Repayment Program and shall encourage the schools to disseminate the materials to the students of the schools.

(B)(i) In the case of any health professional whose period of obligated service under the Loan Repayment Program is nearing completion, the Secretary shall encourage the individual to remain in a health professional shortage area and to continue providing primary health services.

(ii) During the period in which a health professional is planning and making the transition to private practice from obligated service under the Loan Repayment Program, the Secretary may provide assistance to the professional regarding such transition if the professional is remaining in a health professional shortage area and is continuing to provide primary health services.

(C) In the case of entities to which participants in the Loan Repayment Program are assigned under section 254f of this title, the Secretary shall encourage the entities to provide options with respect to assisting the participants in remaining in the health professional shortage areas involved, and in continuing to provide primary health services, after the period of obligated service under the Loan Repayment Program is completed. The options with respect to which the Secretary provides such encouragement may include options regarding the sharing of a single employment position in the health professions by 2 or more health professionals, and options regarding the recruitment of couples where both of the individuals are health professionals.

(d) Factors considered in providing contracts; priorities

(1) Subject to section 254f–1 of this title, in providing contracts under the Loan Repayment Program—

(A) the Secretary shall consider the extent of the demonstrated interest of the applicants for the contracts in providing primary health services; and

(B) may consider such other factors regarding the applicants as the Secretary determines to be relevant to selecting qualified individuals to participate in such Program.

(2) In providing contracts under the Loan Repayment Program, the Secretary shall give priority—

(A) to any application for such a contract submitted by an individual whose training is in a health profession or specialty determined by the Secretary to be needed by the Corps;

(B) to any application for such a contract submitted by an individual who has (and whose spouse, if any, has) characteristics that increase the probability that the individual will continue to serve in a health professional shortage area after the period of obligated service pursuant to subsection (f) is completed; and

(C) subject to subparagraph (B), to any application for such a contract submitted by an individual who is from a disadvantaged background.

(e) Approval required for participation

An individual becomes a participant in the Loan Repayment Program only upon the Secretary and the individual entering into a written contract described in subsection (f).

(f) Contents of contracts

The written contract (referred to in this subpart) between the Secretary and an individual shall contain—

(1) an agreement that—

(A) subject to paragraph (3), the Secretary agrees—

(i) to pay on behalf of the individual loans in accordance with subsection (g); and

(ii) to accept (subject to the availability of appropriated funds for carrying out sections 254d through 254h of this title and section 254j of this title) the individual into the Corps (or for equivalent service as otherwise provided in this subpart); and

(B) subject to paragraph (3), the individual agrees—

(i) to accept loan payments on behalf of the individual;

(ii) in the case of an individual described in subsection (b)(1)(C), to maintain enrollment in a course of study or training described in such subsection until the individual completes the course of study or training;

(iii) in the case of an individual described in subsection (b)(1)(C), while enrolled in such course of study or training, to maintain an acceptable level of academic standing (as determined under regulations of the Secretary by the educational institution offering such course of study or training); and

(iv) to serve for a time period (hereinafter in this subpart referred to as the "period of obligated service") equal to 2 years or such longer period as the individual may agree to, as a provider of primary health services in a health professional shortage area (designated under section 254e of this title) to which such individual is assigned by the Secretary as a member of the Corps or released under section 254n of this title;

(2) a provision permitting the Secretary to extend for such longer additional periods, as the individual may agree to, the period of obligated service agreed to by the individual under paragraph (1)(B)(iv), including extensions resulting in an aggregate period of obligated service in excess of 4 years;

(3) a provision that any financial obligation of the United States arising out of a contract entered into under this subpart and any obligation of the individual that is conditioned thereon, is contingent on funds being appropriated for loan repayments under this subpart and to carry out the purposes of sections 254d through 254h of this title and sections 254j and 254k of this title;

(4) a statement of the damages to which the United States is entitled, under section 254o of this title for the individual's breach of the contract; and

(5) such other statements of the rights and liabilities of the Secretary and of the individual, not inconsistent with this subpart.

(g) Payments

(1) In general

A loan repayment provided for an individual under a written contract under the Loan Repayment Program shall consist of payment, in accordance with paragraph (2), on behalf of the individual of the principal, interest, and related expenses on government and commercial loans received by the individual regarding the undergraduate or graduate education of the individual (or both), which loans were made for—

- (A) tuition expenses;
- (B) all other reasonable educational expenses, including fees, books, and laboratory expenses, incurred by the individual; or
- (C) reasonable living expenses as determined by the Secretary.

(2) Payments for years served

(A) In general

For each year of obligated service that an individual contracts to serve under subsection (f) the Secretary may pay up to \$50,000, plus, beginning with fiscal year 2012, an amount determined by the Secretary on an annual basis to reflect inflation, on behalf of the individual for loans described in paragraph (1). In making a determination of the amount to pay for a year of such service by an individual, the Secretary shall consider the extent to which each such determination—

- (i) affects the ability of the Secretary to maximize the number of contracts that can be provided under the Loan Repayment Program from the amounts appropriated for such contracts;
- (ii) provides an incentive to serve in health professional shortage areas with the greatest such shortages; and
- (iii) provides an incentive with respect to the health professional involved remaining in a health professional shortage area, and continuing to provide primary health services, after the completion of the period of obligated service under the Loan Repayment Program.

(B) Repayment schedule

Any arrangement made by the Secretary for the making of loan repayments in accordance with this subsection shall provide that any repayments for a year of obligated service shall be made no later than the end of the fiscal year in which the individual completes such year of service.

(3) Tax liability

For the purpose of providing reimbursements for tax liability resulting from payments under paragraph (2) on behalf of an individual—

- (A) the Secretary shall, in addition to such payments, make payments to the individual in an amount equal to 39 percent of the total amount of loan repayments made for the taxable year involved; and
- (B) may make such additional payments as the Secretary determines to be appropriate with respect to such purpose.

(4) Payment schedule

The Secretary may enter into an agreement with the holder of any loan for which payments are made under the Loan Repayment Program to establish a schedule for the making of such payments.

(h) Employment ceiling

Notwithstanding any other provision of law, individuals who have entered into written contracts with the Secretary under this section, while undergoing academic or other training, shall not be

counted against any employment ceiling affecting the Department.

EDITORIAL NOTES

PRIOR PROVISIONS

A prior section 338B of act July 1, 1944, was renumbered section 338C by section 201(2) of Pub. L. 100–177 and is classified to section 254m of this title.

AMENDMENTS

2010—Subsec. (g)(2)(A). Pub. L. 111–148 substituted "\$50,000, plus, beginning with fiscal year 2012, an amount determined by the Secretary on an annual basis to reflect inflation," for "\$35,000" in introductory provisions.

2003—Subsec. (e). Pub. L. 108–163 made technical amendment.

2002—Subsec. (a)(1). Pub. L. 107–251, §310(1)(A), inserted "behavioral and mental health professionals," after "dentists,".

Subsec. (a)(2). Pub. L. 107–251, §310(1)(B), struck out "(including mental health professionals)" before period at end.

Subsec. (b)(1)(A). Pub. L. 107–251, §310(2), added subpar. (A) and struck out former subpar. (A) which read as follows: "must have a degree in medicine, osteopathic medicine, dentistry, or other health profession, or be certified as a nurse midwife, nurse practitioner, or physician assistant;".

Subsec. (e)(1). Pub. L. 107–251, §310(3), struck out par. (1) designation and heading.

Subsec. (i). Pub. L. 107–251, §310(4), struck out subsec. (i), which required an annual report to Congress about the Loan Repayment Program.

1998—Subsec. (b)(1)(B). Pub. L. 105–392 substituted "behavioral and mental health, or other health profession" for "or other health profession".

1990—Subsec. (a). Pub. L. 101–597, §202(a)(1), substituted "Corps Loan Repayment Program to assure, with respect to the provision of primary health services pursuant to section 254d(a)(2) of this title—" and pars. (1) and (2) for "Corps Loan Repayment Program (hereinafter in this subpart referred to as the 'Loan Repayment Program') in order to assure—

"(1) an adequate supply of trained physicians, dentists, and nurses for the Corps; and

"(2) if needed by the Corps, an adequate supply of podiatrists, optometrists, pharmacists, clinical psychologists, graduates of schools of veterinary medicine, graduates of schools of public health, graduates of programs in health administration, graduates of programs for the training of physician assistants, expanded function dental auxiliaries, and nurse practitioners (as defined in section 296m of this title), and other health professionals."

Subsec. (b)(1). Pub. L. 101–597, §202(b)(1)(A), amended par. (1) generally. Prior to amendment, par. (1) read as follows:

"(A) be enrolled—

"(i) as a full-time student—

"(I) in an accredited (as determined by the Secretary) educational institution in a State; and

"(II) in the final year of a course of study or program, offered by such institution and approved by the Secretary, leading to a degree in medicine, osteopathic medicine, dentistry, or other health profession; or

"(ii) in an approved graduate training program in medicine, osteopathic medicine, dentistry, or other health profession; or

"(B) have—

"(i) a degree in medicine, osteopathic medicine, dentistry, or other health profession;

"(ii) completed an approved graduate training program in medicine, osteopathic medicine, dentistry, or other health profession in a State, except that the Secretary may waive the completion requirement of this clause for good cause; and

"(iii) a license to practice medicine, osteopathic medicine, dentistry, or other health profession in a

State;"

Subsec. (b)(2) to (4). Pub. L. 101-597, §202(b)(2)(A), inserted "and" at end of par. (2), added par. (3), and struck out former pars. (3) and (4) which read as follows:

"(3) submit an application to participate in the Loan Repayment Program; and

"(4) sign and submit to the Secretary, at the time of the submission of such application, a written contract (described in subsection (f) of this section) to accept repayment of educational loans and to serve (in accordance with this subpart) for the applicable period of obligated service in a health manpower shortage area."

Subsec. (c)(4). Pub. L. 101-597, §401(b)[(a)], substituted reference to health professional shortage area for reference to health manpower shortage area in subpars. (B) and (C).

Pub. L. 101-597, §202(c), added par. (4).

Subsec. (d). Pub. L. 101-597, §401(b)[(a)], substituted reference to health professional shortage area for reference to health manpower shortage area in par. (2)(B).

Pub. L. 101-597, §202(d), amended subsec. (d) generally. Prior to amendment, subsec. (d) read as follows: "In determining which applications under the Loan Repayment Program to approve (and which contracts to accept), the Secretary shall give priority to applications made by—

"(1) individuals whose training is in a health profession or specialty determined by the Secretary to be needed by the Corps; and

"(2) individuals who are committed to service in medically underserved areas."

Subsec. (e). Pub. L. 101-597, §202(b)(2)(B), substituted "only upon the Secretary and the individual entering into a written contract described in subsection (f)." for "only on the Secretary's approval of the individual's application submitted under subsection (b)(3) of this section and the Secretary's acceptance of the contract submitted by the individual under subsection (b)(4) of this section." in par. (1) and struck out par. (2) which read as follows: "The Secretary shall provide written notice to an individual promptly on—

"(A) the Secretary's approving, under paragraph (1), of the individual's participation in the Loan Repayment Program; or

"(B) the Secretary's disapproving an individual's participation in such Program."

Subsec. (f)(1)(B)(ii), (iii). Pub. L. 101-597, §202(b)(1)(B), substituted "subsection (b)(1)(C)" for "subsection (b)(1)(A)".

Subsec. (f)(1)(B)(iv). Pub. L. 101-597, §401(b)[(a)], substituted reference to health professional shortage area for reference to health manpower shortage area.

Pub. L. 101-597, §202(a)(2), inserted "as a provider of primary health services" before "in a health".

Subsec. (f)(2). Pub. L. 101-597, §202(e), inserted before semicolon at end ", including extensions resulting in an aggregate period of obligated service in excess of 4 years".

Subsec. (g)(1). Pub. L. 101-597, §202(f)(1), inserted "regarding the undergraduate or graduate education of the individual (or both), which loans were made" after "loans received by the individual".

Subsec. (g)(2)(A). Pub. L. 101-597, §401(b)[(a)], substituted reference to health professional shortage area for reference to health manpower shortage area in cls. (ii) and (iii).

Pub. L. 101-597, §202(f)(2)(A), substituted "For each year" for "Except as provided in subparagraph (B) and paragraph (3), for each year" and "\$35,000" for "\$20,000", inserted at end "In making a determination of the amount to pay for a year of such service by an individual, the Secretary shall consider the extent to which each such determination—", and added immediately thereafter cls. (i) to (iii).

Subsec. (g)(2)(B), (C). Pub. L. 101-597, §202(f)(2)(B), redesignated subpar. (C) as (B) and struck out former subpar. (B) which read as follows: "For each year of obligated service that an individual contracts under subsection (f) of this section to serve in the Indian Health Service, or to serve in a health program or facility operated by a tribe or tribal organization under the Indian Self-Determination Act (25 U.S.C. 450f et seq.), the Secretary may pay up to \$25,000 on behalf of the individual for loans described in paragraph (1)."

Subsec. (g)(3). Pub. L. 101-597, §202(g)(1), amended par. (3) generally. Prior to amendment, par. (3) read as follows: "In addition to payments made under paragraph (2), in any case in which payments on behalf of an individual under the Loan Repayment Program result in an increase in Federal, State, or local income tax liability for such individual, the Secretary may, on the request of such individual, make payments to such individual in a reasonable amount, as determined by the Secretary, to reimburse such individual for all or part of the increased tax liability of the individual."

Subsec. (i). Pub. L. 101-597, §401(b)[(a)], substituted reference to health professional shortage area for reference to health manpower shortage area in par. (8).

Pub. L. 101-597, §202(h), amended subsec. (i) generally. Prior to amendment, subsec. (i) read as follows: "The Secretary shall, not later than March 1 of each year, submit to the Congress a report specifying—

"(1) the number, and type of health profession training, of individuals receiving loan payments under

the Loan Repayment Program;

"(2) the educational institution at which such individuals are receiving their training;

"(3) the number of applications filed under this section in the school year beginning in such year and in prior school years; and

"(4) the amount of loan payments made in the year reported on."

1988—Subsec. (b)(1). Pub. L. 100–607 substituted "osteopathic medicine" for "osteopathy" wherever appearing.

§254m. Obligated service under contract

(a) Service in full-time clinical practice

Except as provided in section 254n of this title, each individual who has entered into a written contract with the Secretary under section 254l or 254l–1 of this title shall provide service in the full-time clinical practice of such individual's profession as a member of the Corps for the period of obligated service provided in such contract. The Secretary may treat teaching as clinical practice for up to 20 percent of such period of obligated service. Notwithstanding the preceding sentence, with respect to a member of the Corps participating in the teaching health centers graduate medical education program under section 256h of this title, for the purpose of calculating time spent in full-time clinical practice under this section, up to 50 percent of time spent teaching by such member may be counted toward his or her service obligation.

(b) Notice to individual; information for informed decision; eligibility; notice to Secretary; qualification and appointment as commissioned officer; appointment as civilian member; designation of non-United States employee as member; deferment of obligated service

(1) If an individual is required under subsection (a) to provide service as specified in section 2541(f)(1)(B)(v) or 2541–1(f)(1)(B)(iv) of this title (hereinafter in this subsection referred to as "obligated service"), the Secretary shall, not later than ninety days before the date described in paragraph (5), determine if the individual shall provide such service—

- (A) as a member of the Corps who is a commissioned officer in the Regular or Reserve Corps¹ of the Service or who is a civilian employee of the United States, or
- (B) as a member of the Corps who is not such an officer or employee,

and shall notify such individual of such determination.

(2) If the Secretary determines that an individual shall provide obligated service as a member of the Corps who is a commissioned officer in the Service or a civilian employee of the United States, the Secretary shall, not later than sixty days before the date described in paragraph (5), provide such individual with sufficient information regarding the advantages and disadvantages of service as such a commissioned officer or civilian employee to enable the individual to make a decision on an informed basis. To be eligible to provide obligated service as a commissioned officer in the Service, an individual shall notify the Secretary, not later than thirty days before the date described in paragraph (5), of the individual's desire to provide such service as such an officer. If an individual qualifies for an appointment as such an officer, the Secretary shall, as soon as possible after the date described in paragraph (5), appoint the individual as a commissioned officer of the Regular or Reserve Corps¹ of the Service and shall designate the individual as a member of the Corps.

(3) If an individual provided notice by the Secretary under paragraph (2) does not qualify for appointment as a commissioned officer in the Service, the Secretary shall, as soon as possible after the date described in paragraph (5), appoint such individual as a civilian employee of the United States and designate the individual as a member of the Corps.

(4) If the Secretary determines that an individual shall provide obligated service as a member of the Corps who is not an employee of the United States, the Secretary shall, as soon as possible after the date described in paragraph (5), designate such individual as a member of the Corps to provide such service.

(5)(A) In the case of the Scholarship Program, the date referred to in paragraphs (1) through (4) shall be the date on which the individual completes the training required for the degree for which the individual receives the scholarship, except that—

- (i) for an individual receiving such a degree after September 30, 2000, from a school of medicine or osteopathic medicine, such date shall be the date the individual completes a residency in a specialty that the Secretary determines is consistent with the needs of the Corps; and
- (ii) at the request of an individual, the Secretary may, consistent with the needs of the Corps, defer such date until the end of a period of time required for the individual to complete advanced training (including an internship or residency).

(B) No period of internship, residency, or other advanced clinical training shall be counted toward satisfying a period of obligated service under this subpart.

(C) In the case of the Loan Repayment Program, if an individual is required to provide obligated service under such Program, the date referred to in paragraphs (1) through (4)—

- (i) shall be the date determined under subparagraph (A) in the case of an individual who is enrolled in the final year of a course of study;
- (ii) shall, in the case of an individual who is enrolled in an approved graduate training program in medicine, osteopathic medicine, dentistry, or other health profession, be the date the individual completes such training program; and
- (iii) shall, in the case of an individual who has a degree in medicine, osteopathic medicine, dentistry, or other health profession and who has completed graduate training, be the date the individual enters into an agreement with the Secretary under section 2541–1 of this title.

(c) Obligated service period; commencement

An individual shall be considered to have begun serving a period of obligated service—

(1) on the date such individual is appointed as an officer in a Regular or Reserve Corps ¹ of the Service or is designated as a member of the Corps under subsection (b)(3) or (b)(4), or

(2) in the case of an individual who has entered into an agreement with the Secretary under section 254n of this title, on the date specified in such agreement,

whichever is earlier.

(d) Assignment of personnel

The Secretary shall assign individuals performing obligated service in accordance with a written contract under the Scholarship Program to health professional shortage areas in accordance with sections 254d through 254h and sections 254j and 254k of this title. If the Secretary determines that there is no need in a health professional shortage area (designated under section 254e of this title) for a member of the profession in which an individual is obligated to provide service under a written contract and if such individual is an officer in the Service or a civilian employee of the United States, the Secretary may detail such individual to serve his period of obligated service as a full-time member of such profession in such unit of the Department as the Secretary may determine.

EDITORIAL NOTES

CODIFICATION

Section was formerly classified to section 294u of this title prior to its renumbering by Pub. L. 97–35.

PRIOR PROVISIONS

A prior section 338C of act July 1, 1944, was renumbered section 338D by section 201(2) of Pub. L. 100–177 and is classified to section 254n of this title.

AMENDMENTS

2010—Subsec. (a). Pub. L. 111–148, §10501(n)(5), in second sentence, substituted "The Secretary may treat teaching as clinical practice for up to 20 percent of such period of obligated service" for "For the purpose of calculating time spent in full-time clinical practice under this subsection, up to 50 percent of time spent teaching by a member of the Corps may be counted toward his or her service obligation" and inserted at end "Notwithstanding the preceding sentence, with respect to a member of the Corps participating in the teaching health centers graduate medical education program under section 256h of this title, for the purpose of calculating time spent in full-time clinical practice under this section, up to 50 percent of time spent teaching by such member may be counted toward his or her service obligation."

Pub. L. 111–148, §5508(b), amended subsec. (a) generally. Prior to amendment, text read as follows: "Except as provided in section 254n of this title, each individual who has entered into a written contract with the Secretary under section 254l or 254l–1 of this title shall provide service in the full-time clinical practice of such individual's profession as a member of the Corps for the period of obligated service provided in such contract."

2002—Subsec. (b)(1). Pub. L. 107–251, §311(1)(A), substituted "section 254l(f)(1)(B)(v)" for "254l(f)(1)(B)(iv)" in introductory provisions.

Subsec. (b)(5)(A). Pub. L. 107–251, §311(1)(B)(i), added subpar. (A) and struck out former subpar. (A) which read as follows: "In the case of the Scholarship Program, with respect to an individual receiving a degree from a school of medicine, osteopathic medicine, dentistry, veterinary medicine, optometry, podiatry, or pharmacy, the date referred to in paragraphs (1) through (4) shall be the date on which the individual completes the training required for such degree, except that—

"(i) at the request of such an individual with whom the Secretary has entered into a contract under section 254l of this title prior to October 1, 1985, the Secretary shall defer such date until the end of the period of time (not to exceed the number of years specified in subparagraph (B) or such greater period as the Secretary, consistent with the needs of the Corps, may authorize) required for the individual to complete an internship, residency, or other advanced clinical training; and

"(ii) at the request of such an individual with whom the Secretary has entered into a contract under section 254l of this title on or after October 1, 1985, the Secretary may defer such date in accordance with clause (i)."

Subsec. (b)(5)(B). Pub. L. 107-251, §311(1)(B)(i), (iii), redesignated subpar. (C) as (B) and struck out former subpar. (B) which read as follows:

"(B)(i) In the case of the Scholarship Program, with respect to an individual receiving a degree from a school of medicine, osteopathic medicine, or dentistry, the number of years referred to in subparagraph (A)(i) shall be 3 years.

"(ii) In the case of the Scholarship Program, with respect to an individual receiving a degree from a school of veterinary medicine, optometry, podiatry, or pharmacy, the number of years referred to in subparagraph (A)(i) shall be 1 year."

Subsec. (b)(5)(C). Pub. L. 107-251, §311(1)(B)(iii), redesignated subpar. (E) as (C). Former subpar. (C) redesignated (B).

Subsec. (b)(5)(C)(i). Pub. L. 107-251, §311(1)(B)(iv), substituted "subparagraph (A)" for "subparagraph (A), (B), or (D)".

Subsec. (b)(5)(D). Pub. L. 107-251, §311(1)(B)(ii), struck out subpar. (D) which read as follows: "In the case of the Scholarship Program, with respect to an individual receiving a degree from an institution other than a school referred to in subparagraph (A), the date referred to in paragraphs (1) through (4) shall be the date on which the individual completes the academic training of the individual leading to such degree."

Subsec. (b)(5)(E). Pub. L. 107-251, §311(1)(B)(iii), redesignated subpar. (E) as (C).

Subsec. (e). Pub. L. 107-251, §311(2), struck out subsec. (e) which related to service under National Research Service Award program as credit against obligated service time.

1990—Subsec. (d). Pub. L. 101-597 substituted reference to health professional shortage area for reference to health manpower shortage area wherever appearing.

1988—Subsec. (b)(5). Pub. L. 100-607 substituted "osteopathic medicine" for "osteopathy" wherever appearing.

1987—Subsec. (a). Pub. L. 100-177, §306(1), inserted "or 254l-1", and made technical amendment to reference to section 254n of this title to reflect renumbering of corresponding section of original act.

Subsec. (b)(1). Pub. L. 100-177, §306(2), inserted reference to section 254l-1(f)(1)(B)(iv).

Subsec. (b)(5). Pub. L. 100-177, §306(3), substituted par. (5) consisting of subpars. (A) to (E) for former par. (5) consisting of subpars. (A) and (B).

Subsec. (c)(2). Pub. L. 100-177, §306(4), made technical amendment to reference to section 254n of this title to reflect renumbering of corresponding section of original act.

1983—Subsec. (e). Pub. L. 97-414 inserted "or under section 234 of this title as in effect on September 30, 1977" after "Scholarship Program".

1981—Subsec. (a). Pub. L. 97-35, §2709(c)(1), substituted "254n" for "294v" and "254l" for "294t".

Subsec. (b). Pub. L. 97-35, §2709(c)(2), substituted provisions relating to notice, information, etc., for individuals required to give obligated service, for provisions relating to notice, information, etc., for individuals required to provide service under the Scholarship Program.

Subsec. (c). Pub. L. 97-35, §2709(c)(3), (4), in par. (1) inserted reference to designation under subsec. (b)(3) or (4) of this section, and in par. (2) substituted "254n" for "294v".

Subsec. (d). Pub. L. 97-35, §2709(c)(5), inserted provision relating to individuals who are officers in the Service or civilian employees of the United States, and substituted reference to sections 254d to 254h, 254j, and 254k of this title, for reference to subpart II of part D of subchapter II of this chapter.

Subsec. (e). Pub. L. 97-35, §2709(c)(6), substituted provisions respecting mandatory determination of service requirement, for provisions respecting discretionary determination of service requirement.

1979—Subsec. (b)(5)(A). Pub. L. 96-76, §202(a), (b)(1), (2), inserted provisions authorizing a greater period than three years for individuals receiving degrees from schools of medicine, osteopathy, and dentistry, and provisions respecting individuals receiving degrees from schools of veterinary medicine, optometry, podiatry, and pharmacy, and substituted "No period" for "No such period".

Subsec. (b)(5)(B). Pub. L. 96-76, §202(b)(3), substituted "referred to in subparagraph (A)" for "of medicine, osteopathy, or dentistry".

1978—Subsec. (d). Pub. L. 95-626 substituted "subpart II of part D" for "subpart II of part C".

§254n. Private practice

(a) Application for release of obligations; conditions

The Secretary shall, to the extent permitted by, and consistent with, the requirements of applicable State law, release an individual from all or part of his service obligation under section 254m(a) of this title or under section 234¹ of this title (as in effect on September 30, 1977) if the individual applies for such a release under this section and enters into a written agreement with the Secretary under which the individual agrees to engage for a period equal to the remaining period of his service obligation in the full-time private clinical practice (including service as a salaried employee in an entity directly providing health services) of his health profession—

(1) in the case of an individual who received a scholarship under the Scholarship Program or a loan repayment under the Loan Repayment Program and who is performing obligated service as a member of the Corps in a health professional shortage area on the date of his application for such a release, in the health professional shortage area in which such individual is serving on such date or in the case of an individual for whom a loan payment was made under the Loan Repayment Program and who is performing obligated service as a member of the Corps in a health

professional shortage area on the date of the application of the individual for such a release, in the health professional shortage area selected by the Secretary; or

(2) in the case of any other individual, in a health professional shortage area (designated under section 254e of this title) selected by the Secretary.

(b) Written agreement; actions to ensure compliance

(1) The written agreement described in subsection (a) shall—

(A) provide that, during the period of private practice by an individual pursuant to the agreement, the individual shall comply with the requirements of section 254g of this title that apply to entities; and

(B) contain such additional provisions as the Secretary may require to carry out the objectives of this section.

(2) The Secretary shall take such action as may be appropriate to ensure that the conditions of the written agreement prescribed by this subsection are adhered to.

(c) Breach of service contract

If an individual breaches the contract entered into under section 254l or 254l-1 of this title by failing (for any reason) to begin his service obligation in accordance with an agreement entered into under subsection (a) or to complete such service obligation, the Secretary may permit such individual to perform such service obligation as a member of the Corps.

(d) Travel expenses

The Secretary may pay an individual who has entered into an agreement with the Secretary under subsection (a) an amount to cover all or part of the individual's expenses reasonably incurred in transporting himself, his family, and his possessions to the location of his private clinical practice.

(e) Sale of equipment and supplies

Upon the expiration of the written agreement under subsection (a), the Secretary may (notwithstanding any other provision of law) sell to the individual who has entered into an agreement with the Secretary under subsection (a), equipment and other property of the United States utilized by such individual in providing health services. Sales made under this subsection shall be made at the fair market value (as determined by the Secretary) of the equipment or such other property, except that the Secretary may make such sales for a lesser value to the individual if he determines that the individual is financially unable to pay the full market value.

(f) Malpractice insurance

The Secretary may, out of appropriations authorized under section 254k of this title, pay to individuals participating in private practice under this section the cost of such individual's malpractice insurance and the lesser of—

(1)(A) \$10,000 in the first year of obligated service;

(B) \$7,500 in the second year of obligated service;

(C) \$5,000 in the third year of obligated service; and

(D) \$2,500 in the fourth year of obligated service; or

(2) an amount determined by subtracting such individual's net income before taxes from the income the individual would have received as a member of the Corps for each such year of obligated service.

(g) Technical assistance

The Secretary shall, upon request, provide to each individual released from service obligation under this section technical assistance to assist such individual in fulfilling his or her agreement under this section.

(1) which read as follows: "The Secretary may make such arrangements as he determines are necessary for the individual for the use of equipment and supplies and for the lease or acquisition of other equipment and supplies."

1981—Subsec. (a). Pub. L. 97–35, §2709(d)(1), inserted provision respecting requirements of applicable State law, substituted references to sections 254m(a) and 234 of this title, for reference to section 294u(a) of this title, and in cl. (2) struck out priority requirement under section 254f(c) of this title.

Subsec. (b)(1)(B). Pub. L. 97–35, §2709(d)(2), inserted "(i)" before "shall not" and added cl. (ii).

Subsecs. (c) to (g). Pub. L. 97–35, §2709(d)(3), added subsecs. (c) to (g).

1980—Subsec. (a). Pub. L. 96–538 substituted in par. (2) "which has" for "which (A) has" and struck out subpar. (B) which referred to a health manpower shortage area which has a sufficient financial base to sustain private practice and provide the individual with income of not less than the income of members of the Corps, and struck out provision following par. (2) which provided that in the case of an individual described in par. (1), the Secretary release the individual from his service obligation under this subsection only if the Secretary determines that the area in which the individual is serving met the requirements of cl. (B) of par. (2).

§254o. Breach of scholarship contract or loan repayment contract

(a) Failure to maintain academic standing; dismissal from institution; voluntary termination; liability; failure to accept payment

(1) An individual who has entered into a written contract with the Secretary under section 254l of this title and who—

(A) fails to maintain an acceptable level of academic standing in the educational institution in which he is enrolled (such level determined by the educational institution under regulations of the Secretary);

(B) is dismissed from such educational institution for disciplinary reasons; or

(C) voluntarily terminates the training in such an educational institution for which he is provided a scholarship under such contract, before the completion of such training,

in lieu of any service obligation arising under such contract, shall be liable to the United States for the amount which has been paid to him, or on his behalf, under the contract.

(2) An individual who has entered into a written contract with the Secretary under section 254l-1 of this title and who—

(A) in the case of an individual who is enrolled in the final year of a course of study, fails to maintain an acceptable level of academic standing in the educational institution in which such individual is enrolled (such level determined by the educational institution under regulations of the Secretary) or voluntarily terminates such enrollment or is dismissed from such educational institution before completion of such course of study; or

(B) in the case of an individual who is enrolled in a graduate training program, fails to complete such training program and does not receive a waiver from the Secretary under section 254l-1(b)(1)(B)(ii) of this title,

in lieu of any service obligation arising under such contract shall be liable to the United States for the amount that has been paid on behalf of the individual under the contract.

(b) Failure to commence or complete service obligations; formula to determine liability; payment to United States; recovery of delinquent damages; disclosure to credit reporting agencies

(1)(A) Except as provided in paragraph (2), if an individual breaches his written contract by failing (for any reason not specified in subsection (a) or section 254p(d) of this title) to begin such individual's service obligation under section 254l of this title in accordance with section 254m or 254n of this title, to complete such service obligation, or to complete a required residency as specified in section 254l(f)(1)(B)(iv) of this title, the United States shall be entitled to recover from the individual an amount determined in accordance with the formula

$$A = 3 \left(\frac{ts}{t} \right)$$

in which "A" is the amount the United States is entitled to recover, "t" is the sum of the amounts paid under this subpart to or on behalf of the individual and the interest on such amounts which

would be payable if at the time the amounts were paid they were loans bearing interest at the maximum legal prevailing rate, as determined by the Treasurer of the United States; "t" is the total number of months in the individual's period of obligated service; and "s" is the number of months of such period served by him in accordance with section 254m of this title or a written agreement under section 254n of this title.

(B)(i) Any amount of damages that the United States is entitled to recover under this subsection or under subsection (c) shall, within the 1-year period beginning on the date of the breach of the written contract (or such longer period beginning on such date as specified by the Secretary), be paid to the United States. Amounts not paid within such period shall be subject to collection through deductions in Medicare payments pursuant to section 1395ccc of this title.

(ii) If damages described in clause (i) are delinquent for 3 months, the Secretary shall, for the purpose of recovering such damages—

(I) utilize collection agencies contracted with by the Administrator of the General Services Administration; or

(II) enter into contracts for the recovery of such damages with collection agencies selected by the Secretary.

(iii) Each contract for recovering damages pursuant to this subsection shall provide that the contractor will, not less than once each 6 months, submit to the Secretary a status report on the success of the contractor in collecting such damages. Section 3718 of title 31 shall apply to any such contract to the extent not inconsistent with this subsection.

(iv) To the extent not otherwise prohibited by law, the Secretary shall disclose to all appropriate credit reporting agencies information relating to damages of more than \$100 that are entitled to be recovered by the United States under this subsection and that are delinquent by more than 60 days or such longer period as is determined by the Secretary.

(2) If an individual is released under section 254n ¹ of this title from a service obligation under section 234 ¹ of this title (as in effect on September 30, 1977) and if the individual does not meet the service obligation incurred under section 254n ¹ of this title, subsection (f) of such section 234 ¹ of this title shall apply to such individual in lieu of paragraph (1) of this subsection.

(3) The Secretary may terminate a contract with an individual under section 254l of this title if, not later than 30 days before the end of the school year to which the contract pertains, the individual—

(A) submits a written request for such termination; and

(B) repays all amounts paid to, or on behalf of, the individual under section 254l(g) of this title.

(c) Failure to commence or complete service obligations for other reasons; determination of liability; payment to United States; waiver of recovery for extreme hardship or good cause shown

(1) If (for any reason not specified in subsection (a) or section 254p(d) of this title) an individual breaches the written contract of the individual under section 254l-1 of this title by failing either to begin such individual's service obligation in accordance with section 254m or 254n of this title or to complete such service obligation, the United States shall be entitled to recover from the individual an amount equal to the sum of—

(A) the total of the amounts paid by the United States under section 254l-1(g) of this title on behalf of the individual for any period of obligated service not served;

(B) an amount equal to the product of the number of months of obligated service that were not completed by the individual, multiplied by \$7,500; and

(C) the interest on the amounts described in subparagraphs (A) and (B), at the maximum legal prevailing rate, as determined by the Treasurer of the United States, from the date of the breach;

except that the amount the United States is entitled to recover under this paragraph shall not be less than \$31,000.

(2) The Secretary may terminate a contract with an individual under section 254l-1 of this title if, not later than 45 days before the end of the fiscal year in which the contract was entered into, the

individual—

- (A) submits a written request for such termination; and
- (B) repays all amounts paid on behalf of the individual under section 2541–1(g) of this title.

(3) Damages that the United States is entitled to recover shall be paid in accordance with subsection (b)(1)(B).

(d) Cancellation of obligation upon death of individual; waiver or suspension of obligation for impossibility, hardship, or unconscionability; release of debt by discharge in bankruptcy, time limitations

(1) Any obligation of an individual under the Scholarship Program (or a contract thereunder) or the Loan Repayment Program (or a contract thereunder) for service or payment of damages shall be canceled upon the death of the individual.

(2) The Secretary shall by regulation provide for the partial or total waiver or suspension of any obligation of service or payment by an individual under the Scholarship Program (or a contract thereunder) or the Loan Repayment Program (or a contract thereunder) whenever compliance by the individual is impossible or would involve extreme hardship to the individual and if enforcement of such obligation with respect to any individual would be unconscionable.

(3)(A) Any obligation of an individual under the Scholarship Program (or a contract thereunder) or the Loan Repayment Program (or a contract thereunder) for payment of damages may be released by a discharge in bankruptcy under title 11 only if such discharge is granted after the expiration of the 7-year period beginning on the first date that payment of such damages is required, and only if the bankruptcy court finds that nondischarge of the obligation would be unconscionable.

(B)(i) Subparagraph (A) shall apply to any financial obligation of an individual under the provision of law specified in clause (ii) to the same extent and in the same manner as such subparagraph applies to any obligation of an individual under the Scholarship or Loan Repayment Program (or contract thereunder) for payment of damages.

(ii) The provision of law referred to in clause (i) is subsection (f) of section 234 ¹ of this title, as in effect prior to the repeal of such section by section 408(b)(1) of Public Law 94–484.

(e) Inapplicability of Federal and State statute of limitations on actions for collection

Notwithstanding any other provision of Federal or State law, there shall be no limitation on the period within which suit may be filed, a judgment may be enforced, or an action relating to an offset or garnishment, or other action, may be initiated or taken by the Secretary, the Attorney General, or the head of another Federal agency, as the case may be, for the repayment of the amount due from an individual under this section.

(f) Effective date

The amendment made by section 313(a)(4) of the Health Care Safety Net Amendments of 2002 (Public Law 107–251) shall apply to any obligation for which a discharge in bankruptcy has not been granted before the date that is 31 days after October 26, 2002.

EDITORIAL NOTES

REFERENCES IN TEXT

Section 234 of this title, referred to in subsecs. (b)(2) and (d)(3)(B)(ii), was repealed by Pub. L. 94-484, title IV, §408(b)(1), Oct. 12, 1976, 90 Stat. 2281, effective Oct. 1, 1977.

Section 254n of this title, referred to in subsec. (b)(2), in the original referred to section 753, meaning section 753 of the Public Health Service Act, which was classified to section 294v of this title. Section 753 was redesignated section 338C of the Public Health Service Act by Pub. L. 97-35, title XXVII, §2709(a), Aug. 13, 1981, 95 Stat. 908, and was transferred to section 254n of this title. Section 338C of the Public Health Service Act was renumbered section 338D by Pub. L. 100-177, title II, §201(2), Dec. 1, 1987, 101 Stat. 992.

Section 313(a)(4) of the Health Care Safety Net Amendments of 2002, referred to in subsec. (f), is section 313(a)(4) of Pub. L. 107-251, which amended subsec. (d)(3)(A) of this section. See 2002 Amendment note below.

CODIFICATION

Section was formerly classified to section 294w of this title prior to its renumbering by Pub. L. 97-35.

PRIOR PROVISIONS

A prior section 338E of act July 1, 1944, was renumbered section 338F by Pub. L. 100-177 and classified to section 254p of this title, and subsequently renumbered 338G by Pub. L. 101-597.

AMENDMENTS

2003—Subsec. (c)(1). Pub. L. 108-163, §2(l)(1)(A), realigned margins.

Subsec. (f). Pub. L. 108-163, §2(l)(1)(B), added subsec. (f).

2002—Subsec. (a)(1). Pub. L. 107-251, §313(a)(1), substituted semicolon for comma at end of subpar. (A) and "; or" for comma at end of subpar. (B), struck out "or" at end of subpar. (C), and struck out subpar. (D) which read as follows: "fails to accept payment, or instructs the educational institution in which he is enrolled not to accept payment, in whole or in part, of a scholarship under such contract,".

Subsec. (b)(1)(A). Pub. L. 107-251, §313(a)(2)(A)(ii)-(iv), struck out "either" before "to begin", substituted "254n of this title," for "254n of this title or", and inserted "or to complete a required residency as specified in section 254l(f)(1)(B)(iv) of this title," before "the United States" the first time appearing.

Pub. L. 107-251, §313(a)(2)(A)(i), made technical amendment to reference in original act which appears in text as reference to section 254p of this title.

Subsec. (b)(3). Pub. L. 107-251, §313(a)(2)(B), added par. (3).

Subsec. (c)(1). Pub. L. 107-251, §313(a)(3)(A)(ii), added subpars. (A) to (C) and concluding provisions and struck out former subpars. (A) to (C) which related, respectively, to amounts to be recovered in the case of a contract for a 2-year period of obligated service, in the case of a contract for a period of obligated service of greater than 2 years where the breach occurred before the end of the first 2 years of such period, and in the case of a contract for a period of obligated service of greater than 2 years, where the breach occurred after the first 2 years of such period.

Pub. L. 107-251, §313(a)(3)(A)(i), in introductory provisions, made technical amendment to reference in original act which appears in text as reference to section 254p(d) of this title.

Subsec. (c)(2). Pub. L. 107-251, §313(a)(3)(B), added par. (2) and struck out former par. (2) which read as follows: "For purposes of paragraph (1), the term 'unserved obligation penalty' means the amount equal to the product of the number of months of obligated service that were not completed by an individual, multiplied by \$1,000, except that in any case in which the individual fails to serve 1 year, the unserved obligation penalty shall be equal to the full period of obligated service multiplied by \$1,000."

Subsec. (c)(3), (4). Pub. L. 107-251, §313(a)(3)(B), (C), redesignated par. (4) as (3) and struck out former par. (3) which read as follows: "The Secretary may waive, in whole or in part, the rights of the United States to recover amounts under this section in any case of extreme hardship or other good cause shown, as determined by the Secretary."

Subsec. (d)(3)(A). Pub. L. 107-251, §313(a)(4), substituted "7-year period" for "five-year period".

Subsec. (e). Pub. L. 107-251, §313(a)(5), added subsec. (e).

1990—Subsec. (d)(3). Pub. L. 101-597 designated existing provision as subpar. (A) and added subpar. (B).

1988—Subsec. (b)(1)(B)(i). Pub. L. 100-360 made technical amendment to directory language of Pub. L. 100-203, see 1987 Amendment note below.

1987—Pub. L. 100-177, §202(e)(6), inserted "or loan repayment contract" in section catchline.

Subsec. (a). Pub. L. 100-177, §202(e)(1), designated existing provisions as par. (1), and former pars. (1) to (4) as subpars. (A) to (D), respectively, and added par. (2).

Subsec. (b)(1). Pub. L. 100-177, §202(e)(2), designated existing provisions as subpar. (A), made technical amendments to references to sections 254m, 254n, and 254p of this title wherever appearing to reflect

renumbering of corresponding sections of original act, inserted "under section 254l of this title" after first reference to "service obligation" as the probable intent of Congress, struck out at end "Any amount of damages which the United States is entitled to recover under this subsection shall, within the one year period beginning on the date of the breach of the written contract (or such longer period beginning on such date as specified by the Secretary for good cause shown), be paid to the United States.", and added subpar. (B).

Subsec. (b)(1)(B)(i). Pub. L. 100–203, as amended by Pub. L. 100–360, inserted at end "Amounts not paid within such period shall be subject to collection through deductions in Medicare payments pursuant to section 1395ccc of this title."

Subsec. (c). Pub. L. 100–177, §202(e)(4), added subsec. (c). Former subsec. (c) redesignated (d).

Subsec. (d). Pub. L. 100–177, §§202(e)(3), (5), 308(a), redesignated subsec. (c) as (d), in pars. (1), (2), and (3), inserted "or the Loan Repayment Program (or a contract thereunder", and in par. (3) inserted ", and only if the bankruptcy court finds that nondischarge of the obligation would be unconscionable".

1983—Subsec. (b)(1). Pub. L. 97–414 substituted "section 254p(d)" for "section 254q(b)".

1981—Subsec. (a). Pub. L. 97–35, §2709(e)(1), (2), redesignated subsec. (b) as (a) and, as so redesignated, in introductory text substituted "254l" for "294t" and added par. (4). Former subsec. (a), which related to liability of individual upon failure to accept payment, was struck out.

Subsec. (b). Pub. L. 97–35, §2709(e)(1), (3), redesignated subsec. (c) as (b) and, as so redesignated, designated existing provisions as par. (1) and made numerous changes to reflect renumbering of subpart sections, and added par. (2). Former subsec. (b) redesignated (a).

Subsecs. (c), (d). Pub. L. 97–35, §2709(e)(1), (4)(A), redesignated subsec. (d) as (c) and, as so redesignated, in par. (2) inserted reference to partial or total waiver. Former subsec. (c) redesignated (b).

1977—Subsec. (c). Pub. L. 95–83 substituted " " is the sum of the amounts paid under this subpart to or on behalf of the individual and the interest on such amounts which would be payable if at the time the amounts were paid they were loans" for " " is the sum of the amount paid under this subpart to or on behalf of the individual and the interest on such amount which would be payable if at the time it was paid it was a loan".

§254o-1. Fund regarding use of amounts recovered for contract breach to replace services lost as result of breach

(a) Establishment of Fund

There is established in the Treasury of the United States a fund to be known as the National Health Service Corps Member Replacement Fund (hereafter in this section referred to as the "Fund"). The Fund shall consist of such amounts as may be appropriated under subsection (b) to the Fund. Amounts appropriated for the Fund shall remain available until expended.

(b) Authorization of appropriations to Fund

For each fiscal year, there is authorized to be appropriated to the Fund an amount equal to the sum of—

- (1) the amount collected during the preceding fiscal year by the Federal Government pursuant to the liability of individuals under section 254o of this title for the breach of contracts entered into under section 254l or 254l-1 of this title;
- (2) the amount by which grants under section 254q-1 of this title have, for such preceding fiscal year, been reduced under subsection (g)(2)(B) of such section; and
- (3) the aggregate of the amount of interest accruing during the preceding fiscal year on obligations held in the Fund pursuant to subsection (d) and the amount of proceeds from the sale or redemption of such obligations during such fiscal year.

(c) Use of Fund

(1) Payments to certain health facilities

Amounts in the Fund and available pursuant to appropriations Act may, subject to paragraph (2), be expended by the Secretary to make payments to any entity—

- (A) to which a Corps member has been assigned under section 254f of this title; and
- (B) that has a need for a health professional to provide primary health services as a result of the Corps member having breached the contract entered into under section 254l or 254l-1 of this title by the individual.

(2) Purpose of payments

An entity receiving payments pursuant to paragraph (1) may expend the payments to recruit and employ a health professional to provide primary health services to patients of the entity, or to enter

into a contract with such a professional to provide the services to the patients.

(d) Investment

(1) In general

The Secretary of the Treasury shall invest such amounts of the Fund as such Secretary determines are not required to meet current withdrawals from the Fund. Such investments may be made only in interest-bearing obligations of the United States. For such purpose, such obligations may be acquired on original issue at the issue price, or by purchase of outstanding obligations at the market price.

(2) Sale of obligations

Any obligation acquired by the Fund may be sold by the Secretary of the Treasury at the market price.

(July 1, 1944, ch. 373, title III, §338F, as added Pub. L. 101–597, title II, §204, Nov. 16, 1990, 104 Stat. 3027.)

§254p. Special loans for former Corps members to enter private practice

(a) Persons entitled; conditions

The Secretary may, out of appropriations authorized under section 254k of this title, make one loan to a Corps member who has agreed in writing—

(1) to engage in the private full-time clinical practice of the profession of the member in a health professional shortage area (designated under section 254e of this title) for a period of not less than 2 years which—

(A) in the case of a Corps member who is required to complete a period of obligated service under this subpart, begins not later than 1 year after the date on which such individual completes such period of obligated service; and

(B) in the case of an individual who is not required to complete a period of obligated service under this subpart, begins at such time as the Secretary considers appropriate;

(2) to conduct such practice in accordance with section 254n(b)(1) of this title; and

(3) to such additional conditions as the Secretary may require to carry out this section.

Such a loan shall be used to assist such individual in meeting the costs of beginning the practice of such individual's profession in accordance with such agreement, including the costs of acquiring equipment and renovating facilities for use in providing health services, and of hiring nurses and other personnel to assist in providing health services. Such loan may not be used for the purchase or construction of any building.

(b) Amount of loan; maximum interest rate

(1) The amount of a loan under subsection (a) to an individual shall not exceed \$25,000.

(2) The interest rate for any such loan shall not exceed an annual rate of 5 percent.

(c) Application for loan; submission and approval; interest rates and repayment terms

The Secretary may not make a loan under this section unless an application therefor has been

submitted to, and approved by, the Secretary. The Secretary shall, by regulation, set interest rates and repayment terms for loans under this section.

(d) Breach of agreement; notice; determination of liability

If the Secretary determines that an individual has breached a written agreement entered into under subsection (a), he shall, as soon as practicable after making such determination, notify the individual of such determination. If within 60 days after the date of giving such notice, such individual is not practicing his profession in accordance with the agreement under such subsection and has not provided assurances satisfactory to the Secretary that he will not knowingly violate such agreement again, the United States shall be entitled to recover from such individual—

(1) in the case of an individual who has received a grant under this section (as in effect prior to October 1, 1984), an amount determined under section 254o(b) of this title, except that in applying the formula contained in such section "" shall be the sum of the amount of the grant made under subsection (a) to such individual and the interest on such amount which would be payable if at the time it was paid it was a loan bearing interest at the maximum legal prevailing rate, "t" shall be the number of months that such individual agreed to practice his profession under such agreement, and "s" shall be the number of months that such individual practices his profession in accordance with such agreement; and

(2) in the case of an individual who has received a loan under this section, the full amount of the principal and interest owed by such individual under this section.

AMENDMENTS

2010—Subsec. (a). Pub. L. 111-148 amended subsec. (a) generally. Prior to amendment, subsec. (a) related to authorization of appropriations for the purposes of carrying out this subpart as follows: for fiscal year 2008, \$131,500,000; for fiscal year 2009, \$143,335,000; for fiscal year 2010, \$156,235,150; for fiscal year 2011, \$170,296,310; and for fiscal year 2012, \$185,622,980.

2008—Subsec. (a). Pub. L. 110-355 substituted "appropriated—" for "appropriated \$146,250,000 for fiscal year 2002, and such sums as may be necessary for each of fiscal years 2003 through 2006." and added pars. (1) to (5).

2002—Pub. L. 107-251 amended section generally. Prior to amendment, section related to annual report to Congress, authorization of appropriations for fiscal years 1991 through 2000, and reservation of percentage of appropriated amounts for scholarships for new participants and for first-year study in certain fields.

1990—Subsec. (a). Pub. L. 101-597, §205(a), substituted "March 1" for "January 20" and "5 fiscal years" for "3 fiscal years" wherever appearing.

Subsec. (b). Pub. L. 101-597, §205(b), amended subsec. (b) generally. Prior to amendment, subsec. (b) read as follows: "There are authorized to be appropriated such sums as may be necessary for scholarships and loan repayments under this subpart."

¹ So in original. Probably should be "subpart."

§254q-1. Grants to States for loan repayment programs

(a) In general

(1) Authority for grants

The Secretary, acting through the Administrator of the Health Resources and Services Administration, may make grants to States for the purpose of assisting the States in operating programs described in paragraph (2) in order to provide for the increased availability of primary health care services in health professional shortage areas. The National Advisory Council established under section 254j of this title shall advise the Administrator regarding the program under this section.

(2) Loan repayment programs

The programs referred to in paragraph (1) are, subject to subsection (c), programs of entering into contracts under which the State involved agrees to pay all or part of the principal, interest, and related expenses of the educational loans of health professionals in consideration of the

professionals agreeing to provide primary health services in health professional shortage areas.

(3) Direct administration by State agency

The Secretary may not make a grant under paragraph (1) unless the State involved agrees that the program operated with the grant will be administered directly by a State agency.

(b) Requirement of matching funds

(1) In general

The Secretary may not make a grant under subsection (a) unless the State agrees that, with respect to the costs of making payments on behalf of individuals under contracts made pursuant to paragraph (2) of such subsection, the State will make available (directly or through donations from public or private entities) non-Federal contributions in cash toward such costs in an amount equal to not less than \$1 for each \$1 of Federal funds provided in the grant.

(2) Determination of amount of non-Federal contribution

In determining the amount of non-Federal contributions in cash that a State has provided pursuant to paragraph (1), the Secretary may not include any amounts provided to the State by the Federal Government.

(c) Coordination with Federal program

(1) Assignments for health professional shortage areas under Federal program

The Secretary may not make a grant under subsection (a) unless the State involved agrees that, in carrying out the program operated with the grant, the State will assign health professionals participating in the program only to public and nonprofit private entities located in and providing health services in health professional shortage areas.

(2) Remedies for breach of contracts

The Secretary may not make a grant under subsection (a) unless the State involved agrees that the contracts provided by the State pursuant to paragraph (2) of such subsection will provide remedies for any breach of the contracts by the health professionals involved.

(3) Limitation regarding contract inducements

(A) Except as provided in subparagraph (B), the Secretary may not make a grant under subsection (a) unless the State involved agrees that the contracts provided by the State pursuant to paragraph (2) of such subsection will not be provided on terms that are more favorable to health professionals than the most favorable terms that the Secretary is authorized to provide for contracts under the Loan Repayment Program under section 254l-1 of this title, including terms regarding—

- (i) the annual amount of payments provided on behalf of the professionals regarding educational loans; and
- (ii) the availability of remedies for any breach of the contracts by the health professionals involved.

(B) With respect to the limitation established in subparagraph (A) regarding the annual amount of payments that may be provided to a health professional under a contract provided by a State pursuant to subsection (a)(2), such limitation shall not apply with respect to a contract if—

- (i) the excess of such annual payments above the maximum amount authorized in section 254l-1(g)(2)(A) of this title for annual payments regarding contracts is paid solely from non-Federal contributions under subsection (b); and
- (ii) the contract provides that the health professional involved will satisfy the requirement of obligated service under the contract solely through the provision of primary health services in a health professional shortage area that is receiving priority for purposes of section 254f-1(a)(1) of this title and that is authorized to receive assignments under section 254f of this title of individuals who are participating in the Scholarship Program under section 254l of this title.

(d) Restrictions on use of funds

The Secretary may not make a grant under subsection (a) unless the State involved agrees that the grant will not be expended—

(1) to conduct activities for which Federal funds are expended—

(A) within the State to provide technical or other nonfinancial assistance under subsection (f) of section 254c ¹ of this title;

(B) under a memorandum of agreement entered into with the State under subsection (h) of such section; or

(C) under a grant under section 254r of this title; or

(2) for any purpose other than making payments on behalf of health professionals under contracts entered into pursuant to subsection (a)(2).

(e) Reports

The Secretary may not make a grant under subsection (a) unless the State involved agrees—

(1) to submit to the Secretary such reports regarding the States loan repayment program, as are determined to be appropriate by the Secretary; and

(2) to submit such a report not later than January 10 of each fiscal year immediately following any fiscal year for which the State has received such a grant.

(f) Requirement of application

The Secretary may not make a grant under subsection (a) unless an application for the grant is submitted to the Secretary and the application is in such form, is made in such manner, and contains such agreements, assurances, and information as the Secretary determines to be necessary to carry out such subsection.

(g) Noncompliance

(1) In general

The Secretary may not make payments under subsection (a) to a State for any fiscal year subsequent to the first fiscal year of such payments unless the Secretary determines that, for the immediately preceding fiscal year, the State has complied with each of the agreements made by the State under this section.

(2) Reduction in grant relative to number of breached contracts

(A) Before making a grant under subsection (a) to a State for a fiscal year, the Secretary shall determine the number of contracts provided by the State under paragraph (2) of such subsection with respect to which there has been an initial breach by the health professionals involved during the fiscal year preceding the fiscal year for which the State is applying to receive the grant.

(B) Subject to paragraph (3), in the case of a State with 1 or more initial breaches for purposes of subparagraph (A), the Secretary shall reduce the amount of a grant under subsection (a) to the State for the fiscal year involved by an amount equal to the sum of the expenditures of Federal funds made regarding the contracts involved and an amount representing interest on the amount of such expenditures, determined with respect to each contract on the basis of the maximum legal rate prevailing for loans made during the time amounts were paid under the contract, as determined by the Treasurer of the United States.

(3) Waiver regarding reduction in grant

The Secretary may waive the requirement established in paragraph (2)(B) with respect to the initial breach of a contract if the Secretary determines that such breach by the health professional involved was attributable solely to the professional having a serious illness.

(h) "State" defined

For purposes of this section, the term "State" means each of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, American Samoa, Palau, the Marshall Islands, and the Commonwealth of the Northern Mariana Islands.

(i) Authorization of appropriations

(1) In general

For the purpose of making grants under subsection (a), there are authorized to be appropriated \$12,000,000 for fiscal year 2008, and such sums as may be necessary for each of fiscal years 2009 through 2012.

(2) Availability

Amounts appropriated under paragraph (1) shall remain available until expended.

(j) Public health loan repayment

(1) In general

The Secretary may award grants to States for the purpose of assisting such States in operating loan repayment programs under which such States enter into contracts to repay all or part of the eligible loans borrowed by, or on behalf of, individuals who agree to serve in State, local, or tribal health departments that serve health professional shortage areas or other areas at risk of a public health emergency, as designated by the Secretary.

(2) Loans eligible for repayment

To be eligible for repayment under this subsection, a loan shall be a loan made, insured, or guaranteed by the Federal Government that is borrowed by, or on behalf of, an individual to pay the cost of attendance for a program of education leading to a degree appropriate for serving in a State, local, or tribal health department as determined by the Secretary and the chief executive officer of the State in which the grant is administered, at an institution of higher education (as defined in section 1002 of title 20), including principal, interest, and related expenses on such loan.

(3) Applicability of existing requirements

With respect to awards made under paragraph (1)—

(A) the requirements of subsections (b), (f), and (g) shall apply to such awards; and

(B) the requirements of subsection (c) shall apply to such awards except that with respect to paragraph (1) of such subsection, the State involved may assign an individual only to public and nonprofit private entities that serve health professional shortage areas or areas at risk of a public health emergency, as determined by the Secretary.

(4) Authorization of appropriations

There are authorized to be appropriated to carry out this subsection, such sums as may be necessary for each of fiscal years 2007 through 2010.

REFERENCES IN TEXT

Section 254c of this title, referred to in subsec. (d)(1)(A), was in the original a reference to section 330, meaning section 330 of act July 1, 1944, which was omitted in the general amendment of subpart I (§254b et seq.) of this part by Pub. L. 104–299, §2, Oct. 11, 1996, 110 Stat. 3626. Sections 2 and 3(a) of Pub. L. 104–299 enacted new sections 330 and 330A of act July 1, 1944, which are classified, respectively, to sections 254b and 254c of this title.

PRIOR PROVISIONS

A prior section 338I of act July 1, 1944, was classified to section 254r of this title prior to repeal by Pub. L.

AMENDMENTS

2008—Subsec. (h). Pub. L. 110–355, §3(e)(1), substituted "50 States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, American Samoa, Palau, the Marshall Islands, and the Commonwealth of the Northern Mariana Islands" for "several States".

Subsec. (i)(1). Pub. L. 110–355, §3(e)(2), substituted "2008, and such sums as may be necessary for each of fiscal years 2009 through 2012." for "2002 and such sums as may be necessary for each of fiscal years 2003 through 2006."

2006—Subsec. (j). Pub. L. 109–417 added subsec. (j).

2002—Subsec. (a)(1). Pub. L. 107–251, §315(1), added par. (1) and struck out heading and text of former par. (1). Text read as follows: "The Secretary, acting through the Administrator of the Health Resources and Services Administration, may make grants to States for the purpose of assisting the States in operating programs described in paragraph (2) in order to provide for the increased availability of primary health services in health professional shortage areas."

Subsec. (e)(1). Pub. L. 107–251, §315(2), added par. (1) and struck out former par. (1) which read as follows: "to submit to the Secretary reports providing the same types of information regarding the program operated pursuant to such subsection as reports submitted pursuant to subsection (i) of section 2541–1 of this title provide regarding the Loan Repayment Program under such section; and".

Subsec. (i)(1). Pub. L. 107–251, §315(3), added par. (1) and struck out heading and text of former par. (1). Text read as follows: "For the purpose of making grants under subsection (a) of this section, there is authorized to be appropriated \$10,000,000 for each of the fiscal years 1991 through 1995, and such sums as may be necessary for each of the fiscal years 1998 through 2002."

1998—Subsec. (i)(1). Pub. L. 105–392 inserted ", and such sums as may be necessary for each of the fiscal years 1998 through 2002" before period at end.

1990—Pub. L. 101–597, §401(b)[(a)], substituted reference to health professional shortage area for reference to health manpower shortage area wherever appearing in subsecs. (a)(1), (2) and (c)(1), (3)(B)(ii).

Pub. L. 101–597, §301, amended section generally, substituting present provisions for provisions which related to: in subsec. (a), grants; in subsec. (b), applications; in subsec. (c), Federal share; and in subsec. (d), authorization of appropriations.

§254r. Grants to State Offices of Rural Health

(a) In general

The Secretary, acting through the Director of the Federal Office of Rural Health Policy (established under section 912 of this title), shall make grants to each State Office of Rural Health for the purpose of improving health care in rural areas.

(b) Requirement of matching funds

(1) In general

Subject to paragraph (2), the Secretary may not make a grant under subsection (a) unless the State office of rural health involved agrees, with respect to the costs to be incurred in carrying out the purpose described in such subsection, to provide non-Federal contributions toward such costs in an amount equal to \$3 for each \$1 of Federal funds provided in the grant.

(2) Waiver or reduction

The Secretary may waive or reduce the non-Federal contribution if the Secretary determines that requiring matching funds would limit the State office of rural health's ability to carry out the purpose described in subsection (a).

(3) Determination of amount of non-Federal contribution

Non-Federal contributions required in paragraph (1) may be in cash or in kind, fairly evaluated, including plant, equipment, or services. Amounts provided by the Federal Government, or services

assisted or subsidized to any significant extent by the Federal Government, may not be included in determining the amount of such non-Federal contributions.

(c) Certain required activities

Recipients of a grant under subsection (a) shall use the grant funds for purposes of—

(1) maintaining within the State office of rural health a clearinghouse for collecting and disseminating information on—

- (A) rural health care issues;
- (B) research findings relating to rural health care; and
- (C) innovative approaches to the delivery of health care in rural areas;

(2) coordinating the activities carried out in the State that relate to rural health care, including providing coordination for the purpose of avoiding redundancy in such activities; and

(3) identifying Federal and State programs regarding rural health, and providing technical assistance to public and nonprofit private entities regarding participation in such programs.

(d) Requirement regarding annual budget for office

The Secretary may not make a grant under subsection (a) unless the State involved agrees that, for any fiscal year for which the State office of rural health receives such a grant, the office operated pursuant to subsection (a) of this section will be provided with an annual budget of not less than \$150,000.

(e) Certain uses of funds

(1) Restrictions

The Secretary may not make a grant under subsection (a) unless the State office of rural health involved agrees that the grant will not be expended—

- (A) to provide health care (including providing cash payments regarding such care);
- (B) to conduct activities for which Federal funds are expended—
 - (i) within the State to provide technical and other nonfinancial assistance under section 254c(f) of this title;
 - (ii) under a memorandum of agreement entered into with the State office of rural health under section 254c(h) of this title; or
 - (iii) under a grant under section 254q-1 of this title;

(C) to purchase medical equipment, to purchase ambulances, aircraft, or other vehicles, or to purchase major communications equipment;

- (D) to purchase or improve real property; or
- (E) to carry out any activity regarding a certificate of need.

(2) Authorities

Activities for which a State office of rural health may expend a grant under subsection (a) include—

- (A) paying the costs of maintaining an office of rural health for purposes of subsection (a);
- (B) subject to paragraph (1)(B)(iii), paying the costs of any activity carried out with respect to recruiting and retaining health professionals to serve in rural areas of the State; and
- (C) providing grants and contracts to public and nonprofit private entities to carry out activities authorized in this section.

(3) Limit on indirect costs

The Secretary may impose a limit of no more than 15 percent on indirect costs claimed by the recipient of the grant.

(f) Reports

The Secretary may not make a grant under subsection (a) unless the State office of rural health involved agrees—

(1) to submit to the Secretary reports or performance data containing such information as the Secretary may require regarding activities carried out under this section; and

(2) to submit such a report or performance data not later than September 30 of each fiscal year immediately following any fiscal year for which the State office of rural health has received such a grant.

(g) Requirement of application

The Secretary may not make a grant under subsection (a) unless an application for the grant is submitted to the Secretary and the application is in such form, is made in such manner, and contains such agreements, assurances, and information as the Secretary determines to be necessary to carry out such subsection.

(h) Noncompliance

The Secretary may not make payments under subsection (a) to a State office of rural health for any fiscal year subsequent to the first fiscal year of such payments unless the Secretary determines that, for the immediately preceding fiscal year, the State office of rural health has complied with each of the agreements made by the State office of rural health under this section.

(i) Authorization of appropriations

(1) In general

For the purpose of making grants under subsection (a), there are authorized to be appropriated \$12,500,000 for each of fiscal years 2023 through 2027.

(2) Availability

Amounts appropriated under paragraph (1) shall remain available until expended.

§254s. Native Hawaiian Health Scholarships

(a) Eligibility

Subject to the availability of funds appropriated under the authority of subsection (d), the Secretary shall provide funds to Papa Ola Lokahi for the purpose of providing scholarship assistance to students who—

- (1) meet the requirements of section 254l(b) of this title, and
- (2) are Native Hawaiians.

(b) Terms and conditions

(1) The scholarship assistance provided under subsection (a) shall be provided under the same terms and subject to the same conditions, regulations, and rules that apply to scholarship assistance provided under section 254l of this title.

(2) The Native Hawaiian Health Scholarship program shall not be administered by or through the Indian Health Service.

(c) "Native Hawaiian" defined

For purposes of this section, the term "Native Hawaiian" means any individual who is—

- (1) a citizen of the United States,
- (2) a resident of the State of Hawaii, and
- (3) a descendant of the aboriginal people, who prior to 1778, occupied and exercised sovereignty in the area that now constitutes the State of Hawaii, as evidenced by—
 - (A) genealogical records,
 - (B) Kupuna (elders) or Kama'aina (long-term community residents) verification, or
 - (C) birth records of the State of Hawaii.

(d) Authorization of appropriations

There are authorized to be appropriated \$1,800,000 for each of the fiscal years 1990, 1991, and 1992 for the purpose of funding the scholarship assistance provided under subsection (a).

EDITORIAL NOTES

AMENDMENTS

2002—Subsec. (a). Pub. L. 107–116, which directed the amendment of subsec. (a) by substituting "Papa Ola Lokahi" for "Kamehameha School/Bishop Estate", was executed by making the substitution for "Kamehameha Schools/Bishop Estate" to reflect the probable intent of Congress.

1990—Subsec. (a). Pub. L. 101–644, which directed the general amendment of subsec. (a) of section 338J of the Public Health Service Act, was executed to subsec. (a) of this section, to reflect the probable intent of Congress and the intervening renumbering of section 338J as 338K by Pub. L. 101–597. Prior to amendment, subsec. (a) read as follows: "Subject to the availability of funds appropriated under the authority of subsection

(d) of this section, the Secretary shall provide scholarship assistance, pursuant to a contract with the Kamehameha Schools/Bishop Estate, to students who—

"(1) meet the requirements of section 254l(b) of this title, and

"(2) are Native Hawaiians."

§254t. Demonstration project

(a) Program authorized

The Secretary shall establish a demonstration project to provide for the participation of individuals who are chiropractic doctors or pharmacists in the Loan Repayment Program described in section 254l-1 of this title.

(b) Procedure

An individual that receives assistance under this section with regard to the program described in section 254l-1 of this title shall comply with all rules and requirements described in such section (other than subparagraphs (A) and (B) of section 254l-1(b)(1) of this title) in order to receive assistance under this section.

(c) Limitations

(1) In general

The demonstration project described in this section shall provide for the participation of individuals who shall provide services in rural and urban areas.

(2) Availability of other health professionals

The Secretary may not assign an individual receiving assistance under this section to provide obligated service at a site unless—

(A) the Secretary has assigned a physician (as defined in section 1395x(r) of this title) or other health professional licensed to prescribe drugs to provide obligated service at such site under section 254m or 254n of this title; and

(B) such physician or other health professional will provide obligated service at such site concurrently with the individual receiving assistance under this section.

(3) Rules of construction

(A) Supervision of individuals

Nothing in this section shall be construed to require or imply that a physician or other health professional licensed to prescribe drugs must supervise an individual receiving assistance under the demonstration project under this section, with respect to such project.

(B) Licensure of health professionals

Nothing in this section shall be construed to supersede State law regarding licensure of health professionals.

(d) Designations

The demonstration project described in this section, and any providers who are selected to participate in such project, shall not be considered by the Secretary in the designation of a health professional shortage area under section 254e of this title during fiscal years 2002 through 2004.

(e) Rule of construction

This section shall not be construed to require any State to participate in the project described in this section.

(f) Report

(1) In general

The Secretary shall evaluate the participation of individuals in the demonstration projects under this section and prepare and submit a report containing the information described in paragraph (2)

to—

- (A) the Committee on Health, Education, Labor, and Pensions of the Senate;
- (B) the Subcommittee on Labor, Health and Human Services, and Education of the Committee on Appropriations of the Senate;
- (C) the Committee on Energy and Commerce of the House of Representatives; and
- (D) the Subcommittee on Labor, Health and Human Services, and Education of the Committee on Appropriations of the House of Representatives.

(2) Content

The report described in paragraph (1) shall detail—

- (A) the manner in which the demonstration project described in this section has affected access to primary care services, patient satisfaction, quality of care, and health care services provided for traditionally underserved populations;
- (B) how the participation of chiropractic doctors and pharmacists in the Loan Repayment Program might affect the designation of health professional shortage areas; and
- (C) whether adding chiropractic doctors and pharmacists as permanent members of the National Health Service Corps would be feasible and would enhance the effectiveness of the National Health Service Corps.

(g) Authorization of appropriations

(1) In general

There are authorized to be appropriated to carry out this section, such sums as may be necessary for fiscal years 2002 through 2004.

(2) Fiscal year 2005

If the Secretary determines and certifies to Congress by not later than September 30, 2004, that the number of individuals participating in the demonstration project established under this section is insufficient for purposes of performing the evaluation described in subsection (f)(1), the authorization of appropriations under paragraph (1) shall be extended to include fiscal year 2005.

PRIOR PROVISIONS

A prior section 254t, act July 1, 1944, ch. 373, title III, §338L, as added Pub. L. 101–527, §8, Nov. 6, 1990, 104 Stat. 2328, related to demonstration grants to States for community scholarship programs, prior to repeal by Pub. L. 107–251, title III, §316, Oct. 26, 2002, 116 Stat. 1653.

§254u. Public health departments

(a) In general

To the extent that funds are appropriated under subsection (e), the Secretary shall establish a demonstration project to provide for the participation of individuals who are eligible for the Loan Repayment Program described in section 254l–1 of this title and who agree to complete their service obligation in a State health department that provides a significant amount of service to health professional shortage areas or areas at risk of a public health emergency, as determined by the Secretary, or in a local or tribal health department that serves a health professional shortage area or an area at risk of a public health emergency.

(b) Procedure

To be eligible to receive assistance under subsection (a), with respect to the program described in section 254l–1 of this title, an individual shall—

(1) comply with all rules and requirements described in such section (other than section 254l–1(f)(1)(B)(iv) of this title); and

(2) agree to serve for a time period equal to 2 years, or such longer period as the individual may agree to, in a State, local, or tribal health department, described in subsection (a).

(c) Designations

The demonstration project described in subsection (a), and any healthcare providers who are selected to participate in such project, shall not be considered by the Secretary in the designation of health professional shortage areas under section 254e of this title during fiscal years 2007 through 2010.

(d) Report

Not later than 3 years after December 19, 2006, the Secretary shall submit a report to the relevant committees of Congress that evaluates the participation of individuals in the demonstration project under subsection (a), the impact of such participation on State, local, and tribal health departments, and the benefit and feasibility of permanently allowing such placements in the Loan Repayment Program.

(e) Authorization of appropriations

There are authorized to be appropriated to carry out this section, such sums as may be necessary for each of fiscal years 2007 through 2010.

(July 1, 1944, ch. 373, title III, §338M, as added Pub. L. 109–417, title II, §203(a), Dec. 19, 2006, 120 Stat. 2848.)

§254v. Clarification regarding service in schools and other community-based settings

(a) Schools and community-based settings

An entity to which a participant in the Scholarship Program or the Loan Repayment Program (referred to in this section as a "participant") is assigned under section 254f of this title may direct such participant to provide service as a behavioral or mental health professional at a school or other community-based setting located in a health professional shortage area.

(b) Obligated service

(1) In general

Any service described in subsection (a) that a participant provides may count towards such participant's completion of any obligated service requirements under the Scholarship Program or the Loan Repayment Program, subject to any limitation imposed under paragraph (2).

(2) Limitation

The Secretary may impose a limitation on the number of hours of service described in subsection (a) that a participant may credit towards completing obligated service requirements, provided that the limitation allows a member to credit service described in subsection (a) for not less than 50 percent of the total hours required to complete such obligated service requirements.

(c) Rule of construction

The authorization under subsection (a) shall be notwithstanding any other provision of this subpart or subpart II.

(July 1, 1944, ch. 373, title III, §338N, as added Pub. L. 115–271, title VII, §7072, Oct. 24, 2018, 132 Stat. 4030.)

Pub. L. 97–414, §6(a), Jan. 4, 1983, 96 Stat. 2057, added heading "Subpart III—Home Health Services".

Pub. L. 95–626, title I, §105(b), title II, §207(a), Nov. 10, 1978, 92 Stat. 3560, 3585, struck out heading "Part D—Lepers" and added heading "Subpart III—Home Health Services".

§255. Home health services

(a) Purpose; authorization of grants and loans; considerations; conditions on loans; appropriations

(1) For the purpose of encouraging the establishment and initial operation of home health programs to provide home health services in areas in which such services are inadequate or not readily accessible, the Secretary may, in accordance with the provisions of this section, make grants to public and nonprofit private entities and loans to proprietary entities to meet the initial costs of establishing and operating such home health programs. Such grants and loans may include funds to provide training for paraprofessionals (including homemaker home health aides) to provide home health services.

(2) In making grants and loans under this subsection, the Secretary shall—

(A) consider the relative needs of the several States for home health services;

(B) give preference to areas in which a high percentage of the population proposed to be served is composed of individuals who are elderly, medically indigent, or disabled; and

(C) give special consideration to areas with inadequate means of transportation to obtain necessary health services.

(3)(A) No loan may be made to a proprietary entity under this section unless the application of such entity for such loan contains assurances satisfactory to the Secretary that—

(i) at the time the application is made the entity is fiscally sound;

(ii) the entity is unable to secure a loan for the project for which the application is submitted from non-Federal lenders at the rate of interest prevailing in the area in which the entity is located; and

(iii) during the period of the loan, such entity will remain fiscally sound.

(B) Loans under this section shall be made at an interest rate comparable to the rate of interest prevailing on the date the loan is made with respect to the marketable obligations of the United States of comparable maturities, adjusted to provide for administrative costs.

(4) Applications for grants and loans under this subsection shall be in such form and contain such information as the Secretary shall prescribe.

(5) There are authorized to be appropriated for grants and loans under this subsection \$5,000,000 for each of the fiscal years ending on September 30, 1983, September 30, 1984, September 30, 1985, September 30, 1986, and September 30, 1987.

(b) Grants and contracts for training programs for paraprofessionals; considerations; applications; appropriations

(1) The Secretary may make grants to and enter into contracts with public and private entities to assist them in developing appropriate training programs for paraprofessionals (including homemaker home health aides) to provide home health services.

(2) Any program established with a grant or contract under this subsection to train homemaker home health aides shall—

(A) extend for at least forty hours, and consist of classroom instruction and at least twenty hours

(in the aggregate) of supervised clinical instruction directed toward preparing students to deliver home health services;

(B) be carried out under appropriate professional supervision and be designed to train students to maintain or enhance the personal care of an individual in his home in a manner which promotes the functional independence of the individual; and

(C) include training in—

(i) personal care services designed to assist an individual in the activities of daily living such as bathing, exercising, personal grooming, and getting in and out of bed; and

(ii) household care services such as maintaining a safe living environment, light housekeeping, and assisting in providing good nutrition (by the purchasing and preparation of food).

(3) In making grants and entering into contracts under this subsection, special consideration shall be given to entities which establish or will establish programs to provide training for persons fifty years of age and older who wish to become paraprofessionals (including homemaker home health aides) to provide home health services.

(4) Applications for grants and contracts under this subsection shall be in such form and contain such information as the Secretary shall prescribe.

(5) There are authorized to be appropriated for grants and contracts under this subsection \$2,000,000 for each of the fiscal years ending September 30, 1983, September 30, 1984, September 30, 1985, September 30, 1986, and September 30, 1987.

(c) Report to Congress with respect to grants and loans and training of personnel

The Secretary shall report to the Committee on Labor and Human Resources of the Senate and the Committee on Energy and Commerce of the House of Representatives on or before January 1, 1984, with respect to—

(1) the impact of grants made and contracts entered into under subsections (a) and (b) (as such subsections were in effect prior to October 1, 1981);

(2) the need to continue grants and loans under subsections (a) and (b) (as such subsections are in effect on the day after January 4, 1983); and

(3) the extent to which standards have been applied to the training of personnel who provide home health services.

(d) "Home health services" defined

For purposes of this section, the term "home health services" has the meaning prescribed for the term by section 1395x(m) of this title.

(July 1, 1944, ch. 373, title III, §339, as added Pub. L. 97-414, §6(a), Jan. 4, 1983, 96 Stat. 2057; amended Pub. L. 98-555, §6, Oct. 30, 1984, 98 Stat. 2856.)

SUBPART V—HEALTHY COMMUNITIES ACCESS PROGRAM

EDITORIAL NOTES

PRIOR PROVISIONS

A prior subpart VI, consisting of section 256a, related to health services for residents of public housing, prior to repeal by Pub. L. 104–299, §4(a)(3), Oct. 11, 1996, 110 Stat. 3645.

§256. Grants to strengthen the effectiveness, efficiency, and coordination of services for the uninsured and underinsured

(a) In general

The Secretary may award grants to eligible entities to assist in the development of integrated health care delivery systems to serve communities of individuals who are uninsured and individuals who are underinsured—

- (1) to improve the efficiency of, and coordination among, the providers providing services through such systems;
- (2) to assist communities in developing programs targeted toward preventing and managing

chronic diseases; and

(3) to expand and enhance the services provided through such systems.

(b) Eligible entities

To be eligible to receive a grant under this section, an entity shall be an entity that—

(1) represents a consortium—

(A) whose principal purpose is to provide a broad range of coordinated health care services for a community defined in the entity's grant application as described in paragraph (2); and

(B) that includes at least one of each of the following providers that serve the community (unless such provider does not exist within the community, declines or refuses to participate, or places unreasonable conditions on their participation)—

(i) a Federally qualified health center (as defined in section 1395x(aa) of this title);

(ii) a hospital with a low-income utilization rate (as defined in section 1396r-4(b)(3) of this title), that is greater than 25 percent;

(iii) a public health department; and

(iv) an interested public or private sector health care provider or an organization that has traditionally served the medically uninsured and underserved; and

(2) submits to the Secretary an application, in such form and manner as the Secretary shall prescribe, that—

(A) defines a community or geographic area of uninsured and underinsured individuals;

(B) identifies the providers who will participate in the consortium's program under the grant, and specifies each provider's contribution to the care of uninsured and underinsured individuals in the community, including the volume of care the provider provides to beneficiaries under the medicare, medicaid, and State child health insurance programs and to patients who pay privately for services;

(C) describes the activities that the applicant and the consortium propose to perform under the grant to further the objectives of this section;

(D) demonstrates the consortium's ability to build on the current system (as of the date of submission of the application) for serving a community or geographic area of uninsured and underinsured individuals by involving providers who have traditionally provided a significant volume of care for that community;

(E) demonstrates the consortium's ability to develop coordinated systems of care that either directly provide or ensure the prompt provision of a broad range of high-quality, accessible services, including, as appropriate, primary, secondary, and tertiary services, as well as substance abuse treatment and mental health services in a manner that assures continuity of care in the community or geographic area;

(F) provides evidence of community involvement in the development, implementation, and direction of the program that the entity proposes to operate;

(G) demonstrates the consortium's ability to ensure that individuals participating in the program are enrolled in public insurance programs for which the individuals are eligible or know of private insurance programs where available;

(H) presents a plan for leveraging other sources of revenue, which may include State and local sources and private grant funds, and integrating current and proposed new funding sources in a way to assure long-term sustainability of the program;

(I) describes a plan for evaluation of the activities carried out under the grant, including measurement of progress toward the goals and objectives of the program and the use of evaluation findings to improve program performance;

(J) demonstrates fiscal responsibility through the use of appropriate accounting procedures and appropriate management systems;

(K) demonstrates the consortium's commitment to serve the community without regard to the ability of an individual or family to pay by arranging for or providing free or reduced charge care for the poor; and

(L) includes such other information as the Secretary may prescribe.

(c) Limitations

(1) Number of awards

(A) In general

For each of fiscal years 2003, 2004, 2005, and 2006, the Secretary may not make more than 35 new awards under subsection (a) (excluding renewals of such awards).

(B) Rule of construction

This paragraph shall not be construed to affect awards made before fiscal year 2003.

(2) In general

An eligible entity may not receive a grant under this section (including with respect to any such grant made before fiscal year 2003) for more than 3 consecutive fiscal years, except that such entity may receive such a grant award for not more than 1 additional fiscal year if—

(A) the eligible entity submits to the Secretary a request for a grant for such an additional fiscal year;

(B) the Secretary determines that extraordinary circumstances (as defined in paragraph (3)) justify the granting of such request; and

(C) the Secretary determines that granting such request is necessary to further the objectives described in subsection (a).

(3) Extraordinary circumstances

(A) In general

In paragraph (2), the term "extraordinary circumstances" means an event (or events) that is outside of the control of the eligible entity that has prevented the eligible entity from fulfilling the objectives described by such entity in the application submitted under subsection (b)(2).

(B) Examples

Extraordinary circumstances include—

(i) natural disasters or other major disruptions to the security or health of the community or geographic area served by the eligible entity; or

(ii) a significant economic deterioration in the community or geographic area served by such eligible entity, that directly and adversely affects the entity receiving an award under subsection (a).

(d) Priorities

In awarding grants under this section, the Secretary—

(1) shall accord priority to applicants that demonstrate the extent of unmet need in the community involved for a more coordinated system of care; and

(2) may accord priority to applicants that best promote the objectives of this section, taking into consideration the extent to which the application involved—

(A) identifies a community whose geographical area has a high or increasing percentage of individuals who are uninsured;

(B) demonstrates that the applicant has included in its consortium providers, support systems, and programs that have a tradition of serving uninsured individuals and underinsured individuals in the community;

(C) shows evidence that the program would expand utilization of preventive and primary care services for uninsured and underinsured individuals and families in the community, including behavioral and mental health services, oral health services, or substance abuse services;

(D) proposes a program that would improve coordination between health care providers and appropriate social service providers;

(E) demonstrates collaboration with State and local governments;

(F) demonstrates that the applicant makes use of non-Federal contributions to the greatest extent possible; or

(G) demonstrates a likelihood that the proposed program will continue after support under

this section ceases.

(e) Use of funds

(1) Use by grantees

(A) In general

Except as provided in paragraphs (2) and (3), a grantee may use amounts provided under this section only for—

- (i) direct expenses associated with achieving the greater integration of a health care delivery system so that the system either directly provides or ensures the provision of a broad range of culturally competent services, as appropriate, including primary, secondary, and tertiary services, as well as substance abuse treatment and mental health services; and
- (ii) direct patient care and service expansions to fill identified or documented gaps within an integrated delivery system.

(B) Specific uses

The following are examples of purposes for which a grantee may use grant funds under this section, when such use meets the conditions stated in subparagraph (A):

- (i) Increases in outreach activities and closing gaps in health care service.
- (ii) Improvements to case management.
- (iii) Improvements to coordination of transportation to health care facilities.
- (iv) Development of provider networks and other innovative models to engage physicians in voluntary efforts to serve the medically underserved within a community.
- (v) Recruitment, training, and compensation of necessary personnel.
- (vi) Acquisition of technology for the purpose of coordinating care.
- (vii) Improvements to provider communication, including implementation of shared information systems or shared clinical systems.
- (viii) Development of common processes for determining eligibility for the programs provided through the system, including creating common identification cards and single sliding scale discounts.
- (ix) Development of specific prevention and disease management tools and processes.
- (x) Translation services.
- (xi) Carrying out other activities that may be appropriate to a community and that would increase access by the uninsured to health care, such as access initiatives for which private entities provide non-Federal contributions to supplement the Federal funds provided through the grants for the initiatives.

(2) Direct patient care limitation

Not more than 15 percent of the funds provided under a grant awarded under this section may be used for providing direct patient care and services.

(3) Reservation of funds for national program purposes

The Secretary may use not more than 3 percent of funds appropriated to carry out this section for providing technical assistance to grantees, obtaining assistance of experts and consultants, holding meetings, developing of tools, disseminating of information, evaluation, and carrying out activities that will extend the benefits of programs funded under this section to communities other than the community served by the program funded.

(f) Grantee requirements

(1) Evaluation of effectiveness

A grantee under this section shall—

- (A) report to the Secretary annually regarding—
 - (i) progress in meeting the goals and measurable objectives set forth in the grant application submitted by the grantee under subsection (b); and
 - (ii) the extent to which activities conducted by such grantee have—

(I) improved the effectiveness, efficiency, and coordination of services for uninsured and underinsured individuals in the communities or geographic areas served by such grantee;

(II) resulted in the provision of better quality health care for such individuals; and

(III) resulted in the provision of health care to such individuals at lower cost than would have been possible in the absence of the activities conducted by such grantee; and

(B) provide for an independent annual financial audit of all records that relate to the disposition of funds received through the grant.

(2) Progress

The Secretary may not renew an annual grant under this section for an entity for a fiscal year unless the Secretary is satisfied that the consortium represented by the entity has made reasonable and demonstrable progress in meeting the goals and measurable objectives set forth in the entity's grant application for the preceding fiscal year.

(g) Maintenance of effort

With respect to activities for which a grant under this section is authorized, the Secretary may award such a grant only if the applicant for the grant, and each of the participating providers, agree that the grantee and each such provider will maintain its expenditures of non-Federal funds for such activities at a level that is not less than the level of such expenditures during the fiscal year immediately preceding the fiscal year for which the applicant is applying to receive such grant.

(h) Technical assistance

The Secretary may, either directly or by grant or contract, provide any entity that receives a grant under this section with technical and other nonfinancial assistance necessary to meet the requirements of this section.

(i) Evaluation of program

Not later than September 30, 2005, the Secretary shall prepare and submit to the appropriate committees of Congress a report that describes the extent to which projects funded under this section have been successful in improving the effectiveness, efficiency, and coordination of services for uninsured and underinsured individuals in the communities or geographic areas served by such projects, including whether the projects resulted in the provision of better quality health care for such individuals, and whether such care was provided at lower costs, than would have been provided in the absence of such projects.

(j) Demonstration authority

The Secretary may make demonstration awards under this section to historically black health professions schools for the purposes of—

(1) developing patient-based research infrastructure at historically black health professions schools, which have an affiliation, or affiliations, with any of the providers identified in subsection (b)(1)(B);

(2) establishment of joint and collaborative programs of medical research and data collection between historically black health professions schools and such providers, whose goal is to improve the health status of medically underserved populations; or

(3) supporting the research-related costs of patient care, data collection, and academic training resulting from such affiliations.

(k) Authorization of appropriations

There are authorized to be appropriated to carry out this section such sums as may be necessary for each of fiscal years 2002 through 2006.

(l) Date certain for termination of program

Funds may not be appropriated to carry out this section after September 30, 2006.

DEMONSTRATION PROJECT TO PROVIDE ACCESS TO AFFORDABLE CARE

Pub. L. 111–148, title X, §10504, Mar. 23, 2010, 124 Stat. 1004, provided that:

"(a) **IN GENERAL.**—Not later than 6 months after the date of enactment of this Act [Mar. 23, 2010], the Secretary of Health and Human Services (referred to in this section as the 'Secretary'), acting through the Health Resources and Services Administration, shall establish a 3 year demonstration project in up to 10 States to provide access to comprehensive health care services to the uninsured at reduced fees. The Secretary shall evaluate the feasibility of expanding the project to additional States.

"(b) **ELIGIBILITY.**—To be eligible to participate in the demonstration project, an entity shall be a State-based, nonprofit, public-private partnership that provides access to comprehensive health care services to the uninsured at reduced fees. Each State in which a participant selected by the Secretary is located shall receive not more than \$2,000,000 to establish and carry out the project for the 3-year demonstration period.

"(c) **AUTHORIZATION.**—There is authorized to be appropriated such sums as may be necessary to carry out this section."

PURPOSE

Pub. L. 107–251, title IV, §401, Oct. 26, 2002, 116 Stat. 1655, provided that: "The purpose of this title [enacting this subpart and subpart X (§256f et seq.) of this part and provisions set out as a note under section 1396a of this title] is to provide assistance to communities and consortia of health care providers and others, to develop or strengthen integrated community health care delivery systems that coordinate health care services for individuals who are uninsured or underinsured and to develop or strengthen activities related to providing coordinated care for individuals with chronic conditions who are uninsured or underinsured, through the—

"(1) coordination of services to allow individuals to receive efficient and higher quality care and to gain entry into and receive services from a comprehensive system of care;

"(2) development of the infrastructure for a health care delivery system characterized by effective collaboration, information sharing, and clinical and financial coordination among all providers of care in the community; and

"(3) provision of new Federal resources that do not supplant funding for existing Federal categorical programs that support entities providing services to low-income populations."

§256a. Patient navigator grants

(a) Grants

The Secretary, acting through the Administrator of the Health Resources and Services Administration, may make grants to eligible entities for the development and operation of demonstration programs to provide patient navigator services to improve health care outcomes. The Secretary shall coordinate with, and ensure the participation of, the Indian Health Service, the National Cancer Institute, the Office of Rural Health Policy, and such other offices and agencies as deemed appropriate by the Secretary, regarding the design and evaluation of the demonstration programs.

(b) Use of funds

The Secretary shall require each recipient of a grant under this section to use the grant to recruit, assign, train, and employ patient navigators who have direct knowledge of the communities they serve to facilitate the care of individuals, including by performing each of the following duties:

(1) Acting as contacts, including by assisting in the coordination of health care services and provider referrals, for individuals who are seeking prevention or early detection services for, or who following a screening or early detection service are found to have a symptom, abnormal finding, or diagnosis of, cancer or other chronic disease.

(2) Facilitating the involvement of community organizations in assisting individuals who are at risk for or who have cancer or other chronic diseases to receive better access to high-quality health care services (such as by creating partnerships with patient advocacy groups, charities, health care centers, community hospice centers, other health care providers, or other organizations in the targeted community).

(3) Notifying individuals of clinical trials and, on request, facilitating enrollment of eligible individuals in these trials.

(4) Anticipating, identifying, and helping patients to overcome barriers within the health care system to ensure prompt diagnostic and treatment resolution of an abnormal finding of cancer or other chronic disease.

(5) Coordinating with the relevant health insurance ombudsman programs to provide information to individuals who are at risk for or who have cancer or other chronic diseases about health coverage, including private insurance, health care savings accounts, and other publicly funded programs (such as Medicare, Medicaid, health programs operated by the Department of Veterans Affairs or the Department of Defense, the State children's health insurance program, and any private or governmental prescription assistance programs).

(6) Conducting ongoing outreach to health disparity populations, including the uninsured, rural populations, and other medically underserved populations, in addition to assisting other individuals who are at risk for or who have cancer or other chronic diseases to seek preventative care.

(c) Prohibitions

(1) Referral fees

The Secretary shall require each recipient of a grant under this section to prohibit any patient navigator providing services under the grant from accepting any referral fee, kickback, or other thing of value in return for referring an individual to a particular health care provider.

(2) Legal fees and costs

The Secretary shall prohibit the use of any grant funds received under this section to pay any fees or costs resulting from any litigation, arbitration, mediation, or other proceeding to resolve a legal dispute.

(d) Grant period

(1) In general

Subject to paragraphs (2) and (3), the Secretary may award grants under this section for periods of not more than 3 years.

(2) Extensions

Subject to paragraph (3), the Secretary may extend the period of a grant under this section. Each such extension shall be for a period of not more than 1 year.

(3) Limitations on grant period

In carrying out this section, the Secretary shall ensure that the total period of a grant does not exceed 4 years.

(e) Application

(1) In general

To seek a grant under this section, an eligible entity shall submit an application to the Secretary in such form, in such manner, and containing such information as the Secretary may require.

(2) Contents

At a minimum, the Secretary shall require each such application to outline how the eligible entity will establish baseline measures and benchmarks that meet the Secretary's requirements to evaluate program outcomes.

(3) Minimum core proficiencies

The Secretary shall not award a grant to an entity under this section unless such entity provides assurances that patient navigators recruited, assigned, trained, or employed using grant funds meet minimum core proficiencies, as defined by the entity that submits the application, that are tailored for the main focus or intervention of the navigator involved.

(f) Uniform baseline measures

The Secretary shall establish uniform baseline measures in order to properly evaluate the impact of the demonstration projects under this section.

(g) Preference

In making grants under this section, the Secretary shall give preference to eligible entities that demonstrate in their applications plans to utilize patient navigator services to overcome significant barriers in order to improve health care outcomes in their respective communities.

(h) Duplication of services

An eligible entity that is receiving Federal funds for activities described in subsection (b) on the date on which the entity submits an application under subsection (e) may not receive a grant under this section unless the entity can demonstrate that amounts received under the grant will be utilized to expand services or provide new services to individuals who would not otherwise be served.

(i) Coordination with other programs

The Secretary shall ensure coordination of the demonstration grant program under this section with existing authorized programs in order to facilitate access to high-quality health care services.

(j) Study; reports

(1) Final report by Secretary

Not later than 6 months after the completion of the demonstration grant program under this section, the Secretary shall conduct a study of the results of the program and submit to the Congress a report on such results that includes the following:

- (A) An evaluation of the program outcomes, including—
 - (i) quantitative analysis of baseline and benchmark measures; and
 - (ii) aggregate information about the patients served and program activities.

(B) Recommendations on whether patient navigator programs could be used to improve patient outcomes in other public health areas.

(2) Interim reports by Secretary

The Secretary may provide interim reports to the Congress on the demonstration grant program

under this section at such intervals as the Secretary determines to be appropriate.

(3) Reports by grantees

The Secretary may require grant recipients under this section to submit interim and final reports on grant program outcomes.

(k) Rule of construction

This section shall not be construed to authorize funding for the delivery of health care services (other than the patient navigator duties listed in subsection (b)).

(l) Definitions

In this section:

(1) The term "eligible entity" means a public or nonprofit private health center (including a Federally qualified health center (as that term is defined in section 1395x(aa)(4) of this title)), a health facility operated by or pursuant to a contract with the Indian Health Service, a hospital, a cancer center, a rural health clinic, an academic health center, or a nonprofit entity that enters into a partnership or coordinates referrals with such a center, clinic, facility, or hospital to provide patient navigator services.

(2) The term "health disparity population" means a population that, as determined by the Secretary, has a significant disparity in the overall rate of disease incidence, prevalence, morbidity, mortality, or survival rates as compared to the health status of the general population.

(3) The term "patient navigator" means an individual who has completed a training program approved by the Secretary to perform the duties listed in subsection (b).

(m) Authorization of appropriations

(1) In general

To carry out this section, there are authorized to be appropriated \$2,000,000 for fiscal year 2006, \$5,000,000 for fiscal year 2007, \$8,000,000 for fiscal year 2008, \$6,500,000 for fiscal year 2009, \$3,500,000 for fiscal year 2010, and such sums as may be necessary for each of fiscal years 2011 through 2015.

(2) Availability

The amounts appropriated pursuant to paragraph (1) shall remain available for obligation through the end of fiscal year 2015.

Subsec. (m)(1). Pub. L. 111–148, §3510(3)(A), substituted "\$3,500,000 for fiscal year 2010, and such sums as may be necessary for each of fiscal years 2011 through 2015" for "and \$3,500,000 for fiscal year 2010".

§256a–1. Establishing community health teams to support the patient-centered medical home

(a) In general

The Secretary of Health and Human Services (referred to in this section as the "Secretary") shall establish a program to provide grants to or enter into contracts with eligible entities to establish community-based interdisciplinary, interprofessional teams (referred to in this section as "health teams") to support primary care practices, including obstetrics and gynecology practices, within the hospital service areas served by the eligible entities. Grants or contracts shall be used to—

- (1) establish health teams to provide support services to primary care providers; and
- (2) provide capitated payments to primary care providers as determined by the Secretary.

(b) Eligible entities

To be eligible to receive a grant or contract under subsection (a), an entity shall—

- (1)(A) be a State or State-designated entity; or
- (B) be an Indian tribe or tribal organization, as defined in section 1603 of title 25;
- (2) submit a plan for achieving long-term financial sustainability within 3 years;
- (3) submit a plan for incorporating prevention initiatives and patient education and care management resources into the delivery of health care that is integrated with community-based prevention and treatment resources, where available;
- (4) ensure that the health team established by the entity includes an interdisciplinary, interprofessional team of health care providers, as determined by the Secretary; such team may include medical specialists, nurses, pharmacists, nutritionists, dieticians, social workers, behavioral and mental health providers (including substance use disorder prevention and treatment providers), doctors of chiropractic, licensed complementary and alternative medicine practitioners, and physicians' assistants;
- (5) agree to provide services to eligible individuals with chronic conditions, as described in section 1396w–4 of this title (as added by section 2703), in accordance with the payment methodology established under subsection (c) of such section; and
- (6) submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require.

(c) Requirements for health teams

A health team established pursuant to a grant or contract under subsection (a) shall—

- (1) establish contractual agreements with primary care providers to provide support services;
- (2) support patient-centered medical homes, defined as a mode of care that includes—
 - (A) personal physicians or other primary care providers;
 - (B) whole person orientation;
 - (C) coordinated and integrated care;
 - (D) safe and high-quality care through evidence-informed medicine, appropriate use of health information technology, and continuous quality improvements;
 - (E) expanded access to care; and
 - (F) payment that recognizes added value from additional components of patient-centered care;
- (3) collaborate with local primary care providers and existing State and community based resources to coordinate disease prevention, chronic disease management, transitioning between health care providers and settings and case management for patients, including children, with priority given to those amenable to prevention and with chronic diseases or conditions identified by the Secretary;
- (4) in collaboration with local health care providers, develop and implement interdisciplinary,

interprofessional care plans that integrate clinical and community preventive and health promotion services for patients, including children, with a priority given to those amenable to prevention and with chronic diseases or conditions identified by the Secretary;

(5) incorporate health care providers, patients, caregivers, and authorized representatives in program design and oversight;

(6) provide support necessary for local primary care providers to—

(A) coordinate and provide access to high-quality health care services;

(B) coordinate and provide access to preventive and health promotion services;

(C) provide access to appropriate specialty care and inpatient services;

(D) provide quality-driven, cost-effective, culturally appropriate, and patient- and family-centered health care;

(E) provide access to pharmacist-delivered medication management services, including medication reconciliation;

(F) provide coordination of the appropriate use of complementary and alternative (CAM) services to those who request such services;

(G) promote effective strategies for treatment planning, monitoring health outcomes and resource use, sharing information, treatment decision support, and organizing care to avoid duplication of service and other medical management approaches intended to improve quality and value of health care services;

(H) provide local access to the continuum of health care services in the most appropriate setting, including access to individuals that implement the care plans of patients and coordinate care, such as integrative health care practitioners;

(I) collect and report data that permits evaluation of the success of the collaborative effort on patient outcomes, including collection of data on patient experience of care, and identification of areas for improvement; and

(J) establish a coordinated system of early identification and referral for children at risk for developmental or behavioral problems such as through the use of infolines, health information technology, or other means as determined by the Secretary;

(7) provide 24-hour care management and support during transitions in care settings including—

(A) a transitional care program that provides onsite visits from the care coordinator,¹ assists with the development of discharge plans and medication reconciliation upon admission to and discharge from the hospitals,² nursing home, or other institution setting;

(B) discharge planning and counseling support to providers, patients, caregivers, and authorized representatives;

(C) assuring that post-discharge care plans include medication management, as appropriate;

(D) referrals for mental and behavioral health services, which may include the use of infolines; and

(E) transitional health care needs from adolescence to adulthood;

(8) serve as a liaison to community prevention and treatment programs;

(9) demonstrate a capacity to implement and maintain health information technology that meets the requirements of certified EHR technology (as defined in section 300jj of this title) to facilitate coordination among members of the applicable care team and affiliated primary care practices; and

(10) where applicable, report to the Secretary information on quality measures used under section 280j-2 of this title.

(d) Requirement for primary care providers

A provider who contracts with a care team shall—

(1) provide a care plan to the care team for each patient participant;

(2) provide access to participant health records; and

(3) meet regularly with the care team to ensure integration of care.

(e) Reporting to Secretary

An entity that receives a grant or contract under subsection (a) shall submit to the Secretary a report that describes and evaluates, as requested by the Secretary, the activities carried out by the entity under subsection (c).

(f) Definition of primary care

In this section, the term "primary care" means the provision of integrated, accessible health care services by clinicians who are accountable for addressing a large majority of personal health care needs, developing a sustained partnership with patients, and practicing in the context of family and community.

(a) Requirements for agreement with Secretary

(1) In general

The Secretary shall enter into an agreement with each manufacturer of covered outpatient drugs under which the amount required to be paid (taking into account any rebate or discount, as provided by the Secretary) to the manufacturer for covered outpatient drugs (other than drugs described in paragraph (3)) purchased by a covered entity on or after the first day of the first month that begins after November 4, 1992, does not exceed an amount equal to the average manufacturer price for the drug under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] in the preceding calendar quarter, reduced by the rebate percentage described in paragraph (2). Each such agreement shall require that the manufacturer furnish the Secretary with reports, on a quarterly basis, of the price for each covered outpatient drug subject to the agreement that, according to the manufacturer, represents the maximum price that covered entities may permissibly be required to pay for the drug (referred to in this section as the "ceiling price"), and shall require that the manufacturer offer each covered entity covered outpatient drugs for purchase at or below the applicable ceiling price if such drug is made available to any other purchaser at any price.

(2) "Rebate percentage" defined

(A) In general

For a covered outpatient drug purchased in a calendar quarter, the "rebate percentage" is the amount (expressed as a percentage) equal to—

- (i) the average total rebate required under section 1927(c) of the Social Security Act [42 U.S.C. 1396r-8(c)] with respect to the drug (for a unit of the dosage form and strength involved) during the preceding calendar quarter; divided by
- (ii) the average manufacturer price for such a unit of the drug during such quarter.

(B) Over the counter drugs

(i) In general

For purposes of subparagraph (A), in the case of over the counter drugs, the "rebate percentage" shall be determined as if the rebate required under section 1927(c) of the Social Security Act [42 U.S.C. 1396r-8(c)] is based on the applicable percentage provided under section 1927(c)(3) of such Act.

(ii) "Over the counter drug" defined

The term "over the counter drug" means a drug that may be sold without a prescription and which is prescribed by a physician (or other persons authorized to prescribe such drug under State law).

(3) Drugs provided under State medicaid plans

Drugs described in this paragraph are drugs purchased by the entity for which payment is made by the State under the State plan for medical assistance under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.].

(4) "Covered entity" defined

In this section, the term "covered entity" means an entity that meets the requirements described in paragraph (5) and is one of the following:

- (A) A Federally-qualified health center (as defined in section 1905(l)(2)(B) of the Social Security Act [42 U.S.C. 1396d(1)(2)(B)]).
- (B) An entity receiving a grant under section 256a ¹ of this title.
- (C) A family planning project receiving a grant or contract under section 300 of this title.
- (D) An entity receiving a grant under subpart II ¹ of part C of subchapter XXIV (relating to categorical grants for outpatient early intervention services for HIV disease).
- (E) A State-operated AIDS drug purchasing assistance program receiving financial assistance under subchapter XXIV.
- (F) A black lung clinic receiving funds under section 937(a) of title 30.
- (G) A comprehensive hemophilia diagnostic treatment center receiving a grant under section 501(a)(2) of the Social Security Act [42 U.S.C. 701(a)(2)].
- (H) A Native Hawaiian Health Center receiving funds under the Native Hawaiian Health Care Act of 1988.
- (I) An urban Indian organization receiving funds under title V of the Indian Health Care Improvement Act [25 U.S.C. 1651 et seq.].
- (J) Any entity receiving assistance under subchapter XXIV (other than a State or unit of local government or an entity described in subparagraph (D)), but only if the entity is certified by the Secretary pursuant to paragraph (7).
- (K) An entity receiving funds under section 247c of this title (relating to treatment of sexually transmitted diseases) or section 247b(j)(2) ¹ of this title (relating to treatment of tuberculosis) through a State or unit of local government, but only if the entity is certified by the Secretary pursuant to paragraph (7).
- (L) A subsection (d) hospital (as defined in section 1886(d)(1)(B) of the Social Security Act [42 U.S.C. 1395ww(d)(1)(B)]) that—

(i) is owned or operated by a unit of State or local government, is a public or private non-profit corporation which is formally granted governmental powers by a unit of State or local government, or is a private non-profit hospital which has a contract with a State or local government to provide health care services to low income individuals who are not entitled to benefits under title XVIII of the Social Security Act [42 U.S.C. 1395 et seq.] or eligible for assistance under the State plan under this subchapter;

(ii) for the most recent cost reporting period that ended before the calendar quarter involved, had a disproportionate share adjustment percentage (as determined under section 1886(d)(5)(F) of the Social Security Act [42 U.S.C. 1395ww(d)(5)(F)]) greater than 11.75 percent or was described in section 1886(d)(5)(F)(i)(II) of such Act [42 U.S.C. 1395ww(d)(5)(F)(i)(II)]; and

(iii) does not obtain covered outpatient drugs through a group purchasing organization or other group purchasing arrangement.

(M) A children's hospital excluded from the Medicare prospective payment system pursuant to section 1886(d)(1)(B)(iii) of the Social Security Act [42 U.S.C. 1395ww(d)(1)(B)(iii)], or a free-standing cancer hospital excluded from the Medicare prospective payment system pursuant to section 1886(d)(1)(B)(v) of the Social Security Act, that would meet the requirements of subparagraph (L), including the disproportionate share adjustment percentage requirement under clause (ii) of such subparagraph, if the hospital were a subsection (d) hospital as defined by section 1886(d)(1)(B) of the Social Security Act.

(N) An entity that is a critical access hospital (as determined under section 1820(c)(2) of the Social Security Act [42 U.S.C. 1395i-4(c)(2)]), and that meets the requirements of subparagraph (L)(i).

(O) An entity that is a rural referral center, as defined by section 1886(d)(5)(C)(i) of the Social Security Act [42 U.S.C. 1395ww(d)(5)(C)(i)], or a sole community hospital, as defined by section 1886(d)(5)(C)(iii) of such Act, and that both meets the requirements of subparagraph (L)(i) and has a disproportionate share adjustment percentage equal to or greater than 8 percent.

(5) Requirements for covered entities

(A) Prohibiting duplicate discounts or rebates

(i) In general

A covered entity shall not request payment under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] for medical assistance described in section 1905(a)(12) of such Act [42 U.S.C. 1396d(a)(12)] with respect to a drug that is subject to an agreement under this section if the drug is subject to the payment of a rebate to the State under section 1927 of such Act [42 U.S.C. 1396r-8].

(ii) Establishment of mechanism

The Secretary shall establish a mechanism to ensure that covered entities comply with clause (i). If the Secretary does not establish a mechanism within 12 months under the previous sentence, the requirements of section 1927(a)(5)(C) of the Social Security Act [42 U.S.C. 1396r-8(a)(5)(C)] shall apply.

(B) Prohibiting resale of drugs

With respect to any covered outpatient drug that is subject to an agreement under this subsection, a covered entity shall not resell or otherwise transfer the drug to a person who is not a patient of the entity.

(C) Auditing

A covered entity shall permit the Secretary and the manufacturer of a covered outpatient drug that is subject to an agreement under this subsection with the entity (acting in accordance with procedures established by the Secretary relating to the number, duration, and scope of audits) to audit at the Secretary's or the manufacturer's expense the records of the entity that directly

pertain to the entity's compliance with the requirements described in subparagraphs ² (A) or (B) with respect to drugs of the manufacturer.

(D) Additional sanction for noncompliance

If the Secretary finds, after audit as described in subparagraph (C) and after notice and hearing, that a covered entity is in violation of a requirement described in subparagraphs ² (A) or (B), the covered entity shall be liable to the manufacturer of the covered outpatient drug that is the subject of the violation in an amount equal to the reduction in the price of the drug (as described in subparagraph (A)) provided under the agreement between the entity and the manufacturer under this paragraph.

(6) Treatment of distinct units of hospitals

In the case of a covered entity that is a distinct part of a hospital, the hospital shall not be considered a covered entity under this paragraph unless the hospital is otherwise a covered entity under this subsection.

(7) Certification of certain covered entities

(A) Development of process

Not later than 60 days after November 4, 1992, the Secretary shall develop and implement a process for the certification of entities described in subparagraphs (J) and (K) of paragraph (4).

(B) Inclusion of purchase information

The process developed under subparagraph (A) shall include a requirement that an entity applying for certification under this paragraph submit information to the Secretary concerning the amount such entity expended for covered outpatient drugs in the preceding year so as to assist the Secretary in evaluating the validity of the entity's subsequent purchases of covered outpatient drugs at discounted prices.

(C) Criteria

The Secretary shall make available to all manufacturers of covered outpatient drugs a description of the criteria for certification under this paragraph.

(D) List of purchasers and dispensers

The certification process developed by the Secretary under subparagraph (A) shall include procedures under which each State shall, not later than 30 days after the submission of the descriptions under subparagraph (C), prepare and submit a report to the Secretary that contains a list of entities described in subparagraphs (J) and (K) of paragraph (4) that are located in the State.

(E) Recertification

The Secretary shall require the recertification of entities certified pursuant to this paragraph on a not more frequent than annual basis, and shall require that such entities submit information to the Secretary to permit the Secretary to evaluate the validity of subsequent purchases by such entities in the same manner as that required under subparagraph (B).

(8) Development of prime vendor program

The Secretary shall establish a prime vendor program under which covered entities may enter into contracts with prime vendors for the distribution of covered outpatient drugs. If a covered entity obtains drugs directly from a manufacturer, the manufacturer shall be responsible for the costs of distribution.

(9) Notice to manufacturers

The Secretary shall notify manufacturers of covered outpatient drugs and single State agencies under section 1902(a)(5) of the Social Security Act [42 U.S.C. 1396a(a)(5)] of the identities of covered entities under this paragraph, and of entities that no longer meet the requirements of paragraph (5) or that are no longer certified pursuant to paragraph (7).

(10) No prohibition on larger discount

Nothing in this subsection shall prohibit a manufacturer from charging a price for a drug that is lower than the maximum price that may be charged under paragraph (1).

(b) Other definitions

(1) In general

In this section, the terms "average manufacturer price", "covered outpatient drug", and "manufacturer" have the meaning given such terms in section 1927(k) of the Social Security Act [42 U.S.C. 1396r-8(k)].

(2) Covered drug

In this section, the term "covered drug"—

(A) means a covered outpatient drug (as defined in section 1927(k)(2) of the Social Security Act [42 U.S.C. 1396r-8(k)(2)]); and

(B) includes, notwithstanding paragraph (3)(A) of section 1927(k) of such Act [42 U.S.C. 1396r-8(k)(3)(A)], a drug used in connection with an inpatient or outpatient service provided by a hospital described in subparagraph (L), (M), (N), or (O) of subsection (a)(4) that is enrolled to participate in the drug discount program under this section.

(c) Repealed. Pub. L. 111-152, title II, §2302(2), Mar. 30, 2010, 124 Stat. 1083

(d) Improvements in program integrity

(1) Manufacturer compliance

(A) In general

From amounts appropriated under paragraph (4), the Secretary shall provide for improvements in compliance by manufacturers with the requirements of this section in order to prevent overcharges and other violations of the discounted pricing requirements specified in this section.

(B) Improvements

The improvements described in subparagraph (A) shall include the following:

(i) The development of a system to enable the Secretary to verify the accuracy of ceiling prices calculated by manufacturers under subsection (a)(1) and charged to covered entities, which shall include the following:

(I) Developing and publishing through an appropriate policy or regulatory issuance, precisely defined standards and methodology for the calculation of ceiling prices under such subsection.

(II) Comparing regularly the ceiling prices calculated by the Secretary with the quarterly pricing data that is reported by manufacturers to the Secretary.

(III) Performing spot checks of sales transactions by covered entities.

(IV) Inquiring into the cause of any pricing discrepancies that may be identified and either taking, or requiring manufacturers to take, such corrective action as is appropriate in response to such price discrepancies.

(ii) The establishment of procedures for manufacturers to issue refunds to covered entities in the event that there is an overcharge by the manufacturers, including the following:

(I) Providing the Secretary with an explanation of why and how the overcharge occurred, how the refunds will be calculated, and to whom the refunds will be issued.

(II) Oversight by the Secretary to ensure that the refunds are issued accurately and within a reasonable period of time, both in routine instances of retroactive adjustment to relevant pricing data and exceptional circumstances such as erroneous or intentional overcharging for covered outpatient drugs.

(iii) The provision of access through the Internet website of the Department of Health and

Human Services to the applicable ceiling prices for covered outpatient drugs as calculated and verified by the Secretary in accordance with this section, in a manner (such as through the use of password protection) that limits such access to covered entities and adequately assures security and protection of privileged pricing data from unauthorized re-disclosure.

(iv) The development of a mechanism by which—

(I) rebates and other discounts provided by manufacturers to other purchasers subsequent to the sale of covered outpatient drugs to covered entities are reported to the Secretary; and

(II) appropriate credits and refunds are issued to covered entities if such discounts or rebates have the effect of lowering the applicable ceiling price for the relevant quarter for the drugs involved.

(v) Selective auditing of manufacturers and wholesalers to ensure the integrity of the drug discount program under this section.

(vi) The imposition of sanctions in the form of civil monetary penalties, which—

(I) shall be assessed according to standards established in regulations to be promulgated by the Secretary not later than 180 days after March 23, 2010;

(II) shall not exceed \$5,000 for each instance of overcharging a covered entity that may have occurred; and

(III) shall apply to any manufacturer with an agreement under this section that knowingly and intentionally charges a covered entity a price for purchase of a drug that exceeds the maximum applicable price under subsection (a)(1).

(2) Covered entity compliance

(A) In general

From amounts appropriated under paragraph (4), the Secretary shall provide for improvements in compliance by covered entities with the requirements of this section in order to prevent diversion and violations of the duplicate discount provision and other requirements specified under subsection (a)(5).

(B) Improvements

The improvements described in subparagraph (A) shall include the following:

(i) The development of procedures to enable and require covered entities to regularly update (at least annually) the information on the Internet website of the Department of Health and Human Services relating to this section.

(ii) The development of a system for the Secretary to verify the accuracy of information regarding covered entities that is listed on the website described in clause (i).

(iii) The development of more detailed guidance describing methodologies and options available to covered entities for billing covered outpatient drugs to State Medicaid agencies in a manner that avoids duplicate discounts pursuant to subsection (a)(5)(A).

(iv) The establishment of a single, universal, and standardized identification system by which each covered entity site can be identified by manufacturers, distributors, covered entities, and the Secretary for purposes of facilitating the ordering, purchasing, and delivery of covered outpatient drugs under this section, including the processing of chargebacks for such drugs.

(v) The imposition of sanctions, in appropriate cases as determined by the Secretary, additional to those to which covered entities are subject under subsection (a)(5)(D), through one or more of the following actions:

(I) Where a covered entity knowingly and intentionally violates subsection (a)(5)(B), the covered entity shall be required to pay a monetary penalty to a manufacturer or manufacturers in the form of interest on sums for which the covered entity is found liable under subsection (a)(5)(D), such interest to be compounded monthly and equal to the current short term interest rate as determined by the Federal Reserve for the time period for which the covered entity is liable.

(II) Where the Secretary determines a violation of subsection (a)(5)(B) was systematic and egregious as well as knowing and intentional, removing the covered entity from the drug discount program under this section and disqualifying the entity from re-entry into such program for a reasonable period of time to be determined by the Secretary.

(III) Referring matters to appropriate Federal authorities within the Food and Drug Administration, the Office of Inspector General of Department of Health and Human Services, or other Federal agencies for consideration of appropriate action under other Federal statutes, such as the Prescription Drug Marketing Act (21 U.S.C. 353).¹

(3) Administrative dispute resolution process

(A) In general

Not later than 180 days after March 23, 2010, the Secretary shall promulgate regulations to establish and implement an administrative process for the resolution of claims by covered entities that they have been overcharged for drugs purchased under this section, and claims by manufacturers, after the conduct of audits as authorized by subsection (a)(5)(C), of violations of subsections ³(a)(5)(A) or (a)(5)(B), including appropriate procedures for the provision of remedies and enforcement of determinations made pursuant to such process through mechanisms and sanctions described in paragraphs (1)(B) and (2)(B).

(B) Deadlines and procedures

Regulations promulgated by the Secretary under subparagraph (A) shall—

(i) designate or establish a decision-making official or decision-making body within the Department of Health and Human Services to be responsible for reviewing and finally resolving claims by covered entities that they have been charged prices for covered outpatient drugs in excess of the ceiling price described in subsection (a)(1), and claims by manufacturers that violations of subsection (a)(5)(A) or (a)(5)(B) have occurred;

(ii) establish such deadlines and procedures as may be necessary to ensure that claims shall be resolved fairly, efficiently, and expeditiously;

(iii) establish procedures by which a covered entity may discover and obtain such information and documents from manufacturers and third parties as may be relevant to demonstrate the merits of a claim that charges for a manufacturer's product have exceeded the applicable ceiling price under this section, and may submit such documents and information to the administrative official or body responsible for adjudicating such claim;

(iv) require that a manufacturer conduct an audit of a covered entity pursuant to subsection (a)(5)(C) as a prerequisite to initiating administrative dispute resolution proceedings against a covered entity;

(v) permit the official or body designated under clause (i), at the request of a manufacturer or manufacturers, to consolidate claims brought by more than one manufacturer against the same covered entity where, in the judgment of such official or body, consolidation is appropriate and consistent with the goals of fairness and economy of resources; and

(vi) include provisions and procedures to permit multiple covered entities to jointly assert claims of overcharges by the same manufacturer for the same drug or drugs in one administrative proceeding, and permit such claims to be asserted on behalf of covered entities by associations or organizations representing the interests of such covered entities and of which the covered entities are members.

(C) Finality of administrative resolution

The administrative resolution of a claim or claims under the regulations promulgated under subparagraph (A) shall be a final agency decision and shall be binding upon the parties involved, unless invalidated by an order of a court of competent jurisdiction.

(4) Authorization of appropriations

There are authorized to be appropriated to carry out this subsection, such sums as may be necessary for fiscal year 2010 and each succeeding fiscal year.

(e) Exclusion of orphan drugs for certain covered entities

For covered entities described in subparagraph (M) (other than a children's hospital described in subparagraph (M)), (N), or (O) of subsection (a)(4), the term "covered outpatient drug" shall not include a drug designated by the Secretary under section 360bb of title 21 for a rare disease or condition.

AMENDMENTS

2010—Subsec. (a)(1). Pub. L. 111–152, §2302(1)(A), substituted "covered outpatient drug" for "covered drug" and "covered outpatient drugs" for "covered drugs" wherever appearing.

Pub. L. 111–148, §7102(b)(1), inserted at end "Each such agreement shall require that the manufacturer furnish the Secretary with reports, on a quarterly basis, of the price for each covered drug subject to the agreement that, according to the manufacturer, represents the maximum price that covered entities may permissibly be required to pay for the drug (referred to in this section as the 'ceiling price'), and shall require that the manufacturer offer each covered entity covered drugs for purchase at or below the applicable ceiling price if such drug is made available to any other purchaser at any price."

Subsec. (a)(2)(A). Pub. L. 111–152, §2302(1)(A), substituted "covered outpatient drug" for "covered drug"

in introductory provisions.

Pub. L. 111–148, §7101(b)(1), substituted "covered drug" for "covered outpatient drug" in introductory provisions.

Subsec. (a)(2)(B)(i). Pub. L. 111–148, §2501(f)(1)(A), substituted "1927(c)(3)" for "1927(c)(4)".

Subsec. (a)(4)(L). Pub. L. 111–152, §2302(1)(B), struck out "and" at end of cl. (i), substituted "; and" for period at end of cl. (ii), and added cl. (iii).

Pub. L. 111–148, §7101(c)(1), in cl. (i), inserted "and" at end, in cl. (ii), substituted period for "; and" at end, and struck out cl. (iii) which read as follows: "does not obtain covered outpatient drugs through a group purchasing organization or other group purchasing arrangement."

Subsec. (a)(4)(M) to (O). Pub. L. 111–148, §7101(a), added subpars. (M) to (O).

Subsec. (a)(5)(B). Pub. L. 111–152, §2302(1)(A), substituted "covered outpatient drug" for "covered drug".

Pub. L. 111–148, §7101(b)(1), substituted "covered drug" for "covered outpatient drug".

Subsec. (a)(5)(C). Pub. L. 111–152, §2302(1)(C)(i), (ii), redesignated subpar. (D) as (C) and struck out former subpar. (C). Prior to amendment, text of subpar. (C) read as follows:

"(i) IN GENERAL.—A hospital described in subparagraph (L), (M), (N), or (O) of paragraph (4) shall not obtain covered outpatient drugs through a group purchasing organization or other group purchasing arrangement, except as permitted or provided for pursuant to clauses (ii) or (iii).

"(ii) INPATIENT DRUGS.—Clause (i) shall not apply to drugs purchased for inpatient use.

"(iii) EXCEPTIONS.—The Secretary shall establish reasonable exceptions to clause (i)—

"(I) with respect to a covered outpatient drug that is unavailable to be purchased through the program under this section due to a drug shortage problem, manufacturer noncompliance, or any other circumstance beyond the hospital's control;

"(II) to facilitate generic substitution when a generic covered outpatient drug is available at a lower price; or

"(III) to reduce in other ways the administrative burdens of managing both inventories of drugs subject to this section and inventories of drugs that are not subject to this section, so long as the exceptions do not create a duplicate discount problem in violation of subparagraph (A) or a diversion problem in violation of subparagraph (B).

"(iv) PURCHASING ARRANGEMENTS FOR INPATIENT DRUGS.—The Secretary shall ensure that a hospital described in subparagraph (L), (M), (N), or (O) of subsection (a)(4) that is enrolled to participate in the drug discount program under this section shall have multiple options for purchasing covered outpatient drugs for inpatients, including by utilizing a group purchasing organization or other group purchasing arrangement, establishing and utilizing its own group purchasing program, purchasing directly from a manufacturer, and any other purchasing arrangements that the Secretary determines is appropriate to ensure access to drug discount pricing under this section for inpatient drugs taking into account the particular needs of small and rural hospitals."

Pub. L. 111–148, §7101(c)(2)(B), added subpar. (C). Former subpar. (C) redesignated (D).

Pub. L. 111–148, §7101(b)(1), substituted "covered drug" for "covered outpatient drug".

Subsec. (a)(5)(C)(iv). Pub. L. 111–152, §2302(1)(A), substituted "covered outpatient drugs" for "covered drugs".

Subsec. (a)(5)(D). Pub. L. 111–152, §2302(1)(C)(ii), (iii), redesignated subpar. (E) as (D) and substituted "subparagraph (C)" for "subparagraph (D)". Former subpar. (D) redesignated (C).

Pub. L. 111–152, §2302(1)(A), substituted "covered outpatient drug" for "covered drug".

Pub. L. 111–148, §7101(c)(2)(A), redesignated subpar. (C) as (D). Former subpar. (D) redesignated (E).

Pub. L. 111–148, §7101(b)(1), substituted "covered drug" for "covered outpatient drug".

Subsec. (a)(5)(E). Pub. L. 111–152, §2302(1)(C)(ii), redesignated subpar. (E) as (D).

Pub. L. 111–152, §2302(1)(A), substituted "covered outpatient drug" for "covered drug".

Pub. L. 111–148, §§7101(c)(2)(A), 7102(b)(2), redesignated subpar. (D) as (E) and inserted "after audit as described in subparagraph (D) and" after "finds,".

Subsec. (a)(7). Pub. L. 111–152, §2302(1)(A), substituted "covered outpatient drugs" for "covered drugs" wherever appearing.

Pub. L. 111–148, §7101(b)(1), substituted "covered drugs" for "covered outpatient drugs" wherever appearing.

Subsec. (a)(9). Pub. L. 111–152, §2302(1)(A), substituted "covered outpatient drugs" for "covered drugs".

Pub. L. 111–148, §7101(b)(1), substituted "covered drugs" for "covered outpatient drugs".

Subsec. (b). Pub. L. 111–148, §7101(b)(2)(A), which directed substitution of "Other definitions" for "Other definition" in subsec. heading, designation of existing provisions as par. (1), and insertion of par. (1) heading, was executed by reenacting subsec. heading without change, designating existing provisions as par. (1), and

inserting par. (1) heading, to reflect the probable intent of Congress.

Subsec. (b)(2). Pub. L. 111–148, §7101(b)(2)(B), added par. (2).

Subsec. (c). Pub. L. 111–152, §2302(2), struck out subsec. (c). Text read as follows: "Not later than 90 days after the date of filing of the hospital's most recently filed Medicare cost report, the hospital shall issue a credit as determined by the Secretary to the State Medicaid program for inpatient covered drugs provided to Medicaid recipients."

Pub. L. 111–148, §7101(d), added subsec. (c) and struck out former subsec. (c). Prior to amendment, text read as follows: "A manufacturer is deemed to meet the requirements of subsection (a) of this section if the manufacturer establishes to the satisfaction of the Secretary that the manufacturer would comply (and has offered to comply) with the provisions of this section (as in effect immediately after November 4, 1992), as applied by the Secretary, and would have entered into an agreement under this section (as such section was in effect at such time), but for a legislative change in this section (or the application of this section) after November 4, 1992."

Pub. L. 111–148, §2501(f)(1)(B), (C), redesignated subsec. (d) as (c) and struck out former subsec. (c). Text of former subsec. (c) read as follows: "Any reference in this section to a provision of the Social Security Act shall be deemed to be a reference to the provision as in effect on November 4, 1992."

Subsec. (d). Pub. L. 111–152, §2302(3), substituted "covered outpatient drugs" for "covered drugs" wherever appearing and substituted "(a)(5)(C)" for "(a)(5)(D)" and "(a)(5)(D)" for "(a)(5)(E)" in two places.

Pub. L. 111–148, §7102(a), which directed general amendment of subsec. (d), was executed by adding subsec. (d) after subsec. (c) to reflect the probable intent of Congress, because no subsec. (d) appeared subsequent to amendment by Pub. L. 111–148, §2501(f)(1)(C). See below.

Pub. L. 111–148, §2501(f)(1)(C), redesignated subsec. (d) as (c).

Subsec. (e). Pub. L. 111–309 substituted "covered entities described in subparagraph (M) (other than a children's hospital described in subparagraph (M))" for "covered entities described in subparagraph (M)".

Pub. L. 111–152, §2302(4), added subsec. (e).

1993—Pub. L. 103–43 made technical amendment to directory language of Pub. L. 102–585, §602(a), which enacted this section.

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2010 AMENDMENT

Pub. L. 111–309, title II, §204(a)(2), Dec. 15, 2010, 124 Stat. 3289, provided that: "The amendment made by paragraph (1) [amending this section] shall take effect as if included in the enactment of section 2302 of the Health Care and Education Reconciliation Act of 2010 (Public Law 111–152)."

Pub. L. 111–148, title II, §2501(f)(2), Mar. 23, 2010, 124 Stat. 310, provided that: "The amendments made by this subsection [amending this section] take effect on January 1, 2010."

Pub. L. 111–148, title VII, §7101(e), Mar. 23, 2010, 124 Stat. 823, provided that:

"(1) **IN GENERAL.**—The amendments made by this section [amending this section] and section 7102 [amending this section] shall take effect on January 1, 2010, and shall apply to drugs purchased on or after January 1, 2010.

"(2) **EFFECTIVENESS.**—The amendments made by this section and section 7102 shall be effective and shall be taken into account in determining whether a manufacturer is deemed to meet the requirements of section 340B(a) of the Public Health Service Act (42 U.S.C. 256b(a)), notwithstanding any other provision of law."

ELIGIBILITY EXCEPTION FOR THE DRUG DISCOUNT PROGRAM DUE TO THE COVID–19 PUBLIC HEALTH EMERGENCY

Pub. L. 117–103, div. P, title I, §121, Mar. 15, 2022, 136 Stat. 792, provided that:

"(a) **IN GENERAL.**—Notwithstanding any other provision of law, in the case of a hospital described in subsection (b) that, with respect to cost reporting periods that begin during fiscal year 2020 or a subsequent fiscal year, but do not end after December 31, 2022, does not meet the applicable requirement for the disproportionate share adjustment percentage described in subsection (c) by reason of the COVID–19 public health emergency, but otherwise meets the requirements for being a covered entity under subparagraph (L), (M), or (O) of subsection (a)(4) of section 340B of the Public Health Service Act (42 U.S.C. 256b) and is in compliance with all other requirements of the program under such section, shall be deemed a covered entity for purposes of such section for the period—

"(1) beginning on the date of the enactment of this Act [Mar. 15, 2022] (or, if later, with the first of such cost reporting periods for which the hospital does not so meet such applicable requirement for the

disproportionate share adjustment percentage, but otherwise meets all other such requirements for being such a covered entity and of such program); and

"(2) ending with the last of such cost reporting periods (ending not later than December 31, 2022) for which the hospital does not so meet such applicable requirement for the disproportionate share adjustment percentage, but otherwise meets all other such requirements for being such a covered entity and of such program.

"(b) HOSPITALS.—A hospital described in this subsection is an entity that, on the day before the first day of the COVID–19 public health emergency, was a covered entity described in subparagraph (L), (M), or (O) of subsection (a)(4) of section 340B of the Public Health Service Act participating in the drug discount program under such section.

"(c) APPLICABLE REQUIREMENT FOR DISPROPORTIONATE SHARE ADJUSTMENT PERCENTAGE.—The applicable requirement for the disproportionate share adjustment percentage described in this subsection is—

"(1) in the case of a hospital described in subsection (a) that otherwise meets the requirements under subparagraph (L) or (M) of section 340B(a)(4) of the Public Health Service Act, the requirement under subparagraph (L)(ii) of such section; and

"(2) in the case of a hospital described in subsection (a) that otherwise meets the requirements under subparagraph (O) of such section 340B(a)(4), the requirement with respect to the disproportionate share adjustment percentage described in such subparagraph (O).

"(d) SELF-ATTESTATION.—

"(1) IN GENERAL.—A hospital described in subsection (a) that fails to meet the applicable requirement for the disproportionate share adjustment percentage described in subsection (c) shall, within 30 days of such failure, or in the case of a hospital where such failure occurred prior to the date of enactment of this Act but after the start of the COVID-19 public health emergency, within 30 days of the date of enactment, provide to the Secretary of Health and Human Services an attestation that contains information on any actions taken by or other impact on such hospital in response to or as a result of the COVID-19 public health emergency that may have impacted the ability to meet the applicable requirement for the disproportionate share adjustment percentage described in subsection (c).

"(2) PAPERWORK REDUCTION ACT.—Chapter 35 of title 44, United States Code, shall not apply to the collection of information provided pursuant to this subsection.

"(e) DEFINITIONS.—In this section:

"(1) COVERED ENTITY.—The term 'covered entity' has the meaning given such term in section 340B(a)(4) of the Public Health Service Act (42 U.S.C. 256b(a)(4)).

"(2) COVID–19 PUBLIC HEALTH EMERGENCY.—The term 'COVID–19 public health emergency' means the public health emergency declared by the Secretary of Health and Human Services under section 319 of the Public Health Service Act (42 U.S.C. 247d) on January 31, 2020, with respect to COVID–19 (or any renewal of such declaration)."

PRICING OF DIAGNOSTIC TESTING

Pub. L. 116–136, div. A, title III, §3202, Mar. 27, 2020, 134 Stat. 367, provided that:

"(a) REIMBURSEMENT RATES.—A group health plan or a health insurance issuer providing coverage of items and services described in section 6001(a) of division F of the Families First Coronavirus Response Act (Public Law 116–127) [42 U.S.C. 1320b–5 note] with respect to an enrollee shall reimburse the provider of the diagnostic testing as follows:

"(1) If the health plan or issuer has a negotiated rate with such provider in effect before the public health emergency declared under section 319 of the Public Health Service Act (42 U.S.C. 247d), such negotiated rate shall apply throughout the period of such declaration.

"(2) If the health plan or issuer does not have a negotiated rate with such provider, such plan or issuer shall reimburse the provider in an amount that equals the cash price for such service as listed by the provider on a public internet website, or such plan or issuer may negotiate a rate with such provider for less than such cash price.

"(b) REQUIREMENT TO PUBLICIZE CASH PRICE FOR DIAGNOSTIC TESTING FOR COVID–19.—

"(1) IN GENERAL.—During the emergency period declared under section 319 of the Public Health Service Act (42 U.S.C. 247d), each provider of a diagnostic test for COVID–19 shall make public the cash price for such test on a public internet website of such provider.

"(2) CIVIL MONETARY PENALTIES.—The Secretary of Health and Human Services may impose a civil monetary penalty on any provider of a diagnostic test for COVID–19 that is not in compliance with paragraph (1) and has not completed a corrective action plan to comply with the requirements of such

paragraph, in an amount not to exceed \$300 per day that the violation is ongoing."

STUDY OF TREATMENT OF CERTAIN CLINICS AS COVERED ENTITIES ELIGIBLE FOR PRESCRIPTION DRUG DISCOUNTS

Pub. L. 102–585, title VI, §602(b), Nov. 4, 1992, 106 Stat. 4970, directed Secretary of Health and Human Services to conduct a study of feasibility and desirability of including specified entities receiving funds from a State as covered entities eligible for limitations on prices of covered outpatient drugs under 42 U.S.C. 256b(a) and, not later than 1 year after Nov. 4, 1992, to submit a report to Congress on the study, including in the report a description of the entities that were the subject of the study, an analysis of the extent to which such entities procured prescription drugs, and an analysis of the impact of the inclusion of such entities as covered entities on the quality of care provided to and the health status of the patients of such entities.

SUBPART VIII—BULK PURCHASES OF VACCINES FOR CERTAIN PROGRAMS

EDITORIAL NOTES

CODIFICATION

Pub. L. 103–43, title XX, §2008(i)(2)(A)(i), June 10, 1993, 107 Stat. 213, made technical amendment relating to placement of subpart VIII within part D of this subchapter.

§256c. Bulk purchases of vaccines for certain programs

(a) Agreements for purchases

(1) In general

Not later than 180 days after October 27, 1992, the Secretary, acting through the Director of the Centers for Disease Control and Prevention and in consultation with the Administrator of the Health Resources and Services Administration, shall enter into negotiations with manufacturers of vaccines for the purpose of establishing and maintaining agreements under which entities described in paragraph (2) may purchase vaccines from the manufacturers at the prices specified in the agreements.

(2) Relevant entities

The entities referred to in paragraph (1) are entities that provide immunizations against vaccine-preventable diseases with assistance provided under section 254b of this title.

(b) Negotiation of prices

In carrying out subsection (a), the Secretary shall, to the extent practicable, ensure that the prices provided for in agreements under such subsection are comparable to the prices provided for in agreements negotiated by the Secretary on behalf of grantees under section 247b(j)(1) of this title.

(c) Authority of Secretary

In carrying out subsection (a), the Secretary, in the discretion of the Secretary, may enter into the agreements described in such subsection (and may decline to enter into such agreements), may modify such agreements, may extend such agreements, and may terminate such agreements.

(d) Rule of construction

This section may not be construed as requiring any State to reduce or terminate the supply of vaccines provided by the State to any of the entities described in subsection (a)(2).

(July 1, 1944, ch. 373, title III, §340C, formerly §340B, as added Pub. L. 102–531, title III, §305, Oct. 27, 1992, 106 Stat. 3494; renumbered §340C, Pub. L. 103–43, title XX, §2008(i)(2)(A)(ii), June 10, 1993, 107 Stat. 213; amended Pub. L. 104–299, §4(a)(2), Oct. 11, 1996, 110 Stat. 3645.)

EDITORIAL NOTES

AMENDMENTS

1996—Subsec. (a)(2). Pub. L. 104–299 substituted "with assistance provided under section 254b of this title" for "under the programs established in sections 254b, 254c, 256, and 256a of this title."

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 1996 AMENDMENT

Amendment by Pub. L. 104–299 effective Oct. 1, 1996, see section 5 of Pub. L. 104–299, as amended, set out as a note under section 233 of this title.

§256d. Breast and cervical cancer information

(a) In general

As a condition of receiving grants, cooperative agreements, or contracts under this chapter, each of the entities specified in subsection (c) shall, to the extent determined to be appropriate by the Secretary, make available information concerning breast and cervical cancer.

(b) Certain authorities

In carrying out subsection (a), an entity specified in subsection (c)—

(1) may make the information involved available to such individuals as the entity determines appropriate;

(2) may, as appropriate, provide information under subsection (a) on the need for self-examination of the breasts and on the skills for such self-examinations;

(3) shall provide information under subsection (a) in the language and cultural context most appropriate to the individuals to whom the information is provided; and

(4) shall refer such clients as the entities determine appropriate for breast and cervical cancer screening, treatment, or other appropriate services.

(c) Relevant entities

The entities specified in this subsection are the following:

(1) Entities receiving assistance under section 247b–7 ¹ of this title (relating to tuberculosis).

(2) Entities receiving assistance under section 247c of this title (relating to sexually transmitted diseases).

(3) Migrant health centers receiving assistance under section 254b ¹ of this title.

(4) Community health centers receiving assistance under section 254c ¹ of this title.

(5) Entities receiving assistance under section 254b(h) of this title (relating to homeless individuals).

(6) Entities receiving assistance under section 256a ¹ of this title (relating to health services for residents of public housing).

(7) Entities providing services with assistance under subchapter III–A or subchapter XVII.

(8) Entities receiving assistance under section 300 of this title (relating to family planning).

(9) Entities receiving assistance under subchapter XXIV (relating to services with respect to acquired immune deficiency syndrome).

(10) Non-Federal entities authorized under the Indian Self-Determination Act [25 U.S.C. 5321 et seq.].

(July 1, 1944, ch. 373, title III, §340D, as added Pub. L. 103–183, title I, §104, Dec. 14, 1993, 107 Stat. 2230; amended Pub. L. 106–310, div. A, title XXV, §2502(b), Oct. 17, 2000, 114 Stat. 1163; Pub. L. 107–251, title VI, §601(a), Oct. 26, 2002, 116 Stat. 1664.)

SUBPART IX—SUPPORT OF GRADUATE MEDICAL EDUCATION PROGRAMS IN CHILDREN'S HOSPITALS

§256e. Program of payments to children's hospitals that operate graduate medical education programs

(a) Payments

The Secretary shall make two payments under this section to each children's hospital for each of fiscal years 2000 through 2005, each of fiscal years 2007 through 2011, each of fiscal years 2014 through 2018, and each of fiscal years 2019 through 2023, one for the direct expenses and the other for indirect expenses associated with operating approved graduate medical residency training programs. The Secretary shall promulgate regulations pursuant to the rulemaking requirements of title 5 which shall govern payments made under this subpart.

(b) Amount of payments

(1) In general

Subject to paragraphs (2) and (3), the amounts payable under this section to a children's hospital for an approved graduate medical residency training program for a fiscal year are each of the following amounts:

(A) Direct expense amount

The amount determined under subsection (c) for direct expenses associated with operating approved graduate medical residency training programs.

(B) Indirect expense amount

The amount determined under subsection (d) for indirect expenses associated with the treatment of more severely ill patients and the additional costs relating to teaching residents in such programs.

(2) Capped amount

(A) In general

The total of the payments made to children's hospitals under paragraph (1)(A) or paragraph (1)(B) in a fiscal year shall not exceed the funds appropriated under paragraph (1) or (2), respectively, of subsection (f) for such payments for that fiscal year.

(B) Pro rata reductions of payments for direct expenses

If the Secretary determines that the amount of funds appropriated under subsection (f)(1) for a fiscal year is insufficient to provide the total amount of payments otherwise due for such periods under paragraph (1)(A), the Secretary shall reduce the amounts so payable on a pro rata basis to reflect such shortfall.

(3) Annual reporting required

(A) Reduction in payment for failure to report

(i) In general

The amount payable under this section to a children's hospital for a fiscal year (beginning with fiscal year 2008 and after taking into account paragraph (2)) shall be reduced by 25 percent if the Secretary determines that—

(I) the hospital has failed to provide the Secretary, as an addendum to the hospital's application under this section for such fiscal year, the report required under subparagraph (B) for the previous fiscal year; or

(II) such report fails to provide the information required under any clause of such subparagraph.

(ii) Notice and opportunity to provide missing information

Before imposing a reduction under clause (i) on the basis of a hospital's failure to provide information described in clause (i)(II), the Secretary shall provide notice to the hospital of such failure and the Secretary's intention to impose such reduction and shall provide the hospital with the opportunity to provide the required information within a period of 30 days beginning on the date of such notice. If the hospital provides such information within such period, no reduction shall be made under clause (i) on the basis of the previous failure to provide such information.

(B) Annual report

The report required under this subparagraph for a children's hospital for a fiscal year is a report that includes (in a form and manner specified by the Secretary) the following information for the residency academic year completed immediately prior to such fiscal year:

(i) The types of resident training programs that the hospital provided for residents described in subparagraph (C), such as general pediatrics, internal medicine/pediatrics, and

pediatric subspecialties, including both medical subspecialties certified by the American Board of Pediatrics (such as pediatric gastroenterology) and non-medical subspecialties approved by other medical certification boards (such as pediatric surgery).

(ii) The number of training positions for residents described in subparagraph (C), the number of such positions recruited to fill, and the number of such positions filled.

(iii) The types of training that the hospital provided for residents described in subparagraph (C) related to the health care needs of different populations, such as children who are underserved for reasons of family income or geographic location, including rural and urban areas.

(iv) The changes in residency training for residents described in subparagraph (C) which the hospital has made during such residency academic year (except that the first report submitted by the hospital under this subparagraph shall be for such changes since the first year in which the hospital received payment under this section), including—

(I) changes in curricula, training experiences, and types of training programs, and benefits that have resulted from such changes; and

(II) changes for purposes of training the residents in the measurement and improvement of the quality and safety of patient care.

(v) The numbers of residents described in subparagraph (C) who completed their residency training at the end of such residency academic year and care for children within the borders of the service area of the hospital or within the borders of the State in which the hospital is located. Such numbers shall be disaggregated with respect to residents who completed residencies in general pediatrics or internal medicine/pediatrics, subspecialty residencies, and dental residencies.

(C) Residents

The residents described in this subparagraph are those who—

(i) are in full-time equivalent resident training positions in any training program sponsored by the hospital; or

(ii) are in a training program sponsored by an entity other than the hospital, but who spend more than 75 percent of their training time at the hospital.

(D) Report to Congress

Not later than the end of fiscal year 2018, and the end of fiscal year 2022, the Secretary, acting through the Administrator of the Health Resources and Services Administration, shall submit a report to the Congress—

(i) summarizing the information submitted in reports to the Secretary under subparagraph (B);

(ii) describing the results of the program carried out under this section; and

(iii) making recommendations for improvements to the program.

(c) Amount of payment for direct graduate medical education

(1) In general

The amount determined under this subsection for payments to a children's hospital for direct graduate expenses relating to approved graduate medical residency training programs for a fiscal year is equal to the product of—

(A) the updated per resident amount for direct graduate medical education, as determined under paragraph (2); and

(B) the average number of full-time equivalent residents in the hospital's graduate approved medical residency training programs (as determined under section 1395ww(h)(4) of this title during the fiscal year.

(2) Updated per resident amount for direct graduate medical education

The updated per resident amount for direct graduate medical education for a hospital for a fiscal

year is an amount determined as follows:

(A) Determination of hospital single per resident amount

The Secretary shall compute for each hospital operating an approved graduate medical education program (regardless of whether or not it is a children's hospital) a single per resident amount equal to the average (weighted by number of full-time equivalent residents) of the primary care per resident amount and the non-primary care per resident amount computed under section 1395ww(h)(2) of this title for cost reporting periods ending during fiscal year 1997.

(B) Determination of wage and non-wage-related proportion of the single per resident amount

The Secretary shall estimate the average proportion of the single per resident amounts computed under subparagraph (A) that is attributable to wages and wage-related costs.

(C) Standardizing per resident amounts

The Secretary shall establish a standardized per resident amount for each such hospital—

(i) by dividing the single per resident amount computed under subparagraph (A) into a wage-related portion and a non-wage-related portion by applying the proportion determined under subparagraph (B);

(ii) by dividing the wage-related portion by the factor applied under section 1395ww(d)(3)(E) of this title for discharges occurring during fiscal year 1999 for the hospital's area; and

(iii) by adding the non-wage-related portion to the amount computed under clause (ii).

(D) Determination of national average

The Secretary shall compute a national average per resident amount equal to the average of the standardized per resident amounts computed under subparagraph (C) for such hospitals, with the amount for each hospital weighted by the average number of full-time equivalent residents at such hospital.

(E) Application to individual hospitals

The Secretary shall compute for each such hospital that is a children's hospital a per resident amount—

(i) by dividing the national average per resident amount computed under subparagraph (D) into a wage-related portion and a non-wage-related portion by applying the proportion determined under subparagraph (B);

(ii) by multiplying the wage-related portion by the factor applied under section 1395ww(d)(3)(E) of this title for discharges occurring during the preceding fiscal year for the hospital's area; and

(iii) by adding the non-wage-related portion to the amount computed under clause (ii).

(F) Updating rate

The Secretary shall update such per resident amount for each such children's hospital by the estimated percentage increase in the consumer price index for all urban consumers during the period beginning October 1997 and ending with the midpoint of the Federal fiscal year for which payments are made.

(d) Amount of payment for indirect medical education

(1) In general

The amount determined under this subsection for payments to a children's hospital for indirect expenses associated with the treatment of more severely ill patients and the additional costs associated with the teaching of residents for a fiscal year is equal to an amount determined appropriate by the Secretary.

(2) Factors

In determining the amount under paragraph (1), the Secretary shall—

(A) take into account variations in case mix among children's hospitals and the ratio of the number of full-time equivalent residents in the hospitals' approved graduate medical residency training programs to beds (but excluding beds or bassinets assigned to healthy newborn infants); and

(B) assure that the aggregate of the payments for indirect expenses associated with the treatment of more severely ill patients and the additional costs related to the teaching of residents under this section in a fiscal year are equal to the amount appropriated for such expenses for the fiscal year involved under subsection (f)(2).

(e) Making of payments

(1) Interim payments

The Secretary shall determine, before the beginning of each fiscal year involved for which payments may be made for a hospital under this section, the amounts of the payments for direct graduate medical education and indirect medical education for such fiscal year and shall (subject to paragraph (2)) make the payments of such amounts in 12 equal interim installments during such period. Such interim payments to each individual hospital shall be based on the number of residents reported in the hospital's most recently filed Medicare cost report prior to the application date for the Federal fiscal year for which the interim payment amounts are established. In the case of a hospital that does not report residents on a Medicare cost report, such interim payments shall be based on the number of residents trained during the hospital's most recently completed Medicare cost report filing period.

(2) Withholding

The Secretary shall withhold up to 25 percent from each interim installment for direct and indirect graduate medical education paid under paragraph (1) as necessary to ensure a hospital will not be overpaid on an interim basis.

(3) Reconciliation

Prior to the end of each fiscal year, the Secretary shall determine any changes to the number of residents reported by a hospital in the application of the hospital for the current fiscal year to determine the final amount payable to the hospital for the current fiscal year for both direct expense and indirect expense amounts. Based on such determination, the Secretary shall recoup any overpayments made and pay any balance due to the extent possible. The final amount so determined shall be considered a final intermediary determination for the purposes of section 1395oo of this title and shall be subject to administrative and judicial review under that section in the same manner as the amount of payment under section 1395ww(d) ¹ of this title is subject to review under such section.

(f) Authorization of appropriations

(1) Direct graduate medical education

(A) In general

There are hereby authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, for payments under subsection (b)(1)(A)—

- (i) for fiscal year 2000, \$90,000,000;
- (ii) for fiscal year 2001, \$95,000,000;
- (iii) for each of the fiscal years 2002 through 2005, such sums as may be necessary;
- (iv) for each of fiscal years 2007 through 2011, \$110,000,000;
- (v) for each of fiscal years 2014 through 2018, \$100,000,000; and
- (vi) for each of fiscal years 2019 through 2023, \$105,000,000.

(B) Carryover of excess

The amounts appropriated under subparagraph (A) for fiscal year 2000 shall remain available for obligation through the end of fiscal year 2001.

(2) Indirect medical education

There are hereby authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, for payments under subsection (b)(1)(B)—

- (A) for fiscal year 2000, \$190,000,000;
- (B) for fiscal year 2001, \$190,000,000;
- (C) for each of the fiscal years 2002 through 2005, such sums as may be necessary;
- (D) for each of fiscal years 2007 through 2011, \$220,000,000;
- (E) for each of fiscal years 2014 through 2018, \$200,000,000; and
- (F) for each of fiscal years 2019 through 2023, \$220,000,000.

(g) Definitions

In this section:

(1) Approved graduate medical residency training program

The term "approved graduate medical residency training program" has the meaning given the term "approved medical residency training program" in section 1395ww(h)(5)(A) of this title.

(2) Children's hospital

The term "children's hospital" means a hospital with a Medicare payment agreement and which is excluded from the Medicare inpatient prospective payment system pursuant to section 1395ww(d)(1)(B)(iii) of this title and its accompanying regulations.

(3) Direct graduate medical education costs

The term "direct graduate medical education costs" has the meaning given such term in section 1395ww(h)(5)(C) of this title.

(h) Additional provisions

(1) In general

The Secretary is authorized to make available up to 25 percent of the total amounts in excess of \$245,000,000 appropriated under paragraphs (1) and (2) of subsection (f), but not to exceed \$7,000,000, for payments to hospitals qualified as described in paragraph (2), for the direct and indirect expenses associated with operating approved graduate medical residency training programs, as described in subsection (a).

(2) Qualified hospitals

(A) In general

To qualify to receive payments under paragraph (1), a hospital shall be a free-standing hospital—

- (i) with a Medicare payment agreement and that is excluded from the Medicare inpatient hospital prospective payment system pursuant to section 1395ww(d)(1)(B) of this title and its accompanying regulations;
- (ii) whose inpatients are predominantly individuals under 18 years of age;
- (iii) that has an approved medical residency training program as defined in section 1395ww(h)(5)(A) of this title; and
- (iv) that is not otherwise qualified to receive payments under this section or section 1395ww(h) of this title.

(B) Establishment of residency cap

In the case of a freestanding children's hospital that, on April 7, 2014, meets the requirements of subparagraph (A) but for which the Secretary has not determined an average number of full-time equivalent residents under section 1395ww(h)(4) of this title, the Secretary may establish such number of full-time equivalent residents for the purposes of calculating payments under this subsection.

(3) Payments

Payments to hospitals made under this subsection shall be made in the same manner as payments are made to children's hospitals, as described in subsections (b) through (e).

(4) Payment amounts

The direct and indirect payment amounts under this subsection shall be determined using per resident amounts that are no greater than the per resident amounts used for determining direct and indirect payment amounts under subsection (a).

(5) Reporting

A hospital receiving payments under this subsection shall be subject to the reporting requirements under subsection (b)(3).

(6) Remaining funds

(A) In general

If the payments to qualified hospitals under paragraph (1) for a fiscal year are less than the total amount made available under such paragraph for that fiscal year, any remaining amounts for such fiscal year may be made available to all hospitals participating in the program under this subsection or subsection (a).

(B) Quality bonus system

For purposes of distributing the remaining amounts described in subparagraph (A), the Secretary may establish a quality bonus system, whereby the Secretary distributes bonus payments to hospitals participating in the program under this subsection or subsection (a) that meet standards specified by the Secretary, which may include a focus on quality measurement and improvement, interpersonal and communications skills, delivering patient-centered care, and practicing in integrated health systems, including training in community-based settings. In developing such standards, the Secretary shall collaborate with relevant stakeholders, including program accrediting bodies, certifying boards, training programs, health care organizations, health care purchasers, and patient and consumer groups.

EDITORIAL NOTES

REFERENCES IN TEXT

Section 1395ww(d) of this title, referred to in subsec. (e)(3), was in the original "section 1186(d) of such Act" and was translated as reading "section 1886(d) of such Act", meaning section 1886(d) of the Social Security Act, to reflect the probable intent of Congress, because the Social Security Act does not contain a section 1186 and section 1395ww(d) of this title relates to review of inpatient hospital service payments.

AMENDMENTS

2018—Subsec. (a). Pub. L. 115–241, §2(1), substituted "each of fiscal years 2014 through 2018, and each of fiscal years 2019 through 2023," for "and each of fiscal years 2014 through 2018,".

Subsec. (c)(2)(F). Pub. L. 106–310, §2001(b), substituted "Federal fiscal year for which payments are made" for "hospital's cost reporting period that begins during fiscal year 2000".

Subsec. (e)(1). Pub. L. 106–310, §2001(c), inserted at end "Such interim payments to each individual hospital shall be based on the number of residents reported in the hospital's most recently filed Medicare cost report prior to the application date for the Federal fiscal year for which the interim payment amounts are established. In the case of a hospital that does not report residents on a Medicare cost report, such interim payments shall be based on the number of residents trained during the hospital's most recently completed Medicare cost report filing period."

Subsec. (e)(2). Pub. L. 106–310, §2001(d), inserted "and indirect" after "interim installment for direct" and inserted at end "The Secretary shall withhold up to 25 percent from each interim installment for direct and indirect graduate medical education paid under paragraph (1) as necessary to ensure a hospital will not be overpaid on an interim basis."

Subsec. (e)(3). Pub. L. 106–310, §2001(e), reenacted heading without change and amended text generally. Prior to amendment, text read as follows: "At the end of each fiscal year for which payments may be made under this section, the hospital shall submit to the Secretary such information as the Secretary determines to be necessary to determine the percent (if any) of the total amount withheld under paragraph (2) that is due under this section for the hospital for the fiscal year. Based on such determination, the Secretary shall recoup any overpayments made, or pay any balance due. The amount so determined shall be considered a final intermediary determination for purposes of applying section 1395oo of this title and shall be subject to review under that section in the same manner as the amount of payment under section 1395ww(d) of this title is subject to review under such section."

Subsec. (f)(1)(A)(iii). Pub. L. 106–310, §2001(f)(1), added cl. (iii).

Subsec. (f)(2)(C). Pub. L. 106–310, §2001(f)(2), added subpar. (C).

Subsec. (g)(2). Pub. L. 106–310, §2001(g), substituted "with a Medicare payment agreement and which is excluded from the Medicare inpatient prospective payment system pursuant to section 1395ww(d)(1)(B)(iii) of this title and its accompanying regulations" for "described in section 1395ww(d)(1)(B)(iii) of this title".

SUBPART X—PRIMARY DENTAL PROGRAMS

§256f. Designated dental health professional shortage area

In this subpart, the term "designated dental health professional shortage area" means an area, population group, or facility that is designated by the Secretary as a dental health professional shortage area under section 254e of this title or designated by the applicable State as having a dental health professional shortage.

(July 1, 1944, ch. 373, title III, §340F, as added Pub. L. 107–251, title IV, §403, Oct. 26, 2002, 116 Stat. 1660.)

§256g. Grants for innovative programs

(a) Grant program authorized

The Secretary, acting through the Administrator of the Health Resources and Services Administration, is authorized to award grants to States for the purpose of helping States develop and implement innovative programs to address the dental workforce needs of designated dental health professional shortage areas in a manner that is appropriate to the States' individual needs.

(b) State activities

A State receiving a grant under subsection (a) may use funds received under the grant for—

(1) loan forgiveness and repayment programs for dentists who—

(A) agree to practice in designated dental health professional shortage areas;

(B) are dental school graduates who agree to serve as public health dentists for the Federal, State, or local government; and

(C) agree to—

(i) provide services to patients regardless of such patients' ability to pay; and

(ii) use a sliding payment scale for patients who are unable to pay the total cost of services;

(2) dental recruitment and retention efforts;

(3) grants and low-interest or no-interest loans to help dentists who participate in the medicaid program under title XIX of the Social Security Act (42 U.S.C. 1396 et seq.) to establish or expand practices in designated dental health professional shortage areas by equipping dental offices or sharing in the overhead costs of such practices;

(4) the establishment or expansion of dental residency programs in coordination with accredited dental training institutions in States without dental schools;

(5) programs developed in consultation with State and local dental societies to expand or establish oral health services and facilities in designated dental health professional shortage areas, including services and facilities for children with special needs, such as—

(A) the expansion or establishment of a community-based dental facility, free-standing dental clinic, consolidated health center dental facility, school-linked dental facility, or United States dental school-based facility;

(B) the establishment of a mobile or portable dental clinic;

(C) the establishment or expansion of private dental services to enhance capacity through additional equipment or additional hours of operation;

(D) the establishment or development of models for the provision of dental services to children and adults, such as dental homes, including for the elderly, blind, individuals with disabilities, and individuals living in long-term care facilities; and

(E) the establishment of initiatives to reduce the use of emergency departments by individuals who seek dental services more appropriately delivered in a dental primary care setting;

- (6) placement and support of dental students, dental residents, and advanced dentistry trainees;
- (7) continuing dental education, including distance-based education;
- (8) practice support through teledentistry conducted in accordance with State laws;
- (9) community-based prevention services such as water fluoridation and dental sealant programs;
- (10) coordination with local educational agencies within the State to foster programs that promote children going into oral health or science professions;
- (11) the establishment of faculty recruitment programs at accredited dental training institutions whose mission includes community outreach and service and that have a demonstrated record of serving underserved States;
- (12) the development of a State dental officer position or the augmentation of a State dental office to coordinate oral health and access issues in the State; and
- (13) any other activities determined to be appropriate by the Secretary.

(c) Application

(1) In general

Each State desiring a grant under this section shall submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may reasonably require.

(2) Assurances

The application shall include assurances that the State will meet the requirements of subsection (d) and that the State possesses sufficient infrastructure to manage the activities to be funded through the grant and to evaluate and report on the outcomes resulting from such activities.

(d) Matching requirement

The Secretary may not make a grant to a State under this section unless that State agrees that, with respect to the costs to be incurred by the State in carrying out the activities for which the grant was awarded, the State will provide non-Federal contributions in an amount equal to not less than 40 percent of Federal funds provided under the grant. The State may provide the contributions in cash or in kind, fairly evaluated, including plant, equipment, and services and may provide the contributions from State, local, or private sources.

(e) Report

Not later than 5 years after October 26, 2002, the Secretary shall prepare and submit to the appropriate committees of Congress a report containing data relating to whether grants provided under this section have increased access to dental services in designated dental health professional shortage areas.

(f) Authorization of appropriations

There is authorized to be appropriated to carry out this section, \$13,903,000 for each of fiscal years 2019 through 2023.

(July 1, 1944, ch. 373, title III, §340G, as added Pub. L. 107–251, title IV, §403, Oct. 26, 2002, 116 Stat. 1661; amended Pub. L. 110–355, §5, Oct. 8, 2008, 122 Stat. 3994; Pub. L. 115–302, §3, Dec. 11, 2018, 132 Stat. 4397.)

§256g–1. Demonstration program to increase access to dental health care services

(a) In general

(1) Authorization

The Secretary is authorized to award grants to 15 eligible entities to enable such entities to establish a demonstration program to establish training programs to train, or to employ, alternative dental health care providers in order to increase access to dental health care services in rural and other underserved communities.

(2) Definition

The term "alternative dental health care providers" includes community dental health coordinators, advance practice dental hygienists, independent dental hygienists, supervised dental hygienists, primary care physicians, dental therapists, dental health aides, and any other health professional that the Secretary determines appropriate.

(b) Timeframe

The demonstration projects funded under this section shall begin not later than 2 years after March 23, 2010, and shall conclude not later than 7 years after March 23, 2010.

(c) Eligible entities

To be eligible to receive a grant under subsection (a), an entity shall—

(1) be—

(A) an institution of higher education, including a community college;

(B) a public-private partnership;

(C) a federally qualified health center;

(D) an Indian Health Service facility or a tribe or tribal organization (as such terms are defined in section 5304 of title 25);

(E) a State or county public health clinic, a health facility operated by an Indian tribe or tribal organization, or urban Indian organization providing dental services; or

(F) a public hospital or health system;

(2) be within a program accredited by the Commission on Dental Accreditation or within a dental education program in an accredited institution; and

(3) shall submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may require.

(d) Administrative provisions

(1) Amount of grant

Each grant under this section shall be in an amount that is not less than \$4,000,000 for the 5-year period during which the demonstration project ¹ being conducted.

(2) Disbursement of funds

(A) Preliminary disbursements

Beginning 1 year after March 23, 2010, the Secretary may disperse to any entity receiving a grant under this section not more than 20 percent of the total funding awarded to such entity under such grant, for the purpose of enabling the entity to plan the demonstration project to be conducted under such grant.

(B) Subsequent disbursements

The remaining amount of grant funds not dispersed under subparagraph (A) shall be dispersed such that not less than 15 percent of such remaining amount is dispersed each subsequent year.

(e) Compliance with State requirements

Each entity receiving a grant under this section shall certify that it is in compliance with all applicable State licensing requirements.

(f) Evaluation

The Secretary shall contract with the Director of the Institute of Medicine to conduct a study of the demonstration programs conducted under this section that shall provide analysis, based upon quantitative and qualitative data, regarding access to dental health care in the United States.

(g) Clarification regarding dental health aide program

Nothing in this section shall prohibit a dental health aide training program approved by the Indian Health Service from being eligible for a grant under this section.

(h) Authorization of appropriations

There is authorized to be appropriated such sums as may be necessary to carry out this section. (July 1, 1944, ch. 373, title III, §340G–1, as added Pub. L. 111–148, title V, §5304, Mar. 23, 2010, 124 Stat. 621.)

SUBPART XI—SUPPORT OF GRADUATE MEDICAL EDUCATION IN QUALIFIED TEACHING HEALTH CENTERS

EDITORIAL NOTES

CODIFICATION

Subpart is comprised of subpart XI of part D of title III of act July 1, 1944. Another subpart XI of part D of title III of the Act was redesignated subpart XII by Pub. L. 115–63, title III, §301(c)(1), Sept. 29, 2017, 131 Stat. 1172, and is classified to subpart XII (§256i) of this part.

§256h. Program of payments to teaching health centers that operate graduate medical education programs

(a) Payments

(1) In general

Subject to subsection (h)(2), the Secretary shall make payments under this section for direct expenses and indirect expenses to qualified teaching health centers that are listed as sponsoring institutions by the relevant accrediting body for, as appropriate—

- (A) maintenance of filled positions at existing approved graduate medical residency training programs;
- (B) expansion of existing approved graduate medical residency training programs; and
- (C) establishment of new approved graduate medical residency training programs.

(2) Per resident amount

In making payments under paragraph (1), the Secretary shall consider the cost of training residents at teaching health centers and the implications of the per resident amount on approved graduate medical residency training programs at teaching health centers.

(3) Priority

In making payments under paragraph (1)(C), the Secretary shall give priority to qualified teaching health centers that—

- (A) serve a health professional shortage area with a designation in effect under section 254e of this title or a medically underserved community (as defined in section 295p of this title); or
- (B) are located in a rural area (as defined in section 1395ww(d)(2)(D) of this title).

(b) Amount of payments

(1) In general

Subject to paragraph (2), the amounts payable under this section to qualified teaching health centers for an approved graduate medical residency training program for a fiscal year are each of the following amounts:

(A) Direct expense amount

The amount determined under subsection (c) for direct expenses associated with sponsoring approved graduate medical residency training programs.

(B) Indirect expense amount

The amount determined under subsection (d) for indirect expenses associated with the additional costs relating to teaching residents in such programs.

(2) Capped amount

(A) In general

The total of the payments made to qualified teaching health centers under paragraph (1)(A) or paragraph (1)(B) in a fiscal year shall not exceed the amount of funds appropriated under subsection (g) for such payments for that fiscal year.

(B) Limitation

The Secretary shall limit the funding of full-time equivalent residents in order to ensure the direct and indirect payments as determined under subsection ¹(c) and (d) do not exceed the total amount of funds appropriated in a fiscal year under subsection (g).

(c) Amount of payment for direct graduate medical education

(1) In general

The amount determined under this subsection for payments to qualified teaching health centers for direct graduate expenses relating to approved graduate medical residency training programs for a fiscal year is equal to the product of—

(A) the updated national per resident amount for direct graduate medical education, as determined under paragraph (2); and

(B) the average number of full-time equivalent residents in the teaching health center's graduate approved medical residency training programs as determined under section 1395ww(h)(4) of this title (without regard to the limitation under subparagraph (F) of such section) during the fiscal year.

(2) Updated national per resident amount for direct graduate medical education

The updated per resident amount for direct graduate medical education for a qualified teaching health center for a fiscal year is an amount determined as follows:

(A) Determination of qualified teaching health center per resident amount

The Secretary shall compute for each individual qualified teaching health center a per resident amount—

- (i) by dividing the national average per resident amount computed under section 256e(c)(2)(D) of this title into a wage-related portion and a non-wage related portion by applying the proportion determined under subparagraph (B);
- (ii) by multiplying the wage-related portion by the factor applied under section

1395ww(d)(3)(E) of this title (but without application of section 4410 of the Balanced Budget Act of 1997 (42 U.S.C. 1395ww note)) during the preceding fiscal year for the teaching health center's area; and

(iii) by adding the non-wage-related portion to the amount computed under clause (ii).

(B) Updating rate

The Secretary shall update such per resident amount for each such qualified teaching health center as determined appropriate by the Secretary.

(d) Amount of payment for indirect medical education

(1) In general

The amount determined under this subsection for payments to qualified teaching health centers for indirect expenses associated with the additional costs of teaching residents for a fiscal year is equal to an amount determined appropriate by the Secretary.

(2) Factors

In determining the amount under paragraph (1), the Secretary shall—

(A) evaluate indirect training costs relative to supporting a primary care residency program in qualified teaching health centers; and

(B) based on this evaluation, assure that the aggregate of the payments for indirect expenses under this section and the payments for direct graduate medical education as determined under subsection (c) in a fiscal year do not exceed the amount appropriated for such expenses as determined in subsection (g).

(3) Interim payment

Before the Secretary makes a payment under this subsection pursuant to a determination of indirect expenses under paragraph (1), the Secretary may provide to qualified teaching health centers a payment, in addition to any payment made under subsection (c), for expected indirect expenses associated with the additional costs of teaching residents for a fiscal year, based on an estimate by the Secretary.

(e) Clarification regarding relationship to other payments for graduate medical education

Payments under this section—

(1) shall be in addition to any payments—

(A) for the indirect costs of medical education under section 1395ww(d)(5)(B) of this title;

(B) for direct graduate medical education costs under section 1395ww(h) of this title; and

(C) for direct costs of medical education under section 1395ww(k) of this title;

(2) shall not be taken into account in applying the limitation on the number of total full-time equivalent residents under subparagraphs (F) and (G) of section 1395ww(h)(4) of this title and clauses (v), (vi)(I), and (vi)(II) of section 1395ww(d)(5)(B) of this title for the portion of time that a resident rotates to a hospital; and

(3) shall not include the time in which a resident is counted toward full-time equivalency by a hospital under paragraph (2) or under section 1395ww(d)(5)(B)(iv) of this title, section 1395ww(h)(4)(E) of this title, or section 256e of this title.

(f) Reconciliation

The Secretary shall determine any changes to the number of residents reported by a teaching health center in the application of the teaching health center for the current fiscal year to determine the final amount payable to the teaching health center for the current fiscal year for both direct expense and indirect expense amounts. Based on such determination, the Secretary shall recoup any overpayments made to pay any balance due to the extent possible. The final amount so determined shall be considered a final intermediary determination for the purposes of section 1395oo of this title

and shall be subject to administrative and judicial review under that section in the same manner as the amount of payment under section 1395ww(d) ² of this title is subject to review under such section.

(g) Funding

(1) In general

To carry out this section, there are appropriated such sums as may be necessary, not to exceed \$230,000,000, for the period of fiscal years 2011 through 2015, \$60,000,000 for each of fiscal years 2016 and 2017, and \$126,500,000 for each of fiscal years 2018 through 2023, to remain available until expended.

(2) Administrative expenses

Of the amount made available to carry out this section for any fiscal year, the Secretary may not use more than 5 percent of such amount for the expenses of administering this section.

(h) Annual reporting required

(1) Annual report

The report required under this paragraph for a qualified teaching health center for a fiscal year is a report that includes (in a form and manner specified by the Secretary) the following information for the residency academic year completed immediately prior to such fiscal year:

(A) The types of primary care resident approved training programs that the qualified teaching health center provided for residents.

(B) The number of approved training positions for residents described in paragraph (4).

(C) The number of residents described in paragraph (4) who completed their residency training at the end of such residency academic year and care for vulnerable populations living in underserved areas.

(D) The number of patients treated by residents described in paragraph (4).

(E) The number of visits by patients treated by residents described in paragraph (4).

(F) Of the number of residents described in paragraph (4) who completed their residency training at the end of such residency academic year, the number and percentage of such residents entering primary care practice (meaning any of the areas of practice listed in the definition of a primary care residency program in section 2931-1 of this title).

(G) Of the number of residents described in paragraph (4) who completed their residency training at the end of such residency academic year, the number and percentage of such residents who entered practice at a health care facility—

(i) primarily serving a health professional shortage area with a designation in effect under section 254e of this title or a medically underserved community (as defined in section 295p of this title); or

(ii) located in a rural area (as defined in section 1395ww(d)(2)(D) of this title).

(H) Other information as deemed appropriate by the Secretary.

(2) Audit authority; limitation on payment

(A) Audit authority

The Secretary may audit a qualified teaching health center to ensure the accuracy and completeness of the information submitted in a report under paragraph (1).

(B) Limitation on payment

A teaching health center may only receive payment in a cost reporting period for a number of such resident positions that is greater than the base level of primary care resident positions, as determined by the Secretary. For purposes of this subparagraph, the "base level of primary care residents" for a teaching health center is the level of such residents as of a base period.

(3) Reduction in payment for failure to report

(A) In general

The amount payable under this section to a qualified teaching health center for a fiscal year shall be reduced by at least 25 percent if the Secretary determines that—

- (i) the qualified teaching health center has failed to provide the Secretary, as an addendum to the qualified teaching health center's application under this section for such fiscal year, the report required under paragraph (1) for the previous fiscal year; or
- (ii) such report fails to provide complete and accurate information required under any subparagraph of such paragraph.

(B) Notice and opportunity to provide accurate and missing information

Before imposing a reduction under subparagraph (A) on the basis of a qualified teaching health center's failure to provide complete and accurate information described in subparagraph (A)(ii), the Secretary shall provide notice to the teaching health center of such failure and the Secretary's intention to impose such reduction and shall provide the teaching health center with the opportunity to provide the required information within the period of 30 days beginning on the date of such notice. If the teaching health center provides such information within such period, no reduction shall be made under subparagraph (A) on the basis of the previous failure to provide such information.

(4) Residents

The residents described in this paragraph are those who are in part-time or full-time equivalent resident training positions at a qualified teaching health center in any approved graduate medical residency training program.

(i) Regulations

The Secretary shall promulgate regulations to carry out this section.

(j) Definitions

In this section:

(1) Approved graduate medical residency training program

The term "approved graduate medical residency training program" means a residency or other postgraduate medical training program—

- (A) participation in which may be counted toward certification in a specialty or subspecialty and includes formal postgraduate training programs in geriatric medicine approved by the Secretary; and
- (B) that meets criteria for accreditation (as established by the Accreditation Council for Graduate Medical Education, the American Osteopathic Association, or the American Dental Association).

(2) New approved graduate medical residency training program

The term "new approved graduate medical residency training program" means an approved graduate medical residency training program for which the sponsoring qualified teaching health center has not received a payment under this section for a previous fiscal year (other than pursuant to subsection (a)(1)(C)).

(3) Primary care residency program

The term "primary care residency program" has the meaning given that term in section 2931–1 of this title.

(4) Qualified teaching health center

The term "qualified teaching health center" has the meaning given the term "teaching health center" in section 2931–1 of this title.

EDITORIAL NOTES

REFERENCES IN TEXT

Section 4410 of the Balanced Budget Act of 1997, referred to in subsec. (c)(2)(A)(ii), is section 4410 of Pub. L. 105–33, which is set out as a note under section 1395ww of this title.

Section 1395ww(d) of this title, referred to in subsec. (f), was in the original "section 1186(d) of such Act", and was translated as meaning section 1886(d) of act Aug. 14, 1935, ch. 531, known as the Social Security Act, to reflect the probable intent of Congress. The Social Security Act does not contain a section 1186.

CODIFICATION

Another section 340H of act July 1, 1944, was renumbered section 340I and is classified to section 256i of this title.

AMENDMENTS

2020—Subsec. (g)(1). Pub. L. 116–260 inserted "and" after "2017," and substituted "2023" for "fiscal year 2020, and \$27,379,452 for the period beginning on October 1, 2020, and ending on December 18, 2020".

Pub. L. 116–215 substituted "\$27,379,452" for "\$24,953,425" and "December 18, 2020" for "December 11, 2020".

Pub. L. 116–159 substituted "\$24,953,425" for "\$21,141,096" and "December 11, 2020" for "November 30, 2020".

Pub. L. 116–136 substituted "through fiscal year 2020, and \$21,141,096 for the period beginning on October 1, 2020, and ending on November 30, 2020" for "and 2019, and \$81,445,205 for the period beginning on October 1, 2019, and ending on May 22, 2020".

2019—Subsec. (g)(1). Pub. L. 116–94 substituted "\$81,445,205" for "\$28,072,603" and "May 22, 2020" for "December 20, 2019".

Pub. L. 116–69 substituted "\$28,072,603" for "\$18,021,918" and "December 20, 2019" for "November 21, 2019".

Pub. L. 116–59 struck out "and" before "\$126,500,000" and inserted "and \$18,021,918 for the period beginning on October 1, 2019, and ending on November 21, 2019," before "to remain available".

2018—Subsec. (a). Pub. L. 115–123, §50901(d)(1), amended subsec. (a) generally. Prior to amendment, text read as follows: "Subject to subsection (h)(2), the Secretary shall make payments under this section for direct expenses and for indirect expenses to qualified teaching health centers that are listed as sponsoring institutions by the relevant accrediting body for expansion of existing or establishment of new approved graduate medical residency training programs."

Subsec. (f). Pub. L. 115–123, §50901(d)(6), substituted "teaching health center" for "hospital" wherever appearing.

Subsec. (g)(1). Pub. L. 115–123, §50901(d)(2), substituted "and \$126,500,000 for each of fiscal years 2018 and 2019," for "and \$30,000,000 for the period of the first and second quarters of fiscal year 2018,".

Subsec. (h)(1)(D) to (H). Pub. L. 115–123, §50901(d)(3), added subpars. (D) to (G) and redesignated former subpar. (D) as (H).

Subsec. (j)(2) to (4). Pub. L. 115–123, §50901(d)(5), added par. (2) and redesignated former pars. (2) and (3) as (3) and (4), respectively.

2017—Subsec. (g). Pub. L. 115–96 designated existing provisions as par. (1), inserted heading, substituted "and \$30,000,000 for the period of the first and second quarters of fiscal year 2018, to remain available until expended" for "and \$15,000,000 for the first quarter of fiscal year 2018", and added par. (2).

Pub. L. 115–63 substituted "2015, \$60,000,000" for "2015 and \$60,000,000" and inserted ", and \$15,000,000 for the first quarter of fiscal year 2018" before period at end.

2015—Subsec. (g). Pub. L. 114–10 inserted "and \$60,000,000 for each of fiscal years 2016 and 2017" before period at end.

SUBPART XII—COMMUNITY-BASED COLLABORATIVE CARE NETWORK PROGRAM

EDITORIAL NOTES

CODIFICATION

Pub. L. 115–63, title III, §301(c)(1), Sept. 29, 2017, 131 Stat. 1172, redesignated this subpart, which was formerly subpart XI of part D of title III of act July 1, 1944, as subpart XII. Another subpart XI of part D of title III of the Act is classified to subpart XI (§256h) of this part.

§256i. Community-based collaborative care network program

(a) In general

The Secretary may award grants to eligible entities to support community-based collaborative care networks that meet the requirements of subsection (b).

(b) Community-based collaborative care networks

(1) Description

A community-based collaborative care network (referred to in this section as a "network") shall be a consortium of health care providers with a joint governance structure (including providers within a single entity) that provides comprehensive coordinated and integrated health care services (as defined by the Secretary) for low-income populations.

(2) Required inclusion

A network shall include the following providers (unless such provider does not exist within the community, declines or refuses to participate, or places unreasonable conditions on their participation):

- (A) A hospital that meets the criteria in section 1396r-4(b)(1) of this title; and
- (B) All Federally qualified health centers (as defined in section 1395x(aa) of this title ¹ located in the community.

(3) Priority

In awarding grants, the Secretary shall give priority to networks that include—

- (A) the capability to provide the broadest range of services to low-income individuals;
- (B) the broadest range of providers that currently serve a high volume of low-income individuals; and
- (C) a county or municipal department of health.

(c) Application

(1) Application

A network described in subsection (b) shall submit an application to the Secretary.

(2) Renewal

In subsequent years, based on the performance of grantees, the Secretary may provide renewal grants to prior year grant recipients.

(d) Use of funds

(1) Use by grantees

Grant funds may be used for the following activities:

- (A) Assist low-income individuals to—
 - (i) access and appropriately use health services;
 - (ii) enroll in health coverage programs; and
 - (iii) obtain a regular primary care provider or a medical home.
- (B) Provide case management and care management.
- (C) Perform health outreach using neighborhood health workers or through other means.
- (D) Provide transportation.
- (E) Expand capacity, including through telehealth, after-hours services or urgent care.
- (F) Provide direct patient care services.

(2) Grant funds to HRSA grantees

The Secretary may limit the percent of grant funding that may be spent on direct care services provided by grantees of programs administered by the Health Resources and Services Administration or impose other requirements on such grantees deemed necessary.

(e) Authorization of appropriations

There are authorized to be appropriated to carry out this section such sums as may be necessary

for each of fiscal years 2011 through 2015.

(July 1, 1944, ch. 373, title III, §340I, formerly §340H, as added Pub. L. 111–148, title X, §10333, Mar. 23, 2010, 124 Stat. 970; renumbered §340I, Pub. L. 115–63, title III, §301(c)(2), Sept. 29, 2017, 131 Stat. 1172.)

§262. Regulation of biological products

(a) Biologics license

(1) No person shall introduce or deliver for introduction into interstate commerce any biological product unless—

(A) a biologics license under this subsection or subsection (k) is in effect for the biological product; and

(B) each package of the biological product is plainly marked with—

(i) the proper name of the biological product contained in the package;

(ii) the name, address, and applicable license number of the manufacturer of the biological product; and

(iii) the expiration date of the biological product.

(2)(A) The Secretary shall establish, by regulation, requirements for the approval, suspension, and revocation of biologics licenses.

(B) PEDIATRIC STUDIES.—A person that submits an application for a license under this paragraph shall submit to the Secretary as part of the application any assessments required under section 505B of the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 355c].

(C) The Secretary shall approve a biologics license application—

(i) on the basis of a demonstration that—

(I) the biological product that is the subject of the application is safe, pure, and potent; and

(II) the facility in which the biological product is manufactured, processed, packed, or held meets standards designed to assure that the biological product continues to be safe, pure, and potent; and

(ii) if the applicant (or other appropriate person) consents to the inspection of the facility that is the subject of the application, in accordance with subsection (c).

(D) POSTMARKET STUDIES AND CLINICAL TRIALS; LABELING; RISK EVALUATION AND MITIGATION STRATEGY.—A person that submits an application for a license under this paragraph is subject to sections 505(o), 505(p), and 505–1 of the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 355(o), (p), 355–1].

(E)(i) The Secretary may rely upon qualified data summaries to support the approval of a supplemental application, with respect to a qualified indication for a drug, submitted under this subsection, if such supplemental application complies with the requirements of subparagraph (B) of section 505(c)(5) of the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 355(c)(5)].

(ii) In this subparagraph, the terms "qualified indication" and "qualified data summary" have the meanings given such terms in section 505(c)(5) of the Federal Food, Drug, and Cosmetic Act.

(3) The Secretary shall prescribe requirements under which a biological product undergoing investigation shall be exempt from the requirements of paragraph (1).

(b) Falsely labeling or marking package or container; altering label or mark

No person shall falsely label or mark any package or container of any biological product or alter any label or mark on the package or container of the biological product so as to falsify the label or mark.

(c) Inspection of establishment for propagation and preparation

Any officer, agent, or employee of the Department of Health and Human Services, authorized by the Secretary for the purpose, may during all reasonable hours enter and inspect any establishment for the propagation or manufacture and preparation of any biological product.

(d) Recall of product presenting imminent hazard; violations

(1) Upon a determination that a batch, lot, or other quantity of a product licensed under this section presents an imminent or substantial hazard to the public health, the Secretary shall issue an order immediately ordering the recall of such batch, lot, or other quantity of such product. An order

under this paragraph shall be issued in accordance with section 554 of title 5.

(2) Any violation of paragraph (1) shall subject the violator to a civil penalty of up to \$100,000 per day of violation. The amount of a civil penalty under this paragraph shall, effective December 1 of each year beginning 1 year after the effective date of this paragraph, be increased by the percent change in the Consumer Price Index for the base quarter of such year over the Consumer Price Index for the base quarter of the preceding year, adjusted to the nearest 1/10 of 1 percent. For purposes of this paragraph, the term "base quarter", as used with respect to a year, means the calendar quarter ending on September 30 of such year and the price index for a base quarter is the arithmetical mean of such index for the 3 months comprising such quarter.

(e) Interference with officers

No person shall interfere with any officer, agent, or employee of the Service in the performance of any duty imposed upon him by this section or by regulations made by authority thereof.

(f) Penalties for offenses

Any person who shall violate, or aid or abet in violating, any of the provisions of this section shall be punished upon conviction by a fine not exceeding \$500 or by imprisonment not exceeding one year, or by both such fine and imprisonment, in the discretion of the court.

(g) Construction with other laws

Nothing contained in this chapter shall be construed as in any way affecting, modifying, repealing, or superseding the provisions of the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 301 et seq.].

(h) Exportation of partially processed biological products

A partially processed biological product which—

- (1) is not in a form applicable to the prevention, treatment, or cure of diseases or injuries of man;
- (2) is not intended for sale in the United States; and
- (3) is intended for further manufacture into final dosage form outside the United States,

shall be subject to no restriction on the export of the product under this chapter or the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 301 et seq.] if the product is manufactured, processed, packaged, and held in conformity with current good manufacturing practice requirements or meets international manufacturing standards as certified by an international standards organization recognized by the Secretary and meets the requirements of section 801(e)(1) of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 381(e)).

(i) "Biological product" defined

In this section:

(1) The term "biological product" means a virus, therapeutic serum, toxin, antitoxin, vaccine, blood, blood component or derivative, allergenic product, protein, or analogous product, or arsphenamine or derivative of arsphenamine (or any other trivalent organic arsenic compound), applicable to the prevention, treatment, or cure of a disease or condition of human beings.

(2) The term "biosimilar" or "biosimilarity", in reference to a biological product that is the subject of an application under subsection (k), means—

(A) that the biological product is highly similar to the reference product notwithstanding minor differences in clinically inactive components; and

(B) there are no clinically meaningful differences between the biological product and the reference product in terms of the safety, purity, and potency of the product.

(3) The term "interchangeable" or "interchangeability", in reference to a biological product that is shown to meet the standards described in subsection (k)(4), means that the biological product may be substituted for the reference product without the intervention of the health care provider who prescribed the reference product.

(4) The term "reference product" means the single biological product licensed under subsection

(a) against which a biological product is evaluated in an application submitted under subsection (k).

(j) Application of Federal Food, Drug, and Cosmetic Act

The Federal Food, Drug, and Cosmetic Act [21 U.S.C. 301 et seq.], including the requirements under sections 505(o), 505(p), and 505–1 of such Act [21 U.S.C. 355(o), (p), 355–1], applies to a biological product subject to regulation under this section, except that a product for which a license has been approved under subsection (a) shall not be required to have an approved application under section 505 of such Act.

(k) Licensure of biological products as biosimilar or interchangeable

(1) In general

Any person may submit an application for licensure of a biological product under this subsection.

(2) Content

(A) In general

(i) Required information

An application submitted under this subsection shall include information demonstrating that—

(I) the biological product is biosimilar to a reference product based upon data derived from—

(aa) analytical studies that demonstrate that the biological product is highly similar to the reference product notwithstanding minor differences in clinically inactive components;

(bb) an assessment of toxicity (which may rely on, or consist of, a study or studies described in item (aa) or (cc)); and

(cc) a clinical study or studies (including the assessment of immunogenicity and pharmacokinetics or pharmacodynamics) that are sufficient to demonstrate safety, purity, and potency in 1 or more appropriate conditions of use for which the reference product is licensed and intended to be used and for which licensure is sought for the biological product;

(II) the biological product and reference product utilize the same mechanism or mechanisms of action for the condition or conditions of use prescribed, recommended, or suggested in the proposed labeling, but only to the extent the mechanism or mechanisms of action are known for the reference product;

(III) the condition or conditions of use prescribed, recommended, or suggested in the labeling proposed for the biological product have been previously approved for the reference product;

(IV) the route of administration, the dosage form, and the strength of the biological product are the same as those of the reference product; and

(V) the facility in which the biological product is manufactured, processed, packed, or held meets standards designed to assure that the biological product continues to be safe, pure, and potent.

(ii) Determination by Secretary

The Secretary may determine, in the Secretary's discretion, that an element described in clause (i)(I) is unnecessary in an application submitted under this subsection.

(iii) Additional information

An application submitted under this subsection—

(I) shall include publicly-available information regarding the Secretary's previous determination that the reference product is safe, pure, and potent;

(II) may include any additional information in support of the application, including publicly-available information with respect to the reference product or another biological product; and

(III) may include information to show that the conditions of use prescribed, recommended, or suggested in the labeling proposed for the biological product have been previously approved for the reference product.

(B) Interchangeability

An application (or a supplement to an application) submitted under this subsection may include information demonstrating that the biological product meets the standards described in paragraph (4).

(3) Evaluation by Secretary

Upon review of an application (or a supplement to an application) submitted under this subsection, the Secretary shall license the biological product under this subsection if—

(A) the Secretary determines that the information submitted in the application (or the supplement) is sufficient to show that the biological product—

(i) is biosimilar to the reference product; or

(ii) meets the standards described in paragraph (4), and therefore is interchangeable with the reference product; and

(B) the applicant (or other appropriate person) consents to the inspection of the facility that is the subject of the application, in accordance with subsection (c).

(4) Safety standards for determining interchangeability

Upon review of an application submitted under this subsection or any supplement to such application, the Secretary shall determine the biological product to be interchangeable with the reference product if the Secretary determines that the information submitted in the application (or a supplement to such application) is sufficient to show that—

(A) the biological product—

(i) is biosimilar to the reference product; and

(ii) can be expected to produce the same clinical result as the reference product in any given patient; and

(B) for a biological product that is administered more than once to an individual, the risk in terms of safety or diminished efficacy of alternating or switching between use of the biological product and the reference product is not greater than the risk of using the reference product without such alternation or switch.

(5) General rules

(A) One reference product per application

A biological product, in an application submitted under this subsection, may not be evaluated against more than 1 reference product.

(B) Review

An application submitted under this subsection shall be reviewed by the division within the Food and Drug Administration that is responsible for the review and approval of the application under which the reference product is licensed.

(C) Risk evaluation and mitigation strategies

The authority of the Secretary with respect to risk evaluation and mitigation strategies under the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 301 et seq.] shall apply to biological products licensed under this subsection in the same manner as such authority applies to biological products licensed under subsection (a).

(6) Exclusivity for first interchangeable biological product

The Secretary shall not make approval as an interchangeable biological product effective with respect to an application submitted under this subsection that relies on the same reference product for which a prior biological product has received a determination of interchangeability for any condition of use, until the earlier of—

(A) 1 year after the first commercial marketing of the first interchangeable biosimilar biological product to be approved as interchangeable for that reference product;

(B) 18 months after—

(i) a final court decision on all patents in suit in an action instituted under subsection (1)(6) against the applicant that submitted the application for the first approved interchangeable biosimilar biological product; or

(ii) the dismissal with or without prejudice of an action instituted under subsection (1)(6) against the applicant that submitted the application for the first approved interchangeable biosimilar biological product; or

(C)(i) 42 months after approval of the first interchangeable biosimilar biological product if the applicant that submitted such application has been sued under subsection (1)(6) and such litigation is still ongoing within such 42-month period; or

(ii) 18 months after approval of the first interchangeable biosimilar biological product if the applicant that submitted such application has not been sued under subsection (1)(6).

For purposes of this paragraph, the term "final court decision" means a final decision of a court from which no appeal (other than a petition to the United States Supreme Court for a writ of certiorari) has been or can be taken, and the term "first interchangeable biosimilar biological product" means any interchangeable biosimilar biological product that is approved on the first day on which such a product is approved as interchangeable with the reference product.

(7) Exclusivity for reference product

(A) Effective date of biosimilar application approval

Approval of an application under this subsection may not be made effective by the Secretary until the date that is 12 years after the date on which the reference product was first licensed under subsection (a).

(B) Filing period

An application under this subsection may not be submitted to the Secretary until the date that is 4 years after the date on which the reference product was first licensed under subsection (a).

(C) First licensure

Subparagraphs (A) and (B) shall not apply to a license for or approval of—

(i) a supplement for the biological product that is the reference product; or

(ii) a subsequent application filed by the same sponsor or manufacturer of the biological product that is the reference product (or a licensor, predecessor in interest, or other related entity) for—

(I) a change (not including a modification to the structure of the biological product) that results in a new indication, route of administration, dosing schedule, dosage form, delivery system, delivery device, or strength; or

(II) a modification to the structure of the biological product that does not result in a change in safety, purity, or potency.

(D) Deemed licenses

(i) No additional exclusivity through deeming

An approved application that is deemed to be a license for a biological product under this section pursuant to section 7002(e)(4) of the Biologics Price Competition and Innovation Act of 2009 shall not be treated as having been first licensed under subsection (a) for purposes of subparagraphs (A) and (B).

(ii) Application of limitations on exclusivity

Subparagraph (C) shall apply with respect to a reference product referred to in such subparagraph that was the subject of an approved application that was deemed to be a license pursuant to section 7002(e)(4) of the Biologics Price Competition and Innovation Act of 2009.

(iii) Applicability

The exclusivity periods described in section 527, section 505A(b)(1)(A)(ii), and section 505A(c)(1)(A)(ii) of the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 360cc and 355a(b)(1)(A)(ii), (c)(1)(A)(ii)] shall continue to apply to a biological product after an approved application for the biological product is deemed to be a license for the biological product under subsection (a) pursuant to section 7002(e)(4) of the Biologics Price Competition and Innovation Act of 2009.

(8) Guidance documents

(A) In general

The Secretary may, after opportunity for public comment, issue guidance in accordance, except as provided in subparagraph (B)(i), with section 701(h) of the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 371(h)] with respect to the licensure of a biological product under this subsection. Any such guidance may be general or specific.

(B) Public comment

(i) In general

The Secretary shall provide the public an opportunity to comment on any proposed guidance issued under subparagraph (A) before issuing final guidance.

(ii) Input regarding most valuable guidance

The Secretary shall establish a process through which the public may provide the Secretary with input regarding priorities for issuing guidance.

(C) No requirement for application consideration

The issuance (or non-issuance) of guidance under subparagraph (A) shall not preclude the review of, or action on, an application submitted under this subsection.

(D) Requirement for product class-specific guidance

If the Secretary issues product class-specific guidance under subparagraph (A), such guidance shall include a description of—

- (i) the criteria that the Secretary will use to determine whether a biological product is highly similar to a reference product in such product class; and
- (ii) the criteria, if available, that the Secretary will use to determine whether a biological product meets the standards described in paragraph (4).

(E) Certain product classes

(i) Guidance

The Secretary may indicate in a guidance document that the science and experience, as of the date of such guidance, with respect to a product or product class (not including any recombinant protein) does not allow approval of an application for a license as provided under this subsection for such product or product class.

(ii) Modification or reversal

The Secretary may issue a subsequent guidance document under subparagraph (A) to modify or reverse a guidance document under clause (i).

(iii) No effect on ability to deny license

Clause (i) shall not be construed to require the Secretary to approve a product with respect

to which the Secretary has not indicated in a guidance document that the science and experience, as described in clause (i), does not allow approval of such an application.

(9) Public listing

(A) In general

(i) Initial publication

Not later than 180 days after December 27, 2020, the Secretary shall publish and make available to the public in a searchable, electronic format—

(I) a list of each biological product, by nonproprietary name (proper name), for which, as of December 27, 2020, a biologics license under subsection (a) or this subsection is in effect, or that, as of such date of enactment, is deemed to be licensed under this section pursuant to section 7002(e)(4) of the Biologics Price Competition and Innovation Act of 2009;

(II) the date of licensure of the marketing application and the application number; and

(III) with respect to each biological product described in subclause (I), the licensure status, and, as available, the marketing status.

(ii) Revisions

Every 30 days after the publication of the first list under clause (i), the Secretary shall revise the list to include each biological product which has been licensed under subsection (a) or this subsection during the 30-day period or deemed licensed under this section pursuant to section 7002(e)(4) of the Biologics Price Competition and Innovation Act of 2009.

(iii) Patent information

Not later than 30 days after a list of patents under subsection (l)(3)(A), or a supplement to such list under subsection (l)(7), has been provided by the reference product sponsor to the subsection (k) applicant respecting a biological product included on the list published under this subparagraph, the reference product sponsor shall provide such list of patents (or supplement thereto) and their corresponding expiry dates to the Secretary, and the Secretary shall, in revisions made under clause (ii), include such information for such biological product. Within 30 days of providing any subsequent or supplemental list of patents to any subsequent subsection (k) applicant under subsection (l)(3)(A) or (l)(7), the reference product sponsor shall update the information provided to the Secretary under this clause with any additional patents from such subsequent or supplemental list and their corresponding expiry dates.

(iv) Listing of exclusivities

For each biological product included on the list published under this subparagraph, the Secretary shall specify each exclusivity period under paragraph (6) or paragraph (7) for which the Secretary has determined such biological product to be eligible and that has not concluded.

(B) Revocation or suspension of license

If the license of a biological product is determined by the Secretary to have been revoked or suspended for safety, purity, or potency reasons, it may not be published in the list under subparagraph (A). If such revocation or suspension occurred after inclusion of such biological product in the list published under subparagraph (A), the reference product sponsor shall notify the Secretary that—

(i) the biological product shall be immediately removed from such list for the same period as the revocation or suspension; and

(ii) a notice of the removal shall be published in the Federal Register.

(l) Patents

(1) Confidential access to subsection (k) application

(A) Application of paragraph

Unless otherwise agreed to by a person that submits an application under subsection (k) (referred to in this subsection as the "subsection (k) applicant") and the sponsor of the application for the reference product (referred to in this subsection as the "reference product sponsor"), the provisions of this paragraph shall apply to the exchange of information described in this subsection.

(B) In general

(i) Provision of confidential information

When a subsection (k) applicant submits an application under subsection (k), such applicant shall provide to the persons described in clause (ii), subject to the terms of this paragraph, confidential access to the information required to be produced pursuant to paragraph (2) and any other information that the subsection (k) applicant determines, in its sole discretion, to be appropriate (referred to in this subsection as the "confidential information").

(ii) Recipients of information

The persons described in this clause are the following:

(I) Outside counsel

One or more attorneys designated by the reference product sponsor who are employees of an entity other than the reference product sponsor (referred to in this paragraph as the "outside counsel"), provided that such attorneys do not engage, formally or informally, in patent prosecution relevant or related to the reference product.

(II) In-house counsel

One attorney that represents the reference product sponsor who is an employee of the reference product sponsor, provided that such attorney does not engage, formally or informally, in patent prosecution relevant or related to the reference product.

(iii) Patent owner access

A representative of the owner of a patent exclusively licensed to a reference product sponsor with respect to the reference product and who has retained a right to assert the patent or participate in litigation concerning the patent may be provided the confidential information, provided that the representative informs the reference product sponsor and the subsection (k) applicant of his or her agreement to be subject to the confidentiality provisions set forth in this paragraph, including those under clause (ii).

(C) Limitation on disclosure

No person that receives confidential information pursuant to subparagraph (B) shall disclose any confidential information to any other person or entity, including the reference product sponsor employees, outside scientific consultants, or other outside counsel retained by the reference product sponsor, without the prior written consent of the subsection (k) applicant, which shall not be unreasonably withheld.

(D) Use of confidential information

Confidential information shall be used for the sole and exclusive purpose of determining, with respect to each patent assigned to or exclusively licensed by the reference product sponsor, whether a claim of patent infringement could reasonably be asserted if the subsection (k) applicant engaged in the manufacture, use, offering for sale, sale, or importation into the United States of the biological product that is the subject of the application under subsection (k).

(E) Ownership of confidential information

The confidential information disclosed under this paragraph is, and shall remain, the property of the subsection (k) applicant. By providing the confidential information pursuant to this paragraph, the subsection (k) applicant does not provide the reference product sponsor or the

outside counsel any interest in or license to use the confidential information, for purposes other than those specified in subparagraph (D).

(F) Effect of infringement action

In the event that the reference product sponsor files a patent infringement suit, the use of confidential information shall continue to be governed by the terms of this paragraph until such time as a court enters a protective order regarding the information. Upon entry of such order, the subsection (k) applicant may redesignate confidential information in accordance with the terms of that order. No confidential information shall be included in any publicly-available complaint or other pleading. In the event that the reference product sponsor does not file an infringement action by the date specified in paragraph (6), the reference product sponsor shall return or destroy all confidential information received under this paragraph, provided that if the reference product sponsor opts to destroy such information, it will confirm destruction in writing to the subsection (k) applicant.

(G) Rule of construction

Nothing in this paragraph shall be construed—

(i) as an admission by the subsection (k) applicant regarding the validity, enforceability, or infringement of any patent; or

(ii) as an agreement or admission by the subsection (k) applicant with respect to the competency, relevance, or materiality of any confidential information.

(H) Effect of violation

The disclosure of any confidential information in violation of this paragraph shall be deemed to cause the subsection (k) applicant to suffer irreparable harm for which there is no adequate legal remedy and the court shall consider immediate injunctive relief to be an appropriate and necessary remedy for any violation or threatened violation of this paragraph.

(2) Subsection (k) application information

Not later than 20 days after the Secretary notifies the subsection (k) applicant that the application has been accepted for review, the subsection (k) applicant—

(A) shall provide to the reference product sponsor a copy of the application submitted to the Secretary under subsection (k), and such other information that describes the process or processes used to manufacture the biological product that is the subject of such application; and

(B) may provide to the reference product sponsor additional information requested by or on behalf of the reference product sponsor.

(3) List and description of patents

(A) List by reference product sponsor

Not later than 60 days after the receipt of the application and information under paragraph (2), the reference product sponsor shall provide to the subsection (k) applicant—

(i) a list of patents for which the reference product sponsor believes a claim of patent infringement could reasonably be asserted by the reference product sponsor, or by a patent owner that has granted an exclusive license to the reference product sponsor with respect to the reference product, if a person not licensed by the reference product sponsor engaged in the making, using, offering to sell, selling, or importing into the United States of the biological product that is the subject of the subsection (k) application; and

(ii) an identification of the patents on such list that the reference product sponsor would be prepared to license to the subsection (k) applicant.

(B) List and description by subsection (k) applicant

Not later than 60 days after receipt of the list under subparagraph (A), the subsection (k) applicant—

(i) may provide to the reference product sponsor a list of patents to which the subsection (k) applicant believes a claim of patent infringement could reasonably be asserted by the

reference product sponsor if a person not licensed by the reference product sponsor engaged in the making, using, offering to sell, selling, or importing into the United States of the biological product that is the subject of the subsection (k) application;

(ii) shall provide to the reference product sponsor, with respect to each patent listed by the reference product sponsor under subparagraph (A) or listed by the subsection (k) applicant under clause (i)—

(I) a detailed statement that describes, on a claim by claim basis, the factual and legal basis of the opinion of the subsection (k) applicant that such patent is invalid, unenforceable, or will not be infringed by the commercial marketing of the biological product that is the subject of the subsection (k) application; or

(II) a statement that the subsection (k) applicant does not intend to begin commercial marketing of the biological product before the date that such patent expires; and

(iii) shall provide to the reference product sponsor a response regarding each patent identified by the reference product sponsor under subparagraph (A)(ii).

(C) Description by reference product sponsor

Not later than 60 days after receipt of the list and statement under subparagraph (B), the reference product sponsor shall provide to the subsection (k) applicant a detailed statement that describes, with respect to each patent described in subparagraph (B)(ii)(I), on a claim by claim basis, the factual and legal basis of the opinion of the reference product sponsor that such patent will be infringed by the commercial marketing of the biological product that is the subject of the subsection (k) application and a response to the statement concerning validity and enforceability provided under subparagraph (B)(ii)(I).

(4) Patent resolution negotiations

(A) In general

After receipt by the subsection (k) applicant of the statement under paragraph (3)(C), the reference product sponsor and the subsection (k) applicant shall engage in good faith negotiations to agree on which, if any, patents listed under paragraph (3) by the subsection (k) applicant or the reference product sponsor shall be the subject of an action for patent infringement under paragraph (6).

(B) Failure to reach agreement

If, within 15 days of beginning negotiations under subparagraph (A), the subsection (k) applicant and the reference product sponsor fail to agree on a final and complete list of which, if any, patents listed under paragraph (3) by the subsection (k) applicant or the reference product sponsor shall be the subject of an action for patent infringement under paragraph (6), the provisions of paragraph (5) shall apply to the parties.

(5) Patent resolution if no agreement

(A) Number of patents

The subsection (k) applicant shall notify the reference product sponsor of the number of patents that such applicant will provide to the reference product sponsor under subparagraph (B)(i)(I).

(B) Exchange of patent lists

(i) In general

On a date agreed to by the subsection (k) applicant and the reference product sponsor, but in no case later than 5 days after the subsection (k) applicant notifies the reference product sponsor under subparagraph (A), the subsection (k) applicant and the reference product sponsor shall simultaneously exchange—

(I) the list of patents that the subsection (k) applicant believes should be the subject of an action for patent infringement under paragraph (6); and

(II) the list of patents, in accordance with clause (ii), that the reference product sponsor believes should be the subject of an action for patent infringement under paragraph (6).

(ii) Number of patents listed by reference product sponsor

(I) In general

Subject to subclause (II), the number of patents listed by the reference product sponsor under clause (i)(II) may not exceed the number of patents listed by the subsection (k) applicant under clause (i)(I).

(II) Exception

If a subsection (k) applicant does not list any patent under clause (i)(I), the reference product sponsor may list 1 patent under clause (i)(II).

(6) Immediate patent infringement action

(A) Action if agreement on patent list

If the subsection (k) applicant and the reference product sponsor agree on patents as described in paragraph (4), not later than 30 days after such agreement, the reference product sponsor shall bring an action for patent infringement with respect to each such patent.

(B) Action if no agreement on patent list

If the provisions of paragraph (5) apply to the parties as described in paragraph (4)(B), not later than 30 days after the exchange of lists under paragraph (5)(B), the reference product sponsor shall bring an action for patent infringement with respect to each patent that is included on such lists.

(C) Notification and publication of complaint

(i) Notification to Secretary

Not later than 30 days after a complaint is served to a subsection (k) applicant in an action for patent infringement described under this paragraph, the subsection (k) applicant shall provide the Secretary with notice and a copy of such complaint.

(ii) Publication by Secretary

The Secretary shall publish in the Federal Register notice of a complaint received under clause (i).

(7) Newly issued or licensed patents

In the case of a patent that—

(A) is issued to, or exclusively licensed by, the reference product sponsor after the date that the reference product sponsor provided the list to the subsection (k) applicant under paragraph (3)(A); and

(B) the reference product sponsor reasonably believes that, due to the issuance of such patent, a claim of patent infringement could reasonably be asserted by the reference product sponsor if a person not licensed by the reference product sponsor engaged in the making, using, offering to sell, selling, or importing into the United States of the biological product that is the subject of the subsection (k) application,

not later than 30 days after such issuance or licensing, the reference product sponsor shall provide to the subsection (k) applicant a supplement to the list provided by the reference product sponsor under paragraph (3)(A) that includes such patent, not later than 30 days after such supplement is provided, the subsection (k) applicant shall provide a statement to the reference product sponsor in accordance with paragraph (3)(B), and such patent shall be subject to paragraph (8).

(8) Notice of commercial marketing and preliminary injunction

(A) Notice of commercial marketing

The subsection (k) applicant shall provide notice to the reference product sponsor not later

than 180 days before the date of the first commercial marketing of the biological product licensed under subsection (k).

(B) Preliminary injunction

After receiving the notice under subparagraph (A) and before such date of the first commercial marketing of such biological product, the reference product sponsor may seek a preliminary injunction prohibiting the subsection (k) applicant from engaging in the commercial manufacture or sale of such biological product until the court decides the issue of patent validity, enforcement, and infringement with respect to any patent that is—

- (i) included in the list provided by the reference product sponsor under paragraph (3)(A) or in the list provided by the subsection (k) applicant under paragraph (3)(B); and
- (ii) not included, as applicable, on—
 - (I) the list of patents described in paragraph (4); or
 - (II) the lists of patents described in paragraph (5)(B).

(C) Reasonable cooperation

If the reference product sponsor has sought a preliminary injunction under subparagraph (B), the reference product sponsor and the subsection (k) applicant shall reasonably cooperate to expedite such further discovery as is needed in connection with the preliminary injunction motion.

(9) Limitation on declaratory judgment action

(A) Subsection (k) application provided

If a subsection (k) applicant provides the application and information required under paragraph (2)(A), neither the reference product sponsor nor the subsection (k) applicant may, prior to the date notice is received under paragraph (8)(A), bring any action under section 2201 of title 28 for a declaration of infringement, validity, or enforceability of any patent that is described in clauses (i) and (ii) of paragraph (8)(B).

(B) Subsequent failure to act by subsection (k) applicant

If a subsection (k) applicant fails to complete an action required of the subsection (k) applicant under paragraph (3)(B)(ii), paragraph (5), paragraph (6)(C)(i), paragraph (7), or paragraph (8)(A), the reference product sponsor, but not the subsection (k) applicant, may bring an action under section 2201 of title 28 for a declaration of infringement, validity, or enforceability of any patent included in the list described in paragraph (3)(A), including as provided under paragraph (7).

(C) Subsection (k) application not provided

If a subsection (k) applicant fails to provide the application and information required under paragraph (2)(A), the reference product sponsor, but not the subsection (k) applicant, may bring an action under section 2201 of title 28 for a declaration of infringement, validity, or enforceability of any patent that claims the biological product or a use of the biological product.

(m) Pediatric studies

(1) Application of certain provisions

The provisions of subsections (a), (d), (e), (f), (h), (i), (j), (k), (l), (n), and (p) of section 505A of the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 355a(a), (d), (e), (f), (h), (i), (j), (k), (l), (n), (p)] shall apply with respect to the extension of a period under paragraphs (2) and (3) to the same extent and in the same manner as such provisions apply with respect to the extension of a period under subsection (b) or (c) of section 505A of the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 355a(b), (c)].

(2) Market exclusivity for new biological products

If, prior to approval of an application that is submitted under subsection (a), the Secretary determines that information relating to the use of a new biological product in the pediatric

population may produce health benefits in that population, the Secretary makes a written request for pediatric studies (which shall include a timeframe for completing such studies), the applicant agrees to the request, such studies are completed using appropriate formulations for each age group for which the study is requested within any such timeframe, and the reports thereof are submitted and accepted in accordance with section 505A(d)(4) of the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 355a(d)(4)]—

(A) the periods for such biological product referred to in subsection (k)(7) are deemed to be 4 years and 6 months rather than 4 years and 12 years and 6 months rather than 12 years; and

(B) if the biological product is designated under section 526 ¹ [21 U.S.C. 360bb] for a rare disease or condition, the period for such biological product referred to in section 527(a) ¹ [21 U.S.C. 360cc(a)] is deemed to be 7 years and 6 months rather than 7 years.

(3) Market exclusivity for already-marketed biological products

If the Secretary determines that information relating to the use of a licensed biological product in the pediatric population may produce health benefits in that population and makes a written request to the holder of an approved application under subsection (a) for pediatric studies (which shall include a timeframe for completing such studies), the holder agrees to the request, such studies are completed using appropriate formulations for each age group for which the study is requested within any such timeframe, and the reports thereof are submitted and accepted in accordance with section 505A(d)(4) of the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 355a(d)(4)]—

(A) the periods for such biological product referred to in subsection (k)(7) are deemed to be 4 years and 6 months rather than 4 years and 12 years and 6 months rather than 12 years; and

(B) if the biological product is designated under section 526 ¹ [21 U.S.C. 360bb] for a rare disease or condition, the period for such biological product referred to in section 527(a) ¹ [21 U.S.C. 360cc(a)] is deemed to be 7 years and 6 months rather than 7 years.

(4) Exception

The Secretary shall not extend a period referred to in paragraph (2)(A), (2)(B), (3)(A), or (3)(B) if the determination under section 505A(d)(4) ¹ [21 U.S.C. 355a(d)(4)] is made later than 9 months prior to the expiration of such period.

(n) Date of approval in the case of recommended controls under the CSA

(1) In general

In the case of an application under subsection (a) with respect to a biological product for which the Secretary provides notice to the sponsor that the Secretary intends to issue a scientific and medical evaluation and recommend controls under the Controlled Substances Act [21 U.S.C. 801 et seq.], approval of such application shall not take effect until the interim final rule controlling the biological product is issued in accordance with section 201(j) of the Controlled Substances Act [21 U.S.C. 811(j)].

(2) Date of approval

For purposes of this section, with respect to an application described in paragraph (1), references to the date of approval of such application, or licensure of the product subject to such application, shall mean the later of—

(A) the date an application is approved under subsection (a); or

(B) the date of issuance of the interim final rule controlling the biological product.

EDITORIAL NOTES

REFERENCES IN TEXT

The effective date of this paragraph, referred to in subsec. (d)(2), is the effective date of section 315 of Pub. L. 99–660 which added subsec. (d)(2). See Effective Date of 1986 Amendment note set out below.

The Federal Food, Drug, and Cosmetic Act, referred to in subssecs. (g), (h), (j), and (k)(5)(C), is act June 25, 1938, ch. 675, 52 Stat. 1040, which is classified generally to chapter 9 (§301 et seq.) of Title 21, Food and Drugs. For complete classification of this Act to the Code, see section 301 of Title 21 and Tables.

Section 7002(e)(4) of the Biologics Price Competition and Innovation Act of 2009, referred to in subsec. (k)(7)(D), (9)(A)(i)(I), (ii), is section 7002(e)(4) of Pub. L. 111–148, which is set out in a note under this section.

Sections 526, 527(a), and 505A(d)(4), referred to in subsec. (m)(2)(B), (3)(B), (4), probably mean sections 526, 527(a), and 505A(d)(4) of the Federal Food, Drug, and Cosmetic Act, act June 25, 1938, ch. 675, which are classified to sections 360bb, 360cc(a), and 355a(d)(4), respectively, of Title 21, Food and Drugs.

The Controlled Substances Act, referred to in subsec. (n)(1), is title II of Pub. L. 91–513, Oct. 27, 1970, 84 Stat. 1242, which is classified principally to subchapter I (§801 et seq.) of chapter 13 of Title 21, Food and Drugs. For complete classification of this Act to the Code, see Short Title note set out under section 801 of Title 21 and Tables.

AMENDMENTS

2022—Subsec. (k)(2)(A)(i)(I)(bb). Pub. L. 117–328, §3209(b), amended item (bb) generally. Prior to amendment, item (bb) read as follows: "animal studies (including the assessment of toxicity); and".

Subsec. (k)(6). Pub. L. 117–328, §3206(2), substituted "taken, and the term 'first interchangeable biosimilar biological product' means any interchangeable biosimilar biological product that is approved on the first day on which such a product is approved as interchangeable with the reference product." for "taken." in concluding provisions.

Pub. L. 117–328, §3206(1), substituted "The Secretary shall not make approval as an interchangeable biological product effective with respect to" for "Upon review of" and "that relies on" for "relying on" and struck out "the Secretary shall not make a determination under paragraph (4) that the second or subsequent biological product is interchangeable for any condition of use" before "until the earlier of" in introductory provisions.

2020—Subsec. (k)(2)(A)(iii)(III). Pub. L. 116–260, §322, added subcl. (III).

Subsec. (k)(9). Pub. L. 116–260, §325(a), added par. (9).

2019—Subsec. (i)(1). Pub. L. 116–94, §605, struck out "(except any chemically synthesized polypeptide)" after "protein".

Subsec. (k)(7)(D). Pub. L. 116–94, §606, added subpar. (D).

2017—Subsec. (m)(2) to (4). Pub. L. 115–52 substituted "section 505A(d)(4)" for "section 505A(d)(3)".

2016—Subsec. (a)(2)(E). Pub. L. 114–255 added subpar. (E).

2015—Subsec. (n). Pub. L. 114–89 added subsec. (n).

2012—Subsec. (m)(1). Pub. L. 112–144 substituted "(f), (h), (i), (j), (k), (l), (n), and (p)" for "(f), (i), (j), (k), (l), (p), and (q)".

2010—Subsec. (a)(1)(A). Pub. L. 111–148, §7002(a)(1), inserted "under this subsection or subsection (k)" after "biologics license".

Subsec. (i). Pub. L. 111–148, §7002(b), substituted "In this section:" for "In this section,", designated remainder of existing provisions as par. (1), substituted "The term" for "the term", inserted "protein (except any chemically synthesized polypeptide)," after "allergenic product,", and added pars. (2) to (4).

Subsecs. (k), (l). Pub. L. 111–148, §7002(a)(2), added subssecs. (k) and (l).

Subsec. (m). Pub. L. 111–148, §7002(g)(1), added subsec. (m).

2007—Subsec. (a)(2)(D). Pub. L. 110–85, §901(c)(1), added subpar. (D).

Subsec. (j). Pub. L. 110–85, §901(c)(2), inserted ", including the requirements under sections 505(o), 505(p), and 505–1 of such Act," after "and Cosmetic Act".

2003—Subsec. (a)(2)(B), (C). Pub. L. 108–155 added subpar. (B) and redesignated former subpar. (B) as (C).

1997—Subsec. (a). Pub. L. 105–115, §123(a)(1), amended subsec. (a) generally. Prior to amendment, subsec. (a) related to intrastate and interstate traffic in biological products and suspension or revocation of licenses as affecting prior sales.

Subsec. (b). Pub. L. 105–115, §123(b), amended subsec. (b) generally. Prior to amendment, subsec. (b) read as follows: "No person shall falsely label or mark any package or container of any virus, serum, toxin, antitoxin, vaccine, blood, blood component or derivative, allergenic product, or other product aforesaid; nor alter any label or mark on any package or container of any virus, serum, toxin, antitoxin, vaccine, blood, blood component or derivative, allergenic product, or other product aforesaid so as to falsify such label or mark."

Subsec. (c). Pub. L. 105–115, §123(c), substituted "biological product." for "virus, serum, toxin, antitoxin, vaccine, blood, blood component or derivative, allergenic product, or other product aforesaid for sale, barter, or exchange in the District of Columbia, or to be sent, carried, or brought from any State or possession into any other State or possession or into any foreign country, or from any foreign country into any State or possession."

Subsec. (d). Pub. L. 105–115, §123(a)(2), designated par. (2) as subsec. (d), redesignated subpars. (A) and (B) of par. (2) as pars. (1) and (2), respectively, in par. (2), substituted "Any violation of paragraph (1)" for "Any violation of subparagraph (A)" and substituted "this paragraph" for "this subparagraph" wherever appearing, and struck out former par. (1) which read as follows: "Licenses for the maintenance of establishments for the propagation or manufacture and preparation of products described in subsection (a) of this section may be issued only upon a showing that the establishment and the products for which a license is desired meet standards, designed to insure the continued safety, purity, and potency of such products, prescribed in regulations, and licenses for new products may be issued only upon a showing that they meet such standards. All such licenses shall be issued, suspended, and revoked as prescribed by regulations and all licenses issued for the maintenance of establishments for the propagation or manufacture and preparation, in any foreign country, of any such products for sale, barter, or exchange in any State or possession shall be issued upon condition that the licensees will permit the inspection of their establishments in accordance with subsection (c) of this section."

Subsec. (i). Pub. L. 105–115, §123(d), added subsec. (i).

Subsec. (j). Pub. L. 105–115, §123(g), added subsec. (j).

1996—Subsec. (h). Pub. L. 104–134, §2104, amended subsec. (h) generally, revising and restating former provisions, which also related to exportation of partially processed biological products.

Subsec. (h)(1)(A). Pub. L. 104–134, §2102(d)(2), substituted "in a country listed under section 802(b)(1)" for "in a country listed under section 802(b)(A)" and "to a country listed under section 802(b)(1)" for "to a country listed under section 802(b)(4)".

1992—Subsec. (c). Pub. L. 102–300, which directed substitution of "Health and Human Services" for "Health, Education, and Welfare", could not be executed because the words "Health, Education, and Welfare" did not appear in original statutory text. Previously, references to Department and Secretary of Health and Human Services were substituted for references to Federal Security Agency and its Administrator pursuant to provisions cited in Transfer of Functions note below.

1986—Subsec. (d). Pub. L. 99–660, §315, designated existing provisions as par. (1) and added par. (2).

Subsec. (h). Pub. L. 99–660, §105(a), added subsec. (h).

1970—Subsecs. (a) to (c). Pub. L. 91–515 inserted "vaccine, blood, blood component or derivative, allergenic product," after "antitoxin" wherever appearing.

1958—Subsec. (d). Pub. L. 85–881 struck out "made jointly by the Surgeon General, the Surgeon General of the Army, and the Surgeon General of the Navy, and approved by the Secretary" after "regulations" in first sentence.

STATUTORY NOTES AND RELATED SUBSIDIARIES

CHANGE OF NAME

"Secretary of Health and Human Services" substituted for "Secretary of Health, Education, and Welfare" in subsecs. (a), (c), (d), (h), and (k) to (n), and "Department of Health and Human Services" substituted for "Department of Health, Education, and Welfare" in subsec. (c), pursuant to section 509(b) of Pub. L. 96–88,

which is classified to section 3508(b) of Title 20, Education.

EFFECTIVE DATE OF 2007 AMENDMENT

Amendment by Pub. L. 110–85 effective 180 days after Sept. 27, 2007, see section 909 of Pub. L. 110–85, set out as a note under section 331 of Title 21, Food and Drugs.

EFFECTIVE DATE OF 2003 AMENDMENT

Amendment by Pub. L. 108–155 effective Dec. 3, 2003, except as otherwise provided, see section 4 of Pub. L. 108–155, set out as an Effective Date note under section 355c of Title 21, Food and Drugs.

EFFECTIVE DATE OF 1997 AMENDMENT

Amendment by Pub. L. 105–115 effective 90 days after Nov. 21, 1997, except as otherwise provided, see section 501 of Pub. L. 105–115, set out as a note under section 321 of Title 21, Food and Drugs.

EFFECTIVE DATE OF 1986 AMENDMENT

Pub. L. 99–660, title I, §105(b), Nov. 14, 1986, 100 Stat. 3752, provided that: "Paragraph (1) of section 351(h) of the Public Health Service Act [former 42 U.S.C. 262(h)(1)] as added by subsection (a) shall take effect upon the expiration of 90 days after the date of the enactment of this Act [Nov. 14, 1986]."

Amendment by section 315 of Pub. L. 99–660 effective Dec. 22, 1987, see section 323 of Pub. L. 99–660, as amended, set out as an Effective Date note under section 300aa–1 of this title.

PRODUCTS PREVIOUSLY APPROVED UNDER THE FEDERAL FOOD, DRUG, AND COSMETIC ACT

Pub. L. 111–148, title VII, §7002(e), Mar. 23, 2010, 124 Stat. 817, as amended by Pub. L. 116–94, div. N, title I, §607, Dec. 20, 2019, 133 Stat. 3127, provided that:

"(1) REQUIREMENT TO FOLLOW SECTION 351.—Except as provided in paragraph (2), an application for a biological product shall be submitted under section 351 of the Public Health Service Act (42 U.S.C. 262) (as amended by this Act).

"(2) EXCEPTION.—An application for a biological product may be submitted under section 505 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 355) if—

"(A) such biological product is in a product class for which a biological product in such product class is the subject of an application approved under such section 505 not later than the date of enactment of this Act [Mar. 23, 2010]; and

"(B) such application—

"(i) has been submitted to the Secretary of Health and Human Services (referred to in this subtitle [subtitle A (§§7001–7003) of title VII of Pub. L. 111–148, see Short Title of 2010 Amendment note under section 201 of this title] as the 'Secretary') before the date of enactment of this Act; or

"(ii) is submitted to the Secretary not later than the date that is 10 years after the date of enactment of this Act.

"(3) LIMITATION.—Notwithstanding paragraph (2), an application for a biological product may not be submitted under section 505 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 355) if there is another biological product approved under subsection (a) of section 351 of the Public Health Service Act [42 U.S.C. 262] that could be a reference product with respect to such application (within the meaning of such section 351) if such application were submitted under subsection (k) of such section 351.

"(4) DEEMED APPROVED UNDER SECTION 351.—

"(A) IN GENERAL.—An approved application for a biological product under section 505 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 355) shall be deemed to be a license for the biological product under such section 351 on the date that is 10 years after the date of enactment of this Act.

"(B) TREATMENT OF CERTAIN APPLICATIONS.—

"(i) IN GENERAL.—With respect to an application for a biological product submitted under subsection (b) or (j) of section 505 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 355) that is filed not later than March 23, 2019, and is not approved as of March 23, 2020, the Secretary shall continue to review such application under such section 505 after March 23, 2020.

"(ii) EFFECT ON LISTED DRUGS.—Only for purposes of carrying out clause (i), with respect to any applicable listed drug with respect to such application, the following shall apply:

"(I) Any drug that is a biological product that has been deemed licensed under section 351 of the Public Health Service Act (42 U.S.C. 262) pursuant to subparagraph (A) and that is referenced in

an application described in clause (i), shall continue to be identified as a listed drug on the list published pursuant to section 505(j)(7) of the Federal Food, Drug, and Cosmetic Act, and the information for such drug on such list shall not be revised after March 20, 2020, until—

"(aa) such drug is removed from such list in accordance with subclause (III) or subparagraph (C) of such section 505(j)(7); or

"(bb) this subparagraph no longer has force or effect.

"(II) Any drug that is a biological product that has been deemed licensed under section 351 of the Public Health Service Act (42 U.S.C. 262) pursuant to subparagraph (A) and that is referenced in an application described in clause (i) shall be subject only to requirements applicable to biological products licensed under such section.

"(III) Upon approval under subsection (c) or (j) of section 505 of the Federal Food, Drug, and Cosmetic Act of an application described in clause (i), the Secretary shall remove from the list published pursuant to section 505(j)(7) of the Federal Food, Drug, and Cosmetic Act any listed drug that is a biological product that has been deemed licensed under section 351 of the Public Health Service Act pursuant to subparagraph (A) and that is referenced in such approved application, unless such listed drug is referenced in one or more additional applications described in clause (i).

"(iii) DEEMED LICENSURE.—Upon approval of an application described in clause (i), such approved application shall be deemed to be a license for the biological product under section 351 of the Public Health Service Act.

"(iv) RULE OF CONSTRUCTION.—

"(I) APPLICATION OF CERTAIN PROVISIONS.—

"(aa) PATENT CERTIFICATION OR STATEMENT.—An application described in clause (i) shall contain a patent certification or statement described in, as applicable, section 505(b)(2) of the Federal Food, Drug, and Cosmetic Act or clauses (vii) and (viii) of section 505(j)(2)(A) of such Act and, with respect to any listed drug referenced in such application, comply with related requirements concerning any timely filed patent information listed pursuant to section 505(j)(7) of such Act.

"(bb) DATE OF APPROVAL.—The earliest possible date on which any pending application described in clause (i) may be approved shall be determined based on—

"(AA) the last expiration date of any applicable period of exclusivity that would prevent such approval and that is described in section 505(c)(3)(E), 505(j)(5)(B)(iv), 505(j)(5)(F), 505A [21 U.S.C. 355a], 505E [21 U.S.C. 355f], or 527 [21 U.S.C. 360cc] of the Federal Food, Drug, and Cosmetic Act; and

"(BB) if the application was submitted pursuant to section 505(b)(2) of the Federal Food, Drug, and Cosmetic Act and references any listed drug, the last applicable date determined under subparagraph (A), (B), or (C) of section 505(c)(3) of such Act, or, if the application was submitted under section 505(j) of such Act, the last applicable date determined under clause (i), (ii), or (iii) of section 505(j)(5)(B) of such Act.

"(II) EXCLUSIVITY.—Nothing in this subparagraph shall be construed to affect section 351(k)(7)(D) of the Public Health Service Act.

"(v) LISTING.—The Secretary may continue to review an application after March 23, 2020, pursuant to clause (i), and continue to identify any applicable listed drug pursuant to clause (ii) on the list published pursuant to section 505(j)(7) of the Federal Food, Drug, and Cosmetic Act, even if such review or listing may reveal the existence of such application and the identity of any listed drug for which the investigations described in section 505(b)(1)(A) of the Federal Food, Drug, and Cosmetic Act are relied upon by the applicant for approval of the pending application. Nothing in this subparagraph shall be construed as authorizing the Secretary to disclose any other information that is a trade secret or confidential information described in section 552(b)(4) of title 5, United States Code.

"(vi) SUNSET.—Beginning on October 1, 2022, this subparagraph shall have no force or effect and any applications described in clause (i) that have not been approved shall be deemed withdrawn.

"(5) DEFINITIONS.—For purposes of this subsection, the term 'biological product' has the meaning given such term under section 351 of the Public Health Service Act (42 U.S.C. 262) (as amended by this Act)."

COSTS OF REVIEWING BIOSIMILAR BIOLOGICAL PRODUCT APPLICATIONS

Pub. L. 111–148, title VII, §7002(f)(3)(B), (C), Mar. 23, 2010, 124 Stat. 818, 819, provided that:

"(B) EVALUATION OF COSTS OF REVIEWING BIOSIMILAR BIOLOGICAL PRODUCT APPLICATIONS.—During the period beginning on the date of enactment of this Act [Mar. 23, 2010] and

ending on October 1, 2010, the Secretary [of Health and Human Services] shall collect and evaluate data regarding the costs of reviewing applications for biological products submitted under section 351(k) of the Public Health Service Act [42 U.S.C. 262(k)] (as added by this Act) during such period.

"(C) AUDIT.—

"(i) IN GENERAL.—On the date that is 2 years after first receiving a user fee applicable to an application for a biological product under section 351(k) of the Public Health Service Act [42 U.S.C. 262(k)] (as added by this Act), and on a biennial basis thereafter until October 1, 2013, the Secretary shall perform an audit of the costs of reviewing such applications under such section 351(k). Such an audit shall compare—

"(I) the costs of reviewing such applications under such section 351(k) to the amount of the user fee applicable to such applications; and

"(II)(aa) such ratio determined under subclause (I); to

"(bb) the ratio of the costs of reviewing applications for biological products under section 351(a) of such Act [42 U.S.C. 262(a)] (as amended by this Act) to the amount of the user fee applicable to such applications under such section 351(a).

"(ii) ALTERATION OF USER FEE.—If the audit performed under clause (i) indicates that the ratios compared under subclause (II) of such clause differ by more than 5 percent, then the Secretary shall alter the user fee applicable to applications submitted under such section 351(k) [42 U.S.C. 262(k)] to more appropriately account for the costs of reviewing such applications.

"(iii) ACCOUNTING STANDARDS.—The Secretary shall perform an audit under clause (i) in conformance with the accounting principles, standards, and requirements prescribed by the Comptroller General of the United States under section 3511 of title 31, United State Code, to ensure the validity of any potential variability."

LICENSING OF ORPHAN PRODUCTS

Pub. L. 111–148, title VII, §7002(h), Mar. 23, 2010, 124 Stat. 821, provided that: "If a reference product, as defined in section 351 of the Public Health Service Act (42 U.S.C. 262) (as amended by this Act) has been designated under section 526 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 360bb) for a rare disease or condition, a biological product seeking approval for such disease or condition under subsection (k) of such section 351 as biosimilar to, or interchangeable with, such reference product may be licensed by the Secretary [of Health and Human Services] only after the expiration for such reference product of the later of—

"(1) the 7-year period described in section 527(a) of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 360cc(a)); and

"(2) the 12-year period described in subsection (k)(7) of such section 351."

SAVINGS GENERATED BY 2010 AMENDMENT

Pub. L. 111–148, title VII, §7003, Mar. 23, 2010, 124 Stat. 821, provided that:

"(a) DETERMINATION.—The Secretary of the Treasury, in consultation with the Secretary of Health and Human Services, shall for each fiscal year determine the amount of savings to the Federal Government as a result of the enactment of this subtitle [subtitle A (§§7001–7003) of title VII of Pub. L. 111–148, see Short Title of 2010 Amendment note under section 201 of this title].

"(b) USE.—Notwithstanding any other provision of this subtitle (or an amendment made by this subtitle), the savings to the Federal Government generated as a result of the enactment of this subtitle shall be used for deficit reduction."

ENHANCED PENALTIES AND CONTROL OF BIOLOGICAL AGENTS

Pub. L. 104–132, title V, §511, Apr. 24, 1996, 110 Stat. 1284, as amended by Pub. L. 107–188, title II, §204, June 12, 2002, 116 Stat. 647, provided that:

"(a) FINDINGS.—The Congress finds that—

"(1) certain biological agents have the potential to pose a severe threat to public health and safety;

"(2) such biological agents can be used as weapons by individuals or organizations for the purpose of domestic or international terrorism or for other criminal purposes;

"(3) the transfer and possession of potentially hazardous biological agents should be regulated to protect public health and safety; and

"(4) efforts to protect the public from exposure to such agents should ensure that individuals and groups with legitimate objectives continue to have access to such agents for clinical and research purposes.

"(b) CRIMINAL ENFORCEMENT.—[Amended sections 175, 177, and 178 of Title 18, Crimes and Criminal Procedure.]

"(c) TERRORISM.—[Amended section 2332a of Title 18.]"

EXECUTIVE DOCUMENTS

TRANSFER OF FUNCTIONS

Functions of Public Health Service, Surgeon General of Public Health Service, and all other officers and employees of Public Health Service, and functions of all agencies of or in Public Health Service transferred to Secretary of Health, Education, and Welfare by Reorg. Plan No. 3 of 1966, eff. June 25, 1966, 31 F.R. 8855, 80 Stat. 1610, set out as a note under section 202 of this title.

References to Secretary and Department of Health, Education, and Welfare substituted for references to Federal Security Administrator and Federal Security Agency, respectively, pursuant to Reorg. Plan No. 1 of 1953, §5, set out as a note under section 3501 of this title, which transferred all functions of Federal Security Administrator to Secretary of Health, Education, and Welfare and all agencies of Federal Security Agency to Department of Health, Education, and Welfare. Federal Security Agency and office of Administrator abolished by section 8 of Reorg. Plan No. 1 of 1953.

§262a. Enhanced control of dangerous biological agents and toxins

(a) Regulatory control of certain biological agents and toxins

(1) List of biological agents and toxins

(A) In general

The Secretary shall by regulation establish and maintain a list of each biological agent and each toxin that has the potential to pose a severe threat to public health and safety.

(B) Criteria

In determining whether to include an agent or toxin on the list under subparagraph (A), the Secretary shall—

(i) consider—

(I) the effect on human health of exposure to the agent or toxin;

(II) the degree of contagiousness of the agent or toxin and the methods by which the agent or toxin is transferred to humans;

(III) the availability and effectiveness of pharmacotherapies and immunizations to treat and prevent any illness resulting from infection by the agent or toxin; and

(IV) any other criteria, including the needs of children and other vulnerable populations, that the Secretary considers appropriate; and

(ii) consult with appropriate Federal departments and agencies and with scientific experts representing appropriate professional groups, including groups with pediatric expertise.

(2) Biennial review

The Secretary shall review and republish the list under paragraph (1) biennially, or more often as needed, and shall by regulation revise the list as necessary in accordance with such paragraph.

(b) Regulation of transfers of listed agents and toxins

The Secretary shall by regulation provide for—

(1) the establishment and enforcement of safety procedures for the transfer of listed agents and toxins, including measures to ensure—

(A) proper training, including with respect to notification requirements under this section, of—

(i) individuals who are involved in the handling and use of such agents and toxins, including appropriate skills to handle such agents and toxins;

(ii) individuals whose responsibilities routinely place them in close proximity to laboratory

facilities in which such agents and toxins are being transferred, possessed, or used; and
(iii) individuals who perform administrative or oversight functions of the facility related to the transfer, possession, or use of such agents and toxins on behalf of registered persons;

(B) proper laboratory facilities to contain and dispose of such agents and toxins;

(2) the establishment and enforcement of safeguard and security measures to prevent access to such agents and toxins for use in domestic or international terrorism or for any other criminal purpose;

(3) the establishment of procedures to protect the public safety in the event of a transfer or potential transfer of such an agent or toxin in violation of the safety procedures established under paragraph (1) or the safeguard and security measures established under paragraph (2); and

(4) appropriate availability of biological agents and toxins for research, education, and other legitimate purposes.

(c) Possession and use of listed agents and toxins

The Secretary shall by regulation provide for the establishment and enforcement of standards and procedures governing the possession and use of listed agents and toxins, including the provisions described in paragraphs (1) through (4) of subsection (b), in order to protect the public health and safety.

(d) Registration; identification; database

(1) Registration

Regulations under subsections (b) and (c) shall require registration with the Secretary of the possession, use, and transfer of listed agents and toxins, and shall include provisions to ensure that persons seeking to register under such regulations have a lawful purpose to possess, use, or transfer such agents and toxins, including provisions in accordance with subsection (e)(6).

(2) Identification; database

Regulations under subsections (b) and (c) shall require that registration include (if available to the person registering) information regarding the characterization of listed agents and toxins to facilitate their identification, including their source. The Secretary shall maintain a national database that includes the names and locations of registered persons, the listed agents and toxins such persons are possessing, using, or transferring, and information regarding the characterization of such agents and toxins.

(e) Safeguard and security requirements for registered persons

(1) In general

Regulations under subsections (b) and (c) shall include appropriate safeguard and security requirements for persons possessing, using, or transferring a listed agent or toxin commensurate with the risk such agent or toxin poses to public health and safety (including risks posed by the release, theft, or loss of such agent or toxin, or use in domestic or international terrorism). The Secretary shall establish such requirements in collaboration with the Secretary of Homeland Security and the Attorney General, and shall ensure compliance with such requirements as part of the registration system under such regulations.

(2) Limiting access to listed agents and toxins

Requirements under paragraph (1) shall include provisions to ensure that registered persons—

(A) provide access to listed agents and toxins to only those individuals whom the registered person involved determines have a legitimate need to handle or use such agents and toxins;

(B) submit the names and other identifying information for such individuals to the Secretary and the Attorney General, promptly after first determining that the individuals need access under subparagraph (A), and periodically thereafter while the individuals have such access, not less frequently than once every five years;

(C) deny access to such agents and toxins by individuals whom the Attorney General has identified as restricted persons; and

(D) limit or deny access to such agents and toxins by individuals whom the Attorney General has identified as within any category under paragraph (3)(B)(ii), if limiting or denying such access by the individuals involved is determined appropriate by the Secretary, in consultation with the Attorney General.

(3) Submitted names; use of databases by attorney general

(A) In general

Upon the receipt of names and other identifying information under paragraph (2)(B), the Attorney General shall, for the sole purpose of identifying whether the individuals involved are within any of the categories specified in subparagraph (B), promptly use criminal, immigration, national security, and other electronic databases that are available to the Federal Government and are appropriate for such purpose.

(B) Certain individuals

For purposes of subparagraph (A), the categories specified in this subparagraph regarding an individual are that—

(i) the individual is a restricted person; or

(ii) the individual is reasonably suspected by any Federal law enforcement or intelligence agency of—

(I) committing a crime set forth in section 2332b(g)(5) of title 18;

(II) knowing involvement with an organization that engages in domestic or international terrorism (as defined in section 2331 of such title 18) or with any other organization that engages in intentional crimes of violence; or

(III) being an agent of a foreign power (as defined in section 1801 of title 50).

(C) Notification by Attorney General regarding submitted names

After the receipt of a name and other identifying information under paragraph (2)(B), the Attorney General shall promptly notify the Secretary whether the individual is within any of the categories specified in subparagraph (B).

(4) Notifications by Secretary

The Secretary, after receiving notice under paragraph (3) regarding an individual, shall promptly notify the registered person involved of whether the individual is granted or denied access under paragraph (2). If the individual is denied such access, the Secretary shall promptly notify the individual of the denial.

(5) Expedited review

Regulations under subsections (b) and (c) shall provide for a procedure through which, upon request to the Secretary by a registered person who submits names and other identifying information under paragraph (2)(B) and who demonstrates good cause, the Secretary may, as determined appropriate by the Secretary—

(A) request the Attorney General to expedite the process of identification under paragraph (3)(A) and notification of the Secretary under paragraph (3)(C); and

(B) expedite the notification of the registered person by the Secretary under paragraph (4).

(6) Process regarding persons seeking to register

(A) Individuals

Regulations under subsections (b) and (c) shall provide that an individual who seeks to register under either of such subsections is subject to the same processes described in paragraphs (2) through (4) as apply to names and other identifying information submitted to the Attorney General under paragraph (2)(B). Paragraph (5) does not apply for purposes of this subparagraph.

(B) Other persons

Regulations under subsections (b) and (c) shall provide that, in determining whether to deny or revoke registration by a person other than an individual, the Secretary shall submit the name of such person to the Attorney General, who shall use criminal, immigration, national security, and other electronic databases available to the Federal Government, as appropriate for the purpose of promptly notifying the Secretary whether the person, or, where relevant, the individual who owns or controls such person, is a restricted person or is reasonably suspected by any Federal law enforcement or intelligence agency of being within any category specified in paragraph (3)(B)(ii) (as applied to persons, including individuals). Such regulations shall provide that a person who seeks to register under either of such subsections is subject to the same processes described in paragraphs (2) and (4) as apply to names and other identifying information submitted to the Attorney General under paragraph (2)(B). Paragraph (5) does not apply for purposes of this subparagraph. The Secretary may exempt Federal, State, or local governmental agencies from the requirements of this subparagraph.

(7) Review

(A) Administrative review

(i) In general

Regulations under subsections (b) and (c) shall provide for an opportunity for a review by the Secretary—

(I) when requested by the individual involved, of a determination under paragraph (2) to deny the individual access to listed agents and toxins; and

(II) when requested by the person involved, of a determination under paragraph (6) to deny or revoke registration for such person.

(ii) Ex parte review

During a review under clause (i), the Secretary may consider information relevant to the review ex parte to the extent that disclosure of the information could compromise national security or an investigation by any law enforcement agency.

(iii) Final agency action

The decision of the Secretary in a review under clause (i) constitutes final agency action for purposes of section 702 of title 5.

(B) Certain procedures

(i) Submission of ex parte materials in judicial proceedings

When reviewing a decision of the Secretary under subparagraph (A), and upon request made ex parte and in writing by the United States, a court, upon a sufficient showing, may review and consider ex parte documents containing information the disclosure of which could compromise national security or an investigation by any law enforcement agency. If the court determines that portions of the documents considered ex parte should be disclosed to the person involved to allow a response, the court shall authorize the United States to delete from such documents specified items of information the disclosure of which could compromise national security or an investigation by any law enforcement agency, or to substitute a summary of the information to which the person may respond. Any order by the court authorizing the disclosure of information that the United States believes could compromise national security or an investigation by any law enforcement agency shall be subject to the processes set forth in subparagraphs (A) and (B)(i) of section 2339B(f)(5) of title 18 (relating to interlocutory appeal and expedited consideration).

(ii) Disclosure of information

In a review under subparagraph (A), and in any judicial ¹ proceeding conducted pursuant to such review, neither the Secretary nor the Attorney General may be required to disclose to the public any information that under subsection (h) shall not be disclosed under section 552

of title 5.

(8) Notifications regarding theft or loss of agents

Requirements under paragraph (1) shall include the prompt notification of the Secretary, and appropriate Federal, State, and local law enforcement agencies, of the theft or loss of listed agents and toxins.

(9) Technical assistance for registered persons

The Secretary, in consultation with the Attorney General, may provide technical assistance to registered persons to improve security of the facilities of such persons.

(f) Inspections

The Secretary shall have the authority to inspect persons subject to regulations under subsection (b) or (c) to ensure their compliance with such regulations, including prohibitions on restricted persons and other provisions of subsection (e).

(g) Exemptions

(1) Clinical or diagnostic laboratories

Regulations under subsections (b) and (c) shall exempt clinical or diagnostic laboratories and other persons who possess, use, or transfer listed agents or toxins that are contained in specimens presented for diagnosis, verification, or proficiency testing, provided that—

(A) the identification of such agents or toxins is reported to the Secretary, and when required under Federal, State, or local law, to other appropriate authorities; and

(B) such agents or toxins are transferred or destroyed in a manner set forth by the Secretary by regulation.

(2) Products

(A) In general

Regulations under subsections (b) and (c) shall exempt products that are, bear, or contain listed agents or toxins and are cleared, approved, licensed, or registered under any of the Acts specified in subparagraph (B), unless the Secretary by order determines that applying additional regulation under subsection (b) or (c) to a specific product is necessary to protect public health and safety.

(B) Relevant laws

For purposes of subparagraph (A), the Acts specified in this subparagraph are the following:

(i) The Federal Food, Drug, and Cosmetic Act [21 U.S.C. 301 et seq.].

(ii) Section 262 of this title.

(iii) The Act commonly known as the Virus-Serum-Toxin Act (the eighth paragraph under the heading "Bureau of Animal Industry" in the Act of March 4, 1913; 21 U.S.C. 151–159).

(iv) The Federal Insecticide, Fungicide, and Rodenticide Act [7 U.S.C. 136 et seq.].

(C) Investigational use

(i) In general

The Secretary may exempt an investigational product that is, bears, or contains a listed agent or toxin from the applicability of provisions of regulations under subsection (b) or (c) when such product is being used in an investigation authorized under any Federal Act and the Secretary determines that applying additional regulation under subsection (b) or (c) to such product is not necessary to protect public health and safety.

(ii) Certain processes

Regulations under subsections (b) and (c) shall set forth the procedures for applying for an exemption under clause (i). In the case of investigational products authorized under any of

the Acts specified in subparagraph (B), the Secretary shall make a determination regarding a request for an exemption not later than 14 days after the first date on which both of the following conditions have been met by the person requesting the exemption:

- (I) The person has submitted to the Secretary an application for the exemption meeting the requirements established by the Secretary.
- (II) The person has notified the Secretary that the investigation has been authorized under such an Act.

(3) Public health emergencies

The Secretary may temporarily exempt a person from the applicability of the requirements of this section, in whole or in part, if the Secretary determines that such exemption is necessary to provide for the timely participation of the person in a response to a domestic or foreign public health emergency (whether determined under section 247d(a) of this title or otherwise) that involves a listed agent or toxin. With respect to the emergency involved, such exemption for a person may not exceed 30 days, except that the Secretary, after review of whether such exemption remains necessary, may provide one extension of an additional 30 days.

(4) Agricultural emergencies

Upon request of the Secretary of Agriculture, after the granting by such Secretary of an exemption under section 8401(g)(1)(D) of title 7 pursuant to a finding that there is an agricultural emergency, the Secretary of Health and Human Services may temporarily exempt a person from the applicability of the requirements of this section, in whole or in part, to provide for the timely participation of the person in a response to the agricultural emergency. With respect to the emergency involved, the exemption under this paragraph for a person may not exceed 30 days, except that upon request of the Secretary of Agriculture, the Secretary of Health and Human Services may, after review of whether such exemption remains necessary, provide one extension of an additional 30 days.

(h) Disclosure of information

(1) Nondisclosure of certain information

No Federal agency specified in paragraph (2) shall disclose under section 552 of title 5 any of the following:

- (A) Any registration or transfer documentation submitted under subsections (b) and (c) for the possession, use, or transfer of a listed agent or toxin; or information derived therefrom to the extent that it identifies the listed agent or toxin possessed, used, or transferred by a specific registered person or discloses the identity or location of a specific registered person.
- (B) The national database developed pursuant to subsection (d), or any other compilation of the registration or transfer information submitted under subsections (b) and (c) to the extent that such compilation discloses site-specific registration or transfer information.
- (C) Any portion of a record that discloses the site-specific or transfer-specific safeguard and security measures used by a registered person to prevent unauthorized access to listed agents and toxins.
- (D) Any notification of a release of a listed agent or toxin submitted under subsections (b) and (c), or any notification of theft or loss submitted under such subsections.
- (E) Any portion of an evaluation or report of an inspection of a specific registered person conducted under subsection (f) that identifies the listed agent or toxin possessed by a specific registered person or that discloses the identity or location of a specific registered person if the agency determines that public disclosure of the information would endanger public health or safety.

(2) Covered agencies

For purposes of paragraph (1) only, the Federal agencies specified in this paragraph are the following:

- (A) The Department of Health and Human Services, the Department of Justice, the

Department of Agriculture, and the Department of Transportation.

(B) Any Federal agency to which information specified in paragraph (1) is transferred by any agency specified in subparagraph (A) of this paragraph.

(C) Any Federal agency that is a registered person, or has a sub-agency component that is a registered person.

(D) Any Federal agency that awards grants or enters into contracts or cooperative agreements involving listed agents and toxins to or with a registered person, and to which information specified in paragraph (1) is transferred by any such registered person.

(3) Other exemptions

This subsection may not be construed as altering the application of any exemptions to public disclosure under section 552 of title 5, except as to subsection ² 552(b)(3) of such title, to any of the information specified in paragraph (1).

(4) Rule of construction

Except as specifically provided in paragraph (1), this subsection may not be construed as altering the authority of any Federal agency to withhold under section 552 of title 5, or the obligation of any Federal agency to disclose under section 552 of title 5, any information, including information relating to—

(A) listed agents and toxins, or individuals seeking access to such agents and toxins;

(B) registered persons, or persons seeking to register their possession, use, or transfer of such agents and toxins;

(C) general safeguard and security policies and requirements under regulations under subsections (b) and (c); or

(D) summary or statistical information concerning registrations, registrants, denials or revocations of registrations, listed agents and toxins, inspection evaluations and reports, or individuals seeking access to such agents and toxins.

(5) Disclosures to Congress; other disclosures

This subsection may not be construed as providing any authority—

(A) to withhold information from the Congress or any committee or subcommittee thereof; or

(B) to withhold information from any person under any other Federal law or treaty.

(i) Civil money penalty

(1) In general

In addition to any other penalties that may apply under law, any person who violates any provision of regulations under subsection (b) or (c) shall be subject to the United States for a civil money penalty in an amount not exceeding \$250,000 in the case of an individual and \$500,000 in the case of any other person.

(2) Applicability of certain provisions

The provisions of section 1320a–7a of this title (other than subsections (a), (b), (h), and (i), the first sentence of subsection (c), and paragraphs (1) and (2) of subsection (f)) shall apply to a civil money penalty under paragraph (1) in the same manner as such provisions apply to a penalty or proceeding under section 1320a–7a(a) of this title. The Secretary may delegate authority under this subsection in the same manner as provided in section 1320a–7a(j)(2) of this title, and such authority shall include all powers as contained in section 406 of title 5.

(j) Notification in event of release

Regulations under subsections (b) and (c) shall require the prompt notification of the Secretary by a registered person whenever a release, meeting criteria established by the Secretary, of a listed agent or toxin has occurred outside of the biocontainment area of a facility of the registered person. Upon receipt of such notification and a finding by the Secretary that the release poses a threat to public health or safety, the Secretary shall take appropriate action to notify relevant State and local public health authorities, other relevant Federal authorities, and, if necessary, other appropriate persons

(including the public). If the released listed agent or toxin is an overlap agent or toxin (as defined in subsection (l)), the Secretary shall promptly notify the Secretary of Agriculture upon notification by the registered person.

(k) Reports

(1) Notification with respect to Federal facilities

In the event of the release, loss, or theft of an agent or toxin listed by the Secretary pursuant to subsection (a)(1), or by the Secretary of Agriculture pursuant to section 8401(a)(1) of title 7, from or within a laboratory facility owned or operated by the Department of Health and Human Services, or other Federal laboratory facility subject to the requirements of this section, the Secretary, in a manner that does not compromise national security, shall—

(A) not later than 72 hours after such event is reported to the Secretary, notify the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives of such event, including—

- (i) the Federal laboratory facility in which such release, loss, or theft occurred; and
- (ii) the circumstances of such release, loss, or theft; and

(B) not later than 14 days after such notification, update such Committees on—

- (i) any actions taken or planned by the Secretary to mitigate any potential threat such release, loss, or theft may pose to public health and safety; and
- (ii) any actions taken or planned by the Secretary to review the circumstances of such release, loss, or theft, and prevent similar events.

(2) Annual report

The Secretary shall submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives on an annual basis a report—

(A) summarizing the number and nature of notifications received under subsection (e)(8) (relating to theft or loss) and subsection (j) (relating to releases), during the preceding fiscal year;

(B) describing actions taken by the Secretary to address such incidents, such as any corrective action plans required and steps taken to promote adherence to, and compliance with, safety and security best practices, standards, and regulations; and

(C) describing any gaps, challenges, or limitations with respect to ensuring that such safety and security practices are consistently applied and adhered to, and actions taken to address such gaps, challenges, or limitations.

(3) Implementation of recommendations of the Federal Experts Security Advisory Panel and the fast track action committee on select agent regulations

(A) In general

Not later than 1 year after June 24, 2019, the Secretary shall report to the congressional committees of jurisdiction on the implementation of recommendations of the Federal Experts Security Advisory Panel concerning the select agent program.

(B) Continued updates

The Secretary shall report to the congressional committees of jurisdiction annually following the submission of the report under subparagraph (A) until the recommendations described in such subparagraph are fully implemented, or a justification is provided for the delay in, or lack of, implementation.

(l) Definitions

For purposes of this section:

(1) The terms "biological agent" and "toxin" have the meanings given such terms in section 178 of title 18.

(2) The term "listed agents and toxins" means biological agents and toxins listed pursuant to subsection (a)(1).

(3) The term "listed agents or toxins" means biological agents or toxins listed pursuant to subsection (a)(1).

(4) The term "overlap agents and toxins" means biological agents and toxins that—

(A) are listed pursuant to subsection (a)(1); and

(B) are listed pursuant to section 8401(a)(1) of title 7.

(5) The term "overlap agent or toxin" means a biological agent or toxin that—

(A) is listed pursuant to subsection (a)(1); and

(B) is listed pursuant to section 8401(a)(1) of title 7.

(6) The term "person" includes Federal, State, and local governmental entities.

(7) The term "registered person" means a person registered under regulations under subsection (b) or (c).

(8) The term "restricted person" has the meaning given such term in section 175b of title 18.

(m) Authorization of appropriations

For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 2023 through 2027.

Subsec. (i)(2). Pub. L. 117–286 substituted "section 406 of title 5." for "section 6 of the Inspector General Act of 1978 (5 U.S.C. App.)."

Subsec. (k)(1). Pub. L. 117–328, §2311(3)(B), added par. (1). Former par. (1) redesignated (2).

Subsec. (k)(2). Pub. L. 117–328, §2311(3)(A), (C), redesignated par. (1) as (2) and amended it generally. Prior to amendment, text read as follows: "The Secretary shall report to the Congress annually on the number and nature of notifications received under subsection (e)(8) (relating to theft or loss) and subsection (j) (relating to releases)." Former par. (2) redesignated (3).

Subsec. (k)(3). Pub. L. 117–328, §2311(3)(A), redesignated par. (2) as (3).

Subsec. (m). Pub. L. 117–328, §2311(4), substituted "fiscal years 2023 through 2027" for "fiscal years 2002 through 2007".

2019—Subsec. (k). Pub. L. 116–22 designated existing provisions as par. (1), inserted heading, and added par. (2).

2002—Subsec. (e)(1). Pub. L. 107–296 substituted "collaboration with the Secretary of Homeland Security and" for "consultation with".

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2002 AMENDMENT

Amendment by Pub. L. 107–296 effective 60 days after Nov. 25, 2002, see section 4 of Pub. L. 107–296, set out as an Effective Date note under section 101 of Title 6, Domestic Security.

EFFECTIVE DATE

Pub. L. 107–188, title II, §203(b), June 12, 2002, 116 Stat. 647, provided that: "Subsection (h) of section 351A of the Public Health Service Act [42 U.S.C. 262a(h)], as added by section 201 of this Act, is deemed to have taken effect on the effective date of the Antiterrorism and Effective Death Penalty Act of 1996 [Pub. L. 104–132, Apr. 24, 1996, 110 Stat. 1214]."

REGULATIONS

Pub. L. 107–188, title II, §203(a), June 12, 2002, 116 Stat. 647, provided that: "Regulations promulgated by the Secretary of Health and Human Services under section 511 of the Antiterrorism and Effective Death Penalty Act of 1996 [Pub. L. 104–132, 42 U.S.C. 262 note] are deemed to have been promulgated under section 351A of the Public Health Service Act [42 U.S.C. 262a], as added by section 201 of this Act. Such regulations, including the list under [former] subsection (d)(1) of such section 511, that were in effect on the day before the date of the enactment of this Act [June 12, 2002] remain in effect until modified by the Secretary in accordance with such section 351A and with section 202 of this Act [set out as a note below]."

IMPROVING RESEARCH AND DEVELOPMENT OF MEDICAL COUNTERMEASURES FOR NOVEL PATHOGENS

Pub. L. 117–328, div. FF, title II, §2303(a), Dec. 29, 2022, 136 Stat. 5758, provided that:

"(1) **SAMPLE ACCESS.**—Not later than 1 year after the date of enactment of this Act [Dec. 29, 2022], the Secretary of Health and Human Services (referred to in this subsection as the 'Secretary') shall make publicly available policies and procedures related to public and private entities accessing specimens of, or specimens containing, pathogens or suitable surrogates for, or alternatives to, such pathogens as the Secretary determines appropriate to support public health preparedness and response activities or biomedical research for purposes of the development and validation, as applicable, of medical products to address emerging infectious diseases and for use to otherwise respond to emerging infectious diseases. Such policies and procedures shall take into account, as appropriate, any applicable existing Federal resources.

"(2) **GUIDANCE.**—The Secretary shall issue guidance regarding the procedures for carrying out paragraph (1), including—

"(A) the method for requesting such samples;

"(B) considerations for sample availability and use of suitable surrogates or alternatives to such pathogens, as appropriate, including applicable safeguard and security measures; and

"(C) information required to be provided in order to receive such samples or suitable surrogates or alternatives."

STRATEGY FOR FEDERAL HIGH-CONTAINMENT LABORATORIES

Pub. L. 117–328, div. FF, title II, §2312, Dec. 29, 2022, 136 Stat. 5761, provided that:

"(a) **STRATEGY FOR FEDERAL HIGH-CONTAINMENT LABORATORIES.**—Not later than 1 year after the date of enactment of this Act [Dec. 29, 2022], the Director of the Office of Science and Technology Policy, in consultation with relevant Federal departments and agencies, shall establish a strategy for the management, maintenance, and oversight of federally-owned laboratory facilities operating at Biosafety Level 3 or 4, including equivalent classification levels and facilities with Biosafety Level 4 capabilities. Such strategy shall include—

"(1) a description of the roles and responsibilities of relevant Federal departments and agencies with respect to the management, maintenance, and oversight of Biosafety Level 3 or 4 laboratory facilities;

"(2) an assessment of the needs of the Federal Government with respect to Biosafety Level 3 or 4 laboratory facilities;

"(3) a summary of existing federally-owned Biosafety Level 3 or 4 laboratory facility capacity;

"(4) a summary of other Biosafety Level 3 or 4 laboratory facility capacity established through Federal funds;

"(5) a description of how the capacity described in paragraphs (3) and (4) addresses the needs of the Federal Government, including—

"(A) how relevant Federal departments and agencies coordinate to provide access to appropriate laboratory facilities to reduce unnecessary duplication; and

"(B) any gaps in such capacity related to such needs;

"(6) a summary of plans that are in place for the maintenance of such capacity within each relevant Federal department or agency, as applicable and appropriate, including processes for determining whether to maintain or expand such capacity, and a description of how the Federal Government will address rapid changes in the need for such capacity within each relevant Federal department or agency during a public health emergency; and

"(7) a description of how the heads of relevant Federal departments and agencies will coordinate to ensure appropriate oversight of federally-owned laboratory facility capacity and leverage such capacity within each relevant Federal department, as appropriate, to fulfill the needs of each Federal department and agency in order to reduce unnecessary duplication and improve collaboration within the Federal Government.

"(b) CLARIFICATION.—The strategy under subsection (a) shall not be construed to supersede the authorities of each relevant Federal department or agency with respect to the management, maintenance, and oversight of the Federally-owned laboratory facilities operated by any such Federal department or agency."

RESEARCH TO IMPROVE BIOSAFETY

Pub. L. 117–328, div. FF, title II, §2314, Dec. 29, 2022, 136 Stat. 5763, provided that:

"(a) IN GENERAL.—The Secretary of Health and Human Services (referred to in this section as the 'Secretary') shall, as appropriate, conduct or support research to improve the safe conduct of biomedical research activities involving pathogens of pandemic potential or biological agents or toxins listed pursuant to section 351A(a)(1) of the Public Health Service Act (42 U.S.C. 262a(a)(1)).

"(b) REPORT.—Not later than 5 years after the date of enactment of this Act [Dec. 29, 2022], the Secretary shall prepare and submit a report to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives regarding an overview of any research conducted or supported under this section, any relevant findings, and steps the Secretary is taking to disseminate any such findings to support the reduction of risks associated with biomedical research involving pathogens of pandemic potential or biological agents or toxins listed pursuant to section 351A(a)(1) of the Public Health Service Act (42 U.S.C. 262a(a)(1))."

NATIONAL SCIENCE ADVISORY BOARD FOR BIOSECURITY

Pub. L. 109–417, title II, §205, Dec. 19, 2006, 120 Stat. 2851, formerly set out as a note under this section, was transferred and is set out as a note under section 283r of this title.

REPORT TO CONGRESS

Pub. L. 107–188, title II, §201(b), June 12, 2002, 116 Stat. 646, required the Secretary of Health and Human Services to report to Congress not later than one year after June 12, 2002, on the implementation, compliance, and future plans under this section.

IMPLEMENTATION BY DEPARTMENT OF HEALTH AND HUMAN SERVICES

Pub. L. 107–188, title II, §202, June 12, 2002, 116 Stat. 646, provided that:

"(a) DATE CERTAIN FOR NOTICE OF POSSESSION.—Not later than 90 days after the date of the enactment of this Act [June 12, 2002], all persons (unless exempt under subsection (g) of section 351A of the Public Health Service Act [42 U.S.C. 262a(g)], as added by section 201 of this Act) in possession of biological agents or toxins listed under such section 351A of the Public Health Service Act [42 U.S.C. 262a] shall notify the Secretary of Health and Human Services of such possession. Not later than 30 days after such date of enactment, the Secretary shall provide written guidance on how such notice is to be provided to the Secretary.

"(b) DATE CERTAIN FOR PROMULGATION; EFFECTIVE DATE REGARDING CRIMINAL AND CIVIL PENALTIES.—Not later than 180 days after the date of the enactment of this Act [June 12, 2002], the Secretary of Health and Human Services shall promulgate an interim final rule for carrying out section 351A of the Public Health Service Act [42 U.S.C. 262a], subject to subsection (c). Such interim final rule shall take effect 60 days after the date on which such rule is promulgated, including for purposes of—

"(1) section 175b(c) of title 18, United States Code (relating to criminal penalties), as added by section

231(a)(5) of this Act; and

"(2) section 351A(i) of the Public Health Service Act [42 U.S.C. 262a(i)] (relating to civil penalties).

"(c) TRANSITIONAL PROVISION REGARDING CURRENT RESEARCH AND EDUCATION.—The interim final rule under subsection (b) shall include time frames for the applicability of the rule that minimize disruption of research or educational projects that involve biological agents and toxins listed pursuant to section 351A(a)(1) of the Public Health Service Act [42 U.S.C. 262a(a)(1)] and that were underway as of the effective date of such rule."

EXECUTIVE DOCUMENTS

EX. ORD. NO. 13546. OPTIMIZING THE SECURITY OF BIOLOGICAL SELECT AGENTS AND TOXINS IN THE UNITED STATES

Ex. Ord. No. 13546, July 2, 2010, 75 F.R. 39439, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

SECTION 1. *Policy.* It is the policy of the United States that:

(a) A robust and productive scientific enterprise that utilizes biological select agents and toxins (BSAT) is essential to national security;

(b) BSAT shall be secured in a manner appropriate to their risk of misuse, theft, loss, and accidental release; and

(c) Security measures shall be taken in a coordinated manner that balances their efficacy with the need to minimize the adverse impact on the legitimate use of BSAT.

SEC. 2. *Definitions.* (a) "Select Agent Program" (SAP) means the regulatory oversight and administrative activities conducted by the Secretaries of Health and Human Services and Agriculture and the Attorney General to implement the Public Health Security and Bioterrorism Preparedness and Response Act of 2002 and the Agricultural Bioterrorism Protection Act of 2002.

(b) "Select Agent Regulations" (SAR) means the Federal regulations found in Part 73 of Title 42 of the Code of Federal Regulations, Part 331 of Title 7 of the Code of Federal Regulations, and Part 121 of Title 9 of the Code of Federal Regulations.

(c) "Biological Select Agents and Toxins" means biological agents and toxins with the potential to pose a severe threat to public health and safety, animal and plant health, or animal and plant products and whose possession, use, and transfer are regulated by the Department of Health and Human Services and the Department of Agriculture under the SAR.

SEC. 3. *Findings.* (a) The use of BSAT presents the risk that BSAT might be lost, stolen, or diverted for malicious purpose. The SAP exists to provide effective regulatory oversight of the possession, use, and transfer of BSAT that reduces the risk of their misuse or mishandling. The absence of clearly defined, risk-based security measures in the SAR/SAP has raised concern about the need for optimized security and for risk management.

(b) In addition, variations in, and limited coordination of, individual executive departments' and agencies' oversight, security practices, and inspections have raised concerns that the cost and complexity of compliance for those who are registered to work with BSAT could discourage research or other legitimate activities.

(c) Understanding that research and laboratory work on BSAT is essential to both public health and national security, it is in the interest of the United States to address these issues.

SEC. 4. *Risk-based Tiering of the Select Agent List.* To help ensure that BSAT are secured according to level of risk, the Secretaries of Health and Human Services and Agriculture shall, through their ongoing review of the biological Select Agents and Toxins List ("Select Agent List") contained in regulations, and no later than 18 months from the date of this order:

(a) designate a subset of the Select Agent List (Tier 1) that presents the greatest risk of deliberate misuse with most significant potential for mass casualties or devastating effects to the economy, critical infrastructure, or public confidence;

(b) explore options for graded protection of Tier 1 agents and toxins as described in subsection (a) of this section to permit tailored risk management practices based upon relevant contextual factors; and

(c) consider reducing the overall number of agents and toxins on the Select Agent List.

SEC. 5. *Revision of Regulations, Rules, and Guidance to Accommodate a Tiered Select Agent List.*

Consistent with section 4 of this order, I request that:

(a) The Secretaries of Health and Human Services and Agriculture, no later than 15 months from the date of this order, propose amendments to their respective parts of the SAR that would establish security standards specific to Tier 1 agents and toxins.

(b) The Secretaries of Health and Human Services and Agriculture each, no later than 27 months from the date of this order, promulgate final rules and guidance that clearly articulate security actions for registrants who possess, use, or transfer Tier 1 agents and toxins.

SEC. 6. Coordination of Federal Oversight for BSAT Security. To ensure that the policies and practices used to secure BSAT are harmonized and that the related oversight activities of the Federal Government are coordinated, the heads of executive departments and agencies identified in section 7(a)(ii) of this order shall:

(a) no later than 6 months from the date of this order, develop and implement a plan for the coordination of BSAT security oversight that:

(i) articulates a mechanism for coordinated and reciprocal inspection of and harmonized administrative practices for facilities registered with the SAP;

(ii) ensures consistent and timely identification and resolution of BSAT security and compliance issues;

(iii) facilitates information sharing among departments and agencies regarding ongoing oversight and inspection activities; and

(iv) provides for comprehensive and effective Federal oversight of BSAT security; and

(b) no later than 6 months from the issuance of final rules and guidance as described in section 5 of this order, and annually thereafter, review for inconsistent requirements and revise or rescind, as appropriate, any regulations, directives, guidance, or policies regarding BSAT security within their department or agency that exceed those in the updated SAR and guidance as described in section 5 of this order.

SEC. 7. Implementation. (a) Establishment, Operation, and Functions of the Federal Experts Security Advisory Panel.

(i) There is hereby established, within the Department of Health and Human Services for administrative purposes only, the Federal Experts Security Advisory Panel (Panel), which shall make technical and substantive recommendations on BSAT security concerning the SAP.

(ii) The Panel shall consist of representatives from the following, who may consult with additional experts from their department or agency as required:

1. the Department of State;
2. the Department of Defense;
3. the Department of Justice;
4. the Department of Agriculture (Co-Chair);
5. the Department of Commerce;
6. the Department of Health and Human Services (Co-Chair);
7. the Department of Transportation;
8. the Department of Labor;
9. the Department of Energy;
10. the Department of Veterans Affairs;
11. the Department of Homeland Security;
12. the Environmental Protection Agency;
13. the Office of the Director of National Intelligence;
14. the Office of Science and Technology Policy;
15. the Joint Chiefs of Staff; and
16. any other department or agency designated by the Co-Chairs.

(iii) To assist the Secretaries of Health and Human Services and Agriculture and the Attorney General in implementing the policies set forth in sections 1, 4, 5, and 6 of this order, the Panel shall, no later than 4 months from the date of this order, provide consensus recommendations concerning the SAP on:

1. the designation of Tier 1 agents and toxins;
2. reduction in the number of agents on the Select Agent List;
3. the establishment of appropriate practices to ensure reliability of personnel with access to Tier 1 agents and toxins at registered facilities;
4. the establishment of appropriate practices for physical security and cyber security for facilities that possess Tier 1 agents. The Department of Homeland Security shall Chair a Working Group of the Panel that develops recommended laboratory critical infrastructure security standards in these areas; and
5. other emerging policy issues relevant to the security of BSAT.

Thereafter, the Panel shall continue to provide technical advice concerning the SAP on request.

(iv) If the Panel is unable to reach consensus on recommendations for an issue within its charge, the matter shall be resolved through the interagency policy committee process led by the National Security Staff.

(v) The Secretaries of Health and Human Services and Agriculture and the Attorney General shall report to the Assistant to the President for Homeland Security and Counterterrorism on the consideration and implementation of Panel recommendations concerning the SAP, including a rationale for failure to implement

any recommendations.

(vi) The Panel shall be chartered for a period of 4 years subject to renewal through the interagency policy committee process led by the National Security Staff.

(b) To further assist the Secretaries of Health and Human Services and Agriculture and the Attorney General in implementing the policy set forth in sections 1, 4, 5, and 6 of this order, the National Science Advisory Board for Biosecurity shall provide technical advice and serve as a conduit for public consultation, as needed, on topics of relevance to the SAP.

SEC. 8. *Sharing of Select Agent Program Information.* (a) Consistent with applicable laws and regulations, the Secretaries of Health and Human Services and Agriculture and the Attorney General shall, no later than 6 months from the date of this order, develop a process and the criteria for making SAP information available to executive departments and agencies when such information is necessary for furthering a public health, safety, security, law enforcement, or national security mission.

(b) SAP information shall continue to be safeguarded properly and handled securely to minimize the risk of disclosing sensitive, personal, and other information protected by the Privacy Act, 5 U.S.C. 552a.

SEC. 9. *General Provisions.* (a) The National Security Staff shall, on a biennial basis, review the implementation and effectiveness of this order and refer to the interagency policy committee process any issues that require further deliberation or adjudication.

(b) Nothing in this order shall be construed to impair or otherwise affect the authority granted by law to a department or agency, or the head thereof, or functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(c) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(d) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

§263. Preparation of biological products by Service

(a) The Service may prepare for its own use any product described in section 262 of this title and any product necessary to carrying out any of the purposes of section 241 of this title.

(b) The Service may prepare any product described in section 262 of this title for the use of other Federal departments or agencies, and public or private agencies and individuals engaged in work in the field of medicine when such product is not available from establishments licensed under such section.

(July 1, 1944, ch. 373, title III, §352, 58 Stat. 703.)

STATUTORY NOTES AND RELATED SUBSIDIARIES

CHANGE OF NAME

"Secretary of Health and Human Services" substituted for "Secretary of Health, Education, and Welfare" pursuant to section 509(b) of Pub. L. 96–88, which is classified to section 3508(b) of Title 20, Education.

EXECUTIVE DOCUMENTS

TRANSFER OF FUNCTIONS

Functions of Public Health Service, Surgeon General of Public Health Service, and all other officers and

employees of Public Health Service, and functions of all agencies of or in Public Health Service transferred to Secretary of Health, Education, and Welfare by Reorg. Plan No. 3 of 1966, eff. June 25, 1966, 31 F.R. 8855, 80 Stat. 1610, set out as a note under section 202 of this title.

§263–1. Education on biological products

(a) Internet website

(1) In general

The Secretary may maintain and operate an internet website to provide educational materials for health care providers, patients, and caregivers, regarding the meaning of the terms, and the standards for review and licensing of, biological products, including biosimilar biological products and interchangeable biosimilar biological products.

(2) Content

Educational materials provided under paragraph (1) may include—

(A) explanations of key statutory and regulatory terms, including "biosimilar" and "interchangeable", and clarification regarding the use of interchangeable biosimilar biological products;

(B) information related to development programs for biological products, including biosimilar biological products and interchangeable biosimilar biological products and relevant clinical considerations for prescribers, which may include, as appropriate and applicable, information related to the comparability of such biological products;

(C) an explanation of the process for reporting adverse events for biological products, including biosimilar biological products and interchangeable biosimilar biological products; and

(D) an explanation of the relationship between biosimilar biological products and interchangeable biosimilar biological products licensed under section 262(k) of this title and reference products (as defined in section 262(i) of this title), including the standards for review and licensing of each such type of biological product.

(3) Format

The educational materials provided under paragraph (1) may be—

(A) in formats such as webinars, continuing education modules, videos, fact sheets, infographics, stakeholder toolkits, or other formats as appropriate and applicable; and

(B) tailored for the unique needs of health care providers, patients, caregivers, and other audiences, as the Secretary determines appropriate.

(4) Other information

In addition to the information described in paragraph (2), the Secretary shall continue to publish—

(A) the action package of each biological product licensed under subsection (a) or (k) of section 262 of this title; or

(B) the summary review of each biological product licensed under subsection (a) or (k) of section 262 of this title.

(5) Confidential and trade secret information

This subsection does not authorize the disclosure of any trade secret, confidential commercial or financial information, or other matter described in section 552(b) of title 5.

(b) Continuing education

The Secretary shall advance education and awareness among health care providers regarding biological products, including biosimilar biological products and interchangeable biosimilar biological products, as appropriate, including by developing or improving continuing education

programs that advance the education of such providers on the prescribing of, and relevant clinical considerations with respect to, biological products, including biosimilar biological products and interchangeable biosimilar biological products.

(July 1, 1944, ch. 373, title III, §352A, as added Pub. L. 117–8, §2, Apr. 23, 2021, 135 Stat. 254.)

SUBPART 2—CLINICAL LABORATORIES

§263a. Certification of laboratories

(a) "Laboratory" or "clinical laboratory" defined

As used in this section, the term "laboratory" or "clinical laboratory" means a facility for the biological, microbiological, serological, chemical, immuno-hematological, hematological, biophysical, cytological, pathological, or other examination of materials derived from the human body for the purpose of providing information for the diagnosis, prevention, or treatment of any disease or impairment of, or the assessment of the health of, human beings.

(b) Certificate requirement

No person may solicit or accept materials derived from the human body for laboratory examination or other procedure unless there is in effect for the laboratory a certificate issued by the Secretary under this section applicable to the category of examinations or procedures which includes such examination or procedure.

(c) Issuance and renewal of certificates

(1) In general

The Secretary may issue or renew a certificate for a laboratory only if the laboratory meets the requirements of subsection (d).

(2) Term

A certificate issued under this section shall be valid for a period of 2 years or such shorter period as the Secretary may establish.

(d) Requirements for certificates

(1) In general

A laboratory may be issued a certificate or have its certificate renewed if—

(A) the laboratory submits (or if the laboratory is accredited under subsection (e), the accreditation body which accredited the laboratory submits), an application—

(i) in such form and manner as the Secretary shall prescribe,

(ii) that describes the characteristics of the laboratory examinations and other procedures performed by the laboratory including—

(I) the number and types of laboratory examinations and other procedures performed,

(II) the methodologies for laboratory examinations and other procedures employed, and

(III) the qualifications (educational background, training, and experience) of the personnel directing and supervising the laboratory and performing the laboratory examinations and other procedures, and

(iii) that contains such other information as the Secretary may require to determine compliance with this section, and

the laboratory agrees to provide to the Secretary (or if the laboratory is accredited, to the accreditation body which accredited it) a description of any change in the information submitted under clause (ii) not later than 6 months after the change was put into effect,

(B) the laboratory provides the Secretary—

- (i) with satisfactory assurances that the laboratory will be operated in accordance with standards issued by the Secretary under subsection (f), or
- (ii) with proof of accreditation under subsection (e),

(C) the laboratory agrees to permit inspections by the Secretary under subsection (g),

(D) the laboratory agrees to make records available and submit reports to the Secretary as the Secretary may reasonably require, and

(E) the laboratory agrees to treat proficiency testing samples in the same manner as it treats materials derived from the human body referred to it for laboratory examinations or other procedures in the ordinary course of business, except that no proficiency testing sample shall be referred to another laboratory for analysis as prohibited under subsection (i)(4).

(2) Requirements for certificates of waiver

(A) In general

A laboratory which only performs laboratory examinations and procedures described in paragraph (3) shall be issued a certificate of waiver or have its certificate of waiver renewed if—

(i) the laboratory submits an application—

(I) in such form and manner as the Secretary shall prescribe,

(II) that describes the characteristics of the laboratory examinations and other procedures performed by the laboratory, including the number and types of laboratory examinations and other procedures performed, the methodologies for laboratory examinations and other procedures employed, and the qualifications (educational background, training, and experience) of the personnel directing and supervising the laboratory and performing the laboratory examinations and other procedures, and

(III) that contains such other information as the Secretary may reasonably require to determine compliance with this section, and

(ii) the laboratory agrees to make records available and submit reports to the Secretary as the Secretary may require.

(B) Changes

If a laboratory makes changes in the examinations and other procedures performed by it only with respect to examinations and procedures which are described in paragraph (3), the laboratory shall report such changes to the Secretary not later than 6 months after the change has been put into effect. If a laboratory proposes to make changes in the examinations and procedures performed by it such that the laboratory will perform an examination or procedure not described in paragraph (3), the laboratory shall report such change to the Secretary before the change takes effect.

(C) Effect

Subsections (f) and (g) shall not apply to a laboratory to which has been issued a certificate of waiver.

(3) Examinations and procedures

The examinations and procedures identified in paragraph (2) are laboratory examinations and procedures that have been approved by the Food and Drug Administration for home use or that, as determined by the Secretary, are simple laboratory examinations and procedures that have an insignificant risk of an erroneous result, including those that—

(A) employ methodologies that are so simple and accurate as to render the likelihood of erroneous results by the user negligible, or

(B) the Secretary has determined pose no unreasonable risk of harm to the patient if performed incorrectly.

(4) "Certificate" defined

As used in this section, the term "certificate" includes a certificate of waiver issued under paragraph (2).

(e) Accreditation

(1) In general

A laboratory may be accredited for purposes of obtaining a certificate if the laboratory—

(A) meets the standards of an approved accreditation body, and

(B) authorizes the accreditation body to submit to the Secretary (or such State agency as the Secretary may designate) such records or other information as the Secretary may require.

(2) Approval of accreditation bodies

(A) In general

The Secretary may approve a private nonprofit organization to be an accreditation body for the accreditation of laboratories if—

(i) using inspectors qualified to evaluate the methodologies used by the laboratories in performing laboratory examinations and other procedures, the accreditation body agrees to inspect a laboratory for purposes of accreditation with such frequency as determined by ¹ Secretary,

(ii) the standards applied by the body in determining whether or not to accredit a laboratory are equal to or more stringent than the standards issued by the Secretary under subsection (f),

(iii) there is adequate provision for assuring that the standards of the accreditation body continue to be met by the laboratory,

(iv) in the case of any laboratory accredited by the body which has had its accreditation denied, suspended, withdrawn, or revoked or which has had any other action taken against it by the accrediting body, the accrediting body agrees to submit to the Secretary the name of such laboratory within 30 days of the action taken,

(v) the accreditation body agrees to notify the Secretary at least 30 days before it changes its standards, and

(vi) if the accreditation body has its approval withdrawn by the Secretary, the body agrees to notify each laboratory accredited by the body of the withdrawal within 10 days of the withdrawal.

(B) Criteria and procedures

The Secretary shall promulgate criteria and procedures for approving an accreditation body and for withdrawing such approval if the Secretary determines that the accreditation body does not meet the requirements of subparagraph (A).

(C) Effect of withdrawal of approval

If the Secretary withdraws the approval of an accreditation body under subparagraph (B), the certificate of any laboratory accredited by the body shall continue in effect for 60 days after the laboratory receives notification of the withdrawal of the approval, except that the Secretary may extend such period for a laboratory if it determines that the laboratory submitted an application for accreditation or a certificate in a timely manner after receipt of the notification of the withdrawal of approval. If an accreditation body withdraws or revokes the accreditation of a laboratory, the certificate of the laboratory shall continue in effect—

(i) for 45 days after the laboratory receives notice of the withdrawal or revocation of the accreditation, or

(ii) until the effective date of any action taken by the Secretary under subsection (i).

(D) Evaluations

The Secretary shall evaluate annually the performance of each approved accreditation body by—

(i) inspecting under subsection (g) a sufficient number of the laboratories accredited by

such body to allow a reasonable estimate of the performance of such body, and

(ii) such other means as the Secretary determines appropriate.

(3) Omitted

(f) Standards

(1) In general

The Secretary shall issue standards to assure consistent performance by laboratories issued a certificate under this section of valid and reliable laboratory examinations and other procedures. Such standards shall require each laboratory issued a certificate under this section—

(A) to maintain a quality assurance and quality control program adequate and appropriate for the validity and reliability of the laboratory examinations and other procedures of the laboratory and to meet requirements relating to the proper collection, transportation, and storage of specimens and the reporting of results,

(B) to maintain records, equipment, and facilities necessary for the proper and effective operation of the laboratory,

(C) in performing and carrying out its laboratory examinations and other procedures, to use only personnel meeting such qualifications as the Secretary may establish for the direction, supervision, and performance of examinations and procedures within the laboratory, which qualifications shall take into consideration competency, training, experience, job performance, and education and which qualifications shall, as appropriate, be different on the basis of the type of examinations and procedures being performed by the laboratory and the risks and consequences of erroneous results associated with such examinations and procedures,

(D) to qualify under a proficiency testing program meeting the standards established by the Secretary under paragraph (3), and

(E) to meet such other requirements as the Secretary determines necessary to assure consistent performance by such laboratories of accurate and reliable laboratory examinations and procedures.

(2) Considerations

In developing the standards to be issued under paragraph (1), the Secretary shall, within the flexibility provided under subparagraphs (A) through (E) of paragraph (1), take into consideration—

(A) the examinations and procedures performed and the methodologies employed,

(B) the degree of independent judgment involved,

(C) the amount of interpretation involved,

(D) the difficulty of the calculations involved,

(E) the calibration and quality control requirements of the instruments used,

(F) the type of training required to operate the instruments used in the methodology, and

(G) such other factors as the Secretary considers relevant.

(3) Proficiency testing program

(A) In general

The Secretary shall establish standards for the proficiency testing programs for laboratories issued a certificate under this section which are conducted by the Secretary, conducted by an organization approved under subparagraph (C), or conducted by an approved accrediting body. The standards shall require that a laboratory issued a certificate under this section be tested for each examination and procedure conducted within a category of examinations or procedures for which it has received a certificate, except for examinations and procedures for which the Secretary has determined that a proficiency test cannot reasonably be developed. The testing shall be conducted on a quarterly basis, except where the Secretary determines for technical and scientific reasons that a particular examination or procedure may be tested less frequently (but not less often than twice per year).

(B) Criteria

The standards established under subparagraph (A) shall include uniform criteria for acceptable performance under a proficiency testing program, based on the available technology and the clinical relevance of the laboratory examination or other procedure subject to such program. The criteria shall be established for all examinations and procedures and shall be uniform for each examination and procedure. The standards shall also include a system for grading proficiency testing performance to determine whether a laboratory has performed acceptably for a particular quarter and acceptably for a particular examination or procedure or category of examination or procedure over a period of successive quarters.

(C) Approved proficiency testing programs

For the purpose of administering proficiency testing programs which meet the standards established under subparagraph (A), the Secretary shall approve a proficiency testing program offered by a private nonprofit organization or a State if the program meets the standards established under subparagraph (A) and the organization or State provides technical assistance to laboratories seeking to qualify under the program. The Secretary shall evaluate each program approved under this subparagraph annually to determine if the program continues to meet the standards established under subparagraph (A) and shall withdraw the approval of any program that no longer meets such standards.

(D) Onsite testing

The Secretary shall perform, or shall direct a program approved under subparagraph (C) to perform, onsite proficiency testing to assure compliance with the requirements of subsection (d)(5). The Secretary shall perform, on an onsite or other basis, proficiency testing to evaluate the performance of a proficiency testing program approved under subparagraph (C) and to assure quality performance by a laboratory.

(E) Training, technical assistance, and enhanced proficiency testing

The Secretary may, in lieu of or in addition to actions authorized under subsection (h), (i), or (j), require any laboratory which fails to perform acceptably on an individual examination and procedure or a category of examination and procedures—

- (i) to undertake training and to obtain the necessary technical assistance to meet the requirements of the proficiency ² testing program,
- (ii) to enroll in a program of enhanced proficiency testing, or
- (iii) to undertake any combination of the training, technical assistance, or testing described in clauses (i) and (ii).

(F) Testing results

The Secretary shall establish a system to make the results of the proficiency testing programs subject to the standards established by the Secretary under subparagraph (A) available, on a reasonable basis, upon request of any person. The Secretary shall include with results made available under this subparagraph such explanatory information as may be appropriate to assist in the interpretation of such results.

(4) National standards for quality assurance in cytology services

(A) Establishment

The Secretary shall establish national standards for quality assurance in cytology services designed to assure consistent performance by laboratories of valid and reliable cytological services.

(B) Standards

The standards established under subparagraph (A) shall include—

- (i) the maximum number of cytology slides that any individual may screen in a 24-hour period,
- (ii) requirements that a clinical laboratory maintain a record of (I) the number of cytology slides screened during each 24-hour period by each individual who examines cytology slides

for the laboratory, and (II) the number of hours devoted during each 24-hour period to screening cytology slides by such individual,

(iii) criteria for requiring rescreening of cytological preparations, such as (I) random rescreening of cytology specimens determined to be in the benign category, (II) focused rescreening of such preparations in high risk groups, and (III) for each abnormal cytological result, rescreening of all prior cytological specimens for the patient, if available,

(iv) periodic confirmation and evaluation of the proficiency of individuals involved in screening or interpreting cytological preparations, including announced and unannounced on-site proficiency testing of such individuals, with such testing to take place, to the extent practicable, under normal working conditions,

(v) procedures for detecting inadequately prepared slides, for assuring that no cytological diagnosis is rendered on such slides, and for notifying referring physicians of such slides,

(vi) requirements that all cytological screening be done on the premises of a laboratory that is certified under this section,

(vii) requirements for the retention of cytology slides by laboratories for such periods of time as the Secretary considers appropriate, and

(viii) standards requiring periodic inspection of cytology services by persons capable of evaluating the quality of cytology services.

(g) Inspections

(1) In general

The Secretary may, on an announced or unannounced basis, enter and inspect, during regular hours of operation, laboratories which have been issued a certificate under this section. In conducting such inspections the Secretary shall have access to all facilities, equipment, materials, records, and information that the Secretary determines have a bearing on whether the laboratory is being operated in accordance with this section. As part of such an inspection the Secretary may copy any such material or require to it ³ be submitted to the Secretary. An inspection under this paragraph may be made only upon presenting identification to the owner, operator, or agent in charge of the laboratory being inspected.

(2) Compliance with requirements and standards

The Secretary shall conduct inspections of laboratories under paragraph (1) to determine their compliance with the requirements of subsection (d) and the standards issued under subsection (f). Inspections of laboratories not accredited under subsection (e) shall be conducted on a biennial basis or with such other frequency as the Secretary determines to be necessary to assure compliance with such requirements and standards. Inspections of laboratories accredited under subsection (e) shall be conducted on such basis as the Secretary determines is necessary to assure compliance with such requirements and standards.

(h) Intermediate sanctions

(1) In general

If the Secretary determines that a laboratory which has been issued a certificate under this section no longer substantially meets the requirements for the issuance of a certificate, the Secretary may impose intermediate sanctions in lieu of the actions authorized by subsection (i).

(2) Types of sanctions

The intermediate sanctions which may be imposed under paragraph (1) shall consist of—

(A) directed plans of correction,

(B) civil money penalties in an amount not to exceed \$10,000 for each violation listed in subsection (i)(1) or for each day of substantial noncompliance with the requirements of this section,

(C) payment for the costs of onsite monitoring, or

(D) any combination of the actions described in subparagraphs (A), (B), and (C).

(3) Procedures

The Secretary shall develop and implement procedures with respect to when and how each of the intermediate sanctions is to be imposed under paragraph (1). Such procedures shall provide for notice to the laboratory and a reasonable opportunity to respond to the proposed sanction and appropriate procedures for appealing determinations relating to the imposition of intermediate sanctions ⁴

(i) Suspension, revocation, and limitation

(1) In general

Except as provided in paragraph (2), the certificate of a laboratory issued under this section may be suspended, revoked, or limited if the Secretary finds, after reasonable notice and opportunity for hearing to the owner or operator of the laboratory, that such owner or operator or any employee of the laboratory—

(A) has been guilty of misrepresentation in obtaining the certificate,

(B) has performed or represented the laboratory as entitled to perform a laboratory examination or other procedure which is not within a category of laboratory examinations or other procedures authorized in the certificate,

(C) has failed to comply with the requirements of subsection (d) or the standards prescribed by the Secretary under subsection (f),

(D) has failed to comply with reasonable requests of the Secretary for—

(i) any information or materials, or

(ii) work on materials,

that the Secretary concludes is necessary to determine the laboratory's continued eligibility for its certificate or continued compliance with the Secretary's standards under subsection (f),

(E) has refused a reasonable request of the Secretary, or any Federal officer or employee duly designated by the Secretary, for permission to inspect the laboratory and its operations and pertinent records during the hours the laboratory is in operation,

(F) has violated or aided and abetted in the violation of any provisions of this section or of any regulation promulgated thereunder, or

(G) has not complied with an intermediate sanction imposed under subsection (h).

(2) Action before a hearing

If the Secretary determines that—

(A) the failure of a laboratory to comply with the standards of the Secretary under subsection (f) presents an imminent and serious risk to human health, or

(B) a laboratory has engaged in an action described in subparagraph (D) or (E) of paragraph (1),

the Secretary may suspend or limit the certificate of the laboratory before holding a hearing under paragraph (1) regarding such failure or refusal. The opportunity for a hearing shall be provided no later than 60 days from the effective date of the suspension or limitation. A suspension or limitation under this paragraph shall stay in effect until the decision of the Secretary made after the hearing under paragraph (1).

(3) Ineligibility to own or operate laboratories after revocation

No person who has owned or operated a laboratory which has had its certificate revoked may, within 2 years of the revocation of the certificate, own or operate a laboratory for which a certificate has been issued under this section, except that if the revocation occurs pursuant to paragraph (4) the Secretary may substitute intermediate sanctions under subsection (h) instead of the 2-year prohibition against ownership or operation which would otherwise apply under this paragraph. The certificate of a laboratory which has been excluded from participation under the

medicare program under title XVIII of the Social Security Act [42 U.S.C. 1395 et seq.] because of actions relating to the quality of the laboratory shall be suspended for the period the laboratory is so excluded.

(4) Improper referrals

Any laboratory that the Secretary determines intentionally refers its proficiency testing samples to another laboratory for analysis may have its certificate revoked for at least one year and shall be subject to appropriate fines and penalties as provided for in subsection (h).

(j) Injunctions

Whenever the Secretary has reason to believe that continuation of any activity by a laboratory would constitute a significant hazard to the public health the Secretary may bring suit in the district court of the United States for the district in which such laboratory is situated to enjoin continuation of such activity. Upon proper showing, a temporary injunction or restraining order against continuation of such activity pending issuance of a final order under this subsection shall be granted without bond by such court.

(k) Judicial review

(1) Petition

Any laboratory which has had an intermediate sanction imposed under subsection (h) or has had its certificate suspended, revoked, or limited under subsection (i) may, at any time within 60 days after the date the action of the Secretary under subsection (i) or (h) becomes final, file a petition with the United States court of appeals for the circuit wherein the laboratory has its principal place of business for judicial review of such action. As soon as practicable after receipt of the petition, the clerk of the court shall transmit a copy of the petition to the Secretary or other officer designated by the Secretary for that purpose. As soon as practicable after receipt of the copy, the Secretary shall file in the court the record on which the action of the Secretary is based, as provided in section 2112 of title 28.

(2) Additional evidence

If the petitioner applies to the court for leave to adduce additional evidence, and shows to the satisfaction of the court that such additional evidence is material and that there were reasonable grounds for the failure to adduce such evidence in the proceeding before the Secretary, the court may order such additional evidence (and evidence in rebuttal of such additional evidence) to be taken before the Secretary, and to be adduced upon the hearing in such manner and upon such terms and conditions as the court may deem proper. The Secretary may modify the findings of the Secretary as to the facts, or make new findings, by reason of the additional evidence so taken, and the Secretary shall file such modified or new findings, and the recommendations of the Secretary, if any, for the modification or setting aside of his original action, with the return of such additional evidence.

(3) Judgment of court

Upon the filing of the petition referred to in paragraph (1), the court shall have jurisdiction to affirm the action, or to set it aside in whole or in part, temporarily or permanently. The findings of the Secretary as to the facts, if supported by substantial evidence, shall be conclusive.

(4) Finality of judgment

The judgment of the court affirming or setting aside, in whole or in part, any such action of the Secretary shall be final, subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28.

(l) Sanctions

Any person who intentionally violates any requirement of this section or any regulation promulgated thereunder shall be imprisoned for not more than one year or fined under title 18, or both, except that if the conviction is for a second or subsequent violation of such a requirement such person shall be imprisoned for not more than 3 years or fined in accordance with title 18, or both.

(m) Fees

(1) Certificate fees

The Secretary shall require payment of fees for the issuance and renewal of certificates, except that the Secretary shall only require a nominal fee for the issuance and renewal of certificates of waiver.

(2) Additional fees

The Secretary shall require the payment of fees for inspections of laboratories which are not accredited and for the cost of performing proficiency testing on laboratories which do not participate in proficiency testing programs approved under subsection (f)(3)(C).

(3) Criteria

(A) Fees under paragraph (1)

Fees imposed under paragraph (1) shall be sufficient to cover the general costs of administering this section, including evaluating and monitoring proficiency testing programs approved under subsection (f) and accrediting bodies and implementing and monitoring compliance with the requirements of this section.

(B) Fees under paragraph (2)

Fees imposed under paragraph (2) shall be sufficient to cover the cost of the Secretary in carrying out the inspections and proficiency testing described in paragraph (2).

(C) Fees imposed under paragraphs (1) and (2)

Fees imposed under paragraphs (1) and (2) shall vary by group or classification of laboratory, based on such considerations as the Secretary determines are relevant, which may include the dollar volume and scope of the testing being performed by the laboratories.

(n) Information

On April 1, 1990 and annually thereafter, the Secretary shall compile and make available to physicians and the general public information, based on the previous calendar year, which the Secretary determines is useful in evaluating the performance of a laboratory, including—

- (1) a list of laboratories which have been convicted under Federal or State laws relating to fraud and abuse, false billings, or kickbacks,
- (2) a list of laboratories—
 - (A) which have had their certificates revoked, suspended, or limited under subsection (i), or
 - (B) which have been the subject of a sanction under subsection (l),

together with a statement of the reasons for the revocation, suspension, limitation, or sanction,

- (3) a list of laboratories subject to intermediate sanctions under subsection (h) together with a statement of the reasons for the sanctions,

- (4) a list of laboratories whose accreditation has been withdrawn or revoked together with a statement of the reasons for the withdrawal or revocation,

- (5) a list of laboratories against which the Secretary has taken action under subsection (j) together with a statement of the reasons for such action, and

- (6) a list of laboratories which have been excluded from participation under title XVIII or XIX of the Social Security Act [42 U.S.C. 1395 et seq., 1396 et seq.].

The information to be compiled under paragraphs (1) through (6) shall be information for the calendar year preceding the date the information is to be made available to the public and shall be accompanied by such explanatory information as may be appropriate to assist in the interpretation of the information compiled under such paragraphs.

(o) Delegation

In carrying out this section, the Secretary may, pursuant to agreement, use the services or facilities

of any Federal or State or local public agency or nonprofit private organization, and may pay therefor in advance or by way of reimbursement, and in such installments, as the Secretary may determine.

(p) State laws

(1) Except as provided in paragraph (2), nothing in this section shall be construed as affecting the power of any State to enact and enforce laws relating to the matters covered by this section to the extent that such laws are not inconsistent with this section or with the regulations issued under this section.

(2) If a State enacts laws relating to matters covered by this section which provide for requirements equal to or more stringent than the requirements of this section or than the regulations issued under this section, the Secretary may exempt clinical laboratories in that State from compliance with this section.

(q) Consultations

In carrying out this section, the Secretary shall consult with appropriate private organizations and public agencies.

EDITORIAL NOTES

REFERENCES IN TEXT

The Social Security Act, referred to in subsecs. (i)(3) and (n)(6), is act Aug. 14, 1935, ch. 531, 49 Stat. 620. Titles XVIII and XIX of the Social Security Act are classified generally to subchapters XVIII (§1395 et seq.) and XIX (§1396 et seq.), respectively, of chapter 7 of this title. For complete classification of this Act to the Code, see section 1305 of this title and Tables.

CODIFICATION

Subsec. (e)(3) of this section, which required the Secretary to annually prepare and submit to certain committees of Congress a report describing the results of the evaluation conducted under subsec. (e)(2)(D) of this section, terminated, effective May 15, 2000, pursuant to section 3003 of Pub. L. 104–66, as amended, set out as a note under section 1113 of Title 31, Money and Finance. See, also, page 96 of House Document No. 103–7.

AMENDMENTS

2012—Subsec. (d)(1)(E). Pub. L. 112–202, §2(1), inserted ", except that no proficiency testing sample shall be referred to another laboratory for analysis as prohibited under subsection (i)(4)" before period at end.

Subsec. (i)(3). Pub. L. 112–202, §2(2)(A), inserted ", except that if the revocation occurs pursuant to paragraph (4) the Secretary may substitute intermediate sanctions under subsection (h) instead of the 2-year prohibition against ownership or operation which would otherwise apply under this paragraph" after "issued under this section".

Subsec. (i)(4). Pub. L. 112–202, §2(2)(B), substituted "may have its certificate revoked" for "shall have its certificate revoked".

1997—Subsec. (d)(3). Pub. L. 105–115 amended heading and text of par. (3) generally. Prior to amendment, text read as follows: "The examinations and procedures identified in paragraph (2) are simple laboratory examinations and procedures which, as determined by the Secretary, have an insignificant risk of an erroneous result, including those which—

"(A) have been approved by the Food and Drug Administration for home use,

"(B) employ methodologies that are so simple and accurate as to render the likelihood of erroneous results negligible, or

"(C) the Secretary has determined pose no reasonable risk of harm to the patient if performed incorrectly."

1988—Pub. L. 100–578 substituted "Certification of laboratories" for "Licensing of laboratories" in section catchline, and amended text generally, revising and restating as subsecs. (a) to (q) provisions of former subsecs. (a) to (l).

§263a–1. Assisted reproductive technology programs

(a) In general

Effective 2 years after October 24, 1992, each assisted reproductive technology (as defined in section 263a-7 ¹ of this title) program shall annually report to the Secretary through the Centers for Disease Control—

(1) pregnancy success rates achieved by such program through each assisted reproductive technology, and

(2) the identity of each embryo laboratory (as defined in section 263a-7 ¹ of this title) used by such program and whether the laboratory is certified under section 263a-2 of this title or has applied for such certification.

(b) Pregnancy success rates

(1) In general

For purposes of subsection (a)(1), the Secretary shall, in consultation with the organizations referenced in subsection (c), define pregnancy success rates and shall make public any proposed definition in such manner as to facilitate comment from any person (including any Federal or other public agency) during its development.

(2) Definition

In developing the definition of pregnancy success rates, the Secretary shall take into account the effect on success rates of age, diagnosis, and other significant factors and shall include in such rates—

(A) the basic live birth rate calculated for each assisted reproductive technology performed by an assisted reproductive technology program by dividing the number of pregnancies which result in live births by the number of ovarian stimulation procedures attempted by such program, and

(B) the live birth rate per successful oocyte retrieval procedure calculated for each assisted reproductive technology performed by an assisted reproductive technology program by dividing the number of pregnancies which result in live births by the number of successful oocyte retrieval procedures performed by such program.

(c) Consultation

In developing the definition under subsection (b), the Secretary shall consult with appropriate consumer and professional organizations with expertise in using, providing, and evaluating professional services and embryo laboratories associated with assisted reproductive technologies. (Pub. L. 102-493, §2, Oct. 24, 1992, 106 Stat. 3146.)

§263a–2. Certification of embryo laboratories

(a) In general

(1) Development

Not later than 2 years after October 24, 1992, the Secretary, through the Centers for Disease Control, shall develop a model program for the certification of embryo laboratories (referred to in this section as a "certification program") to be carried out by the States.

(2) Consultation

In developing the certification program under paragraph (1), the Secretary shall consult with appropriate consumer and professional organizations with expertise in using, providing, and evaluating professional services and embryo laboratories associated with the assisted reproductive technology programs.

(b) Distribution

The Secretary shall distribute a description of the certification program to—

- (1) the Governor of each State,
- (2) the presiding officers of each State legislature,
- (3) the public health official of each State, and
- (4) the official responsible in each State for the operation of the State's contract with the Secretary under section 1395aa of this title,

and shall encourage such officials to assist in the State adopting such program.

(c) Requirements

The certification program shall include the following requirements:

(1) Administration

The certification program shall be administered by the State and shall provide for the inspection and certification of embryo laboratories in the State by the State or by approved accreditation organizations.

(2) Application requirements

The certification program shall provide for the submission of an application to a State by an embryo laboratory for certification, in such form as may be specified by the State. Such an application shall include—

- (A) assurances satisfactory to the State that the embryo laboratory will be operated in accordance with the standards under subsection (d),
- (B) a report to the State identifying the assisted reproductive technology programs with which the laboratory is associated, and
- (C) such other information as the State finds necessary.

An embryo laboratory which meets the requirements of section 263a of this title shall, for the purposes of subparagraph (A) be considered in compliance with the standards referred to in such subparagraph which are the same as the standards in effect under section 263a of this title.

(d) Standards

The certification program shall include the following standards developed by the Secretary:

- (1) A standard to assure consistent performance of procedures by each embryo laboratory

certified under the certification program or by an approved accreditation organization in a State which has not adopted the certification program.

(2) A standard for a quality assurance and a quality control program to assure valid, reliable, and reproducible ¹ procedures in the laboratory.

(3) A standard for the maintenance of records (on a program by program basis) on laboratory tests and procedures performed, including the scientific basis of, and the methodology used for, the tests, procedures, and preparation of any standards or controls, criteria for acceptable and unacceptable outcomes, criteria for sample rejection, and procedures for safe sample disposal.

(4) A standard for the maintenance of written records on personnel and facilities necessary for proper and effective operation of the laboratory, schedules of preventive maintenance, function verification for equipment, and the release of such records to the State upon demand.

(5) A standard for the use of such personnel who meet such qualifications as the Secretary may develop.

(e) Certification under State programs

A State may qualify to adopt the certification program if the State has submitted an application to the Secretary to adopt such program and the Secretary has approved the application. Such an application shall include—

(1) assurances by the State satisfactory to the Secretary that the certification program within the State meets the requirements of this section,

(2) an agreement to make such reports as the Secretary may require, and

(3) information about any proposed use of accreditation organizations under subsection (g).²

(f) Use of accreditation organizations

A State which has adopted the certification program may use accreditation organizations approved under section 263a-3 of this title to inspect and certify embryo laboratories.

(g) Inspections

(1) In general

A State which qualifies to adopt the certification program within the State shall conduct inspections in accordance with paragraph (2) to determine if laboratories in the State meet the requirements of such program. Such inspections shall be carried out by the State or by accreditation organizations used by the State under subsection (g).²

(2) Requirements

Inspections carried out under paragraph (1) shall—

(A) be periodic and unannounced, or

(B) be announced in such circumstances as the Secretary determines will not diminish the likelihood of discovering deficiencies in the operations of a laboratory.

Before making a determination under subparagraph (B), the Secretary shall make public, in such manner as to facilitate comment from any person (including any Federal or other public agency), a proposal indicating the circumstances under which announced inspections would be permitted.

(3) Results

The specific findings, including deficiencies, identified in an inspection carried out under paragraph (1) and any subsequent corrections to those deficiencies shall be announced and made available to the public upon request beginning no later than 60 days after the date of the inspection.

(h) Validation inspections

(1) In general

The Secretary may enter and inspect, during regular hours of operation, embryo laboratories—

(A) which have been certified by a State under the certification program, or

(B) which have been certified by an accreditation organization approved by the Secretary under section 263a–3 of this title,

for the purpose of determining whether the laboratory is being operated in accordance with the standards in subsection (d).

(2) Access to facilities and records

In conducting an inspection of an embryo laboratory under paragraph (1), the Secretary shall have access to all facilities, equipment, materials, records, and information which the Secretary determines is necessary to determine if such laboratory is being operated in accordance with the standards in subsection (d). As part of such an inspection, the Secretary may copy any material, record, or information inspected or require it to be submitted to the Secretary. Such an inspection may be made only upon the presentation of identification to the owner, operator, or agent in charge of the laboratory being inspected.

(3) Failure to comply

If the Secretary determines as a result of an inspection under paragraph (1) that the embryo laboratory is not in compliance with the standards in subsection (d), the Secretary shall—

(A) notify the State in which the laboratory is located and, if appropriate, the accreditation organization which certified the laboratory,

(B) make available to the public the results of the inspection,

(C) conduct additional inspections of other embryo laboratories under paragraph (1) to determine if—

(i) such State in carrying out the certification program is reliably identifying the deficiencies of such laboratory, or

(ii) the accreditation organization which certified such laboratories is reliably identifying such deficiencies,³ and

(D) if the Secretary determines—

(i) that such State in carrying out the certification program has not met the requirements applicable to such program, or

(ii) the accreditation organization which certified such laboratory has not met the requirements of section 263a–3 of this title,

the Secretary may revoke the approval of the State certification program or revoke the approval of such accreditation organization.

(i) Limitation

(1) Secretary

In developing the certification program, the Secretary may not establish any regulation, standard, or requirement which has the effect of exercising supervision or control over the practice of medicine in assisted reproductive technology programs.

(2) State

In adopting the certification program, a State may not establish any regulation, standard, or requirement which has the effect of exercising supervision or control over the practice of medicine in assisted reproductive technology programs.

(j) Term

The term of a certification issued by a State or an accreditation organization in a State shall be prescribed by the Secretary in the certification program and shall be valid for a period of time to be defined by the Secretary through the public comment process described in subsection (h)(2).⁴ The Secretary shall provide an application for recertification to be submitted at the time of changes in the ownership of a certified laboratory or changes in the administration of such a laboratory.

§263a–3. Accreditation organizations

(a) Approval of accreditation organizations

Not later than 2 years after October 24, 1992, the Secretary, through the Centers for Disease Control, shall promulgate criteria and procedures for the approval of accreditation organizations to inspect and certify embryo laboratories. The procedures shall require an application to the Secretary by an accreditation organization for approval. An accreditation organization which has received such an approval—

(1) may be used by States in the certification program under section 263a–2 of this title to inspect and certify embryo laboratories, or

(2) may certify embryo laboratories in States which have not adopted such a certification program.

(b) Criteria and procedures

The criteria and procedures promulgated under subsection (a) shall include—

(1) requirements for submission of such reports and the maintenance of such records as the Secretary or a State may require, and

(2) requirements for the conduct of inspections under section 263a–2(h) ¹ of this title.

(c) Evaluations

The Secretary shall evaluate annually the performance of each accreditation organization approved by the Secretary by—

(1) inspecting under section 263a–2(i) ² of this title a sufficient number of embryo laboratories accredited by such an organization to allow a reasonable estimate of the performance of such organization, and

(2) such other means as the Secretary determines to be appropriate.

(d) Transition

If the Secretary revokes approval under section 263a–2(i)(3)(D)³ of this title of an accreditation organization after an evaluation under subsection (c), the certification of any embryo laboratory accredited by the organization shall continue in effect for 60 days after the laboratory is notified by the Secretary of the withdrawal of approval, except that the Secretary may extend the period during which the certification shall remain in effect if the Secretary determines that the laboratory submitted an application to another approved accreditation organization for certification after receipt of such notice in a timely manner.

§263a–4. Certification revocation and suspension

(a) In general

A certification issued by a State or an accreditation organization for an embryo laboratory shall be revoked or suspended if the State or organization finds, on the basis of inspections and after reasonable notice and opportunity for hearing to the owner or operator of the laboratory, that the owner or operator or any employee of the laboratory—

(1) has been guilty of misrepresentation in obtaining the certification,

(2) has failed to comply with any standards under section 263a–2 of this title applicable to the certification, or

(3) has refused a request of the State or accreditation organization for permission to inspect the laboratory, its operations, and records.

(b) Effect

If the certification of an embryo laboratory is revoked or suspended, the certification of the laboratory shall continue in effect for 60 days after the laboratory receives notice of the revocation or suspension. If the certification of an embryo laboratory is revoked or suspended, the laboratory may apply for recertification after one year after the date of the revocation or suspension.

§263a–7. Definitions

For purposes of sections 263a–1 to 263a–7 of this title:

(1) Assisted reproductive technology

The term "assisted reproductive technology" means all treatments or procedures which include the handling of human oocytes or embryos, including in vitro fertilization, gamete intrafallopian transfer, zygote intrafallopian transfer, and such other specific technologies as the Secretary may include in this definition, after making public any proposed definition in such manner as to facilitate comment from any person (including any Federal or other public agency).

(2) Embryo laboratory

The term "embryo laboratory" means a facility in which human oocytes are subject to assisted reproductive technology treatment or procedures based on manipulation of oocytes or embryos which are subject to implantation.

(3) Secretary

The term "Secretary" means the Secretary of Health and Human Services.

SUBPART 3—MAMMOGRAPHY FACILITIES

EDITORIAL NOTES

PRIOR PROVISIONS

A prior subpart 3 of part F of title III of the Public Health Service Act, comprising this subpart, was renumbered subchapter C of chapter V of the Federal Food, Drug, and Cosmetic Act, by Pub. L. 101–629, §19(a)(4), Nov. 28, 1990, 104 Stat. 4530, as amended by Pub. L. 103–80, §4(a)(2), Aug. 13, 1993, 107 Stat. 779, and is classified to part C (§360hh et seq.) of subchapter V of chapter 9 of Title 21, Food and Drugs.

§263b. Certification of mammography facilities

(a) Definitions

As used in this section:

(1) Accreditation body

The term "accreditation body" means a body that has been approved by the Secretary under subsection (e)(1)(A) to accredit mammography facilities.

(2) Certificate

The term "certificate" means the certificate described in subsection (b)(1).

(3) Facility

(A) In general

The term "facility" means a hospital, outpatient department, clinic, radiology practice, or mobile unit, an office of a physician, or other facility as determined by the Secretary, that conducts breast cancer screening or diagnosis through mammography activities. Such term does not include a facility of the Department of Veterans Affairs.

(B) Activities

For the purposes of this section, the activities of a facility include the operation of equipment to produce the mammogram, the processing of the film, the initial interpretation of the mammogram and the viewing conditions for that interpretation. Where procedures such as the film processing, or the interpretation of the mammogram are performed in a location different from where the mammogram is performed, the facility performing the mammogram shall be responsible for meeting the quality standards described in subsection (f).

(4) Inspection

The term "inspection" means an onsite evaluation of the facility by the Secretary, or State or local agency on behalf of the Secretary.

(5) Mammogram

The term "mammogram" means a radiographic image produced through mammography.

(6) Mammography

The term "mammography" means radiography of the breast.

(7) Survey

The term "survey" means an onsite physics consultation and evaluation performed by a medical physicist as described in subsection (f)(1)(E).

(8) Review physician

The term "review physician" means a physician as prescribed by the Secretary under subsection (f)(1)(D) who meets such additional requirements as may be established by an accreditation body under subsection (e) and approved by the Secretary to review clinical images under subsection (e)(1)(B)(i) on behalf of the accreditation body.

(b) Certificate requirement

(1) Certificate

No facility may conduct an examination or procedure described in paragraph (2) involving mammography after October 1, 1994, unless the facility obtains—

(A) a certificate or a temporary renewal certificate—

- (i) that is issued, and, if applicable, renewed, by the Secretary in accordance with paragraphs ¹(1) or (2) of subsection (c);
- (ii) that is applicable to the examination or procedure to be conducted; and
- (iii) that is displayed prominently in such facility; or

(B) a provisional certificate or a limited provisional certificate—

- (i) that is issued by the Secretary in accordance with paragraphs (3) and (4) of subsection (c);
- (ii) that is applicable to the examination or procedure to be conducted; and
- (iii) that is displayed prominently in such facility.

The reference to a certificate in this section includes a temporary renewal certificate, provisional certificate, or a limited provisional certificate.

(2) Examination or procedure

A facility shall obtain a certificate in order to—

- (A) operate radiological equipment that is used to image the breast;
- (B) provide for the interpretation of a mammogram produced by such equipment at the facility or under arrangements with a qualified individual at a facility different from where the mammography examination is performed; and
- (C) provide for the processing of film produced by such equipment at the facility or under arrangements with a qualified individual at a facility different from where the mammography examination is performed.

(c) Issuance and renewal of certificates

(1) In general

The Secretary may issue or renew a certificate for a facility if the person or agent described in subsection (d)(1)(A) meets the applicable requirements of subsection (d)(1) with respect to the facility. The Secretary may issue or renew a certificate under this paragraph for not more than 3 years.

(2) Temporary renewal certificate

The Secretary may issue a temporary renewal certificate, for a period of not to exceed 45 days, to a facility seeking reaccreditation if the accreditation body has issued an accreditation extension, for a period of not to exceed 45 days, for any of the following:

- (A) The facility has submitted the required materials to the accreditation body within the

established time frames for the submission of such materials but the accreditation body is unable to complete the reaccreditation process before the certification expires.

(B) The facility has acquired additional or replacement equipment, or has had significant personnel changes or other unforeseen situations that have caused the facility to be unable to meet reaccreditation timeframes, but in the opinion of the accreditation body have not compromised the quality of mammography.

(3) Limited provisional certificate

The Secretary may, upon the request of an accreditation body, issue a limited provisional certificate to an entity to enable the entity to conduct examinations for educational purposes while an onsite visit from an accreditation body is in progress. Such certificate shall be valid only during the time the site visit team from the accreditation body is physically in the facility, and in no case shall be valid for longer than 72 hours. The issuance of a certificate under this paragraph, shall not preclude the entity from qualifying for a provisional certificate under paragraph (4).

(4) Provisional certificate

The Secretary may issue a provisional certificate for an entity to enable the entity to qualify as a facility. The applicant for a provisional certificate shall meet the requirements of subsection (d)(1), except providing information required by clauses (iii) and (iv) of subsection (d)(1)(A). A provisional certificate may be in effect no longer than 6 months from the date it is issued, except that it may be extended once for a period of not more than 90 days if the owner, lessor, or agent of the facility demonstrates to the Secretary that without such extension access to mammography in the geographic area served by the facility would be significantly reduced and if the owner, lessor, or agent of the facility will describe in a report to the Secretary steps that will be taken to qualify the facility for certification under subsection (b)(1).

(d) Application for certificate

(1) Submission

The Secretary may issue or renew a certificate for a facility if—

(A) the person who owns or leases the facility or an authorized agent of the person, submits to the Secretary, in such form and manner as the Secretary shall prescribe, an application that contains at a minimum—

(i) a description of the manufacturer, model, and type of each x-ray machine, image receptor, and processor operated in the performance of mammography by the facility;

(ii) a description of the procedures currently used to provide mammography at the facility, including—

(I) the types of procedures performed and the number of such procedures performed in the prior 12 months;

(II) the methodologies for mammography; and

(III) the names and qualifications (educational background, training, and experience) of the personnel performing mammography and the physicians reading and interpreting the results from the procedures;

(iii) proof of on-site survey by a qualified medical physicist as described in subsection (f)(1)(E); and

(iv) proof of accreditation in such manner as the Secretary shall prescribe; and

(B) the person or agent submits to the Secretary—

(i) a satisfactory assurance that the facility will be operated in accordance with standards established by the Secretary under subsection (f) to assure the safety and accuracy of mammography;

(ii) a satisfactory assurance that the facility will—

(I) permit inspections under subsection (g);

(II) make such records and information available, and submit such reports, to the

Secretary as the Secretary may require; and

(III) update the information submitted under subparagraph (A) or assurances submitted under this subparagraph on a timely basis as required by the Secretary; and

(iii) such other information as the Secretary may require.

An applicant shall not be required to provide in an application under subparagraph (A) any information which the applicant has supplied to the accreditation body which accredited the applicant, except as required by the Secretary.

(2) Appeal

If the Secretary denies an application for the certification of a facility submitted under paragraph (1)(A), the Secretary shall provide the owner or lessor of the facility or the agent of the owner or lessor who submitted such application—

(A) a statement of the grounds on which the denial is based, and

(B) an opportunity for an appeal in accordance with the procedures set forth in regulations of the Secretary published at part 498 of title 42, Code of Federal Regulations.

(3) Effect of denial

If the application for the certification of a facility is denied, the facility may not operate unless the denial of the application is overturned at the conclusion of the administrative appeals process provided in the regulations referred to in paragraph (2)(B).

(e) Accreditation

(1) Approval of accreditation bodies

(A) In general

The Secretary may approve a private nonprofit organization or State agency to accredit facilities for purposes of subsection (d)(1)(A)(iv) if the accreditation body meets the standards for accreditation established by the Secretary as described in subparagraph (B) and provides the assurances required by subparagraph (C).

(B) Standards

The Secretary shall establish standards for accreditation bodies, including—

(i) standards that require an accreditation body to perform—

(I) a review of clinical images from each facility accredited by such body not less often than every 3 years which review will be made by qualified review physicians; and

(II) a review of a random sample of clinical images from such facilities in each 3-year period beginning October 1, 1994, which review will be made by qualified review physicians;

(ii) standards that prohibit individuals conducting the reviews described in clause (i) from maintaining any relationship to the facility undergoing review which would constitute a conflict of interest;

(iii) standards that limit the imposition of fees for accreditation to reasonable amounts;

(iv) standards that require as a condition of accreditation that each facility undergo a survey at least annually by a medical physicist as described in subsection (f)(1)(E) to ensure that the facility meets the standards described in subparagraphs (A) and (B) of subsection (f)(1);

(v) standards that require monitoring and evaluation of such survey, as prescribed by the Secretary;

(vi) standards that are equal to standards established under subsection (f) which are relevant to accreditation as determined by the Secretary; and

(vii) such additional standards as the Secretary may require.

(C) Assurances

The accrediting body shall provide the Secretary satisfactory assurances that the body will—

- (i) comply with the standards as described in subparagraph (B);
- (ii) comply with the requirements described in paragraph (4);
- (iii) submit to the Secretary the name of any facility for which the accreditation body denies, suspends, or revokes accreditation;
- (iv) notify the Secretary in a timely manner before the accreditation body changes the standards of the body;
- (v) notify each facility accredited by the accreditation body if the Secretary withdraws approval of the accreditation body under paragraph (2) in a timely manner; and
- (vi) provide such other additional information as the Secretary may require.

(D) Regulations

Not later than 9 months after October 27, 1992, the Secretary shall promulgate regulations under which the Secretary may approve an accreditation body.

(2) Withdrawal of approval

(A) In general

The Secretary shall promulgate regulations under which the Secretary may withdraw the approval of an accreditation body if the Secretary determines that the accreditation body does not meet the standards under subparagraph (B) of paragraph (1), the requirements of clauses (i) through (vi) of subparagraph (C) of paragraph (1), or the requirements of paragraph (4).

(B) Effect of withdrawal

If the Secretary withdraws the approval of an accreditation body under subparagraph (A), the certificate of any facility accredited by the body shall continue in effect until the expiration of a reasonable period, as determined by the Secretary, for such facility to obtain another accreditation.

(3) Accreditation

To be accredited by an approved accreditation body a facility shall meet—

- (A) the standards described in paragraph (1)(B) which the Secretary determines are applicable to the facility, and
- (B) such other standards which the accreditation body may require.

(4) Compliance

To ensure that facilities accredited by an accreditation body will continue to meet the standards of the accreditation body, the accreditation body shall—

- (A) make onsite visits on an annual basis of a sufficient number of the facilities accredited by the body to allow a reasonable estimate of the performance of the body; and
- (B) take such additional measures as the Secretary determines to be appropriate.

Visits made under subparagraph (A) shall be made after providing such notice as the Secretary may require.

(5) Revocation of accreditation

If an accreditation body revokes the accreditation of a facility, the certificate of the facility shall continue in effect until such time as may be determined by the Secretary.

(6) Evaluation and report

(A) Evaluation

The Secretary shall evaluate annually the performance of each approved accreditation body by—

- (i) inspecting under subsection (g)(2) a sufficient number of the facilities accredited by the body to allow a reasonable estimate of the performance of the body; and
- (ii) such additional means as the Secretary determines to be appropriate.

(B) Report

The Secretary shall annually prepare and submit to the Committee on Labor and Human Resources of the Senate and the Committee on Energy and Commerce of the House of Representatives a report that describes the results of the evaluation conducted in accordance with subparagraph (A).

(f) Quality standards

(1) In general

The standards referred to in subsection (d)(1)(B)(i) are standards established by the Secretary which include—

(A) standards that require establishment and maintenance of a quality assurance and quality control program at each facility that is adequate and appropriate to ensure the reliability, clarity, and accuracy of interpretation of mammograms and standards for appropriate radiation dose;

(B) standards that require use of radiological equipment specifically designed for mammography, including radiologic standards and standards for other equipment and materials used in conjunction with such equipment;

(C) a requirement that personnel who perform mammography—

(i)(I) be licensed by a State to perform radiological procedures; or

(II) be certified as qualified to perform radiological procedures by an organization described in paragraph (2)(A); and

(ii) during the 2-year period beginning October 1, 1994, meet training standards for personnel who perform mammography or meet experience requirements which shall at a minimum include 1 year of experience in the performance of mammography; and

(iii) upon the expiration of such 2-year period meet minimum training standards for personnel who perform mammograms;

(D) a requirement that mammograms be interpreted by a physician who is certified as qualified to interpret radiological procedures, including mammography—

(i)(I) by a board described in paragraph (2)(B); or

(II) by a program that complies with the standards described in paragraph (2)(C); and

(ii) who meets training and continuing medical education requirements as established by the Secretary;

(E) a requirement that individuals who survey mammography facilities be medical physicists—

(i) licensed or approved by a State to perform such surveys, reviews, or inspections for mammography facilities;

(ii) certified in diagnostic radiological physics or certified as qualified to perform such surveys by a board as described in paragraph (2)(D); or

(iii) in the first 5 years after October 27, 1992, who meet other criteria established by the Secretary which are comparable to the criteria described in clause (i) or (ii);

(F) a requirement that a medical physicist who is qualified in mammography as described in subparagraph (E) survey mammography equipment and oversee quality assurance practices at each facility;

(G) a requirement that—

(i) a facility that performs any mammogram—

(I) except as provided in subclause (II), maintain the mammogram in the permanent medical records of the patient for a period of not less than 5 years, or not less than 10 years if no subsequent mammograms of such patient are performed at the facility, or longer if mandated by State law; and

(II) upon the request of or on behalf of the patient, transfer the mammogram to a medical institution, to a physician of the patient, or to the patient directly; and

- (ii)(I) a facility must assure the preparation of a written report of the results of any mammography examination signed by the interpreting physician;
- (II) such written report shall be provided to the patient's physicians (if any);
- (III) if such a physician is not available or if there is no such physician, the written report shall be sent directly to the patient; and
- (IV) whether or not such a physician is available or there is no such physician, a summary of the written report shall be sent directly to the patient in terms easily understood by a lay person; and

(H) standards relating to special techniques for mammography of patients with breast implants.

Subparagraph (G) shall not be construed to limit a patient's access to the patient's medical records.

(2) Certification of personnel

The Secretary shall by regulation—

- (A) specify organizations eligible to certify individuals to perform radiological procedures as required by paragraph (1)(C);
- (B) specify boards eligible to certify physicians to interpret radiological procedures, including mammography, as required by paragraph (1)(D);
- (C) establish standards for a program to certify physicians described in paragraph (1)(D); and
- (D) specify boards eligible to certify medical physicists who are qualified to survey mammography equipment and to oversee quality assurance practices at mammography facilities.

(g) Inspections

(1) Annual inspections

(A) In general

The Secretary may enter and inspect facilities to determine compliance with the certification requirements under subsection (b) and the standards established under subsection (f). The Secretary shall, if feasible, delegate to a State or local agency the authority to make such inspections.

(B) Identification

The Secretary, or State or local agency acting on behalf of the Secretary, may conduct inspections only on presenting identification to the owner, operator, or agent in charge of the facility to be inspected.

(C) Scope of inspection

In conducting inspections, the Secretary or State or local agency acting on behalf of the Secretary—

- (i) shall have access to all equipment, materials, records, and information that the Secretary or State or local agency considers necessary to determine whether the facility is being operated in accordance with this section; and
- (ii) may copy, or require the facility to submit to the Secretary or the State or local agency, any of the materials, records, or information.

(D) Qualifications of inspectors

Qualified individuals, as determined by the Secretary, shall conduct all inspections. The Secretary may request that a State or local agency acting on behalf of the Secretary designate a qualified officer or employee to conduct the inspections, or designate a qualified Federal officer

or employee to conduct inspections. The Secretary shall establish minimum qualifications and appropriate training for inspectors and criteria for certification of inspectors in order to inspect facilities for compliance with subsection (f).

(E) Frequency

The Secretary or State or local agency acting on behalf of the Secretary shall conduct inspections under this paragraph of each facility not less often than annually, subject to paragraph (6).

(F) Records and annual reports

The Secretary or a State or local agency acting on behalf of the Secretary which is responsible for inspecting mammography facilities shall maintain records of annual inspections required under this paragraph for a period as prescribed by the Secretary. Such a State or local agency shall annually prepare and submit to the Secretary a report concerning the inspections carried out under this paragraph. Such reports shall include a description of the facilities inspected and the results of such inspections.

(2) Inspection of accredited facilities

The Secretary shall inspect annually a sufficient number of the facilities accredited by an accreditation body to provide the Secretary with a reasonable estimate of the performance of such body.

(3) Inspection of facilities inspected by State or local agencies

The Secretary shall inspect annually facilities inspected by State or local agencies acting on behalf of the Secretary to assure a reasonable performance by such State or local agencies.

(4) Timing

The Secretary, or State or local agency, may conduct inspections under paragraphs (1), (2), and (3), during regular business hours or at a mutually agreeable time and after providing such notice as the Secretary may prescribe, except that the Secretary may waive such requirements if the continued performance of mammography at such facility threatens the public health.

(5) Limited reinspection

Nothing in this section limits the authority of the Secretary to conduct limited reinspections of facilities found not to be in compliance with this section.

(6) Demonstration program

(A) In general

The Secretary may establish a demonstration program under which inspections under paragraph (1) of selected facilities are conducted less frequently by the Secretary (or as applicable, by State or local agencies acting on behalf of the Secretary) than the interval specified in subparagraph (E) of such paragraph.

(B) Requirements

Any demonstration program under subparagraph (A) shall be carried out in accordance with the following:

(i) The program may not be implemented before April 1, 2001. Preparations for the program may be carried out prior to such date.

(ii) In carrying out the program, the Secretary may not select a facility for inclusion in the program unless the facility is substantially free of incidents of noncompliance with the standards under subsection (f). The Secretary may at any time provide that a facility will no longer be included in the program.

(iii) The number of facilities selected for inclusion in the program shall be sufficient to provide a statistically significant sample, subject to compliance with clause (ii).

(iv) Facilities that are selected for inclusion in the program shall be inspected at such intervals as the Secretary determines will reasonably ensure that the facilities are maintaining

compliance with such standards.

(h) Sanctions

(1) In general

In order to promote voluntary compliance with this section, the Secretary may, in lieu of taking the actions authorized by subsection (i), impose one or more of the following sanctions:

(A) Directed plans of correction which afford a facility an opportunity to correct violations in a timely manner.

(B) Payment for the cost of onsite monitoring.

(2) Patient information

If the Secretary determines that the quality of mammography performed by a facility (whether or not certified pursuant to subsection (c)) was so inconsistent with the quality standards established pursuant to subsection (f) as to present a significant risk to individual or public health, the Secretary may require such facility to notify patients who received mammograms at such facility, and their referring physicians, of the deficiencies presenting such risk, the potential harm resulting, appropriate remedial measures, and such other relevant information as the Secretary may require.

(3) Civil money penalties

The Secretary may assess civil money penalties in an amount not to exceed \$10,000 for—

(A) failure to obtain a certificate as required by subsection (b),

(B) each failure by a facility to substantially comply with, or each day on which a facility fails to substantially comply with, the standards established under subsection (f) or the requirements described in subclauses (I) through (III) of subsection (d)(1)(B)(ii),

(C) each failure to notify a patient of risk as required by the Secretary pursuant to paragraph (2), and

(D) each violation, or for each aiding and abetting in a violation of, any provision of, or regulation promulgated under, this section by an owner, operator, or any employee of a facility required to have a certificate.

(4) Procedures

The Secretary shall develop and implement procedures with respect to when and how each of the sanctions is to be imposed under paragraphs (1) through (3). Such procedures shall provide for notice to the owner or operator of the facility and a reasonable opportunity for the owner or operator to respond to the proposed sanctions and appropriate procedures for appealing determinations relating to the imposition of sanctions.

(i) Suspension and revocation

(1) In general

The certificate of a facility issued under subsection (c) may be suspended or revoked if the Secretary finds, after providing, except as provided in paragraph (2), reasonable notice and an opportunity for a hearing to the owner or operator of the facility, that the owner, operator, or any employee of the facility—

(A) has been guilty of misrepresentation in obtaining the certificate;

(B) has failed to comply with the requirements of subsection (d)(1)(B)(ii)(III) or the standards established by the Secretary under subsection (f);

(C) has failed to comply with reasonable requests of the Secretary (or of an accreditation body approved pursuant to subsection (e)) for any record, information, report, or material that the Secretary (or such accreditation body or State carrying out certification program requirements pursuant to subsection (q)) concludes is necessary to determine the continued eligibility of the facility for a certificate or continued compliance with the standards established under subsection (f);

(D) has refused a reasonable request of the Secretary, any Federal officer or employee duly

designated by the Secretary, or any State or local officer or employee duly designated by the State or local agency, for permission to inspect the facility or the operations and pertinent records of the facility in accordance with subsection (g);

(E) has violated or aided and abetted in the violation of any provision of, or regulation promulgated under, this section; or

(F) has failed to comply with a sanction imposed under subsection (h).

(2) Action before a hearing

(A) In general

The Secretary may suspend the certificate of the facility before holding a hearing required by paragraph (1) if the Secretary has reason to believe that the circumstance of the case will support one or more of the findings described in paragraph (1) and that—

(i) the failure or violation was intentional; or

(ii) the failure or violation presents a serious risk to human health.

(B) Hearing

If the Secretary suspends a certificate under subparagraph (A), the Secretary shall provide an opportunity for a hearing to the owner or operator of the facility not later than 60 days from the effective date of the suspension. The suspension shall remain in effect until the decision of the Secretary made after the hearing.

(3) Ineligibility to own or operate facilities after revocation

If the Secretary revokes the certificate of a facility on the basis of an act described in paragraph (1), no person who owned or operated the facility at the time of the act may, within 2 years of the revocation of the certificate, own or operate a facility that requires a certificate under this section.

(j) Injunctions

If the Secretary determines that—

(1) continuation of any activity related to the provision of mammography by a facility would constitute a serious risk to human health, the Secretary may bring suit in the district court of the United States for the district in which the facility is situated to enjoin continuation of the activity; and

(2) a facility is operating without a certificate as required by subsection (b), the Secretary may bring suit in the district court of the United States for the district in which the facility is situated to enjoin the operation of the facility.

Upon a proper showing, the district court shall grant a temporary injunction or restraining order against continuation of the activity or against operation of a facility, as the case may be, without requiring the Secretary to post a bond, pending issuance of a final order under this subsection.

(k) Judicial review

(1) Petition

If the Secretary imposes a sanction on a facility under subsection (h) or suspends or revokes the certificate of a facility under subsection (i), the owner or operator of the facility may, not later than 60 days after the date the action of the Secretary becomes final, file a petition with the United States court of appeals for the circuit in which the facility is situated for judicial review of the action. As soon as practicable after receipt of the petition, the clerk of the court shall transmit a copy of the petition to the Secretary or other officer designated by the Secretary. As soon as practicable after receipt of the copy, the Secretary shall file in the court the record on which the action of the Secretary is based, as provided in section 2112 of title 28.

(2) Additional evidence

If the petitioner applies to the court for leave to adduce additional evidence, and shows to the satisfaction of the court that the additional evidence is material and that there were reasonable grounds for the failure to adduce such evidence in the proceeding before the Secretary, the court

may order the additional evidence (and evidence in rebuttal of the additional evidence) to be taken before the Secretary, and to be adduced upon the hearing in such manner and upon such terms and conditions as the court may determine to be proper. The Secretary may modify the findings of the Secretary as to the facts, or make new findings, by reason of the additional evidence so taken, and the Secretary shall file the modified or new findings, and the recommendations of the Secretary, if any, for the modification or setting aside of the original action of the Secretary with the return of the additional evidence.

(3) Judgment of court

Upon the filing of the petition referred to in paragraph (1), the court shall have jurisdiction to affirm the action, or to set the action aside in whole or in part, temporarily or permanently. The findings of the Secretary as to the facts, if supported by substantial evidence, shall be conclusive.

(4) Finality of judgment

The judgment of the court affirming or setting aside, in whole or in part, any action of the Secretary shall be final, subject to review by the Supreme Court of the United States upon certiorari or certification, as provided in section 1254 of title 28.

(l) Information

(1) In general

Not later than October 1, 1996, and annually thereafter, the Secretary shall compile and make available to physicians and the general public information that the Secretary determines is useful in evaluating the performance of facilities, including a list of facilities—

(A) that have been convicted under Federal or State laws relating to fraud and abuse, false billings, or kickbacks;

(B) that have been subject to sanctions under subsection (h), together with a statement of the reasons for the sanctions;

(C) that have had certificates revoked or suspended under subsection (i), together with a statement of the reasons for the revocation or suspension;

(D) against which the Secretary has taken action under subsection (j), together with a statement of the reasons for the action;

(E) whose accreditation has been revoked, together with a statement of the reasons of the revocation;

(F) against which a State has taken adverse action; and

(G) that meets such other measures of performance as the Secretary may develop.

(2) Date

The information to be compiled under paragraph (1) shall be information for the calendar year preceding the date the information is to be made available to the public.

(3) Explanatory information

The information to be compiled under paragraph (1) shall be accompanied by such explanatory information as may be appropriate to assist in the interpretation of the information compiled under such paragraph.

(m) State laws

Nothing in this section shall be construed to limit the authority of any State to enact and enforce laws relating to the matters covered by this section that are at least as stringent as this section or the regulations issued under this section.

(n) National Advisory Committee

(1) Establishment

In carrying out this section, the Secretary shall establish an advisory committee to be known as the National Mammography Quality Assurance Advisory Committee (hereafter in this subsection referred to as the "Advisory Committee").

(2) Composition

The Advisory Committee shall be composed of not fewer than 13, nor more than 19 individuals, who are not officers or employees of the Federal Government. The Secretary shall make appointments to the Advisory Committee from among—

- (A) physicians,
- (B) practitioners, and
- (C) other health professionals,

whose clinical practice, research specialization, or professional expertise include a significant focus on mammography. The Secretary shall appoint at least 4 individuals from among national breast cancer or consumer health organizations with expertise in mammography, at least 2 industry representatives with expertise in mammography equipment, and at least 2 practicing physicians who provide mammography services.

(3) Functions and duties

The Advisory Committee shall—

(A) advise the Secretary on appropriate quality standards and regulations for mammography facilities;

(B) advise the Secretary on appropriate standards and regulations for accreditation bodies;

(C) advise the Secretary in the development of regulations with respect to sanctions;

(D) assist in developing procedures for monitoring compliance with standards under subsection (f);

(E) make recommendations and assist in the establishment of a mechanism to investigate consumer complaints;

(F) report on new developments concerning breast imaging that should be considered in the oversight of mammography facilities;

(G) determine whether there exists a shortage of mammography facilities in rural and health professional shortage areas and determine the effects of personnel or other requirements of subsection (f) on access to the services of such facilities in such areas;

(H) determine whether there will exist a sufficient number of medical physicists after October 1, 1999, to assure compliance with the requirements of subsection (f)(1)(E);

(I) determine the costs and benefits of compliance with the requirements of this section (including the requirements of regulations promulgated under this section); and

(J) perform other activities that the Secretary may require.

The Advisory Committee shall report the findings made under subparagraphs (G) and (I) to the Secretary and the Congress no later than October 1, 1993.

(4) Meetings

The Advisory Committee shall meet not less than quarterly for the first 3 years of the program and thereafter, at least annually.

(5) Chairperson

The Secretary shall appoint a chairperson of the Advisory Committee.

(o) Consultations

In carrying out this section, the Secretary shall consult with appropriate Federal agencies within the Department of Health and Human Services for the purposes of developing standards, regulations, evaluations, and procedures for compliance and oversight.

(p) Breast cancer screening surveillance research grants

(1) Research

(A) Grants

The Secretary shall award grants to such entities as the Secretary may determine to be

appropriate to establish surveillance systems in selected geographic areas to provide data to evaluate the functioning and effectiveness of breast cancer screening programs in the United States, including assessments of participation rates in screening mammography, diagnostic procedures, incidence of breast cancer, mode of detection (mammography screening or other methods), outcome and follow up information, and such related epidemiologic analyses that may improve early cancer detection and contribute to reduction in breast cancer mortality. Grants may be awarded for further research on breast cancer surveillance systems upon the Secretary's review of the evaluation of the program.

(B) Use of funds

Grants awarded under subparagraph (A) may be used—

(i) to study—

(I) methods to link mammography and clinical breast examination records with population-based cancer registry data;

(II) methods to provide diagnostic outcome data, or facilitate the communication of diagnostic outcome data, to radiology facilities for purposes of evaluating patterns of mammography interpretation; and

(III) mechanisms for limiting access and maintaining confidentiality of all stored data; and

(ii) to conduct pilot testing of the methods and mechanisms described in subclauses (I), (II), and (III) of clause (i) on a limited basis.

(C) Grant application

To be eligible to receive funds under this paragraph, an entity shall submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may require.

(D) Report

A recipient of a grant under this paragraph shall submit a report to the Secretary containing the results of the study and testing conducted under clauses (i) and (ii) of subparagraph (B), along with recommendations for methods of establishing a breast cancer screening surveillance system.

(2) Establishment

The Secretary shall establish a breast cancer screening surveillance system based on the recommendations contained in the report described in paragraph (1)(D).

(3) Standards and procedures

The Secretary shall establish standards and procedures for the operation of the breast cancer screening surveillance system, including procedures to maintain confidentiality of patient records.

(4) Information

The Secretary shall recruit facilities to provide to the breast cancer screening surveillance system relevant data that could help in the research of the causes, characteristics, and prevalence of, and potential treatments for, breast cancer and benign breast conditions, if the information may be disclosed under section 552 of title 5.

(q) State program

(1) In general

The Secretary may, upon application, authorize a State—

(A) to carry out, subject to paragraph (2), the certification program requirements under subsections (b), (c), (d), (g)(1), (h), (i), and (j) (including the requirements under regulations promulgated pursuant to such subsections), and

(B) to implement the standards established by the Secretary under subsection (f),

with respect to mammography facilities operating within the State.

(2) Approval

The Secretary may approve an application under paragraph (1) if the Secretary determines that—

(A) the State has enacted laws and issued regulations relating to mammography facilities which are the requirements of this section (including the requirements under regulations promulgated pursuant to such subsections), and

(B) the State has provided satisfactory assurances that the State—

(i) has the legal authority and qualified personnel necessary to enforce the requirements of and the regulations promulgated pursuant to this section (including the requirements under regulations promulgated pursuant to such subsections),

(ii) will devote adequate funds to the administration and enforcement of such requirements, and

(iii) will provide the Secretary with such information and reports as the Secretary may require.

(3) Authority of Secretary

In a State with an approved application—

(A) the Secretary shall carry out the Secretary's functions under subsections (e) and (f);

(B) the Secretary may take action under subsections (h), (i), and (j); and

(C) the Secretary shall conduct oversight functions under subsections (g)(2) and (g)(3).

(4) Withdrawal of approval

(A) In general

The Secretary may, after providing notice and opportunity for corrective action, withdraw the approval of a State's authority under paragraph (1) if the Secretary determines that the State does not meet the requirements of such paragraph. The Secretary shall promulgate regulations for the implementation of this subparagraph.

(B) Effect of withdrawal

If the Secretary withdraws the approval of a State under subparagraph (A), the certificate of any facility certified by the State shall continue in effect until the expiration of a reasonable period, as determined by the Secretary, for such facility to obtain certification by the Secretary.

(r) Funding

(1) Fees

(A) In general

The Secretary shall, in accordance with this paragraph assess and collect fees from persons described in subsection (d)(1)(A) (other than persons who are governmental entities, as determined by the Secretary) to cover the costs of inspections conducted under subsection (g)(1) by the Secretary or a State acting under a delegation under subparagraph (A) of such subsection. Fees may be assessed and collected under this paragraph only in such manner as would result in an aggregate amount of fees collected during any fiscal year which equals the aggregate amount of costs for such fiscal year for inspections of facilities of such persons under subsection (g)(1). A person's liability for fees shall be reasonably based on the proportion of the inspection costs which relate to such person.

(B) Deposit and appropriations

(i) Deposit and availability

Fees collected under subparagraph (A) shall be deposited as an offsetting collection to the appropriations for the Department of Health and Human Services as provided in appropriation Acts and shall remain available without fiscal year limitation.

(ii) Appropriations

Fees collected under subparagraph (A) shall be collected and available only to the extent provided in advance in appropriation Acts.

(2) Authorization of appropriations

There are authorized to be appropriated to carry out this section—

(A) to award research grants under subsection (p), such sums as may be necessary for each of the fiscal years 1993 through 2007; and

(B) for the Secretary to carry out other activities which are not supported by fees authorized and collected under paragraph (1), such sums as may be necessary for fiscal years 1993 through 2007.

STATUTORY NOTES AND RELATED SUBSIDIARIES

CHANGE OF NAME

Committee on Labor and Human Resources of Senate changed to Committee on Health, Education, Labor, and Pensions of Senate by Senate Resolution No. 20, One Hundred Sixth Congress, Jan. 19, 1999.

Committee on Energy and Commerce of House of Representatives treated as referring to Committee on Commerce of House of Representatives by section 1(a) of Pub. L. 104–14, set out as a note preceding section 21 of Title 2, The Congress. Committee on Commerce of House of Representatives changed to Committee on Energy and Commerce of House of Representatives, and jurisdiction over matters relating to securities and exchanges and insurance generally transferred to Committee on Financial Services of House of Representatives by House Resolution No. 5, One Hundred Seventh Congress, Jan. 3, 2001.

TERMINATION OF ADVISORY COMMITTEES

Advisory committees established after Jan. 5, 1973, to terminate not later than the expiration of the 2-year period beginning on the date of their establishment, unless, in the case of a committee established by the President or an officer of the Federal Government, such committee is renewed by appropriate action prior to the expiration of such 2-year period, or in the case of a committee established by Congress, its duration is otherwise provided for by law. See section 1013 of Title 5, Government Organization and Employees.

Pub. L. 93–641, §6, Jan. 4, 1975, 88 Stat. 2275, set out as a note under section 217a of this title, provided that an advisory committee established pursuant to the Public Health Service Act shall terminate at such time as may be specifically prescribed by an Act of Congress enacted after Jan. 4, 1975.

REGULATIONS

Pub. L. 103–183, title VII, §707, Dec. 14, 1993, 107 Stat. 2241, provided that: "The Secretary of Health and Human Services is authorized to issue interim final regulations—

"(1) under which the Secretary may approve accreditation bodies under section 354(e) of the Public Health Service Act (42 U.S.C. 263b(e)); and

"(2) establishing quality standards under section 354(f) of the Public Health Service Act (42 U.S.C. 263b(f))."

STUDY

Section 3 of Pub. L. 102–539 directed Comptroller General of United States to conduct a study of the certification program authorized by this section to determine if the program has resulted in improvement of quality and accessibility of mammography services, and if the program has reduced the frequency of poor quality mammography and improved early detection of breast cancer, with Comptroller General, not later than 3 years from Oct. 27, 1992, submit to Congress an interim report of results of study and, not later than 5 years from such date to submit a final report.

PART G—QUARANTINE AND INSPECTION

§264. Regulations to control communicable diseases

(a) Promulgation and enforcement by Surgeon General

The Surgeon General, with the approval of the Secretary, is authorized to make and enforce such regulations as in his judgment are necessary to prevent the introduction, transmission, or spread of communicable diseases from foreign countries into the States or possessions, or from one State or possession into any other State or possession. For purposes of carrying out and enforcing such regulations, the Surgeon General may provide for such inspection, fumigation, disinfection, sanitation, pest extermination, destruction of animals or articles found to be so infected or contaminated as to be sources of dangerous infection to human beings, and other measures, as in his judgment may be necessary.

(b) Apprehension, detention, or conditional release of individuals

Regulations prescribed under this section shall not provide for the apprehension, detention, or conditional release of individuals except for the purpose of preventing the introduction, transmission, or spread of such communicable diseases as may be specified from time to time in Executive orders of the President upon the recommendation of the Secretary, in consultation with the Surgeon General,¹

(c) Application of regulations to persons entering from foreign countries

Except as provided in subsection (d), regulations prescribed under this section, insofar as they provide for the apprehension, detention, examination, or conditional release of individuals, shall be applicable only to individuals coming into a State or possession from a foreign country or a possession.

(d) Apprehension and examination of persons reasonably believed to be infected

(1) Regulations prescribed under this section may provide for the apprehension and examination of any individual reasonably believed to be infected with a communicable disease in a qualifying stage and (A) to be moving or about to move from a State to another State; or (B) to be a probable source of infection to individuals who, while infected with such disease in a qualifying stage, will be moving from a State to another State. Such regulations may provide that if upon examination any such individual is found to be infected, he may be detained for such time and in such manner as may be reasonably necessary. For purposes of this subsection, the term "State" includes, in addition to the several States, only the District of Columbia.

(2) For purposes of this subsection, the term "qualifying stage", with respect to a communicable disease, means that such disease—

(A) is in a communicable stage; or

(B) is in a precommunicable stage, if the disease would be likely to cause a public health emergency if transmitted to other individuals.

(e) Preemption

Nothing in this section or section 266 of this title, or the regulations promulgated under such sections, may be construed as superseding any provision under State law (including regulations and including provisions established by political subdivisions of States), except to the extent that such a provision conflicts with an exercise of Federal authority under this section or section 266 of this title.

AMENDMENTS

2002—Pub. L. 107–188, §142(a)(1), (2), (b)(1), and (c), which directed certain amendments to section 361 of the Public Health Act, was executed by making the amendments to this section, which is section 361 of the Public Health Service Act, to reflect the probable intent of Congress. See below.

Subsec. (b). Pub. L. 107–188, §142(a)(1), substituted "Executive orders of the President upon the recommendation of the Secretary, in consultation with the Surgeon General," for "Executive orders of the President upon the recommendation of the National Advisory Health Council and the Surgeon General".

Subsec. (d). Pub. L. 107–188, §142(a)(2), (b)(1), substituted in first sentence "Regulations" for "On recommendation of the National Advisory Health Council, regulations", "in a qualifying stage" for "in a communicable stage" in two places, designated existing text as par. (1) and substituted "(A)" and "(B)" for "(1)" and "(2)", respectively, and added par. (2).

Subsec. (e). Pub. L. 107–188, §142(c), added subsec. (e).

1976—Subsec. (d). Pub. L. 94–317 inserted provision defining "State" to include, in addition to the several States, only the District of Columbia.

1960—Subsec. (c). Pub. L. 86–624 struck out reference to Territory of Hawaii.

EXECUTIVE ORDER NO. 12452

Ex. Ord. No. 12452, Dec. 22, 1983, 48 F.R. 56927, which specified certain communicable diseases for regulations providing for the apprehension, detention, or conditional release of individuals to prevent the introduction, transmission, or spread of such diseases, was revoked by Ex. Ord. No. 13295, §5, Apr. 4, 2003, 68 F.R. 17255, set out below.

EX. ORD. NO. 13295. REVISED LIST OF QUARANTINABLE COMMUNICABLE DISEASES

Ex. Ord. No. 13295, Apr. 4, 2003, 68 F.R. 17255, as amended by Ex. Ord. No. 13375, §1, Apr. 1, 2005, 70 F.R. 17299; Ex. Ord. No. 13674, §1, July 31, 2014, 79 F.R. 45671; Ex. Ord. No. 14047, Sept. 17, 2021, 86 F.R. 52591, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including section 361(b) of the Public Health Service Act (42 U.S.C. 264(b)), it is hereby ordered as follows:

SECTION 1. Based upon the recommendation of the Secretary of Health and Human Services (the "Secretary"), in consultation with the Surgeon General, and for the purpose of specifying certain communicable diseases for regulations providing for the apprehension, detention, or conditional release of individuals to prevent the introduction, transmission, or spread of suspected communicable diseases, the following communicable diseases are hereby specified pursuant to section 361(b) of the Public Health Service Act:

(a) Cholera; Diphtheria; infectious Tuberculosis; Measles; Plague; Smallpox; Yellow Fever; and Viral Hemorrhagic Fevers (Lassa, Marburg, Ebola, Crimean-Congo, South American, and others not yet isolated or named).

(b) Severe acute respiratory syndromes, which are diseases that are associated with fever and signs and symptoms of pneumonia or other respiratory illness, are capable of being transmitted from person to person, and that either are causing, or have the potential to cause, a pandemic, or, upon infection, are highly likely to cause mortality or serious morbidity if not properly controlled. This subsection does not apply to influenza.

(c) Influenza caused by novel or reemergent influenza viruses that are causing, or have the potential to cause, a pandemic.

SEC. 2. The Secretary, in the Secretary's discretion, shall determine whether a particular condition constitutes a communicable disease of the type specified in section 1 of this order.

SEC. 3. The functions of the President under sections 362 and 364(a) of the Public Health Service Act (42 U.S.C. 265 and 267(a)) are assigned to the Secretary.

SEC. 4. This order is not intended to, and does not, create any right or benefit enforceable at law or equity

by any party against the United States, its departments, agencies, entities, officers, employees or agents, or any other person.

SEC. 5. Executive Order 12452 of December 22, 1983, is hereby revoked.

¹ So in original. The comma probably should not appear.

§265. Suspension of entries and imports from designated places to prevent spread of communicable diseases

Whenever the Surgeon General determines that by reason of the existence of any communicable disease in a foreign country there is serious danger of the introduction of such disease into the United States, and that this danger is so increased by the introduction of persons or property from such country that a suspension of the right to introduce such persons and property is required in the interest of the public health, the Surgeon General, in accordance with regulations approved by the President, shall have the power to prohibit, in whole or in part, the introduction of persons and property from such countries or places as he shall designate in order to avert such danger, and for such period of time as he may deem necessary for such purpose.

§267. Quarantine stations, grounds, and anchorages

(a) Control and management

Except as provided in title II ¹ of the Act of June 15, 1917, as amended, the Surgeon General shall control, direct, and manage all United States quarantine stations, grounds, and anchorages, designate their boundaries, and designate the quarantine officers to be in charge thereof. With the approval of the President he shall from time to time select suitable sites for and establish such additional stations, grounds, and anchorages in the States and possessions of the United States as in his judgment are necessary to prevent the introduction of communicable diseases into the States and possessions of the United States.

(b) Hours of inspection

The Surgeon General shall establish the hours during which quarantine service shall be performed at each quarantine station, and, upon application by any interested party, may establish quarantine inspection during the twenty-four hours of the day, or any fraction thereof, at such quarantine stations as, in his opinion, require such extended service. He may restrict the performance of quarantine inspection to hours of daylight for such arriving vessels as cannot, in his opinion, be satisfactorily inspected during hours of darkness. No vessel shall be required to undergo quarantine inspection during the hours of darkness, unless the quarantine officer at such quarantine station shall deem an immediate inspection necessary to protect the public health. Uniformity shall not be required in the hours during which quarantine inspection may be obtained at the various ports of the United States.

(c) Overtime pay for employees of Service

The Surgeon General shall fix a reasonable rate of extra compensation for overtime services of

employees of the United States Public Health Service, Foreign Quarantine Division, performing overtime duties including the operation of vessels, in connection with the inspection or quarantine treatment of persons (passengers and crews), conveyances, or goods arriving by land, water, or air in the United States or any place subject to the jurisdiction thereof, hereinafter referred to as "employees of the Public Health Service", when required to be on duty between the hours of 6 o'clock postmeridian and 6 o'clock antemeridian (or between the hours of 7 o'clock postmeridian and 7 o'clock antemeridian at stations which have a declared workday of from 7 o'clock antemeridian to 7 o'clock postmeridian), or on Sundays or holidays, such rate, in lieu of compensation under any other provision of law, to be fixed at two times the basic hourly rate for each hour that the overtime extends beyond 6 o'clock (or 7 o'clock as the case may be) postmeridian, and two times the basic hourly rate for each overtime hour worked on Sundays or holidays. As used in this subsection, the term "basic hourly rate" shall mean the regular basic rate of pay which is applicable to such employees for work performed within their regular scheduled tour of duty.

(d) Payment of extra compensation to United States; bond or deposit to assure payment; deposit of moneys to credit of appropriation

(1) The said extra compensation shall be paid to the United States by the owner, agent, consignee, operator, or master or other person in charge of any conveyance, for whom, at his request, services as described in this subsection (hereinafter referred to as overtime service) are performed. If such employees have been ordered to report for duty and have so reported, and the requested services are not performed by reason of circumstances beyond the control of the employees concerned, such extra compensation shall be paid on the same basis as though the overtime services had actually been performed during the period between the time the employees were ordered to report for duty and did so report, and the time they were notified that their services would not be required, and in any case as though their services had continued for not less than one hour. The Surgeon General with the approval of the Secretary of Health and Human Services may prescribe regulations requiring the owner, agent, consignee, operator, or master or other person for whom the overtime services are performed to file a bond in such amounts and containing such conditions and with such sureties, or in lieu of a bond, to deposit money or obligations of the United States in such amount, as will assure the payment of charges under this subsection, which bond or deposit may cover one or more transactions or all transactions during a specified period: *Provided*, That no charges shall be made for services performed in connection with the inspection of (1) persons arriving by international highways, ferries, bridges, or tunnels, or the conveyances in which they arrive, or (2) persons arriving by aircraft or railroad trains, the operations of which are covered by published schedules, or the aircraft or trains in which they arrive, or (3) persons arriving by vessels operated between Canadian ports and ports on Puget Sound or operated on the Great Lakes and connecting waterways, the operations of which are covered by published schedules, or the vessels in which they arrive.

(2) Moneys collected under this subsection shall be deposited in the Treasury of the United States to the credit of the appropriation charged with the expense of the services, and the appropriations so credited shall be available for the payment of such compensation to the said employees for services so rendered.

Federal Security Agency and office of Administrator abolished by section 8 of Reorg. Plan No. 1 of 1953.

§269. Bills of health

(a) Detail of medical officer; conditions precedent to issuance; consular officer to receive fees

Except as otherwise prescribed in regulations, any vessel at any foreign port or place clearing or departing for any port or place in a State or possession shall be required to obtain from the consular officer of the United States or from the Public Health Service officer, or other medical officer of the United States designated by the Surgeon General, at the port or place of departure, a bill of health in duplicate, in the form prescribed by the Surgeon General. The President, from time to time, shall specify the ports at which a medical officer shall be stationed for this purpose. Such bill of health shall set forth the sanitary history and condition of said vessel, and shall state that it has in all respects complied with the regulations prescribed pursuant to subsection (c). Before granting such duplicate bill of health, such consular or medical officer shall be satisfied that the matters and things therein stated are true. The consular officer shall be entitled to demand and receive the fees for bills of health and such fees shall be established by regulation.

(b) Collectors of customs to receive originals; duplicate copies as part of ship's papers

Original bills of health shall be delivered to the collectors of customs at the port of entry. Duplicate copies of such bills of health shall be delivered at the time of inspection to quarantine officers at such port. The bills of health herein prescribed shall be considered as part of the ship's papers, and when duly certified to by the proper consular or other officer of the United States, over his official signature and seal, shall be accepted as evidence of the statements therein contained in any court of the United States.

(c) Regulations to secure sanitary conditions of vessels

The Surgeon General shall from time to time prescribe regulations, applicable to vessels referred to in subsection (a) of this section for the purpose of preventing the introduction into the States or possessions of the United States of any communicable disease by securing the best sanitary condition of such vessels, their cargoes, passengers, and crews. Such regulations shall be observed by such vessels prior to departure, during the course of the voyage, and also during inspection, disinfection, or other quarantine procedure upon arrival at any United States quarantine station.

(d) Vessels from ports near frontier

The provisions of subsections (a) and (b) of this section shall not apply to vessels plying between such foreign ports on or near the frontiers of the United States and ports of the United States as are designated by treaty.

(e) Compliance with regulations

It shall be unlawful for any vessel to enter any port in any State or possession of the United States to discharge its cargo, or land its passengers, except upon a certificate of the quarantine officer that regulations prescribed under subsection (c) have in all respects been complied with by such officer,

the vessel, and its master. The master of every such vessel shall deliver such certificate to the collector of customs at the port of entry, together with the original bill of health and other papers of the vessel. The certificate required by this subsection shall be procurable from the quarantine officer, upon arrival of the vessel at the quarantine station and satisfactory inspection thereof, at any time within which quarantine services are performed at such station.

PART H—ORGAN TRANSPLANTS

EDITORIAL NOTES

PRIOR PROVISIONS

A prior part H related to grants to Alaska for mental health, prior to the general revision of part H by Pub. L. 98–507, title II, §201, Oct. 19, 1984, 98 Stat. 2342.

Another prior part H, entitled "National Library of Medicine", as added by act Aug. 3, 1956, ch. 907, 70 Stat. 960, was redesignated part I and classified to section 275 et seq. of this title, prior to repeal by Pub. L. 99–158.

§273. Organ procurement organizations

(a) Grant authority of Secretary

(1) The Secretary may make grants for the planning of qualified organ procurement organizations described in subsection (b).

(2) The Secretary may make grants for the establishment, initial operation, consolidation, and expansion of qualified organ procurement organizations described in subsection (b).

(b) Qualified organizations

(1) A qualified organ procurement organization for which grants may be made under subsection (a) is an organization which, as determined by the Secretary, will carry out the functions described in paragraph (2) ¹ and—

(A) is a nonprofit entity,

(B) has accounting and other fiscal procedures (as specified by the Secretary) necessary to assure the fiscal stability of the organization,

(C) has an agreement with the Secretary to be reimbursed under title XVIII of the Social Security Act [42 U.S.C. 1395 et seq.] for the procurement of kidneys,

(D) notwithstanding any other provision of law, has met the other requirements of this section and has been certified or recertified by the Secretary within the previous 4-year period as meeting the performance standards to be a qualified organ procurement organization through a process that either—

(i) granted certification or recertification within such 4-year period with such certification or recertification in effect as of January 1, 2000, and remaining in effect through the earlier of—

(I) January 1, 2002; or

(II) the completion of recertification under the requirements of clause (ii); or

(ii) is defined through regulations that are promulgated by the Secretary by not later than January 1, 2002, that—

(I) require recertifications of qualified organ procurement organizations not more frequently than once every 4 years;

(II) rely on outcome and process performance measures that are based on empirical evidence, obtained through reasonable efforts, of organ donor potential and other related factors in each service area of qualified organ procurement organizations;

(III) use multiple outcome measures as part of the certification process; and

(IV) provide for a qualified organ procurement organization to appeal a decertification to the Secretary on substantive and procedural grounds; ²

(E) has a defined service area that is of sufficient size to assure maximum effectiveness in the procurement and equitable distribution of organs, and that either includes an entire metropolitan

statistical area (as specified by the Director of the Office of Management and Budget) or does not include any part of the area,

(F) has a director and such other staff, including the organ donation coordinators and organ procurement specialists necessary to effectively obtain organs from donors in its service area, and

(G) has a board of directors or an advisory board which—

(i) is composed of—

(I) members who represent hospital administrators, intensive care or emergency room personnel, tissue banks, and voluntary health associations in its service area,

(II) members who represent the public residing in such area,

(III) a physician with knowledge, experience, or skill in the field of histocompatibility³ or an individual with a doctorate degree in a biological science with knowledge, experience, or skill in the field of histocompatibility,

(IV) a physician with knowledge or skill in the field of neurology, and

(V) from each transplant center in its service area which has arrangements described in paragraph (3)(G) with the organization, a member who is a surgeon who has practicing privileges in such center and who performs organ transplant surgery,

(ii) has the authority to recommend policies for the procurement of organs and the other functions described in paragraph (3), and

(iii) has no authority over any other activity of the organization.

(2)(A) Not later than 90 days after November 16, 1990, the Secretary shall publish in the Federal Register a notice of proposed rulemaking to establish criteria for determining whether an entity meets the requirement established in paragraph (1)(E).¹

(B) Not later than 1 year after November 16, 1990, the Secretary shall publish in the Federal Register a final rule to establish the criteria described in subparagraph (A).

(3) An organ procurement organization shall—

(A) have effective agreements, to identify potential organ donors, with a substantial majority of the hospitals and other health care entities in its service area which have facilities for organ donations,

(B) conduct and participate in systematic efforts, including professional education, to acquire all useable organs from potential donors,

(C) arrange for the acquisition and preservation of donated organs and provide quality standards for the acquisition of organs which are consistent with the standards adopted by the Organ Procurement and Transplantation Network under section 274(b)(2)(E) of this title, including arranging for testing with respect to identifying organs that are infected with human immunodeficiency virus (HIV),

(D) arrange for the appropriate tissue typing of donated organs,

(E) have a system to allocate donated organs equitably among transplant patients according to established medical criteria,

(F) provide or arrange for the transportation of donated organs to transplant centers,

(G) have arrangements to coordinate its activities with transplant centers in its service area,

(H) participate in the Organ Procurement Transplantation Network established under section 274 of this title,

(I) have arrangements to cooperate with tissue banks for the retrieval, processing, preservation, storage, and distribution of tissues as may be appropriate to assure that all useable tissues are obtained from potential donors,

(J) evaluate annually the effectiveness of the organization in acquiring potentially available organs, and

(K) assist hospitals in establishing and implementing protocols for making routine inquiries about organ donations by potential donors.

(c) Pancreata islet cell transplantation or research

Pancreata procured by an organ procurement organization and used for islet cell transplantation or research shall be counted for purposes of certification or recertification under subsection (b).

PRIOR PROVISIONS

A prior section 273, act July 1, 1944, ch. 373, title III, §371, as added July 28, 1956, ch. 772, title II, §201, 70 Stat. 709, authorized grants to the Territory of Alaska for an integrated mental health program, prior to repeal by Pub. L. 86–70, §31(b)(1), June 25, 1959, 73 Stat. 148, effective July 1, 1959.

A prior section 371 of act July 1, 1944, added by act Aug. 3, 1956, ch. 907, §1, 70 Stat. 960, was renumbered section 381 and classified to section 275 of this title, prior to repeal by Pub. L. 99–158, §3(b), Nov. 20, 1985, 99 Stat. 879.

AMENDMENTS

2013—Subsec. (b)(1)(E), (F). Pub. L. 113–51, §2(a)(3)(A), (B), redesignated subpars. (F) and (G) as (E) and (F), respectively, and struck out former subpar. (E) which read as follows: "has procedures to obtain payment for non-renal organs provided to transplant centers,".

Subsec. (b)(1)(G). Pub. L. 113–51, §2(a)(3)(C), which directed the substitution of "(G) has a director" for "(H) has a director", was executed by substituting "(G) has a board of directors" for "(H) has a board of directors" to reflect the probable intent of Congress. Former subpar. (G) redesignated (F).

Subsec. (b)(1)(G)(i)(V), (ii). Pub. L. 113–51, §2(a)(3)(D), which directed the amendment of subpar. (H) by substituting "paragraph (3)(G)" for "paragraph (2)(G)" in cl. (i)(V) and "paragraph (3)" for "paragraph (2)" in cl. (ii), was executed by making the substitutions in subpars. (G)(i)(V) and (G)(ii), respectively, to reflect the probable intent of Congress and the redesignation of subpar. (H) as (G) by Pub. L. 113–51, §2(a)(3)(C). See above.

Subsec. (b)(3)(C). Pub. L. 113–51, §2(a)(2), substituted "including arranging for testing with respect to identifying organs that are infected with human immunodeficiency virus (HIV)" for "including arranging for testing with respect to preventing the acquisition of organs that are infected with the etiologic agent for acquired immune deficiency syndrome".

2004—Subsec. (a)(3). Pub. L. 108–216 struck out par. (3) which read as follows: "The Secretary may make grants to, and enter into contracts with, qualified organ procurement organizations described in subsection (b) of this section and other nonprofit private entities for the purpose of carrying out special projects designed to increase the number of organ donors."

Subsec. (c). Pub. L. 108–362 added subsec. (c).

2000—Subsec. (b)(1)(D) to (H). Pub. L. 106–505 and Pub. L. 106–554 amended par. (1) identically, adding subpar. (D), redesignating former subpars. (D) to (G) as (E) to (H), respectively, and realigning margins of subpar. (F).

1990—Pub. L. 101–616, §201(a), substituted "Organ procurement organizations" for "Assistance for organ procurement organizations" in section catchline.

Subsec. (a)(3). Pub. L. 101–616, §201(b)(1), substituted "may make grants to, and enter into contracts with,

qualified organ procurement organizations described in subsection (b) of this section and other nonprofit private entities for the purpose of carrying out special projects" for "may make grants for special projects".

Subsec. (a)(4). Pub. L. 101-616, §201(b)(2), struck out par. (4) which set forth factors to consider in making grants.

Subsec. (b)(1)(E). Pub. L. 101-616, §201(c)(1), amended subpar. (E) generally. Prior to amendment, subpar. (E) read as follows: "has a defined service area which is a geographical area of sufficient size such that (unless the service area comprises an entire State) the organization can reasonably expect to procure organs from not less than 50 donors each year and which either includes an entire standard metropolitan statistical area (as specified by the Office of Management and Budget) or does not include any part of such an area,".

Subsec. (b)(1)(G)(i)(III). Pub. L. 101-616, §201(e), made technical correction to Pub. L. 100-607, §402(c)(2). See 1988 Amendment note below.

Subsec. (b)(2), (3). Pub. L. 101-616, §201(d), added par. (2) and redesignated former par. (2) as (3).

Subsec. (c). Pub. L. 101-616, §206(b), struck out subsec. (c) which authorized appropriations for subsec. (a) grants for fiscal years 1988 through 1990.

1988—Subsec. (a)(2). Pub. L. 100-607, §402(a)(1), inserted "consolidation," after "initial operation,".

Subsec. (a)(3). Pub. L. 100-607, §402(a)(2), added par. (3). Former par. (3) redesignated (4).

Subsec. (a)(4). Pub. L. 100-607, §402(a)(2), redesignated former par. (3) as (4).

Subsec. (a)(4)(C). Pub. L. 100-607, §402(a)(3), added subpar. (C).

Subsec. (b)(1)(E). Pub. L. 100-607, §402(c)(1)(A), substituted "size such that" for "size which", and "the organization can reasonably expect to procure organs from not less than 50 donors each year" for "will include at least fifty potential organ donors each year".

Subsec. (b)(1)(G)(i)(III). Pub. L. 100-607, §402(c)(2), as amended by Pub. L. 101-616, §201(e), inserted "or an individual with a doctorate degree in a biological science with knowledge, experience, or skill in the field of histocompatibility" before comma at end.

Subsec. (b)(2)(C). Pub. L. 100-607, §402(c)(1)(B), substituted "274(b)(2)(E) of this title, including arranging for testing with respect to preventing the acquisition of organs that are infected with the etiologic agent for acquired immune deficiency syndrome," for "274(b)(2)(D) of this title,".

Subsec. (b)(2)(E). Pub. L. 100-607, §402(c)(1)(C), substituted "organs equitably among transplant patients" for "organs among transplant centers and patients".

Subsec. (b)(2)(K). Pub. L. 100-607, §402(c)(1)(D), added subpar. (K).

Subsec. (c). Pub. L. 100-607, §402(d), amended subsec. (c) generally. Prior to amendment, subsec. (c) read as follows: "For grants under subsection (a) of this section there are authorized to be appropriated \$5,000,000 for fiscal year 1985, \$8,000,000 for fiscal year 1986, and \$12,000,000 for fiscal year 1987."

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 1990 AMENDMENT

Pub. L. 101-616, title II, §207, Nov. 16, 1990, 104 Stat. 3286, provided that: "Except as otherwise provided in this title, the amendments made by this title [enacting sections 274f and 274g of this title, amending this section and sections 274 and 274b to 274d of this title, and repealing provisions set out as a note below] shall become effective on October 1, 1990, or on the date of the enactment of this Act [Nov. 16, 1990], whichever occurs later."

EFFECTIVE DATE OF 1988 AMENDMENT

Pub. L. 100-607, title IV, §402(c)(3), Nov. 4, 1988, 102 Stat. 3115, as amended by Pub. L. 101-274, Apr. 23, 1990, 104 Stat. 139, which provided that the amendment made by section 402(c)(1)(A) of Pub. L. 100-607, amending this section, was not to apply to an organ procurement organization designated under section 1320b-8(b) of this title until Jan. 1, 1992, was repealed by Pub. L. 101-616, title II, §201(c)(2), Nov. 16, 1990, 104 Stat. 3283.

SHORT TITLE

For short title of Pub. L. 98-507, which enacted this part as the "National Organ Transplant Act", see section 1 of Pub. L. 98-507, set out as a Short Title of 1984 Amendments note under section 201 of this title.

SEVERABILITY

Pub. L. 101-616, title III, §301, Nov. 16, 1990, 104 Stat. 3286, provided that: "If any provision of this Act [enacting sections 274f, 274g, 274k, and 274l of this title, amending this section and sections 274 to 274d of

this title, enacting provisions set out as notes under this section and sections 274 and 274k of this title, and repealing provisions set out as a note above], amendment made by this Act, or application of the provision or amendment to any person or circumstance is held to be unconstitutional, the remainder of this Act, the amendments made by this Act, and the application of the provisions or amendments to any person or circumstance shall not be affected."

CERTIFICATION OF ORGAN PROCUREMENT ORGANIZATIONS

Pub. L. 106–505, title VII, §701(b), Nov. 13, 2000, 114 Stat. 2346, and Pub. L. 106–554, §1(a)(1) [title II, §219(a)], Dec. 21, 2000, 114 Stat. 2763, 2763A–28, provided that: "Congress makes the following findings:

"(1) Organ procurement organizations play an important role in the effort to increase organ donation in the United States.

"(2) The current process for the certification and recertification of organ procurement organizations conducted by the Department of Health and Human Services has created a level of uncertainty that is interfering with the effectiveness of organ procurement organizations in raising the level of organ donation.

"(3) The General Accounting Office [now Government Accountability Office], the Institute of Medicine, and the Harvard School of Public Health have identified substantial limitations in the organ procurement organization certification and recertification process and have recommended changes in that process.

"(4) The limitations in the recertification process include:

"(A) An exclusive reliance on population-based measures of performance that do not account for the potential in the population for organ donation and do not permit consideration of other outcome and process standards that would more accurately reflect the relative capability and performance of each organ procurement organization.

"(B) A lack of due process to appeal to the Secretary of Health and Human Services for recertification on either substantive or procedural grounds.

"(5) The Secretary of Health and Human Services has the authority under section 1138(b)(1)(A)(i) of the Social Security Act (42 U.S.C. 1320b–8(b)(1)(A)(i)) to extend the period for recertification of an organ procurement organization from 2 to 4 years on the basis of its past practices in order to avoid the inappropriate disruption of the nation's organ system.

"(6) The Secretary of Health and Human Services can use the extended period described in paragraph (5) for recertification of all organ procurement organizations to—

"(A) develop improved performance measures that would reflect organ donor potential and interim outcomes, and to test these measures to ensure that they accurately measure performance differences among the organ procurement organizations; and

"(B) improve the overall certification process by incorporating process as well as outcome performance measures, and developing equitable processes for appeals."

STUDY REGARDING IMMUNOSUPPRESSIVE DRUGS

Pub. L. 106–310, div. A, title XXI, §2101(b), Oct. 17, 2000, 114 Stat. 1156, required the Secretary of Health and Human Services to provide for a study to determine the costs of immunosuppressive drugs provided to children pursuant to organ transplants and to determine the extent to which health plans and health insurance covered such costs, and related issues, and to submit the report to Congress by Dec. 31, 2001.

STUDY ON HOSPITAL AGREEMENTS WITH ORGAN PROCUREMENT AGENCIES

Pub. L. 103–432, title I, §155(b), Oct. 31, 1994, 108 Stat. 4439, directed Office of Technology Assessment to conduct study to determine efficacy and fairness of requiring a hospital to enter into agreement under subsec. (b)(3)(A) of this section with organ procurement agency for service area in which such hospital is located and impact of such requirement on efficacy and fairness of organ procurement and distribution, and to submit to Congress, not later than 2 years after Oct. 31, 1994, report containing findings of such study and implications of such findings with respect to policies affecting organ procurement and distribution.

TASK FORCE ON ORGAN PROCUREMENT AND TRANSPLANTATION

Pub. L. 98–507, title I, §§101–105, Oct. 19, 1984, 98 Stat. 2339–2342, directed Secretary of Health and Human Services, not later than 90 days after Oct. 19, 1984, to establish a Task Force on Organ Transplantation to conduct comprehensive examinations, prepare an assessment and report, and submit advice as to regulation of the medical, legal, ethical, economic, and social issues presented by human organ procurement and transplantation, with the final report due not later than 12 months after the Task Force is established and the Task Force to terminate 3 months thereafter.

BONE MARROW REGISTRY DEMONSTRATION AND STUDY

Pub. L. 98–507, title IV, §401, Oct. 19, 1984, 98 Stat. 3268, directed Secretary of Health and Human Services to hold a conference on the feasibility of establishing and the effectiveness of a national registry of voluntary bone marrow donors not later than 9 months after Oct. 19, 1984, and if the conference found that it was feasible to establish a national registry of voluntary donors of bone marrow and that such a registry was likely to be effective in matching donors with recipients, the Secretary was to establish a registry of voluntary donors of bone marrow not later than six months after the completion of the conference, and further directed the Secretary, acting through the Assistant Secretary for Health, to study the establishment and implementation of the registry to identify the issues presented by the establishment of such a registry, to evaluate participation of bone marrow donors, to assess the implementation of the informed consent and confidentiality requirements, and to determine if the establishment of a permanent bone marrow registry was needed and appropriate, and to report the results of the study to Congress not later than two years after the date the registry was established.

The Secretary may establish and maintain mechanisms to evaluate the long-term effects associated with living organ donations by individuals who have served as living donors.

(July 1, 1944, ch. 373, title III, §371A, as added Pub. L. 108–216, §7, Apr. 5, 2004, 118 Stat. 589.)

§273b. Report on the long-term health effects of living organ donation

Not later than 1 year after December 21, 2007, and annually thereafter, the Secretary of Health and Human Services shall submit to the appropriate committees of Congress a report that details the progress made towards understanding the long-term health effects of living organ donation.

(Pub. L. 110–144, §3, Dec. 21, 2007, 121 Stat. 1814.)

EDITORIAL NOTES

CODIFICATION

Section was enacted as part of the Charlie W. Norwood Living Organ Donation Act, and not as part of the Public Health Service Act which comprises this chapter.

§274. Organ procurement and transplantation network

(a) Contract authority of Secretary; limitation; available appropriations

The Secretary shall by contract provide for the establishment and operation of an Organ Procurement and Transplantation Network which meets the requirements of subsection (b). The amount provided under such contract in any fiscal year may not exceed \$7,000,000. Funds for such contracts shall be made available from funds available to the Public Health Service from appropriations for fiscal years beginning after fiscal year 1984.

(b) Functions

(1) The Organ Procurement and Transplantation Network shall carry out the functions described in paragraph (2) and shall—

(A) be a private nonprofit entity that has an expertise in organ procurement and transplantation, and

(B) have a board of directors—

(i) that includes representatives of organ procurement organizations (including organizations that have received grants under section 273 of this title), transplant centers, voluntary health associations, and the general public; and

(ii) that shall establish an executive committee and other committees, whose chairpersons shall be selected to ensure continuity of leadership for the board.

(2) The Organ Procurement and Transplantation Network shall—

(A) establish in one location or through regional centers—

(i) a national list of individuals who need organs, and

(ii) a national system, through the use of computers and in accordance with established medical criteria, to match organs and individuals included in the list, especially individuals whose immune system makes it difficult for them to receive organs,

(B) establish membership criteria and medical criteria for allocating organs and provide to members of the public an opportunity to comment with respect to such criteria,

(C) maintain a twenty-four-hour telephone service to facilitate matching organs with individuals included in the list,

(D) assist organ procurement organizations in the nationwide distribution of organs equitably among transplant patients,

(E) adopt and use standards of quality for the acquisition and transportation of donated organs,

(F) prepare and distribute, on a regionalized basis (and, to the extent practicable, among regions or on a national basis), samples of blood sera from individuals who are included on the list and whose immune system makes it difficult for them to receive organs, in order to facilitate matching the compatibility of such individuals with organ donors,

(G) coordinate, as appropriate, the transportation of organs from organ procurement organizations to transplant centers,

(H) provide information to physicians and other health professionals regarding organ donation,

(I) collect, analyze, and publish data concerning organ donation and transplants,

(J) carry out studies and demonstration projects for the purpose of improving procedures for organ procurement and allocation,

(K) work actively to increase the supply of donated organs,

(L) submit to the Secretary an annual report containing information on the comparative costs and patient outcomes at each transplant center affiliated with the organ procurement and transplantation network,

(M) recognize the differences in health and in organ transplantation issues between children and adults throughout the system and adopt criteria, policies, and procedures that address the unique health care needs of children,

(N) carry out studies and demonstration projects for the purpose of improving procedures for organ donation procurement and allocation, including but not limited to projects to examine and attempt to increase transplantation among populations with special needs, including children and individuals who are members of racial or ethnic minority groups, and among populations with limited access to transportation, and

(O) provide that for purposes of this paragraph, the term "children" refers to individuals who are under the age of 18.

(3) CLARIFICATION.—In adopting and using standards of quality under paragraph (2)(E), the Organ Procurement and Transplantation Network may adopt and use such standards with respect to organs infected with human immunodeficiency virus (in this paragraph referred to as "HIV"), provided that any such standards ensure that organs infected with HIV may be transplanted only into individuals who—

(A) are infected with HIV before receiving such organ; and
(B)(i) are participating in clinical research approved by an institutional review board under the criteria, standards, and regulations described in subsections (a) and (b) of section 274f-5 of this title; or

(ii) if the Secretary has determined under section 274f-5(c) of this title that participation in such clinical research, as a requirement for such transplants, is no longer warranted, are receiving a transplant under the standards and regulations under section 274f-5(c) of this title.

(c) Consideration of critical comments

The Secretary shall establish procedures for—

(1) receiving from interested persons critical comments relating to the manner in which the Organ Procurement and Transplantation Network is carrying out the duties of the Network under subsection (b); and

(2) the consideration by the Secretary of such critical comments.

EDITORIAL NOTES

PRIOR PROVISIONS

A prior section 274, act July 1, 1944, ch. 373, title III, §372, as added July 28, 1956, ch. 772, title II, §201, 70 Stat. 710; amended June 25, 1959, Pub. L. 86-70, §31(b)(2)-(4), 73 Stat. 148, related to grants to Alaska for a mental health program and payment for construction of hospital facilities, prior to the general revision of this part by section 201 of Pub. L. 98-507.

Another section 372 of act July 1, 1944, added by act Aug. 3, 1956, ch. 941, §1, 70 Stat. 960, which related to functions of National Library of Medicine, was renumbered section 382 and classified to section 276 of this title, prior to repeal by Pub. L. 99-158, §3(b), Nov. 20, 1985, 99 Stat. 879.

AMENDMENTS

2013—Subsec. (b)(2)(E). Pub. L. 113-51, §2(a)(1)(A), struck out ", including standards for preventing the acquisition of organs that are infected with the etiologic agent for acquired immune deficiency syndrome" after "organs".

Subsec. (b)(3). Pub. L. 113-51, §2(a)(1)(B), added par. (3).

2008—Subsec. (a). Pub. L. 110-426 substituted "\$7,000,000" for "\$2,000,000".

2000—Subsec. (b)(2)(M) to (O). Pub. L. 106-310 added subpars. (M) to (O).

1990—Subsec. (b)(1)(A). Pub. L. 101-616, §202(a)(1), substituted "that has an expertise in organ procurement and transplantation" for "which is not engaged in any activity unrelated to organ procurement".

Subsec. (b)(1)(B). Pub. L. 101-616, §202(a)(2), amended subpar. (B) generally. Prior to amendment, subpar. (B) read as follows: "have a board of directors which includes representatives of organ procurement organizations (including organizations which have received grants under section 273 of this title), transplant centers, voluntary health associations, and the general public."

Subsec. (b)(2)(D). Pub. L. 101-616, §202(b)(1), inserted "nationwide" after "organizations in the" and "equitably among transplant patients" after "organs".

Subsec. (b)(2)(F). Pub. L. 101-616, §202(c), substituted "compatibility" for "compatability".

Subsec. (b)(2)(K), (L). Pub. L. 101-616, §202(b)(2)-(4), added subpars. (K) and (L).

1988—Subsec. (b)(2)(B), (C). Pub. L. 100-607, §403(a)(1), added subpar. (B) and redesignated former subpars. (B) and (C) as (C) and (D), respectively.

Subsec. (b)(2)(D). Pub. L. 100-607, §403(a)(1), (2), redesignated former subpar. (C) as (D) and substituted "organs" for "organs which cannot be placed within the service areas of the organizations". Former subpar. (D) redesignated (E).

Subsec. (b)(2)(E). Pub. L. 100-607, §403(a)(1), (3), redesignated former subpar. (D) as (E) and inserted "including standards for preventing the acquisition of organs that are infected with the etiologic agent for acquired immune deficiency syndrome," after "organs,". Former subpar. (E) redesignated (F).

Subsec. (b)(2)(F). Pub. L. 100–607, §403(a)(1), (4), redesignated former subpar. (E) as (F) and inserted "(and, to the extent practicable, among regions or on a national basis)" after "basis". Former subpar. (F) redesignated (G).

Subsec. (b)(2)(G) to (I). Pub. L. 100–607, §403(a)(1), redesignated former subpars. (F) to (H) as (G) to (I), respectively.

Subsec. (b)(2)(J). Pub. L. 100–607, §403(a)(5), added subpar. (J).

Subsec. (c). Pub. L. 100–607, §403(b), added subsec. (c).

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 1990 AMENDMENT

Pub. L. 101–616, title II, §202(d), Nov. 16, 1990, 104 Stat. 3284, provided that: "The amendments made by subsection (a) [amending this section] shall become effective on December 31, 1990."

REPORT; LIMITATION ON AMENDMENT BY PUB. L. 110–426

Pub. L. 110–426, §3, Oct. 15, 2008, 122 Stat. 4835, provided that:

"(a) IN GENERAL.—The Secretary of Health and Human Services shall request that the Executive Director of the Organ Procurement and Transplantation Network submit to Congress, not later than 1 year after the date of enactment of this Act [Oct. 15, 2008], a report that shall include—

"(1) the identity of transplant programs that have become inactive or have closed since the heart allocation policy change of 2006;

"(2) the distance to the next closest operational heart transplant center from such inactivated or closed programs and an evaluation of whether or not access to care has been reduced to the population previously serviced by such inactive or closed program;

"(3) the number of patients with rural zip codes that received transplants after the heart allocation policy change of 2006 as compared with the number of such patients that received such transplants prior to such heart allocation policy change;

"(4) a comparison of the number of transplants performed, the mortality rate for individuals on the transplant waiting lists, and the post-transplant survival rate nationally and by region prior to and after the heart allocation policy change of 2006; and

"(5) specifically with respect to allosensitized patients, a comparison of the number of heart transplants performed, the mortality rate for individuals on the heart transplant waiting lists, and the post heart transplant survival rate nationally and by region prior to and after the heart allocation policy change of 2006.

"(b) LIMITATION ON FUNDING.—The increase provided for in the amendment made by section 2 [amending this section] shall not apply with respect to contracts entered into under section 372(a) of the Public Health Service Act (42 U.S.C. 274(a)) after the date that is 1 year after the date of enactment of this Act [Oct. 15, 2008] if the Executive Director of the Organ Procurement and Transplantation Network fails to submit the report under subsection (a)."

§274a. Scientific registry

The Secretary shall, by grant or contract, develop and maintain a scientific registry of the recipients of organ transplants. The registry shall include such information respecting patients and transplant procedures as the Secretary deems necessary to an ongoing evaluation of the scientific and clinical status of organ transplantation. The Secretary shall prepare for inclusion in the report under section 274d of this title an analysis of information derived from the registry.

EDITORIAL NOTES

PRIOR PROVISIONS

A prior section 373 of act July 1, 1944, added by act Aug. 3, 1956, ch. 907, §1, 70 Stat. 960, which related

to a Board of Regents of National Library of Medicine, was renumbered section 383 and classified to section 277 of this title, prior to repeal by Pub. L. 99-158, §3(b), Nov. 20, 1985, 99 Stat. 879.

AMENDMENTS

1990—Pub. L. 101-616 struck out "and bone marrow registry" after "Scientific registry" in section catchline and struck out subsec. (a) designation and subsec. (b) which directed establishment of bone marrow registry and authorized appropriations for fiscal years 1989 and 1990 for such purpose.

1988—Pub. L. 100-607 inserted "and bone marrow registry" in section catchline, designated existing text as subsec. (a), and added subsec. (b).

§274b. General provisions respecting grants and contracts

(a) Application requirement

No grant may be made under this part or contract entered into under section 274 or 274a of this title unless an application therefor has been submitted to, and approved by, the Secretary. Such an application shall be in such form and shall be submitted in such manner as the Secretary shall by regulation prescribe.

(b) Special considerations and priority; planning and establishment grants

(1) A grant for planning under section 273(a)(1) of this title may be made for one year with respect to any organ procurement organization and may not exceed \$100,000.

(2) Grants under section 273(a)(2) of this title may be made for two years. No such grant may exceed \$500,000 for any year and no organ procurement organization may receive more than \$800,000 for initial operation or expansion.

(3) Grants or contracts under section 273(a)(3) of this title may be made for not more than 3 years.

(c) Determination of grant amount; terms of payment; recordkeeping; access for purposes of audits and examination of records

(1) The Secretary shall determine the amount of a grant or contract made under section 273 or 274a of this title. Payments under such grants and contracts may be made in advance on the basis of estimates or by the way of reimbursement, with necessary adjustments on account of underpayments or overpayments, and in such installments and on such terms and conditions as the Secretary finds necessary to carry out the purposes of such grants and contracts.

(2)(A) Each recipient of a grant or contract under section 273 or 274a of this title shall keep such records as the Secretary shall prescribe, including records which fully disclose the amount and disposition by such recipient of the proceeds of such grant or contract, the total cost of the undertaking in connection with which such grant or contract was made, and the amount of that portion of the cost of the undertaking supplied by other sources, and such other records as will facilitate an effective audit.

(B) The Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, shall have access for the purpose of audit and examination to any books, documents, papers, and records of the recipient of a grant or contract under section 273 or 274a of this title that are pertinent to such grant or contract.

(d) "Transplant center" and "organ" defined

For purposes of this part:

(1) The term "transplant center" means a health care facility in which transplants of organs are performed.

(2) The term "organ" means the human kidney, liver, heart, lung, pancreas, and any other human organ (other than corneas and eyes) specified by the Secretary by regulation and for purposes of section 274a of this title, such term includes bone marrow.

(July 1, 1944, ch. 373, title III, §374, as added Pub. L. 98-507, title II, §201, Oct. 19, 1984, 98 Stat. 2345; amended Pub. L. 100-607, title IV, §402(b), Nov. 4, 1988, 102 Stat. 3114; Pub. L. 101-616, title II, §203, Nov. 16, 1990, 104 Stat. 3284.)

EDITORIAL NOTES

PRIOR PROVISIONS

A prior section 374 of act July 1, 1944, added by act Aug. 3, 1956, ch. 907, §1, 70 Stat. 961, which related to acceptance and administration of gifts to National Library of Medicine and to establishment of memorials to donors, was renumbered section 384 and classified to section 278 of this title, prior to repeal by Pub. L. 99-158, §3(b), Nov. 20, 1985, 99 Stat. 879.

AMENDMENTS

1990—Subsec. (a). Pub. L. 101-616, §203(1), substituted "No grant may be made under this part" for "No grant may be made under section 273 or 274a of this title".

Subsec. (b). Pub. L. 101-616, §203(2), redesignated par. (2) as (1) and substituted "section 273(a)(1)" for "section 273", struck out former par. (1) which set forth factors in considering applications for section 273 grants, redesignated par. (3) as (2) and substituted "section 273(a)(2)" for "paragraphs (2) and (3) of section 273(a)", and added par. (3).

Subsec. (c). Pub. L. 101-616, §203(3), inserted "or contract" after "grant" wherever appearing and "and contracts" after "grants" wherever appearing.

1988—Subsec. (b)(3). Pub. L. 100-607 substituted "paragraphs (2) and (3) of section 273(a) of this title" for "section 273 of this title for the establishment, initial operation, or expansion of organ procurement organizations".

§274c. Administration

The Secretary shall designate and maintain an identifiable administrative unit in the Public Health Service to—

(1) administer this part and coordinate with the organ procurement activities under title XVIII of the Social Security Act [42 U.S.C. 1395 et seq.],

(2) conduct a program of public information to inform the public of the need for organ donations,

(3) provide technical assistance to organ procurement organizations, the Organ Procurement and Transplantation Network established under section 274 of this title, and other entities in the health care system involved in organ donations, procurement, and transplants, and

(4) provide information—

(i) to patients, their families, and their physicians about transplantation; and

(ii) to patients and their families about the resources available nationally and in each State, and the comparative costs and patient outcomes at each transplant center affiliated with the organ procurement and transplantation network, in order to assist the patients and families with the costs associated with transplantation.

(July 1, 1944, ch. 373, title III, §375, as added Pub. L. 98-507, title II, §201, Oct. 19, 1984, 98 Stat. 2346; amended Pub. L. 100-607, title IV, §405, Nov. 4, 1988, 102 Stat. 3116; Pub. L. 101-616, title II, §204, Nov. 16, 1990, 104 Stat. 3285.)

§274e. Prohibition of organ purchases

(a) Prohibition

It shall be unlawful for any person to knowingly acquire, receive, or otherwise transfer any human organ for valuable consideration for use in human transplantation if the transfer affects interstate commerce. The preceding sentence does not apply with respect to human organ paired donation.

(b) Penalties

Any person who violates subsection (a) shall be fined not more than \$50,000 or imprisoned not more than five years, or both.

(c) Definitions

For purposes of subsection (a):

(1) The term "human organ" means the human (including fetal) kidney, liver, heart, lung, pancreas, bone marrow, cornea, eye, bone, and skin or any subpart thereof and any other human organ (or any subpart thereof, including that derived from a fetus) specified by the Secretary of Health and Human Services by regulation.

(2) The term "valuable consideration" does not include the reasonable payments associated with the removal, transportation, implantation, processing, preservation, quality control, and storage of a human organ or the expenses of travel, housing, and lost wages incurred by the donor of a human organ in connection with the donation of the organ.

(3) The term "interstate commerce" has the meaning prescribed for it by section 321(b) of title 21.

(4) The term "human organ paired donation" means the donation and receipt of human organs under the following circumstances:

(A) An individual (referred to in this paragraph as the "first donor") desires to make a living donation of a human organ specifically to a particular patient (referred to in this paragraph as the "first patient"), but such donor is biologically incompatible as a donor for such patient.

(B) A second individual (referred to in this paragraph as the "second donor") desires to make a living donation of a human organ specifically to a second particular patient (referred to in this paragraph as the "second patient"), but such donor is biologically incompatible as a donor for such patient.

(C) Subject to subparagraph (D), the first donor is biologically compatible as a donor of a human organ for the second patient, and the second donor is biologically compatible as a donor of a human organ for the first patient.

(D) If there is any additional donor-patient pair as described in subparagraph (A) or (B), each donor in the group of donor-patient pairs is biologically compatible as a donor of a human organ for a patient in such group.

(E) All donors and patients in the group of donor-patient pairs (whether 2 pairs or more than 2 pairs) enter into a single agreement to donate and receive such human organs, respectively, according to such biological compatibility in the group.

(F) Other than as described in subparagraph (E), no valuable consideration is knowingly acquired, received, or otherwise transferred with respect to the human organs referred to in such subparagraph.

(Pub. L. 98–507, title III, §301, Oct. 19, 1984, 98 Stat. 2346; Pub. L. 100–607, title IV, §407, Nov. 4, 1988, 102 Stat. 3116; Pub. L. 110–144, §2, Dec. 21, 2007, 121 Stat. 1813.)

EDITORIAL NOTES

CODIFICATION

Section was enacted as part of the National Organ Transplant Act, and not as part of the Public Health Service Act which comprises this chapter.

AMENDMENTS

2007—Subsec. (a). Pub. L. 110–144, §2(1), inserted at end "The preceding sentence does not apply with respect to human organ paired donation."

Subsec. (c)(4). Pub. L. 110–144, §2(2), added par. (4).

1988—Subsec. (c)(1). Pub. L. 100–607 amended par. (1) generally. Prior to amendment, par. (1) read as follows: "The term 'human organ' means the human kidney, liver, heart, lung, pancreas, bone marrow, cornea, eye, bone, and skin, and any other human organ specified by the Secretary of Health and Human Services by regulation."

DETERMINATION ON THE DEFINITION OF HUMAN ORGAN

Pub. L. 114–104, §4, Dec. 18, 2015, 129 Stat. 2218, provided that: "Not later than one year after the date of enactment of this Act [Dec. 18, 2015], the Secretary of Health and Human Services shall issue determinations with respect to the inclusion of peripheral blood stem cells and umbilical cord blood in the definition of human organ."

NO IMPACT ON SOCIAL SECURITY TRUST FUND

Pub. L. 110–144, §4, Dec. 21, 2007, 121 Stat. 1814, provided that: "Nothing in this Act [see Short Title of 2007 Amendment note set out under section 201 of this title] (or an amendment made by this Act) shall be construed to alter or amend the Social Security Act (42 U.S.C. 301 et seq.) (or any regulation promulgated under that Act)."

§274f. Reimbursement of travel and subsistence expenses incurred toward living organ donation

(a) In general

The Secretary may award grants to States, transplant centers, qualified organ procurement organizations under section 273 of this title, or other public or private entities for the purpose of—

(1) providing for the reimbursement of travel and subsistence expenses incurred by individuals toward making living donations of their organs (in this section referred to as "donating individuals"); and

(2) providing for the reimbursement of such incidental nonmedical expenses that are so incurred as the Secretary determines by regulation to be appropriate.

(b) Preference

The Secretary shall, in carrying out subsection (a), give preference to those individuals that the Secretary determines are more likely to be otherwise unable to meet such expenses.

(c) Certain circumstances

The Secretary may, in carrying out subsection (a), consider—

(1) the term "donating individuals" as including individuals who in good faith incur qualifying expenses toward the intended donation of an organ but with respect to whom, for such reasons as the Secretary determines to be appropriate, no donation of the organ occurs; and

(2) the term "qualifying expenses" as including the expenses of having relatives or other individuals, not to exceed 2, accompany or assist the donating individual for purposes of subsection (a) (subject to making payment for only those types of expenses that are paid for a donating individual).

(d) Relationship to payments under other programs

An award may be made under subsection (a) only if the applicant involved agrees that the award will not be expended to pay the qualifying expenses of a donating individual to the extent that

payment has been made, or can reasonably be expected to be made, with respect to such expenses—

- (1) under any State compensation program, under an insurance policy, or under any Federal or State health benefits program;
- (2) by an entity that provides health services on a prepaid basis; or
- (3) by the recipient of the organ.

(e) Definitions

For purposes of this section:

- (1) The term "donating individuals" has the meaning indicated for such term in subsection (a)(1), subject to subsection (c)(1).
- (2) The term "qualifying expenses" means the expenses authorized for purposes of subsection (a), subject to subsection (c)(2).

(f) Authorization of appropriations

For the purpose of carrying out this section, there is authorized to be appropriated \$5,000,000 for each of the fiscal years 2005 through 2009.

(July 1, 1944, ch. 373, title III, §377, as added Pub. L. 101–616, title II, §206(a), Nov. 16, 1990, 104 Stat. 3285; amended Pub. L. 108–216, §3, Apr. 5, 2004, 118 Stat. 584.)

EDITORIAL NOTES

AMENDMENTS

2004—Pub. L. 108–216 amended section catchline and text generally, substituting provisions relating to reimbursement of travel and subsistence expenses incurred toward living organ donation for provisions requiring the Comptroller General to study and report on organ procurement and allocation.

§274f–1. Public awareness; studies and demonstrations

(a) Organ donation public awareness program

The Secretary shall, directly or through grants or contracts, establish a public education program in cooperation with existing national public awareness campaigns to increase awareness about organ donation and the need to provide for an adequate rate of such donations.

(b) Studies and demonstrations

The Secretary may make peer-reviewed grants to, or enter into peer-reviewed contracts with, public and nonprofit private entities for the purpose of carrying out studies and demonstration projects to increase organ donation and recovery rates, including living donation.

(c) Grants to States

(1) In general

The Secretary may make grants to States for the purpose of assisting States in carrying out organ donor awareness, public education, and outreach activities and programs designed to increase the number of organ donors within the State, including living donors.

(2) Eligibility

To be eligible to receive a grant under this subsection, a State shall—

- (A) submit an application to the Department in the form prescribed;
- (B) establish yearly benchmarks for improvement in organ donation rates in the State; and
- (C) report to the Secretary on an annual basis a description and assessment of the State's use of funds received under this subsection, accompanied by an assessment of initiatives for potential replication in other States.

(3) Use of funds

Funds received under this subsection may be used by the State, or in partnership with other

public agencies or private sector institutions, for education and awareness efforts, information dissemination, activities pertaining to the State donor registry, and other innovative donation specific initiatives, including living donation.

(d) Educational activities

The Secretary, in coordination with the Organ Procurement and Transplantation Network and other appropriate organizations, shall support the development and dissemination of educational materials to inform health care professionals and other appropriate professionals in issues surrounding organ, tissue, and eye donation including evidence-based proven methods to approach patients and their families, cultural sensitivities, and other relevant issues.

(e) Authorization of appropriations

For the purpose of carrying out this section, there are authorized to be appropriated \$15,000,000 for fiscal year 2005, and such sums as may be necessary for each of the fiscal years 2006 through 2009. Such authorization of appropriations is in addition to any other authorizations of appropriations that are available for such purpose.

(July 1, 1944, ch. 373, title III, §377A, as added Pub. L. 108–216, §4, Apr. 5, 2004, 118 Stat. 585.)

§274f–2. Grants regarding hospital organ donation coordinators

(a) Authority

(1) In general

The Secretary may award grants to qualified organ procurement organizations and hospitals under section 273 of this title to establish programs coordinating organ donation activities of eligible hospitals and qualified organ procurement organizations under section 273 of this title. Such activities shall be coordinated to increase the rate of organ donations for such hospitals.

(2) Eligible hospital

For purposes of this section, the term "eligible hospital" means a hospital that performs significant trauma care, or a hospital or consortium of hospitals that serves a population base of not fewer than 200,000 individuals.

(b) Administration of coordination program

A condition for the receipt of a grant under subsection (a) is that the applicant involved agree that the program under such subsection will be carried out jointly—

- (1) by representatives from the eligible hospital and the qualified organ procurement organization with respect to which the grant is made; and
- (2) by such other entities as the representatives referred to in paragraph (1) may designate.

(c) Requirements

Each entity receiving a grant under subsection (a) shall—

- (1) establish joint organ procurement organization and hospital designated leadership responsibility and accountability for the project;
- (2) develop mutually agreed upon overall project performance goals and outcome measures, including interim outcome targets; and
- (3) collaboratively design and implement an appropriate data collection process to provide ongoing feedback to hospital and organ procurement organization leadership on project progress and results.

(d) Rule of construction

Nothing in this section shall be construed to interfere with regulations in force on April 5, 2004.

(e) Evaluations

Within 3 years after the award of grants under this section, the Secretary shall ensure an evaluation

of programs carried out pursuant to subsection (a) in order to determine the extent to which the programs have increased the rate of organ donation for the eligible hospitals involved.

(f) Matching requirement

The Secretary may not award a grant to a qualifying organ donation entity under this section unless such entity agrees that, with respect to costs to be incurred by the entity in carrying out activities for which the grant was awarded, the entity shall contribute (directly or through donations from public or private entities) non-Federal contributions in cash or in kind, in an amount equal to not less than 30 percent of the amount of the grant awarded to such entity.

(g) Funding

For the purpose of carrying out this section, there are authorized to be appropriated \$3,000,000 for fiscal year 2005, and such sums as may be necessary for each of fiscal years 2006 through 2009.

(July 1, 1944, ch. 373, title III, §377B, as added Pub. L. 108–216, §4, Apr. 5, 2004, 118 Stat. 586.)

§274f–3. Studies relating to organ donation and the recovery, preservation, and transportation of organs

(a) Development of supportive information

The Secretary, acting through the Director of the Agency for Healthcare Research and Quality, shall develop scientific evidence in support of efforts to increase organ donation and improve the recovery, preservation, and transportation of organs.

(b) Activities

In carrying out subsection (a), the Secretary shall—

(1) conduct or support evaluation research to determine whether interventions, technologies, or other activities improve the effectiveness, efficiency, or quality of existing organ donation practice;

(2) undertake or support periodic reviews of the scientific literature to assist efforts of professional societies to ensure that the clinical practice guidelines that they develop reflect the latest scientific findings;

(3) ensure that scientific evidence of the research and other activities undertaken under this section is readily accessible by the organ procurement workforce; and

(4) work in coordination with the appropriate professional societies as well as the Organ Procurement and Transplantation Network and other organ procurement and transplantation organizations to develop evidence and promote the adoption of such proven practices.

(c) Research and dissemination

The Secretary, acting through the Director of the Agency for Healthcare Research and Quality, as appropriate, shall provide support for research and dissemination of findings, to—

(1) develop a uniform clinical vocabulary for organ recovery;

(2) apply information technology and telecommunications to support the clinical operations of organ procurement organizations;

(3) enhance the skill levels of the organ procurement workforce in undertaking quality improvement activities; and

(4) assess specific organ recovery, preservation, and transportation technologies.

(d) Authorization of appropriations

For the purpose of carrying out this section, there are authorized to be appropriated \$2,000,000 for fiscal year 2005, and such sums as may be necessary for each of fiscal years 2006 through 2009.

(July 1, 1944, ch. 373, title III, §377C, as added Pub. L. 108–216, §5, Apr. 5, 2004, 118 Stat. 587.)

§274f-4. Report relating to organ donation and the recovery, preservation, and transportation of organs

(a) In general

Not later than December 31, 2005, and every 2 years thereafter, the Secretary shall report to the appropriate committees of Congress on the activities of the Department carried out pursuant to this part, including an evaluation describing the extent to which the activities have affected the rate of organ donation and recovery.

(b) Requirements

To the extent practicable, each report submitted under subsection (a) shall—

- (1) evaluate the effectiveness of activities, identify effective activities, and disseminate such findings with respect to organ donation and recovery;
- (2) assess organ donation and recovery activities that are recently completed, ongoing, or planned; and
- (3) evaluate progress on the implementation of the plan required under subsection (c)(5).

(c) Initial report requirements

The initial report under subsection (a) shall include the following:

(1) An evaluation of the organ donation practices of organ procurement organizations, States, other countries, and other appropriate organizations including an examination across all populations, including those with low organ donation rates, of—

- (A) existing barriers to organ donation; and
- (B) the most effective donation and recovery practices.

(2) An evaluation of living donation practices and procedures. Such evaluation shall include an assessment of issues relating to informed consent and the health risks associated with living donation (including possible reduction of long-term effects).

(3) An evaluation of—

- (A) federally supported or conducted organ donation efforts and policies, as well as federally supported or conducted basic, clinical, and health services research (including research on preservation techniques and organ rejection and compatibility); and
- (B) the coordination of such efforts across relevant agencies within the Department and throughout the Federal Government.

(4) An evaluation of the costs and benefits of State donor registries, including the status of existing State donor registries, the effect of State donor registries on organ donation rates, issues relating to consent, and recommendations regarding improving the effectiveness of State donor registries in increasing overall organ donation rates.

(5) A plan to improve federally supported or conducted organ donation and recovery activities, including, when appropriate, the establishment of baselines and benchmarks to measure overall outcomes of these programs. Such plan shall provide for the ongoing coordination of federally supported or conducted organ donation and research activities.

(July 1, 1944, ch. 373, title III, §377D, as added Pub. L. 108-216, §6, Apr. 5, 2004, 118 Stat. 588.)

§274f-5. Criteria, standards, and regulations with respect to organs infected with HIV

(a) In general

Not later than 2 years after November 21, 2013, the Secretary shall develop and publish criteria for the conduct of research relating to transplantation of organs from donors infected with human immunodeficiency virus (in this section referred to as "HIV") into individuals who are infected with HIV before receiving such organ.

(b) Corresponding changes to standards and regulations applicable to research

Not later than 2 years after November 21, 2013, to the extent determined by the Secretary to be necessary to allow the conduct of research in accordance with the criteria developed under subsection (a)—

- (1) the Organ Procurement and Transplantation Network shall revise the standards of quality adopted under section 274(b)(2)(E) of this title; and
- (2) the Secretary shall revise section 121.6 of title 42, Code of Federal Regulations (or any successor regulations).

(c) Revision of standards and regulations generally

Not later than 4 years after November 21, 2013, and annually thereafter, the Secretary,¹ shall—

(1) review the results of scientific research in conjunction with the Organ Procurement and Transplantation Network to determine whether the results warrant revision of the standards of quality adopted under section 274(b)(2)(E) of this title with respect to donated organs infected with HIV and with respect to the safety of transplanting an organ with a particular strain of HIV into a recipient with a different strain of HIV;

(2) if the Secretary determines under paragraph (1) that such results warrant revision of the standards of quality adopted under section 274(b)(2)(E) of this title with respect to donated organs infected with HIV and with respect to transplanting an organ with a particular strain of HIV into a recipient with a different strain of HIV, direct the Organ Procurement and Transplantation Network to revise such standards, consistent with section 274 of this title and in a way that ensures the changes will not reduce the safety of organ transplantation; and

(3) in conjunction with any revision of such standards under paragraph (2), revise section 121.6 of title 42, Code of Federal Regulations (or any successor regulations).

(July 1, 1944, ch. 373, title III, §377E, as added Pub. L. 113–51, §2(b), Nov. 21, 2013, 127 Stat. 580.)

¹ *So in original. The comma probably should not appear.*

§274g. Authorization of appropriations

For the purpose of carrying out this part, there are authorized to be appropriated \$8,000,000 for fiscal year 1991, and such sums as may be necessary for each of the fiscal years 1992 and 1993.

(July 1, 1944, ch. 373, title III, §378, as added Pub. L. 101–616, title II, §206(a), Nov. 16, 1990, 104 Stat. 3285; amended Pub. L. 105–196, §4(1), July 16, 1998, 112 Stat. 636.)

EDITORIAL NOTES

AMENDMENTS

1998—Pub. L. 105–196 made technical amendment relating to placement of section within part H of this subchapter.

PART H–1—Stephanie Tubbs Jones Gift of Life Medal

EDITORIAL NOTES

CODIFICATION

Part was enacted as part of the Stephanie Tubbs Jones Gift of Life Medal Act of 2008, and not as part of the Public Health Service Act which comprises this chapter.

§274i. Eligibility requirements for Stephanie Tubbs Jones Gift of Life Medal

(a) In general

Subject to the provisions of this section and the availability of funds under this part, any organ donor, or the family of any organ donor, shall be eligible for a Stephanie Tubbs Jones Gift of Life Medal (hereafter in this part referred to as a "medal").

(b) Documentation

The Secretary of Health and Human Services shall direct the entity operating the Organ Procurement and Transplantation Network to—

(1) establish an application procedure requiring the relevant organ procurement organization through which an individual or family of the individual made an organ donation, to submit to such entity documentation supporting the eligibility of the individual or the family, respectively, to receive a medal;

(2) determine through the documentation provided and, if necessary, independent investigation whether the individual or family, respectively, is eligible to receive such a medal; and

(3) arrange for the presentation to the relevant organ procurement organization all medals struck pursuant to section 274i–2 of this title to individuals or families that are determined to be eligible to receive medals.

(c) Limitation

(1) In general

Except as provided in paragraph (2), only 1 medal may be presented to a family under subsection (b). Such medal shall be presented to the donating family member, or in the case of a deceased donor, the family member who signed the consent form authorizing, or who otherwise authorized, the donation of the organ involved.

(2) Exception

In the case of a family in which more than 1 member is an organ donor, a medal may be presented for each such organ donor.

(Pub. L. 110–413, §2, Oct. 14, 2008, 122 Stat. 4338.)

§274i–1. Solicitation of donations; prohibition on use of Federal funds

(a) In general

The Organ Procurement and Transplantation Network may collect funds to offset expenditures relating to the issuance of medals authorized under this part.

(b) Payment of funds

(1) In general

Except as provided in paragraph (2), all funds received by the Organ Procurement and Transplantation Network under subsection (a) shall be promptly paid by the Organ Procurement and Transplantation Network to the Secretary of Health and Human Services for purposes of purchasing medals under this part for distribution and paying the administrative costs of the Secretary of Health and Human Services and the Secretary of the Treasury in carrying out this part.

(2) Limitation

Not more than 7 percent of any funds received under subsection (a) may be used to pay administrative costs, and fundraising costs to solicit funds under subsection (a), incurred by the Organ Procurement and Transplantation Network in carrying out this part.

(c) Prohibition on use of Federal funds

No Federal funds (including amounts appropriated for use by the Organ Procurement and Transplantation Network) may be used for purposes of carrying out this part, including purchasing medals under this part or paying the administrative costs of the Secretary of Health and Human Services or the Secretary of the Treasury in carrying out this part.

(Pub. L. 110–413, §3, Oct. 14, 2008, 122 Stat. 4339.)

§274i–2. Design and production of medal

(a) In general

Subject to the provisions of this section, the Secretary of the Treasury shall design and strike the Stephanie Tubbs Jones Gift of Life Medals, each of which shall—

- (1) weigh 250 grams;
- (2) have a diameter of 3 inches; and
- (3) consist of bronze.

(b) Design

(1) In general

The design of the medals shall commemorate the compassion and courage manifested by and the sacrifices made by organ donors and their families, and the medals shall bear suitable emblems, devices, and inscriptions.

(2) Selection

The design of medals struck under this section shall be—

(A) selected by the Secretary of the Treasury, in consultation with the Secretary of Health and Human Services, the Organ Procurement and Transplantation Network, interested members of the family of Stephanie Tubbs Jones, Dr. William H. Frist, and the Commission of Fine Arts; and

(B) reviewed by the Citizens Coin Advisory Committee.

(c) National medals

The medals struck pursuant to this section are national medals for purposes of chapter 51 of title 31.

(d) Striking and delivery of minimum-sized lots

The Secretary of the Treasury shall strike and deliver to the Secretary of Health and Human Services no fewer than 100 medals at any time pursuant to an order by such Secretary.

(e) Cost of medals

Medals struck under this section and sold to the Secretary of Health and Human Services for distribution in accordance with this part shall be sold to the Secretary of Health and Human Services at a price sufficient to cover the cost of designing and striking the medals, including labor, materials, dies, use of machinery, and overhead expenses.

(f) No expenditures in advance of receipt of fund

(1) In general

The Secretary of the Treasury shall not strike or distribute any medals under this part until such time as the Secretary of Health and Human Services certifies that sufficient funds have been received by such Secretary to cover the cost of the medals ordered.

(2) Design in advance of order

Notwithstanding paragraph (1), the Secretary of the Treasury may begin designing the medal at any time after October 14, 2008, and take such other action as may be necessary to be prepared to strike such medals upon receiving the certification described in such paragraph, including preparing dies and striking test pieces.

(Pub. L. 110–413, §4, Oct. 14, 2008, 122 Stat. 4339.)

§274i–3. Medals not treated as valuable consideration

A medal under this part shall not be treated as valuable consideration for purposes of section 274e(a) of this title.

(Pub. L. 110–413, §5, Oct. 14, 2008, 122 Stat. 4340.)

§274i–4. Definitions

For purposes of this part:

(1) Organ

The term "organ" has the meaning given such term in section 121.2 of title 42, Code of Federal Regulations.

(2) Organ procurement organization

The term "organ procurement organization" means a qualified organ procurement organization described in section 273(b)(1) of this title.

(3) Organ Procurement and Transplantation Network

The term "Organ Procurement and ¹ Transplantation Network" means the Organ Procurement and Transplantation Network established under section 274 of this title.

(Pub. L. 110–413, §6, Oct. 14, 2008, 122 Stat. 4340.)

¹ So in original. Probably should be "Procurement and".

CODIFICATION

Pub. L. 109–129, §3(e), Dec. 20, 2005, 119 Stat. 2562, substituted "C.W. Bill Young Cell Transplantation Program" for "National Bone Marrow Donor Registry" in part heading.

Pub. L. 101–616, title I, §101(a)(2), Nov. 16, 1990, 104 Stat. 3279, added part I "National Bone Marrow Donor Registry" and redesignated former part I "Biomedical Ethics" as J.

Pub. L. 99–158, §3(b), 11, Nov. 20, 1985, 99 Stat. 879, 883, added part I "Biomedical Ethics", and repealed former part I "National Library of Medicine".

Pub. L. 91–212, §10(a)(2), Mar. 13, 1970, 84 Stat. 66, redesignated part H "National Library of Medicine", as I. Former part I "Assistance to Medical Libraries" redesignated J.

§274k. National Program

(a) Establishment

The Secretary, acting through the Administrator of the Health Resources and Services Administration, shall by one or more contracts establish and maintain a C.W. Bill Young Cell Transplantation Program (referred to in this section as the "Program"), successor to the National Bone Marrow Donor Registry, that has the purpose of increasing the number of transplants for recipients suitably matched to biologically unrelated donors of bone marrow and cord blood, and that meets the requirements of this section. The Secretary may award a separate contract to perform each

of the major functions of the Program described in paragraphs (1) and (2) of subsection (d) if deemed necessary by the Secretary to operate an effective and efficient system that is in the best interest of patients. The Secretary shall conduct a separate competition for the initial establishment of the cord blood functions of the Program. The Program shall be under the general supervision of the Secretary. The Secretary shall establish an Advisory Council to advise, assist, consult with, and make recommendations to the Secretary on matters related to the activities carried out by the Program. The members of the Advisory Council shall be appointed in accordance with the following:

(1) Each member of the Advisory Council shall serve for a term of 2 years, and each such member may serve as many as 3 consecutive 2-year terms, except that—

(A) such limitations shall not apply to the Chair of the Advisory Council (or the Chair-elect) or to the member of the Advisory Council who most recently served as the Chair; and

(B) one additional consecutive 2-year term may be served by any member of the Advisory Council who has no employment, governance, or financial affiliation with any donor center, recruitment organization, transplant center, or cord blood bank.

(2) A member of the Advisory Council may continue to serve after the expiration of the term of such member until a successor is appointed.

(3) In order to ensure the continuity of the Advisory Council, the Advisory Council shall be appointed so that each year the terms of approximately one-third of the members of the Advisory Council expire.

(4) The membership of the Advisory Council—

(A) shall include as voting members a balanced number of representatives including representatives of marrow donor centers and marrow transplant centers, representatives of cord blood banks and participating birthing hospitals, recipients of a bone marrow transplant, recipients of a cord blood transplant, persons who require such transplants, family members of such a recipient or family members of a patient who has requested the assistance of the Program in searching for an unrelated donor of bone marrow or cord blood, persons with expertise in bone marrow and cord blood transplantation, persons with expertise in typing, matching, and transplant outcome data analysis, persons with expertise in the social sciences, basic scientists with expertise in the biology of adult stem cells, and members of the general public; and

(B) shall include as nonvoting members representatives from the Department of Defense Marrow Donor Recruitment and Research Program operated by the Department of the Navy, the Division of Transplantation of the Health Resources and Services Administration, the Food and Drug Administration, and the National Institutes of Health.

(5) Members of the Advisory Council shall be chosen so as to ensure objectivity and balance and reduce the potential for conflicts of interest. The Secretary shall establish bylaws and procedures—

(A) to prohibit any member of the Advisory Council who has an employment, governance, or financial affiliation with a donor center, recruitment organization, transplant center, or cord blood bank from participating in any decision that materially affects the center, recruitment organization, transplant center, or cord blood bank; and

(B) to limit the number of members of the Advisory Council with any such affiliation.

(6) The Secretary, acting through the Administrator of the Health Resources and Services Administration, shall submit to Congress an annual report on the activities carried out under this section.

(7) The Secretary shall convene the Advisory Council at least two times each calendar year.

(b) Accreditation

The Secretary shall, through a public process, recognize one or more accreditation entities for the accreditation of cord blood banks.

(c) Informed consent

The Secretary shall, through a public process, examine issues of informed consent, including—

- (1) the appropriate timing of such consent; and
- (2) the information provided to the maternal donor regarding all of her medically appropriate cord blood options.

Based on such examination, the Secretary shall require that the standards used by the accreditation entities recognized under subsection (b) ensure that a cord blood unit is acquired with the informed consent of the maternal donor.

(d) Functions

(1) Bone marrow functions

With respect to bone marrow, the Program shall—

(A) operate a system for identifying, matching, and facilitating the distribution of bone marrow that is suitably matched to candidate patients;

(B) consistent with paragraph (3), permit transplant physicians, other appropriate health care professionals, and patients to search by means of electronic access all available bone marrow donors listed in the Program;

(C) carry out a program for the recruitment of bone marrow donors in accordance with subsection (e), including with respect to increasing the representation of racial and ethnic minority groups (including persons of mixed ancestry) in the enrollment of the Program;

(D) maintain and expand medical contingency response capabilities, in coordination with Federal programs, to prepare for and respond effectively to biological, chemical, or radiological attacks, and other public health emergencies that can damage marrow, so that the capability of supporting patients with marrow damage from disease can be used to support casualties with marrow damage;

(E) carry out informational and educational activities in accordance with subsection (e);

(F) at least annually update information to account for changes in the status of individuals as potential donors of bone marrow;

(G) provide for a system of patient advocacy through the office established under subsection (h);

(H) provide case management services for any potential donor of bone marrow to whom the Program has provided a notice that the potential donor may be suitably matched to a particular patient through the office established under subsection (h);

(I) with respect to searches for unrelated donors of bone marrow that are conducted through the system under subparagraph (A), collect, analyze, and publish data in a standardized electronic format on the number and percentage of patients at each of the various stages of the search process, including data regarding the furthest stage reached, the number and percentage of patients who are unable to complete the search process, and the reasons underlying such circumstances;

(J) support studies and demonstration and outreach projects for the purpose of increasing the number of individuals who are willing to be marrow donors to ensure a genetically diverse donor pool; and

(K) facilitate research with the appropriate Federal agencies to improve the availability, efficiency, safety, and cost of transplants from unrelated donors and the effectiveness of Program operations.

(2) Cord blood functions

(A) In general

With respect to cord blood, the Program shall—

(i) operate a system for identifying, matching, and facilitating the distribution of donated cord blood units that are suitably matched to candidate patients and meet all applicable Federal and State regulations (including informed consent and Food and Drug Administration regulations) from a qualified cord blood bank;

(ii) consistent with paragraph (3), allow transplant physicians, other appropriate health care professionals, and patients to search by means of electronic access all available cord blood units made available through the Program;

(iii) allow transplant physicians and other appropriate health care professionals to reserve, as defined by the Secretary, a cord blood unit for transplantation;

(iv) support and expand new and existing studies and demonstration and outreach projects for the purpose of increasing cord blood unit donation and collection from a genetically diverse population and expanding the number of cord blood unit collection sites partnering with cord blood banks receiving a contract under the National Cord Blood Inventory program under section 2 of the Stem Cell Therapeutic and Research Act of 2005, including such studies and projects that focus on—

(I) remote collection of cord blood units, consistent with the requirements under the Program and the National Cord Blood Inventory program goal described in section 2(a) of the Stem Cell Therapeutic and Research Act of 2005; and

(II) exploring novel approaches or incentives to encourage innovative technological advances that could be used to collect cord blood units, consistent with the requirements under the Program and such National Cord Blood Inventory program goal;

(v) provide for a system of patient advocacy through the office established under subsection (h);

(vi) coordinate with the qualified cord blood banks to support informational and educational activities in accordance with subsection (g);

(vii) maintain and expand medical contingency response capabilities, in coordination with Federal programs, to prepare for and respond effectively to biological, chemical, or radiological attacks, and other public health emergencies that can damage marrow, so that the capability of supporting patients with marrow damage from disease can be used to support casualties with marrow damage; and

(viii) with respect to the system under subparagraph (A), collect, analyze, and publish data in a standardized electronic format, as required by the Secretary, on the number and percentage of patients at each of the various stages of the search process, including data regarding the furthest stage reached, the number and percentage of patients who are unable to complete the search process, and the reasons underlying such circumstances.

(B) Efforts to increase collection of high quality cord blood units

In carrying out subparagraph (A)(iv), not later than 1 year after October 8, 2010, and annually thereafter, the Secretary shall set an annual goal of increasing collections of high quality cord blood units, including remote collection, consistent with the inventory goal described in section 2(a) of the Stem Cell Therapeutic and Research Act of 2005 (referred to in this subparagraph as the "inventory goal"), and shall identify at least one project under subparagraph (A)(iv) to replicate and expand nationwide, as appropriate.

(C) Definition

In this paragraph, the term "remote collection" means the collection of cord blood units at locations that do not have written contracts with cord blood banks for collection support.

(3) Single point of access; standard data

(A) Single point of access

The Secretary shall ensure that health care professionals and patients are able to search electronically for and facilitate access to, in the manner and to the extent defined by the Secretary and consistent with the functions described in paragraphs (1)(A) and (2)(A)(i), cells from bone marrow donors and cord blood units through a single point of access.

(B) Standard data

The Secretary shall require all recipients of contracts under this section to make available a

standard dataset for purposes of subparagraph (A) in a standardized electronic format that enables transplant physicians to compare among and between bone marrow donors and cord blood units to ensure the best possible match for the patient.

(4) Definition

The term "qualified cord blood bank" means a cord blood bank that—

(A) has obtained all applicable Federal and State licenses, certifications, registrations (including pursuant to the regulations of the Food and Drug Administration), and other authorizations required to operate and maintain a cord blood bank;

(B) has implemented donor screening, cord blood collection practices, and processing methods intended to protect the health and safety of donors and transplant recipients to improve transplant outcomes, including with respect to the transmission of potentially harmful infections and other diseases;

(C) is accredited by an accreditation entity recognized by the Secretary under subsection (b);

(D) has established a system of strict confidentiality to protect the identity and privacy of patients and donors in accordance with existing Federal and State law;

(E) has established a system for encouraging donation by a genetically diverse group of donors; and

(F) has established a system to confidentially maintain linkage between a cord blood unit and a maternal donor.

(e) Bone marrow recruitment; priorities; information and education

(1) Recruitment; priorities

The Program shall carry out activities for the recruitment of bone marrow donors. Such recruitment program shall identify populations that are underrepresented among potential donors enrolled with the Program. In the case of populations that are identified under the preceding sentence:

(A) The Program shall give priority to carrying out activities under this part to increase representation for such populations in order to enable a member of such a population, to the extent practicable, to have a probability of finding a suitable unrelated donor that is comparable to the probability that an individual who is not a member of an underrepresented population would have.

(B) The Program shall consider racial and ethnic minority groups (including persons of mixed ancestry) to be populations that have been identified for purposes of this paragraph, and shall carry out subparagraph (A) with respect to such populations.

(2) Information and education regarding recruitment; testing and enrollment

(A) In general

The Program shall carry out informational and educational activities, in coordination with organ donation public awareness campaigns operated through the Department of Health and Human Services, for purposes of recruiting individuals to serve as donors of bone marrow, and shall test and enroll with the Program potential bone marrow donors. Such information and educational activities shall include the following:

(i) Making information available to the general public, including information describing the needs of patients with respect to donors of bone marrow.

(ii) Educating and providing information to individuals who are willing to serve as potential bone marrow donors.

(iii) Training individuals in requesting individuals to serve as potential bone marrow donors.

(B) Priorities

In carrying out informational and educational activities under subparagraph (A), the Program shall give priority to recruiting individuals to serve as donors of bone marrow for populations that are identified under paragraph (1).

(3) Transplantation as treatment option

In addition to activities regarding recruitment, the recruitment program under paragraph (1) shall provide information to physicians, other health care professionals, and the public regarding bone marrow transplants from unrelated donors as a treatment option.

(4) Implementation of subsection

The requirements of this subsection shall be carried out by the entity that has been awarded a contract by the Secretary under subsection (a) to carry out the functions described in subsection (d)(1).

(f) Bone marrow criteria, standards, and procedures

The Secretary shall enforce, for participating entities, including the Program, individual marrow donor centers, marrow donor registries, marrow collection centers, and marrow transplant centers—

(1) quality standards and standards for tissue typing, obtaining the informed consent of donors, and providing patient advocacy;

(2) donor selection criteria, based on established medical criteria, to protect both the donor and the recipient and to prevent the transmission of potentially harmful infectious diseases such as the viruses that cause hepatitis and the etiologic agent for Acquired Immune Deficiency Syndrome;

(3) procedures to ensure the proper collection and transportation of the marrow;

(4) standards for the system for patient advocacy operated under subsection (h), including standards requiring the provision of appropriate information (at the start of the search process and throughout the process) to patients and their families and physicians;

(5) standards that—

(A) require the establishment of a system of strict confidentiality to protect the identity and privacy of patients and donors in accordance with Federal and State law; and

(B) prescribe the purposes for which the records described in subparagraph (A) may be disclosed, and the circumstances and extent of the disclosure; and

(6) in the case of a marrow donor center or marrow donor registry participating in the program, procedures to ensure the establishment of a method for integrating donor files, searches, and general procedures of the center or registry with the Program.

(g) Cord blood recruitment; priorities; information and education

(1) Recruitment; priorities

The Program shall support activities, in cooperation with qualified cord blood banks, for the recruitment of cord blood donors. Such recruitment program shall identify populations that are underrepresented among cord blood donors. In the case of populations that are identified under the preceding sentence:

(A) The Program shall give priority to supporting activities under this part to increase representation for such populations in order to enable a member of such a population, to the extent practicable, to have a probability of finding a suitable cord blood unit that is comparable to the probability that an individual who is not a member of an underrepresented population would have.

(B) The Program shall consider racial and ethnic minority groups (including persons of mixed ancestry) to be populations that have been identified for purposes of this paragraph, and shall support activities under subparagraph (A) with respect to such populations.

(2) Information and education regarding recruitment; testing and donation

(A) In general

In carrying out the recruitment program under paragraph (1), the Program shall support informational and educational activities in coordination with qualified cord blood banks and organ donation public awareness campaigns operated through the Department of Health and Human Services, for purposes of recruiting pregnant women to serve as donors of cord blood. Such information and educational activities shall include the following:

- (i) Making information available to the general public, including information describing the needs of patients with respect to cord blood units.
- (ii) Educating and providing information to pregnant women who are willing to donate cord blood units.
- (iii) Training individuals in requesting pregnant women to serve as cord blood donors.

(B) Priorities

In carrying out informational and educational activities under subparagraph (A), the Program shall give priority to supporting the recruitment of pregnant women to serve as donors of cord blood for populations that are identified under paragraph (1).

(3) Transplantation as treatment option

In addition to activities regarding recruitment, the recruitment program under paragraph (1) shall provide information to physicians, other health care professionals, and the public regarding cord blood transplants from donors as a treatment option.

(4) Implementation of subsection

The requirements of this subsection shall be carried out by the entity that has been awarded a contract by the Secretary under subsection (a) to carry out the functions described in subsection (d)(2).

(h) Patient advocacy and case management for bone marrow and cord blood

(1) In general

The Secretary shall establish and maintain, through a contract or other means determined appropriate by the Secretary, an office of patient advocacy (in this subsection referred to as the "Office").

(2) General functions

The Office shall meet the following requirements:

- (A) The Office shall be headed by a director.
- (B) The Office shall be staffed by individuals with expertise in bone marrow and cord blood therapy covered under the Program.
- (C) The Office shall operate a system for patient advocacy, which shall be separate from mechanisms for donor advocacy, and which shall serve patients for whom the Program is conducting, or has been requested to conduct, a search for a bone marrow donor or cord blood unit.
- (D) In the case of such a patient, the Office shall serve as an advocate for the patient by directly providing to the patient (or family members, physicians, or other individuals acting on behalf of the patient) individualized services with respect to efficiently utilizing the system under paragraphs (1) and (2) of subsection (d) to conduct an ongoing search for a bone marrow donor or cord blood unit and assist with information regarding third party payor matters.
- (E) In carrying out subparagraph (D), the Office shall monitor the system under paragraphs (1) and (2) of subsection (d) to determine whether the search needs of the patient involved are being met, including with respect to the following:
 - (i) Periodically providing to the patient (or an individual acting on behalf of the patient) information regarding bone marrow donors or cord blood units that are suitably matched to the patient, and other information regarding the progress being made in the search.
 - (ii) Informing the patient (or such other individual) if the search has been interrupted or discontinued.
 - (iii) Identifying and resolving problems in the search, to the extent practicable.
- (F) The Office shall ensure that the following data are made available to patients:
 - (i) The resources available through the Program.
 - (ii) A comparison of transplant centers regarding search and other costs that prior to transplantation are charged to patients by transplant centers.

- (iii) The post-transplant outcomes for individual transplant centers.
- (iv) Information concerning issues that patients may face after a transplant.
- (v) Such other information as the Program determines to be appropriate.

(G) The Office shall conduct surveys of patients (or family members, physicians, or other individuals acting on behalf of patients) to determine the extent of satisfaction with the system for patient advocacy under this subsection, and to identify ways in which the system can be improved to best meet the needs of patients.

(3) Case management

(A) In general

In serving as an advocate for a patient under paragraph (2), the Office shall provide individualized case management services directly to the patient (or family members, physicians, or other individuals acting on behalf of the patient), including—

- (i) individualized case assessment; and
- (ii) the functions described in paragraph (2)(D) (relating to progress in the search process).

(B) Postsearch functions

In addition to the case management services described in paragraph (1) for patients, the Office shall, on behalf of patients who have completed the search for a bone marrow donor or cord blood unit, provide information and education on the process of receiving a transplant, including the post-transplant process.

(i) Comment procedures

The Secretary shall establish and provide information to the public on procedures under which the Secretary shall receive and consider comments from interested persons relating to the manner in which the Program is carrying out the duties of the Program. The Secretary may promulgate regulations under this section.

(j) Consultation

In developing policies affecting the Program, the Secretary shall consult with the Advisory Council, the Department of Defense Marrow Donor Recruitment and Research Program operated by the Department of the Navy, and the board of directors of each entity awarded a contract under this section.

(k) Contracts

(1) Application

To be eligible to enter into a contract under this section, an entity shall submit to the Secretary and obtain approval of an application at such time, in such manner, and containing such information as the Secretary shall by regulation prescribe.

(2) Considerations

In awarding contracts under this section, the Secretary shall give consideration to the continued safety of donors and patients and other factors deemed appropriate by the Secretary.

(l) Eligibility

Entities eligible to receive a contract under this section shall include private nonprofit entities.

(m) Records

(1) Recordkeeping

Each recipient of a contract or subcontract under subsection (a) shall keep such records as the Secretary shall prescribe, including records that fully disclose the amount and disposition by the recipient of the proceeds of the contract, the total cost of the undertaking in connection with which the contract was made, and the amount of the portion of the cost of the undertaking supplied by other sources, and such other records as will facilitate an effective audit.

(2) Examination of records

The Secretary and the Comptroller General of the United States shall have access to any books, documents, papers, and records of the recipient of a contract or subcontract entered into under this section that are pertinent to the contract, for the purpose of conducting audits and examinations.

(n) Penalties for disclosure

Any person who discloses the content of any record referred to in subsection (d)(4)(D) or (f)(5)(A) without the prior written consent of the donor or potential donor with respect to whom the record is maintained, or in violation of the standards described in subsection (f)(5)(B), shall be imprisoned for not more than 2 years or fined in accordance with title 18, or both.

(o) Periodic review of state of science

(1) Review

Not less frequently than every 2 years, the Secretary, in consultation with the Director of the National Institutes of Health, the Commissioner of Food and Drugs, the Administrator of the Health Resources and Services Administration, the Advisory Council, and other stakeholders, where appropriate given relevant expertise, shall conduct a review of the state of the science of using adult stem cells and birthing tissues to develop new types of therapies for patients, for the purpose of considering the potential inclusion of such new types of therapies in the Program.

(2) Recommendations

Not later than June 30, 2025, the Secretary shall—

(A) complete the second review required by paragraph (1); and

(B) informed by such review, submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives recommendations on the appropriateness of the inclusion of new types of therapies in the Program.

EDITORIAL NOTES

REFERENCES IN TEXT

Section 2 of the Stem Cell Therapeutic and Research Act of 2005, referred to in subsec. (d)(2)(A)(iv), (B), is section 2 of Pub. L. 109–129, Dec. 20, 2005, 119 Stat. 2550, which is set out as a note under this section.

AMENDMENTS

2021—Subsec. (a)(7). Pub. L. 117–15, §2(a), added par. (7).

Subsec. (d)(2)(B). Pub. L. 117–15, §2(b)(2), struck out at end "If the Secretary cannot identify a project as described in the preceding sentence, the Secretary shall submit a plan, not later than 180 days after the date on which the Secretary was required to identify such a project, to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives for expanding collection of high quality cord blood units, consistent with the requirements under the National Cord Blood Inventory program under section 2 of the Stem Cell Therapeutic and Research Act of 2005 and the inventory goal. Each such plan shall be made available to the public."

Pub. L. 117–15, §2(b)(1), made technical amendment to directory language of Pub. L. 114–104, §2(a)(2). See 2015 Amendment note below.

Subsec. (o). Pub. L. 117–15, §2(c), added subsec. (o).

2015—Subsec. (d)(2)(B). Pub. L. 114–104, §2(a)(2), as amended by Pub. L. 117–15, §2(b)(1), inserted "including remote collection," after "goal of increasing collections of high quality cord blood units,".

Pub. L. 114–104, §2(a)(1), substituted "expanding collection" for "expanding remote collection".

2010—Subsec. (a)(6). Pub. L. 111–264, §2(b)(1), added par. (6) and struck out former par. (6) which read

as follows: "The Secretary, acting through the Advisory Council, shall submit to the Congress—

"(A) an annual report on the activities carried out under this section; and

"(B) not later than 6 months after December 20, 2005, a report of recommendations on the scientific factors necessary to define a cord blood unit as a high-quality unit."

Subsec. (d)(2). Pub. L. 111–264, §2(b)(2)(A), designated existing provisions as subpar. (A), inserted heading, redesignated former subpars. (A) to (H) as cls. (i) to (viii), respectively, of subpar. (A), added cl. (iv) and struck out former cl. (iv) which related to studies and demonstration and outreach projects for the purpose of increasing cord blood donation, and added subpars. (B) and (C).

Subsec. (d)(3)(A). Pub. L. 111–264, §2(b)(2)(B), substituted "(2)(A)(i)" for "(2)(A)".

Subsec. (f)(5)(A). Pub. L. 111–264, §2(b)(3), added subpar. (A) and struck out former subpar. (A) which read as follows: "require the establishment of a system of strict confidentiality of records relating to the identity, address, HLA type, and managing marrow donor center for marrow donors and potential marrow donors; and".

2005—Pub. L. 109–129 amended section generally, substituting provisions relating to the C.W. Bill Young Cell Transplantation Program for provisions relating to the National Bone Marrow Donor Registry.

1998—Subsec. (a). Pub. L. 105–196, §2(a), substituted "(referred to in this part as the 'Registry') that has the purpose of increasing the number of transplants for recipients suitably matched to biologically unrelated donors of bone marrow, and that meets" for "(referred to in this part as the 'Registry') that meets" and substituted "under the direction of a board of directors meeting the following requirements:" and pars. (1) to (4) for "under the direction of a board of directors that shall include representatives of marrow donor centers, marrow transplant centers, persons with expertise in the social science, and the general public."

Subsec. (b)(2) to (8). Pub. L. 105–196, §2(b)(1), added pars. (2) to (7), redesignated former par. (7) as (8), and struck out former pars. (2) to (6) which read as follows:

"(2) establish a system for patient advocacy, separate from mechanisms for donor advocacy, that directly assists patients, their families, and their physicians in the search for an unrelated marrow donor;

"(3) increase the representation of individuals from racial and ethnic minority groups in the pool of potential donors for the Registry in order to enable an individual in a minority group, to the extent practicable, to have a comparable chance of finding a suitable unrelated donor as would an individual not in a minority group;

"(4) provide information to physicians, other health care professionals, and the public regarding bone marrow transplantation;

"(5) recruit potential bone marrow donors;

"(6) collect, analyze, and publish data concerning bone marrow donation and transplantation; and"

Subsecs. (c), (d). Pub. L. 105–196, §2(c), (d), added subsecs. (c) and (d). Former subsecs. (c) and (d) redesignated (e) and (f), respectively.

Subsec. (e). Pub. L. 105–196, §2(c), redesignated subsec. (c) as (e). Former subsec. (e) redesignated (g).

Subsec. (e)(4). Pub. L. 105–196, §2(e), added par. (4) and struck out former par. (4) which read as follows: "standards that require the provision of information to patients, their families, and their physicians at the start of the search process concerning—

"(A) the resources available through the Registry;

"(B) all other marrow donor registries meeting the standards described in this paragraph; and

"(C) in the case of the Registry—

"(i) the comparative costs of all charges by marrow transplant centers incurred by patients prior to transplantation; and

"(ii) the success rates of individual marrow transplant centers;"

Subsec. (f). Pub. L. 105–196, §2(c), (g)(1), redesignated subsec. (d) as (f) and substituted "subsection (e)" for "subsection (c)". Former subsec. (f) redesignated (h).

Subsecs. (g) to (i). Pub. L. 105–196, §2(c), redesignated subsecs. (e) to (g) as (g) to (i), respectively. Former subsecs. (h) and (i) redesignated (j) and (k), respectively.

Subsec. (j). Pub. L. 105–196, §2(c), redesignated subsec. (h) as (j) and struck out heading and text of former subsec. (j). Text read as follows: "There are authorized to be appropriated to carry out this section \$15,000,000 for fiscal year 1991 and such sums as may be necessary for each of fiscal years 1992 and 1993."

Subsec. (k). Pub. L. 105–196, §2(c), (g)(2), redesignated subsec. (i) as (k) and substituted "subsection (e)(5)(A)" for "subsection (c)(5)(A)" and "subsection (e)(5)(B)" for "subsection (c)(5)(B)".

Subsec. (l). Pub. L. 105–196, §2(f), added subsec. (l).

EFFECTIVE DATE OF 2021 AMENDMENT

Pub. L. 117–15, §2(b)(1), May 26, 2021, 135 Stat. 277, provided that the amendment made by section 2(b)(1) is effective as if included in the enactment of the Stem Cell Therapeutic and Research Reauthorization Act of 2015 (Pub. L. 114–104).

EFFECTIVE DATE OF 1998 AMENDMENT

Pub. L. 105–196, §7, July 16, 1998, 112 Stat. 637, provided that: "This Act [see Short Title of 1998 Amendment note set out under section 201 of this title] takes effect October 1, 1998, or upon the date of the enactment of this Act [July 16, 1998], whichever occurs later."

SAVINGS PROVISION

Pub. L. 101–616, title I, §102, Nov. 16, 1990, 104 Stat. 3282, provided that:

"(a) IN GENERAL.—This title [enacting this section and section 274l of this title and amending section 274a of this title], and the amendments made by this title, shall not affect any legal document, including any order, regulation, grant, or contract, in effect on the date of enactment of this Act [Nov. 16, 1990], or any administrative proceeding or lawsuit pending on the date, that relates to the bone marrow registry established under section 373(b) of the Public Health Service Act [42 U.S.C. 274a(b)] (as it existed before the amendment made by section 101(b) of this Act).

"(b) CONTINUED EFFECT.—A legal document described in subsection (a) or an order issued in a lawsuit described in subsection (a) shall continue in effect until modified, terminated, or revoked.

"(c) PROCEEDINGS.—In any administrative proceeding or lawsuit described in subsection (a), parties shall take appeals, and officials shall hold proceedings and render judgments, in the same manner and with the same effect as if this title had not been enacted."

CORD BLOOD INVENTORY

Pub. L. 109–129, §2, Dec. 20, 2005, 119 Stat. 2550, as amended by Pub. L. 111–264, §2(a), Oct. 8, 2010, 124 Stat. 2789; Pub. L. 114–104, §3, Dec. 18, 2015, 129 Stat. 2217; Pub. L. 117–15, §3, May 26, 2021, 135 Stat. 278, provided that:

"(a) IN GENERAL.—The Secretary of Health and Human Services shall enter into contracts with qualified cord blood banks to assist in the collection and maintenance of the inventory goal of at least 150,000 new units of high-quality cord blood to be made available for transplantation through the C.W. Bill Young Cell Transplantation Program and to carry out the requirements of subsection (b).

"(b) REQUIREMENTS.—The Secretary shall require each recipient of a contract under this section—

"(1) to acquire, tissue-type, test, cryopreserve, and store donated units of cord blood acquired with the informed consent of the donor, as determined by the Secretary pursuant to section 379(c) of the Public Health Service Act [42 U.S.C. 274k(c)], in a manner that complies with applicable Federal and State regulations;

"(2) to encourage donation from a genetically diverse population;

"(3) to make cord blood units that are collected pursuant to this section or otherwise and meet all applicable Federal standards available to transplant centers for transplantation;

"(4) to make cord blood units that are collected, but not appropriate for clinical use, available for peer-reviewed research;

"(5) to make data available, as required by the Secretary and consistent with section 379(d)(3) of the Public Health Service Act (42 U.S.C. 274k(d)(3)), as amended by this Act, in a standardized electronic format, as determined by the Secretary, for the C.W. Bill Young Cell Transplantation Program; and

"(6) to submit data in a standardized electronic format for inclusion in the stem cell therapeutic outcomes database maintained under section 379A of the Public Health Service Act [42 U.S.C. 274l], as amended by this Act.

"(c) APPLICATION.—To seek to enter into a contract under this section, a qualified cord blood bank shall submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may reasonably require. At a minimum, an application for a contract under this section shall include a requirement that the applicant—

"(1) will participate in the C.W. Bill Young Cell Transplantation Program for a period of at least 10 years beginning on the last date on which the recipient of a contract under this section receives Federal funds under this section;

"(2) will make cord blood units collected pursuant to this section available through the C.W. Bill Young Cell Transplantation Program in perpetuity or for such time as determined viable by the Secretary;

"(3) will provide a plan to increase cord blood unit collections at collection sites that exist at the time of application, assist with the establishment of new collection sites, or contract with new collection sites;

"(4) will annually provide to the Secretary a plan for, and demonstrate, ongoing measurable progress toward achieving self-sufficiency of cord blood unit collection and banking operations; and

"(5) if the Secretary determines through an assessment, or through petition by the applicant, that a cord blood bank is no longer operational or does not meet the requirements of section 379(d)(4) of the Public Health Service Act [42 U.S.C. 274k(d)(4)] (as added by this Act) and as a result may not distribute the units, transfer the units collected pursuant to this section to another qualified cord blood bank approved by the Secretary to ensure continued availability of cord blood units.

"(d) DURATION OF CONTRACTS.—

"(1) IN GENERAL.—Except as provided in paragraph (2), the term of each contract entered into by the Secretary under this section shall be for a period of at least 10 years beginning on the last date on which the recipient of a contract under this section receives Federal funds under this section. The Secretary shall ensure that no Federal funds shall be obligated under any such contract after the date that is 5 years after the date on which the contract is entered into, except as provided in paragraphs (2), (3), and (4).

"(2) EXTENSIONS.—The Secretary may extend the period of funding under a contract under this section to exceed a period of 5 years if—

"(A) the Secretary finds that the inventory goal described in subsection (a) has not yet been met;

"(B) the Secretary does not receive an application for a contract under this section meeting the requirements under subsection (c) from any qualified cord blood bank that has not previously entered into a contract under this section; or

"(C) the Secretary determines that the outstanding inventory need cannot be met by the qualified cord blood banks under contract under this section.

"(3) EXTENSION ELIGIBILITY.—A qualified cord blood bank shall be eligible for a 5-year extension of a contract awarded under this section, as described in paragraph (2), provided that the qualified cord blood bank—

"(A) demonstrates a superior ability to satisfy the requirements described in subsection (b) and achieves the overall goals for which the contract was awarded;

"(B) provides a plan for how the qualified cord blood bank will increase cord blood unit collections at collection sites that exist at the time of consideration for such extension of a contract, assist with the establishment of new collection sites, or contract with new collection sites; and

"(C) annually provides to the Secretary a plan for, and demonstrates, ongoing measurable progress toward achieving self-sufficiency of cord blood unit collection and banking operations.

"(4) CONSIDERATION OF BEST SCIENCE.—The Secretary shall take into consideration the best scientific information available in order to maximize the number of cord blood units available for transplant when entering into contracts under this section, or when extending a period of funding under such a contract under paragraph (2).

"(5) CONSIDERATION OF BANKED UNITS OF CORD BLOOD.—In extending contracts pursuant to paragraph (3), and determining new allocation amounts for the next contract period or contract extension for such cord blood bank, the Secretary shall take into account the number of cord blood units banked in the National Cord Blood Inventory by a cord blood bank during the previous contract period, in addition to consideration of the ability of such cord blood bank to increase the collection and maintenance of additional, genetically diverse cord blood units.

"(e) REGULATIONS.—The Secretary may promulgate regulations to carry out this section.

"(f) DEFINITIONS.—In this section:

"(1) The term 'C.W. Bill Young Cell Transplantation Program' means the C.W. Bill Young Cell Transplantation Program under section 379 of the Public Health Service Act [42 U.S.C. 274k], as amended by this Act.

"(2) The term 'cord blood donor' means a mother who has delivered a baby and consents to donate the neonatal blood remaining in the placenta and umbilical cord after separation from the newborn baby.

"(3) The term 'cord blood unit' means the neonatal blood collected from the placenta and umbilical cord of a single newborn baby.

"(4) The term 'qualified cord blood bank' has the meaning given to that term in section 379(d)(4) of the Public Health Service Act [42 U.S.C. 274k(d)(4)], as amended by this Act.

"(5) The term 'Secretary' means the Secretary of Health and Human Services.

"(g) AUTHORIZATION OF APPROPRIATIONS.—To carry out this section, there is authorized to be appropriated \$23,000,000 for each of fiscal years 2022 through 2026."

**REPORT OF INSPECTOR GENERAL; PLAN REGARDING RELATIONSHIP BETWEEN
REGISTRY AND DONOR CENTERS**

Pub. L. 105–196, §2(b)(2), July 16, 1998, 112 Stat. 632, directed the Secretary of Health and Human Services to ensure that, not later than 1 year after July 16, 1998, the National Bone Marrow Donor Registry (under this section) developed, evaluated, and implemented a plan to effectuate efficiencies in the relationship between such Registry and donor centers.

STUDY BY GAO

Pub. L. 105–196, §5, July 16, 1998, 112 Stat. 636, provided that the Comptroller General was to conduct a study of the National Bone Marrow Donor Registry under this section to determine the extent to which the Registry had increased the representation of racial and ethnic minority groups among potential donors enrolled with the Registry and whether the extent of increase resulted in a level of representation that met the standard established in subsec. (c)(1)(A) of this section, the extent to which patients in need of a transplant of bone marrow from a biologically unrelated donor, and the physicians of such patients, had been utilizing the Registry, the number of patients for whom the Registry began a preliminary but not complete search process and the reasons underlying such circumstances, the extent to which the plan required in section 2(b)(2) of Pub. L. 105–196 (42 U.S.C. 274k note) had been implemented, and the extent to which the Registry, donor centers, donor registries, collection centers, transplant centers, and other appropriate entities had been complying with subsec. (e) of this section; and provided that a report describing the findings of this study was to be submitted to Congress not later than Oct. 1, 2001, and not before Jan. 1, 2001.

COMPLIANCE WITH NEW REQUIREMENTS FOR OFFICE OF PATIENT ADVOCACY

Pub. L. 105–196, §6, July 16, 1998, 112 Stat. 636, provided that with respect to requirements for the office of patient advocacy under subsec. (d) of this section, the Secretary of Health and Human Services was to ensure that, not later than 180 days after Oct. 1, 1998, such office was in compliance with all requirements that were additional to the requirements under this section in effect with respect to patient advocacy on the day before July 16, 1998.

§274l. Stem cell therapeutic outcomes database

(a) Establishment

The Secretary shall by contract establish and maintain a scientific database of information relating to patients who have been recipients of a stem cell therapeutics product (including bone marrow, cord blood, or other such product) from a donor.

(b) Information

The outcomes database shall include information in a standardized electronic format with respect to patients described in subsection (a), diagnosis, transplant procedures, results, long-term follow-up, and such other information as the Secretary determines to be appropriate, to conduct an ongoing evaluation of the scientific and clinical status of transplantation involving recipients of a stem cell therapeutics product from a donor.

(c) Annual report on patient outcomes

The Secretary shall require the entity awarded a contract under this section to submit to the Secretary an annual report concerning patient outcomes with respect to each transplant center, based on data collected and maintained by the entity pursuant to this section.

(d) Publicly available data

The outcomes database shall make relevant scientific information not containing individually identifiable information available to the public in the form of summaries and data sets to encourage medical research and to provide information to transplant programs, physicians, patients, entities awarded a contract under section 274k of this title ¹ donor registries, and cord blood banks.

STATUTORY NOTES AND RELATED SUBSIDIARIES

FINDINGS AND PURPOSES

Pub. L. 99–649, §2, Nov. 10, 1986, 100 Stat. 3633, provided that:

"(a) The Congress finds and declares that:

"(1) Injury is one of the principal public health problems in America, and causes over 140,000 deaths per year.

"(2) Injury rates are particularly high for children and the elderly.

"(3) Injury causes 50 percent of all deaths for children over the age of one year and two-thirds of all deaths for children over the age of 15 years, and is the leading cause of death for individuals under the age of 44 years. Individuals over the age of 65 years have the highest fatality rates for many injuries.

"(4) Injury control has not been given high priority in the United States, and the research being conducted on injury control and the number of personnel involved in injury control activities are not adequate.

"(b) The purposes of this Act [enacting this part] are—

"(1) to promote research into the causes, diagnosis, treatment, prevention, and control of injuries and rehabilitation from injuries;

"(2) to promote cooperation between specialists in fields involved in injury research; and

"(3) to promote coordination between Federal, State, and local governments and public and private entities in order to achieve a reduction in deaths from injuries."

§280b–0. Prevention and control activities

(a) The Secretary, through the Director of the Centers for Disease Control and Prevention, shall—

(1) assist States and political subdivisions of States in activities for the prevention and control of injuries; and

(2) encourage regional activities between States designed to reduce injury rates.

(b) The Secretary, through the Director of the Centers for Disease Control and Prevention, may—

(1) enter into agreements between the Service and public and private community health agencies which provide for cooperative planning of activities to deal with problems relating to the prevention and control of injuries;

(2) work in cooperation with other Federal agencies, and with public and nonprofit private entities, to promote activities regarding the prevention and control of injuries; and

(3) make grants to States and, after consultation with State health agencies, to other public or nonprofit private entities for the purpose of carrying out demonstration projects for the prevention and control of injuries at sites that are not subject to the Occupational Safety and Health Act of 1970 [29 U.S.C. 651 et seq.], including homes, elementary and secondary schools, and public buildings.

(July 1, 1944, ch. 373, title III, §392, as added Pub. L. 99–649, §3, Nov. 10, 1986, 100 Stat. 3634; amended Pub. L. 101–558, §2(b), Nov. 15, 1990, 104 Stat. 2772; Pub. 1990—Subsec. (b)(2). Pub. L. 101–558 amended par. (2) generally. Prior to amendment, par. (2) read as follows: "work in cooperation with Federal, State, and local agencies to promote injury control."

§280b–1. Preventing overdoses of controlled substances

(a) Evidence-based prevention grants

(1) In general

The Director of the Centers for Disease Control and Prevention may—

(A) to the extent practicable, carry out and expand any evidence-based prevention activities described in paragraph (2);

(B) provide training and technical assistance to States, localities, and Indian Tribes for purposes of carrying out such activity; and

(C) award grants to States, localities, and Indian Tribes for purposes of carrying out such activity.

(2) Evidence-based prevention activities

An evidence-based prevention activity described in this paragraph is any of the following activities:

(A) Improving the efficiency and use of a new or currently operating prescription drug monitoring program, including by—

(i) encouraging all authorized users (as specified by the State or other entity) to register with and use the program;

(ii) enabling such users to access any updates to information collected by the program in as close to real-time as possible;

(iii) improving the ease of use of such program;

(iv) providing for a mechanism for the program to notify authorized users of any potential

misuse or abuse of controlled substances and any detection of inappropriate prescribing or dispensing practices relating to such substances;

(v) encouraging the analysis of prescription drug monitoring data for purposes of providing de-identified, aggregate reports based on such analysis to State public health agencies, State substance abuse agencies, State licensing boards, and other appropriate State agencies, as permitted under applicable Federal and State law and the policies of the prescription drug monitoring program and not containing any protected health information, to prevent inappropriate prescribing, drug diversion, or abuse and misuse of controlled substances, and to facilitate better coordination among agencies;

(vi) enhancing interoperability between the program and any health information technology (including certified health information technology), including by integrating program data into such technology;

(vii) updating program capabilities to respond to technological innovation for purposes of appropriately addressing the occurrence and evolution of controlled substance overdoses;

(viii) facilitating and encouraging data exchange between the program and the prescription drug monitoring programs of other States;

(ix) enhancing data collection and quality, including improving patient matching and proactively monitoring data quality;

(x) providing prescriber and dispenser practice tools, including prescriber practice insight reports for practitioners to review their prescribing patterns in comparison to such patterns of other practitioners in the specialty; and

(xi) meeting the purpose of the program established under section 280g–3 of this title, as described in section 280g–3(a) of this title.

(B) Promoting community or health system interventions.

(C) Evaluating interventions to prevent controlled substance overdoses.

(D) Implementing projects to advance an innovative prevention approach with respect to new and emerging public health crises and opportunities to address such crises, such as enhancing public education and awareness on the risks associated with opioids.

(3) Additional grants

The Director may award grants to States, localities, and Indian Tribes—

(A) to carry out innovative projects for grantees to rapidly respond to controlled substance misuse, abuse, and overdoses, including changes in patterns of controlled substance use; and

(B) for any other evidence-based activity for preventing controlled substance misuse, abuse, and overdoses as the Director determines appropriate.

(4) Research

The Director, in coordination with the Assistant Secretary for Mental Health and Substance Use and the National Mental Health and Substance Use Policy Laboratory established under section 290aa–0 of this title, as appropriate and applicable, may conduct studies and evaluations to address substance use disorders, including preventing substance use disorders or other related topics the Director determines appropriate.

(b) Enhanced controlled substance overdose data collection, analysis, and dissemination grants

(1) In general

The Director of the Centers for Disease Control and Prevention may—

(A) to the extent practicable, carry out any controlled substance overdose data collection activities described in paragraph (2);

(B) provide training and technical assistance to States, localities, and Indian Tribes for purposes of carrying out such activity;

(C) award grants to States, localities, and Indian Tribes for purposes of carrying out such activity; and

(D) coordinate with the Assistant Secretary for Mental Health and Substance Use to collect

data pursuant to section 290aa–4(d)(1)(A) of this title (relating to the number of individuals admitted to emergency departments as a result of the abuse of alcohol or other drugs).

(2) Controlled substance overdose data collection and analysis activities

A controlled substance overdose data collection, analysis, and dissemination activity described in this paragraph is any of the following activities:

(A) Improving the timeliness of reporting data to the public, including data on fatal and nonfatal overdoses of controlled substances.

(B) Enhancing the comprehensiveness of controlled substance overdose data by collecting information on such overdoses from appropriate sources such as toxicology reports, autopsy reports, death scene investigations, and emergency departments.

(C) Modernizing the system for coding causes of death related to controlled substance overdoses to use an electronic-based system.

(D) Using data to help identify risk factors associated with controlled substance overdoses.

(E) Supporting entities involved in providing information on controlled substance overdoses, such as coroners, medical examiners, and public health laboratories to improve accurate testing and standardized reporting of causes and contributing factors to controlled substances overdoses and analysis of various opioid analogues to controlled substance overdoses.

(F) Working to enable and encourage the access, exchange, and use of information regarding controlled substance overdoses among data sources and entities.

(c) Priority

In awarding grants to States under subsections (a) and (b), the Director of the Centers for Disease Control and Prevention may give priority to jurisdictions with a disproportionately high rate of drug overdoses or drug overdose deaths, as applicable.

(d) Definitions

In this section:

(1) Controlled substance

The term "controlled substance" has the meaning given that term in section 802 of title 21.

(2) Indian tribe

The term "Indian tribe" has the meaning given that term in section 5304 of title 25.

(e) Authorization of appropriations

For purposes of carrying out this section, section 280g–3 of this title, and section 290bb–25g of this title, there is authorized to be appropriated \$496,000,000 for each of fiscal years 2019 through 2023.

§280b–1a. Interpersonal violence within families and among acquaintances

(a) With respect to activities that are authorized in sections 280b and 280b–0 of this title, the Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall carry out such activities with respect to interpersonal violence within families and among acquaintances. Activities authorized in the preceding sentence include the following:

(1) Collecting data relating to the incidence of such violence.

(2) Making grants to public and nonprofit private entities for the evaluation of programs whose purpose is to prevent such violence, including the evaluation of demonstration projects under paragraph (6).

(3) Making grants to public and nonprofit private entities for the conduct of research on identifying effective strategies for preventing such violence.

(4) Providing to the public information and education on such violence, including information and education to increase awareness of the public health consequences of such violence.

(5) Training health care providers as follows:

(A) To identify individuals whose medical conditions or statements indicate that the individuals are victims of such violence.

(B) To routinely determine, in examining patients, whether the medical conditions or statements of the patients so indicate.

(C) To refer individuals so identified to entities that provide services regarding such violence, including referrals for counseling, housing, legal services, and services of community organizations.

(6) Making grants to public and nonprofit private entities for demonstration projects with respect to such violence, including with respect to prevention.

(b) For purposes of this part, the term "interpersonal violence within families and among acquaintances" includes behavior commonly referred to as domestic violence, sexual assault, spousal abuse, woman battering, partner abuse, elder abuse, and acquaintance rape.

A prior section 393 of act July 1, 1944, was renumbered section 394 and is classified to section 280b–2 of this title.

Another prior section 393 of act July 1, 1944, was renumbered section 394 and was classified to section 280b–4 of this title.

§280b–1b. Use of allotments for rape prevention education

(a) Permitted use

The Secretary, acting through the National Center for Injury Prevention and Control at the Centers for Disease Control and Prevention, shall award targeted grants to States to be used for rape prevention and education programs conducted by rape crisis centers, State, territorial or tribal sexual assault coalitions, and other public and private nonprofit entities for—

- (1) educational seminars;
- (2) the operation of hotlines or utilization of other communication technologies for purposes related to such a hotline;
- (3) training programs for professionals, including school-based professionals, to identify and refer students who may have experienced or are at risk of experiencing sexual violence;
- (4) the preparation of informational material;
- (5) education and training programs for students and campus personnel designed to reduce the incidence of sexual assault at colleges and universities;
- (6) education to increase awareness about drugs and alcohol used to facilitate rapes or sexual assaults; and
- (7) other efforts to increase awareness of the facts about, or to help prevent, sexual violence, sexual assault, and sexual harassment, including efforts to increase awareness in underserved communities and awareness among individuals with disabilities (as defined in section 12102 of this title) and Deaf individuals.

(b) Collection and dissemination of information on sexual assault

The Secretary shall, through the National Resource Center on Sexual Assault established under the National Center for Injury Prevention and Control at the Centers for Disease Control and Prevention, provide resource information, policy, training, and technical assistance to Federal, State, local, and Indian Tribal agencies, as well as to State sexual assault coalitions and local sexual assault programs and to other professionals and interested parties on issues relating to sexual assault, including maintenance of a central resource library in order to collect, prepare, analyze, and disseminate information and statistics and analyses thereof relating to the incidence and prevention of sexual assault.

(c) Meaningful involvement of State sexual assault coalitions, culturally specific organizations, and underserved communities

In awarding funds to States under this section, the Secretary shall set forth procedures designed to ensure meaningful involvement of sexual assault coalitions, culturally specific organizations, and representatives from underserved communities of the State or territory in the application for, and implementation of, funding.

(d) Authorization of appropriations

(1) In general

There is authorized to be appropriated to carry out this section \$100,000,000 for each of fiscal years 2023 through 2027.

(2) National sexual violence resource center allotment

Of the total amount made available under this subsection in each fiscal year, not less than \$1,500,000 shall be available for allotment under subsection (b).

(3) Baseline funding for States, the District of Columbia, and Puerto Rico

A minimum allocation of \$150,000 shall be awarded in each fiscal year for each of the States, the District of Columbia, and Puerto Rico. A minimum allocation of \$35,000 shall be awarded in each fiscal year for each Territory. Any unused or remaining funds shall be allotted to each State, the District of Columbia, and Puerto Rico on the basis of population. Not less than 80 percent of the total amount made available under this subsection in each fiscal year shall be awarded in accordance with this paragraph.

(4) State, territorial, and Tribal sexual assault coalition allotment

(A) In general

Of the total amount appropriated under this subsection for a fiscal year, not less than 15 percent shall be allocated to State, territorial, and Tribal sexual assault coalitions for the

purposes of coordinating and providing prevention activities, providing assistance to prevention programs, and collaborating and coordinating with applicable Federal, State, Tribal, and local entities engaged in sexual violence prevention, in accordance with this paragraph.

(B) Allocations

Of the total amount appropriated under this subsection and allocated to making awards to sexual assault coalitions, as described in subparagraph (A), for a fiscal year—

- (i) not less than 10 percent shall be made available to Tribal sexual assault coalitions; and
- (ii) any remaining amounts shall be made available, in equal amounts, to each State coalition and each territorial coalition.

(C) Clarification

Receipt of an award under this subsection by a sexual assault coalition shall not preclude the coalition from receiving additional grants or administering funds to carry out the purposes described in subsection (a).

(e) Limitations

(1) Supplement not supplant

Amounts provided to States under this section shall be used to supplement and not supplant other Federal, State, and local public funds expended to provide services of the type described in subsection (a).

(2) Studies

A State may not use more than 2 percent of the amount received by the State under this section for each fiscal year for surveillance studies or prevalence studies.

(3) Administration

A State may not use more than 5 percent of the amount received by the State under this section for each fiscal year for administrative expenses.

(f) Report

Not later than 1 year after March 15, 2022, the Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall submit to the Committee on Appropriations, the Committee on Energy and Commerce, and the Committee on the Judiciary of the House of Representatives and the Committee on Appropriations, the Committee on Health, Education, Labor, and Pensions, and the Committee on the Judiciary of the Senate a report on the activities funded by grants awarded under this section and best practices relating to rape prevention and education.

(July 1, 1944, ch. 373, title III, §393A, formerly §393B, as added Pub. L. 106–386, div. B, title IV, §1401(a), Oct. 28, 2000, 114 Stat. 1512; amended Pub. Amendment by Pub. L. 117–103 not effective until Oct. 1 of the first fiscal year beginning after Mar. 15, 2022, see section 4(a) of div. W of Pub. L. 117–103, set out as an Effective Date note under section 6851 of Title 15, Commerce and Trade.

EFFECTIVE DATE OF 2013 AMENDMENT

Amendment by Pub. L. 113–4 not effective until the beginning of the fiscal year following Mar. 7, 2013, see section 4 of Pub. L. 113–4, set out as a note under section 2261 of Title 18, Crimes and Criminal Procedure.

§280b–1c. Prevention of traumatic brain injury

(a) In general

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, may carry out projects to reduce the incidence of traumatic brain injury. Such projects may be carried out by the Secretary directly or through awards of grants or contracts to public or nonprofit private entities. The Secretary may directly or through such awards provide technical assistance with respect to the planning, development, and operation of such projects.

(b) Certain activities

Activities under subsection (a) may include—

(1) the conduct of research into identifying effective strategies for the prevention of traumatic brain injury;

(2) the implementation of public information and education programs for the prevention of such injury and for broadening the awareness of the public concerning the public health consequences

of such injury; and

(3) the implementation of a national education and awareness campaign regarding such injury (in conjunction with the program of the Secretary regarding health-status goals for 2020, commonly referred to as Healthy People 2020), including—

(A) the national dissemination of information on—

(i) incidence and prevalence; and

(ii) information relating to traumatic brain injury and the sequelae of secondary conditions arising from traumatic brain injury upon discharge from hospitals and emergency departments; and

(B) the provision of information in primary care settings, including emergency rooms and trauma centers, concerning the availability of State level services and resources.

(c) Coordination of activities

The Secretary shall ensure that activities under this section are coordinated as appropriate with other agencies of the Public Health Service that carry out activities regarding traumatic brain injury.

(d) "Traumatic brain injury" defined

For purposes of this section, the term "traumatic brain injury" means an acquired injury to the brain. Such term does not include brain dysfunction caused by congenital or degenerative disorders, nor birth trauma, but may include brain injuries caused by anoxia due to trauma. The Secretary may revise the definition of such term as the Secretary determines necessary, after consultation with States and other appropriate public or nonprofit private entities.

2000—Subsec. (b)(3). Pub. L. 106–310, §1301(a)(1), added par. (3).

Subsec. (d). Pub. L. 106–310, §1301(a)(2), substituted "anoxia due to trauma" for "anoxia due to near drowning" and inserted ", after consultation with States and other appropriate public or nonprofit private entities" after "Secretary determines necessary".

§280b–1d. National program for traumatic brain injury surveillance and registries

(a) In general

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, may make grants to States or their designees to develop or operate the State's traumatic brain injury surveillance system or registry to determine the incidence and prevalence of traumatic brain injury

and related disability, to ensure the uniformity of reporting under such system or registry, to link individuals with traumatic brain injury to services and supports, and to link such individuals with academic institutions to conduct applied research that will support the development of such surveillance systems and registries as may be necessary. A surveillance system or registry under this section shall provide for the collection of data concerning—

- (1) demographic information about each traumatic brain injury;
- (2) information about the circumstances surrounding the injury event associated with each traumatic brain injury;
- (3) administrative information about the source of the collected information, dates of hospitalization and treatment, and the date of injury; and
- (4) information characterizing the clinical aspects of the traumatic brain injury, including the severity of the injury, outcomes of the injury, the types of treatments received, and the types of services utilized.

(b) Report

Not later than 18 months after April 28, 2008, the Secretary, acting through the Director of the Centers for Disease Control and Prevention and the Director of the National Institutes of Health and in consultation with the Secretary of Defense and the Secretary of Veterans Affairs, shall submit to the relevant committees of Congress a report that contains the findings derived from an evaluation concerning activities and procedures that can be implemented by the Centers for Disease Control and Prevention to improve the collection and dissemination of compatible epidemiological studies on the incidence and prevalence of traumatic brain injury in individuals who were formerly in the military. The report shall include recommendations on the manner in which such agencies can further collaborate on the development and improvement of traumatic brain injury diagnostic tools and treatments.

(c) National concussion data collection and analysis

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, may implement concussion data collection and analysis to determine the prevalence and incidence of concussion.

(July 1, 1944, ch. 373, title III, §393C, formerly §393B, as added Pub. L. 106–310, div. A, title XIII, §1301(b), Oct. 17, 2000, 114 Stat. 1137; renumbered §393C and amended Pub. §280b–1f. Prevention of falls among older adults

(a) Public education

The Secretary may—

(1) oversee and support a national education campaign to be carried out by a nonprofit organization with experience in designing and implementing national injury prevention programs, that is directed principally to older adults, their families, and health care providers, and that focuses on reducing falls among older adults and preventing repeat falls; and

(2) award grants, contracts, or cooperative agreements to qualified organizations, institutions, or consortia of qualified organizations and institutions, specializing, or demonstrating expertise, in falls or fall prevention, for the purpose of organizing State-level coalitions of appropriate State and local agencies, safety, health, senior citizen, and other organizations to design and carry out local education campaigns, focusing on reducing falls among older adults and preventing repeat falls.

(b) Research

(1) In general

The Secretary may—

(A) conduct and support research to—

(i) improve the identification of older adults who have a high risk of falling;

(ii) improve data collection and analysis to identify fall risk and protective factors;

(iii) design, implement, and evaluate the most effective fall prevention interventions;

(iv) improve strategies that are proven to be effective in reducing falls by tailoring these strategies to specific populations of older adults;

(v) conduct research in order to maximize the dissemination of proven, effective fall prevention interventions;

(vi) intensify proven interventions to prevent falls among older adults;

(vii) improve the diagnosis, treatment, and rehabilitation of elderly fall victims and older adults at high risk for falls; and

(viii) assess the risk of falls occurring in various settings;

(B) conduct research concerning barriers to the adoption of proven interventions with respect to the prevention of falls among older adults;

(C) conduct research to develop, implement, and evaluate the most effective approaches to reducing falls among high-risk older adults living in communities and long-term care and assisted living facilities; and

(D) evaluate the effectiveness of community programs designed to prevent falls among older adults.

(2) Educational support

The Secretary, either directly or through awarding grants, contracts, or cooperative agreements to qualified organizations, institutions, or consortia of qualified organizations and institutions, specializing, or demonstrating expertise, in falls or fall prevention, may provide professional education for physicians and allied health professionals, and aging service providers in fall prevention, evaluation, and management.

(c) Demonstration projects

The Secretary may carry out the following:

(1) Oversee and support demonstration and research projects to be carried out by qualified organizations, institutions, or consortia of qualified organizations and institutions, specializing, or demonstrating expertise, in falls or fall prevention, in the following areas:

(A) A multistate demonstration project assessing the utility of targeted fall risk screening and referral programs.

(B) Programs designed for community-dwelling older adults that utilize multicomponent fall intervention approaches, including physical activity, medication assessment and reduction when possible, vision enhancement, and home modification strategies.

(C) Programs that are targeted to new fall victims who are at a high risk for second falls and which are designed to maximize independence and quality of life for older adults, particularly those older adults with functional limitations.

(D) Private sector and public-private partnerships to develop technologies to prevent falls among older adults and prevent or reduce injuries if falls occur.

(2)(A) Award grants, contracts, or cooperative agreements to qualified organizations, institutions, or consortia of qualified organizations and institutions, specializing, or demonstrating expertise, in falls or fall prevention, to design, implement, and evaluate fall prevention programs using proven intervention strategies in residential and institutional settings.

(B) Award 1 or more grants, contracts, or cooperative agreements to 1 or more qualified organizations, institutions, or consortia of qualified organizations and institutions, specializing, or demonstrating expertise, in falls or fall prevention, in order to carry out a multistate demonstration project to implement and evaluate fall prevention programs using proven intervention strategies designed for single and multifamily residential settings with high concentrations of older adults, including—

(i) identifying high-risk populations;

(ii) evaluating residential facilities;

(iii) conducting screening to identify high-risk individuals;

(iv) providing fall assessment and risk reduction interventions and counseling;

(v) coordinating services with health care and social service providers; and

(vi) coordinating post-fall treatment and rehabilitation.

(3) Award 1 or more grants, contracts, or cooperative agreements to qualified organizations, institutions, or consortia of qualified organizations and institutions, specializing, or demonstrating expertise, in falls or fall prevention, to conduct evaluations of the effectiveness of the demonstration projects described in this subsection.

(d) Priority

In awarding grants, contracts, or cooperative agreements under this section, the Secretary may give priority to entities that explore the use of cost-sharing with respect to activities funded under the grant, contract, or agreement to ensure the institutional commitment of the recipients of such assistance to the projects funded under the grant, contract, or agreement. Such non-Federal cost sharing contributions may be provided directly or through donations from public or private entities and may be in cash or in-kind, fairly evaluated, including plant, equipment, or services.

(e) Study of effects of falls on health care costs

(1) In general

The Secretary may conduct a review of the effects of falls on health care costs, the potential for reducing falls, and the most effective strategies for reducing health care costs associated with falls.

(2) Report

If the Secretary conducts the review under paragraph (1), the Secretary shall, not later than 36 months after April 23, 2008, submit to Congress a report describing the findings of the Secretary in conducting such review.

(July 1, 1944, ch. 373, title III, §393D, as added Pub. L. 110–202, §2(2), Apr. 23, 2008, 122 Stat.

§280b–2. General provisions

(a) Advisory committee

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall establish an advisory committee to advise the Secretary and such Director with respect to the prevention and control of injuries.

(b) Technical assistance

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, may provide technical assistance to public and nonprofit private entities with respect to the planning, development, and operation of any program or service carried out pursuant to this part. The Secretary may provide such technical assistance directly or through grants or contracts.

(c) Biennial report

Not later than February 1 of 1995 and of every second year thereafter, the Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall submit to the Committee on Energy and Commerce of the House of Representatives, and to the Committee on Labor and Human Resources of the Senate, a report describing the activities carried out under this part during the preceding 2 fiscal years. Such report shall include a description of such activities that were carried out with respect to interpersonal violence within families and among acquaintances and with respect to rural areas.

SUBPART I—GRANTS FOR DEMONSTRATION PROJECTS

§280c. Establishment of program

(a) In general

The Secretary, acting through the Administrator of the Health Resources and Services Administration, shall make not less than 5, and not more than 20, grants to States for the purpose of assisting grantees in carrying out demonstration projects—

(1) to identify low-income individuals who can avoid institutionalization or prolonged hospitalization if skilled medical services, skilled nursing care services, homemaker or home health aide services, or personal care services are provided in the homes of the individuals;

(2) to pay the costs of the provision of such services in the homes of such individuals; and

(3) to coordinate the provision by public and private entities of such services, and other long-term care services, in the homes of such individuals.

(b) Requirement with respect to age of recipients of services

The Secretary may not make a grant under subsection (a) to a State unless the State agrees to ensure that—

(1) not less than 25 percent of the grant is expended to provide services under such subsection to individuals who are not less than 65 years of age; and

(2) of the portion of the grant reserved by the State for purposes of complying with paragraph (1), not less than 10 percent is expended to provide such services to individuals who are not less than 85 years of age.

(c) Relationship to items and services under other programs

A State may not make payments from a grant under subsection (a) for any item or service to the extent that payment has been made, or can reasonably be expected to be made, with respect to such item or service—

(1) under any State compensation program, under an insurance policy, or under any Federal or State health benefits program; or

(2) by an entity that provides health services on a prepaid basis.

EFFECTIVE DATE

Section effective Oct. 1, 1987, see section 701(a) of Pub. L. 100–175, set out as an Effective Date of 1987 Amendment note under section 3001 of this title.

SHORT TITLE

For short title of title VI of Pub. L. 100–175, which enacted this part as the "Health Care Services in the Home Act of 1987", see section 601 of Pub. L. 100–175, set out as a Short Title of 1987 Amendments note under section 201 of this title.

§280c–1. Limitation on duration of grant and requirement of matching funds

(a) Limitation on duration of grant

The period during which payments are made to a State from a grant under section 280c(a) of this title may not exceed 3 years. Such payments shall be subject to annual evaluation by the Secretary.

(b) Requirement of matching funds

(1)(A) For the first year of payments to a State from a grant under section 280c(a) of this title, the Secretary may not make such payments in an amount exceeding 75 percent of the costs of services to be provided by the State pursuant to such section.

(B) For the second year of such payments to a State, the Secretary may not make such payments in an amount exceeding 65 percent of the costs of such services.

(C) For the third year of such payments to a State, the Secretary may not make such payments in an amount exceeding 55 percent of the costs of such services.

(2) The Secretary may not make a grant under section 280c(a) of this title to a State unless the State agrees to make available, directly or through donations from public or private entities, non-Federal contributions toward the costs of services to be provided pursuant to such section in an amount equal to—

(A) for the first year of payments to the State from the grant, not less than \$25 (in cash or in kind under subsection (c)) for each \$75 of Federal funds provided in the grant;

(B) for the second year of such payments to the State, not less than \$35 (in cash or in kind under subsection (c)) for each \$65 of such Federal funds; and

(C) for the third year of such payments to the State, not less than \$45 (in cash or in kind under subsection (c)) for each \$55 of such Federal funds.

(c) Determination of amount of non-Federal contribution

Non-Federal contributions required in subsection (b) may be in cash or in kind, fairly evaluated, including plant, equipment, or services. Amounts provided by the Federal Government, or services assisted or subsidized to any significant extent by the Federal Government, may not be included in determining the amount of such non-Federal contributions.

§280c–2. General provisions

(a) Limitation on administrative expenses

The Secretary may not make a grant under section 280c(a) of this title to a State unless the State agrees that not more than 10 percent of the grant will be expended for administrative expenses with respect to the grant.

(b) Description of intended use of grant

The Secretary may not make a grant under section 280c(a) of this title to a State unless—

(1) the State submits to the Secretary a description of the purposes for which the State intends to expend the grant; and

(2) such description provides information relating to the programs and activities to be supported and services to be provided, including—

(A) the number of individuals who will receive services pursuant to section 280c(a) of this title and the average costs of providing such services to each such individual; and

(B) a description of the manner in which such programs and activities will be coordinated

with any similar programs and activities of public and private entities.

(c) Requirement of application

The Secretary may not make a grant under section 280c(a) of this title to a State unless the State has submitted to the Secretary an application for the grant. The application shall—

- (1) contain the description of intended expenditures required in subsection (b);
- (2) with respect to carrying out the purpose for which the grant is to be made, provide assurances of compliance satisfactory to the Secretary; and
- (3) otherwise be in such form, be made in such manner, and contain such information and agreements as the Secretary determines to be necessary to carry out this subpart.

(d) Evaluations and report by Secretary

The Secretary shall—

- (1) provide for an evaluation of each demonstration project for which a grant is made under section 280c(a) of this title; and
- (2) not later than 6 months after the completion of such evaluations, submit to the Congress a report describing the findings made as a result of the evaluations.

(e) Authorizations of appropriations

For the purpose of carrying out this subpart, there are authorized to be appropriated \$5,000,000 for each of the fiscal years 1988 through 1990, \$7,500,000 for fiscal year 1991, and such sums as may be necessary for each of the fiscal years 1992 and 1993.

**SUBPART II—PROGRAMS WITH RESPECT TO ALZHEIMER'S DISEASE
AND RELATED DEMENTIAS**

EDITORIAL NOTES

CODIFICATION

Pub. L. 115–406, §2(2)(A), Dec. 31, 2018, 132 Stat. 5362, substituted "PROGRAMS WITH RESPECT TO

ALZHEIMER'S DISEASE AND RELATED DEMENTIAS" for "GRANTS FOR DEMONSTRATION PROJECTS WITH RESPECT TO ALZHEIMER'S DISEASE" in subpart heading.

§280c–3. Cooperative agreements to States and public health departments for Alzheimer's disease and related dementias

(a) In general

The Secretary, in coordination with the Director of the Centers for Disease Control and Prevention and the heads of other agencies, as appropriate, shall award cooperative agreements to health departments of States, political subdivisions of States, and Indian tribes and tribal organizations, to address Alzheimer's disease and related dementias, including by reducing cognitive decline, helping meet the needs of caregivers, and addressing unique aspects of Alzheimer's disease and related dementias to support the development and implementation of evidence-based interventions with respect to—

- (1) educating and informing the public, based on evidence-based public health research and data, about Alzheimer's disease and related dementias;
- (2) supporting early detection and diagnosis;
- (3) reducing the risk of potentially avoidable hospitalizations for individuals with Alzheimer's disease and related dementias;
- (4) reducing the risk of cognitive decline and cognitive impairment associated with Alzheimer's disease and related dementias;
- (5) improving support to meet the needs of caregivers of individuals with Alzheimer's disease and related dementias;
- (6) supporting care planning and management for individuals with Alzheimer's disease and related dementias.¹
- (7) supporting other relevant activities identified by the Secretary or the Director of the Centers for Disease Control and Prevention, as appropriate ²

(b) Preference

In awarding cooperative agreements under this section, the Secretary shall give preference to applications that focus on addressing health disparities, including populations and geographic areas that have the highest prevalence of Alzheimer's disease and related dementias.

(c) Eligibility

To be eligible to receive a cooperative agreement under this section, an eligible entity (pursuant to subsection (a)) shall prepare and submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require, including a plan that describes—

- (1) how the applicant proposes to develop or expand, programs to educate individuals through partnership engagement, workforce development, guidance and support for programmatic efforts, and evaluation with respect to Alzheimer's disease and related dementias, and in the case of a cooperative agreement under this section, how the applicant proposes to support other relevant activities identified by the Secretary or Director of the Centers for Disease Control and Prevention, as appropriate.
- (2) the manner in which the applicant will coordinate with Federal, tribal, and State programs related to Alzheimer's disease and related dementias, and appropriate State, tribal, and local agencies, as well as other relevant public and private organizations or agencies; and
- (3) the manner in which the applicant will evaluate the effectiveness of any program carried out under the cooperative agreement.

(d) Matching requirement

Each health department that is awarded a cooperative agreement under subsection (a) shall provide, from non-Federal sources, an amount equal to 30 percent of the amount provided under such agreement (which may be provided in cash or in-kind) to carry out the activities supported by

the cooperative agreement.

(e) Waiver authority

The Secretary may waive all or part of the matching requirement described in subsection (d) for any fiscal year for a health department of a State, political subdivision of a State, or Indian tribe and tribal organization (including those located in a rural area or frontier area), if the Secretary determines that applying such matching requirement would result in serious hardship or an inability to carry out the purposes of the cooperative agreement awarded to such health department of a State, political subdivision of a State, or Indian tribe and tribal organization.

(f) Non-duplication of effort

The Secretary shall ensure that activities under any cooperative agreement awarded under this subpart do not unnecessarily duplicate efforts of other agencies and offices within the Department of Health and Human Services related to—

- (1) activities of centers of excellence with respect to Alzheimer's disease and related dementias described in section 280c-4 of this title; and
- (2) activities of public health departments with respect to Alzheimer's disease and related dementias described in this section.

(g) Relationship to items and services under other programs

A State may not make payments from a cooperative agreement under subsection (a) for any item or service to the extent that payment has been made, or can reasonably be expected to be made, with respect to such item or service—

- (1) under any State compensation program, under an insurance policy, or under any Federal or State health benefits program; or
- (2) by an entity that provides health services on a prepaid basis.

L. 99-158, §3(b), Nov. 20, 1985, 99 Stat. 879.

AMENDMENTS

2018—Pub. L. 115-406, §3(1), substituted "Cooperative agreements to States and public health departments for Alzheimer's disease and related dementias" for "Establishment of program" in section catchline.

Subsec. (a). Pub. L. 115-406, §3(2), added subsec. (a) and struck out former subsec. (a) which provided that the Secretary would make grants to States for planning, establishing, and operating programs to provide care to Alzheimer's patients.

Subsecs. (b) to (e). Pub. L. 115-406, §3(3), (5), added subsecs. (b) to (e) and struck out former subsec. (b). Prior to amendment, text of subsec. (b) read as follows: "The Secretary may not make a grant under subsection (a) to a State unless the State agrees to expend not less than 50 percent of the grant for the provision of services described in subsection (a)(2)." Former subsec. (c) redesignated (g).

Subsec. (f). Pub. L. 115-406, §3(7), which directed adding subsec. (f) at the end of the section, was executed by adding subsec. (f) before subsec. (g) as redesignated by Pub. L. 115-406, §3(4), to reflect the probable intent of Congress.

Subsec. (g). Pub. L. 115-406, §3(6), which directed amendment of "subsection (f) (as so redesignated)" by substituting "cooperative agreement" for "grant", was executed by making the substitution in introductory

provisions of subsec. (g) as redesignated, to reflect the probable intent of Congress. See below.

Pub. L. 115-406, §3(4), redesignated subsec. (c) as (g).

1998—Subsec. (a). Pub. L. 105-392, §302(a)(1), struck out "not less than 5, and not more than 15," after "shall make" in introductory provisions.

Subsec. (a)(2). Pub. L. 105-392, §302(a)(2), inserted "who are living in single family homes or in congregate settings" after "disorders" and struck out "and" at end.

Subsec. (a)(3), (4). Pub. L. 105-392, §302(a)(3), (4), added par. (3) and redesignated former par. (3) as (4).

1990—Subsec. (a). Pub. L. 101-557, §102(a), substituted "shall make not less than 5, and not more than 15, grants" for "shall make not less than 3, and not more than 5, grants".

Subsec. (a)(1). Pub. L. 101-557, §102(b), substituted "with public and private organizations" for "by public and private organizations".

§280c-4. Promotion of public health knowledge and awareness of Alzheimer's disease and related dementias

(a) Alzheimer's disease and related dementias public health centers of excellence

(1) In general

The Secretary, in coordination with the Director of the Centers for Disease Control and Prevention and the heads of other agencies as appropriate, shall award grants, contracts, or cooperative agreements to eligible entities, such as institutions of higher education, State, tribal, and local health departments, Indian tribes, tribal organizations, associations, or other appropriate entities for the establishment or support of regional centers to address Alzheimer's disease and related dementias by—

(A) advancing the awareness of public health officials, health care professionals, and the public, on the most current information and research related to Alzheimer's disease and related dementias, including cognitive decline, brain health, and associated health disparities;

(B) identifying and translating promising research findings, such as findings from research and activities conducted or supported by the National Institutes of Health, including Alzheimer's Disease Research Centers authorized by section 285e-2 of this title, into evidence-based programmatic interventions for populations with Alzheimer's disease and related dementias and caregivers for such populations; and

(C) expanding activities, including through public-private partnerships related to Alzheimer's disease and related dementias and associated health disparities.

(2) Requirements

To be eligible to receive a grant, contract, or cooperative agreement under this subsection, an entity shall submit to the Secretary an application containing such agreements and information as the Secretary may require, including a description of how the entity will—

(A) coordinate, as applicable, with existing Federal, State, and tribal programs related to Alzheimer's disease and related dementias;

(B) examine, evaluate, and promote evidence-based interventions for individuals with Alzheimer's disease and related dementias, including underserved populations with such

conditions, and those who provide care for such individuals; and

(C) prioritize activities relating to—

(i) expanding efforts, as appropriate, to implement evidence-based practices to address Alzheimer's disease and related dementias, including through the training of State, local, and tribal public health officials and other health professionals on such practices;

(ii) supporting early detection and diagnosis of Alzheimer's disease and related dementias;

(iii) reducing the risk of potentially avoidable hospitalizations of individuals with Alzheimer's disease and related dementias;

(iv) reducing the risk of cognitive decline and cognitive impairment associated with Alzheimer's disease and related dementias;

(v) enhancing support to meet the needs of caregivers of individuals with Alzheimer's disease and related dementias;

(vi) reducing health disparities related to the care and support of individuals with Alzheimer's disease and related dementias;

(vii) supporting care planning and management for individuals with Alzheimer's disease and related dementias; and

(viii) supporting other relevant activities identified by the Secretary or the Director of the Centers for Disease Control and Prevention, as appropriate.

(3) Considerations

In awarding grants, contracts, and cooperative agreements under this subsection, the Secretary shall consider, among other factors, whether the entity—

(A) provides services to rural areas or other underserved populations;

(B) is able to build on an existing infrastructure of services and public health research; and

(C) has experience with providing care or caregiver support, or has experience conducting research related to Alzheimer's disease and related dementias.

(4) Distribution of awards

In awarding grants, contracts, or cooperative agreements under this subsection, the Secretary, to the extent practicable, shall ensure equitable distribution of awards based on geographic area, including consideration of rural areas, and the burden of the disease within sub-populations.

(5) Data reporting and program oversight

With respect to a grant, contract, or cooperative agreement awarded under this subsection, not later than 90 days after the end of the first year of the period of assistance, and annually thereafter for the duration of the grant, contract, or agreement (including the duration of any renewal period as provided for under paragraph (5)), the entity shall submit data, as appropriate, to the Secretary regarding—

(A) the programs and activities funded under the grant, contract, or agreement; and

(B) outcomes related to such programs and activities.

(b) Improving data on State and national prevalence of Alzheimer's disease and related dementias

(1) In general

The Secretary shall, as appropriate, improve the analysis and timely reporting of data on the incidence and prevalence of Alzheimer's disease and related dementias. Such data may include, as appropriate, information on cognitive decline, caregiving, and health disparities experienced by individuals with cognitive decline and their caregivers. The Secretary may award grants, contracts, or cooperative agreements to eligible entities for activities under this paragraph.

(2) Eligibility

To be eligible to receive a grant, contract, or cooperative agreement under this subsection, an entity shall be a public or nonprofit private entity, including institutions of higher education, State,

local, and tribal health departments, and Indian tribes and tribal organizations, and submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require.

(3) Data sources

The analysis, timely public reporting, and dissemination of data under this subsection may be carried out using data sources such as the following:

- (A) The Behavioral Risk Factor Surveillance System.
- (B) The National Health and Nutrition Examination Survey.
- (C) The National Health Interview Survey.

(c) Improved coordination

The Secretary shall ensure that activities and programs related to dementia under this section do not unnecessarily duplicate activities and programs of other agencies and offices within the Department of Health and Human Services.

(July 1, 1944, ch. 373, title III, §398A, as added Pub. L. 115–406, §2(2)(B), Dec. 31, 2018, 132 Stat. 5362.)

§280c–5. General provisions

(a) Limitation on administrative expenses

The Secretary may not make a grant or cooperative agreement under sections ¹ 280c–3 or 280c–4 of this title to an entity unless the entity agrees that not more than 5 percent of the grant or cooperative agreement will be expended for administrative expenses with respect to the grant or cooperative agreement.

(b) Requirement of application

The Secretary may not make a grant under sections ¹ 280c–3 or 280c–4 of this title to an entity unless the entity has submitted to the Secretary an application for the grant. The application shall—

- (1) contain the description of intended expenditures;
- (2) with respect to carrying out the purpose for which the grant is to be made, provide assurances of compliance satisfactory to the Secretary; and
- (3) otherwise be in such form, be made in such manner, and contain such information and agreements as the Secretary determines to be necessary to carry out this subpart.

(c) Evaluations and report by Secretary

The Secretary shall—

- (1) provide for an evaluation of the activities for which an award is made under sections ¹ 280c–3 or 280c–4 of this title; and
- (2) not later than 1 year after the completion of such evaluations, submit to the Congress a report describing the findings made as a result of the evaluations.

(d) Definition

In this subpart, the terms "Indian tribe" and "tribal organization" have the meanings given such terms in section 1603 of title 25.

(e) Authorizations of appropriations

For the purpose of carrying out this subpart, there are authorized to be appropriated \$20,000,000 for each of fiscal years 2020 through 2024.

SUBPART III—GRANTS FOR HOME VISITING SERVICES FOR AT-RISK FAMILIES

§280c–6. Projects to improve maternal, infant, and child health

(a) In general

(1) Establishment of program

The Secretary, acting through the Administrator of the Health Resources and Services Administration, shall make grants to eligible entities to pay the Federal share of the cost of providing the services specified in subsection (b) to families in which a member is—

- (A) a pregnant woman at risk of delivering an infant with a health or developmental complication; or
- (B) a child less than 3 years of age—
 - (i) who is experiencing or is at risk of a health or developmental complication, or of child abuse or neglect; or
 - (ii) who has been prenatally exposed to maternal substance abuse.

(2) Minimum period of awards; administrative consultations

(A) The Secretary shall award grants under paragraph (1) for periods of at least three years.

(B) The Administrator of the Administration for Children, Youth, and Families and the Director of the National Commission to Prevent Infant Mortality shall be consulted regarding the promulgation of program guidelines and funding priorities under this section.

(3) Requirement of status as medicaid provider

(A) Subject to subparagraph (B), the Secretary may make a grant under paragraph (1) only if, in the case of any service under such paragraph that is covered in the State plan approved under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] for the State involved—

- (i) the entity involved will provide the service directly, and the entity has entered into a participation agreement under the State plan and is qualified to receive payments under such plan; or
- (ii) the entity will enter into an agreement with an organization under which the organization will provide the service, and the organization has entered into such a participation agreement and is qualified to receive such payments.

(B)(i) In the case of an organization making an agreement under subparagraph (A)(ii) regarding the provision of services under paragraph (1), the requirement established in such subparagraph regarding a participation agreement shall be waived by the Secretary if the organization does not, in providing health or mental health services, impose a charge or accept reimbursement available from any third-party payor, including reimbursement under any insurance policy or under any Federal or State health benefits program.

(ii) A determination by the Secretary of whether an organization referred to in clause (i) meets the criteria for a waiver under such clause shall be made without regard to whether the organization accepts voluntary donations regarding the provision of services to the public.

(b) Home visiting services for eligible families

With respect to an eligible family, each of the following services shall, directly or through arrangement with other public or nonprofit private entities, be available (as applicable to the family member involved) in each project operated with a grant under subsection (a):

- (1) Prenatal and postnatal health care.
- (2) Primary health care for the children, including developmental assessments.
- (3) Education for the parents concerning infant care and child development, including the development and utilization of parent and teacher resource networks and other family resource and support networks where such networks are available.
- (4) Upon the request of a parent, providing the education described in paragraph (3) to other individuals who have responsibility for caring for the children.
- (5) Education for the parents concerning behaviors that adversely affect health.
- (6) Assistance in obtaining necessary health, mental health, developmental, social, housing, and nutrition services and other assistance, including services and other assistance under maternal and child health programs; the special supplemental nutrition program for women, infants, and

children; section 1786 of this title; title V of the Social Security Act [42 U.S.C. 701 et seq.]; title XIX of such Act [42 U.S.C. 1396 et seq.] (including the program for early and periodic screening, diagnostic, and treatment services described in section 1905(r) of such Act [42 U.S.C. 1396d(r)]); titles IV and XIX of the Social Security Act [42 U.S.C. 601 et seq., 1396 et seq.]; housing programs; other food assistance programs; and appropriate alcohol and drug dependency treatment programs, according to need.

(c) Considerations in making grants

In awarding grants under subsection (a), the Secretary shall take into consideration—

(1) the ability of the entity involved to provide, either directly or through linkages, a broad range of preventive and primary health care services and related social, family support, and developmental services;

(2) different combinations of professional and lay home visitors utilized within programs that are reflective of the identified service needs and characteristics of target populations;

(3) the extent to which the population to be targeted has limited access to health care, and related social, family support, and developmental services; and

(4) whether such grants are equitably distributed among urban and rural settings and whether entities serving Native American communities are represented among the grantees.

(d) Federal share

With respect to the costs of carrying out a project under subsection (a), a grant under such subsection for the project may not exceed 90 percent of such costs. To be eligible to receive such a grant, an applicant must provide assurances that the applicant will obtain at least 10 percent of such costs from non-Federal funds (and such contributions to such costs may be in cash or in-kind, including facilities and personnel).

(e) Rule of construction regarding at-risk births

For purposes of subsection (a)(1), a pregnant woman shall be considered to be at risk of delivering an infant with a health or developmental complication if during the pregnancy the woman—

(1) lacks appropriate access to, or information concerning, early and routine prenatal care;

(2) lacks the transportation necessary to gain access to the services described in subsection (b);

(3) lacks appropriate child care assistance, which results in impeding the ability of such woman to utilize health and related social services;

(4) is fearful of accessing substance abuse services or child and family support services; or

(5) is a minor with a low income.

(f) Delivery of services and case management

(1) Case management model

Home visiting services provided under this section shall be delivered according to a case management model, and a registered nurse, licensed social worker, or other licensed health care professional with experience and expertise in providing health and related social services in home and community settings shall be assigned as the case manager for individual cases under such model.

(2) Case manager

A case manager assigned under paragraph (1) shall have primary responsibility for coordinating and overseeing the development of a plan for each family that is to receive home visiting services under this section, and for coordinating the delivery of such services provided through appropriate personnel.

(3) Appropriate personnel

In determining which personnel shall be utilized in the delivery of services, the case manager shall consider—

(A) the stated objective of the project to be operated with the grant, as determined after considering identified gaps in the current service delivery system; and

(B) the nature of the needs of the family to be served, as determined at the initial assessment of the family that is conducted by the case manager, and through follow-up contacts by other providers of home visiting services.

(4) Family service plan

A case manager, in consultation with a team established in accordance with paragraph (5) for the family involved, shall develop a plan for the family following the initial visit to the home of the family. Such plan shall reflect—

- (A) an assessment of the health and related social service needs of the family;
- (B) a structured plan for the delivery of home visiting services to meet the identified needs of the family;
- (C) the frequency with which such services are to be provided to the family;
- (D) ongoing revisions made as the needs of family members change; and
- (E) the continuing voluntary participation of the family in the plan.

(5) Home visiting services team

The team to be consulted under paragraph (4) on behalf of a family shall include, as appropriate, other nursing professionals, physician assistants, social workers, child welfare professionals, infant and early childhood specialists, nutritionists, and laypersons trained as home visitors. The case manager shall ensure that the plan is coordinated with those physician services that may be required by the mother or child.

(g) Outreach

Each grantee under subsection (a) shall provide outreach and casefinding services to inform eligible families of the availability of home visiting services from the project.

(h) Confidentiality

In accordance with applicable State law, an entity receiving a grant under subsection (a) shall maintain confidentiality with respect to services provided to families under this section.

(i) Certain assurances

The Secretary may award a grant under subsection (a) only if the entity involved provides assurances satisfactory to the Secretary that—

- (1) the entity will provide home visiting services with reasonable frequency—
 - (A) to families with pregnant women, as early in the pregnancy as is practicable, and until the infant reaches at least 2 years of age; and
 - (B) to other eligible families, for at least 2 years; and

(2) the entity will coordinate with public health and related social service agencies to prevent duplication of effort and improve the delivery of comprehensive health and related social services.

(j) Submission to Secretary of certain information

The Secretary may award a grant under subsection (a) only if the entity involved submits to the Secretary—

- (1) a description of the population to be targeted for home visiting services and methods of outreach and casefinding for identifying eligible families, including the use of lay home visitors where appropriate;
- (2) a description of the types and qualifications of home visitors used by the entity and the process by which the entity will provide continuing training and sufficient support to the home visitors; and
- (3) such other information as the Secretary determines to be appropriate.

(k) Limitation regarding administrative expenses

Not more than 10 percent of a grant under subsection (a) may be expended for administrative expenses with respect to the grant. The costs of training individuals to serve in the project involved are not subject to the preceding sentence.

(l) Restrictions on use of grant

To be eligible to receive a grant under this section, an entity must agree that the grant will not be expended—

- (1) to provide inpatient hospital services;
- (2) to make cash payments to intended recipients of services;
- (3) to purchase or improve land, purchase, construct, or permanently improve (other than minor remodeling) any building or other facility, or purchase major medical equipment;
- (4) to satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds; or
- (5) to provide financial assistance to any entity other than a public or nonprofit private entity.

(m) Reports to Secretary

To be eligible to receive a grant under this section, an entity must agree to submit an annual report on the services provided under this section to the Secretary in such manner and containing such information as the Secretary by regulation requires. At a minimum, the entity shall report information concerning eligible families, including—

- (1) the characteristics of the families and children receiving services under this section;
- (2) the usage, nature, and location of the provider, of preventive health services, including prenatal, primary infant, and child health care;
- (3) the incidence of low birthweight and premature infants;
- (4) the length of hospital stays for pre- and post-partum women and their children;
- (5) the incidence of substantiated child abuse and neglect for all children within participating families;
- (6) the number of emergency room visits for routine health care;
- (7) the source of payment for health care services and the extent to which the utilization of health care services, other than routine screening and medical care, available to the individuals under the program established under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.], and under other Federal, State, and local programs, is reduced;
- (8) the number and type of referrals made for health and related social services, including alcohol and drug treatment services, and the utilization of such services provided by the grantee; and
- (9) the incidence of developmental disabilities.

(n) Requirement of application

The Secretary may make a grant under subsection (a) only if—

- (1) an application for the grant is submitted to the Secretary;
- (2) the application contains the agreements and assurances required in this section, and the information required in subsection (j);
- (3) the application contains evidence that the preparation of the application has been coordinated with the State agencies responsible for maternal and child health and child welfare, and coordinated with services provided under part C of the Individuals with Disabilities Education Act [20 U.S.C. 1431 et seq.]; and
- (4) the application is in such form, is made in such manner, and contains such agreements, assurances, and information as the Secretary determines to be necessary to carry out this section.

(o) Peer review

(1) Requirement

In making determinations for awarding grants under subsection (a), the Secretary shall rely on the recommendations of the peer review panel established under paragraph (2).

(2) Composition

The Secretary shall establish a review panel to make recommendations under paragraph (1) that shall be composed of—

- (A) national experts in the fields of maternal and child health, child abuse and neglect, and

the provision of community-based primary health services; and

(B) representatives of relevant Federal agencies, including the Health Resources and Services Administration, the Substance Abuse and Mental Health Services Administration, the Administration for Children, Youth, and Families, the U.S. Advisory Board on Child Abuse and Neglect, and the National Commission to Prevent Infant Mortality.

(p) Evaluations

(1) In general

The Secretary shall, directly or through contracts with public or private entities—

(A) conduct evaluations to determine the effectiveness of projects under subsection (a) in reducing the incidence of children born with health or developmental complications, the incidence among children less than 3 years of age of such complications, and the incidence of child abuse and neglect; and

(B) not less than once during each 3-year period, prepare and submit to the appropriate committees of Congress a report concerning the results of such evaluations.

(2) Contents

The evaluations conducted under paragraph (1) shall—

(A) include a summary of the data contained in the annual reports submitted under subsection (m);

(B) assess the relative effectiveness of projects under subsection (a) in urban and rural areas, and among programs utilizing differing combinations of professionals and trained home visitors recruited from the community to meet the needs of defined target service populations; and

(C) make further recommendations necessary or desirable to increase the effectiveness of such projects.

(q) Definitions

For purposes of this section:

(1) The term "eligible entity" includes public and nonprofit private entities that provide health or related social services, including community-based organizations, visiting nurse organizations, hospitals, local health departments, community health centers, Native Hawaiian health centers, nurse managed clinics, family service agencies, child welfare agencies, developmental service providers, family resource and support programs, and resource mothers projects.

(2) The term "eligible family" means a family described in subsection (a).

(3) The term "health or developmental complication", with respect to a child, means—

(A) being born in an unhealthy or potentially unhealthy condition, including premature birth, low birthweight, and prenatal exposure to maternal substance abuse;

(B) a condition arising from a condition described in subparagraph (A);

(C) a physical disability or delay; and

(D) a developmental disability or delay.

(4) The term "home visiting services" means the services specified in subsection (b), provided at the residence of the eligible family involved or provided pursuant to arrangements made for the family (including arrangements for services in community settings).

(5) The term "home visitors" means providers of home visiting services.

(r) Authorization of appropriations

For the purpose of carrying out this section, there is authorized to be appropriated \$30,000,000 for each of the fiscal years 1993 and 1994.

(July 1, 1944, ch. 373, title III, §399, as added Pub. L. 102–321, title V, §502(2), July 10, 1992, 106 Stat. 427; amended Pub. L. 103–448, title II, §204(w)(2)(D), Nov. 2, 1994, 108 Stat. 4746; Pub. L. 108–446, title III, §305(i)(2), Dec. 3, 2004, 118 Stat. 2806.)

PART M—NATIONAL PROGRAM OF CANCER REGISTRIES

§280e. National program of cancer registries

(a) In general

(1) Statewide cancer registries

The Secretary, acting through the Director of the Centers for Disease Control, may make grants to States, or may make grants or enter into contracts with academic or nonprofit organizations designated by the State to operate the State's cancer registry in lieu of making a grant directly to the State, to support the operation of population-based, statewide registries to collect, for each condition specified in paragraph (2)(A), data concerning—

(A) demographic information about each case of cancer;

- (B) information on the industrial or occupational history of the individuals with the cancers, to the extent such information is available from the same record;
- (C) administrative information, including date of diagnosis and source of information;
- (D) pathological data characterizing the cancer, including the cancer site, stage of disease (pursuant to Staging Guide), incidence, and type of treatment; and
- (E) other elements determined appropriate by the Secretary.

(2) Cancer; benign brain-related tumors

(A) In general

For purposes of paragraph (1), the conditions referred to in this paragraph are the following:

- (i) Each form of in-situ and invasive cancer (with the exception of basal cell and squamous cell carcinoma of the skin), including malignant brain-related tumors.
- (ii) Benign brain-related tumors.

(B) Brain-related tumor

For purposes of subparagraph (A):

(i) The term "brain-related tumor" means a listed primary tumor (whether malignant or benign) occurring in any of the following sites:

- (I) The brain, meninges, spinal cord, cauda equina, a cranial nerve or nerves, or any other part of the central nervous system.
- (II) The pituitary gland, pineal gland, or craniopharyngeal duct.

(ii) The term "listed", with respect to a primary tumor, means a primary tumor that is listed in the International Classification of Diseases for Oncology (commonly referred to as the ICD–O).

(iii) The term "International Classification of Diseases for Oncology" means a classification system that includes topography (site) information and histology (cell type information) developed by the World Health Organization, in collaboration with international centers, to promote international comparability in the collection, classification, processing, and presentation of cancer statistics. The ICD–O system is a supplement to the International Statistical Classification of Diseases and Related Health Problems (commonly known as the ICD) and is the standard coding system used by cancer registries worldwide. Such term includes any modification made to such system for purposes of the United States. Such term further includes any published classification system that is internationally recognized as a successor to the classification system referred to in the first sentence of this clause.

(C) Statewide cancer registry

References in this section to cancer registries shall be considered to be references to registries described in this subsection.

(b) Matching funds

(1) In general

The Secretary may make a grant under subsection (a) only if the State, or the academic or nonprofit private organization designated by the State to operate the cancer registry of the State, involved agrees, with respect to the costs of the program, to make available (directly or through donations from public or private entities) non-Federal contributions toward such costs in an amount that is not less than 25 percent of such costs or \$1 for every \$3 of Federal funds provided in the grant.

(2) Determination of amount of non-Federal contribution; maintenance of effort

(A) Non-Federal contributions required in paragraph (1) may be in cash or in kind, fairly evaluated, including plant, equipment, or services. Amounts provided by the Federal Government, or services assisted or subsidized to any significant extent by the Federal Government, may not be included in determining the amount of such non-Federal contributions.

(B) With respect to a State in which the purpose described in subsection (a) is to be carried out, the Secretary, in making a determination of the amount of non-Federal contributions provided under paragraph (1), may include only such contributions as are in excess of the amount of such contributions made by the State toward the collection of data on cancer for the fiscal year preceding the first year for which a grant under subsection (a) is made with respect to the State. The Secretary may decrease the amount of non-Federal contributions that otherwise would have been required by this subsection in those cases in which the State can demonstrate that decreasing such amount is appropriate because of financial hardship.

(c) Eligibility for grants

(1) In general

No grant shall be made by the Secretary under subsection (a) unless an application has been submitted to, and approved by, the Secretary. Such application shall be in such form, submitted in such a manner, and be accompanied by such information, as the Secretary may specify. No such application may be approved unless it contains assurances that the applicant will use the funds provided only for the purposes specified in the approved application and in accordance with the requirements of this section, that the application will establish such fiscal control and fund accounting procedures as may be necessary to assure proper disbursement and accounting of Federal funds paid to the applicant under subsection (a), and that the applicant will comply with the peer review requirements under sections 289 and 289a of this title.

(2) Assurances

Each applicant, prior to receiving Federal funds under subsection (a), shall provide assurances satisfactory to the Secretary that the applicant will—

(A) provide for the establishment of a registry in accordance with subsection (a);

(B) comply with appropriate standards of completeness, timeliness, and quality of population-based cancer registry data;

(C) provide for the annual publication of reports of cancer data under subsection (a); and

(D) provide for the authorization under State law of the statewide cancer registry, including promulgation of regulations providing—

(i) a means to assure complete reporting of cancer cases (as described in subsection (a)) to the statewide cancer registry by hospitals or other facilities providing screening, diagnostic or therapeutic services to patients with respect to cancer;

(ii) a means to assure the complete reporting of cancer cases (as defined in subsection (a)) to the statewide cancer registry by physicians, surgeons, and all other health care practitioners diagnosing or providing treatment for cancer patients, except for cases directly referred to or previously admitted to a hospital or other facility providing screening, diagnostic or therapeutic services to patients in that State and reported by those facilities;

(iii) a means for the statewide cancer registry to access all records of physicians and surgeons, hospitals, outpatient clinics, nursing homes, and all other facilities, individuals, or agencies providing such services to patients which would identify cases of cancer or would establish characteristics of the cancer, treatment of the cancer, or medical status of any identified patient;

(iv) for the reporting of cancer case data to the statewide cancer registry in such a format, with such data elements, and in accordance with such standards of quality timeliness and completeness, as may be established by the Secretary;

(v) for the protection of the confidentiality of all cancer case data reported to the statewide cancer registry, including a prohibition on disclosure to any person of information reported to the statewide cancer registry that identifies, or could lead to the identification of, an individual cancer patient, except for disclosure to other State cancer registries and local and State health officers;

(vi) for a means by which confidential case data may in accordance with State law be disclosed to cancer researchers for the purposes of cancer prevention, control and research;

(vii) for the authorization or the conduct, by the statewide cancer registry or other persons

and organizations, of studies utilizing statewide cancer registry data, including studies of the sources and causes of cancer, evaluations of the cost, quality, efficacy, and appropriateness of diagnostic, therapeutic, rehabilitative, and preventative services and programs relating to cancer, and any other clinical, epidemiological, or other cancer research; and

(viii) for protection for individuals complying with the law, including provisions specifying that no person shall be held liable in any civil action with respect to a cancer case report provided to the statewide cancer registry, or with respect to access to cancer case information provided to the statewide cancer registry.

(d) Relationship to certain programs

(1) In general

This section may not be construed to act as a replacement for or diminishment of the program carried out by the Director of the National Cancer Institute and designated by such Director as the Surveillance, Epidemiology, and End Results Program (SEER).

(2) Supplanting of activities

In areas where both such programs exist, the Secretary shall ensure that SEER support is not supplanted and that any additional activities are consistent with the guidelines provided for in subsection (c)(2)(C) and (D) and are appropriately coordinated with the existing SEER program.

(3) Transfer of responsibility

The Secretary may not transfer administration responsibility for such SEER program from such Director.

(4) Coordination

To encourage the greatest possible efficiency and effectiveness of Federally supported efforts with respect to the activities described in this subsection, the Secretary shall take steps to assure the appropriate coordination of programs supported under this part with existing Federally supported cancer registry programs.

(e) Requirement regarding certain study on breast cancer

In the case of a grant under subsection (a) to any State specified in subsection (b) of section 280e-3 of this title, the Secretary may establish such conditions regarding the receipt of the grant as the Secretary determines are necessary to facilitate the collection of data for the study carried out under such section.

EDITORIAL NOTES

AMENDMENTS

2002—Subsec. (a). Pub. L. 107-260 designated existing provisions as par. (1), inserted par. (1) heading, substituted "population-based, statewide registries to collect, for each condition specified in paragraph (2)(A), data" for "population-based, statewide cancer registries in order to collect, for each form of in-situ and invasive cancer (with the exception of basal cell and squamous cell carcinoma of the skin), data", redesignated former pars. (1) to (5) as subpars. (A) to (E) of par. (1), respectively, and added par. (2).

2000—Subsec. (e). Pub. L. 106-310, §502(2)(B), substituted "subsection (b) of section 280e-3 of this title" for "section 280e-3(b) of this title" and "such section" for "section 399C".

CHANGE OF NAME

Centers for Disease Control changed to Centers for Disease Control and Prevention by Pub. L. 102-531, title III, §312, Oct. 27, 1992, 106 Stat. 3504.

EFFECTIVE DATE OF 2002 AMENDMENT

Pub. L. 107–260, §2(b), Oct. 29, 2002, 116 Stat. 1744, provided that: "The amendments made by subsection (a) [amending this section] apply to grants under section 399B of the Public Health Service Act [42 U.S.C. 280e] for fiscal year 2002 and subsequent fiscal years, except that, in the case of a State that received such a grant for fiscal year 2000, the Secretary of Health and Human Services may delay the applicability of such amendments to the State for not more than 12 months if the Secretary determines that compliance with such amendments requires the enactment of a statute by the State or the issuance of State regulations."

CONGRESSIONAL FINDINGS AND PURPOSE

Pub. L. 102–515, §2, Oct. 24, 1992, 106 Stat. 3372, provided that:

"(a) FINDINGS.—Congress finds that—

"(1) cancer control efforts, including prevention and early detection, are best addressed locally by State health departments that can identify unique needs;

"(2) cancer control programs and existing statewide population-based cancer registries have identified cancer incidence and cancer mortality rates that indicate the burden of cancer for Americans is substantial and varies widely by geographic location and by ethnicity;

"(3) statewide cancer incidence and cancer mortality data, can be used to identify cancer trends, patterns, and variation for directing cancer control intervention;

"(4) the American Association of Central Cancer Registries (AACCR) cites that of the 50 States, approximately 38 have established cancer registries, many are not statewide and 10 have no cancer registry; and

"(5) AACCR also cites that of the 50 States, 39 collect data on less than 100 percent of their population, and less than half have adequate resources for insuring minimum standards for quality and for completeness of case information.

"(b) PURPOSE.—It is the purpose of this Act [enacting this part and provisions set out as a note under section 201 of this title] to establish a national program of cancer registries."

§280e–1. Planning grants regarding registries

(a) In general

(1) States

The Secretary, acting through the Director of the Centers for Disease Control, may make grants to States for the purpose of developing plans that meet the assurances required by the Secretary under section 280e(c)(2) of this title.

(2) Other entities

For the purpose described in paragraph (1), the Secretary may make grants to public entities other than States and to nonprofit private entities. Such a grant may be made to an entity only if the State in which the purpose is to be carried out has certified that the State approves the entity as qualified to carry out the purpose.

(b) Application

The Secretary may make a grant under subsection (a) only if an application for the grant is submitted to the Secretary, the application contains the certification required in subsection (a)(2) (if the application is for a grant under such subsection), and the application is in such form, is made in such manner, and contains such agreements, assurances, and information as the Secretary determines to be necessary to carry out this section.

§280e–3. Study in certain States to determine factors contributing to elevated breast cancer mortality rates

(a) In general

Subject to subsections (c) and (d), the Secretary, acting through the Director of the National Cancer Institute, shall conduct a study for the purpose of determining the factors contributing to the fact that breast cancer mortality rates in the States specified in subsection (b) are elevated compared to rates in other States.

(b) Relevant States

The States referred to in subsection (a) are Connecticut, Delaware, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Rhode Island, Vermont, and the District of Columbia.

(c) Cooperation of State

The Secretary may conduct the study required in subsection (a) in a State only if the State agrees to cooperate with the Secretary in the conduct of the study, including providing information from any registry operated by the State pursuant to section 280e(a) of this title.

(d) Planning, commencement, and duration

The Secretary shall, during each of the fiscal years 1993 and 1994, develop a plan for conducting the study required in subsection (a). The study shall be initiated by the Secretary not later than fiscal year 1994, and the collection of data under the study may continue through fiscal year 1998.

POTENTIAL ENVIRONMENTAL AND OTHER RISKS CONTRIBUTING TO INCIDENCE OF BREAST CANCER

Pub. L. 103–43, title XIX, §1911, June 10, 1993, 107 Stat. 205, provided that Director of the National Cancer Institute, in collaboration with Director of the National Institute of Environmental Health Sciences, was to conduct case-control study to assess biological markers of environmental and other potential risk factors contributing to incidence of breast cancer in specified counties in State of New York and northeastern United States that had highest age-adjusted mortality rate of such cancer, and to report results of such study to Congress not later than 30 months after June 10, 1993.

§280e–3a. National childhood cancer registry

(a) In general

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, may make awards to State cancer registries to enhance and expand infrastructure to collect information to better understand the epidemiology of cancer in children, adolescents, and young adults. Such registries may be updated to include each occurrence of such cancers within a period of time designated by the Secretary.

(b) Activities

The grants described in subsection (a) may be used for—

- (1) identifying, recruiting, and training potential sources for reporting childhood, adolescent, and young adult cancer cases;
- (2) developing practices to ensure early inclusion of childhood, adolescent, and young adult cancer cases in State cancer registries through the use of electronic reporting;
- (3) collecting and submitting deidentified data to the Centers for Disease Control and Prevention for inclusion in a national database that includes information on childhood, adolescent, and young adult cancers; and
- (4) improving State cancer registries and the database described in paragraph (3), as appropriate, including to support the early inclusion of childhood, adolescent, and young adult cancer cases.

(c) Coordination

To encourage the greatest possible efficiency and effectiveness of federally supported efforts with respect to the activities described in this section, the Secretary shall ensure the appropriate coordination of programs supported under this section with other federally supported cancer registry programs and the activities under section 285a–11(a) of this title, as appropriate.

(d) Informed consent and privacy requirements and coordination with existing programs

The activities described in this section shall be subject to section 552a of title 5, the regulations promulgated under section 264(c) of the Health Insurance Portability and Accountability Act of 1996, applicable Federal and State informed consent regulations, any other applicable Federal and State laws relating to the privacy of patient information, and section 280e(d)(4) of this title.

STATUTORY NOTES AND RELATED SUBSIDIARIES

FINDINGS AND PURPOSES

Pub. L. 110-285, §§2, 3, July 29, 2008, 122 Stat. 2628, provided that:

"SEC. 2. FINDINGS

"Congress makes the following findings:

"(1) Cancer kills more children than any other disease.

"(2) Each year cancer kills more children between 1 and 20 years of age than asthma, diabetes, cystic fibrosis, and AIDS, combined.

"(3) Every year, over 12,500 young people are diagnosed with cancer.

"(4) Each year about 2,300 children and teenagers die from cancer.

"(5) One in every 330 Americans develops cancer before age 20.

"(6) Some forms of childhood cancer have proven to be so resistant that even in spite of the great research strides made, most of those children die. Up to 75 percent of the children with cancer can now be cured.

"(7) The causes of most childhood cancers are not yet known.

"(8) Childhood cancers are mostly those of the white blood cells (leukemias), brain, bone, the lymphatic system, and tumors of the muscles, kidneys, and nervous system. Each of these behaves differently, but all are characterized by an uncontrolled proliferation of abnormal cells.

"(9) Eighty percent of the children who are diagnosed with cancer have disease which has already spread to distant sites in the body.

"(10) Ninety percent of children with a form of pediatric cancer are treated at one of the more than 200 Children's Oncology Group member institutions throughout the United States.

"SEC. 3. PURPOSES

"It is the purpose of this Act [see Short Title of 2008 Amendment note set out under section 201 of this title] to authorize appropriations to—

"(1) encourage the support for pediatric cancer research and other activities related to pediatric cancer;

"(2) establish a comprehensive national childhood cancer registry; and

"(3) provide informational services to patients and families affected by childhood cancer."

§280e–4. Authorization of appropriations

(a) Registries

For the purpose of carrying out this part (other than section 280e–3a of this title), there are authorized to be appropriated \$30,000,000 for fiscal year 1994, and such sums as may be necessary for each of the fiscal years 1995 through 2003. Of the amounts appropriated under the preceding sentence for any such fiscal year, the Secretary may obligate not more than 25 percent for carrying out section 280e–1 of this title, and not more than 10 percent may be expended for assessing the accuracy, completeness and quality of data collected, and not more than 10 percent of which is to be expended under section 280e–2 of this title.

(b) Breast cancer study

Of the amounts appropriated for the National Cancer Institute under subpart 1 of part C of subchapter III for any fiscal year in which the study required in section 280e–3 of this title is being carried out, the Secretary shall expend not less than \$1,000,000 for the study.

1993—Subsec. (a). Pub. L. 103–183 substituted "through 1998" for "through 1996".

Pub. L. 103–43 substituted "there are authorized to be appropriated \$30,000,000 for fiscal year 1994, and such sums as may be necessary for each of the fiscal years 1995 through 1996" for "the Secretary may use \$30,000,000 for each of the fiscal years 1993 through 1997" in first sentence and "Of the amounts appropriated under the preceding sentence" for "Out of any amounts used" in second sentence.

§280e–5. Voluntary registry for firefighter cancer incidence

(a) In general

The Secretary of Health and Human Services (referred to in this section as the Secretary), acting through the Director of the Centers for Disease Control and Prevention and in coordination with other agencies as the Secretary determines appropriate, shall develop and maintain, directly or through a grant or cooperative agreement, a voluntary registry of firefighters (referred to in this section as the Firefighter Registry) to collect relevant health and occupational information of such firefighters for purposes of determining cancer incidence.

(b) Use of Firefighter Registry

The Firefighter Registry may be used for the following purposes:

- (1) To improve data collection and data coordination activities related to the nationwide monitoring of the incidence of cancer among firefighters.
- (2) To collect, consolidate, and maintain, consistent with subsection (g), epidemiological information and analyses related to cancer incidence and trends among firefighters ¹

(c) Relevant data

(1) Data collection

In carrying out the voluntary data collection for purposes of inclusion under the Firefighter Registry, the Secretary may collect the following:

- (A) Information, as determined by the Secretary under subsection (d)(1), of volunteer, paid-on-call, and career firefighters, independent of cancer status or diagnosis.
- (B) Individual risk factors and occupational history of firefighters.
- (C) Information, if available, related to—
 - (i) basic demographic information, including—
 - (I) the age of the firefighter involved during the relevant dates of occupation as a firefighter; and
 - (II) the age of cancer diagnosis;
 - (ii) the status of the firefighter as either volunteer, paid-on-call, or career firefighter;
 - (iii) the total number of years of occupation as a firefighter and a detailing of additional employment experience, whether concurrent, before, or anytime thereafter;
 - (iv)(I) the approximate number of fire incidents attended, including information related to the type of fire incidents and the role of the firefighter in responding to the incident; or
(II) in the case of a firefighter for whom information on such number and type is unavailable, an estimate of such number and type based on the method developed under subsection (d)(1)(D); and
 - (v) other medical information and health history, including additional risk factors, as appropriate, and other information relevant to a cancer incidence study of firefighters.

(2) Information on diagnoses and treatment

In carrying out paragraph (1), with respect to diagnoses and treatment of firefighters with cancer, the Secretary shall, as appropriate, enable the Firefighter Registry to electronically connect to State-based cancer registries, for a purpose described by clause (vi) or (vii) of section 280e(c)(2)(D) of this title, to obtain—

- (A) date of diagnoses and source of information; and
- (B) pathological data characterizing the cancer, including cancer site, state of disease (pursuant to Staging Guide), incidence, and type of treatment.

(d) Firefighter Registry coordination strategy

(1) Required strategy

The Secretary shall, in consultation with the relevant stakeholders identified in subsection (e), including epidemiologists and pathologists, develop a strategy to coordinate data collection activities, including within existing State registries, for inclusion in the Firefighter Registry established under this Act. The strategy may include the following:

- (A) Increasing awareness of the Firefighter Registry and encouraging participation among volunteer, paid-on-call, and career firefighters.
- (B) Consideration of unique data collection needs that may arise to generate a statistically reliable representation of minority, female, and volunteer firefighters, including methods, as needed, to encourage participation from such populations.
- (C) Information on how the Secretary will store data described in subsection (c)(1) and provide electronic access to relevant health information described in subsection (c)(2).
- (D) Working in consultation with the experts described in subsection (e), a reliable and

standardized method for estimating the number of fire incidents attended by a firefighter as well as the type of fire incident so attended in the case such firefighter is unable to provide such information.

(2) Report to Congress

The Secretary shall submit the strategy described in paragraph (1) to the Committee on Energy and Commerce of the House of Representatives and the Committee on Health, Education, Labor, and Pensions of the Senate not later than 30 days after the date of the completion of the strategy.

(3) Guidance for inclusion and maintenance of data on firefighters

The Secretary shall develop, in consultation with the stakeholders identified in subsection (e), State health agencies, State departments of homeland security, and volunteer, paid-on-call, combination, and career firefighting agencies, a strategy for inclusion of firefighters in the registry that are representative of the general population of firefighters, that outlines the following:

(A) How new information about firefighters will be submitted to the Firefighter Registry for inclusion.

(B) How information about firefighters will be maintained and updated in the Firefighter Registry over time.

(C) A method for estimating the number of fire incidents attended by a firefighter as well as the type of fire incident so attended in the case such firefighter is unable to provide such information.

(D) Further information, as deemed necessary by the Secretary.

(e) Consultation and report

The Secretary shall consult with non-Federal experts on the Firefighter Registry established under this section, and shall submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives a report that includes, as appropriate, information on goals achieved and improvements needed to strengthen the Firefighter Registry. Such non-Federal experts shall include the following:

(1) Public health experts with experience in developing and maintaining cancer registries.

(2) Epidemiologists with experience in studying cancer incidence.

(3) Clinicians with experience in diagnosing and treating cancer incidence.

(4) Active and retired volunteer, paid-on-call, and career firefighters as well as relevant national fire and emergency response organizations.

(f) Research availability

Subject to subsection (g), the Secretary shall ensure that information and analysis in the Firefighter Registry are available, as appropriate, to the public, including researchers, firefighters, and national fire service organizations.

(g) Privacy

In carrying out this Act, the Secretary shall ensure that information in and analysis of the Firefighter Registry are made available in a manner that, at a minimum, protects personal privacy to the extent required by applicable Federal and State privacy law.

(h) Authorization of funds

To carry out this section, there are authorized to be appropriated \$2,500,000 for each of the fiscal years 2018 through 2022.

PART N—NATIONAL FOUNDATION FOR THE CENTERS FOR DISEASE CONTROL AND PREVENTION

EDITORIAL NOTES

CODIFICATION

This part was formerly set out preceding part M of this subchapter.

§280e–11. Establishment and duties of Foundation

(a) In general

There shall be established in accordance with this section a nonprofit private corporation to be known as the National Foundation for the Centers for Disease Control and Prevention (in this part referred to as the "Foundation"). The Foundation shall not be an agency or instrumentality of the Federal Government, and officers, employees, and members of the board of the Foundation shall not be officers or employees of the Federal Government.

(b) Purpose of Foundation

The purpose of the Foundation shall be to support and carry out activities for the prevention and control of diseases, disorders, injuries, and disabilities, and for promotion of public health.

(c) Endowment fund

(1) In general

In carrying out subsection (b), the Foundation shall establish a fund for providing endowments for positions that are associated with the Centers for Disease Control and Prevention and dedicated to the purpose described in such subsection. Subject to subsection (f)(1)(B), the fund shall consist of such donations as may be provided by non-Federal entities and such non-Federal assets of the Foundation (including earnings of the Foundation and the fund) as the Foundation may elect to transfer to the fund.

(2) Authorized expenditures of fund

The provision of endowments under paragraph (1) shall be the exclusive function of the fund established under such paragraph. Such endowments may be expended only for the compensation of individuals holding the positions, for staff, equipment, quarters, travel, and other expenditures that are appropriate in supporting the positions, and for recruiting individuals to hold the positions endowed by the fund.

(d) Certain activities of Foundation

In carrying out subsection (b), the Foundation may provide for the following with respect to the purpose described in such subsection:

(1) Programs of fellowships for State and local public health officials to work and study in association with the Centers for Disease Control and Prevention.

(2) Programs of international arrangements to provide opportunities for public health officials of other countries to serve in public health capacities in the United States in association with the

Centers for Disease Control and Prevention or elsewhere, or opportunities for employees of such Centers (or other public health officials in the United States) to serve in such capacities in other countries, or both.

(3) Studies, projects, and research (which may include applied research on the effectiveness of prevention activities, demonstration projects, and programs and projects involving international, Federal, State, and local governments).

(4) Forums for government officials and appropriate private entities to exchange information. Participants in such forums may include institutions of higher education and appropriate international organizations.

(5) Meetings, conferences, courses, and training workshops.

(6) Programs to improve the collection and analysis of data on the health status of various populations.

(7) Programs for writing, editing, printing, and publishing of books and other materials.

(8) Other activities to carry out the purpose described in subsection (b).

(e) General structure of Foundation; nonprofit status

(1) Board of directors

The Foundation shall have a board of directors (in this part referred to as the "Board"), which shall be established and conducted in accordance with subsection (f). The Board shall establish the general policies of the Foundation for carrying out subsection (b), including the establishment of the bylaws of the Foundation.

(2) Executive director

The Foundation shall have an executive director (in this part referred to as the "Director"), who shall be appointed by the Board, who shall serve at the pleasure of the Board, and for whom the Board shall establish the rate of compensation. Subject to compliance with the policies and bylaws established by the Board pursuant to paragraph (1), the Director shall be responsible for the daily operations of the Foundation in carrying out subsection (b).

(3) Nonprofit status

In carrying out subsection (b), the Board shall establish such policies and bylaws under paragraph (1), and the Director shall carry out such activities under paragraph (2), as may be necessary to ensure that the Foundation maintains status as an organization that—

(A) is described in subsection (c)(3) of section 501 of title 26; and

(B) is, under subsection (a) of such section, exempt from taxation.

(f) Board of directors

(1) Certain bylaws

(A) In establishing bylaws under subsection (e)(1), the Board shall ensure that the bylaws of the Foundation include bylaws for the following:

(i) Policies for the selection of the officers, employees, agents, and contractors of the Foundation.

(ii) Policies, including ethical standards, for the acceptance and disposition of donations to the Foundation and for the disposition of the assets of the Foundation.

(iii) Policies for the conduct of the general operations of the Foundation.

(iv) Policies for writing, editing, printing, and publishing of books and other materials, and the acquisition of patents and licenses for devices and procedures developed by the Foundation.

(B) In establishing bylaws under subsection (e)(1), the Board shall ensure that the bylaws of the Foundation (and activities carried out under the bylaws) do not—

(i) reflect unfavorably upon the ability of the Foundation, or the Centers for Disease Control and Prevention, to carry out its responsibilities or official duties in a fair and objective manner; or

(ii) compromise, or appear to compromise, the integrity of any governmental program or any

officer or employee involved in such program.

(2) Composition

(A) Subject to subparagraph (B), the Board shall be composed of 7 individuals, appointed in accordance with paragraph (4), who collectively possess education or experience appropriate for representing the general field of public health, the general field of international health, and the general public. Each such individual shall be a voting member of the Board.

(B) The Board may, through amendments to the bylaws of the Foundation, provide that the number of members of the Board shall be a greater number than the number specified in subparagraph (A).

(3) Chair

The Board shall, from among the members of the Board, designate an individual to serve as the chair of the Board (in this subsection referred to as the "Chair").

(4) Appointments, vacancies, and terms

Subject to subsection (j) (regarding the initial membership of the Board), the following shall apply to the Board:

(A) Any vacancy in the membership of the Board shall be filled by appointment by the Board, after consideration of suggestions made by the Chair and the Director regarding the appointments. Any such vacancy shall be filled not later than the expiration of the 180-day period beginning on the date on which the vacancy occurs.

(B) The term of office of each member of the Board appointed under subparagraph (A) shall be 5 years. A member of the Board may continue to serve after the expiration of the term of the member until the expiration of the 180-day period beginning on the date on which the term of the member expires.

(C) A vacancy in the membership of the Board shall not affect the power of the Board to carry out the duties of the Board. If a member of the Board does not serve the full term applicable under subparagraph (B), the individual appointed to fill the resulting vacancy shall be appointed for the remainder of the term of the predecessor of the individual.

(5) Compensation

Members of the Board may not receive compensation for service on the Board. The members may be reimbursed for travel, subsistence, and other necessary expenses incurred in carrying out the duties of the Board.

(g) Certain responsibilities of executive director

In carrying out subsection (e)(2), the Director shall carry out the following functions:

(1) Hire, promote, compensate, and discharge officers and employees of the Foundation, and define the duties of the officers and employees.

(2) Accept and administer donations to the Foundation, and administer the assets of the Foundation.

(3) Establish a process for the selection of candidates for holding endowed positions under subsection (c).

(4) Enter into such financial agreements as are appropriate in carrying out the activities of the Foundation.

(5) Take such action as may be necessary to acquire patents and licenses for devices and procedures developed by the Foundation and the employees of the Foundation.

(6) Adopt, alter, and use a corporate seal, which shall be judicially noticed.

(7) Commence and respond to judicial proceedings in the name of the Foundation.

(8) Other functions that are appropriate in the determination of the Director.

(h) General provisions

(1) Authority for accepting funds

The Director of the Centers for Disease Control and Prevention may accept and utilize, on

behalf of the Federal Government, any gift, donation, bequest, or devise of real or personal property from the Foundation for the purpose of aiding or facilitating the work of such Centers. Funds may be accepted and utilized by such Director under the preceding sentence without regard to whether the funds are designated as general-purpose funds or special-purpose funds.

(2) Authority for acceptance of voluntary services

(A) The Director of the Centers for Disease Control and Prevention may accept, on behalf of the Federal Government, any voluntary services provided to such Centers by the Foundation for the purpose of aiding or facilitating the work of such Centers. In the case of an individual, such Director may accept the services provided under the preceding sentence by the individual until such time as the private funding for such individual ends.

(B) The limitation established in subparagraph (A) regarding the period of time in which services may be accepted applies to each individual who is not an employee of the Federal Government and who serves in association with the Centers for Disease Control and Prevention pursuant to financial support from the Foundation.

(3) Administrative control

No officer, employee, or member of the Board of the Foundation may exercise any administrative or managerial control over any Federal employee.

(4) Applicability of certain standards to non-Federal employees

In the case of any individual who is not an employee of the Federal Government and who serves in association with the Centers for Disease Control and Prevention pursuant to financial support from the Foundation, the Foundation shall negotiate a memorandum of understanding with the individual and the Director of the Centers for Disease Control and Prevention specifying that the individual—

(A) shall be subject to the ethical and procedural standards regulating Federal employment, scientific investigation, and research findings (including publications and patents) that are required of individuals employed by the Centers for Disease Control and Prevention, including standards under this chapter, chapter 131 of title 5, and the Technology Transfer Act; ¹ and

(B) shall be subject to such ethical and procedural standards under chapter 11 of title 18 (relating to conflicts of interest), as the Director of such Centers determines is appropriate, except such memorandum may not provide that the individual shall be subject to the standards of section 209 of title 18.

(5) Financial conflicts of interest

Any individual who is an officer, employee, or member of the Board of the Foundation may not directly or indirectly participate in the consideration or determination by the Foundation of any question affecting—

(A) any direct or indirect financial interest of the individual; or

(B) any direct or indirect financial interest of any business organization or other entity of which the individual is an officer or employee or in which the individual has a direct or indirect financial interest.

(6) Audits; availability of records

The Foundation shall—

(A) provide for biennial audits of the financial condition of the Foundation; and

(B) make such audits, and all other records, documents, and other papers of the Foundation, available to the Secretary and the Comptroller General of the United States for examination or audit.

(7) Reports

(A) Not later than February 1 of each fiscal year, the Foundation shall publish a report describing the activities of the Foundation during the preceding fiscal year. Each such report shall

include for the fiscal year involved a comprehensive statement of the operations, activities, financial condition, and accomplishments of the Foundation, including an accounting of the use of amounts provided for under subsection (i).

(B) With respect to the financial condition of the Foundation, each report under subparagraph (A) shall include the source, and a description of, all gifts to the Foundation of real or personal property, and the source and amount of all gifts to the Foundation of money. Each such report shall include a specification of any restrictions on the purposes for which gifts to the Foundation may be used.

(C) The Foundation shall make copies of each report submitted under subparagraph (A) available—

(i) for public inspection, and shall upon request provide a copy of the report to any individual for a charge not to exceed the cost of providing the copy; and

(ii) to the appropriate committees of Congress.

(8) Liaison from Centers for Disease Control and Prevention

The Director of the Centers for Disease Control and Prevention shall serve as the liaison representative of such Centers to the Board and the Foundation.

(i) Federal funding

(1) Authority for annual grants

(A) The Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall—

(i) for fiscal year 1993, make a grant to an entity described in subsection (j)(9) (relating to the establishment of a committee to establish the Foundation);

(ii) for fiscal year 1994, make a grant to the committee established under such subsection, or if the Foundation has been established, to the Foundation; and

(iii) for fiscal year 1995 and each subsequent fiscal year, make a grant to the Foundation.

(B) A grant under subparagraph (A) may be expended—

(i) in the case of an entity receiving the grant under subparagraph (A)(i), only for the purpose of carrying out the duties established in subsection (j)(9) for the entity;

(ii) in the case of the committee established under such subsection, only for the purpose of carrying out the duties established in subsection (j) for the committee; and

(iii) in the case of the Foundation, only for the purpose of the administrative expenses of the Foundation.

(C) A grant under subparagraph (A) may not be expended to provide amounts for the fund established under subsection (c).

(D) For the purposes described in subparagraph (B)—

(i) any portion of the grant made under subparagraph (A)(i) for fiscal year 1993 that remains unobligated after the entity receiving the grant completes the duties established in subsection (j)(9) for the entity shall be available to the committee established under such subsection; and

(ii) any portion of a grant under subparagraph (A) made for fiscal year 1993 or 1994 that remains unobligated after such committee completes the duties established in such subsection for the committee shall be available to the Foundation.

(2) Funding for grants

(A) For the purpose of grants under paragraph (1), there is authorized to be appropriated \$1,250,000 for each fiscal year.

(B) For the purpose of grants under paragraph (1), the Secretary may for each fiscal year make available not less than \$500,000, and not more than \$1,250,000 from the amounts appropriated for the fiscal year for the programs of the Department of Health and Human Services. Such amounts may be made available without regard to whether amounts have been appropriated under subparagraph (A).

(3) Certain restriction

If the Foundation receives Federal funds for the purpose of serving as a fiscal intermediary between Federal agencies, the Foundation may not receive such funds for the indirect costs of carrying out such purpose in an amount exceeding 10 percent of the direct costs of carrying out such purpose. The preceding sentence may not be construed as authorizing the expenditure of any grant under paragraph (1) for such purpose.

(4) Support services

The Director of the Centers for Disease Control and Prevention may provide facilities, utilities, and support services to the Foundation if it is determined by the Director to be advantageous to the programs of such Centers.

(j) Committee for establishment of Foundation

(1) In general

There shall be established in accordance with this subsection a committee to carry out the functions described in paragraph (2) (which committee is referred to in this subsection as the "Committee").

(2) Functions

The functions referred to in paragraph (1) for the Committee are as follows:

(A) To carry out such activities as may be necessary to incorporate the Foundation under the laws of the State involved, including serving as incorporators for the Foundation. Such activities shall include ensuring that the articles of incorporation for the Foundation require that the Foundation be established and operated in accordance with the applicable provisions of this part (or any successor to this part), including such provisions as may be in effect pursuant to amendments enacted after October 27, 1992.

(B) To ensure that the Foundation qualifies for and maintains the status described in subsection (e)(3) (regarding taxation).

(C) To establish the general policies and initial bylaws of the Foundation, which bylaws shall include the bylaws described in subsections (e)(3) and (f)(1).

(D) To provide for the initial operation of the Foundation, including providing for quarters, equipment, and staff.

(E) To appoint the initial members of the Board in accordance with the requirements established in subsection (f)(2)(A) for the composition of the Board, and in accordance with such other qualifications as the Committee may determine to be appropriate regarding such composition. Of the members so appointed—

- (i) 2 shall be appointed to serve for a term of 3 years;
- (ii) 2 shall be appointed to serve for a term of 4 years; and
- (iii) 3 shall be appointed to serve for a term of 5 years.

(3) Completion of functions of Committee; initial meeting of Board

(A) The Committee shall complete the functions required in paragraph (1) not later than September 30, 1994. The Committee shall terminate upon the expiration of the 30-day period beginning on the date on which the Secretary determines that the functions have been completed.

(B) The initial meeting of the Board shall be held not later than November 1, 1994.

(4) Composition

The Committee shall be composed of 5 members, each of whom shall be a voting member. Of the members of the Committee—

(A) no fewer than 2 shall have broad, general experience in public health; and

(B) no fewer than 2 shall have broad, general experience in nonprofit private organizations (without regard to whether the individuals have experience in public health).

(5) Chair

The Committee shall, from among the members of the Committee, designate an individual to

serve as the chair of the Committee.

(6) Terms; vacancies

The term of members of the Committee shall be for the duration of the Committee. A vacancy in the membership of the Committee shall not affect the power of the Committee to carry out the duties of the Committee. If a member of the Committee does not serve the full term, the individual appointed to fill the resulting vacancy shall be appointed for the remainder of the term of the predecessor of the individual.

(7) Compensation

Members of the Committee may not receive compensation for service on the Committee. Members of the Committee may be reimbursed for travel, subsistence, and other necessary expenses incurred in carrying out the duties of the Committee.

(8) Committee support

The Director of the Centers for Disease Control and Prevention may, from amounts available to the Director for the general administration of such Centers, provide staff and financial support to assist the Committee with carrying out the functions described in paragraph (2). In providing such staff and support, the Director may both detail employees and contract for assistance.

(9) Grant for establishment of Committee

(A) With respect to a grant under paragraph (1)(A)(i) of subsection (i) for fiscal year 1993, an entity described in this paragraph is a private nonprofit entity with significant experience in domestic and international issues of public health. Not later than 180 days after October 27, 1992, the Secretary shall make the grant to such an entity (subject to the availability of funds under paragraph (2) of such subsection).

(B) The grant referred to in subparagraph (A) may be made to an entity only if the entity agrees that—

(i) the entity will establish a committee that is composed in accordance with paragraph (4); and

(ii) the entity will not select an individual for membership on the Committee unless the individual agrees that the Committee will operate in accordance with each of the provisions of this subsection that relate to the operation of the Committee.

(C) The Secretary may make a grant referred to in subparagraph (A) only if the applicant for the grant makes an agreement that the grant will not be expended for any purpose other than carrying out subparagraph (B). Such a grant may be made only if an application for the grant is submitted to the Secretary containing such agreement, and the application is in such form, is made in such manner, and contains such other agreements and such assurances and information as the Secretary determines to be necessary to carry out this paragraph.

PART P—ADDITIONAL PROGRAMS

§280g. Children's asthma treatment grants program

(a) Authority to make grants

(1) In general

In addition to any other payments made under this chapter or title V of the Social Security Act [42 U.S.C. 701 et seq.], the Secretary shall award grants to eligible entities to carry out the following purposes:

(A) To provide access to quality medical care for children who live in areas that have a high prevalence of asthma and who lack access to medical care.

(B) To provide on-site education to parents, children, health care providers, and medical teams to recognize the signs and symptoms of asthma, and to train them in the use of medications to treat asthma and prevent its exacerbations.

(C) To decrease preventable trips to the emergency room by making medication available to individuals who have not previously had access to treatment or education in the management of asthma.

(D) To provide other services, such as smoking cessation programs, home modification, and other direct and support services that ameliorate conditions that exacerbate or induce asthma.

(2) ¹ Certain projects

In making grants under paragraph (1), the Secretary may make grants designed to develop and expand the following projects:

(A) Projects to provide comprehensive asthma services to children in accordance with the guidelines of the National Asthma Education and Prevention Program (through the National Heart, Lung and Blood Institute), including access to care and treatment for asthma in a community-based setting.

(B) Projects to fully equip mobile health care clinics that provide preventive asthma care including diagnosis, physical examinations, pharmacological therapy, skin testing, peak flow meter testing, and other asthma-related health care services.

(C) Projects to conduct validated asthma management education programs for patients with asthma and their families, including patient education regarding asthma management, family education on asthma management, and the distribution of materials, including displays and videos, to reinforce concepts presented by medical teams.

(2) ¹ Award of grants

(A) Application

(i) In general

An eligible entity shall submit an application to the Secretary for a grant under this section in such form and manner as the Secretary may require.

(ii) Required information

An application submitted under this subparagraph shall include a plan for the use of funds awarded under the grant and such other information as the Secretary may require.

(B) Requirement

In awarding grants under this section, the Secretary shall give preference to eligible entities that demonstrate that the activities to be carried out under this section shall be in localities within areas of known or suspected high prevalence of childhood asthma or high asthma-related mortality or high rate of hospitalization or emergency room visits for asthma (relative to the average asthma prevalence rates and associated mortality rates in the United States). Acceptable data sets to demonstrate a high prevalence of childhood asthma or high asthma-related mortality may include data from Federal, State, or local vital statistics, claims data under title XIX or XXI of the Social Security Act [42 U.S.C. 1396 et seq., 1397aa et seq.], other public health statistics or surveys, or other data that the Secretary, in consultation with the Director of the Centers for Disease Control and Prevention, deems appropriate.

(3) Definition of eligible entity

For purposes of this section, the term "eligible entity" means a public or nonprofit private entity (including a State or political subdivision of a State), or a consortium of any of such entities.

(b) Coordination with other children's programs

An eligible entity shall identify in the plan submitted as part of an application for a grant under this section how the entity will coordinate operations and activities under the grant with—

(1) other programs operated in the State that serve children with asthma, including any such programs operated under title V, XIX, or XXI of the Social Security Act [42 U.S.C. 701 et seq., 1396 et seq., 1397aa et seq.]; and

(2) one or more of the following—

(A) the child welfare and foster care and adoption assistance programs under parts B and E of title IV of such Act [42 U.S.C. 620 et seq., 670 et seq.];

(B) the head start program established under the Head Start Act (42 U.S.C. 9831 et seq.);

(C) the program of assistance under the special supplemental nutrition program for women, infants and children (WIC) under section 1786 of this title;

(D) local public and private elementary or secondary schools; or

(E) public housing agencies, as defined in section 1437a of this title.

(c) Evaluation

An eligible entity that receives a grant under this section shall submit to the Secretary an evaluation of the operations and activities carried out under the grant that includes—

(1) a description of the health status outcomes of children assisted under the grant;

(2) an assessment of the utilization of asthma-related health care services as a result of activities carried out under the grant;

(3) the collection, analysis, and reporting of asthma data according to guidelines prescribed by the Director of the Centers for Disease Control and Prevention; and

(4) such other information as the Secretary may require.

(d) Preference for States that allow students to self-administer medication to treat asthma and anaphylaxis

(1) Preference

The Secretary, in making any grant under this section or any other grant that is asthma-related (as determined by the Secretary) to a State, shall give preference to any State that satisfies the following:

(A) In general

The State must require that each public elementary school and secondary school in that State will grant to any student in the school an authorization for the self-administration of medication to treat that student's asthma or anaphylaxis, if—

(i) a health care practitioner prescribed the medication for use by the student during school hours and instructed the student in the correct and responsible use of the medication;

(ii) the student has demonstrated to the health care practitioner (or such practitioner's designee) and the school nurse (if available) the skill level necessary to use the medication and any device that is necessary to administer such medication as prescribed;

(iii) the health care practitioner formulates a written treatment plan for managing asthma or anaphylaxis episodes of the student and for medication use by the student during school hours; and

(iv) the student's parent or guardian has completed and submitted to the school any written documentation required by the school, including the treatment plan formulated under clause (iii) and other documents related to liability.

(B) Scope

An authorization granted under subparagraph (A) must allow the student involved to possess and use his or her medication—

(i) while in school;

(ii) while at a school-sponsored activity, such as a sporting event; and

(iii) in transit to or from school or school-sponsored activities.

(C) Duration of authorization

An authorization granted under subparagraph (A)—

(i) must be effective only for the same school and school year for which it is granted; and

(ii) must be renewed by the parent or guardian each subsequent school year in accordance with this subsection.

(D) Backup medication

The State must require that backup medication, if provided by a student's parent or guardian, be kept at a student's school in a location to which the student has immediate access in the event of an asthma or anaphylaxis emergency.

(E) Maintenance of information

The State must require that information described in subparagraphs (A)(iii) and (A)(iv) be kept on file at the student's school in a location easily accessible in the event of an asthma or anaphylaxis emergency.

(F) School personnel administration of epinephrine or school comprehensive allergies and asthma management program

(i) In general

In determining the preference (if any) to be given to a State under this subsection, the Secretary shall give additional preference to a State that provides to the Secretary the certification described in subparagraph (G) and that requires that each public elementary school and secondary school in the State satisfy the criteria described in clause (ii) or clause (iii).

(ii) Criteria for school personnel administration of epinephrine

For purposes of clause (i), the criteria described in this clause, with respect to each public elementary school and secondary school in the State, are that each such school—

(I) permits trained personnel of the school to administer epinephrine to any student of the school reasonably believed to be having an anaphylactic reaction;

(II) maintains a supply of epinephrine in a secure location that is easily accessible to trained personnel of the school for the purpose of administration to any student of the school reasonably believed to be having an anaphylactic reaction; and

(III) has in place a plan for having on the premises of the school during all operating hours of the school one or more individuals who are trained personnel of the school.

(iii) Criteria for school comprehensive allergies and asthma management program

For purposes of clause (i), the criteria described in this clause, with respect to each public elementary school and secondary school in the State, are that each such school—

(I) has in place a plan for having on the premises of the school during all operating hours of the school a school nurse or one or more other individuals who are designated by the principal (or other appropriate administrative staff) of the school to direct and apply the program described in subclause (II) on a voluntary basis outside their scope of employment; and

(II) has in place, under the direction of a school nurse or other individual designated under subclause (I), a comprehensive school-based allergies and asthma management program that includes—

(aa) a method to identify all students of such school with a diagnosis of allergies and asthma;

(bb) an individual student allergies and asthma action plan for each student of such school with a diagnosis of allergies and asthma;

(cc) allergies and asthma education for school staff who are directly responsible for students who have been identified as having allergies or asthma, such as education regarding basics, management, trigger management, and comprehensive emergency responses with respect to allergies and asthma;

(dd) efforts to reduce the presence of environmental triggers of allergies and asthma; and

(ee) a system to support students with a diagnosis of allergies or asthma through coordination with family members of such students, primary care providers of such students, primary asthma or allergy care providers of such students, and others as necessary.

(G) Civil liability protection law

The certification required in subparagraph (F) shall be a certification made by the State attorney general that the State has reviewed any applicable civil liability protection law to determine the application of such law with regard to elementary and secondary school trained personnel who may administer epinephrine to a student reasonably believed to be having an anaphylactic reaction and has concluded that such law provides adequate civil liability protection applicable to such trained personnel. For purposes of the previous sentence, the term "civil liability protection law" means a State law offering legal protection to individuals who give aid on a voluntary basis in an emergency to an individual who is ill, in peril, or otherwise incapacitated.

(2) Rule of construction

Nothing in this subsection creates a cause of action or in any other way increases or diminishes the liability of any person under any other law.

(3) Definitions

For purposes of this subsection:

(A) The terms "elementary school" and "secondary school" have the meaning given to those terms in section 7801 of title 20.

(B) The term "health care practitioner" means a person authorized under law to prescribe drugs subject to section 353(b) of title 21.

(C) The term "medication" means a drug as that term is defined in section 321 of title 21 and includes inhaled bronchodilators and auto-injectable epinephrine.

(D) The term "self-administration" means a student's discretionary use of his or her prescribed asthma or anaphylaxis medication, pursuant to a prescription or written direction from a health care practitioner.

(E) The term "trained personnel" means, with respect to an elementary or secondary school, an individual, such as the school nurse—

(i) who has been designated by the school nurse or principal (or other appropriate administrative staff) of the school to administer epinephrine on a voluntary basis outside their scope of employment;

(ii) who has received training in the administration of epinephrine; and

(iii) whose training in the administration of epinephrine meets appropriate medical standards and has been documented by appropriate administrative staff of the school.

(e) Authorization of appropriations

For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 2001 through 2005.

(July 1, 1944, ch. 373, title III, §399L, as added Pub. L. 106–310, div. A, title V, §501, Oct. 17, 2000, 114 Stat. 1113; amended Pub. L. 108–377, §3(a), Oct. 30, 2004, 118 Stat. 2203; Pub. 2004—Subsecs. (d), (e). Pub. L. 108–377 added subsec. (d) and redesignated former subsec. (d) as (e).

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2015 AMENDMENT

Amendment by Pub. L. 114–95 effective Dec. 10, 2015, except with respect to certain noncompetitive programs and competitive programs, see section 5 of Pub. L. 114–95, set out as a note under section 6301 of Title 20, Education.

EFFECTIVE DATE OF 2004 AMENDMENT

Pub. L. 108–377, §3(b), Oct. 30, 2004, 118 Stat. 2204, provided that: "The amendments made by this section [amending this section] shall apply only with respect to grants made on or after the date that is 9 months after the date of the enactment of this Act [Oct. 30, 2004]."

FINDINGS OF 2004 AMENDMENT

Pub. L. 108–377, §2, Oct. 30, 2004, 118 Stat. 2202, provided that: "The Congress finds the following:

"(1) Asthma is a chronic condition requiring lifetime, ongoing medical intervention.

"(2) In 1980, 6,700,000 Americans had asthma.

"(3) In 2001, 20,300,000 Americans had asthma; 6,300,000 children under age 18 had asthma.

"(4) The prevalence of asthma among African-American children was 40 percent greater than among Caucasian children, and more than 26 percent of all asthma deaths are in the African-American population.

"(5) In 2000, there were 1,800,000 asthma-related visits to emergency departments (more than 728,000 of these involved children under 18 years of age).

"(6) In 2000, there were 465,000 asthma-related hospitalizations (214,000 of these involved children under 18 years of age).

"(7) In 2000, 4,487 people died from asthma, and of these 223 were children.

"(8) According to the Centers for Disease Control and Prevention, asthma is a common cause of missed school days, accounting for approximately 14,000,000 missed school days annually.

"(9) According to the New England Journal of Medicine, working parents of children with asthma lose an estimated \$1,000,000,000 a year in productivity.

"(10) At least 30 States have legislation protecting the rights of children to carry and self-administer asthma metered-dose inhalers, and at least 18 States expand this protection to epinephrine auto-injectors.

"(11) Tragic refusals of schools to permit students to carry their inhalers and auto-injectable epinephrine have occurred, some resulting in death and spawning litigation.

"(12) School district medication policies must be developed with the safety of all students in mind. The immediate and correct use of asthma inhalers and auto-injectable epinephrine are necessary to avoid serious respiratory complications and improve health care outcomes.

"(13) No school should interfere with the patient-physician relationship.

"(14) Anaphylaxis, or anaphylactic shock, is a systemic allergic reaction that can kill within minutes. Anaphylaxis occurs in some asthma patients. According to the American Academy of Allergy, Asthma, and Immunology, people who have experienced symptoms of anaphylaxis previously are at risk for subsequent reactions and should carry an epinephrine auto-injector with them at all times, if prescribed.

"(15) An increasing number of students and school staff have life-threatening allergies. Exposure to the affecting allergen can trigger anaphylaxis. Anaphylaxis requires prompt medical intervention with an injection of epinephrine."

¹ So in original. Two pars. (2) have been enacted.

§280g–1. Early detection, diagnosis, and treatment regarding deaf and hard-of-hearing newborns, infants, and young children

(a) Statewide newborn, infant, and young child hearing screening, evaluation and intervention programs and systems

The Secretary, acting through the Administrator of the Health Resources and Services Administration, shall make awards of grants or cooperative agreements to develop statewide newborn, infant, and young child hearing screening, evaluation, diagnosis, and intervention programs and systems, and to assist in the recruitment, retention, education, and training of qualified personnel and health care providers (including, as appropriate, education and training of family members), for the following purposes:

(1) To develop and monitor the efficacy of statewide programs and systems for hearing screening of newborns, infants, and young children (referred to in this section as "children"); prompt evaluation and diagnosis of children referred from screening programs; and appropriate

educational, audiological, medical, and communication (or language acquisition) interventions (including family support), for children identified as deaf or hard-of-hearing, consistent with the following:

(A) Early intervention includes referral to, and delivery of, information and services by organizations such as schools and agencies (including community, consumer, and family-based agencies), in health care settings (including medical homes for children), and in programs mandated by part C of the Individuals with Disabilities Education Act [20 U.S.C. 1431 et seq.], which offer programs specifically designed to meet the unique language and communication needs of deaf and hard-of-hearing children.

(B) Information provided to families should be accurate, comprehensive, up-to-date, and evidence-based, as appropriate, to allow families to make important decisions for their children in a timely manner, including decisions with respect to the full range of assistive hearing technologies and communications modalities, as appropriate.

(C) Programs and systems under this paragraph shall offer mechanisms that foster family-to-family and deaf and hard-of-hearing consumer-to-family supports.

(2) To continue to provide technical support to States, through one or more technical resource centers, to assist in further developing and enhancing State early hearing detection and intervention programs.

(3) To identify or develop efficient models (educational and medical) to ensure that children who are identified as deaf or hard-of-hearing through screening receive follow-up by qualified early intervention providers or qualified health care providers (including those at medical homes for children), and referrals, as appropriate, including to early intervention services under part C of the Individuals with Disabilities Education Act [20 U.S.C. 1431 et seq.]. State agencies shall be encouraged to effectively increase the rate of such follow-up and referral.

(b) Technical assistance, data management, and applied research

(1) Centers for Disease Control and Prevention

(A) In general

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall make awards of grants or cooperative agreements to provide technical assistance to State agencies or designated entities of States—

(i) to develop, maintain, and improve data collection systems related to newborn, infant, and young child hearing screening, evaluation (including audiologic, medical, and language acquisition evaluations), diagnosis, and intervention services;

(ii) to conduct applied research related to newborn, infant, and young child hearing screening, evaluation, and intervention programs and outcomes;

(iii) to ensure quality monitoring of hearing screening, evaluation, and intervention programs and systems for newborns, infants, and young children; and

(iv) to support newborn, infant, and young child hearing screening, evaluation, and intervention programs, and information systems.

(B) Use of awards

The awards made under subparagraph (A) may be used—

(i) to provide technical assistance on data collection and management, including to coordinate and develop standardized procedures for data management;

(ii) to assess and report on the cost and program effectiveness of newborn, infant, and young child hearing screening, evaluation, and intervention programs and systems;

(iii) to collect data and report on newborn, infant, and young child hearing screening, evaluation, diagnosis, and intervention programs and systems for applied research, program evaluation, and policy improvement;

(iv) to identify the causes and risk factors for congenital hearing loss;

(v) to study the effectiveness of newborn, infant, and young child hearing screening,

audiologic and medical evaluations and intervention programs and systems by assessing the health, intellectual and social developmental, cognitive, and hearing status of these children at school age; and

(vi) to promote the integration and interoperability of data regarding early hearing loss across multiple sources to increase the flow of information between clinical care and public health settings, including the ability of States and territories to exchange and share data.

(2) National Institutes of Health

The Director of the National Institutes of Health, acting through the Director of the National Institute on Deafness and Other Communication Disorders, shall for purposes of this section, continue a program of research and development on the efficacy of new screening techniques and technology, including clinical studies of screening methods, studies on efficacy of intervention, and related research.

(c) Coordination and collaboration

(1) In general

In carrying out programs under this section, the Administrator of the Health Resources and Services Administration, the Director of the Centers for Disease Control and Prevention, and the Director of the National Institutes of Health shall collaborate and consult with—

(A) other Federal agencies;

(B) State and local agencies, including agencies responsible for early intervention services pursuant to title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] (Medicaid Early and Periodic Screening, Diagnosis and Treatment Program); title XXI of the Social Security Act [42 U.S.C. 1397aa et seq.] (State Children's Health Insurance Program); title V of the Social Security Act [42 U.S.C. 701 et seq.] (Maternal and Child Health Block Grant Program); and part C of the Individuals with Disabilities Education Act [20 U.S.C. 1431 et seq.];

(C) consumer groups of, and that serve, individuals who are deaf and hard-of-hearing and their families;

(D) appropriate national medical and other health and education specialty organizations;

(E) individuals who are deaf or hard-of-hearing and their families;

(F) other qualified professional personnel who are proficient in deaf or hard-of-hearing children's language and who possess the specialized knowledge, skills, and attributes needed to serve deaf and hard-of-hearing children, and their families;

(G) third-party payers and managed care organizations; and

(H) related commercial industries.

(2) Policy development

The Administrator of the Health Resources and Services Administration, the Director of the Centers for Disease Control and Prevention, and the Director of the National Institutes of Health shall coordinate and collaborate on recommendations for policy development at the Federal and State levels and with the private sector, including consumer, medical and other health and education professional-based organizations, with respect to newborn and infant hearing screening, evaluation, diagnosis, and intervention programs and systems.

(3) State early detection, diagnosis, and intervention programs and systems; data collection

The Administrator of the Health Resources and Services Administration and the Director of the Centers for Disease Control and Prevention shall coordinate and collaborate in assisting States—

(A) to establish newborn, infant, and young child hearing screening, evaluation, diagnosis, and intervention programs and systems under subsection (a); and

(B) to develop a data collection system under subsection (b).

(d) Rule of construction; religious accommodation

Nothing in this section shall be construed to preempt or prohibit any State law, including State laws that do not require the screening for hearing loss of children of parents who object to the screening on the grounds that such screening conflicts with the parent's religious beliefs.

(e) Definitions

For purposes of this section:

(1) The term "audiologic", when used in connection with evaluation, means procedures—

(A) to assess the status of the auditory system;

(B) to establish the site of the auditory disorder, the type and degree of hearing loss, and the potential effects of hearing loss on communication; and

(C) to identify appropriate treatment and referral options, including—

(i) linkage to State coordinating agencies under part C of the Individuals with Disabilities Education Act [20 U.S.C. 1431 et seq.] or other appropriate agencies;

(ii) medical evaluation;

(iii) assessment for the full range of assistive hearing technologies appropriate for newborns, infants, and young children;

(iv) audiologic rehabilitation treatment; and

(v) referral to national and local consumer, self-help, parent, family, and education organizations, and other family-centered services.

(2) The term "early intervention" means—

(A) providing appropriate services for the child who is deaf or hard-of-hearing, including nonmedical services; and

(B) ensuring that the family of the child is—

(i) provided comprehensive, consumer-oriented information about the full range of family support, training, information services, and language acquisition in oral and visual modalities; and

(ii) given the opportunity to consider and obtain the full range of such appropriate services, educational and program placements, and other options for the child from highly qualified providers.

(3) The term "medical evaluation" means key components performed by a physician including history, examination, and medical decisionmaking focused on symptomatic and related body systems for the purpose of diagnosing the etiology of hearing loss and related physical conditions, and for identifying appropriate treatment and referral options.

(4) The term "medical intervention" means the process by which a physician provides medical diagnosis and direction for medical or surgical treatment options for hearing loss or other medical disorders associated with hearing loss.

(5) The term "newborn, infant, and young child hearing screening" means objective physiologic procedures to detect possible hearing loss and to identify newborns, infants, and young children under 3 years of age who require further audiologic and medical evaluations.

(f) Authorization of appropriations

(1) Statewide newborn and infant hearing screening, evaluation and intervention programs and systems

For the purpose of carrying out subsection (a), there are authorized to be appropriated to the Health Resources and Services Administration \$17,818,000 for each of fiscal years 2023 through 2027.

(2) Technical assistance, data management, and applied research; Centers for Disease Control and Prevention

For the purpose of carrying out subsection (b)(1), there are authorized to be appropriated to the Centers for Disease Control and Prevention \$10,760,000 for each of fiscal years 2023 through 2027.

(3) Technical assistance, data management, and applied research; National Institute on Deafness and Other Communication Disorders

For the purpose of carrying out subsection (b)(2), there are authorized to be appropriated to the

National Institute on Deafness and Other Communication Disorders such sums as may be necessary for fiscal years 2011 through 2015.

(July 1, 1944, ch. 373, title III, §399M, as added Pub. L. 106–310, div. A, title VII, §702, Oct. 17, 2000, 114 Stat. 1121; amended Pub. L. 111–337, §2, Dec. 22, 2010, 124 Stat. 3588; Pub. L. 115–71, §2, Oct. 18, 2017, 131 Stat. 1218; Pub. L. 117–241, §2, Dec. 20, 2022, 136 Stat. 2332.)

AMENDMENTS

2022—Subsec. (e)(3). Pub. L. 117–241, §2(1), inserted par. (3) designation before "The term " 'medical evaluation' " .

Subsec. (f)(1). Pub. L. 117–241, §2(2)(A), substituted "\$17,818,000 for each of fiscal years 2023 through 2027" for "\$17,818,000 for fiscal year 2018, \$18,173,800 for fiscal year 2019, \$18,628,145 for fiscal year 2020, \$19,056,592 for fiscal year 2021, and \$19,522,758 for fiscal year 2022".

Subsec. (f)(2). Pub. L. 117–241, §2(2)(B), substituted "\$10,760,000 for each of fiscal years 2023 through 2027" for "\$10,800,000 for fiscal year 2018, \$11,026,800 for fiscal year 2019, \$11,302,470 for fiscal year 2020, \$11,562,427 for fiscal year 2021, and \$11,851,488 for fiscal year 2022".

2017—Pub. L. 115–71, §2(a), substituted "Early detection, diagnosis, and treatment regarding deaf and hard-of-hearing newborns, infants, and young children" for "Early detection, diagnosis, and treatment regarding hearing loss in newborns and infants" in section catchline.

Subsec. (a). Pub. L. 115–71, §2(b)(2), substituted "newborn, infant, and young child" for "newborn and infant" and "providers (including, as appropriate, education and training of family members)," for "providers," in introductory provisions.

Pub. L. 115–71, §2(b)(1), substituted "newborn, infant, and young child" for "newborn and infant" in heading.

Subsec. (a)(1). Pub. L. 115–71, §2(b)(3), in first sentence, substituted "newborns, infants, and young children (referred to in this section as 'children')" for "newborns and infants" and "medical, and communication (or language acquisition) interventions (including family support), for children identified as deaf or hard-of-hearing, consistent with the following:" for "and medical interventions for children identified with hearing loss."; designated second sentence as subpar. (A) and substituted ", and delivery of," for "and delivery of", "by organizations such as schools and agencies (including community, consumer, and family-based agencies), in health care settings (including medical homes for children), and in programs mandated" for "by schools and agencies, including community, consumer, and parent-based agencies and organizations and other programs mandated", and "hard-of-hearing children." for "hard of hearing newborns, infants, toddlers, and children."; struck out third sentence which read "Programs and systems under this paragraph shall establish and foster family-to-family support mechanisms that are critical in the first months after a child is identified with hearing loss."; and added subpars. (B) and (C).

Subsec. (a)(2). Pub. L. 115–71, §2(b)(4), substituted "To continue to provide technical support to States, through one or more technical resource centers, to assist in further developing and enhancing State early hearing detection and intervention programs." for "To collect data on statewide newborn and infant hearing screening, evaluation and intervention programs and systems that can be used for applied research, program evaluation and policy development."

Subsec. (a)(3). Pub. L. 115–71, §2(b)(5), added par. (3) and struck out former par. (3) which read as follows: "Other activities may include developing efficient models to ensure that newborns and infants who are identified with a hearing loss through screening receive follow-up by a qualified health care provider, and State agencies shall be encouraged to adopt models that effectively increase the rate of occurrence of such follow-up."

Subsec. (b)(1). Pub. L. 115–71, §2(c), made extensive amendments to text and structure of par. (1). Prior to amendments, text of par. (1) read as follows: "The Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall make awards of grants or cooperative agreements to provide technical assistance to State agencies to complement an intramural program and to conduct applied research related to newborn and infant hearing screening, evaluation and intervention programs and systems. The program shall develop standardized procedures for data management and program effectiveness and costs, such as—

"(A) to ensure quality monitoring of newborn and infant hearing loss screening, evaluation, diagnosis, and intervention programs and systems;

"(B) to provide technical assistance on data collection and management;

"(C) to study the costs and effectiveness of newborn and infant hearing screening, evaluation and intervention programs and systems conducted by State-based programs in order to answer issues of importance to State and national policymakers;

"(D) to identify the causes and risk factors for congenital hearing loss;

"(E) to study the effectiveness of newborn and infant hearing screening, audiologic and medical evaluations and intervention programs and systems by assessing the health, intellectual and social developmental, cognitive, and language status of these children at school age; and

"(F) to promote the sharing of data regarding early hearing loss with State-based birth defects and developmental disabilities monitoring programs for the purpose of identifying previously unknown causes of hearing loss."

Subsec. (c)(1). Pub. L. 115–71, §2(d)(1), substituted "consult with—" for "consult with", "(A) other Federal" for "other Federal", "(B) State and local agencies, including agencies" for "State and local agencies, including those", "(C) consumer groups of, and that serve," for "consumer groups of and that serve", "(D) appropriate national" for "appropriate national", "(E) individuals who are deaf or" for "persons who are deaf and", "(F) other qualified" for "other qualified", "children," for "newborns, infants, toddlers, children,", "(G) third-party" for "third-party", and "(H) related commercial" for "related commercial".

Subsec. (c)(3). Pub. L. 115–71, §2(d)(2), substituted "States—" for "States", "(A) to establish newborn, infant, and young child" for "to establish newborn and infant", "subsection (a); and" for "subsection (a) and", and "(B) to develop" for "to develop".

Subsec. (d). Pub. L. 115–71, §2(e), substituted "that do not" for "which do not" and "parent's" for "parents" and struck out "newborn infants or young" after "hearing loss of".

Subsec. (e)(1). Pub. L. 115–71, §2(f)(1), made extensive amendments to text and structure of par. (1). Prior to amendments, par. (1) read as follows: "The term 'audiologic evaluation' refers to procedures to assess the status of the auditory system; to establish the site of the auditory disorder; the type and degree of hearing loss, and the potential effects of hearing loss on communication; and to identify appropriate treatment and referral options. Referral options should include linkage to State coordinating agencies under part C of the Individuals with Disabilities Education Act or other appropriate agencies, medical evaluation, hearing aid/sensory aid assessment, audiologic rehabilitation treatment, national and local consumer, self-help, parent, and education organizations, and other family-centered services."

Subsec. (e)(2). Pub. L. 115–71, §2(f)(4), made extensive amendments to text and structure of par. (2). Prior to amendments, par. (2) read as follows: "The term 'early intervention' refers to providing appropriate services for the child with hearing loss, including nonmedical services, and ensuring that families of the child are provided comprehensive, consumer-oriented information about the full range of family support, training, information services, and language and communication options and are given the opportunity to consider and obtain the full range of such appropriate services, educational and program placements, and other options for their child from highly qualified providers."

Pub. L. 115–71, §2(f)(2), (3), redesignated par. (3) as (2) and struck out former par. (2) which read as follows: "The terms 'audiologic rehabilitation' and 'audiologic intervention' refer to procedures, techniques, and technologies to facilitate the receptive and expressive communication abilities of a child with hearing loss."

Subsec. (e)(3). Pub. L. 115–71, §2(f)(5), substituted "The term 'medical evaluation' means key components performed by a physician including history, examination, and medical decisionmaking" for "(3) The term 'medical evaluation by a physician' refers to key components including history, examination, and medical decision making".

Pub. L. 115–71, §2(f)(3), redesignated par. (4) as (3). Former par. (3) redesignated (2).

Subsec. (e)(4). Pub. L. 115–71, §2(f)(6), substituted "means" for "refers to", "or surgical" for "and/or surgical", and "for hearing loss or other medical disorders" for "of hearing loss and/or related medical disorder".

Pub. L. 115–71, §2(f)(3), redesignated par. (5) as (4). Former par. (4) redesignated (3).

Subsec. (e)(5). Pub. L. 115–71, §2(f)(7), substituted "The term 'newborn, infant, and young child hearing screening' means" for "The term 'newborn and infant hearing screening' refers to" and ", infants, and young children under 3 years of age" for "and infants".

Pub. L. 115–71, §2(f)(3), redesignated par. (6) as (5). Former par. (5) redesignated (4).

Subsec. (e)(6). Pub. L. 115–71, §2(f)(3), redesignated par. (6) as (5).

Subsec. (f)(1). Pub. L. 115–71, §2(g)(1), substituted "\$17,818,000 for fiscal year 2018, \$18,173,800 for fiscal year 2019, \$18,628,145 for fiscal year 2020, \$19,056,592 for fiscal year 2021, and \$19,522,758 for fiscal year 2022." for "such sums as may be necessary for fiscal years 2011 through 2015."

Subsec. (f)(2). Pub. L. 115–71, §2(g)(2), substituted "\$10,800,000 for fiscal year 2018, \$11,026,800 for fiscal year 2019, \$11,302,470 for fiscal year 2020, \$11,562,427 for fiscal year 2021, and \$11,851,488 for fiscal year 2022." for "such sums as may be necessary for fiscal years 2011 through 2015."

2010—Pub. L. 111–337, §2(1), substituted "newborns and infants" for "infants" in section catchline.

Subsec. (a). Pub. L. 111–337, §2(2)(A), substituted "screening, evaluation, diagnosis, and intervention programs and systems, and to assist in the recruitment, retention, education, and training of qualified personnel and health care providers," for "screening, evaluation and intervention programs and systems" in introductory provisions.

Subsec. (a)(1). Pub. L. 111–337, §2(2)(B), amended par. (1) generally. Prior to amendment, par. (1) read as follows: "To develop and monitor the efficacy of state-wide newborn and infant hearing screening, evaluation and intervention programs and systems. Early intervention includes referral to schools and agencies, including community, consumer, and parent-based agencies and organizations and other programs mandated by part C of the Individuals with Disabilities Education Act, which offer programs specifically designed to meet the unique language and communication needs of deaf and hard of hearing newborns, infants, toddlers, and children."

Subsec. (a)(3). Pub. L. 111–337, §2(2)(C), added par. (3).

Subsec. (b)(1)(A). Pub. L. 111–337, §2(3), substituted "hearing loss screening, evaluation, diagnosis, and intervention programs" for "hearing loss screening, evaluation, and intervention programs".

Subsec. (c)(2), (3). Pub. L. 111–337, §2(4), substituted "hearing screening, evaluation, diagnosis, and intervention programs" for "hearing screening, evaluation and intervention programs".

Subsec. (e)(3). Pub. L. 111–337, §2(5)(A), substituted "ensuring that families of the child are provided comprehensive, consumer-oriented information about the full range of family support, training, information services, and language and communication options and are given the opportunity to consider and obtain the full range of such appropriate services, educational and program placements, and other options for their child from highly qualified providers." for "ensuring that families of the child are provided comprehensive, consumer-oriented information about the full range of family support, training, information services, communication options and are given the opportunity to consider the full range of educational and program placements and options for their child."

Subsec. (e)(6). Pub. L. 111–337, §2(5)(B), struck out ", after rescreening," after "infants who".

Subsec. (f). Pub. L. 111–337, §2(6), substituted "fiscal years 2011 through 2015" for "fiscal year 2002" in pars. (1) to (3).

STATUTORY NOTES AND RELATED SUBSIDIARIES

JAMES T. WALSH UNIVERSAL NEWBORN HEARING SCREENING PROGRAM

Pub. L. 111–8, div. F, title II, §224, Mar. 11, 2009, 123 Stat. 784, provided that: "Hereafter, the activities authorized under section 399M of the Public Health Service Act [42 U.S.C. 280g–1] shall be known as the 'James T. Walsh Universal Newborn Hearing Screening Program.' "

PURPOSES

Pub. L. 106–310, div. A, title VII, §701, Oct. 17, 2000, 114 Stat. 1120, provided that: "The purposes of this title [enacting this section] are to clarify the authority within the Public Health Service Act [42 U.S.C. 201 et seq.] to authorize statewide newborn and infant hearing screening, evaluation and intervention programs and systems, technical assistance, a national applied research program, and interagency and private sector collaboration for policy development, in order to assist the States in making progress toward the following goals:

"(1) All babies born in hospitals in the United States and its territories should have a hearing screening before leaving the birthing facility. Babies born in other countries and residing in the United States via immigration or adoption should have a hearing screening as early as possible.

"(2) All babies who are not born in hospitals in the United States and its territories should have a

hearing screening within the first 3 months of life.

"(3) Appropriate audiologic and medical evaluations should be conducted by 3 months for all newborns and infants suspected of having hearing loss to allow appropriate referral and provisions for audiologic rehabilitation, medical and early intervention before the age of 6 months.

"(4) All newborn and infant hearing screening programs and systems should include a component for audiologic rehabilitation, medical and early intervention options that ensures linkage to any new and existing state-wide systems of intervention and rehabilitative services for newborns and infants with hearing loss.

"(5) Public policy in regard to newborn and infant hearing screening and intervention should be based on applied research and the recognition that newborns, infants, toddlers, and children who are deaf or hard-of-hearing have unique language, learning, and communication needs, and should be the result of consultation with pertinent public and private sectors."

§280g–2. Childhood malignancies

(a) In general

The Secretary, acting as appropriate through the Director of the Centers for Disease Control and Prevention and the Director of the National Institutes of Health, shall study environmental and other risk factors for childhood cancers (including skeletal malignancies, leukemias, malignant tumors of the central nervous system, lymphomas, soft tissue sarcomas, and other malignant neoplasms) and carry out projects to improve outcomes among children with childhood cancers and resultant secondary conditions, including limb loss, anemia, rehabilitation, and palliative care. Such projects shall be carried out by the Secretary directly and through awards of grants or contracts.

(b) Certain activities

Activities under subsection (a) include—

(1) the expansion of current demographic data collection and population surveillance efforts to include childhood cancers nationally;

(2) the development of a uniform reporting system under which treating physicians, hospitals, clinics, and States report the diagnosis of childhood cancers, including relevant associated epidemiological data; and

(3) support for the National Limb Loss Information Center to address, in part, the primary and secondary needs of persons who experience childhood cancers in order to prevent or minimize the disabling nature of these cancers.

(c) Coordination of activities

The Secretary shall assure that activities under this section are coordinated as appropriate with other agencies of the Public Health Service that carry out activities focused on childhood cancers and limb loss.

(d) Definition

For purposes of this section, the term "childhood cancer" refers to a spectrum of different malignancies that vary by histology, site of disease, origin, race, sex, and age. The Secretary may for purposes of this section revise the definition of such term to the extent determined by the Secretary to be appropriate.

(e) Authorization of appropriations

For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 2001 through 2005.

(July 1, 1944, ch. 373, title III, §399N, as added Pub. L. 106–310, div. A, title XI, §1101, Oct. 17, 2000, 114 Stat. 1131.)

§280g–3. Prescription drug monitoring program

(a) Program

(1) In general

Each fiscal year, the Secretary, acting through the Director of the Centers for Disease Control and Prevention, in coordination with the heads of other departments and agencies as appropriate, shall support States or localities for the purpose of improving the efficiency and use of PDMPs, including—

- (A) establishment and implementation of a PDMP;
- (B) maintenance of a PDMP;
- (C) improvements to a PDMP by—
 - (i) enhancing functional components to work toward—
 - (I) universal use of PDMPs among providers and their delegates, to the extent that State laws allow;
 - (II) more timely inclusion of data within a PDMP;
 - (III) active management of the PDMP, in part by sending proactive or unsolicited reports to providers to inform prescribing; and
 - (IV) ensuring the highest level of ease in use of and access to PDMPs by providers and their delegates, to the extent that State laws allow;
 - (ii) in consultation with the Office of the National Coordinator for Health Information Technology, improving the intrastate interoperability of PDMPs by—
 - (I) making PDMPs more actionable by integrating PDMPs within electronic health records and health information technology infrastructure; and
 - (II) linking PDMP data to other data systems within the State, including—
 - (aa) the data of pharmacy benefit managers, medical examiners and coroners, and the State's Medicaid program;
 - (bb) worker's compensation data; and
 - (cc) prescribing data of providers of the Department of Veterans Affairs and the Indian Health Service within the State;
 - (iii) in consultation with the Office of the National Coordinator for Health Information Technology, improving the interstate interoperability of PDMPs through—
 - (I) sharing of dispensing data in near-real time across State lines; and
 - (II) integration of automated queries for multistate PDMP data and analytics into clinical workflow to improve the use of such data and analytics by practitioners and dispensers; or
 - (iv) improving the ability to include treatment availability resources and referral capabilities within the PDMP.

(2) Legislation

As a condition on the receipt of support under this section, the Secretary shall require a State or locality to demonstrate that it has enacted legislation or regulations—

- (A) to provide for the implementation of the PDMP; and
- (B) to permit the imposition of appropriate penalties for the unauthorized use and disclosure of information maintained by the PDMP.

(b) PDMP strategies

The Secretary shall encourage a State or locality, in establishing, improving, or maintaining a PDMP, to implement strategies that improve—

- (1) the reporting of dispensing in the State or locality of a controlled substance to an ultimate user so the reporting occurs not later than 24 hours after the dispensing event;
- (2) the consultation of the PDMP by each prescribing practitioner, or their designee, in the State or locality before initiating treatment with a controlled substance, or any substance as required by the State to be reported to the PDMP, and over the course of ongoing treatment for each

prescribing event;

(3) the consultation of the PDMP before dispensing a controlled substance, or any substance as required by the State to be reported to the PDMP;

(4) the proactive notification to a practitioner when patterns indicative of controlled substance misuse by a patient, including opioid misuse, are detected;

(5) the availability of data in the PDMP to other States, as allowable under State law; and

(6) the availability of nonidentifiable information to the Centers for Disease Control and Prevention for surveillance, epidemiology, statistical research, or educational purposes.

(c) Drug misuse and abuse

In consultation with practitioners, dispensers, and other relevant and interested stakeholders, a State receiving support under this section—

(1) shall establish a program to notify practitioners and dispensers of information that will help to identify and prevent the unlawful diversion or misuse of controlled substances;

(2) may, to the extent permitted under State law, notify the appropriate authorities responsible for carrying out drug diversion investigations if the State determines that information in the PDMP maintained by the State indicates an unlawful diversion or abuse of a controlled substance;

(3) may conduct analyses of controlled substance program data for purposes of providing appropriate State agencies with aggregate reports based on such analyses in as close to real-time as practicable, regarding prescription patterns flagged as potentially presenting a risk of misuse, abuse, addiction, overdose, and other aggregate information, as appropriate and in compliance with applicable Federal and State laws and provided that such reports shall not include protected health information; and

(4) may access information about prescriptions, such as claims data, to ensure that such prescribing and dispensing history is updated in as close to real-time as practicable, in compliance with applicable Federal and State laws and provided that such information shall not include protected health information.

(d) Evaluation and reporting

As a condition on receipt of support under this section, the State shall report on interoperability with PDMPs of other States and Federal agencies, where appropriate, intrastate interoperability with health information technology systems such as electronic health records, health information exchanges, and e-prescribing, where appropriate, and whether or not the State provides automatic, up-to-date, or daily information about a patient when a practitioner (or the designee of a practitioner, where permitted) requests information about such patient.

(e) Evaluation and reporting

A State receiving support under this section shall provide the Secretary with aggregate nonidentifiable information, as permitted by State law, to enable the Secretary—

(1) to evaluate the success of the State's program in achieving the purpose described in subsection (a); or

(2) to prepare and submit to the Congress the report required by subsection (i)(2).

(f) Education and access to the monitoring system

A State receiving support under this section shall take steps to—

(1) facilitate prescribers and dispensers, and their delegates, as permitted by State law, to use the PDMP, to the extent practicable; and

(2) educate prescribers and dispensers, and their delegates on the benefits of the use of PDMPs.

(g) Electronic format

The Secretary may issue guidelines specifying a uniform electronic format for the reporting, sharing, and disclosure of information pursuant to PDMPs. To the extent possible, such guidelines shall be consistent with standards recognized by the Office of the National Coordinator for Health Information Technology.

(h) Rules of construction

(1) Functions otherwise authorized by law

Nothing in this section shall be construed to restrict the ability of any authority, including any local, State, or Federal law enforcement, narcotics control, licensure, disciplinary, or program authority, to perform functions otherwise authorized by law.

(2) Additional privacy protections

Nothing in this section shall be construed as preempting any State from imposing any additional privacy protections.

(3) Federal privacy requirements

Nothing in this section shall be construed to supersede any Federal privacy or confidentiality requirement, including the regulations promulgated under section 264(c) of the Health Insurance Portability and Accountability Act of 1996 (Public Law 104–191; 110 Stat. 2033) and section 290dd–2 of this title.

(4) No Federal private cause of action

Nothing in this section shall be construed to create a Federal private cause of action.

(i) Progress report

Not later than 3 years after October 24, 2018, the Secretary shall—

(1) complete a study that—

(A) determines the progress of grantees in establishing and implementing PDMPs consistent with this section;

(B) provides an analysis of the extent to which the operation of PDMPs has—

(i) reduced inappropriate use, abuse, diversion of, and overdose with, controlled substances;

(ii) established or strengthened initiatives to ensure linkages to substance use disorder treatment services; or

(iii) affected patient access to appropriate care in States operating PDMPs;

(C) determine ¹ the progress of grantees in achieving interstate interoperability and intrastate interoperability of PDMPs, including an assessment of technical, legal, and financial barriers to such progress and recommendations for addressing these barriers;

(D) determines the progress of grantees in implementing near real-time electronic PDMPs;

(E) provides an analysis of the privacy protections in place for the information reported to the PDMP in each State or locality receiving support under this section and any recommendations of the Secretary for additional Federal or State requirements for protection of this information;

(F) determines the progress of States or localities in implementing technological alternatives to centralized data storage, such as peer-to-peer file sharing or data pointer systems, in PDMPs and the potential for such alternatives to enhance the privacy and security of individually identifiable data; and

(G) evaluates the penalties that States or localities have enacted for the unauthorized use and disclosure of information maintained in PDMPs, and the criteria used by the Secretary to determine whether such penalties qualify as appropriate for purposes of subsection (a)(2); and

(2) submit a report to the Congress on the results of the study.

(j) Advisory Council

(1) Establishment

A State or locality may establish an advisory council to assist in the establishment, improvement, or maintenance of a PDMP consistent with this section.

(2) Limitation

A State or locality may not use Federal funds for the operations of an advisory council to assist in the establishment, improvement, or maintenance of a PDMP.

(3) Sense of Congress

It is the sense of the Congress that, in establishing an advisory council to assist in the establishment, improvement, or maintenance of a PDMP, a State or locality should consult with appropriate professional boards and other interested parties.

(k) Definitions

For purposes of this section:

(1) The term "controlled substance" means a controlled substance (as defined in section 802 of title 21) in schedule II, III, or IV of section 812 of such title.

(2) The term "dispense" means to deliver a controlled substance to an ultimate user by, or pursuant to the lawful order of, a practitioner, irrespective of whether the dispenser uses the Internet or other means to effect such delivery.

(3) The term "dispenser" means a physician, pharmacist, or other person that dispenses a controlled substance to an ultimate user.

(4) The term "interstate interoperability" with respect to a PDMP means the ability of the PDMP to electronically share reported information with another State if the information concerns either the dispensing of a controlled substance to an ultimate user who resides in such other State, or the dispensing of a controlled substance prescribed by a practitioner whose principal place of business is located in such other State.

(5) The term "intrastate interoperability" with respect to a PDMP means the integration of PDMP data within electronic health records and health information technology infrastructure or linking of a PDMP to other data systems within the State, including the State's Medicaid program, workers' compensation programs, and medical examiners or coroners.

(6) The term "nonidentifiable information" means information that does not identify a practitioner, dispenser, or an ultimate user and with respect to which there is no reasonable basis to believe that the information can be used to identify a practitioner, dispenser, or an ultimate user.

(7) The term "PDMP" means a prescription drug monitoring program that is State-controlled.

(8) The term "practitioner" means a physician, dentist, veterinarian, scientific investigator, pharmacy, hospital, or other person licensed, registered, or otherwise permitted, by the United States or the jurisdiction in which the individual practices or does research, to distribute, dispense, conduct research with respect to, administer, or use in teaching or chemical analysis, a controlled substance in the course of professional practice or research.

(9) The term "State" means each of the 50 States, the District of Columbia, and any commonwealth or territory of the United States.

(10) The term "ultimate user" means a person who has obtained from a dispenser, and who possesses, a controlled substance for the person's own use, for the use of a member of the person's household, or for the use of an animal owned by the person or by a member of the person's household.

(11) The term "clinical workflow" means the integration of automated queries for prescription drug monitoring programs data and analytics into health information technologies such as electronic health record systems, health information exchanges, and/or pharmacy dispensing software systems, thus streamlining provider access through automated queries.

Subsec. (c)(1)(B)(i). Pub. L. 114–198, §109(b)(3)(A)(ii), substituted "program to be improved or maintained" for "program to be improved".

Subsec. (c)(1)(B)(iii). Pub. L. 114–198, §109(b)(3)(A)(iv), added cl. (iii). Former cl. (iii) redesignated (iv).

Subsec. (c)(1)(B)(iv). Pub. L. 114–198, §109(b)(3)(A)(iii), (v), redesignated cl. (iii) as (iv) and substituted "and at least one health information technology system such as electronic health records, health information exchanges, or e-prescribing systems;" for "; and". Former cl. (iv) redesignated (v).

Subsec. (c)(1)(B)(v). Pub. L. 114–198, §109(b)(3)(A)(iii), (vi), redesignated cl. (iv) as (v) and substituted "public health or safety in such State; and" for "public health in such State."

Subsec. (c)(1)(B)(vi). Pub. L. 114–198, §109(b)(3)(A)(vii), added cl. (vi).

Subsec. (c)(3). Pub. L. 114–198, §109(b)(3)(B), designated existing provisions as subpar. (A) and inserted heading, inserted before period at end "and include timelines for full implementation of such interoperability. The State shall also describe the manner in which it will achieve interoperability between its monitoring program and health information technology systems, as allowable under State law, and include timelines for the implementation of such interoperability", and added subpar. (B).

Subsec. (c)(5). Pub. L. 114–198, §109(b)(3)(C), substituted "establish, improve, or maintain" for "implement or improve" and inserted at end "The Secretary shall redistribute any funds that are so returned among the remaining grantees under this section in accordance with the formula described in subsection (a)(2)(B)."

Subsec. (d). Pub. L. 114–198, §109(b)(4)(A), in introductory provisions, substituted "In establishing, improving, or maintaining a controlled substance monitoring program under this section, a State shall comply, or with respect to a State that applies for a grant under subparagraph (B) or (C) of subsection (a)(1)" for "In implementing or improving a controlled substance monitoring program under this section, a State shall comply, or with respect to a State that applies for a grant under subsection (a)(1)(B)" and "public health or safety" for "public health".

Subsec. (d)(4). Pub. L. 114–198, §109(b)(9), substituted "subsection (i)" for "subsection (h)".

Subsec. (d)(5). Pub. L. 114–198, §109(b)(4)(B), added par. (5).

Subsec. (f)(1)(D). Pub. L. 114–198, §109(b)(6)(A)(ii), inserted "a State substance abuse agency," after "State health department," and substituted "such department, program, agency, or administration" for "such department, program, or administration" in two places.

Subsec. (f)(3), (4). Pub. L. 114–198, §109(b)(6)(B), added pars. (3) and (4).

Subsec. (g). Pub. L. 114–198, §109(b)(5), substituted "establishing, improving, or maintaining" for "implementing or improving" in introductory provisions.

Subsecs. (h) to (j). Pub. L. 114–198, §109(b)(8), (10), added subsec. (h) and redesignated former subsecs. (h) and (i) as (i) and (j), respectively. Former subsec. (j) redesignated (k).

Subsec. (k). Pub. L. 114–198, §109(b)(7), (8), redesignated subsec. (j) as (k) and struck out former subsec.

(k). Prior to amendment, text of subsec. (k) read as follows: "Beginning 3 years after the date on which funds are first appropriated to carry out this section, the Secretary, in awarding any competitive grant that is related to drug abuse (as determined by the Secretary) and for which only States are eligible to apply, shall give preference to any State with an application approved under this section. The Secretary shall have the discretion to apply such preference to States with existing controlled substance monitoring programs that meet minimum requirements under this section or to States that put forth a good faith effort to meet those requirements (as determined by the Secretary)."

Subsec. (k)(2)(A)(ii). Pub. L. 114–198, §109(b)(11)(A), substituted ", established or strengthened initiatives to ensure linkages to substance use disorder services, or affected" for "or affected".

Subsec. (k)(2)(A)(iii). Pub. L. 114–198, §109(b)(11)(B), substituted "and between controlled substance monitoring programs and health information technology systems, including an assessment" for "including an assessment".

Subsec. (l)(1). Pub. L. 114–198, §109(b)(12), substituted "establishment, improvement, or maintenance" for "establishment, implementation, or improvement".

Subsec. (m)(8). Pub. L. 114–198, §109(b)(13), substituted ", the District of Columbia, and any commonwealth or territory of the United States" for "and the District of Columbia".

Subsec. (n). Pub. L. 114–198, §109(b)(14), amended subsec. (n) generally. Prior to amendment, subsec. (n) authorized appropriations for fiscal years 2006 to 2010.

STATUTORY NOTES AND RELATED SUBSIDIARIES

PURPOSE

Pub. L. 109–60, §2, Aug. 11, 2005, 119 Stat. 1979, as amended by Pub. L. 114–198, title I, §109(a), July 22, 2016, 130 Stat. 706, provided that: "It is the purpose of this Act [enacting this section and provisions set out as a note under section 201 of this title] to—

"(1) foster the establishment of State-administered controlled substance monitoring systems in order to ensure that health care providers have access to the accurate, timely prescription history information that they may use as a tool for the early identification of patients at risk for addiction in order to initiate appropriate medical interventions and avert the tragic personal, family, and community consequences of untreated addiction; and

"(2) establish, based on the experiences of existing State controlled substance monitoring programs, a set of best practices to guide the establishment of new State programs and the improvement of existing programs."

§280g–4. Grants to strengthen the healthcare system's response to domestic violence, dating violence, sexual assault, and stalking

(a) In general

The Secretary shall award grants for—

(1) the development or enhancement and implementation of interdisciplinary training for health professionals, public health staff, community health workers, violence prevention advocates working with health providers, and allied health professionals;

(2) the development or enhancement and implementation of education programs for medical, psychology, dental, social work, nursing, and other health profession students, interns, residents, fellows, or current health care providers (including midwives and doulas);

(3) the development or enhancement and implementation of comprehensive statewide strategies to improve the capacity of clinics, public health facilities, hospitals, and other health settings (including behavioral and mental health programs) to prevent and respond to domestic violence, dating violence, sexual assault, and stalking;

(4) the development or enhancement and implementation of training programs to improve the capacity of early childhood programs to address domestic violence, dating violence, sexual assault, and stalking among families they serve; and

(5) the development or enhancement and implementation of comprehensive statewide strategies for health and violence prevention programs to work together to promote primary prevention of domestic violence, dating violence, sexual assault, and stalking.

(b) Use of funds

(1) Required uses

Amounts provided under a grant under this section shall be used to—

(A) fund interdisciplinary training and education programs under paragraphs (1) and (2) of subsection (a) that—

(i) are designed to train medical, psychology, dental, social work, nursing, and other health profession students, interns, residents, fellows, or current health care providers to provide universal education on healthy relationships and provide trauma-informed health care services (including mental or behavioral health care services and referrals to appropriate community services) to individuals who are or who have been victims of domestic violence, dating violence, sexual assault, or stalking;

(ii) plan and develop training components that center the experiences of, and are developed in collaboration with, culturally specific individuals and American Indians and Alaska Natives, and include community-defined practices such as the use of doulas, midwives, and traditional healers, for integration into approved internship, residency, and fellowship training or continuing medical or other health education training that address physical, mental, and behavioral health issues, including protective factors, related to domestic violence, dating violence, sexual assault, stalking, and other forms of violence and abuse (including labor and sex trafficking), focus on reducing health inequities and preventing violence and abuse, and include the primacy of victim safety and confidentiality;

(iii) are designed to be inclusive of the experiences of all individuals, including LGBT individuals, and include training on improving equity and reducing disparities in access to health care services and prevention resources; and

(iv) include training on the use of a universal prevention education approach to both prevent and respond to domestic violence, dating violence, sexual assault, or stalking in health care settings;

(B) design and implement comprehensive strategies to improve the capacity of the health care system to prevent and respond to domestic or sexual violence in clinical and public health settings, hospitals, clinics, and other health settings (including behavioral and mental health), under subsection (a)(3) through—

(i) the implementation, dissemination, and evaluation of policies and procedures to guide health professionals and public health staff in identifying, responding to, and promoting prevention of domestic violence, dating violence, sexual assault, and stalking during in-person or virtual visits, including strategies to ensure that health information is maintained in a manner that protects the patient's privacy and safety, and safely uses health information technology to improve documentation, identification, assessment, treatment, and follow-up care and to maximize victim choice on the use and sharing of their health information;

(ii) the development of services to address the safety, medical, and mental health needs of patients by—

(I) increasing the capacity of existing health care professionals (including professionals who specialize in trauma or in substance use disorders) in behavioral and mental health care, community health workers, and public health staff to address domestic violence, dating violence, sexual assault, stalking, and children exposed to violence;

(II) contracting with or hiring advocates for victims of domestic violence or sexual assault to provide such services; or

(III) providing funding to State domestic and sexual violence coalitions to improve the capacity of such coalitions to coordinate and support health advocates and other health system partnerships;

(iii) the development of measures and methods for the evaluation of the practice of prevention, intervention, and documentation regarding victims of domestic violence, dating violence, sexual assault, and stalking during in-person or virtual visits, including the development and testing of quality improvement measurements, in accordance with the multi-stakeholder and quality measurement processes established under paragraphs (7) and (8) of section 1395aaa(b) of this title and section 1395aaa-1 of this title;

(iv) the provision of training and follow-up technical assistance to health care professionals, and public health staff, and allied health professionals to identify, assess, treat, and refer clients who are victims of domestic violence, dating violence, sexual assault, or stalking, and promote prevention during in-person or virtual visits, including using tools and training materials already developed;

(v) the development, implementation, dissemination, and evaluation of best practices, tools, and training materials, including culturally relevant tools, for mental health, behavioral health, and substance use disorder professionals to identify and respond to domestic violence, sexual violence, stalking, and dating violence; and

(vi) the development and provision of culturally relevant training and follow-up technical assistance to health care professionals, and public health staff, and allied health professionals to identify, assess, treat, and refer clients who are victims of domestic violence, dating violence, sexual assault, or stalking from culturally specific communities and promote prevention, using tools and training materials, developed by and for culturally specific communities, with priority given to trainings provided by culturally specific organizations; and

(C) design and implement comprehensive strategies to prevent domestic or sexual violence including through the use of universal education in clinical and public health settings, hospitals, clinics and other health settings.

(2) Permissible uses

(A) Child abuse and abuse in later life

To the extent consistent with the purpose of this section, a grantee may use amounts received under this section to address, as part of a comprehensive programmatic approach implemented under the grant, issues relating to child abuse or abuse in later life.

(B) Rural areas

Grants funded under paragraphs (1) and (2) of subsection (a) may be used to offer to rural areas community-based training opportunities, which may include the use of distance learning networks and other available technologies needed to reach isolated rural areas, for medical, nursing, and other health profession students and residents on domestic violence, dating violence, sexual assault, stalking, and, as appropriate, other forms of violence and abuse.

(C) Other uses

Grants funded under subsection (a)(3) may be used for—

(i) the development of training modules and policies that address the overlap of child abuse, domestic violence, dating violence, sexual assault, and stalking and abuse in later life, as well as childhood exposure to domestic and sexual violence;

(ii) the development, expansion, and implementation of programs that promote the prevention of sexual assault as well as sexual assault forensic medical examination or sexual assault nurse examiner programs;

(iii) the inclusion of the health effects of lifetime exposure to violence and abuse and exposure to violence across generations as well as related protective factors and behavioral risk factors in health professional training schools including medical, dental, nursing, social work, and mental and behavioral health curricula, and allied health service training courses;

(iv) the integration of knowledge of domestic violence, dating violence, sexual assault, and

stalking into health care accreditation and professional licensing examinations, such as medical, dental, mental health, social work, and nursing boards, and where appropriate, other allied health exams and certifications;

(v) providing funding to culturally specific organizations to improve the capacity of such organizations to engage and partner with health care providers to support victims and meet increased referrals from health systems;

(vi) developing a State-level pilot program to—

(I) improve the response of substance use disorder treatment programs, harm reduction programs for people who use substances, and systems to domestic violence, dating violence, sexual assault, and stalking;

(II) improve the capacity of substance use disorder treatment programs, harm reduction programs for people who use substances, and systems to serve survivors of domestic violence, dating violence, sexual assault, and stalking dealing with substance use disorder; and

(III) improve the capacity of domestic violence, dating violence, sexual assault, and stalking programs to serve survivors who have substance use history; or

(vii) developing and utilizing existing technical assistance and training resources to improve the capacity of substance use disorder treatment programs and harm reduction programs for people who use substances to address domestic violence, dating violence, sexual assault, and stalking among patients the programs serve.

(c) Requirements for grantees

(1) Confidentiality and safety

(A) In general

Grantees under this section shall ensure that all programs developed with grant funds address issues of confidentiality and patient safety and comply with applicable confidentiality and nondisclosure requirements under section 12291(b)(2) of title 34 and the Family Violence Prevention and Services Act [42 U.S.C. 10401 et seq.], and that faculty and staff associated with delivering educational components are fully trained in procedures that will protect the immediate and ongoing security and confidentiality of the patients, patient records, and staff. Such grantees shall consult entities with demonstrated expertise in the confidentiality and safety needs of victims of domestic violence, dating violence, sexual assault, and stalking on the development and adequacy of confidentiality and security procedures, and provide documentation of such consultation.

(B) Advance notice of information disclosure

Grantees under this section shall provide to patients advance notice about any circumstances under which information may be disclosed, such as mandatory reporting laws, and shall give patients the option to receive information and referrals without affirmatively disclosing abuse.

(2) Limitation on administrative expenses

A grantee shall use not more than 10 percent of the amounts received under a grant under this section for administrative expenses.

(3) Application

(A) Preference

In selecting grant recipients under this section, the Secretary shall give preference to applicants based on the strength of their evaluation strategies, with priority given to—

(i) outcome based evaluations;

(ii) culturally specific and population specific organizations; and

(iii) programs developing and implementing community-driven solutions to address domestic violence, dating violence, sexual assault, or stalking.

(B) Subsection (a)(1) and (2) grantees

Applications for grants under paragraphs (1) and (2) of subsection (a) shall include—

(i) documentation that the applicant represents a team of entities working collaboratively to strengthen the response of the health care system to domestic violence, dating violence, sexual assault, or stalking, and which includes at least one of each of—

(I) an accredited school of allopathic or osteopathic medicine, psychology, nursing, dentistry, social work, or other health field;

(II) a health care facility or system; or

(III) a government or nonprofit entity, including a culturally specific organization or community-based organization working to address the social determinants of health, with a history of effective work in the fields of domestic violence, dating violence, sexual assault, or stalking; and

(ii) strategies for the dissemination and sharing of curricula and other educational materials developed under the grant, if any, with other interested health professions schools and national resource repositories for materials on domestic violence, dating violence, sexual assault, and stalking.

(C) Subsection (a)(3) grantees

An entity desiring a grant under subsection (a)(3) shall submit an application to the Secretary at such time, in such a manner, and containing such information and assurances as the Secretary may require, including—

(i) documentation that all training, education, screening, assessment, services, treatment, and any other approach to patient care will be informed by an understanding of violence and abuse victimization and trauma-specific approaches that will be integrated into prevention, intervention, and treatment activities;

(ii) strategies—

(I) for the development and implementation of policies to prevent and address domestic violence, dating violence, sexual assault, and stalking over the lifespan and generations in health care settings; and

(II) to address primary prevention of domestic violence, dating violence, sexual assault, and stalking over the lifespan and generations, including strategies that address related social determinants of health, economic justice, and equity issues, and that are inclusive of LGBT individuals;

(iii) a plan for consulting with State and tribal domestic violence or sexual assault coalitions, national nonprofit victim advocacy organizations, culturally specific organizations, and population specific organizations with demonstrated expertise in domestic violence, dating violence, sexual assault, or stalking;

(iv) with respect to an application for a grant under which the grantee will have contact with patients, a plan, developed in collaboration with local victim service providers (including culturally specific organizations), to respond appropriately to and make correct referrals for individuals who disclose that they are victims of domestic violence, dating violence, sexual assault, stalking, or other types of violence, and documentation provided by the grantee of an ongoing collaborative relationship with a local victim service provider; and

(v) with respect to an application for a grant proposing to fund a program described in subsection (b)(2)(C)(ii), a certification that any sexual assault forensic medical examination and sexual assault nurse examiner programs supported with such grant funds will adhere to the guidelines set forth by the Attorney General.

(d) Eligible entities

(1) In general

To be eligible to receive funding under paragraph (1) or (2) of subsection (a), an entity shall

be—

(A) a nonprofit organization with a history of effective work in the field of training health professionals with an understanding of, and clinical skills pertinent to, domestic violence, dating violence, sexual assault, or stalking, and lifetime exposure to violence and abuse;

(B) an accredited school of allopathic or osteopathic medicine, psychology, nursing, dentistry, social work, or allied health;

(C) a health care provider membership or professional organization, or a health care system;
or

(D) a State, tribal, territorial, or local entity.

(2) Subsection (a)(3) grantees

To be eligible to receive funding under subsection (a)(3), an entity shall be—

(A) a State department (or other division) of health (including mental health or substance abuse agencies), a State, tribal, or territorial domestic violence or sexual assault coalition or victim service provider, or any other nonprofit, nongovernmental organization with a history of effective work in the fields of domestic violence, dating violence, sexual assault, or stalking, and health care, including physical or behavioral health care and substance use disorder prevention and treatment; or

(B) a local victim service provider, a local department (or other division) of health, a local health clinic, hospital, behavioral health treatment system, or health system, a community-based organization with a history of effective work in the field of domestic violence, dating violence, sexual assault, or stalking and health care, including physical or mental health care or substance use disorder prevention and treatment, or a community-based organization with a history of partnership with programs in the field of domestic violence, dating violence, sexual assault, or stalking and health care, including physical or mental health care or substance use disorder prevention and treatment.

(e) Technical assistance

(1) In general

Of the funds made available to carry out this section for any fiscal year, the Secretary may make grants or enter into contracts to provide technical assistance with respect to the planning, development, and operation of any program, activity or service carried out pursuant to this section. Not more than 8 percent of the funds appropriated under this section in each fiscal year may be used to fund technical assistance under this subsection.

(2) Availability of materials

The Secretary shall make publicly available materials developed by grantees under this section, including materials on training, best practices, and research and evaluation.

(3) Reporting

The Secretary shall publish a biennial report on—

(A) the distribution of funds under this section; and

(B) the programs and activities supported by such funds.

(f) Research and evaluation

(1) In general

Of the funds made available to carry out this section for any fiscal year, the Secretary may use not more than 20 percent to make a grant or enter into a contract for research and evaluation of—

(A) grants awarded under this section; and

(B) other training for health professionals and effective interventions in the health care setting that prevent domestic violence, dating violence, and sexual assault across the lifespan, prevent the health effects of such violence, and improve the safety and health of individuals who are currently being victimized.

(2) Research

Research authorized in paragraph (1) may include—

(A) research on the effects of domestic violence, dating violence, sexual assault, and childhood exposure to domestic, dating or sexual violence on health behaviors, health conditions, and health status of individuals, families, and populations, including underserved populations;

(B) research to determine effective health care interventions to respond to and prevent domestic violence, dating violence, sexual assault, and stalking;

(C) research on the impact of domestic, dating and sexual violence, childhood exposure to such violence, and stalking on the health care system, health care utilization, health care costs, and health status; and

(D) research on the impact of adverse childhood experiences on adult experience with domestic violence, dating violence, sexual assault, stalking, and adult health outcomes, including how to reduce or prevent the impact of adverse childhood experiences through the health care setting.

(g) Authorization of appropriations

There is authorized to be appropriated to carry out this section, \$20,000,000 for each of fiscal years 2023 through 2027.

(h) Definitions

Except as otherwise provided, the definitions in section 12291 of title 34 shall apply to this section.

2013—Pub. L. 113–4 amended section generally. Prior to amendment, section related to grants to foster public health responses to domestic violence, dating violence, sexual assault, and stalking.

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2022 AMENDMENT

Amendment by Pub. L. 117–103 not effective until Oct. 1 of the first fiscal year beginning after Mar. 15,

2022, see section 4(a) of div. W of Pub. L. 117–103, set out as an Effective Date note under section 6851 of Title 15, Commerce and Trade.

FINDINGS

Pub. L. 109–162, title V, §501, Jan. 5, 2006, 119 Stat. 3023, provided that: "Congress makes the following findings:

"(1) The health-related costs of intimate partner violence in the United States exceed \$5,800,000,000 annually.

"(2) Thirty-seven percent of all women who sought care in hospital emergency rooms for violence-related injuries were injured by a current or former spouse, boyfriend, or girlfriend.

"(3) In addition to injuries sustained during violent episodes, physical and psychological abuse is linked to a number of adverse physical and mental health effects. Women who have been abused are much more likely to suffer from chronic pain, diabetes, depression, unintended pregnancies, substance abuse and sexually transmitted infections, including HIV/AIDS.

"(4) Health plans spend an average of \$1,775 more a year on abused women than on general enrollees.

"(5) Each year about 324,000 pregnant women in the United States are battered by the men in their lives. This battering leads to complications of pregnancy, including low weight gain, anemia, infections, and first and second trimester bleeding.

"(6) Pregnant and recently pregnant women are more likely to be victims of homicide than to die of any other pregnancy-related cause, and evidence exists that a significant proportion of all female homicide victims are killed by their intimate partners.

"(7) Children who witness domestic violence are more likely to exhibit behavioral and physical health problems including depression, anxiety, and violence towards peers. They are also more likely to attempt suicide, abuse drugs and alcohol, run away from home, engage in teenage prostitution, and commit sexual assault crimes.

"(8) Recent research suggests that women experiencing domestic violence significantly increase their safety-promoting behaviors over the short- and long-term when health care providers screen for, identify, and provide followup care and information to address the violence.

"(9) Currently, only about 10 percent of primary care physicians routinely screen for intimate partner abuse during new patient visits and 9 percent routinely screen for intimate partner abuse during periodic checkups.

"(10) Recent clinical studies have proven the effectiveness of a 2-minute screening for early detection of abuse of pregnant women. Additional longitudinal studies have tested a 10-minute intervention that was proven highly effective in increasing the safety of pregnant abused women. Comparable research does not yet exist to support the effectiveness of screening men.

"(11) Seventy to 81 percent of the patients studied reported that they would like their healthcare providers to ask them privately about intimate partner violence."

PURPOSE

Pub. L. 109–162, title V, §502, Jan. 5, 2006, 119 Stat. 3024, provided that: "It is the purpose of this title [enacting this section, sections 294h and 13973 of this title, and provisions set out as a note above] to improve the health care system's response to domestic violence, dating violence, sexual assault, and stalking through the training and education of health care providers, developing comprehensive public health responses to violence against women and children, increasing the number of women properly screened, identified, and treated for lifetime exposure to violence, and expanding research on effective interventions in the health care setting."

§280g–4a. Understanding sexual assault care in health systems

(a) Purpose

It is the purpose of this section to identify areas for improvement in health care delivery systems providing forensic examinations to survivors of sexual assault.

(b) Grants

The Secretary of Health and Human Services (referred to in this section as "the Secretary") shall award grants to States and Indian Tribes to develop and implement State and Tribal surveys to identify—

- (1) the availability of, and patient access to, medical forensic examinations;
- (2) the training level of the health care providers who perform medical forensic examinations;
- (3) the hospitals or clinics that offer medical forensic examinations and whether each hospital or clinic has full-time, part-time, or on-call coverage;
- (4) barriers to medical forensic examinations provided through sexual assault care and services;
- (5) billing and reimbursement practices for medical forensic examinations;
- (6) State and Tribal requirements, minimum standards, and protocols for training sexual assault examiners for sexual assault forensic examiners and for other personnel involved in medical forensic examinations;
- (7) the availability of sexual assault forensic examiner training, the frequency of such training, the providers of such training, the State's or Indian Tribe's role in such training, and the processes or procedures in place for continuing education of such examiners; and
- (8) the dedicated Federal and State funding available to support sexual assault forensic examiner training.

(c) Eligibility

To be eligible to receive a grant under this section, a State or Indian Tribe shall submit to the Secretary an application through a competitive process to be determined by the Secretary.

(d) Public dissemination and campaign

(1) Public availability

The results of the surveys conducted under grants awarded under this section shall be published by the Secretary on the website of the Department of Health and Human Services on a biennial basis.

(2) Campaigns

A State or Indian Tribe that receives a grant under this section shall carry out the following activities:

(A) Make the findings of the survey conducted using amounts received under the grant public, including a map showing health care providers who perform medical forensic examinations, based on the findings from the State and Tribal surveys under subsection (b)(3).

(B) Use the findings to develop a strategic action plan to increase the number of trained medical forensic examiners available in the State or Tribal community and create policies to increase survivor access to trained examiners.

(C) Use the findings to develop and implement a public awareness campaign that includes the following:

(i) An online toolkit describing how and where sexual assault survivors can obtain assistance and care, including medical forensic examinations, in the State or Tribal community.

(ii) A model standard response protocol for health care providers to implement upon arrival of a patient seeking care for sexual assault.

(iii) A model sexual assault response team protocol incorporating interdisciplinary community coordination between hospitals, emergency departments, hospital administration, local rape crisis programs, law enforcement, prosecuting attorneys, and other health and human service agencies and stakeholders with respect to delivering survivor-centered sexual assault care and medical forensic examinations.

(iv) A notice of applicable laws prohibiting charging or billing survivors of sexual assault for care and services related to sexual assault.

(e) Authorization of appropriations

There is authorized to be appropriated to carry out this section \$7,000,000 for each of fiscal years 2023 through 2027.

(Pub. L. 117–103, div. W, title V, §503, Mar. 15, 2022, 136 Stat. 874.)

EDITORIAL NOTES

CODIFICATION

Section was enacted as part of the Violence Against Women Act Reauthorization Act of 2022, and also as part of the Consolidated Appropriations Act, 2022, and not as part of the Public Health Service Act which comprises this chapter.

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE

Section not effective until Oct. 1 of the first fiscal year beginning after Mar. 15, 2022, see section 4(a) of div. W of Pub. L. 117–103, set out as a note under section 6851 of Title 15, Commerce and Trade.

NATIONAL REPORT ON SEXUAL ASSAULT SERVICES IN OUR NATION'S HEALTH SYSTEM

Pub. L. 117–103, div. W, title V, §504, Mar. 15, 2022, 136 Stat. 876, provided that:

"(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act [Mar. 15, 2022], and annually thereafter, the Agency for Healthcare Research and Quality, in consultation with the Centers for Medicare & Medicaid Services, the Centers for Disease Control and Prevention, the Health Resources and Services Administration, the Indian Health Service, the Office for Victims of Crime of the Department of Justice, the Office on Women's Health of the Department of Health and Human Services, and the Office of Violence Against Women of the Department of Justice (collectively referred to in this section as the 'Agencies'), shall submit to the Secretary of Health and Human Services (referred to in this section as 'the Secretary') a report of existing Federal, Indian Tribe, and State practices relating to medical forensic examinations which may include the findings of the surveys developed under section 503 [42 U.S.C. 280g–4a].

"(b) CORE COMPETENCIES.—In conducting activities under this section, the Agencies shall address sexual assault forensic examination competencies, including—

"(1) providing medical care to sexual assault patients;

"(2) demonstrating the ability to conduct a medical forensic examination, including an evaluation for evidence collection;

"(3) showing compassion and sensitivity towards survivors of sexual assault;

"(4) testifying in Federal, State, local, and Tribal courts; and

"(5) other competencies, as the Agencies determine appropriate.

"(c) PUBLICATION.—The Agency for Healthcare Research and Quality shall establish, maintain, and publish on the website of the Department of Health and Human Services an online public map of availability of sexual assault forensic examinations. Such maps shall clarify if there is full-time, part-time, or on-call coverage.

"(d) REPORT TO CONGRESS.—Not later than 60 days after receiving the report described in subsection (a), the Secretary shall submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce and the Committee on Education and Labor of the House of Representatives recommendations for improving sexual assault forensic examination competencies based on the report described in subsection (a)."

[For definition of terms used in section 504 of div. W of Pub. L. 117–103, set out above, see section 12291 Title 34, Crime Control and Law Enforcement, as made applicable by section 2(b) of div. W of Pub. L. 117–103, which is set out as a note under section 12291 of Title 34].

DEFINITIONS

For definitions of terms used in this section, see section 12291 of Title 34, Crime Control and Law Enforcement, as made applicable by section 2(b) of div. W of Pub. L. 117–103, which is set out as a note under section 12291 of Title 34.

§280g–4b. Expanding access to unified care

(a) Establishment of program

The Secretary of Health and Human Services (referred to in this section as the "Secretary") shall establish a program (referred to in this section as the "program") to award grants to eligible entities

for the clinical training of sexual assault forensic examiners (including registered nurses, nurse practitioners, nurse midwives, clinical nurse specialists, physician assistants, and physicians) to administer medical forensic examinations and treatments to survivors of sexual assault.

(b) Purpose

The purpose of the program is to enable each grant recipient to expand access to medical forensic examination services by providing new providers with the clinical training necessary to establish and maintain competency in such services and to test the provisions of such services at new facilities in expanded health care settings.

(c) Grants

Under the program, the Secretary shall award 3-year grants to eligible entities that meet the requirements established by the Secretary.

(d) Eligible entities

To be eligible to receive a grant under this section, an entity shall—

(1) be—

(A) a safety net clinic acting in partnership with a high-volume emergency services provider or a hospital currently providing sexual assault medical forensic examinations performed by sexual assault forensic examiners, that will use grant funds to—

(i) assign rural health care service providers to the high-volume hospitals for clinical practicum hours to qualify such providers as sexual assault forensic examiners; or

(ii) assign practitioners at high-volume hospitals to rural health care services providers to instruct, oversee, and approve clinical practicum hours in the community to be served;

(B) an organization described in section 501(c)(3) of title 26 and exempt from taxation under 501(a) of such title, that provides legal training and technical assistance to Tribal communities and to organizations and agencies serving Indians; or

(C) an Indian Tribe (as defined in section 5304 of title 25); and

(2) submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require, including a description of whether the applicant will provide services described in subparagraph (A) or (B) of paragraph (1).

(e) Grant amount

Each grant awarded under this section shall be in an amount not to exceed \$400,000 per year. A grant recipient may carry over funds from one fiscal year to the next without obtaining approval from the Secretary.

(f) Authorization of appropriations

(1) In general

There is authorized to be appropriated to carry out this section \$10,000,000 for each of fiscal years 2023 through 2027.

(2) Set-aside

Of the amount appropriated under this subsection for a fiscal year, the Secretary shall reserve 15 percent of such amount for purposes of making grants to entities that are affiliated with Indian Tribes or Tribal organizations (as defined in section 5304 of title 25), or Urban Indian organizations (as defined in section 1603 of title 25). Amounts reserved may be used to support referrals and the delivery of emergency first aid, culturally competent support, and forensic evidence collection training.

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE

Section not effective until Oct. 1 of the first fiscal year beginning after Mar. 15, 2022, see section 4(a) of div. W of Pub. L. 117–103, set out as a note under section 6851 of Title 15, Commerce and Trade.

IMPROVING AND STRENGTHENING THE SEXUAL ASSAULT EXAMINER WORKFORCE CLINICAL AND CONTINUING EDUCATION PILOT PROGRAM

Pub. L. 117–103, div. W, title V, §505, Mar. 15, 2022, 136 Stat. 876, provided that:

"(a) PURPOSE.—It is the purpose of this section to establish a pilot program to develop, test, and implement training and continuing education that expands and supports the availability of medical forensic examination services for survivors of sexual assault.

"(b) ESTABLISHMENT.—

"(1) IN GENERAL.—Not later than 1 year after the date of enactment of this Act [Mar. 15, 2022], the Secretary of Health and Human Services (referred to in this section as 'the Secretary') shall establish a National Continuing and Clinical Education Pilot Program for sexual assault forensic examiners, sexual assault nurse examiners, and other individuals who perform medical forensic examinations.

"(2) CONSULTATION.—In establishing such program, the Secretary shall consult with the Centers for Medicare & Medicaid Services, the Centers for Disease Control and Prevention, the Health Resources and Services Administration, the Indian Health Service, the Office for Victims of Crime of the Department of Justice, the Office on Violence Against Women of the Department of Justice, and the Office on Women's Health of the Department of Health and Human Services, and shall solicit input from regional, national, and Tribal organizations with expertise in forensic nursing, rape trauma or crisis counseling, investigating rape and gender violence cases, survivors' advocacy and support, sexual assault prevention education, rural health, and responding to sexual violence in Tribal communities.

"(c) FUNCTIONS.—The pilot program established under subsection (b) shall develop, pilot, implement, and update, as appropriate, continuing and clinical education program modules, webinars, and programs for all hospitals and providers to increase access to medical forensic examination services and address ongoing competency issues in medical forensic examination services, including—

"(1) training and continuing education to help support sexual assault forensic examiners practicing in rural or underserved areas;

"(2) training to help connect sexual assault survivors who are Indian with sexual assault forensic examiners, including through emergency first aid, referrals, culturally competent support, and forensic evidence collection in rural communities;

"(3) replication of successful sexual assault forensic examination programs to help develop and improve the evidence base for medical forensic examinations; and

"(4) training to increase the number of medical professionals who are considered sexual assault forensic examiners based on the recommendations of the National Sexual Assault Forensic Examination Training Standards issued by the Office on Violence Against Women of the Department of Justice.

"(d) ELIGIBILITY TO PARTICIPATE IN PILOT PROGRAMS.—The Secretary shall ensure that medical forensic examination services provided under the pilot program established under subsection (b), and other medical forensic examiner services under the pilot program are provided by health care providers who are also one of the following:

"(1) A physician, including a resident physician.

"(2) A nurse practitioner.

"(3) A nurse midwife.

"(4) A physician assistant.

"(5) A certified nurse specialist.

"(6) A registered nurse.

"(7) A community health practitioner or a community health aide who has completed level III or level IV certification and training requirements.

"(e) NATURE OF TRAINING.—The continuing education program established under this section shall incorporate and reflect current best practices and standards on medical forensic examination services

consistent with the purpose of this section.

"(f) AVAILABILITY.—After termination of the pilot program established under subsection (b)(1), the training and continuing education program established under such program shall be available to all sexual assault forensic examiners and other providers employed by, or any individual providing services through, facilities that receive Federal funding.

"(g) EFFECTIVE DATE.—The pilot program established under this section shall terminate on the date that is 2 years after the date of such establishment.

"(h) AUTHORIZATION.—There are authorized to be appropriated to carry out this section \$5,000,000 for each of fiscal years 2023 through 2025."

[For definition of terms used in section 505 of div. W of Pub. L. 117–103, set out above, see section 12291 Title 34, Crime Control and Law Enforcement, as made applicable by section 2(b) of div. W of Pub. L. 117–103, which is set out as a note under section 12291 of Title 34].

DEFINITIONS

For definitions of terms used in this section, see section 12291 of Title 34, Crime Control and Law Enforcement, as made applicable by section 2(b) of div. W of Pub. L. 117–103, which is set out as a note under section 12291 of Title 34.

§280g–4c. Expanding access to forensics for victims of interpersonal violence

(a) Definitions

In this section:

(1) Community health aide; community health practitioner

The terms "community health aide" and "community health practitioner" have the meanings given such terms for purposes of section 16161 of title 25.

(2) Health care provider

The term "health care provider" has the meaning given such term by the Secretary, and includes registered nurses, nurse practitioners, nurse midwives, clinical nurse specialists, physician assistants, and physicians.

(3) Indian tribe; Tribal organization

The terms "Indian Tribe" and "Tribal organization" shall have the meanings given such terms in section 5304 of title 25.

(4) Institution of higher education

The term "institution of higher education" has the meaning given such term in section 1001 of title 20.

(5) Interpersonal violence

The term "interpersonal violence" means any form of violence that is emotional and trauma-inducing for victims, families of victims, perpetrators, and communities.

(6) Native Hawaiian organization

The term "Native Hawaiian organization" has the meaning given such term in section 11711 of this title.

(7) Secretary

The term "Secretary" means the Secretary of Health and Human Services.

(8) Trauma-informed care

The term "trauma-informed care" means care received by trauma survivors that is culturally competent in accordance with professional standards of practice and accounting for patients' experiences and preferences in order to eliminate or mitigate triggers that may cause re-traumatization of the patient.

(9) Urban Indian organization

The term "Urban Indian organization" has the meaning given such term in section 1603 of title 25.

(b) Demonstration grants for comprehensive forensic training

(1) Establishment of program

The Secretary shall establish a demonstration program to award grants to eligible entities for the clinical training of health care providers to provide generalist forensic services and trauma-informed care to survivors of interpersonal violence of all ages.

(2) Purpose

The purpose of the demonstration program under this subsection is to develop training and curriculum to provide health care providers with the skills to support the provision of forensic assessment and trauma-informed care to individuals, families, and communities that have experienced violence or trauma and to be available to collaborate with members of an inter-professional forensic team.

(3) Term

Grants under this subsection shall be for a term of 5 years.

(4) Eligible entities

To be eligible to receive a grant under this subsection, an entity shall—

(A) be an institute of higher education, including a minority serving institution as described in section 1067q of title 20; and

(B) submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require.

(5) Grant amount

Each grant awarded under this subsection shall be in an amount that does not exceed \$400,000 per year. A grant recipient may carry over funds from one fiscal year to the next without obtaining approval from the Secretary.

(6) Authorization of appropriations

(A) In general

There is authorized to be appropriated to carry out this subsection \$5,000,000 for each of fiscal years 2023 through 2027.

(B) Set-aside

Of the amount appropriated under this paragraph for a fiscal year, the Secretary shall reserve 10 percent for purposes of making grants to support training and curricula that addresses the unique needs of Indian Tribes, Tribal organizations, Urban Indian organizations, and Native Hawaiian organizations. Amounts so reserved may be used to support training, referrals, and the delivery of emergency first aid, culturally competent support, and forensic evidence collection training.

(c) Technical assistance grants and learning collectives

(1) In general

The Secretary shall establish a State and Tribal forensic provider technical resource center to provide technical assistance and support collaboration and best practices for health care providers, community health aides, and community health practitioners to improve the quality of, and increase access to, forensic services for all survivors of interpersonal violence. The Secretary may enter into contracts with national experts for purposes of carrying out this subsection.

(2) Authorization of appropriations

There is authorized to be appropriated to carry out this subsection, \$2,000,000 for each of fiscal years 2023 through 2027.

(d) National report

Not later than 1 year after March 15, 2022, and annually thereafter, the Office for Victims of Crime of the Department of Justice, the Centers for Disease Control and Prevention, the Health Resources and Services Administration, the Indian Health Service, the Office on Women's Health of the Department of Health and Human Services, and the Office on Violence Against Women of the Department of Justice shall jointly submit to the Secretary a report on the need for, throughout the States, Indian Tribes, and territories—

(1) access to generalist medical forensic services, evidence collection, and documentation that aids in meeting the needs of health care patients and improves future law enforcement investigation and prosecution; and

(2) data for research to support the response to and prevention of interpersonal violence, improved ability of health care providers to adequately respond to patients who exhibit signs of victimization, and address the unique needs of Tribal communities.

§280g–5. Public and health care provider education and support services

(a) In general

The Secretary, directly or through the awarding of grants to public or private nonprofit entities, may conduct activities, which may include demonstration projects for the purpose of improving the provision of information on prematurity to health professionals and other health care providers and the public and improving the treatment and outcomes mothers ¹ of infants born preterm, and infants born preterm, as appropriate.

(b) Activities

Activities to be carried out under subsection (a) may include the establishment of—

(1) programs, including those to test and evaluate strategies, which, in collaboration with States, localities, tribes, and community organizations, support the provision of information and education to health professionals, other health care providers, and the public concerning—

(A) the core risk factors for preterm labor and delivery;

(B) evidence-based strategies to prevent preterm birth and associated outcomes;

(C) medically indicated deliveries before full term, and the risks of non-medically indicated deliveries before full term;

(D) the importance of preconception and prenatal care, including—

(i) smoking cessation;

- (ii) weight maintenance and good nutrition, including folic acid intake;
- (iii) the screening for and the treatment of infections;
- (iv) screening for and treatment of substance use disorders;
- (v) screening for and treatment of maternal depression;
- (vi) maternal immunization; and
- (vii) stress management;

(E) treatments and outcomes for premature infants, including late preterm infants; and
(F) the informational needs of families during the stay of an infant in a neonatal intensive care unit.

(2) programs to increase the availability, awareness, and use of pregnancy and post-term information services that provide evidence-based, clinical information through counselors, community outreach efforts, electronic or telephonic communication, or other appropriate means regarding causes associated with prematurity, birth defects, or health risks to a post-term infant, as well as prevention of a future preterm birth;

(3) programs to respond to the informational needs of families during the stay of an infant in a neonatal intensive care unit, during the transition of the infant to the home, and in the event of a newborn death; and

(4) such other programs as the Secretary determines appropriate to achieve the purpose specified in subsection (a).

(c) Authorization of appropriations

There is authorized to be appropriated to carry out this section \$1,900,000 for each of fiscal years 2014 through 2018.

(July 1, 1944, ch. 373, title III, §399Q, as added Pub. L. 109–450, §4(2), Dec. 22, 2006, 120 Stat. 3342; amended Pub. L. 113–55, title I, §103(b), Nov. 27, 2013, 127 Stat. 642; Pub. L. 115–328, §3, Dec. 18, 2018, 132 Stat. 4472.)

Subsec. (b)(2). Pub. L. 115–328, §3(2)(C), inserted ", as well as prevention of a future preterm birth" before semicolon at end.

2013—Subsec. (b)(1). Pub. L. 113–55, §103(b)(1)(A), added subpars. (A) to (F) and struck out former

subpars. (A) to (F) which read as follows:

"(A) the signs of preterm labor, updated as new research results become available;

"(B) the screening for and the treating of infections;

"(c) counseling on optimal weight and good nutrition, including folic acid;

"(D) smoking cessation education and counseling;

"(E) stress management; and

"(F) appropriate prenatal care;"

Subsec. (b)(2). Pub. L. 113–55, §103(b)(1)(B), added par. (2) and struck out former par. (2) which read as follows: "programs to improve the treatment and outcomes for babies born premature, including the use of evidence-based standards of care by health care professionals for pregnant women at risk of preterm labor or other serious complications and for infants born preterm and at a low birthweight;"

Subsec. (c). Pub. L. 113–55, §103(b)(2), substituted "\$1,900,000 for each of fiscal years 2014 through 2018." for "\$5,000,000 for each of fiscal years 2007 through 2011."

¹ So in original. Probably should be preceded by "for".

§280g–6. Chronic kidney disease initiatives

(a) In general

The Secretary shall establish pilot projects to—

(1) increase public and medical community awareness (particularly of those who treat patients with diabetes and hypertension) regarding chronic kidney disease, focusing on prevention;

(2) increase screening for chronic kidney disease, focusing on Medicare beneficiaries at risk of chronic kidney disease; and

(3) enhance surveillance systems to better assess the prevalence and incidence of chronic kidney disease.

(b) Scope and duration

(1) Scope

The Secretary shall select at least 3 States in which to conduct pilot projects under this section.

(2) Duration

The pilot projects under this section shall be conducted for a period that is not longer than 5 years and shall begin on January 1, 2009.

(c) Evaluation and report

The Comptroller General of the United States shall conduct an evaluation of the pilot projects conducted under this section. Not later than 12 months after the date on which the pilot projects are completed, the Comptroller General shall submit to Congress a report on the evaluation.

(d) Authorization of appropriations

There are authorized to be appropriated such sums as may be necessary for the purpose of carrying out this section.

(July 1, 1944, ch. 373, title III, §399R, as added Pub. L. 110–275, title I, §152(a), July 15, 2008, 122 Stat. 2551.)

EXECUTIVE DOCUMENTS

EX. ORD. NO. 13879. ADVANCING AMERICAN KIDNEY HEALTH

Ex. Ord. No. 13879, July 10, 2019, 84 F.R. 33817, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

SECTION 1. *Purpose.* My Administration is dedicated to advancing American kidney health. The state of care for patients with chronic kidney disease and end-stage renal disease (ESRD) is unacceptable: too many at-risk patients progress to late-stage kidney failure; the mortality rate is too high; current treatment options are expensive and do not produce an acceptable quality of life; and there are not enough kidneys donated to meet the current demand for transplants.

Kidney disease was the ninth-leading cause of death in the United States in 2017. Approximately 37 million Americans have chronic kidney disease and more than 726,000 have ESRD. More than 100,000 Americans begin dialysis each year to treat ESRD. Twenty percent die within a year; fifty percent die within 5 years. Currently, nearly 100,000 Americans are on the waiting list to receive a kidney transplant.

SEC. 2. *Policy.* It is the policy of the United States to:

(a) prevent kidney failure whenever possible through better diagnosis, treatment, and incentives for preventive care;

(b) increase patient choice through affordable alternative treatments for ESRD by encouraging higher value care, educating patients on treatment alternatives, and encouraging the development of artificial kidneys; and

(c) increase access to kidney transplants by modernizing the organ recovery and transplantation systems and updating outmoded and counterproductive regulations.

SEC. 3. *Announcing an Awareness Initiative on Kidney and Related Diseases.* Within 120 days of the date of this order [July 10, 2019], the Secretary of Health and Human Services (Secretary) shall launch an awareness initiative at the Department of Health and Human Services (Department) to aid the Secretary's efforts to educate patients and support programs that promote kidney disease awareness. The initiative shall develop proposals for the Secretary to support research regarding preventing, treating, and slowing progression of kidney disease; to improve kidney transplantation; and to share information with patients and providers to enhance awareness of the causes and consequences of kidney disease.

SEC. 4. *Payment Model to Identify and Treat At-Risk Populations Earlier in Disease Development.* Within 30 days of the date of this order, the Secretary shall select a payment model to test innovations in compensation for providers of kidney care services based on kidney patient cost and quality outcomes. The model should broaden the range of care and Medicare payment options available to potential participants with a focus on delaying or preventing the onset of kidney failure, preventing unnecessary hospitalizations, and increasing the rate of transplants. It should aim at achieving these outcomes by creating incentives to provide care for Medicare beneficiaries who have advanced stages of kidney disease but who are not yet on dialysis. The selected model shall include options for flexible advance payments for nephrologists to better support their management and coordination of care for patients with kidney disease.

SEC. 5. *Payment Model to Increase Home Dialysis and Kidney Transplants.* Within 30 days of the date of this order, the Secretary shall select a payment model to evaluate the effects of creating payment incentives for greater use of home dialysis and kidney transplants for Medicare beneficiaries on dialysis. The model should adjust payments based on the percentage of a participating provider's attributed patients who either are on home dialysis or have received a kidney transplant and should include a learning system to help participants improve performance. Greater rates of home dialysis and transplantation will improve quality of life and care for patients who require dialysis and may eliminate the need for dialysis altogether for many patients.

SEC. 6. *Encouraging the Development of an Artificial Kidney.* Within 120 days of the date of this order, in order to increase breakthrough technologies to provide patients suffering from kidney disease with better options for care than those that are currently available, the Secretary shall:

(a) announce that the Department will consider requests for premarket approval of wearable or implantable artificial kidneys in order to encourage their development and to enhance cooperation between developers and the Food and Drug Administration; and

(b) produce a strategy for encouraging innovation in new therapies through the Kidney Innovation Accelerator (KidneyX), a public-private partnership between the Department and the American Society of Nephrology.

SEC. 7. *Increasing Utilization of Available Organs.* (a) Within 90 days of the date of this order, the Secretary shall propose a regulation to enhance the procurement and utilization of organs available through deceased donation by revising Organ Procurement Organization (OPO) rules and evaluation metrics to establish more transparent, reliable, and enforceable objective metrics for evaluating an OPO's performance.

(b) Within 180 days of the date of this order, the Secretary shall streamline and expedite the process of kidney matching and delivery to reduce the discard rate. Removing process inefficiencies in matching and delivery that result in delayed acceptance by transplant centers will reduce the detrimental effects on organ quality of prolonged time with reduced or cut-off blood supply.

SEC. 8. *Supporting Living Organ Donors.* Within 90 days of the date of this order, the Secretary shall propose a regulation to remove financial barriers to living organ donation. The regulation should expand the definition of allowable costs that can be reimbursed under the Reimbursement of Travel and Subsistence Expenses Incurred Toward Living Organ Donation program, raise the limit on the income of donors eligible for reimbursement under the program, allow reimbursement for lost-wage expenses, and provide for reimbursement of child-care and elder-care expenses.

SEC. 9. *General Provisions.* (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

DONALD J. TRUMP.

§280g–7. Amyotrophic lateral sclerosis registry

(a) Establishment

(1) In general

Not later than 1 year after the receipt of the report described in subsection (b)(2)(A), the Secretary, acting through the Director of the Centers for Disease Control and Prevention, may, if scientifically advisable—

(A) develop a system to collect data on amyotrophic lateral sclerosis (referred to in this section as "ALS") and other motor neuron disorders that can be confused with ALS, misdiagnosed as ALS, and in some cases progress to ALS, including information with respect to the incidence and prevalence of the disease in the United States; and

(B) establish a national registry for the collection and storage of such data to develop a population-based registry of cases in the United States of ALS and other motor neuron disorders that can be confused with ALS, misdiagnosed as ALS, and in some cases progress to ALS.

(2) Purpose

It is the purpose of the registry established under paragraph (1)(B) to—

(A) better describe the incidence and prevalence of ALS in the United States;

(B) examine appropriate factors, such as environmental and occupational, that may be associated with the disease;

(C) better outline key demographic factors (such as age, race or ethnicity, gender, and family history of individuals who are diagnosed with the disease) associated with the disease;

(D) better examine the connection between ALS and other motor neuron disorders that can be confused with ALS, misdiagnosed as ALS, and in some cases progress to ALS; and

(E) other matters as recommended by the Advisory Committee established under subsection (b).

(b) Advisory Committee

(1) Establishment

Not later than 180 days after October 8, 2008, the Secretary, acting through the Director of the Centers for Disease Control and Prevention, may establish a committee to be known as the Advisory Committee on the National ALS Registry (referred to in this section as the "Advisory Committee"). The Advisory Committee shall be composed of not more than 27 members to be

appointed by the Secretary, acting through the Centers for Disease Control and Prevention, of which—

(A) two-thirds of such members shall represent governmental agencies—

(i) including at least one member representing—

(I) the National Institutes of Health, to include, upon the recommendation of the Director of the National Institutes of Health, representatives from the National Institute of Neurological Disorders and Stroke and the National Institute of Environmental Health Sciences;

(II) the Department of Veterans Affairs;

(III) the Agency for Toxic Substances and Disease Registry; and

(IV) the Centers for Disease Control and Prevention; and

(ii) of which at least one such member shall be a clinician with expertise on ALS and related diseases, an epidemiologist with experience in data registries, a statistician, an ethicist, and a privacy expert (relating to the privacy regulations under the Health Insurance Portability and Accountability Act of 1996); and

(B) one-third of such members shall be public members, including at least one member representing—

(i) national and voluntary health associations; ¹

(ii) patients with ALS or their family members;

(iii) clinicians with expertise on ALS and related diseases;

(iv) epidemiologists with experience in data registries;

(v) geneticists or experts in genetics who have experience with the genetics of ALS or other neurological diseases ² and

(vi) other individuals with an interest in developing and maintaining the National ALS Registry.

(2) Duties

The Advisory Committee may review information and make recommendations to the Secretary concerning—

(A) the development and maintenance of the National ALS Registry;

(B) the type of information to be collected and stored in the Registry;

(C) the manner in which such data is to be collected;

(D) the use and availability of such data including guidelines for such use; and

(E) the collection of information about diseases and disorders that primarily affect motor neurons that are considered essential to furthering the study and cure of ALS.

(3) Report

Not later than 270 days after the date on which the Advisory Committee is established, the Advisory Committee may submit a report to the Secretary concerning the review conducted under paragraph (2) that contains the recommendations of the Advisory Committee with respect to the results of such review.

(c) Grants

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, may award grants to, and enter into contracts and cooperative agreements with, public or private nonprofit entities for the collection, analysis, and reporting of data on ALS and other motor neuron disorders that can be confused with ALS, misdiagnosed as ALS, and in some cases progress to ALS after receiving the report under subsection (b)(3).

(d) Coordination with State, local, and Federal registries

(1) ³ In general

In establishing the National ALS Registry under subsection (a), the Secretary, acting through

the Director of the Centers for Disease Control and Prevention, may—

(A) identify, build upon, expand, and coordinate among existing data and surveillance systems, surveys, registries, and other Federal public health and environmental infrastructure wherever possible, which may include—

- (i) any registry pilot projects previously supported by the Centers for Disease Control and Prevention;
- (ii) the Department of Veterans Affairs ALS Registry;
- (iii) the DNA and Cell Line Repository of the National Institute of Neurological Disorders and Stroke Human Genetics Resource Center at the National Institutes of Health;
- (iv) Agency for Toxic Substances and Disease Registry studies, including studies conducted in Illinois, Missouri, El Paso and San Antonio, Texas, and Massachusetts;
- (v) State-based ALS registries;
- (vi) the National Vital Statistics System; and
- (vii) any other existing or relevant databases that collect or maintain information on those motor neuron diseases recommended by the Advisory Committee established in subsection (b); and

(B) provide for research access to ALS data as recommended by the Advisory Committee established in subsection (b) to the extent permitted by applicable statutes and regulations and in a manner that protects personal privacy consistent with applicable privacy statutes and regulations.

(C) COORDINATION WITH NIH AND DEPARTMENT OF VETERANS AFFAIRS .—Consistent with applicable privacy statutes and regulations, the Secretary may ensure that epidemiological and other types of information obtained under subsection (a) is made available to the National Institutes of Health and the Department of Veterans Affairs.

(e) Definition

For the purposes of this section, the term "national voluntary health association" means a national non-profit organization with chapters or other affiliated organizations in States throughout the United States with experience serving the population of individuals with ALS and have demonstrated experience in ALS research, care, and patient services.

§280g–7a. Surveillance of neurological diseases

(a) In general

The Secretary, acting through the Director of the Centers for Disease Control and Prevention and

in coordination with other agencies as the Secretary determines, shall, as appropriate—

(1) enhance and expand infrastructure and activities to track the epidemiology of neurological diseases; and

(2) incorporate information obtained through such activities into an integrated surveillance system, which may consist of or include a registry, to be known as the National Neurological Conditions Surveillance System.

(b) Research

The Secretary shall ensure that the National Neurological Conditions Surveillance System is designed in a manner that facilitates further research on neurological diseases.

(c) Content

In carrying out subsection (a), the Secretary—

(1) shall provide for the collection and storage of information on the incidence and prevalence of neurological diseases in the United States;

(2) to the extent practicable, shall provide for the collection and storage of other available information on neurological diseases, including information related to persons living with neurological diseases who choose to participate, such as—

(A) demographics, such as age, race, ethnicity, sex, geographic location, family history, and other information, as appropriate;

(B) risk factors that may be associated with neurological diseases, such as genetic and environmental risk factors and other information, as appropriate; and

(C) diagnosis and progression markers;

(3) may provide for the collection and storage of information relevant to analysis on neurological diseases, such as information concerning—

(A) the natural history of the diseases;

(B) the prevention of the diseases;

(C) the detection, management, and treatment approaches for the diseases; and

(D) the development of outcomes measures;

(4) may address issues identified during the consultation process under subsection (d); and

(5) initially may address a limited number of neurological diseases.

(d) Consultation

In carrying out this section, the Secretary shall consult with individuals with appropriate expertise, which may include—

(1) epidemiologists with experience in disease surveillance or registries;

(2) representatives of national voluntary health associations that—

(A) focus on neurological diseases; and

(B) have demonstrated experience in research, care, or patient services;

(3) health information technology experts or other information management specialists;

(4) clinicians with expertise in neurological diseases; and

(5) research scientists with experience conducting translational research or utilizing surveillance systems for scientific research purposes.

(e) Grants

The Secretary may award grants to, or enter into contracts or cooperative agreements with, public or private nonprofit entities to carry out activities under this section.

(f) Coordination with other Federal, State, and local agencies

Subject to subsection (h), the Secretary shall—

(1) make information and analysis in the National Neurological Conditions Surveillance System available, as appropriate—

(A) to Federal departments and agencies, such as the National Institutes of Health and the Department of Veterans Affairs; and

(B) to State and local agencies; and

(2) identify, build upon, leverage, and coordinate among existing data and surveillance systems, surveys, registries, and other Federal public health infrastructure, wherever practicable.

(g) Public access

Subject to subsection (h), the Secretary shall ensure that information and analysis in the National Neurological Conditions Surveillance System are available, as appropriate, to the public, including researchers.

(h) Privacy

The Secretary shall ensure that information and analysis in the National Neurological Conditions Surveillance System are made available only to the extent permitted by applicable Federal and State law, and in a manner that protects personal privacy, to the extent required by applicable Federal and State privacy law, at a minimum.

(i) Reports

(1) Report on information and analyses

Not later than 1 year after the date on which any system is established under this section, the Secretary shall submit an interim report to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives regarding aggregate information collected pursuant to this section and epidemiological analyses, as appropriate. Such report shall be posted on the Internet website of the Department of Health and Human Services and shall be updated biennially.

(2) Implementation report

Not later than 4 years after December 13, 2016, the Secretary shall submit a report to the Congress concerning the implementation of this section. Such report shall include information on—

(A) the development and maintenance of the National Neurological Conditions Surveillance System;

(B) the type of information collected and stored in the surveillance system;

(C) the use and availability of such information, including guidelines for such use; and

(D) the use and coordination of databases that collect or maintain information on neurological diseases.

(j) Definition

In this section, the term "national voluntary health association" means a national nonprofit organization with chapters, other affiliated organizations, or networks in States throughout the United States with experience serving the population of individuals with neurological disease and have demonstrated experience in neurological disease research, care, and patient services.

(k) Authorization of appropriations

To carry out this section, there is authorized to be appropriated \$5,000,000 for each of fiscal years 2018 through 2022.

(July 1, 1944, ch. 373, title III, §399S–1, as added Pub. L. 114–255, div. A, title II, §2061, Dec. 13, 2016, 130 Stat. 1076.)

§280g–7b. HHS public-private partnership for rare neurodegenerative diseases

(a) Establishment

Not later than one year after December 23, 2021, the Secretary of Health and Human Services

(referred to in this section as the "Secretary") shall establish and implement a Public-Private Partnership for Neurodegenerative Diseases between the National Institutes of Health, the Food and Drug Administration, and one or more eligible entities (to be known and referred to in this section as the "Partnership") through cooperative agreements, contracts, or other appropriate mechanisms with such eligible entities, for the purpose of advancing the understanding of neurodegenerative diseases and fostering the development of treatments for amyotrophic lateral sclerosis and other rare neurodegenerative diseases. The Partnership shall—

(1) establish partnerships and consortia with other public and private entities and individuals with expertise in amyotrophic lateral sclerosis and other rare neurodegenerative diseases for the purposes described in this subsection;

(2) focus on advancing regulatory science and scientific research that will support and accelerate the development and review of drugs for patients with amyotrophic lateral sclerosis and other rare neurodegenerative diseases; and

(3) foster the development of effective drugs that improve the lives of people that suffer from amyotrophic lateral sclerosis and other rare neurodegenerative diseases.

(b) Eligible entity

In this section, the term "eligible entity" means an entity that—

(1) is—

(A) an institution of higher education (as such term is defined in section 1001 ¹ of title 20) or a consortium of such institutions; or

(B) an organization described in section 501(c)(3) of title 26 and exempt from tax under subsection (a) of such section;

(2) has experienced personnel with clinical and other technical expertise in the field of biomedical sciences and demonstrated connection to the patient population;

(3) demonstrates to the Secretary's satisfaction that the entity is capable of identifying and establishing collaborations between public and private entities and individuals with expertise in neurodegenerative diseases, including patients, in order to facilitate—

(A) development and critical evaluation of tools, methods, and processes—

(i) to characterize neurodegenerative diseases and their natural history;

(ii) to identify molecular targets for neurodegenerative diseases; and

(iii) to increase efficiency, predictability, and productivity of clinical development of therapies, including advancement of rational therapeutic development and establishment of clinical trial networks; and

(B) securing funding for the Partnership from Federal and non-Federal governmental sources, foundations, and private individuals; and

(4) provides an assurance that the entity will not accept funding for a Partnership project from any organization that manufactures or distributes products regulated by the Food and Drug Administration unless the entity provides assurances in its agreement with the Secretary that the results of the project will not be influenced by any source of funding.

(c) Gifts

(1) In general

The Partnership may solicit and accept gifts, grants, and other donations, establish accounts, and invest and expend funds in support of basic research and research associated with phase 3 clinical trials conducted with respect to investigational drugs that are the subjects of expanded access requests under section 360bbb of title 21.

(2) Use

In addition to any amounts appropriated for purposes of carrying out this section, the Partnership may use, without further appropriation, any funds derived from a gift, grant, or other

donation accepted pursuant to paragraph (1).

§280g–8. Support for patients receiving a positive diagnosis of Down syndrome or other prenatally or postnatally diagnosed conditions

(a) Definitions

In this section:

(1) Down syndrome

The term "Down syndrome" refers to a chromosomal disorder caused by an error in cell division that results in the presence of an extra whole or partial copy of chromosome 21.

(2) Health care provider

The term "health care provider" means any person or entity required by State or Federal law or regulation to be licensed, registered, or certified to provide health care services, and who is so licensed, registered, or certified.

(3) Postnatally diagnosed condition

The term "postnatally diagnosed condition" means any health condition identified during the 12-month period beginning at birth.

(4) Prenatally diagnosed condition

The term "prenatally diagnosed condition" means any fetal health condition identified by prenatal genetic testing or prenatal screening procedures.

(5) Prenatal test

The term "prenatal test" means diagnostic or screening tests offered to pregnant women seeking routine prenatal care that are administered on a required or recommended basis by a health care provider based on medical history, family background, ethnic background, previous test results, or other risk factors.

(b) Information and support services

(1) In general

The Secretary, acting through the Director of the National Institutes of Health, the Director of the Centers for Disease Control and Prevention, or the Administrator of the Health Resources and Services Administration, may authorize and oversee certain activities, including the awarding of grants, contracts or cooperative agreements to eligible entities, to—

(A) collect, synthesize, and disseminate current evidence-based information relating to Down syndrome or other prenatally or postnatally diagnosed conditions; and

(B) coordinate the provision of, and access to, new or existing supportive services for patients receiving a positive diagnosis for Down syndrome or other prenatally or postnatally diagnosed conditions, including—

(i) the establishment of a resource telephone hotline accessible to patients receiving a positive test result or to the parents of newly diagnosed infants with Down syndrome and other diagnosed conditions;

(ii) the expansion and further development of the National Dissemination Center for Children with Disabilities, so that such Center can more effectively conduct outreach to new and expecting parents and provide them with up-to-date information on the range of outcomes for individuals living with the diagnosed condition, including physical, developmental, educational, and psychosocial outcomes;

(iii) the expansion and further development of national and local peer-support programs, so that such programs can more effectively serve women who receive a positive diagnosis for Down syndrome or other prenatal conditions or parents of infants with a postnatally diagnosed condition;

(iv) the establishment of a national registry, or network of local registries, of families willing to adopt newborns with Down syndrome or other prenatally or postnatally diagnosed conditions, and links to adoption agencies willing to place babies with Down syndrome or other prenatally or postnatally diagnosed conditions, with families willing to adopt; and

(v) the establishment of awareness and education programs for health care providers who provide, interpret, or inform parents of the results of prenatal tests for Down syndrome or other prenatally or postnatally diagnosed conditions, to patients, consistent with the purpose described in section 2(b)(1) ¹ of the Prenatally and Postnatally Diagnosed Conditions Awareness Act.

(2) Eligible entity

In this subsection, the term "eligible entity" means—

(A) a State or a political subdivision of a State;

(B) a consortium of 2 or more States or political subdivisions of States;

(C) a territory;

(D) a health facility or program operated by or pursuant to a contract with or grant from the Indian Health Service; or

(E) any other entity with appropriate expertise in prenatally and postnatally diagnosed conditions (including nationally recognized disability groups), as determined by the Secretary.

(3) Distribution

In distributing funds under this subsection, the Secretary shall place an emphasis on funding partnerships between health care professional groups and disability advocacy organizations.

(c) Provision of information to providers

(1) In general

A grantee under this section shall make available to health care providers of parents who receive a prenatal or postnatal diagnosis the following:

(A) Up-to-date, evidence-based, written information concerning the range of outcomes for individuals living with the diagnosed condition, including physical, developmental, educational, and psychosocial outcomes.

(B) Contact information regarding support services, including information hotlines specific to Down syndrome or other prenatally or postnatally diagnosed conditions, resource centers or clearinghouses, national and local peer support groups, and other education and support programs as described in subsection (b)(2).

(2) Informational requirements

Information provided under this subsection shall be—

(A) culturally and linguistically appropriate as needed by women receiving a positive

prenatal diagnosis or the family of infants receiving a postnatal diagnosis; and

(B) approved by the Secretary.

(d) Report

Not later than 2 years after October 8, 2008, the Government Accountability Office shall submit a report to Congress concerning the effectiveness of current healthcare and family support programs serving as resources for the families of children with disabilities.

(July 1, 1944, ch. 373, title III, §399T, formerly §399R, as added Pub. L. 110–374, §3, Oct. 8, 2008, 122 Stat. 4051; renumbered §399T, Pub. L. 111–148, title IV, §4003(b)(2)(B), Mar. 23, 2010, 124 Stat. 544.)

§280g–9. Programs to improve quality of life for persons with paralysis and other physical disabilities

(a) In general

The Secretary of Health and Human Services (in this section referred to as the "Secretary") may study the unique health challenges associated with paralysis and other physical disabilities and carry out projects and interventions to improve the quality of life and long-term health status of persons with paralysis and other physical disabilities. The Secretary may carry out such projects directly and through awards of grants or contracts.

(b) Certain activities

Activities under subsection (a) may include—

(1) the development of a national paralysis and physical disability quality of life action plan, to promote health and wellness in order to enhance full participation, independent living, self-sufficiency, and equality of opportunity in partnership with voluntary health agencies focused on paralysis and other physical disabilities, to be carried out in coordination with the State-based Disability and Health Program of the Centers for Disease Control and Prevention;

(2) support for programs to disseminate information involving care and rehabilitation options and quality of life grant programs supportive of community-based programs and support systems for persons with paralysis and other physical disabilities;

(3) in collaboration with other centers and national voluntary health agencies, the establishment of a population-based database that may be used for longitudinal and other research on paralysis and other disabling conditions; and

(4) the replication and translation of best practices and the sharing of information across States, as well as the development of comprehensive, unique, and innovative programs, services, and demonstrations within existing State-based disability and health programs of the Centers for Disease Control and Prevention which are designed to support and advance quality of life programs for persons living with paralysis and other physical disabilities focusing on—

(A) caregiver education;

(B) promoting proper nutrition, increasing physical activity, and reducing tobacco use;

(C) education and awareness programs for health care providers;

(D) prevention of secondary complications;

(E) home- and community-based interventions;

(F) coordinating services and removing barriers that prevent full participation and integration into the community; and

(G) recognizing the unique needs of underserved populations.

(c) Grants

The Secretary may award grants in accordance with the following:

(1) To State and local health and disability agencies for the purpose of—

(A) establishing a population-based database that may be used for longitudinal and other research on paralysis and other disabling conditions;

(B) developing comprehensive paralysis and other physical disability action plans and activities focused on the items listed in subsection (b)(4);

(C) assisting State-based programs in establishing and implementing partnerships and collaborations that maximize the input and support of people with paralysis and other physical disabilities and their constituent organizations;

(D) coordinating paralysis and physical disability activities with existing State-based disability and health programs;

(E) providing education and training opportunities and programs for health professionals and allied caregivers; and

(F) developing, testing, evaluating, and replicating effective intervention programs to maintain or improve health and quality of life.

(2) To private health and disability organizations for the purpose of—

(A) disseminating information to the public;

(B) improving access to services for persons living with paralysis and other physical disabilities and their caregivers;

(C) testing model intervention programs to improve health and quality of life; and

(D) coordinating existing services with State-based disability and health programs.

(d) Coordination of activities

The Secretary shall ensure that activities under this section are coordinated as appropriate by the agencies of the Department of Health and Human Services.

(e) Authorization of appropriations

For the purpose of carrying out this section, there is authorized to be appropriated \$25,000,000 for each of fiscal years 2008 through 2011.

(Pub. L. 111–11, title XIV, §14301, Mar. 30, 2009, 123 Stat. 1454.)

§280g–10. Community Preventive Services Task Force

(a) Establishment and purpose

The Director of the Centers for Disease Control and Prevention shall convene an independent Community Preventive Services Task Force (referred to in this subsection as the "Task Force") to be composed of individuals with appropriate expertise. Such Task Force shall review the scientific evidence related to the effectiveness, appropriateness, and cost-effectiveness of community preventive interventions for the purpose of developing recommendations, to be published in the Guide to Community Preventive Services (referred to in this section as the "Guide"), for individuals and organizations delivering population-based services, including primary care professionals, health care systems, professional societies, employers, community organizations, non-profit organizations, schools, governmental public health agencies, Indian tribes, tribal organizations and urban Indian organizations, medical groups, Congress and other policy-makers. Community preventive services include any policies, programs, processes or activities designed to affect or otherwise affecting health at the population level.

(b) Duties

The duties of the Task Force shall include—

(1) the development of additional topic areas for new recommendations and interventions related to those topic areas, including those related to specific populations and age groups, as well as the social, economic and physical environments that can have broad effects on the health and disease of populations and health disparities among sub-populations and age groups;

(2) at least once during every 5-year period, review ¹ interventions and update ¹ recommendations related to existing topic areas, including new or improved techniques to assess the health effects of interventions, including health impact assessment and population health modeling;

(3) improved integration with Federal Government health objectives and related target setting for health improvement;

(4) the enhanced dissemination of recommendations;

(5) the provision of technical assistance to those health care professionals, agencies, and organizations that request help in implementing the Guide recommendations; and

(6) providing yearly reports to Congress and related agencies identifying gaps in research and recommending priority areas that deserve further examination, including areas related to populations and age groups not adequately addressed by current recommendations.

(c) Role of agency

The Director shall provide ongoing administrative, research, and technical support for the operations of the Task Force, including coordinating and supporting the dissemination of the recommendations of the Task Force, ensuring adequate staff resources, and assistance to those organizations requesting it for implementation of Guide recommendations.

(d) Coordination with Preventive Services Task Force

The Task Force shall take appropriate steps to coordinate its work with the U.S. Preventive Services Task Force and the Advisory Committee on Immunization Practices, including the examination of how each task force's recommendations interact at the nexus of clinic and community.

(e) Operation

In carrying out the duties under subsection (b), the Task Force shall not be subject to the provisions of chapter 10 of title 5.

(f) Authorization of appropriations

There are authorized to be appropriated such sums as may be necessary for each fiscal year to carry out the activities of the Task Force.

(July 1, 1944, ch. 373, title III, §399U, as added Pub. L. 111–148, title IV, §4003(b)(1), Mar. 23, 2010, 124 Stat. 543; amended Pub. L. 117–286, §4(a)(230), Dec. 27, 2022, 136 Stat. 4331.)

§280g–11. Awards to support community health workers and community health

(a) In general

The Secretary shall award grants, contracts, or cooperative agreements to eligible entities to promote positive health behaviors and outcomes for populations in medically underserved communities by leveraging community health workers, including by addressing ongoing and longer-term community health needs, and by building the capacity of the community health worker workforce. Such grants, contracts, and cooperative agreements shall be awarded in alignment and coordination with existing funding arrangements supporting community health workers.

(b) Use of funds

Subject to any requirements for the scope of licensure, registration, or certification of a community health worker under applicable State law, grants, contracts, and cooperative agreements awarded under subsection (a) shall be used to—

(1) recruit, hire, train, and retain community health workers that reflect the needs of the community;

(2) support community health workers in providing education and outreach, in a community setting, regarding—

(A) health conditions prevalent in—

(i) medically underserved communities (as defined in section 295p of this title), particularly racial and ethnic minority populations; and

(ii) other such at-risk populations or geographic areas that may require additional support during public health emergencies, which may include counties identified by the Secretary using applicable measures developed by the Centers for Disease Control and Prevention or other Federal agencies; and

(B) addressing health disparities, including by—

(i) promoting awareness of services and resources to increase access to health care, mental health and substance use disorder services, child services, technology, housing services, educational services, nutrition services, employment services, and other services; and

(ii) assisting in conducting individual and community needs assessments;

(3) educate community members, including regarding effective strategies to promote healthy behaviors;

(4) educate and provide outreach regarding enrollment in health insurance including the Children's Health Insurance Program under title XXI of the Social Security Act [42 U.S.C. 1397aa et seq.], Medicare under title XVIII of such Act [42 U.S.C. 1395 et seq.] and Medicaid under title XIX of such Act [42 U.S.C. 1396 et seq.];

(5) identify and refer underserved populations to appropriate health care agencies and community-based programs and organizations in order to increase access to quality health care

services and to streamline care, including serving as a liaison between communities and health care agencies; and

(6) support community health workers in educating, guiding, or providing home visitation services regarding chronic diseases, maternal health, prenatal, and postpartum care in order to improve maternal and infant health outcomes.

(c) Application

To be eligible to receive an award under subsection (a), an entity shall prepare and submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require.

(d) Priority

In making awards under subsection (a), the Secretary shall give priority to applicants that—

(1) propose to serve—

(A) areas with populations that have a high rate of chronic disease, infant mortality, or maternal morbidity and mortality;

(B) low-income populations, including medically underserved populations (as defined in section 254b(b)(3) of this title);

(C) populations residing in health professional shortage areas (as defined in section 254e(a) of this title);

(D) populations residing in maternity care health professional target areas identified under section 254e(k) of this title; or

(E) rural or traditionally underserved populations, including racial and ethnic minority populations or low-income populations;

(2) have experience in providing health or health-related social services to individuals who are underserved with respect to such services, including rural populations and racial and ethnic minority populations;

(3) have documented community activity and experience and established relationships with community health workers in the communities expected to be served by the program;

(4) develop a plan for providing services to the extent practicable, in the language and cultural context most appropriate to individuals expected to be served by the program; and

(5) propose to use evidence-informed or evidence-based practices, as applicable and appropriate.

(e) Collaboration with academic institutions and the one-stop delivery system

The Secretary shall encourage eligible entities receiving funds under this section to collaborate with academic institutions, health professions schools, minority-serving institutions (defined, for purposes of this subsection, as institutions and programs described in section 1063b(e)(1) of title 20 and institutions described in section 1067q(a) of title 20), area health education centers under section 294a of this title, and one-stop delivery systems under section 3151 of title 29. Nothing in this section shall be construed to require such collaboration.

(f) Technical assistance

The Secretary may provide to eligible entities that receive awards under subsection (a) technical assistance with respect to planning, development, and operation of community health worker programs authorized or supported under this section.

(g) Dissemination of best practices

Not later than 4 years after December 29, 2022, the Secretary shall, based on activities carried out under this section and in consultation with relevant stakeholders, identify and disseminate evidence-based or evidence-informed practices regarding recruitment and retention of community health workers and paraprofessionals to address ongoing public health and community health needs, and to prepare for, and respond to, future public health emergencies.

(h) Report to Congress

Not later than 4 years after December 29, 2022, the Secretary shall submit to the Committee on Health, Education, Labor, and Pensions and the Committee on Appropriations of the Senate and the Committee on Energy and Commerce and the Committee on Appropriations of the House of Representatives a report concerning the effectiveness of the program under this section in addressing ongoing public health and community health needs. Such report shall include recommendations regarding any improvements to such program, including recommendations for how to improve recruitment, training, and retention of the community health workforce.

(i) Authorization of appropriations

For purposes of carrying out this section, there are authorized to be appropriated \$50,000,000 for each of fiscal years 2023 through 2027.

(j) Definitions

In this section:

(1) Eligible entity

The term "eligible entity" means a public or nonprofit private entity, including a State or political subdivision of a State, an Indian Tribe or Tribal organization, an urban Indian organization, a community-based organization, a public health department, a free health clinic, a hospital, or a Federally-qualified health center ((as ¹ defined in section 1861(aa)(4) of the Social Security Act [42 U.S.C. 1395x(aa)(4)]), or a consortium of any such entities.

(2) Indian Tribe; Tribal organization

The terms "Indian Tribe" and "Tribal organization" have the meanings given the terms "Indian tribe" and "tribal organization", respectively, in section 5304 of title 25.

(3) Urban Indian organization

The term "urban Indian organization" has the meaning given such term in section 1603 of title 25.

Subsec. (e). Pub. L. 117–328, §2222(a)(6), substituted "eligible entities" for "community health worker programs" and ", health professions schools, minority-serving institutions (defined, for purposes of this subsection, as institutions and programs described in section 1063b(e)(1) of title 20 and institutions described in section 1067q(a) of such title), area health education centers under section 294a of this title, and one-stop delivery systems under section 3151" for "and one-stop delivery systems under section 3151(e)".

Subsecs. (f) to (i). Pub. L. 117–328, §2222(a)(7), added subsecs. (f) to (i) and struck out former subsecs. (f) to (i) which read as follows:

"(f) EVIDENCE-BASED INTERVENTIONS.—The Secretary shall encourage community health worker programs receiving funding under this section to implement a process or an outcome-based payment system that rewards community health workers for connecting underserved populations with the most appropriate services at the most appropriate time. Nothing in this section shall be construed to require such a payment.

"(g) QUALITY ASSURANCE AND COST EFFECTIVENESS.—The Secretary shall establish guidelines for assuring the quality of the training and supervision of community health workers under the programs funded under this section and for assuring the cost-effectiveness of such programs.

"(h) MONITORING.—The Secretary shall monitor community health worker programs identified in approved applications under this section and shall determine whether such programs are in compliance with the guidelines established under subsection (g).

"(i) TECHNICAL ASSISTANCE.—The Secretary may provide technical assistance to community health worker programs identified in approved applications under this section with respect to planning, developing, and operating programs under the grant."

Subsec. (j). Pub. L. 117–328, §2222(a)(7), (8), redesignated subsec. (k) as (j) and struck out former subsec. (j). Prior to amendment, text of subsec. (j) read as follows: "There are authorized to be appropriated, such sums as may be necessary to carry out this section for each of fiscal years 2010 through 2014."

Subsec. (j)(1). Pub. L. 117–328, §2222(a)(9)(C), substituted "entity, including a State or political subdivision of a State, an Indian Tribe or Tribal organization, an urban Indian organization, a

community-based organization" for "entity (including a State or public subdivision of a State" and "(as defined in section 1861(aa)(4) of the Social Security Act)" for "as defined in section 1861(aa) of the Social Security Act)").

Pub. L. 117–328, §2222(a)(9)(A), (B), redesignated par. (3) as (1) and struck out former par. (1) which defined "community health worker".

Subsec. (j)(2) to (4). Pub. L. 117–328, §2222(a)(9)(A), (D), added pars. (2) and (3) and struck out former pars. (2) and (4) which defined "community setting" and "medically underserved community", respectively. Former par. (3) redesignated (1).

Subsec. (k). Pub. L. 117–328, §2222(a)(8), redesignated subsec. (k) as (j).

2014—Subsec. (e). Pub. L. 113–128 substituted "one-stop delivery systems under section 3151(e) of title 29" for "one-stop delivery systems under section 2864(c) of title 29".

2010—Subsec. (b)(4). Pub. L. 111–148, §10501(c)(1), substituted "identify and refer" for "identify, educate, refer, and enroll".

Subsec. (k)(1). Pub. L. 111–148, §10501(c)(2), struck out ", as defined by the Department of Labor as Standard Occupational Classification [21–1094]" before "means" in introductory provisions.

§280g–12. Primary Care Extension Program

(a) Establishment, purpose and definition

(1) In general

The Secretary, acting through the Director of the Agency for Healthcare Research and Quality, shall establish a Primary Care Extension Program.

(2) Purpose

The Primary Care Extension Program shall provide support and assistance to primary care providers to educate providers about preventive medicine, health promotion, chronic disease management, mental and behavioral health services (including substance abuse prevention and treatment services), and evidence-based and evidence-informed therapies and techniques, in order to enable providers to incorporate such matters into their practice and to improve community health by working with community-based health connectors (referred to in this section as "Health Extension Agents").

(3) Definitions

In this section:

(A) Health Extension Agent

The term "Health Extension Agent" means any local, community-based health worker who facilitates and provides assistance to primary care practices by implementing quality improvement or system redesign, incorporating the principles of the patient-centered medical home to provide high-quality, effective, efficient, and safe primary care and to provide guidance to patients in culturally and linguistically appropriate ways, and linking practices to diverse health system resources.

(B) Primary care provider

The term "primary care provider" means a clinician who provides integrated, accessible

health care services and who is accountable for addressing a large majority of personal health care needs, including providing preventive and health promotion services for men, women, and children of all ages, developing a sustained partnership with patients, and practicing in the context of family and community, as recognized by a State licensing or regulatory authority, unless otherwise specified in this section.

(b) Grants to establish State Hubs and local Primary Care Extension Agencies

(1) Grants

The Secretary shall award competitive grants to States for the establishment of State- or multistate-level primary care Primary Care Extension Program State Hubs (referred to in this section as "Hubs").

(2) Composition of Hubs

A Hub established by a State pursuant to paragraph (1)—

(A) shall consist of, at a minimum, the State health department, the entity responsible for administering the State Medicaid program (if other than the State health department), the State-level entity administering the Medicare program, and the departments that train providers in primary care in 1 or more health professions schools in the State; and

(B) may include entities such as hospital associations, primary care practice-based research networks, health professional societies, State primary care associations, State licensing boards, organizations with a contract with the Secretary under section 1320c–2 of this title, consumer groups, and other appropriate entities.

(c) State and local activities

(1) Hub activities

Hubs established under a grant under subsection (b) shall—

(A) submit to the Secretary a plan to coordinate functions with quality improvement organizations and area health education centers if such entities are members of the Hub not described in subsection (b)(2)(A);

(B) contract with a county- or local-level entity that shall serve as the Primary Care Extension Agency to administer the services described in paragraph (2);

(C) organize and administer grant funds to county- or local-level Primary Care Extension Agencies that serve a catchment area, as determined by the State; and

(D) organize State-wide or multistate networks of local-level Primary Care Extension Agencies to share and disseminate information and practices.

(2) Local Primary Care Extension Agency activities

(A) Required activities

Primary Care Extension Agencies established by a Hub under paragraph (1) shall—

(i) assist primary care providers to implement a patient-centered medical home to improve the accessibility, quality, and efficiency of primary care services, including health homes;

(ii) develop and support primary care learning communities to enhance the dissemination of research findings for evidence-based practice, assess implementation of practice improvement, share best practices, and involve community clinicians in the generation of new knowledge and identification of important questions for research;

(iii) participate in a national network of Primary Care Extension Hubs and propose how the Primary Care Extension Agency will share and disseminate lessons learned and best practices; and

(iv) develop a plan for financial sustainability involving State, local, and private contributions, to provide for the reduction in Federal funds that is expected after an initial 6-year period of program establishment, infrastructure development, and planning.

(B) Discretionary activities

Primary Care Extension Agencies established by a Hub under paragraph (1) may—

(i) provide technical assistance, training, and organizational support for community health teams established under section 256a-1 ¹ of this title;

(ii) collect data and provision of primary care provider feedback from standardized measurements of processes and outcomes to aid in continuous performance improvement;

(iii) collaborate with local health departments, community health centers, tribes and tribal entities, and other community agencies to identify community health priorities and local health workforce needs, and participate in community-based efforts to address the social and primary determinants of health, strengthen the local primary care workforce, and eliminate health disparities;

(iv) develop measures to monitor the impact of the proposed program on the health of practice enrollees and of the wider community served; and

(v) participate in other activities, as determined appropriate by the Secretary.

(d) Federal program administration

(1) Grants; types

Grants awarded under subsection (b) shall be—

(A) program grants, that are awarded to State or multistate entities that submit fully-developed plans for the implementation of a Hub, for a period of 6 years; or

(B) planning grants, that are awarded to State or multistate entities with the goal of developing a plan for a Hub, for a period of 2 years.

(2) Applications

To be eligible for a grant under subsection (b), a State or multistate entity shall submit to the Secretary an application, at such time, in such manner, and containing such information as the Secretary may require.

(3) Evaluation

A State that receives a grant under subsection (b) shall be evaluated at the end of the grant period by an evaluation panel appointed by the Secretary.

(4) Continuing support

After the sixth year in which assistance is provided to a State under a grant awarded under subsection (b), the State may receive additional support under this section if the State program has received satisfactory evaluations with respect to program performance and the merits of the State sustainability plan, as determined by the Secretary.

(5) Limitation

A State shall not use in excess of 10 percent of the amount received under a grant to carry out administrative activities under this section. Funds awarded pursuant to this section shall not be used for funding direct patient care.

(e) Requirements on the Secretary

In carrying out this section, the Secretary shall consult with the heads of other Federal agencies with demonstrated experience and expertise in health care and preventive medicine, such as the Centers for Disease Control and Prevention, the Substance Abuse and Mental Health Administration, the Health Resources and Services Administration, the National Institutes of Health, the Office of the National Coordinator for Health Information Technology, the Indian Health Service, the Agricultural Cooperative Extension Service of the Department of Agriculture, and other entities, as the Secretary determines appropriate.

(f) Authorization of appropriations

To awards grants as provided in subsection (d), there are authorized to be appropriated \$120,000,000 for each of fiscal years 2011 and 2012, and such sums as may be necessary to carry out this section for each of fiscal years 2013 through 2014.

§280g–13. National congenital heart disease research, surveillance, and awareness

(a) In general

The Secretary shall, as appropriate—

(1) enhance and expand research and data collection efforts related to congenital heart disease, including to study and track the epidemiology of congenital heart disease to understand health outcomes for individuals with congenital heart disease across all ages;

(2) conduct activities to improve public awareness of, and education related to, congenital heart disease, including care of individuals with such disease; and

(3) award grants to entities to undertake the activities described in this section.

(b) Activities

(1) In general

The Secretary shall carry out activities, including, as appropriate, through a national cohort study and a nationally-representative, population-based surveillance system, to improve the understanding of the epidemiology of congenital heart disease in all age groups, with particular attention to—

(A) the incidence and prevalence of congenital heart disease in the United States;

(B) causation and risk factors associated with, and natural history of, congenital heart disease;

(C) health care utilization by individuals with congenital heart disease;

(D) demographic factors associated with congenital heart disease, such as age, race, ethnicity, sex, and family history of individuals who are diagnosed with the disease; and

(E) evidence-based practices related to care and treatment for individuals with congenital heart disease.

(2) Permissible considerations

In carrying out the activities under this section, the Secretary may, as appropriate—

(A) collect data on the health outcomes, including behavioral and mental health outcomes, of a diverse population of individuals of all ages with congenital heart disease, such that analysis of the outcomes will inform evidence-based practices for individuals with congenital heart disease; and

(B) consider health disparities among individuals with congenital heart disease, which may include the consideration of prenatal exposures.

(c) Awareness campaign

The Secretary may carry out awareness and educational activities related to congenital heart disease in individuals of all ages, which may include information for patients, family members, and health care providers, on topics such as the prevalence of such disease, the effect of such disease on individuals of all ages, and the importance of long-term, specialized care for individuals with such disease.

(d) Public access

The Secretary shall ensure that, subject to subsection (e), information collected under this section is made available, as appropriate, to the public, including researchers.

(e) Patient privacy

The Secretary shall ensure that the data and information collected under this section are made available in a manner that, at a minimum, protects personal privacy to the extent required by applicable Federal and State law.

(f) Eligibility for grants

To be eligible to receive a grant under subsection (a)(3), an entity shall—

(1) be a public or private nonprofit entity with specialized experience in congenital heart disease; and

(2) submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require.

(g) Authorization of appropriations

To carry out this section, there are authorized to be appropriated \$10,000,000 for each of fiscal years 2020 through 2024.

EDITORIAL NOTES

AMENDMENTS

2018—Pub. L. 115–342 amended section generally. Prior to amendment, section related to National Congenital Heart Disease Surveillance System.

§280g–14. National diabetes prevention program

(a) In general

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall establish a national diabetes prevention program (referred to in this section as the "program") targeted at adults at high risk for diabetes in order to eliminate the preventable burden of diabetes.

(b) Program activities

The program described in subsection (a) shall include—

(1) a grant program for community-based diabetes prevention program model sites;

(2) a program within the Centers for Disease Control and Prevention to determine eligibility of entities to deliver community-based diabetes prevention services;

(3) a training and outreach program for lifestyle intervention instructors; and

(4) evaluation, monitoring and technical assistance, and applied research carried out by the Centers for Disease Control and Prevention.

(c) Eligible entities

To be eligible for a grant under subsection (b)(1), an entity shall be a State or local health department, a tribal organization, a national network of community-based non-profits focused on health and wellbeing, an academic institution, or other entity, as the Secretary determines.

(d) Authorization of appropriations

For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each of fiscal years 2010 through 2014.

(July 1, 1944, ch. 373, title III, §399V-3, as added Pub. L. 111-148, title X, §10501(g), Mar. 23, 2010, 124 Stat. 996.)

§280g-15. State demonstration programs to evaluate alternatives to current medical tort litigation

(a) In general

The Secretary is authorized to award demonstration grants to States for the development, implementation, and evaluation of alternatives to current tort litigation for resolving disputes over injuries allegedly caused by health care providers or health care organizations. In awarding such grants, the Secretary shall ensure the diversity of the alternatives so funded.

(b) Duration

The Secretary may award grants under subsection (a) for a period not to exceed 5 years.

(c) Conditions for demonstration grants

(1) Requirements

Each State desiring a grant under subsection (a) shall develop an alternative to current tort litigation that—

(A) allows for the resolution of disputes over injuries allegedly caused by health care providers or health care organizations; and

(B) promotes a reduction of health care errors by encouraging the collection and analysis of patient safety data related to disputes resolved under subparagraph (A) by organizations that engage in efforts to improve patient safety and the quality of health care.

(2) Alternative to current tort litigation

Each State desiring a grant under subsection (a) shall demonstrate how the proposed alternative described in paragraph (1)(A)—

(A) makes the medical liability system more reliable by increasing the availability of prompt and fair resolution of disputes;

(B) encourages the efficient resolution of disputes;

(C) encourages the disclosure of health care errors;

(D) enhances patient safety by detecting, analyzing, and helping to reduce medical errors and adverse events;

(E) improves access to liability insurance;

(F) fully informs patients about the differences in the alternative and current tort litigation;

(G) provides patients the ability to opt out of or voluntarily withdraw from participating in the alternative at any time and to pursue other options, including litigation, outside the alternative;

(H) would not conflict with State law at the time of the application in a way that would prohibit the adoption of an alternative to current tort litigation; and

(I) would not limit or curtail a patient's existing legal rights, ability to file a claim in or access a State's legal system, or otherwise abrogate a patient's ability to file a medical malpractice claim.

(3) Sources of compensation

Each State desiring a grant under subsection (a) shall identify the sources from and methods by which compensation would be paid for claims resolved under the proposed alternative to current

tort litigation, which may include public or private funding sources, or a combination of such sources. Funding methods shall to the extent practicable provide financial incentives for activities that improve patient safety.

(4) Scope

(A) In general

Each State desiring a grant under subsection (a) shall establish a scope of jurisdiction (such as Statewide, designated geographic region, a designated area of health care practice, or a designated group of health care providers or health care organizations) for the proposed alternative to current tort litigation that is sufficient to evaluate the effects of the alternative. No scope of jurisdiction shall be established under this paragraph that is based on a health care payer or patient population.

(B) Notification of patients

A State shall demonstrate how patients would be notified that they are receiving health care services that fall within such scope, and the process by which they may opt out of or voluntarily withdraw from participating in the alternative. The decision of the patient whether to participate or continue participating in the alternative process shall be made at any time and shall not be limited in any way.

(5) Preference in awarding demonstration grants

In awarding grants under subsection (a), the Secretary shall give preference to States—

(A) that have developed the proposed alternative through substantive consultation with relevant stakeholders, including patient advocates, health care providers and health care organizations, attorneys with expertise in representing patients and health care providers, medical malpractice insurers, and patient safety experts;

(B) that make proposals that are likely to enhance patient safety by detecting, analyzing, and helping to reduce medical errors and adverse events; and

(C) that make proposals that are likely to improve access to liability insurance.

(d) Application

(1) In general

Each State desiring a grant under subsection (a) shall submit to the Secretary an application, at such time, in such manner, and containing such information as the Secretary may require.

(2) Review panel

(A) In general

In reviewing applications under paragraph (1), the Secretary shall consult with a review panel composed of relevant experts appointed by the Comptroller General.

(B) Composition

(i) Nominations

The Comptroller General shall solicit nominations from the public for individuals to serve on the review panel.

(ii) Appointment

The Comptroller General shall appoint, at least 9 but not more than 13, highly qualified and knowledgeable individuals to serve on the review panel and shall ensure that the following entities receive fair representation on such panel:

(I) Patient advocates.

(II) Health care providers and health care organizations.

(III) Attorneys with expertise in representing patients and health care providers.

(IV) Medical malpractice insurers.

(V) State officials.

(VI) Patient safety experts.

(C) Chairperson

The Comptroller General shall designate a member of the review panel to be the chairperson of the review panel.

(D) Availability of information

The Secretary shall make available to the review panel such information, personnel, and administrative services and assistance as the review panel may reasonably require to carry out its duties.

(E) Information from agencies

The review panel may request directly from any department or agency of the United States any information that such panel considers necessary to carry out its duties. To the extent consistent with applicable laws and regulations, the head of such department or agency shall furnish the requested information to the review panel.

(e) Reports

(1) By State

Each State receiving a grant under subsection (a) shall submit to the Secretary an annual report evaluating the effectiveness of activities funded with grants awarded under such subsection. Such report shall, at a minimum, include the impact of the activities funded on patient safety and on the availability and price of medical liability insurance.

(2) By Secretary

The Secretary shall submit to Congress an annual compendium of the reports submitted under paragraph (1) and an analysis of the activities funded under subsection (a) that examines any differences that result from such activities in terms of the quality of care, number and nature of medical errors, medical resources used, length of time for dispute resolution, and the availability and price of liability insurance.

(f) Technical assistance

(1) In general

The Secretary shall provide technical assistance to the States applying for or awarded grants under subsection (a).

(2) Requirements

Technical assistance under paragraph (1) shall include—

(A) guidance on non-economic damages, including the consideration of individual facts and circumstances in determining appropriate payment, guidance on identifying avoidable injuries, and guidance on disclosure to patients of health care errors and adverse events; and

(B) the development, in consultation with States, of common definitions, formats, and data collection infrastructure for States receiving grants under this section to use in reporting to facilitate aggregation and analysis of data both within and between States.

(3) Use of common definitions, formats, and data collection infrastructure

States not receiving grants under this section may also use the common definitions, formats, and data collection infrastructure developed under paragraph (2)(B).

(g) Evaluation

(1) In general

The Secretary, in consultation with the review panel established under subsection (d)(2), shall enter into a contract with an appropriate research organization to conduct an overall evaluation of the effectiveness of grants awarded under subsection (a) and to annually prepare and submit a report to Congress. Such an evaluation shall begin not later than 18 months following the date of implementation of the first program funded by a grant under subsection (a).

(2) Contents

The evaluation under paragraph (1) shall include—

(A) an analysis of the effects of the grants awarded under subsection (a) with regard to the measures described in paragraph (3);

(B) for each State, an analysis of the extent to which the alternative developed under subsection (c)(1) is effective in meeting the elements described in subsection (c)(2);

(C) a comparison among the States receiving grants under subsection (a) of the effectiveness of the various alternatives developed by such States under subsection (c)(1);

(D) a comparison, considering the measures described in paragraph (3), of States receiving grants approved under subsection (a) and similar States not receiving such grants; and

(E) a comparison, with regard to the measures described in paragraph (3), of—

(i) States receiving grants under subsection (a);

(ii) States that enacted, prior to March 23, 2010, any cap on non-economic damages; and

(iii) States that have enacted, prior to March 23, 2010, a requirement that the complainant obtain an opinion regarding the merit of the claim, although the substance of such opinion may have no bearing on whether the complainant may proceed with a case.

(3) Measures

The evaluations under paragraph (2) shall analyze and make comparisons on the basis of—

(A) the nature and number of disputes over injuries allegedly caused by health care providers or health care organizations;

(B) the nature and number of claims in which tort litigation was pursued despite the existence of an alternative under subsection (a);

(C) the disposition of disputes and claims, including the length of time and estimated costs to all parties;

(D) the medical liability environment;

(E) health care quality;

(F) patient safety in terms of detecting, analyzing, and helping to reduce medical errors and adverse events;

(G) patient and health care provider and organization satisfaction with the alternative under subsection (a) and with the medical liability environment; and

(H) impact on utilization of medical services, appropriately adjusted for risk.

(4) Funding

The Secretary shall reserve 5 percent of the amount appropriated in each fiscal year under subsection (k) to carry out this subsection.

(h) MedPAC and MACPAC reports

(1) MedPAC

The Medicare Payment Advisory Commission shall conduct an independent review of the alternatives to current tort litigation that are implemented under grants under subsection (a) to determine the impact of such alternatives on the Medicare program under title XVIII of the Social Security Act [42 U.S.C. 1395 et seq.], and its beneficiaries.

(2) MACPAC

The Medicaid and CHIP Payment and Access Commission shall conduct an independent review of the alternatives to current tort litigation that are implemented under grants under subsection (a) to determine the impact of such alternatives on the Medicaid or CHIP programs under titles XIX and XXI of the Social Security Act [42 U.S.C. 1396 et seq., 1397aa et seq.], and their beneficiaries.

(3) Reports

Not later than December 31, 2016, the Medicare Payment Advisory Commission and the Medicaid and CHIP Payment and Access Commission shall each submit to Congress a report that

includes the findings and recommendations of each respective Commission based on independent reviews conducted under paragraphs (1) and (2), including an analysis of the impact of the alternatives reviewed on the efficiency and effectiveness of the respective programs.

(i) Option to provide for initial planning grants

Of the funds appropriated pursuant to subsection (k), the Secretary may use a portion not to exceed \$500,000 per State to provide planning grants to such States for the development of demonstration project applications meeting the criteria described in subsection (c). In selecting States to receive such planning grants, the Secretary shall give preference to those States in which State law at the time of the application would not prohibit the adoption of an alternative to current tort litigation.

(j) Definitions

In this section:

(1) Health care services

The term "health care services" means any services provided by a health care provider, or by any individual working under the supervision of a health care provider, that relate to—

- (A) the diagnosis, prevention, or treatment of any human disease or impairment; or
- (B) the assessment of the health of human beings.

(2) Health care organization

The term "health care organization" means any individual or entity which is obligated to provide, pay for, or administer health benefits under any health plan.

(3) Health care provider

The term "health care provider" means any individual or entity—

- (A) licensed, registered, or certified under Federal or State laws or regulations to provide health care services; or
- (B) required to be so licensed, registered, or certified but that is exempted by other statute or regulation.

(k) Authorization of appropriations

There are authorized to be appropriated to carry out this section, \$50,000,000 for the 5-fiscal year period beginning with fiscal year 2011.

(l) Current State efforts to establish alternative to tort litigation

Nothing in this section shall be construed to limit any prior, current, or future efforts of any State to establish any alternative to tort litigation.

(m) Rule of construction

Nothing in this section shall be construed as limiting states' ¹ authority over or responsibility for their state ¹ justice systems.

§280g–16. Food Safety Integrated Centers of Excellence

(a) In general

Not later than 1 year after January 4, 2011, the Secretary, acting through the Director of the Centers for Disease Control and Prevention and in consultation with the working group described in subsection (b)(2), shall designate 5 Integrated Food Safety Centers of Excellence (referred to in this section as the "Centers of Excellence") to serve as resources for Federal, State, and local public health professionals to respond to foodborne illness outbreaks. The Centers of Excellence shall be headquartered at selected State health departments.

(b) Selection of Centers of Excellence

(1) Eligible entities

To be eligible to be designated as a Center of Excellence under subsection (a), an entity shall—

(A) be a State health department;

(B) partner with 1 or more institutions of higher education that have demonstrated knowledge, expertise, and meaningful experience with regional or national food production, processing, and distribution, as well as leadership in the laboratory, epidemiological, and environmental detection and investigation of foodborne illness; and

(C) provide to the Secretary such information, at such time, and in such manner, as the Secretary may require.

(2) Working group

Not later than 180 days after January 4, 2011, the Secretary shall establish a diverse working group of experts and stakeholders from Federal, State, and local food safety and health agencies, the food industry, including food retailers and food manufacturers, consumer organizations, and academia to make recommendations to the Secretary regarding designations of the Centers of Excellence.

(3) Additional Centers of Excellence

The Secretary may designate eligible entities to be regional Food Safety Centers of Excellence, in addition to the 5 Centers designated under subsection (a).

(c) Activities

Under the leadership of the Director of the Centers for Disease Control and Prevention, each Center of Excellence shall be based out of a selected State health department, which shall provide assistance to other regional, State, and local departments of health through activities that include—

(1) providing resources, including timely information concerning symptoms and tests, for frontline health professionals interviewing individuals as part of routine surveillance and outbreak investigations;

(2) providing analysis of the timeliness and effectiveness of foodborne disease surveillance and outbreak response activities;

(3) providing training for epidemiological and environmental investigation of foodborne illness, including suggestions for streamlining and standardizing the investigation process;

(4) establishing fellowships, stipends, and scholarships to train future epidemiological and food-safety leaders and to address critical workforce shortages;

(5) training and coordinating State and local personnel;

(6) strengthening capacity to participate in existing or new foodborne illness surveillance and

environmental assessment information systems; and

(7) conducting research and outreach activities focused on increasing prevention, communication, and education regarding food safety.

(d) Report to Congress

Not later than 2 years after January 4, 2011, the Secretary shall submit to Congress a report that—

(1) describes the effectiveness of the Centers of Excellence; and

(2) provides legislative recommendations or describes additional resources required by the Centers of Excellence.

(e) Authorization of appropriations

There is authorized to be appropriated such sums as may be necessary to carry out this section.

(f) No duplication of effort

In carrying out activities of the Centers of Excellence or other programs under this section, the Secretary shall not duplicate other Federal foodborne illness response efforts.

(July 1, 1944, ch. 373, title III, §399V–5, as added Pub. L. 111–353, title II, §210(b), Jan. 4, 2011, 124 Stat. 3950.)

§280g–17. Designation and investigation of potential cancer clusters

(a) Definitions

In this section:

(1) Cancer cluster

The term "cancer cluster" means the incidence of a particular cancer within a population group, a geographical area, and a period of time that is greater than expected for such group, area, and period.

(2) Particular cancer

The term "particular cancer" means one specific type of cancer or a type of cancers scientifically proven to have the same cause.

(3) Population group

The term "population group" means a group, for purposes of calculating cancer rates, defined by factors such as race, ethnicity, age, or gender.

(b) Criteria for designation of potential cancer clusters

(1) Development of criteria

The Secretary shall develop criteria for the designation of potential cancer clusters.

(2) Requirements

The criteria developed under paragraph (1) shall consider, as appropriate—

(A) a standard for cancer cluster identification and reporting protocols used to determine when cancer incidence is greater than would be typically observed;

(B) scientific screening standards that ensure that a cluster of a particular cancer involves the same type of cancer, or types of cancers;

(C) the population in which the cluster of a particular cancer occurs by factors such as race, ethnicity, age, and gender, for purposes of calculating cancer rates;

(D) the boundaries of a geographic area in which a cluster of a particular cancer occurs so as not to create or obscure a potential cluster by selection of a specific area; and

(E) the time period over which the number of cases of a particular cancer, or the calculation of an expected number of cases, occurs.

(c) Guidelines for investigation of potential cancer clusters

The Secretary, in consultation with the Council of State and Territorial Epidemiologists and representatives of State and local health departments, shall develop, publish, and periodically update guidelines for investigating potential cancer clusters. The guidelines shall—

(1) recommend that investigations of cancer clusters—

- (A) use the criteria developed under subsection (b);
- (B) use the best available science; and
- (C) rely on a weight of the scientific evidence;

(2) provide standardized methods of reviewing and categorizing data, including from health surveillance systems and reports of potential cancer clusters; and

(3) provide guidance for using appropriate epidemiological and other approaches for investigations.

(d) Investigation of cancer clusters

(1) Secretary discretion

The Secretary—

(A) in consultation with representatives of the relevant State and local health departments, shall consider whether it is appropriate to conduct an investigation of a potential cancer cluster; and

(B) in conducting investigations shall have the discretion to prioritize certain potential cancer clusters, based on the availability of resources.

(2) Coordination

In investigating potential cancer clusters, the Secretary shall coordinate with agencies within the Department of Health and Human Services and other Federal agencies, such as the Environmental Protection Agency.

(3) Biomonitoring

In investigating potential cancer clusters, the Secretary shall rely on all appropriate biomonitoring information collected under other Federal programs, such as the National Health and Nutrition Examination Survey. The Secretary may provide technical assistance for relevant biomonitoring studies of other Federal agencies.

(e) Duties

The Secretary shall—

(1) ensure that appropriate staff of agencies within the Department of Health and Human Services are prepared to provide timely assistance, to the extent practicable, upon receiving a request to investigate a potential cancer cluster from a State or local health authority;

(2) maintain staff expertise in epidemiology, toxicology, data analysis, environmental health and cancer surveillance, exposure assessment, pediatric health, pollution control, community outreach, health education, laboratory sampling and analysis, spatial mapping, and informatics;

(3) consult with community members as investigations into potential cancer clusters are conducted, as the Secretary determines appropriate;

(4) collect, store, and disseminate reports on investigations of potential cancer clusters, the possible causes of such clusters, and the actions taken to address such clusters; and

(5) provide technical assistance for investigating cancer clusters to State and local health departments through existing programs, such as the Epi-Aids program of the Centers for Disease Control and Prevention and the Assessments of Chemical Exposures Program of the Agency for Toxic Substances and Disease Registry.

(July 1, 1944, ch. 373, title III, §399V–6, as added Pub. L. 114–182, title I, §21(b), June 22, 2016, 130 Stat. 510.)

PURPOSES OF TREVOR'S LAW

Pub. L. 114–182, title I, §21(a), June 22, 2016, 130 Stat. 510, provided that: "The purposes of this section [enacting this section] are—

"(1) to provide the appropriate Federal agencies with the authority to help conduct investigations into potential cancer clusters;

"(2) to ensure that Federal agencies have the authority to undertake actions to help address cancer clusters and factors that may contribute to the creation of potential cancer clusters; and

"(3) to enable Federal agencies to coordinate with other Federal, State, and local agencies, institutes of higher education, and the public in investigating and addressing cancer clusters."

§280g–18. Maternal mental health hotline

(a) In general

The Secretary shall maintain, by grant or contract, a national maternal mental health hotline to provide emotional support, information, brief intervention, and mental health and substance use disorder resources to pregnant and postpartum women at risk of, or affected by, maternal mental health and substance use disorders, and to their families or household members.

(b) Requirements for hotline

The hotline under subsection (a) shall—

(1) be a 24/7 real-time hotline;

(2) provide voice and text support;

(3) be staffed by certified peer specialists, licensed health care professionals, or licensed mental health professionals who are trained on—

(A) maternal mental health and substance use disorder prevention, identification, and intervention; and

(B) providing culturally and linguistically appropriate support; and

(4) provide maternal mental health and substance use disorder assistance and referral services to meet the needs of underserved populations, individuals with disabilities, and family and household members of pregnant or postpartum women at risk of experiencing maternal mental health and substance use disorders.

(c) Additional requirements

In maintaining the hotline under subsection (a), the Secretary shall—

(1) consult with the Domestic Violence Hotline, National Suicide Prevention Lifeline, and Veterans Crisis Line to ensure that pregnant and postpartum women are connected in real-time to the appropriate specialized hotline service, when applicable;

(2) conduct a public awareness campaign for the hotline;

(3) consult with Federal departments and agencies, including the Substance Abuse and Mental Health Services Administration and the Department of Veterans Affairs, to increase awareness regarding the hotline; and

(4) consult with appropriate State, local, and Tribal public health officials, including officials who administer programs that serve low-income pregnant and postpartum individuals.

(d) Annual report

The Secretary shall submit an annual report to the Congress on the hotline under subsection (a) and implementation of this section, including—

(1) an evaluation of the effectiveness of activities conducted or supported under subsection (a);

(2) a directory of entities or organizations to which staff maintaining the hotline funded under this section may make referrals; and

(3) such additional information as the Secretary determines appropriate.

(e) Authorization of appropriations

To carry out this section, there are authorized to be appropriated \$10,000,000 for each of fiscal

years 2023 through 2027.

(July 1, 1944, ch. 373, title III, §399V-7, as added Pub. L. 117-328, div. FF, title I, §1112, Dec. 29, 2022, 136 Stat. 5643.)

PART Q—PROGRAMS TO IMPROVE THE HEALTH OF CHILDREN

§280h. Grants to promote childhood nutrition and physical activity

(a) In general

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall award competitive grants to States and political subdivisions of States for the development and implementation of State and community-based intervention programs to promote good nutrition and physical activity in children and adolescents.

(b) Eligibility

To be eligible to receive a grant under this section a State or political subdivision of a State shall prepare and submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require, including a plan that describes—

(1) how the applicant proposes to develop a comprehensive program of school- and community-based approaches to encourage and promote good nutrition and appropriate levels of physical activity with respect to children or adolescents in local communities;

(2) the manner in which the applicant shall coordinate with appropriate State and local authorities, such as State and local school departments, State departments of health, chronic disease directors, State directors of programs under section 1786 of this title, 5-a-day coordinators, governors councils for physical activity and good nutrition, and State and local parks and recreation departments; and

(3) the manner in which the applicant will evaluate the effectiveness of the program carried out under this section.

(c) Use of funds

A State or political subdivision of a State shall use amount received under a grant under this section to—

(1) develop, implement, disseminate, and evaluate school- and community-based strategies in States to reduce inactivity and improve dietary choices among children and adolescents;

(2) expand opportunities for physical activity programs in school- and community-based settings; and

(3) develop, implement, and evaluate programs that promote good eating habits and physical activity including opportunities for children with cognitive and physical disabilities.

(d) Technical assistance

The Secretary may set-aside an amount not to exceed 10 percent of the amount appropriated for a fiscal year under subsection (h) to permit the Director of the Centers for Disease Control and Prevention to—

(1) provide States and political subdivisions of States with technical support in the development and implementation of programs under this section; and

(2) disseminate information about effective strategies and interventions in preventing and treating obesity through the promotion of good nutrition and physical activity.

(e) Limitation on administrative costs

Not to exceed 10 percent of the amount of a grant awarded to the State or political subdivision under subsection (a) for a fiscal year may be used by the State or political subdivision for administrative expenses.

(f) Term

A grant awarded under subsection (a) shall be for a term of 3 years.

(g) Definition

In this section, the term "children and adolescents" means individuals who do not exceed 18 years of age.

(h) Authorization of appropriations

There are authorized to be appropriated to carry out this section such sums as may be necessary for each of the fiscal years 2001 through 2005.

(July 1, 1944, ch. 373, title III, §399W, as added Pub. L. 106–310, div. A, title XXIV, §2401, Oct. 17, 2000, 114 Stat. 1158.)

EDUCATION AND TRAINING ON EATING DISORDERS

Pub. L. 114–255, div. B, title XIII, §13006, Dec. 13, 2016, 130 Stat. 1287, provided that: "The Secretary of Health and Human Services may facilitate the identification of model programs and materials for educating and training health professionals in effective strategies to—

"(1) identify individuals with eating disorders;

"(2) provide early intervention services for individuals with eating disorders;

"(3) refer patients with eating disorders for appropriate treatment;

"(4) prevent the development of eating disorders; and

"(5) provide appropriate treatment services for individuals with eating disorders."

§280h–4. Grants for the establishment of school-based health centers

(1) Program

The Secretary of Health and Human Services (in this section referred to as the "Secretary") shall establish a program to award grants to eligible entities to support the operation of school-based health centers.

(2) Eligibility

To be eligible for a grant under this section, an entity shall—

(A) be a school-based health center or a sponsoring facility of a school-based health center; and

(B) submit an application at such time, in such manner, and containing such information as the Secretary may require, including at a minimum an assurance that funds awarded under the grant shall not be used to provide any service that is not authorized or allowed by Federal, State, or local law.

(3) Preference

In awarding grants under this section,¹ the Secretary shall give preference to awarding grants for school-based health centers that serve a large population of children eligible for medical assistance under the State Medicaid plan under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] or under a waiver of such plan or children eligible for child health assistance under the State child health plan under title XXI of that Act (42 U.S.C. 1397aa et seq.).

(4) Limitation on use of funds

An eligible entity shall use funds provided under a grant awarded under this section only for expenditures for facilities (including the acquisition or improvement of land, or the acquisition, construction, expansion, replacement, or other improvement of any building or other facility), equipment, or similar expenditures, as specified by the Secretary. No funds provided under a grant awarded under this section ¹ shall be used for expenditures for personnel or to provide health services.

(5) Appropriations

Out of any funds in the Treasury not otherwise appropriated, there is appropriated for each of fiscal years 2010 through 2013, \$50,000,000 for the purpose of carrying out this section. Funds appropriated under this paragraph shall remain available until expended.

(6) Definitions

In this section, the terms "school-based health center" and "sponsoring facility" have the meanings given those terms in section 2110(c)(9) of the Social Security Act (42 U.S.C. 1397jj(c)(9)).

§280h–5. School-based health centers

(a) Definitions; establishment of criteria

In this section:

(1) Comprehensive primary health services

The term "comprehensive primary health services" means the core services offered by school-based health centers, which shall include the following:

(A) Physical

Comprehensive health assessments, diagnosis, and treatment of minor, acute, and chronic medical conditions, and referrals to, and follow-up for, specialty care and oral and vision health services.

(B) Mental health

Mental health and substance use disorder assessments, crisis intervention, counseling, treatment, and referral to a continuum of services including emergency psychiatric care, community support programs, inpatient care, and outpatient programs.

(2) Medically underserved children and adolescents

(A) In general

The term "medically underserved children and adolescents" means a population of children and adolescents who are residents of an area designated as a medically underserved area or a health professional shortage area by the Secretary.

(B) Criteria

The Secretary shall prescribe criteria for determining the specific shortages of personal health services for medically underserved children and adolescents under subparagraph (A) that shall—

- (i) take into account any comments received by the Secretary from the chief executive officer of a State and local officials in a State; and
- (ii) include factors indicative of the health status of such children and adolescents of an area, including the ability of the residents of such area to pay for health services, the accessibility of such services, the availability of health professionals to such children and adolescents, and other factors as determined appropriate by the Secretary.

(3) School-based health center

The term "school-based health center" means a health clinic that—

(A) meets the definition of a school-based health center under section 1397jj(c)(9)(A) of this title and is administered by a sponsoring facility (as defined in section 1397jj(c)(9)(B) of this title);

(B) provides, at a minimum, comprehensive primary health services during school hours to children and adolescents by health professionals in accordance with established standards, community practice, reporting laws, and other State laws, including parental consent and notification laws that are not inconsistent with Federal law; and

(C) does not perform abortion services.

(b) Authority to award grants

The Secretary shall award grants for the costs of the operation of school-based health centers (referred to in this section as "SBHCs") that meet the requirements of this section.

(c) Applications

To be eligible to receive a grant under this section, an entity shall—

- (1) be an SBHC (as defined in subsection (a)(3)); and
- (2) submit to the Secretary an application at such time, in such manner, and containing—
 - (A) evidence that the applicant meets all criteria necessary to be designated an SBHC;
 - (B) evidence of local need for the services to be provided by the SBHC;
 - (C) an assurance that—
 - (i) SBHC services will be provided to those children and adolescents for whom parental or guardian consent has been obtained in cooperation with Federal, State, and local laws governing health care service provision to children and adolescents;
 - (ii) the SBHC has made and will continue to make every reasonable effort to establish and maintain collaborative relationships with other health care providers in the catchment area of the SBHC;
 - (iii) the SBHC will provide on-site access during the academic day when school is in session and 24-hour coverage through an on-call system and through its backup health providers to ensure access to services on a year-round basis when the school or the SBHC is closed;
 - (iv) the SBHC will be integrated into the school environment and will coordinate health services with school personnel, such as administrators, teachers, nurses, counselors, and support personnel, as well as with other community providers co-located at the school;
 - (v) the SBHC sponsoring facility assumes all responsibility for the SBHC administration, operations, and oversight; and
 - (vi) the SBHC will comply with Federal, State, and local laws concerning patient privacy and student records, including regulations promulgated under the Health Insurance Portability and Accountability Act of 1996 and section 1232g of title 20; and

(D) such other information as the Secretary may require.

(d) Preferences and consideration

In reviewing applications:

(1) The Secretary may give preference to applicants who demonstrate an ability to serve the following:

(A) Communities that have evidenced barriers to primary health care and mental health and substance use disorder prevention services for children and adolescents.

(B) Communities with high per capita numbers of children and adolescents who are uninsured, underinsured, or enrolled in public health insurance programs.

(C) Populations of children and adolescents that have historically demonstrated difficulty in accessing health and mental health and substance use disorder prevention services.

(2) The Secretary may give consideration to whether an applicant has received a grant under section 280h-4 of this title.

(e) Waiver of requirements

The Secretary may—

(1) under appropriate circumstances, waive the application of all or part of the requirements of this subsection with respect to an SBHC for not to exceed 2 years; and

(2) upon a showing of good cause, waive the requirement that the SBHC provide all required comprehensive primary health services for a designated period of time to be determined by the Secretary.

(f) Use of funds

(1) Funds

Funds awarded under a grant under this section—

(A) may be used for—

(i) acquiring and leasing equipment (including the costs of amortizing the principle of, and paying interest on, loans for such equipment);

(ii) providing training related to the provision of required comprehensive primary health services and additional health services;

(iii) the management and operation of health center programs;

(iv) the payment of salaries for physicians, nurses, and other personnel of the SBHC; and

(B) may not be used to provide abortions.

(2) Construction

The Secretary may award grants which may be used to pay the costs associated with expanding and modernizing existing buildings for use as an SBHC, including the purchase of trailers or manufactured buildings to install on the school property.

(3) Limitations

(A) In general

Any provider of services that is determined by a State to be in violation of a State law described in subsection (a)(3)(B) with respect to activities carried out at a ¹ SBHC shall not be eligible to receive additional funding under this section.

(B) No overlapping grant period

No entity that has received funding under section 254b of this title for a grant period shall be eligible for a grant under this section for with respect to ¹ the same grant period.

(g) Matching requirement

(1) In general

Each eligible entity that receives a grant under this section shall provide, from non-Federal sources, an amount equal to 20 percent of the amount of the grant (which may be provided in cash or in-kind) to carry out the activities supported by the grant.

(2) Waiver

The Secretary may waive all or part of the matching requirement described in paragraph (1) for any fiscal year for the SBHC if the Secretary determines that applying the matching requirement to the SBHC would result in serious hardship or an inability to carry out the purposes of this section.

(h) Supplement, not supplant

Grant funds provided under this section shall be used to supplement, not supplant, other Federal or State funds.

(i) Evaluation

The Secretary shall develop and implement a plan for evaluating SBHCs and monitoring quality performance under the awards made under this section.

(j) Age appropriate services

An eligible entity receiving funds under this section shall only provide age appropriate services through a ¹ SBHC funded under this section to an individual.

(k) Parental consent

An eligible entity receiving funds under this section shall not provide services through a ¹ SBHC funded under this section to an individual without the consent of the parent or guardian of such individual if such individual is considered a minor under applicable State law.

(l) Technical assistance

The Secretary shall provide technical assistance by grants or contracts awarded to private, nonprofit entities with demonstrated expertise related to school-based health centers. Such technical assistance, taking into account local and regional differences among school based ¹ health centers, shall support such entities in providing services described in subsection (a)(1) pursuant to this section, including mental health and substance use disorder services, and may include technical assistance relating to program operations and support for the implementation of evidence-based or evidence-informed best practices related to the provision of high quality health care services to children and adolescents.

(m) Authorization of appropriations

For purposes of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 2022 through 2026.

(July 1, 1944, ch. 373, title III, §399Z-1, as added and amended Pub. L. 111-148, title IV, §4101(b), title X, §10402(a), Mar. 23, 2010, 124 Stat. 547, 975; Pub. L. 116-260, div. §280h–6. Infant and early childhood mental health promotion, intervention, and treatment

(a) Grants

The Secretary shall—

(1) award grants to eligible entities to develop, maintain, or enhance infant and early childhood mental health promotion, intervention, and treatment programs, including—

- (A) programs for infants and children at significant risk of developing, showing early signs of, or having been diagnosed with mental illness, including a serious emotional disturbance; and
- (B) multigenerational therapy and other services that support the caregiving relationship; and

(2) ensure that programs funded through grants under this section are evidence-informed or evidence-based models, practices, and methods that are, as appropriate, culturally and linguistically appropriate, and can be replicated in other appropriate settings.

(b) Eligible children and entities

In this section:

(1) Eligible child

The term "eligible child" means a child from birth to not more than 12 years of age who—

- (A) is at risk for, shows early signs of, or has been diagnosed with a mental illness, including a serious emotional disturbance; and
- (B) may benefit from infant and early childhood intervention or treatment programs or specialized preschool or elementary school programs that are evidence-based or that have been scientifically demonstrated to show promise but would benefit from further applied development.

(2) Eligible entity

The term "eligible entity" means a human services agency or nonprofit institution that—

- (A) employs licensed mental health professionals who have specialized training and experience in infant and early childhood mental health assessment, diagnosis, and treatment, or is accredited or approved by the appropriate State agency, as applicable, to provide for children from infancy to 12 years of age mental health promotion, intervention, or treatment services; and
- (B) provides services or programs described in subsection (a) that are evidence-based or that have been scientifically demonstrated to show promise but would benefit from further applied development.

(c) Application

An eligible entity seeking a grant under subsection (a) shall submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require.

(d) Use of funds for early intervention and treatment programs

An eligible entity may use amounts awarded under a grant under subsection (a)(1) to carry out the following:

- (1) Provide age-appropriate mental health promotion and early intervention services or mental illness treatment services, which may include specialized programs, for eligible children at significant risk of developing, showing early signs of, or having been diagnosed with a mental illness, including a serious emotional disturbance. Such services may include social and behavioral services as well as multigenerational therapy and other services that support the caregiving relationship.
- (2) Provide training for health care professionals with expertise in infant and early childhood

mental health care with respect to appropriate and relevant integration with other disciplines such as primary care clinicians, early intervention specialists, child welfare staff, home visitors, early care and education providers, and others who work with young children and families.

(3) Provide mental health consultation to personnel of early care and education programs (including licensed or regulated center-based and home-based child care, home visiting, preschool special education, and early intervention programs) who work with children and families.

(4) Provide training for mental health clinicians in infant and early childhood in promising and evidence-based practices and models for infant and early childhood mental health treatment and early intervention, including with regard to practices for identifying and treating mental illness and behavioral disorders of infants and children resulting from exposure or repeated exposure to adverse childhood experiences or childhood trauma.

(5) Provide age-appropriate assessment, diagnostic, and intervention services for eligible children, including early mental health promotion, intervention, and treatment services.

(e) Matching funds

The Secretary may not award a grant under this section to an eligible entity unless the eligible entity agrees, with respect to the costs to be incurred by the eligible entity in carrying out the activities described in subsection (d), to make available non-Federal contributions (in cash or in kind) toward such costs in an amount that is not less than 10 percent of the total amount of Federal funds provided in the grant.

(f) Technical assistance

The Secretary may, directly or by awarding grants or contracts to public and private nonprofit entities, provide training and technical assistance to eligible entities to carry out activities described in subsection (d).

(g) Authorization of appropriations

To carry out this section, there are authorized to be appropriated \$50,000,000 for the period of fiscal years 2023 through 2027.

(July 1, 1944, ch. 373, title III, §399Z–2, as added Pub. L. 114–255, div. B, title X, §10006, Dec. 13, 2016, 130 Stat. 1267; amended Pub. L. 117–328, div. FF, title I, §1402, Dec. 29, 2022, 136 Stat. 5699.)

EDITORIAL NOTES

AMENDMENTS

2022—Subsec. (f). Pub. L. 117–328, §1402(2), added subsec. (f). Former subsec. (f) redesignated (g).

Subsec. (g). Pub. L. 117–328, §1402(1), (3), redesignated subsec. (f) as (g) and substituted "\$50,000,000 for the period of fiscal years 2023 through 2027" for "\$20,000,000 for the period of fiscal years 2018 through 2022".

§280h–7. Grants to improve trauma support services and mental health care for children and youth in educational settings

(a) Grants, contracts, and cooperative agreements authorized

The Secretary, in coordination with the Assistant Secretary for Mental Health and Substance Use, is authorized to award grants to, or enter into contracts or cooperative agreements with, State educational agencies, local educational agencies, Indian Tribes (as defined in section 5304 of title 25) or their tribal educational agencies, a school operated by the Bureau of Indian Education, a Regional Corporation, or a Native Hawaiian educational organization, for the purpose of increasing student access to evidence-based trauma support services and mental health care by developing innovative initiatives, activities, or programs to link local school systems with local trauma-informed support and mental health systems, including those under the Indian Health Service.

(b) Duration

With respect to a grant, contract, or cooperative agreement awarded or entered into under this section, the period during which payments under such grant, contract or agreement are made to the recipient may not exceed 4 years.

(c) Use of funds

An entity that receives a grant, contract, or cooperative agreement under this section shall use amounts made available through such grant, contract, or cooperative agreement for evidence-based activities, which shall include any of the following:

(1) Collaborative efforts between school-based service systems and trauma-informed support and mental health service systems to provide, develop, or improve prevention, screening, referral, and treatment and support services to students, such as providing trauma screenings to identify students in need of specialized support.

(2) To implement schoolwide positive behavioral interventions and supports, or other trauma-informed models of support.

(3) To provide professional development to teachers, teacher assistants, school leaders, specialized instructional support personnel, and mental health professionals that—

(A) fosters safe and stable learning environments that prevent and mitigate the effects of trauma, including through social and emotional learning;

(B) improves school capacity to identify, refer, and provide services to students in need of trauma support or behavioral health services; or

(C) reflects the best practices for trauma-informed identification, referral, and support developed by the Task Force under section 7132.

(4) Services at a full-service community school that focuses on trauma-informed supports, which may include a full-time site coordinator, or other activities consistent with section 7275 of title 20.

(5) Engaging families and communities in efforts to increase awareness of child and youth trauma, which may include sharing best practices with law enforcement regarding trauma-informed care and working with mental health professionals to provide interventions, as well as longer term coordinated care within the community for children and youth who have experienced trauma and their families.

(6) To provide technical assistance to school systems and mental health agencies.

(7) To evaluate the effectiveness of the program carried out under this section in increasing student access to evidence-based trauma support services and mental health care.

(8) To establish partnerships with or provide subgrants to Head Start agencies (including Early Head Start agencies), public and private preschool programs, child care programs (including home-based providers), or other entities described in subsection (a), to include such entities described in this paragraph in the evidence-based trauma initiatives, activities, support services, and mental health systems established under this section in order to provide, develop, or improve prevention, screening, referral, and treatment and support services to young children and their families.

(d) Applications

To be eligible to receive a grant, contract, or cooperative agreement under this section, an entity described in subsection (a) shall submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may reasonably require, which shall include the following:

(1) A description of the innovative initiatives, activities, or programs to be funded under the grant, contract, or cooperative agreement, including how such program will increase access to evidence-based trauma support services and mental health care for students, and, as applicable, the families of such students.

(2) A description of how the program will provide linguistically appropriate and culturally competent services.

(3) A description of how the program will support students and the school in improving the school climate in order to support an environment conducive to learning.

(4) An assurance that—

(A) persons providing services under the grant, contract, or cooperative agreement are adequately trained to provide such services; and

(B) teachers, school leaders, administrators, specialized instructional support personnel, representatives of local Indian Tribes or tribal organizations as appropriate, other school personnel, and parents or guardians of students participating in services under this section will be engaged and involved in the design and implementation of the services.

(5) A description of how the applicant will support and integrate existing school-based services with the program in order to provide mental health services for students, as appropriate.

(6) A description of the entities in the community with which the applicant will partner or to which the applicant will provide subgrants in accordance with subsection (c)(8).

(e) Interagency agreements

(1) Local interagency agreements

To ensure the provision of the services described in subsection (c), a recipient of a grant, contract, or cooperative agreement under this section, or their designee, shall establish a local interagency agreement among local educational agencies, agencies responsible for early childhood education programs, Head Start agencies (including Early Head Start agencies), juvenile justice authorities, mental health agencies, child welfare agencies, and other relevant agencies, authorities, or entities in the community that will be involved in the provision of such services.

(2) Contents

In ensuring the provision of the services described in subsection (c), the local interagency agreement shall specify with respect to each agency, authority, or entity that is a party to such agreement—

(A) the financial responsibility for the services;

(B) the conditions and terms of responsibility for the services, including quality, accountability, and coordination of the services; and

(C) the conditions and terms of reimbursement among such agencies, authorities, or entities, including procedures for dispute resolution.

(f) Evaluation

The Secretary shall reserve not more than 3 percent of the funds made available under subsection (1) for each fiscal year to—

(1) conduct a rigorous, independent evaluation of the activities funded under this section; and

(2) disseminate and promote the utilization of evidence-based practices regarding trauma support services and mental health care.

(g) Distribution of awards

The Secretary shall ensure that grants, contracts, and cooperative agreements awarded or entered into under this section are equitably distributed among the geographical regions of the United States and among tribal, urban, suburban, and rural populations.

(h) Rule of construction

Nothing in this section shall be construed—

(1) to prohibit an entity involved with a program carried out under this section from reporting a crime that is committed by a student to appropriate authorities; or

(2) to prevent Federal, State, and tribal law enforcement and judicial authorities from exercising their responsibilities with regard to the application of Federal, tribal, and State law to crimes committed by a student.

(i) Supplement, not supplant

Any services provided through programs carried out under this section shall supplement, and not supplant, existing mental health services, including any special education and related services provided under the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.).

(j) Consultation with Indian Tribes

In carrying out subsection (a), the Secretary shall, in a timely manner, meaningfully consult with Indian Tribes and their representatives to ensure notice of eligibility.

(k) Definitions

In this section:

(1) Elementary school

The term "elementary school" has the meaning given such term in section 7801 of title 20.

(2) Evidence-based

The term "evidence-based" has the meaning given such term in section 7801(21)(A)(i) of title 20.

§280h–8. Recognizing early childhood trauma related to substance abuse

(a) Dissemination of information

The Secretary of Health and Human Services shall disseminate information, resources, and, if requested, technical assistance to early childhood care and education providers and professionals working with young children on—

- (1) ways to properly recognize children who may be impacted by trauma, including trauma related to substance use by a family member or other adult; and
- (2) how to respond appropriately in order to provide for the safety and well-being of young children and their families.

(b) Goals

The information, resources, and technical assistance provided under subsection (a) shall—

- (1) educate early childhood care and education providers and professionals working with young children on understanding and identifying the early signs and risk factors of children who might be impacted by trauma, including trauma due to exposure to substance use;
- (2) suggest age-appropriate communication tools, procedures, and practices for trauma-informed care, including ways to prevent or mitigate the effects of trauma;
- (3) provide options for responding to children impacted by trauma, including due to exposure to substance use, that consider the needs of the child and family, including recommending resources and referrals for evidence-based services to support such family; and
- (4) promote whole-family and multi-generational approaches to keep families safely together when it is in the best interest of the child.

(c) Coordination

The Secretary of Health and Human Services shall coordinate with the task force to develop best practices for trauma-informed identification, referral, and support authorized under section 7132 in disseminating the information, resources, and technical assistance described under subsection (b).

(d) Rule of construction

PART R—PROGRAMS RELATING TO AUTISM

§280i. Developmental disabilities surveillance and research program

(a) Autism spectrum disorder and other developmental disabilities

(1) In general

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, may award grants or cooperative agreements to eligible entities for the collection, analysis, and reporting of State epidemiological data for children and adults with autism spectrum disorder and other developmental disabilities. An eligible entity shall assist with the development and coordination of State autism spectrum disorder and other developmental disability surveillance efforts within a region. In making such awards, the Secretary may provide direct technical assistance in lieu of cash.

(2) Data standards

In submitting epidemiological data to the Secretary pursuant to paragraph (1), an eligible entity shall report data according to guidelines prescribed by the Director of the Centers for Disease Control and Prevention, after consultation with relevant State, local, and Tribal public health officials, private sector developmental disability researchers, and advocates for individuals with autism spectrum disorder and other developmental disabilities.

(3) Eligibility

To be eligible to receive an award under paragraph (1), an entity shall be a public or nonprofit private entity (including a health department of a State or a political subdivision of a State, a university, any other educational institution, an Indian tribe, or a tribal organization), and submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require.

(b) Centers of excellence in autism spectrum disorder epidemiology

(1) In general

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall, subject to the availability of appropriations, award grants or cooperative agreements for the establishment or support of regional centers of excellence in autism spectrum disorder and other developmental disabilities epidemiology for the purpose of collecting and analyzing information

on the number, incidence, correlates, and causes of autism spectrum disorder and other developmental disabilities for children and adults.

(2) Requirements

To be eligible to receive a grant or cooperative agreement under paragraph (1), an entity shall submit to the Secretary an application containing such agreements and information as the Secretary may require, including an agreement that the center to be established or supported under the grant or cooperative agreement shall operate in accordance with the following:

(A) The center will collect, analyze, and report autism spectrum disorder and other developmental disability data according to guidelines prescribed by the Director of the Centers for Disease Control and Prevention, after consultation with State, local, and Tribal public health officials, private sector developmental disability researchers, advocates for individuals with autism spectrum disorder, and advocates for individuals with other developmental disabilities.

(B) The center will develop or extend an area of special research expertise (including genetics, epigenetics, and epidemiological research related to environmental exposures), immunology, and other relevant research specialty areas.

(C) The center will identify eligible cases and controls through its surveillance system and conduct research into factors which may cause or increase the risk of autism spectrum disorder and other developmental disabilities.

(c) Federal response

The Secretary shall coordinate the Federal response to requests for assistance from State health, mental health, and education department officials regarding potential or alleged autism spectrum disorder or developmental disability clusters.

(d) Definitions

In this part:

(1) Indian tribe; tribal organization

The terms "Indian tribe" and "tribal organization" have the meanings given such terms in section 1603 of title 25.

(2) Other developmental disabilities

The term "other developmental disabilities" has the meaning given the term "developmental disability" in section 15002(8) of this title.

(3) State

The term "State" means each of the several States, the District of Columbia, the Commonwealth of Puerto Rico, American Samoa, Guam, the Commonwealth of the Northern Mariana Islands, the Virgin Islands, and the Trust Territory of the Pacific Islands.

(e) Sunset

This section shall not apply after September 30, 2024.

(July 1, 1944, ch. 373, title III, §399AA, as added Pub. L. 109–416, §3(a), Dec. 19, 2006, 120 Stat. 2822; amended Pub. L. 112–32, §2(1), Sept. 30, 2011, 125 Stat. 361; Pub. L. 113–157, §3, Aug. 8, 2014, 128 Stat. 1831; Pub. L. 116–60, §3(a), Sept. 30, 2019, 133 Stat. 1111.)

EDITORIAL NOTES

AMENDMENTS

2019—Subsec. (a)(1). Pub. L. 116–60, §3(a)(1), substituted "adults with autism spectrum disorder" for "adults on autism spectrum disorder".

Subsec. (a)(2). Pub. L. 116–60, §3(a)(2), substituted "State, local, and Tribal public health officials" for "State and local public health officials" and "and other developmental disabilities" for "or other developmental disabilities".

Subsec. (a)(3). Pub. L. 116–60, §3(a)(3), substituted "a university, any other educational institution, an

Indian tribe, or a tribal organization" for "a university, or any other educational institution".

Subsec. (b)(2)(A). Pub. L. 116–60, §3(a)(4), substituted "State, local, and Tribal public health officials, private sector developmental disability researchers, advocates for individuals with autism spectrum disorder, and advocates for individuals with other developmental disabilities" for "relevant State and local public health officials, private sector developmental disability researchers, and advocates for individuals with developmental disabilities".

Subsec. (d). Pub. L. 116–60, §3(a)(5), added par. (1) and redesignated former pars. (1) and (2) as (2) and (3), respectively.

Subsec. (e). Pub. L. 116–60, §3(a)(6), substituted "2024" for "2019".

2014—Subsec. (a)(1). Pub. L. 113–157, §3(1), inserted "for children and adults" after "reporting of State epidemiological data".

Subsec. (b)(1). Pub. L. 113–157, §3(2), substituted "establishment or support of regional centers of excellence" for "establishment of regional centers of excellence" and inserted "for children and adults" before period at end.

Subsec. (b)(2). Pub. L. 113–157, §3(3), substituted "center to be established or supported" for "center to be established" in introductory provisions.

Subsec. (e). Pub. L. 113–157, §3(4), substituted "2019" for "2014".

2011—Subsec. (e). Pub. L. 112–32 substituted "2014" for "2011".

STATUTORY NOTES AND RELATED SUBSIDIARIES

NATIONAL AUTISM SPECTRUM DISORDER INITIATIVE

Pub. L. 113–157, §2, Aug. 8, 2014, 128 Stat. 1831, provided that:

"(a) **IN GENERAL.**—The Secretary of Health and Human Services shall designate an existing official within the Department of Health and Human Services to oversee, in consultation with the Secretaries of Defense and Education, national autism spectrum disorder research, services, and support activities.

"(b) **DUTIES.**—The official designated under subsection (a) shall—

"(1) implement autism spectrum disorder activities, taking into account the strategic plan developed by the Interagency Autism Coordinating Committee under section 399CC(b) of the Public Health Service Act (42 U.S.C. 280i–2(b)); and

"(2) ensure that autism spectrum disorder activities of the Department of Health and Human Services and of other Federal departments and agencies are not unnecessarily duplicative."

EXECUTIVE DOCUMENTS

TERMINATION OF TRUST TERRITORY OF THE PACIFIC ISLANDS

For termination of Trust Territory of the Pacific Islands, see note set out preceding section 1681 of Title 48, Territories and Insular Possessions.

§280i–1. Autism education, early detection, and intervention

(a) Purpose

It is the purpose of this section—

(1) to increase awareness, reduce barriers to screening and diagnosis, promote evidence-based interventions for individuals with autism spectrum disorder and other developmental disabilities, and train professionals to utilize valid and reliable screening tools to diagnose or rule out and provide evidence-based interventions for individuals with autism spectrum disorder and other developmental disabilities across their lifespan; and

(2) to conduct activities under this section with a focus on an interdisciplinary approach (as defined in programs developed under section 501(a)(2) of the Social Security Act [42 U.S.C. 701(a)(2)]) that will also focus on specific issues for children who are not receiving an early diagnosis and subsequent interventions.

(b) In general

The Secretary shall, subject to the availability of appropriations, establish and evaluate activities

to—

- (1) provide culturally competent information and education on autism spectrum disorder and other developmental disabilities to increase public awareness of developmental milestones;
- (2) promote research into the development and validation of reliable screening tools for individuals with autism spectrum disorder and other developmental disabilities and disseminate information regarding those screening tools;
- (3) promote early screening of individuals at higher risk for autism spectrum disorder and other developmental disabilities as early as practicable, given evidence-based screening techniques and interventions;
- (4) promote evidence-based screening techniques and interventions for individuals with autism spectrum disorder and other developmental disabilities across their lifespan;
- (5) increase the number of individuals who are able to confirm or rule out a diagnosis of autism spectrum disorder and other developmental disabilities;
- (6) increase the number of individuals able to provide evidence-based interventions for individuals diagnosed with autism spectrum disorder or other developmental disabilities; and
- (7) promote the use of evidence-based interventions for individuals at higher risk for autism spectrum disorder and other developmental disabilities as early as practicable.

(c) Information and education

(1) In general

In carrying out subsection (b)(1), the Secretary, in collaboration with the Secretary of Education and the Secretary of Agriculture, shall, subject to the availability of appropriations, provide culturally competent information regarding autism spectrum disorder and other developmental disabilities, risk factors, characteristics, identification, diagnosis or rule out, and evidence-based interventions to meet the needs of individuals with autism spectrum disorder and other developmental disabilities across their lifespan and the needs of their families through—

(A) Federal programs, including—

- (i) the Head Start program;
- (ii) the Early Start program;
- (iii) the Healthy Start program;
- (iv) programs under the Child Care and Development Block Grant Act of 1990 [42 U.S.C. 9857 et seq.];
- (v) programs under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] (particularly the Medicaid Early and Periodic Screening, Diagnosis and Treatment Program);
- (vi) the program under title XXI of the Social Security Act [42 U.S.C. 1397aa et seq.] (the State Children's Health Insurance Program);
- (vii) the program under title V of the Social Security Act [42 U.S.C. 701 et seq.] (the Maternal and Child Health Block Grant Program);
- (viii) the program under parts B and C of the Individuals with Disabilities Education Act [20 U.S.C. 1411 et seq., 1431 et seq.];
- (ix) the special supplemental nutrition program for women, infants, and children established under section 1786 of this title; and
- (x) the State grant program under the Rehabilitation Act of 1973 [29 U.S.C. 701 et seq.].

(B) State licensed child care facilities; and

(C) other community-based organizations or points of entry for individuals with autism spectrum disorder and other developmental disabilities to receive services.

(2) Lead agency

(A) Designation

As a condition on the provision of assistance or the conduct of activities under this section with respect to a State, the Secretary may require the Governor of the State—

- (i) to designate a public agency as a lead agency to coordinate the activities provided for

under paragraph (1) in the State at the State level; and

(ii) acting through such lead agency, to make available to individuals and their family members, guardians, advocates, or authorized representatives; providers; and other appropriate individuals in the State, comprehensive culturally competent information about State and local resources regarding autism spectrum disorder and other developmental disabilities, risk factors, characteristics, identification, diagnosis or rule out, available services and supports (which may include respite care for caregivers of individuals with autism spectrum disorder or other developmental disabilities), and evidence-based interventions.

(B) Requirements of agency

In designating the lead agency under subparagraph (A)(i), the Governor shall—

(i) select an agency that has demonstrated experience and expertise in—

(I) autism spectrum disorder and other developmental disability issues; and

(II) developing, implementing, conducting, and administering programs and delivering education, information, and referral services (including technology-based curriculum-development services) to individuals with autism spectrum disorder and developmental disabilities and their family members, guardians, advocates or authorized representatives, providers, and other appropriate individuals locally and across the State; and

(ii) consider input from individuals with autism spectrum disorder and developmental disabilities and their family members, guardians, advocates or authorized representatives, providers, and other appropriate individuals.

(C) Information

Information under subparagraph (A)(ii) shall be provided through—

(i) toll-free telephone numbers;

(ii) Internet websites;

(iii) mailings; or

(iv) such other means as the Governor may require.

(d) Tools

(1) In general

To promote the use of valid and reliable screening tools for autism spectrum disorder and other developmental disabilities, the Secretary shall develop a curriculum for continuing education to assist individuals in recognizing the need for valid and reliable screening tools and the use of such tools.

(2) Collection, storage, coordination, and availability

The Secretary, in collaboration with the Secretary of Education, shall provide for the collection, storage, coordination, and public availability of tools described in paragraph (1), educational materials and other products that are used by the Federal programs referred to in subsection (c)(1)(A), as well as—

(A) programs authorized under the Developmental Disabilities Assistance and Bill of Rights Act of 2000 [42 U.S.C. 15001 et seq.];

(B) early intervention programs or interagency coordinating councils authorized under part C of the Individuals with Disabilities Education Act [20 U.S.C. 1431 et seq.]; and

(C) children with special health care needs programs authorized under title V of the Social Security Act [42 U.S.C. 701 et seq.].

(3) Required sharing

In establishing mechanisms and entities under this subsection, the Secretary, and the Secretary of Education, shall ensure the sharing of tools, materials, and products developed under this subsection among entities receiving funding under this section.

(e) Diagnosis

(1) Training

The Secretary, in coordination with activities conducted under title V of the Social Security Act [42 U.S.C. 701 et seq.], shall, subject to the availability of appropriations, expand existing interdisciplinary training opportunities or opportunities to increase the number of sites able to diagnose or rule out individuals with autism spectrum disorder or other developmental disabilities across their lifespan and ensure that—

(A) competitive grants or cooperative agreements are awarded to public or nonprofit agencies, including institutions of higher education, to expand existing or develop new maternal and child health interdisciplinary leadership education in neurodevelopmental and related disabilities programs (similar to the programs developed under section 501(a)(2) of the Social Security Act [42 U.S.C. 701(a)(2)]) in States that do not have such a program;

(B) trainees under such training programs—

(i) receive an appropriate balance of academic, clinical, and community opportunities;

(ii) are culturally competent;

(iii) are ethnically diverse;

(iv) demonstrate a capacity to evaluate, diagnose or rule out, develop, and provide evidence-based interventions to individuals with autism spectrum disorder and other developmental disabilities across their lifespan; and

(v) demonstrate an ability to use a family-centered approach, which may include collaborating with research centers or networks to provide training for providers of respite care (as defined in section 300ii of this title); and

(C) program sites provide culturally competent services.

(2) Developmental-behavioral pediatrician training programs

(A) In general

In making awards under this subsection, the Secretary may prioritize awards to applicants that are developmental-behavioral pediatrician training programs located in rural or underserved areas.

(B) Definition of underserved area

In this paragraph, the term "underserved area" means—

(i) a health professional shortage area (as defined in section 254e(a)(1)(A) of this title); and

(ii) an urban or rural area designated by the Secretary as an area with a shortage of personal health services (as described in section 254b(b)(3)(A) of this title).

(3) Technical assistance

The Secretary may award one or more grants under this section to provide technical assistance to the network of interdisciplinary training programs.

(4) Best practices

The Secretary shall promote research into additional valid and reliable tools for shortening the time required to confirm or rule out a diagnosis of autism spectrum disorder or other developmental disabilities and detecting individuals with autism spectrum disorder or other developmental disabilities at an earlier age.

(f) Intervention

The Secretary shall promote research, through grants or contracts, which may include grants or contracts to research centers or networks, to determine the evidence-based practices for interventions to improve the physical and behavioral health of individuals with autism spectrum disorder or other developmental disabilities across the lifespan of such individuals, develop guidelines for those interventions, and disseminate information related to such research and guidelines.

(g) Sunset

This section shall not apply after September 30, 2024.

§280i–2. Interagency Autism Coordinating Committee

(a) Establishment

The Secretary shall establish a committee, to be known as the "Interagency Autism Coordinating Committee" (in this section referred to as the "Committee"), to coordinate all efforts within the Department of Health and Human Services concerning autism spectrum disorder.

(b) Responsibilities

In carrying out its duties under this section, the Committee shall—

(1) monitor autism spectrum disorder research, and to the extent practicable services and support activities, across all relevant Federal departments and agencies, including coordination of Federal activities with respect to autism spectrum disorder;

(2) develop a summary of advances in autism spectrum disorder research related to causes, prevention, treatment, early screening, diagnosis or rule out, interventions, including school and community-based interventions, and access to services and supports for individuals with autism spectrum disorder across the lifespan of such individuals;

(3) make recommendations to the Secretary regarding any appropriate changes to such activities, including with ¹ respect to the strategic plan developed under paragraph (5);

(4) make recommendations to the Secretary regarding public participation in decisions relating to autism spectrum disorder, and the process by which public feedback can be better integrated into such decisions;

(5) develop a strategic plan for the conduct of, and support for, autism spectrum disorder research, including as practicable for services and supports, for individuals with an autism spectrum disorder across the lifespan of such individuals and the families of such individuals, which shall include—

(A) proposed budgetary requirements; and

(B) recommendations to ensure that autism spectrum disorder research, and services and support activities to the extent practicable, of the Department of Health and Human Services and of other Federal departments and agencies are not unnecessarily duplicative; and

(6) submit to Congress and the President—

(A) an annual update on the summary of advances described in paragraph (2); and

(B) an annual update to the strategic plan described in paragraph (5), including any progress made in achieving the goals outlined in such strategic plan.

(c) Membership

(1) Federal membership

The Committee shall be composed of the following Federal members—

(A) the Director of the Centers for Disease Control and Prevention;

(B) the Director of the National Institutes of Health, and the Directors of such national

research institutes of the National Institutes of Health as the Secretary determines appropriate;

(C) the heads of such other agencies as the Secretary determines appropriate, such as the Administration for Community Living, Administration for Children and Families, the Centers for Medicare & Medicaid Services, the Food and Drug Administration, and the Health Resources and Services Administration; and

(D) representatives of other Federal Governmental agencies that serve individuals with autism spectrum disorder such as the Department of Education, the Department of Labor, the Department of Justice, the Department of Veterans Affairs, the Department of Housing and Urban Development, and the Department of Defense.

(2) Non-Federal members

Not more than $\frac{1}{2}$, but not fewer than $\frac{1}{3}$, of the total membership of the Committee,² shall be composed of non-Federal public members to be appointed by the Secretary, of which—

(A) at least three such members shall be individuals with a diagnosis of autism spectrum disorder;

(B) at least three such members shall be parents or legal guardians of an individual with an autism spectrum disorder; and

(C) at least three such members shall be representatives of leading research, advocacy, and service organizations for individuals with autism spectrum disorder.

(3) Period of appointment; vacancies

(A) Period of appointment for non-Federal members

Non-Federal members shall serve for a term of 4 years, and may be reappointed for one additional 4-year term.

(B) Vacancies

A vacancy on the Committee shall be filled in the manner in which the original appointment was made and shall not affect the powers or duties of the Committee. Any member appointed to fill a vacancy for an unexpired term shall be appointed for the remainder of such term. A member may serve after the expiration of the member's term until a successor has been appointed.

(d) Administrative support; terms of service; other provisions

The following provisions shall apply with respect to the Committee:

(1) The Committee shall receive necessary and appropriate administrative support from the Secretary.

(2) The Committee shall meet at the call of the chairperson or upon the request of the Secretary. The Committee shall meet not fewer than 2 times each year.

(3) All meetings of the Committee shall be public and shall include appropriate time periods for questions and presentations by the public.

(e) Subcommittees; establishment and membership

In carrying out its functions, the Committee may establish subcommittees and convene workshops and conferences. Such subcommittees shall be composed of Committee members and may hold such meetings as are necessary to enable the subcommittees to carry out their duties.

(f) Sunset

This section shall not apply after September 30, 2024, and the Committee shall be terminated on such date.

(July 1, 1944, ch. 373, title III, §399CC, as added Pub. L. 109–416, §3(a), Dec. 19, 2006, 120 Stat. 2827; amended Pub. L. 112–32, §2(3), Sept. 30, 2011, 125 Stat. 361; Pub. L. 113–157, §5, Aug. 8, 2014, 128 Stat. 1832; Pub. L. 116–60, §3(c), Sept. 30, 2019, 133 Stat. 1112.)

AMENDMENTS

2019—Subsec. (b)(2). Pub. L. 116–60, §3(c)(1)(A), inserted "across the lifespan of such individuals" before semicolon at end.

Subsec. (b)(5). Pub. L. 116–60, §3(c)(1)(B), inserted "across the lifespan of such individuals" before "and the families" in introductory provisions.

Subsec. (c)(1)(D). Pub. L. 116–60, §3(c)(2)(A), inserted ", the Department of Labor, the Department of Justice, the Department of Veterans Affairs, the Department of Housing and Urban Development," after "Department of Education".

Subsec. (c)(2). Pub. L. 116–60, §3(c)(2)(B), substituted "at least three such members" for "at least two such members" in subpars. (A) to (C).

Subsec. (c)(3)(A). Pub. L. 116–60, §3(c)(2)(C), substituted "one additional 4-year term" for "one or more additional 4-year terms".

Subsec. (f). Pub. L. 116–60, §3(c)(3), substituted "2024" for "2019".

2014—Subsec. (b)(1). Pub. L. 113–157, §5(1)(C), added par. (1). Former par. (1) redesignated (2).

Pub. L. 113–157, §5(1)(A), struck out "and annually update" after "develop" and substituted "interventions, including school and community-based interventions" for "intervention".

Subsec. (b)(2). Pub. L. 113–157, §5(1)(B), (C), redesignated par. (1) as (2) and struck out former par. (2) which read as follows: "monitor Federal activities with respect to autism spectrum disorder;"

Subsec. (b)(3). Pub. L. 113–157, §5(1)(D), struck out "recommendations to the Director of NIH" after "including".

Subsec. (b)(4). Pub. L. 113–157, §5(1)(E), inserted before semicolon ", and the process by which public feedback can be better integrated into such decisions".

Subsec. (b)(5), (6). Pub. L. 113–157, §5(1)(F), added pars. (5) and (6) and struck out former pars. (5) and (6) which read as follows:

"(5) develop and annually update a strategic plan for the conduct of, and support for, autism spectrum disorder research, including proposed budgetary requirements; and

"(6) submit to the Congress such strategic plan and any updates to such plan."

Subsec. (c)(1). Pub. L. 113–157, §5(2)(A)(i), substituted "Federal membership" for "In general" in heading and "The Committee shall be composed of the following Federal members—" for "The Committee shall be composed of—" in introductory provisions.

Subsec. (c)(1)(C). Pub. L. 113–157, §5(2)(A)(ii), inserted ", such as the Administration for Community Living, Administration for Children and Families, the Centers for Medicare & Medicaid Services, the Food and Drug Administration, and the Health Resources and Services Administration" before semicolon and inserted "and" at end.

Subsec. (c)(1)(D). Pub. L. 113–157, §5(2)(A)(iii), inserted "and the Department of Defense" after "Department of Education" and substituted period at end for "; and".

Subsec. (c)(1)(E). Pub. L. 113–157, §5(2)(A)(iv), struck out subpar. (E) which read as follows: "the additional members appointed under paragraph (2)."

Subsec. (c)(2). Pub. L. 113–157, §5(2)(B)(i), (ii), substituted "Non-Federal" for "Additional" in heading and "Not more than ½, but not fewer than 1/3, of the total membership of the Committee" for "Not fewer than 6 members of the Committee, or 1/3 of the total membership of the Committee, whichever is greater" in introductory provisions. Substitution in text was executed as the probable intent of Congress, notwithstanding directory language that struck out "1/3" instead of "1/3" as it appeared in the original.

Subsec. (c)(2)(A). Pub. L. 113–157, §5(2)(B)(iii), substituted "two such members shall be individuals" for "one such member shall be an individual".

Subsec. (c)(2)(B). Pub. L. 113–157, §5(2)(B)(iv), substituted "two such members shall be parents or legal guardians" for "one such member shall be a parent or legal guardian".

Subsec. (c)(2)(C). Pub. L. 113–157, §5(2)(B)(v), substituted "two such members shall be representatives" for "one such member shall be a representative".

Subsec. (c)(3). Pub. L. 113–157, §5(2)(C), added par. (3).

Subsec. (d)(2) to (4). Pub. L. 113–157, §5(3), redesignated pars. (3) and (4) as (2) and (3), respectively, and struck out former par. (2) which read as follows: "Members of the Committee appointed under subsection (c)(2) shall serve for a term of 4 years, and may be reappointed for one or more additional 4 year term. Any member appointed to fill a vacancy for an unexpired term shall be appointed for the remainder of such term. A member may serve after the expiration of the member's term until a successor has taken office."

Subsec. (f). Pub. L. 113–157, §5(4), substituted "2019" for "2014".

2011—Subsec. (f). Pub. L. 112–32 substituted "2014" for "2011".

¹ *So in original. Probably should be preceded by "recommendations".*

² *So in original. The comma probably should not appear.*

§280i–3. Reports to Congress

(a) Progress report

(1) In general

Not later than 4 years after September 30, 2019, the Secretary, in coordination with the Secretary of Education and the Secretary of Defense, shall prepare and submit to the Health, Education, Labor, and Pensions Committee of the Senate and the Energy and Commerce Committee of the House of Representatives, and make publicly available, including through posting on the Internet Web site of the Department of Health and Human Services, a progress report on activities related to autism spectrum disorder and other developmental disabilities.

(2) Contents

The report submitted under subsection (a) shall contain—

(A) a description of the progress made in implementing the provisions of the Autism CARES Act of 2019;

(B) a description of the amounts expended on the implementation of the amendments made by the Autism CARES Act of 2019;

(C) information on the incidence and prevalence of autism spectrum disorder, including available information on the prevalence of autism spectrum disorder among children and adults, and identification of any changes over time with respect to the incidence and prevalence of autism spectrum disorder;

(D) information on the average age of diagnosis for children with autism spectrum disorder and other disabilities, including how that age may have changed over the 4-year period beginning on September 30, 2019, and, as appropriate, how this age varies across population subgroups;

(E) information on the average age for intervention for individuals diagnosed with autism spectrum disorder and other developmental disabilities, including how that age may have changed over the 4-year period beginning on September 30, 2019, and, as appropriate, how this age varies across population subgroups;

(F) information on the average time between initial screening and then diagnosis or rule out for individuals with autism spectrum disorder or other developmental disabilities, as well as information on the average time between diagnosis and evidence-based intervention for individuals with autism spectrum disorder or other developmental disabilities and, as appropriate, on how such average time varies across population subgroups;

(G) information on the effectiveness and outcomes of interventions for individuals diagnosed with autism spectrum disorder, including by severity level as practicable, and other developmental disabilities and how the age of the individual or other factors, such as demographic characteristics, may affect such effectiveness;

(H) information on the effectiveness and outcomes of innovative and newly developed intervention strategies for individuals with autism spectrum disorder or other developmental disabilities;

(I) a description of the actions taken to implement and the progress made on implementation of the strategic plan developed by the Interagency Autism Coordinating Committee under section 280i–2(b) of this title; and

(J) information on how States use home- and community-based services and other supports to ensure that individuals with autism spectrum disorder and other developmental disabilities are living, working, and participating in their community.

(b) Report on the health and well-being of individuals with autism spectrum disorder across their lifespan

(1) In general

Not later than 2 years after September 30, 2019, the Secretary shall prepare and submit, to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives, a report concerning the health and well-being of individuals with autism spectrum disorder.

(2) Contents

The report submitted under paragraph (1) shall contain—

(A) demographic factors associated with the health and well-being of individuals with autism spectrum disorder;

(B) an overview of policies and programs relevant to the health and well-being of individuals with autism spectrum disorder, including an identification of existing Federal laws, regulations, policies, research, and programs;

(C) recommendations on establishing best practices guidelines to ensure interdisciplinary coordination between all relevant service providers receiving Federal funding;

(D) comprehensive approaches to improving health outcomes and well-being for individuals with autism spectrum disorder, including—

(i) community-based behavioral supports and interventions;

(ii) nutrition, recreational, and social activities; and

(iii) personal safety services related to public safety agencies or the criminal justice system for such individuals; and

(E) recommendations that seek to improve health outcomes for such individuals, including across their lifespan, by addressing—

(i) screening and diagnosis of children and adults;

(ii) behavioral and other therapeutic approaches;

(iii) primary and preventative care;

(iv) communication challenges;

(v) aggression, self-injury, elopement, and other behavioral issues;

(vi) emergency room visits and acute care hospitalization;

(vii) treatment for co-occurring physical and mental health conditions;

(viii) premature mortality;

(ix) medical practitioner training; and

(x) caregiver mental health.

EDITORIAL NOTES

REFERENCES IN TEXT

The Autism CARES Act of 2019, referred to in subsec. (a)(2)(A), (B), is Pub. L. 116–60, Sept. 30, 2019, 133 Stat. 1110, also known as the Autism Collaboration, Accountability, Research, Education, and Support Act of 2019, which amended this part and section 284g of this title and enacted provisions set out as a note under section 201 of this title. For complete classification of this Act to the Code, see Short Title of 2019 Amendment note set out under section 201 of this title and Tables.

AMENDMENTS

2019—Subsec. (a)(1). Pub. L. 116–60, §3(d)(1)(A), substituted "September 30, 2019" for "August 8, 2014". Subsec. (a)(2)(A), (B). Pub. L. 116–60, §3(d)(1)(B)(i), substituted "Autism CARES Act of 2019" for "Autism CARES Act of 2014".

Subsec. (a)(2)(D), (E). Pub. L. 116–60, §3(d)(1)(B)(i), substituted "September 30, 2019" for "August 8,

2014".

Subsec. (a)(2)(G). Pub. L. 116–60, §3(d)(1)(B)(ii), substituted "age of the individual" for "age of the child".

Subsec. (a)(2)(J). Pub. L. 116–60, §3(d)(1)(B)(iii)–(v), added subsec. (J).

Subsec. (b). Pub. L. 116–60, §3(d)(2)(A), substituted "the health and well-being of individuals with autism spectrum disorder across their lifespan" for "young adults and transitioning youth" in heading.

Subsec. (b)(1). Pub. L. 116–60, §3(d)(2)(B), amended par. (1) generally. Prior to amendment, text read as follows: "Not later than 2 years after August 8, 2014, the Secretary of Health and Human Services, in coordination with the Secretary of Education and in collaboration with the Secretary of Transportation, the Secretary of Labor, the Secretary of Housing and Urban Development, and the Attorney General, shall prepare and submit to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives, a report concerning young adults with autism spectrum disorder and the challenges related to the transition from existing school-based services to those services available during adulthood."

Subsec. (b)(2)(A). Pub. L. 116–60, §3(d)(2)(C)(i), amended subpar. (A) generally. Prior to amendment, subpar. (A) read as follows: "demographic characteristics of youth transitioning from school-based to community-based supports;"

Subsec. (b)(2)(B). Pub. L. 116–60, §3(d)(2)(C)(ii), substituted "the health and well-being of individuals with autism spectrum disorder, including an identification of existing Federal laws, regulations, policies, research, and programs;" for "young adults with autism spectrum disorder relating to post-secondary school transitional services, including an identification of existing Federal laws, regulations, policies, research, and programs;"

Subsec. (b)(2)(C) to (E). Pub. L. 116–60, §3(d)(2)(C)(iii), amended subpars. (C) to (E) generally. Prior to amendment, subpars. (C) to (E) related, respectively, to proposals on establishing certain best practices guidelines, comprehensive approaches to transitioning from existing school-based services to those services available during adulthood, and proposals that seek to improve outcomes for adults with autism spectrum disorder making the transition from a school-based support system to adulthood.

2014—Pub. L. 113–157, §6(1), substituted "Reports" for "Report" in section catchline.

Subsec. (a). Pub. L. 113–157, §6(2)–(4), designated existing provisions of entire section as subsec. (a), inserted heading, redesignated former subsecs. (a) and (b) as pars. (1) and (2), respectively, of subsec. (a), redesignated pars. (1) to (9) of former subsec. (b) as subpars. (A) to (I), respectively, of par. (2) of subsec. (a), and realigned margins.

Subsec. (a)(1). Pub. L. 113–157, §6(5), substituted "4 years after August 8, 2014" for "2 years after September 30, 2011" and inserted "and the Secretary of Defense" after "the Secretary of Education" and ", and make publicly available, including through posting on the Internet Web site of the Department of Health and Human Services," after "Representatives".

Subsec. (a)(2)(A). Pub. L. 113–157, §6(6)(A), substituted "Autism CARES Act of 2014" for "Combating Autism Act of 2006".

Subsec. (a)(2)(B). Pub. L. 113–157, §6(6)(B), substituted "amendments made by the Autism CARES Act of 2014" for "particular provisions of Combating Autism Act of 2006".

Subsec. (a)(2)(C). Pub. L. 113–157, §6(6)(C), added subpar. (C) and struck out former subpar. (C) which read as follows: "information on the incidence of autism spectrum disorder and trend data of such incidence since December 19, 2006;"

Subsec. (a)(2)(D), (E). Pub. L. 113–157, §6(6)(D), (E), substituted "4-year period beginning on August 8, 2014, and, as appropriate, how this age varies across population subgroups" for "6-year period beginning on December 19, 2006".

Subsec. (a)(2)(F). Pub. L. 113–157, §6(6)(F), inserted "and, as appropriate, on how such average time varies across population subgroups" before semicolon at end.

Subsec. (a)(2)(G). Pub. L. 113–157, §6(6)(G), substituted "including by severity level as practicable," for "including by various subtypes," and "child or other factors, such as demographic characteristics, may" for "child may".

Subsec. (a)(2)(I). Pub. L. 113–157, §6(6)(H), added subpar. (I) and struck out former subpar. (I) which read as follows: "information on services and supports provided to individuals with autism spectrum disorder and other developmental disabilities who have reached the age of majority (as defined for purposes of section 1415(m) of title 20)."

Subsec. (b). Pub. L. 113–157, §6(7), added subsec. (b). Former subsec. (b) redesignated par. (2) of subsec. (a).

2011—Subsec. (a). Pub. L. 112–32, §2(4)(A), substituted "Not later than 2 years after September 30, 2011" for "Not later than 4 years after December 19, 2006".

Subsec. (b)(4), (5). Pub. L. 112–32, §2(4)(B), substituted "the 6-year period beginning on December 19, 2006" for "the 4-year period beginning on the date of enactment of this Act", which for purposes of codification was translated as "the 4-year period beginning on December 19, 2006".

§280i–4. Authorization of appropriations

(a) Developmental disabilities surveillance and research program

To carry out section 280i of this title, there is authorized to be appropriated \$23,100,000 for each of fiscal years 2020 through 2024.

PART S—HEALTH CARE QUALITY PROGRAMS

SUBPART I—NATIONAL STRATEGY FOR QUALITY IMPROVEMENT IN HEALTH CARE

EDITORIAL NOTES

CODIFICATION

Subpart is based on subpart I of part S of title III of act July 1, 1944, as added by Pub. L. 111–148, title III, §3011, Mar. 23, 2010, 124 Stat. 378. No subpart II has been enacted.

§280j. National strategy for quality improvement in health care

(a) Establishment of national strategy and priorities

(1) National strategy

The Secretary, through a transparent collaborative process, shall establish a national strategy to improve the delivery of health care services, patient health outcomes, and population health.

(2) Identification of priorities

(A) In general

The Secretary shall identify national priorities for improvement in developing the strategy under paragraph (1).

(B) Requirements

The Secretary shall ensure that priorities identified under subparagraph (A) will—

- (i) have the greatest potential for improving the health outcomes, efficiency, and patient-centeredness of health care for all populations, including children and vulnerable populations;
- (ii) identify areas in the delivery of health care services that have the potential for rapid improvement in the quality and efficiency of patient care;
- (iii) address gaps in quality, efficiency, comparative effectiveness information (taking into consideration the limitations set forth in subsections (c) and (d) of section 1182 of the Social Security Act [42 U.S.C. 1320e–1(c), (d)]), and health outcomes measures and data aggregation techniques;
- (iv) improve Federal payment policy to emphasize quality and efficiency;
- (v) enhance the use of health care data to improve quality, efficiency, transparency, and outcomes;
- (vi) address the health care provided to patients with high-cost chronic diseases;
- (vii) improve research and dissemination of strategies and best practices to improve patient safety and reduce medical errors, preventable admissions and readmissions, and health care-associated infections;
- (viii) reduce health disparities across health disparity populations (as defined in section 285t ¹ of this title) and geographic areas; and
- (ix) address other areas as determined appropriate by the Secretary.

(C) Considerations

In identifying priorities under subparagraph (A), the Secretary shall take into consideration the recommendations submitted by the entity with a contract under section 1890(a) of the Social Security Act [42 U.S.C. 1395aaa(a)] and other stakeholders.

(D) Coordination with State agencies

The Secretary shall collaborate, coordinate, and consult with State agencies responsible for administering the Medicaid program under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.] and the Children's Health Insurance Program under title XXI of such Act [42 U.S.C. 1397aa et seq.] with respect to developing and disseminating strategies, goals, models, and timetables that are consistent with the national priorities identified under subparagraph (A).

(b) Strategic plan

(1) In general

The national strategy shall include a comprehensive strategic plan to achieve the priorities described in subsection (a).

(2) Requirements

The strategic plan shall include provisions for addressing, at a minimum, the following:

(A) Coordination among agencies within the Department, which shall include steps to minimize duplication of efforts and utilization of common quality measures, where available. Such common quality measures shall be measures identified by the Secretary under section 1139A or 1139B of the Social Security Act [42 U.S.C. 1320b–9a, 1320b–9b] or endorsed under section 1890 of such Act [42 U.S.C. 1395aaa].

(B) Agency-specific strategic plans to achieve national priorities.

(C) Establishment of annual benchmarks for each relevant agency to achieve national priorities.

(D) A process for regular reporting by the agencies to the Secretary on the implementation of the strategic plan.

(E) Strategies to align public and private payers with regard to quality and patient safety efforts.

(F) Incorporating quality improvement and measurement in the strategic plan for health information technology required by the American Recovery and Reinvestment Act of 2009 (Public Law 111–5).

(c) Periodic update of national strategy

The Secretary shall update the national strategy not less than annually. Any such update shall include a review of short- and long-term goals.

(d) Submission and availability of national strategy and updates

(1) Deadline for initial submission of national strategy

Not later than January 1, 2011, the Secretary shall submit to the relevant committees of Congress the national strategy described in subsection (a).

(2) Updates

(A) In general

The Secretary shall submit to the relevant committees of Congress an annual update to the strategy described in paragraph (1).

(B) Information submitted

Each update submitted under subparagraph (A) shall include—

(i) a review of the short- and long-term goals of the national strategy and any gaps in such strategy;

(ii) an analysis of the progress, or lack of progress, in meeting such goals and any barriers to such progress;

(iii) the information reported under section 1139A of the Social Security Act [42 U.S.C. 1320b–9a], consistent with the reporting requirements of such section; and

(iv) in the case of an update required to be submitted on or after January 1, 2014, the information reported under section 1139B(b)(4) of the Social Security Act [42 U.S.C. 1320b–9b(b)(4)], consistent with the reporting requirements of such section.

(C) Satisfaction of other reporting requirements

Compliance with the requirements of clauses (iii) and (iv) of subparagraph (B) shall satisfy the reporting requirements under sections 1139A(a)(6) and 1139B(b)(4), respectively, of the Social Security Act [42 U.S.C. 1320b–9a(a)(6), 1320b–9b(b)(4)].

(e) Health care quality Internet website

Not later than January 1, 2011, the Secretary shall create an Internet website to make public information regarding—

(1) the national priorities for health care quality improvement established under subsection (a)(2);

(2) the agency-specific strategic plans for health care quality described in subsection (b)(2)(B);

and

(3) other information, as the Secretary determines to be appropriate.

§280j–1. Collection and analysis of data for quality and resource use measures

(a) In general

(1) Establishment of strategic framework

The Secretary shall establish and implement an overall strategic framework to carry out the public reporting of performance information, as described in section 280j–2 of this title. Such strategic framework may include methods and related timelines for implementing nationally consistent data collection, data aggregation, and analysis methods.

(2) Collection and aggregation of data

The Secretary shall collect and aggregate consistent data on quality and resource use measures from information systems used to support health care delivery, and may award grants or contracts for this purpose. The Secretary shall align such collection and aggregation efforts with the requirements and assistance regarding the expansion of health information technology systems, the interoperability of such technology systems, and related standards that are in effect on March 23, 2010.

(3) Scope

The Secretary shall ensure that the data collection, data aggregation, and analysis systems described in paragraph (1) involve an increasingly broad range of patient populations, providers, and geographic areas over time.

(b) Grants or contracts for data collection

(1) In general

The Secretary may award grants or contracts to eligible entities to support new, or improve existing, efforts to collect and aggregate quality and resource use measures described under subsection (c).

(2) Eligible entities

To be eligible for a grant or contract under this subsection, an entity shall—

(A) be—

(i) a multi-stakeholder entity that coordinates the development of methods and implementation plans for the consistent reporting of summary quality and cost information;

(ii) an entity capable of submitting such summary data for a particular population and providers, such as a disease registry, regional collaboration, health plan collaboration, or other population-wide source; or

(iii) a Federal Indian Health Service program or a health program operated by an Indian tribe (as defined in section 1603 of title 25);

(B) promote the use of the systems that provide data to improve and coordinate patient care;

(C) support the provision of timely, consistent quality and resource use information to health care providers, and other groups and organizations as appropriate, with an opportunity for providers to correct inaccurate measures; and

(D) agree to report, as determined by the Secretary, measures on quality and resource use to the public in accordance with the public reporting process established under section 280j–2 of this title.

(c) Consistent data aggregation

The Secretary may award grants or contracts under this section only to entities that enable summary data that can be integrated and compared across multiple sources. The Secretary shall provide standards for the protection of the security and privacy of patient data.

(d) Matching funds

The Secretary may not award a grant or contract under this section to an entity unless the entity agrees that it will make available (directly or through contributions from other public or private entities) non-Federal contributions toward the activities to be carried out under the grant or contract in an amount equal to \$1 for each \$5 of Federal funds provided under the grant or contract. Such non-Federal matching funds may be provided directly or through donations from public or private entities and may be in cash or in-kind, fairly evaluated, including plant, equipment, or services.

(e) Authorization of appropriations

To carry out this section, there are authorized to be appropriated such sums as may be necessary for fiscal years 2010 through 2014.

(July 1, 1944, ch. 373, title III, §399II, as added and amended Pub. L. 111–148, title III, §3015, title X, §10305, Mar. 23, 2010, 124 Stat. 387, 938.)

EDITORIAL NOTES

AMENDMENTS

2010—Subsec. (a). Pub. L. 111–148, §10305, amended subsec. (a) generally. Prior to amendment, text read as follows: "The Secretary shall collect and aggregate consistent data on quality and resource use measures from information systems used to support health care delivery to implement the public reporting of performance information, as described in section 280j–2 of this title, and may award grants or contracts for this purpose. The Secretary shall ensure that such collection, aggregation, and analysis systems span an increasingly broad range of patient populations, providers, and geographic areas over time."

§280j–2. Public reporting of performance information

(a) Development of performance websites

The Secretary shall make available to the public, through standardized Internet websites, performance information summarizing data on quality measures. Such information shall be tailored to respond to the differing needs of hospitals and other institutional health care providers, physicians and other clinicians, patients, consumers, researchers, policymakers, States, and other stakeholders, as the Secretary may specify.

(b) Information on conditions

The performance information made publicly available on an Internet website, as described in

subsection (a), shall include information regarding clinical conditions to the extent such information is available, and the information shall, where appropriate, be provider-specific and sufficiently disaggregated and specific to meet the needs of patients with different clinical conditions.

(c) Consultation

(1) In general

In carrying out this section, the Secretary shall consult with the entity with a contract under section 1890(a) of the Social Security Act [42 U.S.C. 1395aaa(a)], and other entities, as appropriate, to determine the type of information that is useful to stakeholders and the format that best facilitates use of the reports and of performance reporting Internet websites.

(2) Consultation with stakeholders

The entity with a contract under section 1890(a) of the Social Security Act [42 U.S.C. 1395aaa(a)] shall convene multi-stakeholder groups, as described in such section, to review the design and format of each Internet website made available under subsection (a) and shall transmit to the Secretary the views of such multi-stakeholder groups with respect to each such design and format.

(d) Coordination

Where appropriate, the Secretary shall coordinate the manner in which data are presented through Internet websites described in subsection (a) and for public reporting of other quality measures by the Secretary, including such quality measures under title XVIII of the Social Security Act [42 U.S.C. 1395 et seq.].

(e) Authorization of appropriations

To carry out this section, there are authorized to be appropriated such sums as may be necessary for fiscal years 2010 through 2014.

(July 1, 1944, ch. 373, title III, §399JJ, as added Pub. L. 111–148, title III, §3015, Mar. 23, 2010, 124 Stat. 388.)

§280j–3. Quality improvement program for hospitals with a high severity adjusted readmission rate

(a) Establishment

(1) In general

Not later than 2 years after March 23, 2010, the Secretary shall make available a program for eligible hospitals to improve their readmission rates through the use of patient safety organizations (as defined in section 299b–21(4) of this title).

(2) Eligible hospital defined

In this subsection, the term "eligible hospital" means a hospital that the Secretary determines has a high rate of risk adjusted readmissions for the conditions described in section 1395ww(q)(8)(A) of this title and has not taken appropriate steps to reduce such readmissions and improve patient safety as evidenced through historically high rates of readmissions, as determined by the Secretary.

(3) Risk adjustment

The Secretary shall utilize appropriate risk adjustment measures to determine eligible hospitals.

(b) Report to the Secretary

As determined appropriate by the Secretary, eligible hospitals and patient safety organizations working with those hospitals shall report to the Secretary on the processes employed by the hospital to improve readmission rates and the impact of such processes on readmission rates.

(July 1, 1944, ch. 373, title III, §399KK, as added Pub. L. 111–148, title III, §3025(b), Mar. 23, 2010, 124 Stat. 412.)

PART T—ORAL HEALTHCARE PREVENTION ACTIVITIES

§280k. Oral healthcare prevention education campaign

(a) Establishment of Oral Health Education Campaign

The Secretary, acting through the Director of the Centers for Disease Control and Prevention and in consultation with professional oral health organizations, shall, subject to the availability of appropriations, establish a 5-year national, public education campaign (referred to in this section as the "campaign") that is focused on oral health education, including prevention of oral disease such as early childhood and other caries, periodontal disease, and oral cancer.

(b) Requirements

In establishing the campaign under subsection (a), the Secretary shall—

(1) ensure that activities are targeted towards specific populations such as children, pregnant women, parents, the elderly, individuals with disabilities, and ethnic and racial minority populations, including Indians, Alaska Natives and Native Hawaiians (as defined in section 1603(c) ¹ of title 25) in a culturally and linguistically appropriate manner; and

(2) utilize science-based strategies to convey oral health prevention messages that include, but are not limited to, community water fluoridation and dental sealants.

(c) Action for dental health program

(1) In general

The Secretary, in consultation with the Director of the Centers for Disease Control and Prevention and the Administrator of the Health Resources and Services Administration, may award grants, contracts, or cooperative agreements to eligible entities to collaborate with State or local public health officials, tribal health officials, oral health professional organizations, and others, as appropriate, to develop and implement initiatives to improve oral health, including activities to prevent dental disease and reduce barriers to the provision of dental services, including—

(A) through community-wide dental disease prevention programs; and

(B) by increasing public awareness and education related to oral health and dental disease prevention.

(2) Eligible entities

To be eligible to receive a grant, contract, or cooperative agreement under this subsection, an entity shall be—

(A) a dental association;

(B) a State or tribal health department or State or tribal oral health program;

(C) an accredited dental education, dental hygiene, or postdoctoral dental education program;

or

(D) a non-profit community-based organization that partners with public and private non-profit entities, such as an academic institution, to facilitate the provision of dental services

to underserved populations.

§280k–1. Research-based dental caries disease management

(a) In general

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall award demonstration grants to eligible entities to demonstrate the effectiveness of research-based dental caries disease management activities.

(b) Eligibility

To be eligible for a grant under this section, an entity shall—

(1) be a community-based provider of dental services (as defined by the Secretary), including a Federally-qualified health center, a clinic of a hospital owned or operated by a State (or by an instrumentality or a unit of government within a State), a State or local department of health, a dental program of the Indian Health Service, an Indian tribe or tribal organization, or an urban Indian organization (as such terms are defined in section 1603 of title 25), a health system provider, a private provider of dental services, medical, dental, public health, nursing, nutrition educational institutions, or national organizations involved in improving children's oral health; and

(2) submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require.

(c) Use of funds

A grantee shall use amounts received under a grant under this section to demonstrate the effectiveness of research-based dental caries disease management activities.

(d) Use of information

The Secretary shall, as practicable and appropriate, utilize information generated from grantees under this section in planning and implementing the oral health education campaign and action for dental health program under section 280k of this title.

(July 1, 1944, ch. 373, title III, §399LL–1, as added Pub. L. 111–148, title IV, §4102(a), Mar. 23, 2010, 124 Stat. 551; amended Pub. L. 115–302, §2(b), Dec. 11, 2018, 132 Stat. 4397.)

EDITORIAL NOTES

AMENDMENTS

2018—Subsec. (d). Pub. L. 115–302 substituted "shall, as practicable and appropriate," for "shall" and "oral health education campaign and action for dental health program" for "public education campaign".

§280k–2. Authorization of appropriations

There is authorized to be appropriated to carry out this part, such sums as may be necessary. (July 1, 1944, ch. 373, title III, §399LL–2, as added Pub. L. 111–148, title IV, §4102(a), Mar. 23, 2010, 124 Stat. 551.)

§280k–3. Updating national oral healthcare surveillance activities

(1) PRAMS

(A) In general

The Secretary of Health and Human Services (referred to in this section as the "Secretary") shall carry out activities to update and improve the Pregnancy Risk Assessment Monitoring System (referred to in this section as "PRAMS") as it relates to oral healthcare.

(B) State reports and mandatory measurements

(i) In general

Not later than 5 years after March 23, 2010, and every 5 years thereafter, a State shall submit to the Secretary a report concerning activities conducted within the State under PRAMS.

(ii) Measurements

The oral healthcare measurements developed by the Secretary for use under PRAMS shall be mandatory with respect to States for purposes of the State reports under clause (i).

(C) Funding

There is authorized to be appropriated to carry out this paragraph, such sums as may be necessary.

(2) National Health and Nutrition Examination Survey

The Secretary shall develop oral healthcare components that shall include tooth-level surveillance for inclusion in the National Health and Nutrition Examination Survey. Such components shall be updated by the Secretary at least every 6 years. For purposes of this paragraph, the term "tooth-level surveillance" means a clinical examination where an examiner looks at each dental surface, on each tooth in the mouth and as expanded by the Division of Oral Health of the Centers for Disease Control and Prevention.

(3) Medical Expenditures Panel Survey

The Secretary shall ensure that the Medical Expenditures Panel Survey by the Agency for Healthcare Research and Quality includes the verification of dental utilization, expenditure, and coverage findings through conduct of a look-back analysis.

(4) National Oral Health Surveillance System

(A) Appropriations

There is authorized to be appropriated, such sums as may be necessary for each of fiscal years 2010 through 2014 to increase the participation of States in the National Oral Health Surveillance System from 16 States to all 50 States, territories, and District of Columbia.

(B) Requirements

The Secretary shall ensure that the National Oral Health Surveillance System include the

measurement of early childhood caries.

PART U—EMPLOYER-BASED WELLNESS PROGRAM

§280/. Technical assistance for employer-based wellness programs

In order to expand the utilization of evidence-based prevention and health promotion approaches in the workplace, the Director shall—

(1) provide employers (including small, medium, and large employers, as determined by the Director) with technical assistance, consultation, tools, and other resources in evaluating such employers' employer-based wellness programs, including—

(A) measuring the participation and methods to increase participation of employees in such programs;

(B) developing standardized measures that assess policy, environmental and systems changes necessary to have a positive health impact on employees' health behaviors, health outcomes, and health care expenditures; and

(C) evaluating such programs as they relate to changes in the health status of employees, the absenteeism of employees, the productivity of employees, the rate of workplace injury, and the medical costs incurred by employees; and

(2) build evaluation capacity among workplace staff by training employers on how to evaluate employer-based wellness programs and ensuring evaluation resources, technical assistance, and consultation are available to workplace staff as needed through such mechanisms as web portals, call centers, or other means.

(July 1, 1944, ch. 373, title III, §399MM, as added and amended Pub. L. 111–148, title IV, §4303, title X, §10404, Mar. 23, 2010, 124 Stat. 583, 975.)

"(e) AUTHORIZATION OF APPROPRIATION.—For purposes of carrying out the grant program under this section, there is authorized to be appropriated \$200,000,000 for the period of fiscal years 2011 through 2015. Amounts appropriated pursuant to this subsection shall remain available until expended."

§280I–1. National worksite health policies and programs study

(a) In general

In order to assess, analyze, and monitor over time data about workplace policies and programs, and to develop instruments to assess and evaluate comprehensive workplace chronic disease prevention and health promotion programs, policies and practices, not later than 2 years after March 23, 2010, and at regular intervals (to be determined by the Director) thereafter, the Director shall conduct a national worksite health policies and programs survey to assess employer-based health policies and programs.

(b) Report

Upon the completion of each study under subsection (a), the Director shall submit to Congress a report that includes the recommendations of the Director for the implementation of effective employer-based health policies and programs.

(July 1, 1944, ch. 373, title III, §399MM–1, as added Pub. L. 111–148, title IV, §4303, Mar. 23, 2010, 124 Stat. 583.)

§280I–2. Prioritization of evaluation by Secretary

The Secretary shall evaluate, in accordance with this part, all programs funded through the Centers for Disease Control and Prevention before conducting such an evaluation of privately funded programs unless an entity with a privately funded wellness program requests such an evaluation.

(July 1, 1944, ch. 373, title III, §399MM–2, as added Pub. L. 111–148, title IV, §4303, Mar. 23, 2010, 124 Stat. 583.)

§280I–3. Prohibition of Federal workplace wellness requirements

Notwithstanding any other provision of this part, any recommendations, data, or assessments carried out under this part shall not be used to mandate requirements for workplace wellness programs.

(July 1, 1944, ch. 373, title III, §399MM-3, as added Pub. L. 111-148, title IV, §4303, Mar. 23, 2010, 124 Stat. 583.)

PART V—PROGRAMS RELATING TO BREAST HEALTH AND CANCER

§280m. Young women's breast health awareness and support of young women diagnosed with breast cancer

(a) Public education campaign

(1) In general

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall conduct a national evidence-based education campaign to increase awareness of young women's knowledge regarding—

- (A) breast health in young women of all racial, ethnic, and cultural backgrounds;
- (B) breast awareness and good breast health habits;
- (C) the occurrence of breast cancer and the general and specific risk factors in women who may be at high risk for breast cancer based on familial, racial, ethnic, and cultural backgrounds such as Ashkenazi Jewish populations;
- (D) evidence-based information that would encourage young women and their health care professional to increase early detection of breast cancers; and
- (E) the availability of health information and other resources for young women diagnosed with breast cancer.

(2) Evidence-based, age appropriate messages

The campaign shall provide evidence-based, age-appropriate messages and materials as developed by the Centers for Disease Control and Prevention and the Advisory Committee established under paragraph (4).

(3) Media campaign

In conducting the education campaign under paragraph (1), the Secretary shall award grants to entities to establish national multimedia campaigns oriented to young women that may include advertising through television, radio, print media, billboards, posters, all forms of existing and especially emerging social networking media, other Internet media, and any other medium determined appropriate by the Secretary.

(4) Advisory committee

(A) Establishment

Not later than 60 days after March 23, 2010, the Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall establish an advisory committee to assist in creating and conducting the education campaigns under paragraph (1) and subsection (b)(1).

(B) Membership

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall appoint to the advisory committee under subparagraph (A) such members as deemed necessary to properly advise the Secretary, and shall include organizations and individuals with expertise in breast cancer, disease prevention, early detection, diagnosis, public health, social marketing, genetic screening and counseling, treatment, rehabilitation, palliative care, and survivorship in young women.

(b) Health care professional education campaign

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, and in consultation with the Administrator of the Health Resources and Services Administration, shall conduct an education campaign among physicians and other health care professionals to increase awareness—

(1) of breast health, symptoms, and early diagnosis and treatment of breast cancer in young women, including specific risk factors such as family history of cancer and women that may be at high risk for breast cancer, such as Ashkenazi Jewish population;

(2) on how to provide counseling to young women about their breast health, including knowledge of their family cancer history and importance of providing regular clinical breast examinations;

(3) concerning the importance of discussing healthy behaviors, and increasing awareness of services and programs available to address overall health and wellness, and making patient referrals to address tobacco cessation, good nutrition, and physical activity;

(4) on when to refer patients to a health care provider with genetics expertise;

(5) on how to provide counseling that addresses long-term survivorship and health concerns of young women diagnosed with breast cancer; and

(6) on when to provide referrals to organizations and institutions that provide credible health information and substantive assistance and support to young women diagnosed with breast cancer.

(c) Prevention research activities

The Secretary, acting through—

(1) the Director of the Centers for Disease Control and Prevention, shall conduct prevention research on breast cancer in younger women, including—

(A) behavioral, survivorship studies, and other research on the impact of breast cancer diagnosis on young women;

(B) formative research to assist with the development of educational messages and information for the public, targeted populations, and their families about breast health, breast cancer, and healthy lifestyles;

(C) testing and evaluating existing and new social marketing strategies targeted at young women; and

(D) surveys of health care providers and the public regarding knowledge, attitudes, and practices related to breast health and breast cancer prevention and control in high-risk populations; and

(2) the Director of the National Institutes of Health, shall conduct research to develop and validate new screening tests and methods for prevention and early detection of breast cancer in young women.

(d) Support for young women diagnosed with breast cancer

(1) In general

The Secretary shall award grants to organizations and institutions to provide health information from credible sources and substantive assistance directed to young women diagnosed with breast cancer and pre-neoplastic breast diseases.

(2) Priority

In making grants under paragraph (1), the Secretary shall give priority to applicants that deal specifically with young women diagnosed with breast cancer and pre-neoplastic breast disease.

(e) No duplication of effort

In conducting an education campaign or other program under subsections (a), (b), (c), or (d), the Secretary shall avoid duplicating other existing Federal breast cancer education efforts.

(f) Measurement; reporting

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall—

(1) measure—

(A) young women's awareness regarding breast health, including knowledge of family cancer history, specific risk factors and early warning signs, and young women's proactive efforts at early detection;

(B) the number or percentage of young women utilizing information regarding lifestyle interventions that foster healthy behaviors;

(C) the number or percentage of young women receiving regular clinical breast exams; and

(D) the number or percentage of young women who perform breast self exams, and the frequency of such exams, before the implementation of this section;

(2) not less than every 3 years, measure the impact of such activities; and

(3) submit reports to the Congress on the results of such measurements.

(g) Definition

In this section, the term "young women" means women 15 to 44 years of age.

(h) Authorization of appropriations

To carry out subsections (a), (b), (c)(1), and (d), there are authorized to be appropriated \$9,000,000 for each of fiscal years 2022 through 2026.

(July 1, 1944, ch. 373, title III, §399NN, as added Pub. L. 111–148, title X, §10413(b), Mar. 23, 2010, 124 Stat. 991; amended Pub. L. 113–265, §2, Dec. 18, 2014, 128 Stat. 2942; Pub. L. 116–260, div. BB, title III, §316, Dec. 27, 2020, 134 Stat. 2932.)

- (24) The National Institute on Minority Health and Health Disparities.
- (25) Any other national center that, as an agency separate from any national research institute, was established within the National Institutes of Health as of the day before January 15, 2007.

(c) Division of Program Coordination, Planning, and Strategic Initiatives

(1) In general

Within the Office of the Director of the National Institutes of Health, there shall be a Division of Program Coordination, Planning, and Strategic Initiatives (referred to in this subsection as the "Division").

(2) Offices within Division

(A) Offices

The following offices are within the Division: The Office of AIDS Research, the Office of Research on Women's Health, the Office of Behavioral and Social Sciences Research, the Office of Disease Prevention, the Office of Dietary Supplements, and any other office located within the Office of the Director of NIH as of the day before January 15, 2007. In addition to such offices, the Director of NIH may establish within the Division such additional offices or other administrative units as the Director determines to be appropriate.

(B) Authorities

Each office in the Division—

- (i) shall continue to carry out the authorities that were in effect for the office before January 15, 2007; and
- (ii) shall, as determined appropriate by the Director of NIH, support the Division with respect to the authorities described in section 282(b)(7) of this title.

(d) Organization

(1) Number of institutes and centers

In the National Institutes of Health, the number of national research institutes and national centers may not exceed a total of 27, including any such institutes or centers established under authority of paragraph (2) or under authority of this subchapter as in effect on the day before January 15, 2007.

(2) Reorganization of institutes

(A) In general

The Secretary may establish in the National Institutes of Health one or more additional national research institutes to conduct and support research, training, health information, and other programs with respect to any particular disease or groups of diseases or any other aspect of human health if—

- (i) the Secretary determines that an additional institute is necessary to carry out such activities; and
- (ii) the additional institute is not established before the expiration of 180 days after the Secretary has provided the Committee on Energy and Commerce of the House of Representatives and the Committee on Health, Education, Labor, and Pensions of the Senate written notice of the determination made under clause (i) with respect to the institute.

(B) Additional authority

The Secretary may reorganize the functions of any national research institute and may abolish any national research institute if the Secretary determines that the institute is no longer required. A reorganization or abolition may not take effect under this paragraph before the expiration of 180 days after the Secretary has provided the Committee on Energy and Commerce of the House of Representatives and the Committee on Health, Education, Labor, and Pensions of the Senate written notice of the reorganization or abolition.

(3) Reorganization of Office of Director

Notwithstanding subsection (c), the Director of NIH may, after a series of public hearings, and with the approval of the Secretary, reorganize the offices within the Office of the Director, including the addition, removal, or transfer of functions of such offices, and the establishment or termination of such offices, if the Director determines that the overall management and operation of programs and activities conducted or supported by such offices would be more efficiently carried out under such a reorganization.

(4) Internal reorganization of institutes and centers

Notwithstanding any conflicting provisions of this subchapter, the director of a national research institute or a national center may, after a series of public hearings and with the approval of the Director of NIH, reorganize the divisions, centers, or other administrative units within such

institute or center, including the addition, removal, or transfer of functions of such units, and the establishment or termination of such units, if the director of such institute or center determines that the overall management and operation of programs and activities conducted or supported by such divisions, centers, or other units would be more efficiently carried out under such a reorganization.

(e) Scientific Management Review Board for periodic organizational reviews

(1) In general

Not later than 60 days after January 15, 2007, the Secretary shall establish an advisory council within the National Institutes of Health to be known as the Scientific Management Review Board (referred to in this subsection as the "Board").

(2) Duties

(A) Reports on organizational issues

The Board shall provide advice to the appropriate officials under subsection (d) regarding the use of the authorities established in paragraphs (2), (3), and (4) of such subsection to reorganize the National Institutes of Health (referred to in this subsection as "organizational authorities"). Not less frequently than once each 7 years, the Board shall—

- (i) determine whether and to what extent the organizational authorities should be used; and
- (ii) issue a report providing the recommendations of the Board regarding the use of the authorities and the reasons underlying the recommendations.

(B) Certain responsibilities regarding reports

The activities of the Board with respect to a report under subparagraph (A) shall include the following:

(i) Reviewing the research portfolio of the National Institutes of Health (referred to in this subsection as "NIH") in order to determine the progress and effectiveness and value of the portfolio and the allocation among the portfolio activities of the resources of NIH.

(ii) Determining pending scientific opportunities, and public health needs, with respect to research within the jurisdiction of NIH.

(iii) For any proposal for organizational changes to which the Board gives significant consideration as a possible recommendation in such report—

(I) analyzing the budgetary and operational consequences of the proposed changes;

(II) taking into account historical funding and support for research activities at national research institutes and centers that have been established recently relative to national research institutes and centers that have been in existence for more than two decades;

(III) estimating the level of resources needed to implement the proposed changes;

(IV) assuming the proposed changes will be made and making a recommendation for the allocation of the resources of NIH among the national research institutes and national centers; and

(V) analyzing the consequences for the progress of research in the areas affected by the proposed changes.

(C) Consultation

In carrying out subparagraph (A), the Board shall consult with—

(i) the heads of national research institutes and national centers whose directors are not members of the Board;

(ii) other scientific leaders who are officers or employees of NIH and are not members of the Board;

(iii) advisory councils of the national research institutes and national centers;

(iv) organizations representing the scientific community; and

(v) organizations representing patients.

(3) Composition of Board

The Board shall consist of the Director of NIH, who shall be a permanent nonvoting member on

an ex officio basis, and an odd number of additional members, not to exceed 21, all of whom shall be voting members. The voting members of the Board shall be the following:

(A) Not fewer than 9 officials who are directors of national research institutes or national centers. The Secretary shall designate such officials for membership and shall ensure that the group of officials so designated includes directors of—

(i) national research institutes whose budgets are substantial relative to a majority of the other institutes;

(ii) national research institutes whose budgets are small relative to a majority of the other institutes;

(iii) national research institutes that have been in existence for a substantial period of time without significant organizational change under subsection (d);

(iv) as applicable, national research institutes that have undergone significant organization changes under such subsection, or that have been established under such subsection, other than national research institutes for which such changes have been in place for a substantial period of time; and

(v) national centers.

(B) Members appointed by the Secretary from among individuals who are not officers or employees of the United States. Such members shall include—

(i) individuals representing the interests of public or private institutions of higher education that have historically received funds from NIH to conduct research; and

(ii) individuals representing the interests of private entities that have received funds from NIH to conduct research or that have broad expertise regarding how the National Institutes of Health functions, exclusive of private entities to which clause (i) applies.

(4) Chair

The Chair of the Board shall be selected by the Secretary from among the members of the Board appointed under paragraph (3)(B). The term of office of the Chair shall be 2 years.

(5) Meetings

(A) In general

The Board shall meet at the call of the Chair or upon the request of the Director of NIH, but not fewer than 5 times with respect to issuing any particular report under paragraph (2)(A). The location of the meetings of the Board is subject to the approval of the Director of NIH.

(B) Particular forums

Of the meetings held under subparagraph (A) with respect to a report under paragraph (2)(A)—

(i) one or more shall be directed toward the scientific community to address scientific needs and opportunities related to proposals for organizational changes under subsection (d), or as the case may be, related to a proposal that no such changes be made; and

(ii) one or more shall be directed toward consumer organizations to address the needs and opportunities of patients and their families with respect to proposals referred to in clause (i).

(C) Availability of information from forums

For each meeting under subparagraph (B), the Director of NIH shall post on the Internet site of the National Institutes of Health a summary of the proceedings.

(6) Compensation; term of office

The provisions of subsections (b)(4) and (c) of section 284a of this title apply with respect to the Board to the same extent and in the same manner as such provisions apply with respect to an advisory council referred to in such subsections, except that the reference in such subsection (c) to 4 years regarding the term of an appointed member is deemed to be a reference to 5 years.

(7) Reports

(A) Recommendations for changes

Each report under paragraph (2)(A) shall be submitted to—

- (i) the Committee on Energy and Commerce and the Committee on Appropriations of the House of Representatives;
- (ii) the Committee on Health, Education, Labor, and Pensions and the Committee on Appropriations of the Senate;
- (iii) the Secretary; and
- (iv) officials with organizational authorities, other than any such official who served as a member of the Board with respect to the report involved.

(B) Availability to public

The Director of NIH shall post each report under paragraph (2) on the Internet site of the National Institutes of Health.

(C) Report on Board activities

Not later than 18 months after January 15, 2007, the Board shall submit to the committees specified in subparagraph (A) a report describing the activities of the Board.

(f) Organizational changes per recommendation of Scientific Management Review Board

(1) In general

With respect to an official who has organizational authorities within the meaning of subsection (e)(2)(A), if a recommendation to the official for an organizational change is made in a report under such subsection, the official shall, except as provided in paragraphs (2), (3), and (4) of this subsection, make the change in accordance with the following:

(A) Not later than 100 days after the report is submitted under subsection (e)(7)(A), the official shall initiate the applicable public process required in subsection (d) toward making the change.

(B) The change shall be fully implemented not later than the expiration of the 3-year period beginning on the date on which such process is initiated.

(2) Inapplicability to certain reorganizations

Paragraph (1) does not apply to a recommendation made in a report under subsection (e)(2)(A) if the recommendation is for—

- (A) an organizational change under subsection (d)(2) that constitutes the establishment, termination, or consolidation of one or more national research institutes or national centers; or
- (B) an organizational change under subsection (d)(3).

(3) Objection by Director of NIH

(A) In general

Paragraph (1) does not apply to a recommendation for an organizational change made in a report under subsection (e)(2)(A) if, not later than 90 days after the report is submitted under subsection (e)(7)(A), the Director of NIH submits to the committees specified in such subsection a report providing that the Director objects to the change, which report includes the reasons underlying the objection.

(B) Scope of objection

For purposes of subparagraph (A), an objection by the Director of NIH may be made to the entirety of a recommended organizational change or to 1 or more aspects of the change. Any aspect of a change not objected to by the Director in a report under subparagraph (A) shall be implemented in accordance with paragraph (1).

(4) Congressional review

An organizational change under subsection (d)(2) that is initiated pursuant to paragraph (1) shall be carried out by regulation in accordance with the procedures for substantive rules under section 553 of title 5. A rule under the preceding sentence shall be considered a major rule for purposes of

chapter 8 of such title (relating to congressional review of agency rulemaking).

(g) Definitions

For purposes of this subchapter:

(1) The term "Director of NIH" means the Director of the National Institutes of Health.

(2) The terms "national research institute" and "national center" mean an agency of the National Institutes of Health that is—

(A) listed in subsection (b) and not terminated under subsection (d)(2)(A); or

(B) established by the Director of NIH under such subsection.

(h) References to NIH

For purposes of this subchapter, a reference to the National Institutes of Health includes its agencies.

§282. Director of National Institutes of Health

(a) Appointment

The National Institutes of Health shall be headed by the Director of NIH who shall be appointed by the President by and with the advice and consent of the Senate. The Director of NIH shall perform functions as provided under subsection (b) and as the Secretary may otherwise prescribe.

(b) Duties and authority

In carrying out the purposes of section 241 of this title, the Secretary, acting through the Director of NIH—

(1) shall carry out this subchapter, including being responsible for the overall direction of the National Institutes of Health and for the establishment and implementation of general policies respecting the management and operation of programs and activities within the National Institutes of Health;

(2) shall coordinate and oversee the operation of the national research institutes, national centers, and administrative entities within the National Institutes of Health;

(3) shall, in consultation with the heads of the national research institutes and national centers, be responsible for program coordination across the national research institutes and national centers, including conducting priority-setting reviews, to ensure that the research portfolio of the National Institutes of Health is balanced and free of unnecessary duplication, and takes advantage of collaborative, cross-cutting research;

(4) shall assemble accurate data to be used to assess research priorities, including—

(A) information to better evaluate scientific opportunity, public health burdens, and progress in reducing health disparities; and

(B) data on study populations of clinical research, funded by or conducted at each national research institute and national center, which—

(i) specifies the inclusion of—

(I) women;

(II) members of minority groups;

(III) relevant age categories, including pediatric subgroups; and

(IV) other demographic variables as the Director of the National Institutes of Health determines appropriate;

(ii) is disaggregated by research area, condition, and disease categories; and

(iii) is to be made publicly available on the Internet website of the National Institutes of Health;

(5) shall ensure that scientifically based strategic planning is implemented in support of research priorities as determined by the agencies of the National Institutes of Health, and through the development, implementation, and updating of the strategic plan developed under subsection (m);

(6) shall ensure that the resources of the National Institutes of Health are sufficiently allocated for research projects identified in strategic plans;

(7)(A) shall, through the Division of Program Coordination, Planning, and Strategic Initiatives—

(i) identify research that represents important areas of emerging scientific opportunities, rising public health challenges, or knowledge gaps that deserve special emphasis and would benefit from conducting or supporting additional research that involves collaboration between 2 or more national research institutes or national centers, or would otherwise benefit from strategic coordination and planning;

(ii) include information on such research in reports under section 283 of this title; and

(iii) in the case of such research supported with funds referred to in subparagraph (B)—

(I) require as appropriate that proposals include milestones and goals for the research;

(II) require that the proposals include timeframes for funding of the research; and

(III) ensure appropriate consideration of proposals for which the principal investigator is an individual who has not previously served as the principal investigator of research conducted or supported by the National Institutes of Health;

(B)(i) may, with respect to funds reserved under section 282a(c)(1) of this title for the Common Fund, allocate such funds to the national research institutes and national centers for conducting and supporting research that is identified under subparagraph (A); and

(ii) shall, with respect to funds appropriated to the Common Fund pursuant to section 282a(a)(2) of this title, allocate such funds to the national research institutes and national centers for making grants for pediatric research that is identified under subparagraph (A); and

(C) may assign additional functions to the Division in support of responsibilities identified in subparagraph (A), as determined appropriate by the Director;

(8) shall, in coordination with the heads of the national research institutes and national centers, ensure that such institutes and centers—

(A) preserve an emphasis on investigator-initiated research project grants, including with respect to research involving collaboration between 2 or more such institutes or centers;

(B) when appropriate, maximize investigator-initiated research project grants in their annual research portfolios;

(C) foster collaboration between clinical research projects funded by the respective national research institutes and national centers that—

(i) conduct research involving human subjects; and

(ii) collect similar data; and

(D) encourage the collaboration described in subparagraph (C) to—

(i) allow for an increase in the number of subjects studied; and

(ii) utilize diverse study populations, with special consideration to biological, social, and other determinants of health that contribute to health disparities;

(9) shall ensure that research conducted or supported by the National Institutes of Health is subject to review in accordance with section 289a of this title and that, after such review, the research is reviewed in accordance with section 289a-1(a)(2) of this title by the appropriate advisory council under section 284a of this title before the research proposals are approved for funding;

(10) shall have authority to review and approve the establishment of all centers of excellence recommended by the national research institutes;

(11)(A) shall oversee research training for all of the national research institutes and National

Research Service Awards in accordance with section 288 of this title; and

(B) may conduct and support research training—

- (i) for which fellowship support is not provided under section 288 of this title; and
- (ii) that does not consist of residency training of physicians or other health professionals;

(12) may, from funds appropriated under section 282a(b) of this title, reserve funds to provide for research on matters that have not received significant funding relative to other matters, to respond to new issues and scientific emergencies, and to act on research opportunities of high priority;

(13) may, subject to appropriations Acts, collect and retain registration fees obtained from third parties to defray expenses for scientific, educational, and research-related conferences;

(14) for the national research institutes and administrative entities within the National Institutes of Health—

(A) may acquire, construct, improve, repair, operate, and maintain, at the site of such institutes and entities, laboratories, and other research facilities, other facilities, equipment, and other real or personal property, and

(B) may acquire, without regard to section 8141 of title 40, by lease or otherwise through the Administrator of General Services, buildings or parts of buildings in the District of Columbia or communities located adjacent to the District of Columbia for use for a period not to exceed ten years;

(15) may secure resources for research conducted by or through the National Institutes of Health;

(16) may, without regard to the provisions of title 5 governing appointments in the competitive service, and without regard to the provisions of chapter 51 and subchapter III of chapter 53 of such title relating to classification and General Schedule pay rates, establish such technical and scientific peer review groups and scientific program advisory committees as are needed to carry out the requirements of this subchapter and appoint and pay the members of such groups, except that officers and employees of the United States shall not receive additional compensation for service as members of such groups;

(17) may secure for the National Institutes of Health consultation services and advice of persons from the United States or abroad;

(18) may use, with their consent, the services, equipment, personnel, information, and facilities of other Federal, State, or local public agencies, with or without reimbursement therefor;

(19) may, for purposes of study, admit and treat at facilities of the National Institutes of Health individuals not otherwise eligible for such treatment;

(20) may accept voluntary and uncompensated services;

(21) may perform such other administrative functions as the Secretary determines are needed to effectively carry out this subchapter;

(22) may appoint physicians, dentists, and other health care professionals, subject to the provisions of title 5 relating to appointments and classifications in the competitive service, and may compensate such professionals subject to the provisions of chapter 74 of title 38;

(23) shall designate a contact point or office to help innovators and physicians identify sources of funding available for pediatric medical device development;

(24) implement the Cures Acceleration Network described in section 287a of this title;

(25) may require recipients of National Institutes of Health awards to share scientific data, to the extent feasible, generated from such National Institutes of Health awards in a manner that is consistent with all applicable Federal laws and regulations, including such laws and regulations for the protection of—

(A) human research participants, including with respect to privacy, security, informed consent, and protected health information; and

(B) proprietary interests, confidential commercial information, and the intellectual property rights of the funding recipient;

(26) shall consult with the Assistant Secretary for Preparedness and Response, the Director of the Biomedical Advanced Research and Development Authority, the Director of the Centers for Disease Control and Prevention, and the heads of other Federal agencies and offices, as appropriate, regarding research needs to advance medical countermeasures to diagnose, mitigate, prevent, or treat harm from any biological agent or toxin, including emerging infectious diseases, chemical, radiological, or nuclear agent that may cause a public health emergency or other research needs related to emerging public health threats;

(27) shall consult with the Director of the Office of National Security within the Department of Health and Human Services, the Assistant Secretary for Preparedness and Response, the Director of National Intelligence, the Director of the Federal Bureau of Investigation, and the heads of other appropriate agencies on a regular basis, regarding biomedical research conducted or supported by the National Institutes of Health that may affect or be affected by matters of national security;

(28) shall ensure that recipients of awards from the National Institutes of Health, and, as appropriate and practicable, entities collaborating with such recipients, have in place and are adhering to appropriate technology practices and policies for the security of identifiable, sensitive information, including information collected, stored, managed, or analyzed by domestic and non-domestic entities; and

(29) shall ensure that recipients of awards from the National Institutes of Health are in compliance with the terms and conditions of such award, which may include activities to support awareness of, and compliance with, such terms and conditions by any subrecipients of the award.

Chapter 10 of title 5 shall not apply to the duration of a peer review group appointed under paragraph (16). The members of such a group shall be individuals who by virtue of their training or experience are eminently qualified to perform the review functions of such group. Not more than one-fourth of the members of any such group shall be officers or employees of the United States.

(c) Availability of substances and organisms for research

The Director of NIH may make available to individuals and entities, for biomedical and behavioral research, substances and living organisms. Such substances and organisms shall be made available under such terms and conditions (including payment for them) as the Secretary determines appropriate.

(d) Services of experts or consultants; number; payment of expenses, conditions, recovery

(1) The Director of NIH may obtain (in accordance with section 3109 of title 5, but without regard to the limitation in such section on the period of service) the services of not more than 220 experts or consultants, with scientific or other professional qualifications, for the National Institutes of Health.

(2)(A) Except as provided in subparagraph (B), experts and consultants whose services are obtained under paragraph (1) shall be paid or reimbursed, in accordance with title 5, for their travel to and from their place of service and for other expenses associated with their assignment.

(B) Expenses specified in subparagraph (A) shall not be allowed in connection with the assignment of an expert or consultant whose services are obtained under paragraph (1) unless the expert or consultant has agreed in writing to complete the entire period of the assignment or one year of the assignment, whichever is shorter, unless separated or reassigned for reasons which are beyond the control of the expert or consultant and which are acceptable to the Secretary. If the expert or consultant violates the agreement, the money spent by the United States for such expenses is recoverable from the expert or consultant as a debt due the United States. The Secretary may waive in whole or in part a right of recovery under this subparagraph.

(e) Dissemination of research information

The Director of NIH shall—

- (1) advise the agencies of the National Institutes of Health on medical applications of research;
- (2) coordinate, review, and facilitate the systematic identification and evaluation of, clinically

relevant information from research conducted by or through the national research institutes;

(3) promote the effective transfer of the information described in paragraph (2) to the health care community and to entities that require such information;

(4) monitor the effectiveness of the activities described in paragraph (3); and

(5) ensure that, after January 1, 1994, all new or revised health education and promotion materials developed or funded by the National Institutes of Health and intended for the general public are in a form that does not exceed a level of functional literacy, as defined in the National Literacy Act of 1991 (Public Law 102-73).

(f) Associate Director for Prevention; functions

There shall be in the National Institutes of Health an Associate Director for Prevention. The Director of NIH shall delegate to the Associate Director for Prevention the functions of the Director relating to the promotion of the disease prevention research programs of the national research institutes and the coordination of such programs among the national research institutes and between the national research institutes and other public and private entities, including elementary, secondary, and post-secondary schools. The Associate Director shall—

(1) annually review the efficacy of existing policies and techniques used by the national research institutes to disseminate the results of disease prevention and behavioral research programs; and

(2) recommend, coordinate, and oversee the modification or reconstruction of such policies and techniques to ensure maximum dissemination, using advanced technologies to the maximum extent practicable, of research results to such entities.

(g) Transferred

(h) Increased participation of women and disadvantaged individuals in biomedical and behavioral research

The Secretary, acting through the Director of NIH and the Directors of the agencies of the National Institutes of Health, shall, in conducting and supporting programs for research, research training, recruitment, and other activities, provide for an increase in the number of women and individuals from disadvantaged backgrounds (including racial and ethnic minorities) in the fields of biomedical and behavioral research.

(i) Data bank of information on clinical trials for drugs for serious or life-threatening diseases and conditions

(1)(A) The Secretary, acting through the Director of NIH, shall establish, maintain, and operate a data bank of information on clinical trials for drugs for serious or life-threatening diseases and conditions (in this subsection referred to as the "data bank"). The activities of the data bank shall be integrated and coordinated with related activities of other agencies of the Department of Health and Human Services, and to the extent practicable, coordinated with other data banks containing similar information.

(B) The Secretary shall establish the data bank after consultation with the Commissioner of Food and Drugs, the directors of the appropriate agencies of the National Institutes of Health (including the National Library of Medicine), and the Director of the Centers for Disease Control and Prevention.

(2) In carrying out paragraph (1), the Secretary shall collect, catalog, store, and disseminate the information described in such paragraph. The Secretary shall disseminate such information through information systems, which shall include toll-free telephone communications, available to individuals with serious or life-threatening diseases and conditions, to other members of the public, to health care providers, and to researchers.

(3) The data bank shall include the following:

(A) A registry of clinical trials (whether federally or privately funded) of experimental treatments for serious or life-threatening diseases and conditions under regulations promulgated pursuant to section 355(i) of title 21, which provides a description of the purpose of each experimental drug, either with the consent of the protocol sponsor, or when a trial to test

effectiveness begins. Information provided shall consist of eligibility criteria for participation in the clinical trials, a description of the location of trial sites, a point of contact for those wanting to enroll in the trial, and a description of whether, and through what procedure, the manufacturer or sponsor of the investigation of a new drug will respond to requests for protocol exception, with appropriate safeguards, for single-patient and expanded protocol use of the new drug, particularly in children, and shall be in a form that can be readily understood by members of the public. Such information shall be forwarded to the data bank by the sponsor of the trial not later than 21 days after the approval of the protocol.

(B) Information pertaining to experimental treatments for serious or life-threatening diseases and conditions that may be available—

(i) under a treatment investigational new drug application that has been submitted to the Secretary under section 360bbb(c) of title 21; or

(ii) as a Group C cancer drug (as defined by the National Cancer Institute).

The data bank may also include information pertaining to the results of clinical trials of such treatments, with the consent of the sponsor, including information concerning potential toxicities or adverse effects associated with the use or administration of such experimental treatments.

(4) The data bank shall not include information relating to an investigation if the sponsor has provided a detailed certification to the Secretary that disclosure of such information would substantially interfere with the timely enrollment of subjects in the investigation, unless the Secretary, after the receipt of the certification, provides the sponsor with a detailed written determination that such disclosure would not substantially interfere with such enrollment.

(5) Fees collected under section 379h of title 21 shall not be used in carrying out this subsection.

(j) Expanded clinical trial registry data bank

(1) Definitions; requirement

(A) Definitions

In this subsection:

(i) Applicable clinical trial

The term "applicable clinical trial" means an applicable device clinical trial or an applicable drug clinical trial.

(ii) Applicable device clinical trial

The term "applicable device clinical trial" means—

(I) a prospective clinical study of health outcomes comparing an intervention with a device subject to section 360(k), 360e, or 360j(m) of title 21 against a control in human subjects (other than a small clinical trial to determine the feasibility of a device, or a clinical trial to test prototype devices where the primary outcome measure relates to feasibility and not to health outcomes); and

(II) a pediatric postmarket surveillance as required under section 360l of title 21.

(iii) Applicable drug clinical trial

(I) In general

The term "applicable drug clinical trial" means a controlled clinical investigation, other than a phase I clinical investigation, of a drug subject to section 355 of title 21 or to section 262 of this title.

(II) Clinical investigation

For purposes of subclause (I), the term "clinical investigation" has the meaning given that term in section 312.3 of title 21, Code of Federal Regulations (or any successor regulation).

(III) Phase I

For purposes of subclause (I), the term "phase I" has the meaning given that term in section 312.21 of title 21, Code of Federal Regulations (or any successor regulation).

(iv) Clinical trial information

The term "clinical trial information" means, with respect to an applicable clinical trial, those data elements that the responsible party is required to submit under paragraph (2) or under paragraph (3).

(v) Completion date

The term "completion date" means, with respect to an applicable clinical trial, the date that the final subject was examined or received an intervention for the purposes of final collection of data for the primary outcome, whether the clinical trial concluded according to the prespecified protocol or was terminated.

(vi) Device

The term "device" means a device as defined in section 321(h) of title 21.

(vii) Drug

The term "drug" means a drug as defined in section 321(g) of title 21 or a biological product as defined in section 262 of this title.

(viii) Ongoing

The term "ongoing" means, with respect to a clinical trial of a drug or a device and to a date, that—

- (I) 1 or more patients is enrolled in the clinical trial; and
- (II) the date is before the completion date of the clinical trial.

(ix) Responsible party

The term "responsible party", with respect to a clinical trial of a drug or device, means—

- (I) the sponsor of the clinical trial (as defined in section 50.3 of title 21, Code of Federal Regulations (or any successor regulation)); or
- (II) the principal investigator of such clinical trial if so designated by a sponsor, grantee, contractor, or awardee, so long as the principal investigator is responsible for conducting the trial, has access to and control over the data from the clinical trial, has the right to publish the results of the trial, and has the ability to meet all of the requirements under this subsection for the submission of clinical trial information.

(B) Requirement

The Secretary shall develop a mechanism by which the responsible party for each applicable clinical trial shall submit the identity and contact information of such responsible party to the Secretary at the time of submission of clinical trial information under paragraph (2).

(2) Expansion of clinical trial registry data bank with respect to clinical trial information

(A) In general

(i) Expansion of data bank

To enhance patient enrollment and provide a mechanism to track subsequent progress of clinical trials, the Secretary, acting through the Director of NIH, shall expand, in accordance with this subsection, the clinical trials registry of the data bank described under subsection (i)(1) (referred to in this subsection as the "registry data bank"). The Director of NIH shall ensure that the registry data bank is made publicly available through the Internet.

(ii) Content

The clinical trial information required to be submitted under this paragraph for an applicable clinical trial shall include—

- (I) descriptive information, including—
 - (aa) a brief title, intended for the lay public;

- (bb) a brief summary, intended for the lay public;
- (cc) the primary purpose;
- (dd) the study design;
- (ee) for an applicable drug clinical trial, the study phase;
- (ff) study type;
- (gg) the primary disease or condition being studied, or the focus of the study;
- (hh) the intervention name and intervention type;
- (ii) the study start date;
- (jj) the expected completion date;
- (kk) the target number of subjects; and
- (ll) outcomes, including primary and secondary outcome measures;

(II) recruitment information, including—

- (aa) eligibility criteria;
- (bb) gender;
- (cc) age limits;
- (dd) whether the trial accepts healthy volunteers;
- (ee) overall recruitment status;
- (ff) individual site status; and
- (gg) in the case of an applicable drug clinical trial, if the drug is not approved under section 355 of title 21 or licensed under section 262 of this title, specify whether or not there is expanded access to the drug under section 360bbb of title 21 for those who do not qualify for enrollment in the clinical trial and how to obtain information about such access;

(III) location and contact information, including—

- (aa) the name of the sponsor;
- (bb) the responsible party, by official title; and
- (cc) the facility name and facility contact information (including the city, State, and zip code for each clinical trial location, or a toll-free number through which such location information may be accessed); and

(IV) administrative data (which the Secretary may make publicly available as necessary), including—

- (aa) the unique protocol identification number;
- (bb) other protocol identification numbers, if any; and
- (cc) the Food and Drug Administration IND/IDE protocol number and the record verification date.

(iii) Modifications

The Secretary may by regulation modify the requirements for clinical trial information under this paragraph, if the Secretary provides a rationale for why such a modification improves and does not reduce such clinical trial information.

(B) Format and structure

(i) Searchable categories

The Director of NIH shall ensure that the public may, in addition to keyword searching, search the entries in the registry data bank by 1 or more of the following criteria:

- (I) The disease or condition being studied in the clinical trial, using Medical Subject Headers (MeSH) descriptors.
- (II) The name of the intervention, including any drug or device being studied in the clinical trial.
- (III) The location of the clinical trial.
- (IV) The age group studied in the clinical trial, including pediatric subpopulations.

(V) The study phase of the clinical trial.

(VI) The sponsor of the clinical trial, which may be the National Institutes of Health or another Federal agency, a private industry source, or a university or other organization.

(VII) The recruitment status of the clinical trial.

(VIII) The National Clinical Trial number or other study identification for the clinical trial.

(ii) Additional searchable category

Not later than 18 months after September 27, 2007, the Director of NIH shall ensure that the public may search the entries of the registry data bank by the safety issue, if any, being studied in the clinical trial as a primary or secondary outcome.

(iii) Other elements

The Director of NIH shall also ensure that the public may search the entries of the registry data bank by such other elements as the Director deems necessary on an ongoing basis.

(iv) Format

The Director of the NIH shall ensure that the registry data bank is easily used by the public, and that entries are easily compared.

(C) Data submission

The responsible party for an applicable clinical trial, including an applicable drug clinical trial for a serious or life-threatening disease or condition, that is initiated after, or is ongoing on the date that is 90 days after, September 27, 2007, shall submit to the Director of NIH for inclusion in the registry data bank the clinical trial information described in of ¹ subparagraph (A)(ii) not later than the later of—

(i) 90 days after September 27, 2007;

(ii) 21 days after the first patient is enrolled in such clinical trial; or

(iii) in the case of a clinical trial that is not for a serious or life-threatening disease or condition and that is ongoing on September 27, 2007, 1 year after September 27, 2007.

(D) Posting of data

(i) Applicable drug clinical trial

The Director of NIH shall ensure that clinical trial information for an applicable drug clinical trial submitted in accordance with this paragraph is posted in the registry data bank not later than 30 days after such submission.

(ii) Applicable device clinical trial

The Director of NIH shall ensure that clinical trial information for an applicable device clinical trial submitted in accordance with this paragraph is posted publicly in the registry data bank—

(I) not earlier than the date of clearance under section 360(k) of title 21, or approval under section 360e or 360j(m) of title 21, as applicable, for a device that was not previously cleared or approved, and not later than 30 days after such date, unless the responsible party affirmatively requests that the Director of the National Institutes of Health publicly post such clinical trial information for an applicable device clinical trial prior to such date of clearance or approval; or

(II) for a device that was previously cleared or approved, not later than 30 days after the clinical trial information under paragraph (3)(C) is required to be posted by the Secretary.

(iii) Option to make certain clinical trial information available earlier

The Director of the National Institutes of Health shall inform responsible parties of the option to request that clinical trial information for an applicable device clinical trial be publicly posted prior to the date of clearance or approval, in accordance with clause (ii)(I).

(iv) Combination products

An applicable clinical trial for a product that is a combination of drug, device, or biological product shall be considered—

(I) an applicable drug clinical trial, if the Secretary determines under section 353(g) of title 21 that the primary mode of action of such product is that of a drug or biological product; or

(II) an applicable device clinical trial, if the Secretary determines under such section that the primary mode of action of such product is that of a device.

(3) Expansion of registry data bank to include results of clinical trials

(A) Linking registry data bank to existing results

(i) In general

Beginning not later than 90 days after September 27, 2007, for those clinical trials that form the primary basis of an efficacy claim or are conducted after the drug involved is approved or after the device involved is cleared or approved, the Secretary shall ensure that the registry data bank includes links to results information as described in clause (ii) for such clinical trial—

(I) not earlier than 30 days after the date of the approval of the drug involved or clearance or approval of the device involved; or

(II) not later than 30 days after the results information described in clause (ii) becomes publicly available.

(ii) Required information

(I) FDA information

The Secretary shall ensure that the registry data bank includes links to the following information:

(aa) If an advisory committee considered at a meeting an applicable clinical trial, any posted Food and Drug Administration summary document regarding such applicable clinical trial.

(bb) If an applicable drug clinical trial was conducted under section 355a or 355c of title 21, a link to the posted Food and Drug Administration assessment of the results of such trial.

(cc) Food and Drug Administration public health advisories regarding the drug or device that is the subject of the applicable clinical trial, if any.

(dd) For an applicable drug clinical trial, the Food and Drug Administration action package for approval document required under section 355(l)(2) of title 21.

(ee) For an applicable device clinical trial, in the case of a premarket application under section 360e of title 21, the detailed summary of information respecting the safety and effectiveness of the device required under section 360j(h)(1) of title 21, or, in the case of a report under section 360(k) of title 21, the section 360(k) summary of the safety and effectiveness data required under section 807.95(d) of title 21, Code of Federal Regulations (or any successor regulation).

(II) NIH information

The Secretary shall ensure that the registry data bank includes links to the following information:

(aa) Medline citations to any publications focused on the results of an applicable clinical trial.

(bb) The entry for the drug that is the subject of an applicable drug clinical trial in the National Library of Medicine database of structured product labels, if available.

(iii) Results for existing data bank entries

The Secretary may include the links described in clause (ii) for data bank entries for clinical trials submitted to the data bank prior to September 27, 2007, as available.

(B) Inclusion of results

The Secretary, acting through the Director of NIH, shall—

- (i) expand the registry data bank to include the results of applicable clinical trials (referred to in this subsection as the "registry and results data bank");
- (ii) ensure that such results are made publicly available through the Internet;
- (iii) post publicly a glossary for the lay public explaining technical terms related to the results of clinical trials; and
- (iv) in consultation with experts on risk communication, provide information with the information included under subparagraph (C) in the registry and results data bank to help ensure that such information does not mislead the patients or the public.

(C) Basic results

Not later than 1 year after September 27, 2007, the Secretary shall include in the registry and results data bank for each applicable clinical trial for a drug that is approved under section 355 of title 21 or licensed under section 262 of this title or a device that is cleared under section 360(k) of title 21 or approved under section 360e or 360j(m) of title 21, the following elements:

(i) Demographic and baseline characteristics of patient sample

A table of the demographic and baseline data collected overall and for each arm of the clinical trial to describe the patients who participated in the clinical trial, including the number of patients who dropped out of the clinical trial and the number of patients excluded from the analysis, if any.

(ii) Primary and secondary outcomes

The primary and secondary outcome measures as submitted under paragraph (2)(A)(ii)(I)(II), and a table of values for each of the primary and secondary outcome measures for each arm of the clinical trial, including the results of scientifically appropriate tests of the statistical significance of such outcome measures.

(iii) Point of contact

A point of contact for scientific information about the clinical trial results.

(iv) Certain agreements

Whether there exists an agreement (other than an agreement solely to comply with applicable provisions of law protecting the privacy of participants) between the sponsor or its agent and the principal investigator (unless the sponsor is an employer of the principal investigator) that restricts in any manner the ability of the principal investigator, after the completion date of the trial, to discuss the results of the trial at a scientific meeting or any other public or private forum, or to publish in a scientific or academic journal information concerning the results of the trial.

(D) Expanded registry and results data bank

(i) Expansion by rulemaking

To provide more complete results information and to enhance patient access to and understanding of the results of clinical trials, not later than 3 years after September 27, 2007, the Secretary shall by regulation expand the registry and results data bank as provided under this subparagraph.

(ii) Clinical trials

(I) Approved products

The regulations under this subparagraph shall require the inclusion of the results information described in clause (iii) for—

- (aa) each applicable drug clinical trial for a drug that is approved under section 355 of title 21 or licensed under section 262 of this title; and
- (bb) each applicable device clinical trial for a device that is cleared under section

360(k) of title 21 or approved under section 360e or 360j(m) of title 21.

(II) Unapproved products

The regulations under this subparagraph shall establish whether or not the results information described in clause (iii) shall be required for—

(aa) an applicable drug clinical trial for a drug that is not approved under section 355 of title 21 and not licensed under section 262 of this title (whether approval or licensure was sought or not); and

(bb) an applicable device clinical trial for a device that is not cleared under section 360(k) of title 21 and not approved under section 360e or section 360j(m) of title 21 (whether clearance or approval was sought or not).

(iii) Required elements

The regulations under this subparagraph shall require, in addition to the elements described in subparagraph (C), information within each of the following categories:

(I) A summary of the clinical trial and its results that is written in non-technical, understandable language for patients, if the Secretary determines that such types of summary can be included without being misleading or promotional.

(II) A summary of the clinical trial and its results that is technical in nature, if the Secretary determines that such types of summary can be included without being misleading or promotional.

(III) The full protocol or such information on the protocol for the trial as may be necessary to help to evaluate the results of the trial.

(IV) Such other categories as the Secretary determines appropriate.

(iv) Results submission

The results information described in clause (iii) shall be submitted to the Director of NIH for inclusion in the registry and results data bank as provided by subparagraph (E), except that the Secretary shall by regulation determine—

(I) whether the 1-year period for submission of clinical trial information described in subparagraph (E)(i) should be increased from 1 year to a period not to exceed 18 months;

(II) whether the clinical trial information described in clause (iii) should be required to be submitted for an applicable clinical trial for which the clinical trial information described in subparagraph (C) is submitted to the registry and results data bank before the effective date of the regulations issued under this subparagraph; and

(III) in the case when the clinical trial information described in clause (iii) is required to be submitted for the applicable clinical trials described in clause (ii)(II), the date by which such clinical trial information shall be required to be submitted, taking into account—

(aa) the certification process under subparagraph (E)(iii) when approval, licensure, or clearance is sought; and

(bb) whether there should be a delay of submission when approval, licensure, or clearance will not be sought.

(v) Additional provisions

The regulations under this subparagraph shall also establish—

(I) a standard format for the submission of clinical trial information under this paragraph to the registry and results data bank;

(II) additional information on clinical trials and results that is written in nontechnical, understandable language for patients;

(III) considering the experience under the pilot quality control project described in paragraph (5)(C), procedures for quality control, including using representative samples, with respect to completeness and content of clinical trial information under this subsection, to help ensure that data elements are not false or misleading and are non-promotional;

(IV) the appropriate timing and requirements for updates of clinical trial information, and whether and, if so, how such updates should be tracked;

(V) a statement to accompany the entry for an applicable clinical trial when the primary and secondary outcome measures for such clinical trial are submitted under paragraph (4)(A) after the date specified for the submission of such information in paragraph (2)(C); and

(VI) additions or modifications to the manner of reporting of the data elements established under subparagraph (C).

(vi) Consideration of World Health Organization data set

The Secretary shall consider the status of the consensus data elements set for reporting clinical trial results of the World Health Organization when issuing the regulations under this subparagraph.

(vii) Public meeting

The Secretary shall hold a public meeting no later than 18 months after September 27, 2007, to provide an opportunity for input from interested parties with regard to the regulations to be issued under this subparagraph.

(E) Submission of results information

(i) In general

Except as provided in clauses (iii), (iv), (v), and (vi) the responsible party for an applicable clinical trial that is described in clause (ii) shall submit to the Director of NIH for inclusion in the registry and results data bank the clinical trial information described in subparagraph (C) not later than 1 year, or such other period as may be provided by regulation under subparagraph (D), after the earlier of—

- (I) the estimated completion date of the trial as described in paragraph (2)(A)(ii)(I)(jj); ²
- or
- (II) the actual date of completion.

(ii) Clinical trials described

An applicable clinical trial described in this clause is an applicable clinical trial subject to—

- (I) paragraph (2)(C); and
- (II)(aa) subparagraph (C); or
- (bb) the regulations issued under subparagraph (D).

(iii) Delayed submission of results with certification

If the responsible party for an applicable clinical trial submits a certification that clause (iv) or (v) applies to such clinical trial, the responsible party shall submit to the Director of NIH for inclusion in the registry and results data bank the clinical trial information described in subparagraphs (C) and (D) as required under the applicable clause.

(iv) Seeking initial approval of a drug or device

With respect to an applicable clinical trial that is completed before the drug is initially approved under section 355 of title 21 or initially licensed under section 262 of this title, or the device is initially cleared under section 360(k) or initially approved under section 360e or 360j(m) of title 21, the responsible party shall submit to the Director of NIH for inclusion in the registry and results data bank the clinical trial information described in subparagraphs (C) and (D) not later than 30 days after the drug or device is approved under such section 355, licensed under such section 262, cleared under such section 360(k), or approved under such section 360e or 360j(m), as applicable.

(v) Seeking approval of a new use for the drug or device

(I) In general

With respect to an applicable clinical trial where the manufacturer of the drug or device is the sponsor of an applicable clinical trial, and such manufacturer has filed, or will file

within 1 year, an application seeking approval under section 355 of title 21, licensing under section 262 of this title, or clearance under section 360(k), or approval under section 360e or 360j(m) of title 21 for the use studied in such clinical trial (which use is not included in the labeling of the approved drug or device), then the responsible party shall submit to the Director of NIH for inclusion in the registry and results data bank the clinical trial information described in subparagraphs (C) and (D) on the earlier of the date that is 30 days after the date—

(aa) the new use of the drug or device is approved under such section 355, licensed under such section 262, cleared under such section 360(k), or approved under such section 360e or 360j(m);

(bb) the Secretary issues a letter, such as a complete response letter, not approving the submission or not clearing the submission, a not approvable letter, or a not substantially equivalent letter for the new use of the drug or device under such section 355, 262, 360(k), 360e, or 360j(m); or

(cc) except as provided in subclause (III), the application or premarket notification under such section 355, 262, 360(k), 360e, or 360j(m) is withdrawn without resubmission for no less than 210 days.

(II) Requirement that each clinical trial in application be treated the same

If a manufacturer makes a certification under clause (iii) that this clause applies with respect to a clinical trial, the manufacturer shall make such a certification with respect to each applicable clinical trial that is required to be submitted in an application or report for licensure, approval, or clearance (under section 262 of this title or section 355, 360(k), 360e, or 360j(m) of title 21, as applicable) of the use studied in the clinical trial.

(III) Two-year limitation

The responsible party shall submit to the Director of NIH for inclusion in the registry and results data bank the clinical trial information subject to subclause (I) on the date that is 2 years after the date a certification under clause (iii) was made to the Director of NIH, if an action referred to in item (aa), (bb), or (cc) of subclause (I) has not occurred by such date.

(vi) Extensions

The Director of NIH may provide an extension of the deadline for submission of clinical trial information under clause (i) if the responsible party for the trial submits to the Director a written request that demonstrates good cause for the extension and provides an estimate of the date on which the information will be submitted. The Director of NIH may grant more than one such extension for a clinical trial.

(F) Notice to Director of NIH

The Commissioner of Food and Drugs shall notify the Director of NIH when there is an action described in subparagraph (E)(iv) or item (aa), (bb), or (cc) of subparagraph (E)(v)(I) with respect to an application or a report that includes a certification required under paragraph (5)(B) of such action not later than 30 days after such action.

(G) Posting of data

The Director of NIH shall ensure that the clinical trial information described in subparagraphs (C) and (D) for an applicable clinical trial submitted in accordance with this paragraph is posted publicly in the registry and results database not later than 30 days after such submission.

(H) Waivers regarding certain clinical trial results

The Secretary may waive any applicable requirements of this paragraph for an applicable clinical trial, upon a written request from the responsible party, if the Secretary determines that extraordinary circumstances justify the waiver and that providing the waiver is consistent with the protection of public health, or in the interest of national security. Not later than 30 days after

any part of a waiver is granted, the Secretary shall notify, in writing, the appropriate committees of Congress of the waiver and provide an explanation for why the waiver was granted.

(I) Adverse events

(i) Regulations

Not later than 18 months after September 27, 2007, the Secretary shall by regulation determine the best method for including in the registry and results data bank appropriate results information on serious adverse and frequent adverse events for applicable clinical trials described in subparagraph (C) in a manner and form that is useful and not misleading to patients, physicians, and scientists.

(ii) Default

If the Secretary fails to issue the regulation required by clause (i) by the date that is 24 months after September 27, 2007, clause (iii) shall take effect.

(iii) Additional elements

Upon the application of clause (ii), the Secretary shall include in the registry and results data bank for applicable clinical trials described in subparagraph (C), in addition to the clinical trial information described in subparagraph (C), the following elements:

(I) Serious adverse events

A table of anticipated and unanticipated serious adverse events grouped by organ system, with number and frequency of such event in each arm of the clinical trial.

(II) Frequent adverse events

A table of anticipated and unanticipated adverse events that are not included in the table described in subclause (I) that exceed a frequency of 5 percent within any arm of the clinical trial, grouped by organ system, with number and frequency of such event in each arm of the clinical trial.

(iv) Posting of other information

In carrying out clause (iii), the Secretary shall, in consultation with experts in risk communication, post with the tables information to enhance patient understanding and to ensure such tables do not mislead patients or the lay public.

(v) Relation to subparagraph (C)

Clinical trial information included in the registry and results data bank pursuant to this subparagraph is deemed to be clinical trial information included in such data bank pursuant to subparagraph (C).

(4) Additional submissions of clinical trial information

(A) Voluntary submissions

A responsible party for a clinical trial that is not an applicable clinical trial, or that is an applicable clinical trial that is not subject to paragraph (2)(C), may submit complete clinical trial information described in paragraph (2) or paragraph (3) provided the responsible party submits clinical trial information for each applicable clinical trial that is required to be submitted under section 262 of this title or under section 355, 360(k), 360e, or 360j(m) of title 21 in an application or report for licensure, approval, or clearance of the drug or device for the use studied in the clinical trial.

(B) Required submissions

(i) In general

Notwithstanding paragraphs (2) and (3) and subparagraph (A), in any case in which the Secretary determines for a specific clinical trial described in clause (ii) that posting in the registry and results data bank of clinical trial information for such clinical trial is necessary to protect the public health—

(I) the Secretary may require by notification that such information be submitted to the Secretary in accordance with paragraphs (2) and (3) except with regard to timing of submission;

(II) unless the responsible party submits a certification under paragraph (3)(E)(iii), such information shall be submitted not later than 30 days after the date specified by the Secretary in the notification; and

(III) failure to comply with the requirements under subclauses (I) and (II) shall be treated as a violation of the corresponding requirement of such paragraphs.

(ii) Clinical trials described

A clinical trial described in this clause is—

(I) an applicable clinical trial for a drug that is approved under section 355 of title 21 or licensed under section 262 of this title or for a device that is cleared under section 360(k) of title 21 or approved under section 360e or section 360j(m) of title 21, whose completion date is on or after the date 10 years before September 27, 2007; or

(II) an applicable clinical trial that is described by both by ³ paragraph (2)(C) and paragraph (3)(D)(ii)(II).⁴

(C) Updates to clinical trial data bank

(i) Submission of updates

The responsible party for an applicable clinical trial shall submit to the Director of NIH for inclusion in the registry and results data bank updates to reflect changes to the clinical trial information submitted under paragraph (2). Such updates—

(I) shall be provided not less than once every 12 months, unless there were no changes to the clinical trial information during the preceding 12-month period;

(II) shall include identification of the dates of any such changes;

(III) not later than 30 days after the recruitment status of such clinical trial changes, shall include an update of the recruitment status; and

(IV) not later than 30 days after the completion date of the clinical trial, shall include notification to the Director that such clinical trial is complete.

(ii) Public availability of updates

The Director of NIH shall make updates submitted under clause (i) publicly available in the registry data bank. Except with regard to overall recruitment status, individual site status, location, and contact information, the Director of NIH shall ensure that updates to elements required under subclauses (I) to (V) of paragraph (2)(A)(ii) do not result in the removal of any information from the original submissions or any preceding updates, and information in such databases is presented in a manner that enables users to readily access each original element submission and to track the changes made by the updates. The Director of NIH shall provide a link from the table of primary and secondary outcomes required under paragraph (3)(C)(ii) to the tracked history required under this clause of the primary and secondary outcome measures submitted under paragraph (2)(A)(ii)(I)(II).

(5) Coordination and compliance

(A) Clinical trials supported by grants from Federal agencies

(i) Grants from certain Federal agencies

If an applicable clinical trial is funded in whole or in part by a grant from any agency of the Department of Health and Human Services, including the Food and Drug Administration, the National Institutes of Health, or the Agency for Healthcare Research and Quality, any grant or progress report forms required under such grant shall include a certification that the responsible party has made all required submissions to the Director of NIH under paragraphs (2) and (3).

(ii) Verification by Federal agencies

The heads of the agencies referred to in clause (i), as applicable, shall verify that the clinical trial information for each applicable clinical trial for which a grantee is the responsible party has been submitted under paragraphs (2) and (3) before releasing any remaining funding for a grant or funding for a future grant to such grantee.

(iii) Notice and opportunity to remedy

If the head of an agency referred to in clause (i), as applicable, verifies that a grantee has not submitted clinical trial information as described in clause (ii), such agency head shall provide notice to such grantee of such non-compliance and allow such grantee 30 days to correct such non-compliance and submit the required clinical trial information.

(iv) Consultation with other Federal agencies

The Secretary shall—

(I) consult with other agencies that conduct research involving human subjects in accordance with any section of part 46 of title 45, Code of Federal Regulations (or any successor regulations), to determine if any such research is an applicable clinical trial; and

(II) develop with such agencies procedures comparable to those described in clauses (i), (ii), and (iii) to ensure that clinical trial information for such applicable clinical trial is submitted under paragraphs (2) and (3).

(B) Certification to accompany drug, biological product, and device submissions

At the time of submission of an application under section 355 of title 21, section 360e of title 21, section 360j(m) of title 21, or section 262 of this title, or submission of a report under section 360(k) of title 21, such application or submission shall be accompanied by a certification that all applicable requirements of this subsection have been met. Where available, such certification shall include the appropriate National Clinical Trial control numbers.

(C) Quality control

(i) Pilot quality control project

Until the effective date of the regulations issued under paragraph (3)(D), the Secretary, acting through the Director of NIH and the Commissioner of Food and Drugs, shall conduct a pilot project to determine the optimal method of verification to help to ensure that the clinical trial information submitted under paragraph (3)(C) is non-promotional and is not false or misleading in any particular under subparagraph (D). The Secretary shall use the publicly available information described in paragraph (3)(A) and any other information available to the Secretary about applicable clinical trials to verify the accuracy of the clinical trial information submitted under paragraph (3)(C).

(ii) Notice of compliance

If the Secretary determines that any clinical trial information was not submitted as required under this subsection, or was submitted but is false or misleading in any particular, the Secretary shall notify the responsible party and give such party an opportunity to remedy such noncompliance by submitting the required revised clinical trial information not later than 30 days after such notification.

(D) Truthful clinical trial information

(i) In general

The clinical trial information submitted by a responsible party under this subsection shall not be false or misleading in any particular.

(ii) Effect

Clause (i) shall not have the effect of—

(I) requiring clinical trial information with respect to an applicable clinical trial to include information from any source other than such clinical trial involved; or

(II) requiring clinical trial information described in paragraph (3)(D) to be submitted for

purposes of paragraph (3)(C).

(E) Public notices

(i) Notice of violations

If the responsible party for an applicable clinical trial fails to submit clinical trial information for such clinical trial as required under paragraphs (2) or (3), the Director of NIH shall include in the registry and results data bank entry for such clinical trial a notice—

(I) that the responsible party is not in compliance with this chapter by—

- (aa) failing to submit required clinical trial information; or
- (bb) submitting false or misleading clinical trial information;

(II) of the penalties imposed for the violation, if any; and

(III) whether the responsible party has corrected the clinical trial information in the registry and results data bank.

(ii) Notice of failure to submit primary and secondary outcomes

If the responsible party for an applicable clinical trial fails to submit the primary and secondary outcomes as required under section 2(A)(ii)(I)(II),⁵ the Director of NIH shall include in the registry and results data bank entry for such clinical trial a notice that the responsible party is not in compliance by failing to register the primary and secondary outcomes in accordance with this chapter, and that the primary and secondary outcomes were not publicly disclosed in the database before conducting the clinical trial.

(iii) Failure to submit statement

The notice under clause (i) for a violation described in clause (i)(I)(aa) shall include the following statement: "The entry for this clinical trial was not complete at the time of submission, as required by law. This may or may not have any bearing on the accuracy of the information in the entry."

(iv) Submission of false information statement

The notice under clause (i) for a violation described in clause (i)(I)(bb) shall include the following statement: "The entry for this clinical trial was found to be false or misleading and therefore not in compliance with the law."

(v) Non-submission of statement

The notice under clause (ii) for a violation described in clause (ii) shall include the following statement: "The entry for this clinical trial did not contain information on the primary and secondary outcomes at the time of submission, as required by law. This may or may not have any bearing on the accuracy of the information in the entry."

(vi) Compliance searches

The Director of NIH shall provide that the public may easily search the registry and results data bank for entries that include notices required under this subparagraph.

(6) Limitation on disclosure of clinical trial information

(A) In general

Nothing in this subsection (or under section 552 of title 5) shall require the Secretary to publicly disclose, by any means other than the registry and results data bank, information described in subparagraph (B).

(B) Information described

Information described in this subparagraph is—

- (i) information submitted to the Director of NIH under this subsection, or information of the same general nature as (or integrally associated with) the information so submitted; and
- (ii) information not otherwise publicly available, including because it is protected from

disclosure under section 552 of title 5.

(7) Authorization of appropriations

There are authorized to be appropriated to carry out this subsection \$10,000,000 for each fiscal year.

(k) Day care for children of employees

(1) The Director of NIH may establish a program to provide day care services for the employees of the National Institutes of Health similar to those services provided by other Federal agencies (including the availability of day care service on a 24-hour-a-day basis).

(2) Any day care provider at the National Institutes of Health shall establish a sliding scale of fees that takes into consideration the income and needs of the employee.

(3) For purposes regarding the provision of day care services, the Director of NIH may enter into rental or lease purchase agreements.

(l) Council of Councils

(1) Establishment

Not later than 90 days after January 15, 2007, the Director of NIH shall establish within the Office of the Director an advisory council to be known as the "Council of Councils" (referred to in this subsection as the "Council") for the purpose of advising the Director on matters related to the policies and activities of the Division of Program Coordination, Planning, and Strategic Initiatives, including making recommendations with respect to the conduct and support of research described in subsection (b)(7).

(2) Membership

(A) In general

The Council shall be composed of 27 members selected by the Director of NIH with approval from the Secretary from among the list of nominees under subparagraph (C).

(B) Certain requirements

In selecting the members of the Council, the Director of NIH shall ensure—

(i) the representation of a broad range of disciplines and perspectives; and

(ii) the ongoing inclusion of at least 1 representative from each national research institute whose budget is substantial relative to a majority of the other institutes.

(C) Nomination

The Director of NIH shall maintain an updated list of individuals who have been nominated to serve on the Council, which list shall consist of the following:

(i) For each national research institute and national center, 3 individuals nominated by the head of such institute or center from among the members of the advisory council of the institute or center, of which—

(I) two shall be scientists; and

(II) one shall be from the general public or shall be a leader in the field of public policy, law, health policy, economics, or management.

(ii) For each office within the Division of Program Coordination, Planning, and Strategic Initiatives, 1 individual nominated by the head of such office.

(iii) Members of the Council of Public Representatives.

(3) Terms

(A) In general

The term of service for a member of the Council shall be 6 years, except as provided in subparagraphs (B) and (C).

(B) Terms of initial appointees

Of the initial members selected for the Council, the Director of NIH shall designate—

- (i) nine for a term of 6 years;
- (ii) nine for a term of 4 years; and
- (iii) nine for a term of 2 years.

(C) Vacancies

Any member appointed to fill a vacancy occurring before the expiration of the term for which the member's predecessor was appointed shall be appointed only for the remainder of that term. A member may serve after the expiration of that member's term until a successor has taken office.

(m) National Institutes of Health Strategic Plan

(1) In general

Not later than 2 years after December 13, 2016, and at least every 6 years thereafter, the Director of the National Institutes of Health shall develop and submit to the appropriate committees of Congress and post on the Internet website of the National Institutes of Health, a coordinated strategy (to be known as the "National Institutes of Health Strategic Plan") to provide direction to the biomedical research investments made by the National Institutes of Health, to facilitate collaboration across the institutes and centers, to leverage scientific opportunity, and to advance biomedicine.

(2) Requirements

The strategy under paragraph (1) shall—

- (A) identify strategic research priorities and objectives across biomedical research, including—
 - (i) an assessment of the state of biomedical and behavioral research, including areas of opportunity with respect to basic, clinical, and translational research;
 - (ii) priorities and objectives to advance the treatment, cure, and prevention of health conditions;
 - (iii) emerging scientific opportunities, rising public health challenges, and scientific knowledge gaps; and
 - (iv) the identification of near-, mid-, and long-term scientific needs;

- (B) consider, in carrying out subparagraph (A)—
 - (i) disease burden in the United States and the potential for return on investment to the United States;
 - (ii) rare diseases and conditions;
 - (iii) biological, social, and other determinants of health that contribute to health disparities; and
 - (iv) other factors the Director of National Institutes of Health determines appropriate;

- (C) include multi-institute priorities, including coordination of research among institutes and centers;
- (D) include strategic priorities for funding research through the Common Fund, in accordance with section 282a(c)(1)(C) of this title;
- (E) address the National Institutes of Health's proposed and ongoing activities related to training and the biomedical workforce; and
- (F) describe opportunities for collaboration with other agencies and departments, as appropriate.

(3) Use of plans

Strategic plans developed and updated by the national research institutes and national centers of the National Institutes of Health shall be prepared regularly and in such a manner that such plans will be informed by the strategic plans developed and updated under this subsection. Such plans

developed by and updated by the national research institutes and national centers shall have a common template.

(4) Consultation

The Director of National Institutes of Health shall develop the strategic plan under paragraph (1) in consultation with the directors of the national research institutes and national centers, researchers, patient advocacy groups, and industry leaders.

(n) Unique research initiatives

(1) In general

The Director of NIH may approve, after consideration of a proposal under paragraph (2)(A), requests by the national research institutes and centers, or program officers within the Office of the Director to engage in transactions other than a contract, grant, or cooperative agreement with respect to projects that carry out—

(A) the Precision Medicine Initiative under section 289g–5 of this title;

(B) subsection (b)(7), except that not more than 50 percent of the funds available for a fiscal year through the Common Fund under section 282a(c)(1) of this title for purposes of carrying out such subsection (b)(7) may be used to engage in such other transactions; or

(C) high impact cutting-edge research that fosters scientific creativity and increases fundamental biological understanding leading to the prevention, diagnosis, or treatment of diseases and disorders, or research urgently required to respond to a public health threat.

(2) Requirements

The authority provided under this subsection may be used to conduct or support high impact cutting-edge research described in paragraph (1) using the other transactions authority described in such paragraph if the institute, center, or office—

(A) submits a proposal to the Director of NIH for the use of such authority before conducting or supporting the research, including why the use of such authority is essential to promoting the success of the project;

(B) receives approval for the use of such authority from the Director of NIH; and

(C) for each year in which the institute, center, or office has used such authority in accordance with this subsection, submits a report to the Director of NIH on the activities of the institute, center, or office relating to such research.

(o) Regenerative medicine

The Director of NIH shall, as appropriate, continue to consult with the directors of relevant institutes and centers of the National Institutes of Health, other relevant experts from such institutes and centers, and relevant experts within the Food and Drug Administration, to further the field of regenerative medicine using adult stem cells, including autologous stem cells, therapeutic tissue engineering products, human cell and tissue products, human gene therapies, and genetically modified cells.

EDITORIAL NOTES

REFERENCES IN TEXT

The General Schedule, referred to in subsec. (b)(16), is set out under section 5332 of Title 5, Government Organization and Employees.

The National Literacy Act of 1991, referred to in subsec. (e)(5), is Pub. L. 102–73, July 25, 1991, 105 Stat. 333, which was repealed by Pub. L. 105–220, title II, §251(a)(2), Aug. 7, 1998, 112 Stat. 1079. For complete classification of this Act to the Code, see Tables.

CODIFICATION

In subsec. (b)(14)(B), "section 8141 of title 40" substituted for "the Act of March 3, 1877 (40 U.S.C. 34)" on authority of Pub. L. 107–217, §5(c), Aug. 21, 2002, 116 Stat. 1303, the first section of which enacted Title 40, Public Buildings, Property, and Works.

AMENDMENTS

2022—Subsec. (b). Pub. L. 117–286 substituted "Chapter 10 of title 5" for "The Federal Advisory Committee Act" in concluding provisions.

Subsec. (b)(26). Pub. L. 117–328, §2302, added par. (26).

Subsec. (b)(27) to (29). Pub. L. 117–328, §2323, added pars. (27) to (29).

2021—Subsec. (o). Pub. L. 117–15 added subsec. (o).

2018—Subsec. (n)(1)(C). Pub. L. 115–271 added subpar. (C).

2016—Subsec. (b)(4). Pub. L. 114–255, §2038(a)(1), amended par. (4) generally. Prior to amendment, text read as follows: "shall assemble accurate data to be used to assess research priorities, including information to better evaluate scientific opportunity, public health burdens, and progress in reducing minority and other health disparities;"

Subsec. (b)(5). Pub. L. 114–255, §2031(a)(1), inserted ", and through the development, implementation, and updating of the strategic plan developed under subsection (m)" before semicolon.

Subsec. (b)(8)(C), (D). Pub. L. 114–255, §2038(a)(2), added subpars. (C) and (D).

Subsec. (b)(25). Pub. L. 114–255, §2014(a), added par. (25).

Subsec. (j)(2)(D)(ii)(I). Pub. L. 114–255, §2051(1), inserted ", unless the responsible party affirmatively requests that the Director of the National Institutes of Health publicly post such clinical trial information for an applicable device clinical trial prior to such date of clearance or approval" before semicolon.

Subsec. (j)(2)(D)(iii), (iv). Pub. L. 114–255, §2051(2), added cls. (iii) and (iv).

Subsec. (m). Pub. L. 114–255, §2031(a)(2), added subsec. (m).

Subsec. (n). Pub. L. 114–255, §2036(a), added subsec. (n).

2014—Subsec. (b)(7). Pub. L. 113–94 amended par. (7) generally, enacting similar provisions and adding provisions relating to allocating funds appropriated pursuant to section 282a(a)(2) of this title for making grants for pediatric research.

2011—Subsec. (b)(24). Pub. L. 112–74, §221(d)(1), substituted "287a" for "282d".

Subsec. (g). Pub. L. 112–74, §221(b)(5)(B), redesignated and transferred subsec. (g) of this section to subsec. (b) of section 285k of this title.

2010—Subsec. (b)(24). Pub. L. 111–148 added par. (24).

2008—Subsec. (j)(3)(C). Pub. L. 110–316, §302(1), in introductory provisions, substituted "for each applicable clinical trial for a drug that is approved under section 355 of title 21 or licensed under section 262 of this title or a device that is cleared under section 360(k) of title 21 or approved under section 360e or 360j(m) of title 21, the following elements:" for "the following elements for drugs that are approved under section 355 of title 21 or licensed under section 262 of this title and devices that are cleared under section 360(k) of title 21 or approved under section 360e or 360j(m) of title 21:".

Subsec. (j)(3)(I)(i), (iii). Pub. L. 110–316, §302(2), substituted "applicable clinical trials described in subparagraph (C)" for "drugs described in subparagraph (C)".

2007—Subsec. (a). Pub. L. 109–482, §102(f)(1)(A), substituted "Director of NIH who shall" for "Director of the National Institutes of Health (hereafter in this subchapter referred to as the 'Director of NIH') who shall".

Subsec. (b). Pub. L. 109–482, §102(a)(5), substituted "paragraph (16)" for "paragraph (6)" in concluding provisions.

Subsec. (b)(1). Pub. L. 109–482, §102(a)(6), added par. (1) and struck out former par. (1) which read as follows: "shall be responsible for the overall direction of the National Institutes of Health and for the establishment and implementation of general policies respecting the management and operation of programs and activities within the National Institutes of Health;".

Subsec. (b)(2), (3). Pub. L. 109–482, §102(b), added pars. (2) and (3) and struck out former pars. (2) and (3) which read as follows:

"(2) shall coordinate and oversee the operation of the national research institutes and administrative entities within the National Institutes of Health;

"(3) shall assure that research at or supported by the National Institutes of Health is subject to review in accordance with section 289a of this title;".

Subsec. (b)(4). Pub. L. 110–85, §1104(2), inserted "minority and other" after "reducing".

Pub. L. 109–482, §102(b), added par. (4). Former par. (4) redesignated (14).

Subsec. (b)(5) to (22). Pub. L. 109–482, §102(a)(1)–(4), (b), added pars. (5) to (13), redesignated former pars. (4) to (11) and (14) as (14) to (22), respectively, in par. (21) inserted "and" at end, and struck out former pars. (12) and (13) which read as follows:

"(12) after consultation with the Director of the Office of Research on Women's Health, shall ensure that resources of the National Institutes of Health are sufficiently allocated for projects of research on women's health that are identified under section 287d(b) of this title;

"(13) may conduct and support research training—

"(A) for which fellowship support is not provided under section 288 of this title; and

"(B) which does not consist of residency training of physicians or other health professionals; and".

Subsec. (b)(23). Pub. L. 110–85, §304(a), added par. (23).

Subsec. (i). Pub. L. 109–482, §102(c), redesignated subsec. (j) as (i) and struck out former subsec. (i) which related to discretionary fund for use by the Director of NIH to carry out activities authorized in this chapter.

Subsec. (i)(5). Pub. L. 109–482, §103(b)(1), struck out first sentence which read as follows: "For the purpose of carrying out this subsection, there are authorized to be appropriated such sums as may be necessary."

Subsecs. (j), (k). Pub. L. 110–85, §801(a), added subsec. (j) and redesignated former subsec. (j) as (k). Former subsec. (k) redesignated (l).

Pub. L. 109–482, §102(c)(2), (d), added subsec. (k) and redesignated former subsec. (k) as (j).

Subsec. (l). Pub. L. 110–85, §801(a)(1), redesignated subsec. (k) as (l).

Pub. L. 109–482, §102(c)(1), struck out subsec. (l) which read as follows: "The Director of NIH shall carry out the program established in part F of subchapter X of this chapter (relating to interagency research on trauma)."

2002—Subsec. (j)(3)(A). Pub. L. 107–109, which directed the amendment of the first sentence of subsec. (j)(3)(A) by substituting "trial sites," for "trial sites, and" and "in the trial, and a description of whether, and through what procedure, the manufacturer or sponsor of the investigation of a new drug will respond to requests for protocol exception, with appropriate safeguards, for single-patient and expanded protocol use of the new drug, particularly in children," for "in the trial," was executed by making the substitutions in the second sentence, to reflect the probable intent of Congress.

1998—Subsec. (b)(13), (14). Pub. L. 105–392 added pars. (13) and (14).

Subsec. (f). Pub. L. 105–362 inserted "and" at end of par. (1), substituted a period for "; and" at end of par. (2), and struck out par. (3) which read as follows: "annually prepare and submit to the Director of NIH a report concerning the prevention and dissemination activities undertaken by the Associate Director, including—

"(A) a summary of the Associate Director's review of existing dissemination policies and techniques together with a detailed statement concerning any modification or restructuring, or recommendations for modification or restructuring, of such policies and techniques; and

"(B) a detailed statement of the expenditures made for the prevention and dissemination activities reported on and the personnel used in connection with such activities."

1997—Subsecs. (j) to (l). Pub. L. 105–115 added subsec. (j) and redesignated former subsecs. (j) and (k) as (k) and (l), respectively.

1993—Subsec. (b)(12). Pub. L. 103–43, §141(b), added par. (12).

Subsec. (e)(5). Pub. L. 103–43, §210(b), added par. (5).

Subsec. (f). Pub. L. 103–43, §201, substituted "other public and private entities, including elementary, secondary, and post-secondary schools. The Associate Director shall—" and pars. (1) to (3) for "other public

and private entities. The Associate Director shall annually report to the Director of NIH on the prevention activities undertaken by the Associate Director. The report shall include a detailed statement of the expenditures made for the activities reported on and the personnel used in connection with such activities".

Subsec. (g). Pub. L. 103–43, §202, added subsec. (g).

Subsec. (h). Pub. L. 103–43, §206, added subsec. (h).

Subsec. (i). Pub. L. 103–43, §208, added subsec. (i).

Subsec. (j). Pub. L. 103–43, §210(c), added subsec. (j).

Subsec. (k). Pub. L. 103–43, §303(b), added subsec. (k).

1992—Subsec. (d)(1). Pub. L. 102–321 substituted "220" for "two hundred".

1988—Subsec. (b)(6). Pub. L. 100–607 inserted "and scientific program advisory committees" after "peer review groups".

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2007 AMENDMENT

Amendment by Pub. L. 109–482 applicable only with respect to amounts appropriated for fiscal year 2007 or subsequent fiscal years, see section 109 of Pub. L. 109–482, set out as a note under section 281 of this title.

EFFECTIVE DATE OF 1997 AMENDMENT

Amendment by Pub. L. 105–115 effective 90 days after Nov. 21, 1997, except as otherwise provided, see section 501 of Pub. L. 105–115, set out as a note under section 321 of Title 21, Food and Drugs.

EFFECTIVE DATE OF 1992 AMENDMENT

Amendment by Pub. L. 102–321 effective Oct. 1, 1992, with provision for programs providing financial assistance, see section 801(c), (d) of Pub. L. 102–321, set out as a note under section 236 of this title.

RULE OF CONSTRUCTION REGARDING CONTINUATION OF PROGRAMS

Pub. L. 109–482, title I, §103(c), Jan. 15, 2007, 120 Stat. 3689, provided that: "The amendment of a program by a provision of subsection (b) [amending this section and sections 283a, 283d, 283g to 283i, 284e to 284j, 284l, 284m, 285a–9, 285a–10, 285b–7a, 285b–7b, 285c–9, 285d–6a, 285d–8, 285e–10, 285e–10a, 285f–2, 285f–3, 285g–5, 285g–9, 285g–10, 285n, 285o, 285o–2, 285o–4, 285p, 285r, 286a–1, 287a–2, 287a–3, 287a–4, 287c–11, 287c–31 to 287c–33, 288, 288–1, and former 288–5a of this title and repealing sections 285a–8, 285b–8, 285e–11, and 286a–2 of this title] may not be construed as terminating the authority of the Federal agency involved to carry out the program."

CONFIDENTIALITY

Pub. L. 114–255, div. A, title II, §2014(b), Dec. 13, 2016, 130 Stat. 1051, provided that: "Nothing in the amendments made by subsection (a) [amending this section] authorizes the Secretary of Health and Human Services to disclose any information that is a trade secret, or other privileged or confidential information, described in section 552(b)(4) of title 5, United States Code, or section 1905 of title 18, United States Code, or [shall] be construed to require recipients of grants or cooperative agreements through the National Institutes of Health to share such information."

APPROPRIATE AGE GROUPINGS IN CLINICAL RESEARCH

Pub. L. 114–255, div. A, title II, §2038(i), Dec. 13, 2016, 130 Stat. 1067, provided that:

"(1) **INPUT FROM EXPERTS.**—Not later than 180 days after the date of enactment of this Act [Dec. 13, 2016], the Director of the National Institutes of Health shall convene a workshop of experts on pediatric and older populations to provide input on—

"(A) appropriate age groups to be included in research studies involving human subjects; and

"(B) acceptable justifications for excluding participants from a range of age groups from human subjects research studies.

"(2) **POLICY UPDATES.**—Not later than 180 days after the conclusion of the workshop under paragraph (1), the Director of the National Institutes of Health shall make a determination with respect to whether the policies of the National Institutes of Health on the inclusion of relevant age groups in clinical studies need to be updated, and shall update such policies as appropriate. In making the determination, the Director of the National Institutes of Health shall take into consideration whether such policies—

"(A) address the consideration of age as an inclusion variable in research involving human subjects;

and

"(B) identify the criteria for justification for any age-related exclusions in such research.

"(3) PUBLIC AVAILABILITY OF FINDINGS AND CONCLUSIONS.—The Director of the National Institutes of Health shall—

"(A) make the findings and conclusions resulting from the workshop under paragraph (1) and updates to policies in accordance with paragraph (2), as applicable, available to the public on the Internet website of the National Institutes of Health; and

"(B) ensure that age-related data reported in the triennial report under section 403 of the Public Health Service Act (42 U.S.C. 283) (as amended by section 2032 [of Pub. L. 114–255]) are made available to the public on the Internet website of the National Institutes of Health."

ENHANCING THE RIGOR AND REPRODUCIBILITY OF SCIENTIFIC RESEARCH

Pub. L. 114–255, div. A, title II, §2039, Dec. 13, 2016, 130 Stat. 1068, provided that:

"(a) ESTABLISHMENT.—Not later than 1 year after the date of enactment of this Act [Dec. 13, 2016], the Secretary of Health and Human Services, acting through the Director of the National Institutes of Health, shall convene a working group under the Advisory Committee to the Director of the National Institutes of Health (referred to in this section as the 'Advisory Committee'), appointed under section 222 of the Public Health Service Act (42 U.S.C. 217a), to develop and issue recommendations through the Advisory Committee for a formal policy, which may incorporate or be informed by relevant existing and ongoing activities, to enhance rigor and reproducibility of scientific research funded by the National Institutes of Health.

"(b) CONSIDERATIONS.—In developing and issuing recommendations through the Advisory Committee under subsection (a), the working group established under such subsection shall consider, as appropriate—

"(1) preclinical experiment design, including analysis of sex as a biological variable;

"(2) clinical experiment design, including—

"(A) the diversity of populations studied for clinical research, with respect to biological, social, and other determinants of health that contribute to health disparities;

"(B) the circumstances under which summary information regarding biological, social, and other factors that contribute to health disparities should be reported; and

"(C) the circumstances under which clinical studies, including clinical trials, should conduct an analysis of the data collected during the study on the basis of biological, social, and other factors that contribute to health disparities;

"(3) applicable levels of rigor in statistical methods, methodology, and analysis;

"(4) data and information sharing in accordance with applicable privacy laws and regulations; and

"(5) any other matter the working group determines relevant.

"(c) POLICIES.—Not later than 18 months after the date of enactment of this Act, the Director of the National Institutes of Health shall consider the recommendations developed by the working group and issued by the Advisory Committee under subsection (a) and develop or update policies as appropriate.

"(d) REPORT.—Not later than 2 years after the date of enactment of this Act, the Director of the National Institutes of Health shall issue a report to the Secretary of Health and Human Services, the Committee on Health, Education, Labor, and Pensions of the Senate, and the Committee on Energy and Commerce of the House of Representatives regarding recommendations developed under subsection (a) and any subsequent policy changes implemented, to enhance rigor and reproducibility in scientific research funded by the National Institutes of Health.

"(e) CONFIDENTIALITY.—Nothing in this section authorizes the Secretary of Health and Human Services to disclose any information that is a trade secret, or other privileged or confidential information, described in section 552(b)(4) of title 5, United States Code, or section 1905 of title 18, United States Code."

DEMONSTRATION GRANTS FOR IMPROVING PEDIATRIC DEVICE AVAILABILITY

Pub. L. 110–85, title III, §305, Sept. 27, 2007, 121 Stat. 863, as amended by Pub. L. 112–144, title VI, §620(a), July 9, 2012, 126 Stat. 1064; Pub. L. 115–52, title V, §502(c), Aug. 18, 2017, 131 Stat. 1037; Pub. L. 117–180, div. F, title V, §5003, Sept. 30, 2022, 136 Stat. 2167; Pub. L. 117–229, div. C, title III, §304, Dec. 16, 2022, 136 Stat. 2312; Pub. L. 117–328, div. FF, title III, §3104, Dec. 29, 2022, 136 Stat. 5807, provided that:

"(a) IN GENERAL.—

"(1) REQUEST FOR PROPOSALS.—Not later than 90 days after the date of the enactment of this Act [Sept. 27, 2007], the Secretary of Health and Human Services shall issue a request for proposals for 1 or more grants or contracts to nonprofit consortia for demonstration projects to promote pediatric device development.

"(2) DETERMINATION ON GRANTS OR CONTRACTS.—Not later than 180 days after the date the Secretary of Health and Human Services issues a request for proposals under paragraph (1), the

Secretary shall make a determination on the grants or contracts under this section.

"(b) APPLICATION.—A nonprofit consortium that desires to receive a grant or contract under this section shall submit an application to the Secretary of Health and Human Services at such time, in such manner, and containing such information as the Secretary may require.

"(c) USE OF FUNDS.—A nonprofit consortium that receives a grant or contract under this section shall facilitate the development, production, and distribution of pediatric medical devices by—

"(1) encouraging innovation and connecting qualified individuals with pediatric device ideas with potential manufacturers;

"(2) mentoring and managing pediatric device projects through the development process, including product identification, prototype design, device development, and marketing;

"(3) connecting innovators and physicians to existing Federal and non-Federal resources, including resources from the Food and Drug Administration, the National Institutes of Health, the Small Business Administration, the Department of Energy, the Department of Education, the National Science Foundation, the Department of Veterans Affairs, the Agency for Healthcare Research and Quality, and the National Institute of Standards and Technology;

"(4) assessing the scientific and medical merit of proposed pediatric device projects;

"(5) providing assistance and advice as needed on business development, personnel training, prototype development, postmarket needs, and other activities consistent with the purposes of this section; and

"(6) providing regulatory consultation to device sponsors in support of the submission of an application for a pediatric device, where appropriate.

"(d) COORDINATION.—

"(1) NATIONAL INSTITUTES OF HEALTH.—Each consortium that receives a grant or contract under this section shall—

"(A) coordinate with the National Institutes of Health's pediatric device contact point or office, designated under section 402(b)(23) of the Public Health Service Act [42 U.S.C. 282(b)(23)], as added by section 304(a) of this Act; and

"(B) provide to the National Institutes of Health any identified pediatric device needs that the consortium lacks sufficient capacity to address or those needs in which the consortium has been unable to stimulate manufacturer interest.

"(2) FOOD AND DRUG ADMINISTRATION.—Each consortium that receives a grant or contract under this section shall coordinate with the Commissioner of Food and Drugs and device companies to facilitate the application for approval or clearance of devices labeled for pediatric use.

"(3) EFFECTIVENESS AND OUTCOMES.—Each consortium that receives a grant or contract under this section shall annually report to the Secretary of Health and Human Services on the status of pediatric device development, production, and distribution that has been facilitated by the consortium.

"(e) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to carry out this section \$1,610,959 for the period beginning on October 1, 2022 and ending on December 23, 2022."

[Pub. L. 117–328, div. FF, title III, §3104, Dec. 29, 2022, 136 Stat. 5807, which directed amendment of section 305(e) of Pub. L. 110–85, set out above, by substituting "\$7,000,000 for each of fiscal years 2023 through 2027" for "\$1,107,534 for the period beginning on October 1, 2022, and ending on December 23, 2022", could not be executed because "\$1,107,534" did not appear after the intervening amendment by section 304 of Pub. L. 117–229.]

SURVEILLANCES

Pub. L. 110–85, title VIII, §801(c), Sept. 27, 2007, 121 Stat. 921, provided that: "Not later than 12 months after the date of the enactment of this Act [Sept. 27, 2007], the Secretary of Health and Human Services shall issue guidance on how the requirements of section 402(j) of the Public Health Service Act [42 U.S.C. 282(j)], as added by this section, apply to a pediatric postmarket surveillance described in paragraph (1)(A)(ii)(II) of such section 402(j) that is not a clinical trial."

PREEMPTION

Pub. L. 110–85, title VIII, §801(d), Sept. 27, 2007, 121 Stat. 922, provided that:

"(1) IN GENERAL.—Upon the expansion of the registry and results data bank under section 402(j)(3)(D) of the Public Health Service Act [42 U.S.C. 282(j)(3)(D)], as added by this section, no State or political subdivision of a State may establish or continue in effect any requirement for the registration of clinical trials or for the inclusion of information relating to the results of clinical trials in a database.

"(2) RULE OF CONSTRUCTION.—The fact of submission of clinical trial information, if submitted in compliance with subsection (j) of section 402 of the Public Health Service Act (as amended by this section), that relates to a use of a drug or device not included in the official labeling of the approved drug or device

shall not be construed by the Secretary of Health and Human Services or in any administrative or judicial proceeding, as evidence of a new intended use of the drug or device that is different from the intended use of the drug or device set forth in the official labeling of the drug or device. The availability of clinical trial information through the registry and results data bank under such subsection (j), if submitted in compliance with such subsection, shall not be considered as labeling, adulteration, or misbranding of the drug or device under the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 301 et seq.)."

COLLABORATION AND REPORT

Pub. L. 105–115, title I, §113(b), Nov. 21, 1997, 111 Stat. 2312, directed the Secretary of Health and Human Services, the Director of the National Institutes of Health, and the Commissioner of Food and Drugs to collaborate to determine the feasibility of including device investigations within the scope of the data bank under subsec. (j) of this section, with the Secretary to report to Congress, not later than two years after Nov. 21, 1997, on the public health need, if any, for inclusion of device investigations within the scope of the data bank under subsec. (j), and on the adverse impact, if any, on device innovation and research in the United States if information relating to such device investigations was required to be publicly disclosed.

CHRONIC FATIGUE SYNDROME; EXPERTS AND RESEARCH REPRESENTATIVES ON ADVISORY COMMITTEES AND BOARDS

Pub. L. 103–43, title IX, §902(c), June 10, 1993, 107 Stat. 164, provided that: "The Secretary of Health and Human Services, acting through the Director of the National Institutes of Health, shall ensure that appropriate individuals with expertise in chronic fatigue syndrome or neuromuscular diseases and representative of a variety of disciplines and fields within the research community are appointed to appropriate National Institutes of Health advisory committees and boards."

THIRD-PARTY PAYMENTS REGARDING CERTAIN CLINICAL TRIALS AND CERTAIN LIFE-THREATENING ILLNESSES

Pub. L. 103–43, title XIX, §1901(a), June 10, 1993, 107 Stat. 200, provided that: "The Secretary of Health and Human Services, acting through the Director of the National Institutes of Health, shall conduct a study for the purpose of—

"(1) determining the policies of third-party payors regarding the payment of the costs of appropriate health services that are provided incident to the participation of individuals as subjects in clinical trials conducted in the development of drugs with respect to acquired immune deficiency syndrome, cancer, and other life-threatening illnesses; and

"(2) developing recommendations regarding such policies."

PERSONNEL STUDY OF RECRUITMENT, RETENTION AND TURNOVER

Pub. L. 103–43, title XIX, §1905, June 10, 1993, 107 Stat. 203, directed Secretary of Health and Human Services, acting through Director of National Institutes of Health, to conduct a study to review the retention, recruitment, vacancy and turnover rates of support staff, including firefighters, law enforcement, procurement officers, technicians, nurses and clerical employees, to ensure that National Institutes of Health is adequately supporting conduct of efficient, effective and high quality research for the American public, and to submit a report to Congress on results of such study not later than 1 year after June 10, 1993.

CHRONIC PAIN CONDITIONS

Pub. L. 103–43, title XIX, §1907, June 10, 1993, 107 Stat. 204, directed Director of the National Institutes of Health to submit to Congress, not later than 2 years after June 10, 1993, a report and study on the incidence in the United States of cases of chronic pain, including chronic pain resulting from back injuries, reflex sympathetic dystrophy syndrome, temporomandibular joint disorder, post-herpetic neuropathy, painful diabetic neuropathy, phantom pain, and post-stroke pain, and the effect of such cases on the costs of health care in the United States.

SUPPORT FOR BIOENGINEERING RESEARCH

Pub. L. 103–43, title XIX, §1912, June 10, 1993, 107 Stat. 206, directed Secretary of Health and Human Services, acting through Director of the National Institutes of Health, to conduct a study for the purpose of determining the sources and amounts of public and private funding devoted to basic research in bioengineering, including biomaterials sciences, cellular bioprocessing, tissue and rehabilitation engineering, evaluating whether that commitment is sufficient to maintain the innovative edge that the United States has in these technologies, evaluating the role of the National Institutes of Health or any other Federal agency to achieve a greater commitment to innovation in bioengineering, and evaluating the need for better coordination

and collaboration among Federal agencies and between the public and private sectors, and, not later than 1 year after June 10, 1993, to prepare and submit to Committee on Labor and Human Resources of Senate, and Committee on Energy and Commerce of House of Representatives, a report containing the findings of the study together with recommendations concerning the enactment of legislation to implement the results of such study.

MASTER PLAN FOR PHYSICAL INFRASTRUCTURE FOR RESEARCH

Pub. L. 103–43, title XX, §2002, June 10, 1993, 107 Stat. 208, directed Secretary of Health and Human Services, acting through Director of the National Institutes of Health, not later than June 1, 1994, to present to Congress a master plan to provide for replacement or refurbishment of less than adequate buildings, utility equipment and distribution systems (including the resources that provide electrical and other utilities, chilled water, air handling, and other services that the Secretary, acting through the Director, deemed necessary), roads, walkways, parking areas, and grounds that underpin the laboratory and clinical facilities of the National Institutes of Health, and provided that the plan could make recommendations for the undertaking of new projects that are consistent with the objectives of this section, such as encircling the National Institutes of Health Federal enclave with an adequate chilled water conduit.

§282a. Authorization of appropriations

(a) In general

(1) This subchapter

For purposes of carrying out this subchapter, there are authorized to be appropriated—

- (A) \$30,331,309,000 for fiscal year 2007;
- (B) \$32,831,309,000 for fiscal year 2008;
- (C) such sums as may be necessary for fiscal year 2009;
- (D) \$34,851,000,000 for fiscal year 2018;
- (E) \$35,585,871,000 for fiscal year 2019; and
- (F) \$36,472,442,775 for fiscal year 2020.

(2) Funding for 10-year pediatric research initiative through Common Fund

For the purpose of carrying out section 282(b)(7)(B)(ii) of this title, there is authorized to be appropriated to the Common Fund, out of the 10-Year Pediatric Research Initiative Fund described in section 9008 of title 26, and in addition to amounts otherwise made available under paragraph (1) of this subsection and reserved under subsection (c)(1)(B)(i) of this section, \$12,600,000 for each of fiscal years 2014 through 2023.

(b) Office of the Director

Of the amount authorized to be appropriated under subsection (a) for a fiscal year, there are authorized to be appropriated for programs and activities under this subchapter carried out through the Office of the Director of NIH such sums as may be necessary for each of the fiscal years 2007 through 2009.

(c) Trans-NIH research

(1) Common Fund

(A) Account

For the purpose of allocations under section 282(b)(7)(B) of this title (relating to research identified by the Division of Program Coordination, Planning, and Strategic Initiatives), there is established an account to be known as the Common Fund.

(B) Reservation

(i) In general

Of the total amount appropriated under subsection (a)(1) for fiscal year 2007 or any subsequent fiscal year, the Director of NIH shall reserve an amount for the Common Fund, subject to any applicable provisions in appropriations Acts.

(ii) Minimum amount

For each fiscal year, the percentage constituted by the amount reserved under clause (i) relative to the total amount appropriated under subsection (a)(1) for such year may not be less than the percentage constituted by the amount so reserved for the preceding fiscal year relative to the total amount appropriated under subsection (a)(1) for such preceding fiscal year, subject to any applicable provisions in appropriations Acts.

(C) Common Fund strategic planning report

As part of the National Institutes of Health Strategic Plan required under section 282(m) of this title, the Secretary, acting through the Director of NIH, shall submit a report to the Congress containing a strategic plan for funding research described in section 282(b)(7)(A)(i) of this title (including personnel needs) through the Common Fund. Each such plan shall include the following:

(i) An estimate of the amounts determined by the Director of NIH to be appropriate for maximizing the potential of such research.

(ii) An estimate of the amounts determined by the Director of NIH to be sufficient only for continuing to fund research activities previously identified by the Division of Program Coordination, Planning, and Strategic Initiatives.

(iii) An estimate of the amounts determined by the Director of NIH to be necessary to fund research described in section 282(b)(7)(A)(i) of this title—

- (I) that is in addition to the research activities described in clause (ii); and
- (II) for which there is the most substantial need.

(D) Evaluation

During the 6-month period following the end of the first fiscal year for which the total amount reserved under subparagraph (B) is equal to 5 percent of the total amount appropriated under subsection (a)(1) for such fiscal year, the Secretary, acting through the Director of NIH, in consultation with the advisory council established under section 282(k) of this title, shall submit recommendations to the Congress for changes regarding amounts for the Common Fund.

(2) Trans-NIH research reporting

(A) Limitation

With respect to the total amount appropriated under subsection (a) for fiscal year 2008 or any subsequent fiscal year, if the head of a national research institute or national center fails to submit the report required by subparagraph (B) for the preceding fiscal year, the amount made available for the institute or center for the fiscal year involved may not exceed the amount made available for the institute or center for fiscal year 2006.

(B) Reporting

Not later than 2 years after December 13, 2016, the head of each national research institute or national center shall submit to the Director of the National Institutes of Health a report, to be

included in the triennial report under section 283 of this title, on the amount made available by the institute or center for conducting or supporting research that involves collaboration between the institute or center and 1 or more other national research institutes or national centers.

(C) Determination

For purposes of determining the amount or percentage of funds to be reported under subparagraph (B), any amounts made available to an institute or center under section 282(b)(7)(B) of this title shall be included.

(D) Verification of amounts

Upon receipt of each report submitted under subparagraph (B), the Director of NIH shall review and, in cases of discrepancy, verify the accuracy of the amounts specified in the report.

(E) Waiver

At the request of any national research institute or national center, the Director of NIH may waive the application of this paragraph to such institute or center if the Director finds that the conduct or support of research described in subparagraph (B) is inconsistent with the mission of such institute or center.

(d) Transfer authority

Of the total amount appropriated under subsection (a)(1) for a fiscal year, the Director of NIH may (in addition to the reservation under subsection (c)(1) for such year) transfer not more than 1 percent for programs or activities that are authorized in this subchapter and identified by the Director to receive funds pursuant to this subsection. In making such transfers, the Director may not decrease any appropriation account under subsection (a)(1) by more than 1 percent.

(e) Rule of construction

This section may not be construed as affecting the authorities of the Director of NIH under section 281 of this title.

AMENDMENTS

2016—Subsec. (a)(1)(D) to (F). Pub. L. 114–255, §2001, added subpars. (D) to (F).

Subsec. (c)(1)(C). Pub. L. 114–255, §2031(b), substituted "As part of the National Institutes of Health Strategic Plan required under section 282(m) of this title," for "Not later than June 1, 2007, and every 2 years thereafter,".

Subsec. (c)(2)(B). Pub. L. 114–255, §2042(a)(1), amended subpar. (B) generally. Prior to amendment, text read as follows: "Not later than January 1, 2008, and each January 1st thereafter—

"(i) the head of each national research institute or national center shall submit to the Director of NIH a report on the amount made available by the institute or center for conducting or supporting research that involves collaboration between the institute or center and 1 or more other national research institutes or national centers; and

"(ii) the Secretary shall submit a report to the Congress identifying the percentage of funds made available by each national research institute and national center with respect to such fiscal year for conducting or supporting research described in clause (i)."

Subsec. (c)(2)(D), (E). Pub. L. 114–255, §2042(a)(2), substituted "(B)" for "(B)(i)".

2014—Subsec. (a). Pub. L. 113–94, §3(b)(1)(B), which directed amendment of subsec. (a) by striking "For purposes of carrying out this subchapter" and inserting par. (1) designation, heading, and "For purposes of carrying out this subchapter", was executed by striking "For the purpose of carrying out this subchapter" and making the insertions as directed, to reflect the probable intent of Congress.

Pub. L. 113–94, §3(b)(1)(A), redesignated pars. (1) to (3) as subpars. (A) to (C), respectively, and realigned margins.

Subsec. (a)(2). Pub. L. 113–94, §3(b)(1)(C), added par. (2). Former par. (2) redesignated subpar. (B) of par.

(1).

Subsecs. (c)(1)(B), (D), (d). Pub. L. 113–94, §3(b)(2), substituted "subsection (a)(1)" for "subsection (a)" wherever appearing.

L. 111–148, title X, §10409(d), Mar. 23, 2010, 124 Stat. 978, which related to the Cures Acceleration Network, was renumbered section 480 of act July 1, 1944, by Pub. L. 112–74, div. F, title II, §221(c)(1)(A), Dec. 23, 2011, 125 Stat. 1089, and transferred to section 287a of this title.

§283. Triennial reports of Director of NIH

(a) In general

The Director of NIH shall submit to the Congress on a triennial basis a report in accordance with this section. The first report shall be submitted not later than 1 year after January 15, 2007. Each such report shall include the following information:

- (1) An assessment of the state of biomedical and behavioral research.
- (2) A description of the activities conducted or supported by the agencies of the National Institutes of Health and policies respecting the programs of such agencies.
- (3) A description of intra-National Institutes of Health activities, including—
 - (A) identification of the percentage of funds made available by each national research institute and national center with respect to each applicable fiscal year for conducting or supporting research that involves collaboration between the institute or center and 1 or more other national research institutes or national centers; and
 - (B) recommendations for promoting coordination of information among the centers of excellence.

(4) A catalog of all the research activities of the agencies, prepared in accordance with the following:

- (A) The catalog shall, for each such activity—
 - (i) identify the agency or agencies involved;
 - (ii) state whether the activity was carried out directly by the agencies or was supported by the agencies and describe to what extent the agency was involved; and
 - (iii) identify whether the activity was carried out through a center of excellence.

(B) In the case of clinical research, the catalog shall, as appropriate, identify study populations by demographic variables, including biological and social variables and relevant age categories (such as pediatric subgroups), and determinants of health, that contribute to research on minority health and health disparities.

(C) Research activities listed in the catalog shall include, where applicable, the following:

- (i) Epidemiological studies and longitudinal studies.
- (ii) Disease registries, information clearinghouses, and other data systems.
- (iii) Public education and information campaigns.
- (iv) Training activities, including—
 - (I) National Research Service Awards and Clinical Transformation Science Awards;
 - (II) graduate medical education programs, including information on the number and type of graduate degrees awarded during the period in which the programs received funding

under this subchapter;

(III) investigator-initiated awards for postdoctoral training and postdoctoral training funded through research grants;

(IV) a breakdown by demographic variables and other appropriate categories; and

(V) an evaluation and comparison of outcomes and effectiveness of various training programs.

(v) Clinical trials, including a breakdown of participation by study populations and demographic variables, including relevant age categories (such as pediatric subgroups), information submitted by each national research institute and national center to the Director of National Institutes of Health under section 289a–2(f) of this title, and such other information as may be necessary to demonstrate compliance with section 289a–2 of this title and other applicable requirements regarding inclusion of demographic groups.

(vi) Translational research activities with other agencies of the Public Health Service.

(5) A summary of the research activities throughout the agencies, which summary shall be organized by the following categories, where applicable:

(A) Cancer.

(B) Neurosciences.

(C) Life stages, human development, and rehabilitation.

(D) Organ systems.

(E) Autoimmune diseases.

(F) Genomics.

(G) Molecular biology and basic science.

(H) Technology development.

(I) Chronic diseases, including pain and palliative care.

(J) Infectious diseases and bioterrorism.

(K) Minority health and health disparities.

(L) Such additional categories as the Director determines to be appropriate.

(6) A review of each entity receiving funding under this subchapter in its capacity as a center of excellence (in this paragraph referred to as a "center of excellence"), including the following—

(A) an evaluation of the performance and research outcomes of each center of excellence; and

(B) recommendations for improving the effectiveness, efficiency, and outcomes of the centers of excellence.

(b) Requirement regarding disease-specific research activities

In a report under subsection (a), the Director of NIH, when reporting on research activities relating to a specific disease, disorder, or other adverse health condition, shall—

(1) present information in a standardized format;

(2) identify the actual dollar amounts obligated for such activities; and

(3) include a plan for research on the specific disease, disorder, or other adverse health condition, including a statement of objectives regarding the research, the means for achieving the objectives, a date by which the objectives are expected to be achieved, and justifications for revisions to the plan.

(c) Additional reports

In addition to reports required by subsections (a) and (b), the Director of NIH or the head of a national research institute or national center may submit to the Congress such additional reports as the Director or the head of such institute or center determines to be appropriate.

EDITORIAL NOTES

PRIOR PROVISIONS

A prior section 283, act July 1, 1944, ch. 373, title IV, §403, as added Pub. L. 99–158, §2, Nov. 20, 1985, 99 Stat. 826; amended Pub. L. 100–607, title I, §112, Nov. 4, 1988, 102 Stat. 3052, required a biennial report by the Director to the President and Congress, prior to repeal by Pub. L. 109–482, title I, §104(a)(3), Jan. 15, 2007, 120 Stat. 3689.

AMENDMENTS

2016—Pub. L. 114–255, §2032(1), substituted "Triennial" for "Biennial" in section catchline.

Subsec. (a). Pub. L. 114–255, §2032(2)(A), substituted "triennial" for "biennial" in introductory provisions.

Subsec. (a)(3). Pub. L. 114–255, §2032(2)(B), amended par. (3) generally. Prior to amendment, par. (3) read as follows: "Classification and justification for the priorities established by the agencies, including a strategic plan and recommendations for future research initiatives to be carried out under section 282(b)(7) of this title through the Division of Program Coordination, Planning, and Strategic Initiatives."

Subsec. (a)(4)(B). Pub. L. 114–255, §2032(2)(C)(i), substituted "demographic variables, including biological and social variables and relevant age categories (such as pediatric subgroups), and determinants of health," for "demographic variables and other variables".

Subsec. (a)(4)(C)(v). Pub. L. 114–255, §2032(2)(C)(ii), substituted "demographic variables, including relevant age categories (such as pediatric subgroups), information submitted by each national research institute and national center to the Director of National Institutes of Health under section 289a–2(f) of this title, and such" for "demographic variables and such" and "and other applicable requirements regarding inclusion of demographic groups" for "(regarding inclusion of women and minorities in clinical research)".

Subsec. (a)(6). Pub. L. 114–255, §2032(2)(D), substituted "the following—" for "the following:" in introductory provisions, "an evaluation" for "An evaluation" and "; and" for the period in subpar. (A), redesignated subpar. (C) as (B) and substituted "recommendations" for "Recommendations", and struck out former subpars. (B) and (D), which read as follows:

"(B) Recommendations for promoting coordination of information among the centers of excellence.

"(D) If no additional centers of excellence have been funded under this subchapter since the previous report under this section, an explanation of the reasons for not funding any additional centers."

2007—Subsec. (a)(4)(C)(iv)(III). Pub. L. 110–85 inserted "and postdoctoral training funded through research grants" before semicolon at end.

§283a. Annual reporting to increase interagency collaboration and coordination

(a) Collaboration with other HHS agencies

On an annual basis, the Director of NIH shall submit to the Secretary a report on the activities of the National Institutes of Health involving collaboration with other agencies of the Department of Health and Human Services.

(b) Clinical trials

Each calendar year, the Director of NIH shall submit to the Commissioner of Food and Drugs a report that identifies each clinical trial that is registered during such calendar year in the databank of information established under section 282(i) of this title.

(c) Human tissue samples

On an annual basis, the Director of NIH shall submit to the Congress a report that describes how the National Institutes of Health and its agencies store and track human tissue samples.

(d) First report

The first report under subsections (a), (b), and (c) shall be submitted not later than 1 year after January 15, 2007.

§283a–1. Annual reporting to prevent fraud and abuse

(a) Whistleblower complaints

(1) In general

On an annual basis, the Director of NIH shall submit to the Inspector General of the Department of Health and Human Services, the Secretary, the Committee on Energy and Commerce and the Committee on Appropriations of the House of Representatives, and the Committee on Health, Education, Labor, and Pensions and the Committee on Appropriations of the Senate a report summarizing the activities of the National Institutes of Health relating to whistleblower complaints.

(2) Contents

For each whistleblower complaint pending during the year for which a report is submitted under this subsection, the report shall identify the following:

- (A) Each agency of the National Institutes of Health involved.
- (B) The status of the complaint.
- (C) The resolution of the complaint to date.

(b) First report

The first report under subsection (a) shall be submitted not later than 1 year after January 15, 2007.

§283a–2. Annual reporting regarding training of graduate students for doctoral degrees

(a) In general

Each institution receiving an award under this subchapter for the training of graduate students for doctoral degrees shall annually report to the Director of NIH, with respect to graduate students supported by the National Institutes of Health at such institution—

(1) the percentage of such students admitted for study who successfully attain a doctoral degree; and

(2) for students described in paragraph (1), the average time between the beginning of graduate study and the receipt of a doctoral degree.

(3) ¹ Provision of information to applicants

Each institution described in subsection (a) shall provide to each student submitting an application for a program of graduate study at such institution the information described in paragraphs (1) and (2) of such subsection with respect to the program or programs to which such student has applied.

§283a–3. Establishment of program regarding DES

(a) In general

The Director of NIH shall establish a program for the conduct and support of research and training, the dissemination of health information, and other programs with respect to the diagnosis and treatment of conditions associated with exposure to the drug diethylstilbestrol (in this section referred to as "DES").

(b) Education programs

In carrying out subsection (a), the Director of NIH, after consultation with nonprofit private entities representing individuals who have been exposed to DES, shall conduct or support programs to educate health professionals and the public on the drug, including the importance of identifying and treating individuals who have been exposed to the drug.

(c) Longitudinal studies

After consultation with the Office of Research on Women's Health, the Director of NIH, acting through the appropriate national research institutes, shall in carrying out subsection (a) conduct or support one or more longitudinal studies to determine the incidence of the following diseases or disorders in the indicated populations and the relationship of DES to the diseases or disorders:

(1) In the case of women to whom (on or after January 1, 1938) DES was administered while the women were pregnant, the incidence of all diseases and disorders (including breast cancer, gynecological cancers, and impairments of the immune system, including autoimmune disease).

(2) In the case of women exposed to DES in utero, the incidence of clear cell cancer (including recurrences), the long-term health effects of such cancer, and the effects of treatments for such cancer.

(3) In the case of men and women exposed to DES in utero, the incidence of all diseases and disorders (including impairments of the reproductive and autoimmune systems).

(4) In the case of children of men or women exposed to DES in utero, the incidence of all diseases and disorders.

(d) Exposure to DES in utero

For purposes of this section, an individual shall be considered to have been exposed to DES in utero if, during the pregnancy that resulted in the birth of such individual, DES was (on or after January 1, 1938) administered to the biological mother of the individual.

§283c. Office of Behavioral and Social Sciences Research

(a) There is established within the Office of the Director of NIH an office to be known as the Office of Behavioral and Social Sciences Research (in this section referred to as the "Office"). The Office shall be headed by a director, who shall be appointed by the Director of NIH.

(b)(1) With respect to research on the relationship between human behavior and the development, treatment, and prevention of medical conditions, the Director of the Office shall—

(A) coordinate research conducted or supported by the agencies of the National Institutes of Health; and

(B) identify projects of behavioral and social sciences research that should be conducted or supported by the national research institutes, and develop such projects in cooperation with such institutes.

(2) Research authorized under paragraph (1) includes research on teen pregnancy, infant mortality, violent behavior, suicide, and homelessness. Such research does not include neurobiological research, or research in which the behavior of an organism is observed for the purpose of determining activity at the cellular or molecular level.

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE

Pub. L. 103–43, title II, §203(c), June 10, 1993, 107 Stat. 146, provided that: "The amendment described in subsection (a) [enacting this section] is made upon the date of the enactment of this Act [June 10, 1993] and takes effect July 1, 1993. Subsection (b) [107 Stat. 145] takes effect on such date."

§283d. Children's Vaccine Initiative

The Secretary, in consultation with the Director of the National Vaccine Program under subchapter XIX and acting through the Directors of the National Institute for Allergy and Infectious Diseases, the Eunice Kennedy Shriver National Institute of Child Health and Human Development, the National Institute for Aging, and other public and private programs, shall carry out activities, which shall be consistent with the global Children's Vaccine Initiative, to develop affordable new and improved vaccines to be used in the United States and in the developing world that will increase the efficacy and efficiency of the prevention of infectious diseases. In carrying out such activities, the Secretary shall, to the extent practicable, develop and make available vaccines that require fewer contacts to deliver, that can be given early in life, that provide long lasting protection, that obviate refrigeration, needles and syringes, and that protect against a larger number of diseases.

EDITORIAL NOTES

AMENDMENTS

2016—Pub. L. 114–255 struck out subsec. (a) designation and heading "Development of New Vaccines" and subsec. (b). Prior to amendment, text of subsec. (b) read as follows: "In the report required in section 300aa–4 of this title, the Secretary, acting through the Director of the National Vaccine Program under subchapter XIX, shall include information with respect to activities and the progress made in implementing the provisions of this section and achieving its goals."

2007—Subsec. (a). Pub. L. 110–154 substituted "Eunice Kennedy Shriver National Institute of Child Health and Human Development" for "National Institute for Child Health and Human Development".

Subsec. (c). Pub. L. 109–482 struck out heading and text of subsec. (c). Text read as follows: "In addition to any other amounts authorized to be appropriated for activities of the type described in this section, there are authorized to be appropriated to carry out this section \$20,000,000 for fiscal year 1994, and such sums as may be necessary for each of the fiscal years 1995 and 1996."

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2007 AMENDMENT

Amendment by Pub. L. 109–482 applicable only with respect to amounts appropriated for fiscal year 2007 or subsequent fiscal years, see section 109 of Pub. L. 109–482, set out as a note under section 281 of this title.

§283e. Plan for use of animals in research

(a) Preparation

The Director of NIH, after consultation with the committee established under subsection (e), shall prepare a plan—

(1) for the National Institutes of Health to conduct or support research into—

(A) methods of biomedical research and experimentation that do not require the use of animals;

(B) methods of such research and experimentation that reduce the number of animals used in such research;

(C) methods of such research and experimentation that produce less pain and distress in such animals; and

(D) methods of such research and experimentation that involve the use of marine life (other than marine mammals);

(2) for establishing the validity and reliability of the methods described in paragraph (1);

(3) for encouraging the acceptance by the scientific community of such methods that have been

found to be valid and reliable; and

(4) for training scientists in the use of such methods that have been found to be valid and reliable.

(b) Submission to Congressional committees

Not later than October 1, 1993, the Director of NIH shall submit to the Committee on Energy and Commerce of the House of Representatives, and to the Committee on Labor and Human Resources of the Senate, the plan required in subsection (a) and shall begin implementation of the plan.

(c) Periodic review and revision

The Director of NIH shall periodically review, and as appropriate, make revisions in the plan required under subsection (a). A description of any revision made in the plan shall be included in the first biennial report under section 283 of this title that is submitted after the revision is made.

(d) Dissemination of information

The Director of NIH shall take such actions as may be appropriate to convey to scientists and others who use animals in biomedical or behavioral research or experimentation information respecting the methods found to be valid and reliable under subsection (a)(2).

(e) Interagency Coordinating Committee on the Use of Animals in Research

(1) The Director of NIH shall establish within the National Institutes of Health a committee to be known as the Interagency Coordinating Committee on the Use of Animals in Research (in this subsection referred to as the "Committee").

(2) The Committee shall provide advice to the Director of NIH on the preparation of the plan required in subsection (a).

(3) The Committee shall be composed of—

(A) the Directors of each of the national research institutes (or the designees of such Directors); and

(B) representatives of the Environmental Protection Agency, the Food and Drug Administration, the Consumer Product Safety Commission, the National Science Foundation, and such additional agencies as the Director of NIH determines to be appropriate, which representatives shall include not less than one veterinarian with expertise in laboratory-animal medicine.

(July 1, 1944, ch. 373, title IV, §404C, as added Pub. L. 103–43, title II, §205(a), June 10, 1993, 107 Stat. 146; amended Pub. L. 112–74, div. F, title II, §221(d)(2), Dec. 23, 2011, 125 Stat. 1090.)

AMENDMENTS

2011—Subsec. (e)(3)(A). Pub. L. 112–74 struck out "and the Director of the Center for Research Resources" after "institutes".

STATUTORY NOTES AND RELATED SUBSIDIARIES

CHANGE OF NAME

Committee on Labor and Human Resources of Senate changed to Committee on Health, Education, Labor, and Pensions of Senate by Senate Resolution No. 20, One Hundred Sixth Congress, Jan. 19, 1999.

Committee on Energy and Commerce of House of Representatives treated as referring to Committee on Commerce of House of Representatives by section 1(a) of Pub. L. 104–14, set out as a note preceding section 21 of Title 2, The Congress. Committee on Commerce of House of Representatives changed to Committee on Energy and Commerce of House of Representatives, and jurisdiction over matters relating to securities and exchanges and insurance generally transferred to Committee on Financial Services of House of Representatives by House Resolution No. 5, One Hundred Seventh Congress, Jan. 3, 2001.

§283f. Requirements regarding surveys of sexual behavior

With respect to any survey of human sexual behavior proposed to be conducted or supported through the National Institutes of Health, the survey may not be carried out unless—

(1) the proposal has undergone review in accordance with any applicable requirements of sections 289 and 289a of this title; and

(2) the Secretary, in accordance with section 289a–1 of this title, makes a determination that the information expected to be obtained through the survey will assist—

(A) in reducing the incidence of sexually transmitted diseases, the incidence of infection with the human immunodeficiency virus, or the incidence of any other infectious disease; or

(B) in improving reproductive health or other conditions of health.

(July 1, 1944, ch. 373, title IV, §404D, as added Pub. L. 103–43, title II, §207, June 10, 1993, 107 Stat. 148.)

PROHIBITION AGAINST SHARP ADULT SEX SURVEY AND AMERICAN TEENAGE SEX SURVEY

Pub. L. 103–43, title XX, §2015, June 10, 1993, 107 Stat. 217, provided that: "The Secretary of Health and Human Services may not during fiscal year 1993 or any subsequent fiscal year conduct or support the SHARP survey of adult sexual behavior or the American Teenage Study of adolescent sexual behavior. This section becomes effective on the date of the enactment of this Act [June 10, 1993]."

§283g. Muscular dystrophy; initiative through Director of National Institutes of Health

(a) Expansion, intensification, and coordination of activities

(1) In general

The Director of NIH, in coordination with the Directors of the National Institute of Neurological Disorders and Stroke, the National Institute of Arthritis and Musculoskeletal and Skin Diseases, the Eunice Kennedy Shriver National Institute of Child Health and Human Development, the National Heart, Lung, and Blood Institute, and the other national research institutes as appropriate, shall expand and intensify programs of such Institutes with respect to research and related activities concerning various forms of muscular dystrophy, including Duchenne, Becker, congenital muscular dystrophy, limb-girdle muscular dystrophy, myotonic, facioscapulohumeral muscular dystrophy (referred to in this section as "FSHD") and other forms of muscular dystrophy.

(2) Coordination

The Directors referred to in paragraph (1) shall jointly coordinate the programs referred to in such paragraph and consult with the Muscular Dystrophy Interagency Coordinating Committee established under section 6 of the MD–CARE Act.¹

(3) Allocations by Director of NIH

The Director of NIH shall allocate the amounts appropriated to carry out this section for each fiscal year among the national research institutes referred to in paragraph (1).

(b) Centers of excellence

(1) In general

The Director of NIH shall award grants and contracts under subsection (a)(1) to public or nonprofit private entities to pay all or part of the cost of planning, establishing, improving, and

providing basic operating support for centers of excellence regarding research on various forms of muscular dystrophy. Such centers of excellence shall be known as the "Paul D. Wellstone Muscular Dystrophy Cooperative Research Centers".

(2) Research

Each center under paragraph (1) shall supplement but not replace the establishment of a comprehensive research portfolio in all the muscular dystrophies. As a whole, the centers shall conduct basic and clinical research in all forms of muscular dystrophy including early detection, diagnosis, prevention, and treatment, including the fields of muscle biology, genetics, noninvasive imaging, cardiac and pulmonary function, and pharmacological and other therapies.

(3) Coordination of centers

The Director of NIH shall, as appropriate, provide for the coordination of information among centers under paragraph (1) and ensure regular communication and sharing of data between such centers.

(4) Organization of centers

Each center under paragraph (1) shall use the facilities of a single institution, or be formed from a consortium of cooperating institutions, meeting such requirements as may be prescribed by the Director of NIH.

(5) Duration of support

Support for a center established under paragraph (1) may be provided under this section for a period of not to exceed 5 years. Such period may be extended for 1 or more additional periods not exceeding 5 years if the operations of such center have been reviewed by an appropriate technical and scientific peer review group established by the Director of NIH and if such group has recommended to the Director that such period should be extended.

(c) Facilitation of research

The Director of NIH shall provide for a program under subsection (a)(1) under which samples of tissues and genetic materials that are of use in research on muscular dystrophy are donated, collected, preserved, and made available for such research. The program shall be carried out in accordance with accepted scientific and medical standards for the donation, collection, and preservation of such samples.

(d) Coordinating Committee

(1) In general

The Secretary shall establish the Muscular Dystrophy Coordinating Committee (referred to in this section as the "Coordinating Committee") to coordinate activities across the National Institutes and with other Federal health programs and activities relating to the various forms of muscular dystrophy.

(2) Composition

The Coordinating Committee shall consist of not more than 18 members to be appointed by the Secretary, of which—

(A) 2/3 of such members shall represent governmental agencies, including the directors or their designees of each of the national research institutes involved in research with respect to muscular dystrophy and representatives of all other Federal departments and agencies whose programs involve health functions or responsibilities relevant to such diseases, including the Centers for Disease Control and Prevention, the Health Resources and Services Administration, the Food and Drug Administration, and the Administration for Community Living and representatives of other governmental agencies that serve children and adults with muscular dystrophy, including the Department of Education and the Social Security Administration; and

(B) 1/3 of such members shall be public members, including a broad cross section of persons affected with muscular dystrophies including parents or legal guardians, affected individuals, researchers, and clinicians.

Members appointed under subparagraph (B) shall serve for a term of 3 years, and may serve for an unlimited number of terms if reappointed.

(3) Chair

(A) In general

With respect to muscular dystrophy, the Chair of the Coordinating Committee shall serve as the principal advisor to the Secretary, the Assistant Secretary for Health, and the Director of NIH, and shall provide advice to the Director of the Centers for Disease Control and Prevention, the Commissioner of Food and Drugs, and to the heads of other relevant agencies. The Coordinating Committee shall select the Chair for a term not to exceed 2 years.

(B) Appointment

The Chair of the Committee shall be appointed by and be directly responsible to the Secretary.

(4) Administrative support; terms of service; other provisions

The following shall apply with respect to the Coordinating Committee:

(A) The Coordinating Committee shall receive necessary and appropriate administrative support from the Department of Health and Human Services.

(B) The Coordinating Committee shall meet as appropriate as determined by the Secretary, in consultation with the chair,² but shall meet no fewer than two times per calendar year.

(e) Plan for HHS activities

(1) In general

Not later than 1 year after December 18, 2001, the Coordinating Committee shall develop a plan for conducting and supporting research and education on muscular dystrophy through the agencies represented on the Coordinating Committee pursuant to subsection (d)(2)(A) and shall periodically review and revise the plan. The plan shall—

(A) provide for a broad range of research and education activities relating to biomedical, epidemiological, psychosocial, public services, and rehabilitative issues, including studies of the impact of such diseases in rural and underserved communities, studies to demonstrate the cost-effectiveness of providing independent living resources and support to patients with various forms of muscular dystrophy, and studies to determine optimal clinical care interventions for adults with various forms of muscular dystrophy;

(B) identify priorities among the programs and activities of the National Institutes of Health regarding such diseases; and

(C) reflect input from a broad range of scientists, patients, and advocacy groups.

(2) Certain elements of plan

The plan under paragraph (1) shall, with respect to each form of muscular dystrophy, provide for the following as appropriate:

(A) Research to determine the reasons underlying the incidence and prevalence of various forms of muscular dystrophy.

(B) Basic research concerning the etiology and genetic links of the disease and potential causes of mutations.

(C) The development of improved screening techniques.

(D) Basic and clinical research for the development and evaluation of new treatments, including new biological agents and new clinical interventions to improve the health of those with muscular dystrophy.

(E) Information and education programs for health care professionals and the public.

(f) Public input

The Secretary shall, under subsection (a)(1), provide for a means through which the public can obtain information on the existing and planned programs and activities of the Department of Health

and Human Services with respect to various forms of muscular dystrophy and through which the Secretary can receive comments from the public regarding such programs and activities.

(g) Clinical research

The Coordinating Committee may evaluate the potential need to enhance the clinical research infrastructure required to test emerging therapies for the various forms of muscular dystrophy by prioritizing the achievement of the goals related to this topic in the plan under subsection (e)(1).

EDITORIAL NOTES

REFERENCES IN TEXT

Section 6 of the MD–CARE Act, referred to in subsec. (a)(2), is section 6 of Pub. L. 107–84, which was formerly set out as a note under section 247b–18 of this title and does not relate to establishment of a coordinating committee. However, subsec. (d) of this section contains provisions relating to the establishment of the Muscular Dystrophy Coordinating Committee.

PRIOR PROVISIONS

A prior section 283g, act July 1, 1944, ch. 373, title IV, §404E, as added Pub. L. 103–43, title II, §209, June 10, 1993, 107 Stat. 149, related to Office of Alternative Medicine, prior to repeal by Pub. L. 105–277, div. A, §101(f) [title VI, §601(1)], Oct. 21, 1998, 112 Stat. 2681–337, 2681–387.

AMENDMENTS

2014—Subsec. (a)(1). Pub. L. 113–166, §2(1), substituted "Musculoskeletal" for "Muscoskeletal" and inserted "Becker, congenital muscular dystrophy, limb-girdle muscular dystrophy," after "Duchenne,".

Subsec. (b)(2). Pub. L. 113–166, §2(2)(A), substituted "cardiac and pulmonary function, and pharmacological" for "genetics, pharmacological".

Subsec. (b)(3). Pub. L. 113–166, §2(2)(B), inserted "and sharing of data" after "regular communication".

Subsec. (d)(2). Pub. L. 113–166, §2(3)(A)(i), substituted "18" for "15" in introductory provisions.

Subsec. (d)(2)(A). Pub. L. 113–166, §2(3)(A)(ii), substituted ", the Food and Drug Administration, and the Administration for Community Living" for "and the Food and Drug Administration" and "including the Department of Education and the Social Security Administration" for "such as the Department of Education" and inserted "and adults" after "children".

Subsec. (d)(4)(B). Pub. L. 113–166, §2(3)(B), inserted ", but shall meet no fewer than two times per calendar year" before period at end.

Subsec. (e)(1). Pub. L. 113–166, §2(4)(A)(i), substituted "through the agencies represented on the Coordinating Committee pursuant to subsection (d)(2)(A)" for "through the national research institutes" in introductory provisions.

Subsec. (e)(1)(A). Pub. L. 113–166, §2(4)(A)(ii), inserted "public services," after "psychosocial," and ", studies to demonstrate the cost-effectiveness of providing independent living resources and support to patients with various forms of muscular dystrophy, and studies to determine optimal clinical care interventions for adults with various forms of muscular dystrophy" after "including studies of the impact of such diseases in rural and underserved communities".

Subsec. (e)(2)(D). Pub. L. 113–166, §2(4)(B), inserted "and new clinical interventions to improve the health of those with muscular dystrophy" after "including new biological agents".

2008—Subsec. (a)(1). Pub. L. 110–361, §2(b)(1), inserted "the National Heart, Lung, and Blood Institute," after "the Eunice Kennedy Shriver National Institute of Child Health and Human Development,".

Subsec. (b)(1). Pub. L. 110–361, §2(b)(2), inserted at end "Such centers of excellence shall be known as the 'Paul D. Wellstone Muscular Dystrophy Cooperative Research Centers'."

Subsec. (f). Pub. L. 110–361, §2(a), redesignated subsec. (g) as (f) and struck out former subsec. (f) which related to reports.

Subsec. (g). Pub. L. 110–361, §2(a), (b)(3), added subsec. (g) and redesignated former subsec. (g) as (f).

2007—Pub. L. 109–482, §104(b)(1)(A)(ii), which directed amendment of subsec. (b) by striking subsec. (f) and redesignating subsec. (g) as (f), could not literally be executed and was not executed in view of

amendments by Pub. L. 110–361. See 2008 Amendment notes above.

Subsec. (a)(1). Pub. L. 110–154 substituted "Eunice Kennedy Shriver National Institute of Child Health and Human Development" for "National Institute of Child Health and Human Development".

Subsec. (b)(3). Pub. L. 109–482, §104(b)(1)(A)(i), amended heading and text of par. (3) generally. Text read as follows: "The Director of NIH—

"(A) shall, as appropriate, provide for the coordination of information among centers under paragraph (1) and ensure regular communication between such centers; and

"(B) shall require the periodic preparation of reports on the activities of the centers and the submission of the reports to the Director."

Subsec. (h). Pub. L. 109–482, §103(b)(4), struck out heading and text of subsec. (h). Text read as follows: "For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each of fiscal years 2002 through 2006. The authorization of appropriations established in the preceding sentence is in addition to any other authorization of appropriations that is available for conducting or supporting through the National Institutes of Health research and other activities with respect to muscular dystrophy."

§283k. Biomedical and behavioral research facilities

(a) Modernization and construction of facilities

(1) In general

The Director of NIH, acting through the Office of the Director of NIH or the Director of the National Institute of Allergy and Infectious Diseases, may make grants or contracts to public and nonprofit private entities to expand, remodel, renovate, or alter existing research facilities or construct new research facilities, subject to the provisions of this section.

(2) Construction and cost of construction

For purposes of this section, the terms "construction" and "cost of construction" include the construction of new buildings and the expansion, renovation, remodeling, and alteration of existing buildings, including architects' fees, but do not include the cost of acquisition of land or off-site improvements.

(b) Scientific and technical review boards for merit-based review of proposals

(1) In general: approval as precondition to grants

(A) Establishment

There is established a Scientific and Technical Review Board on Biomedical and Behavioral Research Facilities (referred to in this section as the "Board").

(B) Requirement

The Director of NIH, acting through the Office of the Director of NIH, may approve an application for a grant under subsection (a) only if the Board has under paragraph (2) recommended the application for approval.

(2) Duties

(A) Advice

The Board shall provide advice to the Director of NIH and the Council of Councils established under section 282(1) of this title (in this section referred to as the "Council") in carrying out this section.

(B) Determination of merit

In carrying out subparagraph (A), the Board shall make a determination of the merit of each application submitted for a grant under subsection (a), after consideration of the requirements established in subsection (c), and shall report the results of the determination to the Director of NIH and the Council. Such determinations shall be conducted in a manner consistent with procedures established under section 289a of this title.

(C) Amount

In carrying out subparagraph (A), the Board shall, in the case of applications recommended for approval, make recommendations to the Director and the Council on the amount that should be provided under the grant.

(D) Annual report

In carrying out subparagraph (A), the Board shall prepare an annual report for the Director of NIH and the Council describing the activities of the Board in the fiscal year for which the report is made. Each such report shall be available to the public, and shall—

(i) summarize and analyze expenditures made under this section;

(ii) provide a summary of the types, numbers, and amounts of applications that were recommended for grants under subsection (a) but that were not approved by the Director of NIH; and

(iii) contain the recommendations of the Board for any changes in the administration of this section.

(3) Membership

(A) In general

Subject to subparagraph (B), the Board shall be composed of 15 members to be appointed by the Director of NIH, acting through the Office of the Director of NIH, and such ad-hoc or

temporary members as the Director of NIH, acting through the Office of the Director of NIH, determines to be appropriate. All members of the Board, including temporary and ad-hoc members, shall be voting members.

(B) Limitation

Not more than three individuals who are officers or employees of the Federal Government may serve as members of the Board.

(4) Certain requirements regarding membership

In selecting individuals for membership on the Board, the Director of NIH, acting through the Office of the Director of NIH, shall ensure that the members are individuals who, by virtue of their training or experience, are eminently qualified to perform peer review functions. In selecting such individuals for such membership, the Director of NIH, acting through the Office of the Director of NIH, shall ensure that the members of the Board collectively—

(A) are experienced in the planning, construction, financing, and administration of entities that conduct biomedical or behavioral research sciences;

(B) are knowledgeable in making determinations of the need of entities for biomedical or behavioral research facilities, including such facilities for the dentistry, nursing, pharmacy, and allied health professions;

(C) are knowledgeable in evaluating the relative priorities for applications for grants under subsection (a) in view of the overall research needs of the United States; and

(D) are experienced with emerging centers of excellence, as described in subsection (c)(2).

(5) Certain authorities

(A) Workshops and conferences

In carrying out paragraph (2), the Board may convene workshops and conferences, and collect data as the Board considers appropriate.

(B) Subcommittees

In carrying out paragraph (2), the Board may establish subcommittees within the Board. Such subcommittees may hold meetings as determined necessary to enable the subcommittee to carry out its duties.

(6) Terms

(A) In general

Except as provided in subparagraph (B), each appointed member of the Board shall hold office for a term of 4 years. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which such member's predecessor was appointed shall be appointed for the remainder of the term of the predecessor.

(B) Staggered terms

Members appointed to the Board shall serve staggered terms as specified by the Director of NIH, acting through the Office of the Director of NIH, when making the appointments.

(C) Reappointment

No member of the Board shall be eligible for reappointment to the Board until 1 year has elapsed after the end of the most recent term of the member.

(7) Compensation

Members of the Board who are not officers or employees of the United States shall receive for each day the members are engaged in the performance of the functions of the Board compensation at the same rate received by members of other national advisory councils established under this subchapter.

(c) Requirements for grants

(1) In general

The Director of NIH, acting through the Office of the Director of NIH or the National Institute of Allergy and Infectious Diseases, may make a grant under subsection (a) only if the applicant for the grant meets the following conditions:

(A) The applicant is determined by such Director to be competent to engage in the type of research for which the proposed facility is to be constructed.

(B) The applicant provides assurances satisfactory to the Director that—

(i) for not less than 20 years after completion of the construction involved, the facility will be used for the purposes of the research for which it is to be constructed;

(ii) sufficient funds will be available to meet the non-Federal share of the cost of constructing the facility;

(iii) sufficient funds will be available, when construction is completed, for the effective use of the facility for the research for which it is being constructed; and

(iv) the proposed construction will expand the applicant's capacity for research, or is necessary to improve or maintain the quality of the applicant's research.

(C) The applicant meets reasonable qualifications established by the Director with respect to—

(i) the relative scientific and technical merit of the applications, and the relative effectiveness of the proposed facilities, in expanding the capacity for biomedical or behavioral research and in improving the quality of such research;

(ii) the quality of the research or training, or both, to be carried out in the facilities involved;

(iii) the congruence of the research activities to be carried out within the facility with the research and investigator manpower needs of the United States; and

(iv) the age and condition of existing research facilities.

(D) The applicant has demonstrated a commitment to enhancing and expanding the research productivity of the applicant.

(2) Institutions of emerging excellence

From the amount appropriated to carry out this section for a fiscal year up to \$50,000,000, the Director of NIH, acting through the Office of the Director of NIH, shall make available 25 percent of such amount, and from the amount appropriated to carry out this section for a fiscal year that is over \$50,000,000, the Director of NIH, acting through the Office of the Director of NIH, shall make available up to 25 percent of such amount, for grants under subsection (a) to applicants that in addition to meeting the requirements established in paragraph (1), have demonstrated emerging excellence in biomedical or behavioral research, as follows:

(A) The applicant has a plan for research or training advancement and possesses the ability to carry out the plan.

(B) The applicant carries out research and research training programs that have a special relevance to a problem, concern, or unmet health need of the United States.

(C) The applicant has been productive in research or research development and training.

(D) The applicant—

(i) has been designated as a center of excellence under section 293c ¹ of this title;

(ii) is located in a geographic area whose population includes a significant number of individuals with health status deficit, and the applicant provides health services to such individuals; or

(iii) is located in a geographic area in which a deficit in health care technology, services, or research resources may adversely affect the health status of the population of the area in the future, and the applicant is carrying out activities with respect to protecting the health status of such population.

(d) Requirement of application

The Director of NIH, acting through the Office of the Director of NIH or the National Institute of

Allergy and Infectious Diseases, may make a grant under subsection (a) only if an application for the grant is submitted to the Director and the application is in such form, is made in such manner, and contains such agreements, assurances, and information as the Director determines to be necessary to carry out this section.

(e) Amount of grant; payments

(1) Amount

The amount of any grant awarded under subsection (a) shall be determined by the Director of NIH, acting through the Office of the Director of NIH or the National Institute of Allergy and Infectious Diseases,² except that such amount shall not exceed—

(A) 50 percent (or, in the case of the Institute, 75 percent) of the necessary cost of the construction of a proposed facility as determined by the Director; or

(B) in the case of a multipurpose facility, 40 percent (or, in the case of the Institute, 75 percent) of that part of the necessary cost of construction that the Director determines to be proportionate to the contemplated use of the facility.

(2) Reservation of amounts

On the approval of any application for a grant under subsection (a), the Director of NIH, acting through the Office of the Director of NIH or the National Institute of Allergy and Infectious Diseases, shall reserve, from any appropriation available for such grants, the amount of such grant, and shall pay such amount, in advance or by way of reimbursement, and in such installments consistent with the construction progress, as the Director may determine appropriate. The reservation of any amount by the Director under this paragraph may be amended by the Director, either on the approval of an amendment of the application or on the revision of the estimated cost of construction of the facility.

(3) Exclusion of certain costs

In determining the amount of any grant under subsection (a), there shall be excluded from the cost of construction an amount equal to the sum of—

(A) the amount of any other Federal grant that the applicant has obtained, or is assured of obtaining, with respect to construction that is to be financed in part by a grant authorized under this section; and

(B) the amount of any non-Federal funds required to be expended as a condition of such other Federal grant.

(4) Waiver of limitations

The limitations imposed under paragraph (1) may be waived at the discretion of the Director of NIH, acting through the Office of the Director of NIH or the National Institute of Allergy and Infectious Diseases, for applicants meeting the conditions described in subsection (c).

(f) Recapture of payments

If, not later than 20 years after the completion of construction for which a grant has been awarded under subsection (a)—

(1) in the case of an award by the Director of NIH, acting through the Office of the Director of NIH, the applicant or other owner of the facility shall cease to be a public or non profit³ private entity; or

(2) the facility shall cease to be used for the research purposes for which it was constructed (unless the Director of NIH, acting through the Office of the Director of NIH or the National Institute of Allergy and Infectious Diseases, determines, in accordance with regulations, that there is good cause for releasing the applicant or other owner from obligation to do so),

the United States shall be entitled to recover from the applicant or other owner of the facility the amount bearing the same ratio to the current value (as determined by an agreement between the parties or by action brought in the United States District Court for the district in which such facility

is situated) of the facility as the amount of the Federal participation bore to the cost of the construction of such facility.

(g) Guidelines

Not later than 6 months after June 10, 1993, the Director of NIH, acting through the Office of the Director of NIH, after consultation with the Council, shall issue guidelines with respect to grants under subsection (a).

AMENDMENTS

2011—Subsec. (a)(1). Pub. L. 112–74, §221(b)(1)(B)(i), substituted "acting through the Office of the Director of NIH or the Director of the National Institute of Allergy and Infectious Diseases" for "acting through the Director of the Center or the Director of the National Institute of Allergy and Infectious Diseases".

Subsec. (b)(1)(A). Pub. L. 112–74, §221(b)(1)(B)(vi)(I), struck out "within the Center" after "established".

Subsec. (b)(1)(B). Pub. L. 112–74, §221(b)(1)(B)(v), substituted "Director of NIH, acting through the Office of the Director of NIH," for "Director of the Center".

Subsec. (b)(2)(A). Pub. L. 112–74, §221(b)(1)(B)(vi)(II)(aa), substituted "and the Council of Councils established under section 282(l) of this title (in this section referred to as the 'Council')" for "and the advisory council established under section 287a of this title (in this section referred to as the 'Advisory Council')".

Pub. L. 112–74, §221(b)(1)(B)(iii), substituted "Director of NIH" for "Director of the Center".

Subsec. (b)(2)(B). Pub. L. 112–74, §221(b)(1)(B)(vi)(II)(bb), struck out "Advisory" before "Council".

Pub. L. 112–74, §221(b)(1)(B)(iii), substituted "Director of NIH" for "Director of the Center".

Subsec. (b)(2)(C). Pub. L. 112–74, §221(b)(1)(B)(vi)(II)(bb), struck out "Advisory" before "Council".

Subsec. (b)(2)(D). Pub. L. 112–74, §221(b)(1)(B)(vi)(II)(bb), struck out "Advisory" before "Council".

Pub. L. 112–74, §221(b)(1)(B)(iii), substituted "Director of NIH" for "Director of the Center" in introductory provisions and cl. (ii).

Subsec. (b)(3)(A). Pub. L. 112–74, §221(b)(1)(B)(v), substituted "Director of NIH, acting through the Office of the Director of NIH," for "Director of the Center" in two places.

Pub. L. 112–74, §221(b)(1)(B)(iv), struck out comma after "Director of the Center" the first place appearing.

Subsec. (b)(4). Pub. L. 112–74, §221(b)(1)(B)(v), substituted "Director of NIH, acting through the Office of the Director of NIH," for "Director of the Center" in two places in introductory provisions.

Subsec. (b)(6)(B). Pub. L. 112–74, §221(b)(1)(B)(v), substituted "Director of NIH, acting through the Office of the Director of NIH," for "Director of the Center".

Subsec. (c)(1). Pub. L. 112–74, §221(b)(1)(B)(ii), substituted "Director of NIH, acting through the Office of the Director of NIH or the National Institute of Allergy and Infectious Diseases," for "Director of the Center or the Director of the National Institute of Allergy and Infectious Diseases" in introductory provisions.

Subsec. (c)(2). Pub. L. 112–74, §221(b)(1)(B)(v), substituted "Director of NIH, acting through the Office of the Director of NIH," for "Director of the Center" in two places in introductory provisions.

Subsec. (d). Pub. L. 112–74, §221(b)(1)(B)(ii), substituted "Director of NIH, acting through the Office of the Director of NIH or the National Institute of Allergy and Infectious Diseases," for "Director of the Center or the Director of the National Institute of Allergy and Infectious Diseases".

Subsec. (e). Pub. L. 112–74, §221(b)(1)(B)(ii), substituted "Director of NIH, acting through the Office of

the Director of NIH or the National Institute of Allergy and Infectious Diseases," for "Director of the Center or the Director of the National Institute of Allergy and Infectious Diseases" wherever appearing.

Subsec. (f)(1). Pub. L. 112–74, §221(b)(1)(B)(v), substituted "Director of NIH, acting through the Office of the Director of NIH," for "Director of the Center".

Pub. L. 112–74, §221(b)(1)(B)(iv), struck out comma after "Director of the Center".

Subsec. (f)(2). Pub. L. 112–74, §221(b)(1)(B)(ii), substituted "Director of NIH, acting through the Office of the Director of NIH or the National Institute of Allergy and Infectious Diseases," for "Director of the Center or the Director of the National Institute of Allergy and Infectious Diseases".

Subsec. (g). Pub. L. 112–74, §221(b)(1)(B)(vii), substituted "after consultation with the Council" for "after consultation with the Advisory Council".

Pub. L. 112–74, §221(b)(1)(B)(v), substituted "Director of NIH, acting through the Office of the Director of NIH," for "Director of the Center".

Pub. L. 112–74, §221(b)(1)(B)(iv), struck out comma after "Director of the Center".

2007—Subsec. (c)(2). Pub. L. 109–482, §103(b)(40)(A), in introductory provisions, substituted "to carry out this section for a fiscal year up to" for "under subsection (i)(1) of this section for a fiscal year up to" and "to carry out this section for a fiscal year that" for "under such subsection for a fiscal year that".

Subsec. (h). Pub. L. 109–482, §104(b)(1)(M), struck out subsec. (h) which required biennial report concerning the status of biomedical and behavioral research facilities and the availability and condition of laboratory equipment.

Subsec. (i). Pub. L. 109–482, §103(b)(40)(B), struck out subsec. (i) which authorized appropriations for the National Center for Research Resources and the National Institute of Allergy and Infectious Diseases.

2004—Subsec. (a)(1). Pub. L. 108–276, §2(b)(1), inserted "or the Director of the National Institute of Allergy and Infectious Diseases" after "Director of the Center".

Subsec. (c)(1). Pub. L. 108–276, §2(b)(2)(A), inserted "or the Director of the National Institute of Allergy and Infectious Diseases" after "Director of the Center".

Subsec. (c)(2). Pub. L. 108–276, §2(b)(2)(B), substituted "subsection (i)(1)" for "subsection (i)" in introductory provisions.

Subsec. (d). Pub. L. 108–276, §2(b)(3), inserted "or the Director of the National Institute of Allergy and Infectious Diseases" after "Director of the Center".

Subsec. (e)(1). Pub. L. 108–276, §2(b)(4)(A)(i), inserted "or the Director of the National Institute of Allergy and Infectious Diseases" after "Director of the Center" in introductory provisions.

Subsec. (e)(1)(A). Pub. L. 108–276, §2(b)(4)(A)(ii), inserted "(or, in the case of the Institute, 75 percent)" after "50 percent".

Subsec. (e)(1)(B). Pub. L. 108–276, §2(b)(4)(A)(iii), inserted "(or, in the case of the Institute, 75 percent)" after "40 percent".

Subsec. (e)(2). Pub. L. 108–276, §2(b)(4)(B), inserted "or the Director of the National Institute of Allergy and Infectious Diseases" after "Director of the Center".

Subsec. (e)(4). Pub. L. 108–276, §2(b)(4)(C), inserted "of the Center or the Director of the National Institute of Allergy and Infectious Diseases" after "Director".

Subsec. (f)(1). Pub. L. 108–276, §2(b)(5)(A), inserted "in the case of an award by the Director of the Center," before "the applicant".

Subsec. (f)(2). Pub. L. 108–276, §2(b)(5)(B), inserted "of the Center or the Director of the National Institute of Allergy and Infectious Diseases" after "Director".

Subsec. (i). Pub. L. 108–276, §2(b)(6), designated existing provisions as par. (1), inserted heading, substituted "For the purpose of carrying out this section with respect to the Center," for "For the purpose of carrying out this section," and added par. (2).

2000—Pub. L. 106–505 amended section generally, adding provisions requiring the Director to provide Congress with biennial status reports.

1998—Subsec. (c)(3)(D)(i). Pub. L. 105–392 substituted "part B of subchapter V of this chapter" for "section 293c of this title".

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2007 AMENDMENT

Amendment by Pub. L. 109–482 applicable only with respect to amounts appropriated for fiscal year 2007 or subsequent fiscal years, see section 109 of Pub. L. 109–482, set out as a note under section 281 of this title.

FINDINGS

Pub. L. 106–505, title III, §302, Nov. 13, 2000, 114 Stat. 2330, provided that: "Congress finds that—

"(1) the National Institutes of Health is the principal source of Federal funding for medical research at universities and other research institutions in the United States;

"(2) the National Institutes of Health has received a substantial increase in research funding from Congress for the purpose of expanding the national investment of the United States in behavioral and biomedical research;

"(3) the infrastructure of our research institutions is central to the continued leadership of the United States in medical research;

"(4) as Congress increases the investment in cutting-edge basic and clinical research, it is critical that Congress also examine the current quality of the laboratories and buildings where research is being conducted, as well as the quality of laboratory equipment used in research;

"(5) many of the research facilities and laboratories in the United States are outdated and inadequate;

"(6) the National Science Foundation found, in a 1998 report on the status of biomedical research facilities, that over 60 percent of research-performing institutions indicated that they had an inadequate amount of medical research space;

"(7) the National Science Foundation reports that academic institutions have deferred nearly \$11,000,000,000 in renovation and construction projects because of a lack of funds; and

"(8) future increases in Federal funding for the National Institutes of Health must include increased support for the renovation and construction of extramural research facilities in the United States and the purchase of state-of-the-art laboratory instrumentation."

§283l. Construction of regional centers for research on primates

(a) With respect to activities carried out by the Director of NIH, acting through the Office of the Director of NIH, to support regional centers for research on primates, the Director of NIH may, for each of the fiscal years 2000 through 2002, reserve from the amounts appropriated to carry out section 283k of this title such sums as necessary for the purpose of making awards of grants and contracts to public or nonprofit private entities to construct, renovate, or otherwise improve such regional centers. The reservation of such amounts for any fiscal year is subject to the availability of qualified applicants for such awards.

(b) The Director of NIH may not make a grant or enter into a contract under subsection (a) unless the applicant for such assistance agrees, with respect to the costs to be incurred by the applicant in carrying out the purpose described in such subsection, to make available (directly or through donations from public or private entities) non-Federal contributions in cash toward such costs in an amount equal to not less than \$1 for each \$4 of Federal funds provided in such assistance.

(July 1, 1944, ch. 373, title IV, §404J, formerly §481B, as added Pub. L. 103–43, title XV, §1503, June 10, 1993, 107 Stat. 178; amended Pub. EDITORIAL NOTES

CODIFICATION

Section was formerly classified to section 287a–3 of this title.

AMENDMENTS

2011—Subsec. (a). Pub. L. 112–74, §221(b)(2)(B), substituted "by the Director of NIH, acting through the

Office of the Director of NIH," for "by the National Center for Research Resources" and "283k" for "287a-2".

2007—Subsec. (a). Pub. L. 109-482, which directed the substitution of "to carry out section 287a-2" for "under section 287a-2(h)", was executed by making substitution for "under section 287a-2(i)", to reflect the probable intent of Congress.

2000—Subsec. (a). Pub. L. 106-505, which directed the amendment of subsec. (a) by substituting "2000 through 2002, reserve from the amounts appropriated under section 287a-2(i) of this title such sums as necessary" for "'1994' and all that follows through '\$5,000,000' ", was executed by making the substitution for "1994 through 1996, reserve from the amounts appropriated under section 287a-2(h) of this title up to \$2,500,000", to reflect the probable intent of Congress and the amendment by Pub. L. 105-392. See 1998 Amendment note below.

1998—Subsec. (a). Pub. L. 105-392, in first sentence, substituted "may" for "shall" and "up to \$2,500,000" for "\$5,000,000".

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2007 AMENDMENT

Amendment by Pub. L. 109-482 applicable only with respect to amounts appropriated for fiscal year 2007 or subsequent fiscal years, see section 109 of Pub. L. 109-482, set out as a note under section 281 of this title.

§283m. Sanctuary system for surplus chimpanzees

(a) In general

The Secretary shall provide for the establishment and operation in accordance with this section of a system to provide for the lifetime care of chimpanzees that have been used, or were bred or purchased for use, in research conducted or supported by the National Institutes of Health, the Food and Drug Administration, or other agencies of the Federal Government, and with respect to which it has been determined by the Secretary that the chimpanzees are not needed for such research (in this section referred to as "surplus chimpanzees").

(b) Administration of sanctuary system

The Secretary shall carry out this section, including the establishment of regulations under subsection (d), in consultation with the board of directors of the nonprofit private entity that receives the contract under subsection (e) (relating to the operation of the sanctuary system).

(c) Acceptance of chimpanzees into system

All surplus chimpanzees owned by the Federal Government shall be accepted into the sanctuary system. Subject to standards under subsection (d)(4), any chimpanzee that is not owned by the Federal Government can be accepted into the system if the owner transfers to the sanctuary system title to the chimpanzee.

(d) Standards for permanent retirement of surplus chimpanzees

(1) In general

Not later than 180 days after December 20, 2000, the Secretary shall by regulation establish standards for operating the sanctuary system to provide for the permanent retirement of surplus chimpanzees. In establishing the standards, the Secretary shall consider the recommendations of the board of directors of the nonprofit private entity that receives the contract under subsection (e), and shall consider the recommendations of the National Research Council applicable to surplus chimpanzees that are made in the report published in 1997 and entitled "Chimpanzees in Research—Strategies for Their Ethical Care, Management, and Use".

(2) Chimpanzees accepted into system

With respect to chimpanzees that are accepted into the sanctuary system, standards under paragraph (1) shall include the following:

(A) A prohibition that the chimpanzees may not be used for research, except as authorized

under paragraph (3).

(B) Provisions regarding the housing of the chimpanzees.

(C) Provisions regarding the behavioral well-being of the chimpanzees.

(D) A requirement that the chimpanzees be cared for in accordance with the Animal Welfare Act [7 U.S.C. 2131 et seq.].

(E) A requirement that the chimpanzees be prevented from breeding.

(F) A requirement that complete histories be maintained on the health and use in research of the chimpanzees.

(G) A requirement that the chimpanzees be monitored for the purpose of promptly detecting the presence in the chimpanzees of any condition that may be a threat to the public health or the health of other chimpanzees.

(H) A requirement that chimpanzees posing such a threat be contained in accordance with applicable recommendations of the Director of the Centers for Disease Control and Prevention.

(I) A prohibition that none of the chimpanzees may be subjected to euthanasia, except as in the best interests of the chimpanzee involved, as determined by the system and an attending veterinarian.

(J) A prohibition that the chimpanzees may not be discharged from the system.

(K) A provision that the Secretary may, in the discretion of the Secretary, accept into the system chimpanzees that are not surplus chimpanzees.

(L) Such additional standards as the Secretary determines to be appropriate.

(3) Restrictions regarding research

(A) In general

For purposes of paragraph (2)(A), standards under paragraph (1) shall provide that a chimpanzee accepted into the sanctuary system may not be used for studies or research, except that the chimpanzee may be used for noninvasive behavioral studies or medical studies based on information collected during the course of normal veterinary care that is provided for the benefit of the chimpanzee, provided that any such study involves minimal physical and mental harm, pain, distress, and disturbance to the chimpanzee and the social group in which the chimpanzee lives.

(B) Additional restriction

For purposes of paragraph (2)(A), a condition for the use in studies or research of a chimpanzee accepted into the sanctuary system is (in addition to conditions under subparagraph (A) of this paragraph) that the applicant for such use has not been fined for, or signed a consent decree for, any violation of the Animal Welfare Act [7 U.S.C. 2131 et seq.].

(4) Non-Federal chimpanzees offered for acceptance into system

With respect to a chimpanzee that is not owned by the Federal Government and is offered for acceptance into the sanctuary system, standards under paragraph (1) shall include the following:

(A) A provision that the Secretary may authorize the imposition of a fee for accepting such chimpanzee into the system, except as follows:

(i) Such a fee may not be imposed for accepting the chimpanzee if, on the day before December 20, 2000, the chimpanzee was owned by the nonprofit private entity that receives the contract under subsection (e) or by any individual sanctuary facility receiving a subcontract or grant under subsection (e)(1).

(ii) Such a fee may not be imposed for accepting the chimpanzee if the chimpanzee is owned by an entity that operates a primate center, and if the chimpanzee is housed in the primate center pursuant to the program for regional centers for research on primates that is carried out by the Director of NIH, acting through the Office of the Director of NIH,¹

Any fees collected under this subparagraph are available to the Secretary for the costs of operating the system. Any other fees received by the Secretary for the long-term care of chimpanzees (including any Federal fees that are collected for such purpose and are identified in

the report under section 3 of the Chimpanzee Health Improvement, Maintenance, and Protection Act) are available for operating the system, in addition to availability for such other purposes as may be authorized for the use of the fees.

(B) A provision that the Secretary may deny such chimpanzee acceptance into the system if the capacity of the system is not sufficient to accept the chimpanzee, taking into account the physical capacity of the system; the financial resources of the system; the number of individuals serving as the staff of the system, including the number of professional staff; the necessity of providing for the safety of the staff and of the public; the necessity of caring for accepted chimpanzees in accordance with the standards under paragraph (1); and such other factors as may be appropriate.

(C) A provision that the Secretary may deny such chimpanzee acceptance into the system if a complete history of the health and use in research of the chimpanzee is not available to the Secretary.

(D) Such additional standards as the Secretary determines to be appropriate.

(e) Award of contract for operation of system

(1) In general

Subject to the availability of funds pursuant to subsection (g), the Secretary shall make an award of a contract to a nonprofit private entity under which the entity has the responsibility of operating (and establishing, as applicable) the sanctuary system and awarding subcontracts or grants to individual sanctuary facilities that meet the standards under subsection (d).

(2) Requirements

The Secretary may make an award under paragraph (1) to a nonprofit private entity only if the entity meets the following requirements:

(A) The entity has a governing board of directors that is composed and appointed in accordance with paragraph (3) and is satisfactory to the Secretary.

(B) The terms of service for members of such board are in accordance with paragraph (3).

(C) The members of the board serve without compensation. The members may be reimbursed for travel, subsistence, and other necessary expenses incurred in carrying out the duties of the board.

(D) The entity has an executive director meeting such requirements as the Secretary determines to be appropriate.

(E) The entity makes the agreement described in paragraph (4) (relating to non-Federal contributions).

(F) The entity agrees to comply with standards under subsection (d).

(G) The entity agrees to make necropsy reports on chimpanzees in the sanctuary system available on a reasonable basis to persons who conduct biomedical or behavioral research, with priority given to such persons who are Federal employees or who receive financial support from the Federal Government for research.

(H) Such other requirements as the Secretary determines to be appropriate.

(3) Board of directors

For purposes of subparagraphs (A) and (B) of paragraph (2):

(A) The governing board of directors of the nonprofit private entity involved is composed and appointed in accordance with this paragraph if the following conditions are met:

(i) Such board is composed of not more than 13 voting members.

(ii) Such members include individuals with expertise and experience in the science of managing captive chimpanzees (including primate veterinary care), appointed from among individuals endorsed by organizations that represent individuals in such field.

(iii) Such members include individuals with expertise and experience in the field of animal protection, appointed from among individuals endorsed by organizations that represent individuals in such field.

(iv) Such members include individuals with expertise and experience in the zoological

field (including behavioral primatology), appointed from among individuals endorsed by organizations that represent individuals in such field.

(v) Such members include individuals with expertise and experience in the field of the business and management of nonprofit organizations, appointed from among individuals endorsed by organizations that represent individuals in such field.

(vi) Such members include representatives from entities that provide accreditation in the field of laboratory animal medicine.

(vii) Such members include individuals with expertise and experience in the field of containing biohazards.

(viii) Such members include an additional member who serves as the chair of the board, appointed from among individuals who have been endorsed for purposes of clause (ii), (iii), (iv), or (v).

(ix) None of the members of the board has been fined for, or signed a consent decree for, any violation of the Animal Welfare Act [7 U.S.C. 2131 et seq.].

(B) The terms of service for members of the board of directors are in accordance with this paragraph if the following conditions are met:

(i) The term of the chair of the board is 3 years.

(ii) The initial members of the board select, by a random method, one member from each of the six fields specified in subparagraph (A) to serve a term of 2 years and (in addition to the chair) one member from each of such fields to serve a term of 3 years.

(iii) After the initial terms under clause (ii) expire, each member of the board (other than the chair) is appointed to serve a term of 2 years.

(iv) An individual whose term of service expires may be reappointed to the board.

(v) A vacancy in the membership of the board is filled in the manner in which the original appointment was made.

(vi) If a member of the board does not serve the full term applicable to the member, the individual appointed to fill the resulting vacancy is appointed for the remainder of the term of the predecessor member.

(4) Requirement of matching funds

The agreement required in paragraph (2)(E) for a nonprofit private entity (relating to the award of the contract under paragraph (1)) is an agreement that, with respect to the costs to be incurred by the entity in establishing and operating the sanctuary system, the entity will make available (directly or through donations from public or private entities) non-Federal contributions toward such costs, in cash or in kind, in an amount not less than the following, as applicable:

(A) For expenses associated with establishing the sanctuary system (as determined by the Secretary), 10 percent of such costs (\$1 for each \$9 of Federal funds provided under the contract under paragraph (1)).

(B) For expenses associated with operating the sanctuary system (as determined by the Secretary), 25 percent of such costs (\$1 for each \$3 of Federal funds provided under such contract).

(5) Establishment of contract entity

If the Secretary determines that an entity meeting the requirements of paragraph (2) does not exist, not later than 60 days after December 20, 2000, the Secretary shall, for purposes of paragraph (1), make a grant for the establishment of such an entity, including paying the cost of incorporating the entity under the law of one of the States.

(f) Definitions

For purposes of this section:

(1) Permanent retirement

The term "permanent retirement", with respect to a chimpanzee that has been accepted into the sanctuary system, means that under subsection (a) the system provides for the lifetime care of the

chimpanzee, that under subsection (d)(2) the system does not permit the chimpanzee to be used in research (except as authorized under subsection (d)(3)) or to be euthanized (except as provided in subsection (d)(2)(I)), that under subsection (d)(2) the system will not discharge the chimpanzee from the system, and that under such subsection the system otherwise cares for the chimpanzee.

(2) Sanctuary system

The term "sanctuary system" means the system described in subsection (a).

(3) Secretary

The term "Secretary" means the Secretary of Health and Human Services.

(4) Surplus chimpanzees

The term "surplus chimpanzees" has the meaning given that term in subsection (a).

(g) Funding

(1) In general

Of the amount appropriated for the National Institutes of Health, there are authorized to be appropriated to carry out this section and for the care, maintenance, and transportation of all chimpanzees otherwise under the ownership or control of the National Institutes of Health, and to enable the National Institutes of Health to operate more efficiently and economically by decreasing the overall Federal cost of providing for the care, maintenance, and transportation of chimpanzees—

- (A) for fiscal year 2014, \$12,400,000;
- (B) for fiscal year 2015, \$11,650,000;
- (C) for fiscal year 2016, \$10,900,000;
- (D) for fiscal year 2017, \$10,150,000; and
- (E) for fiscal year 2018, \$9,400,000.

(2) Use of funds for other compliant facilities

With respect to amounts authorized to be appropriated by paragraph (1) for a fiscal year, the Secretary may use a portion of such amounts to make awards of grants or contracts to public or private entities operating facilities that, as determined by the Secretary in consultation with the board of directors of the nonprofit private entity that receives the contract under subsection (e), provide for the retirement of chimpanzees in accordance with the same standards that apply to the sanctuary system pursuant to regulations under subsection (d). Such an award may be expended for the expenses of operating the facilities involved.

(3) Biennial report

Not later than 180 days after November 27, 2013, the Director of the National Institutes of Health shall submit to the Committee on Health, Education, Labor, and Pensions and the Committee on Appropriations of the Senate and the Committee on Energy and Commerce and the Committee on Appropriations in the House of Representatives a report, to be updated biennially, regarding—

- (A) the care, maintenance, and transportation of the chimpanzees under the ownership or control of the National Institutes of Health;
- (B) costs related to such care, maintenance, and transportation, and any other related costs; and
- (C) the research status of such chimpanzees.

L. 89-544, Aug. 24, 1966, 80 Stat. 350, which is classified generally to chapter 54 (§2131 et seq.) of Title 7, Agriculture. For complete classification of this Act to the Code, see Short Title note set out under section 2131 of Title 7 and Tables.

Section 3 of the Chimpanzee Health Improvement, Maintenance, and Protection Act, referred to in subsec. (d)(4)(A), is section 3 of Pub. L. 106-551, which is set out as a note below.

CODIFICATION

Section was formerly classified to section 287a-3a of this title.

November 27, 2013, referred to in subsec. (g)(3), was in the original "the date enactment of this Act" (sic), which was translated as meaning the date of enactment of Pub. L. 113-55, which enacted par. (3), to reflect the probable intent of Congress.

AMENDMENTS

2013—Subsec. (g)(1). Pub. L. 113-55, §302(a)(1), amended par. (1) generally. Prior to amendment, text read as follows: "Of the amount appropriated under this chapter for fiscal year 2001 and each subsequent fiscal year, the Secretary, subject to paragraph (2), shall reserve a portion for purposes of the operation (and establishment, as applicable) of the sanctuary system and for purposes of paragraph (3), except that the Secretary may not for such purposes reserve any further funds from such amount after the aggregate total of the funds so reserved for such fiscal years reaches \$30,000,000. The purposes for which funds reserved under the preceding sentence may be expended include the construction and renovation of facilities for the sanctuary system."

Subsec. (g)(2). Pub. L. 113-55, §302(a)(4), substituted "With respect to amounts authorized to be appropriated by paragraph (1)" for "With respect to amounts reserved under paragraph (1)" and "Secretary in consultation with the board of directors" for "board of directors".

Pub. L. 113-55, §302(a)(2), (3), redesignated par. (3) as (2) and struck out former par. (2). Prior to amendment, text of par. (2) read as follows: "Funds may not be reserved for a fiscal year under paragraph (1) unless the amount appropriated under this chapter for such year equals or exceeds the amount appropriated under this chapter for fiscal year 1999."

Subsec. (g)(3). Pub. L. 113-55, §302(c), added par. (3). Former par. (3) redesignated (2).

Pub. L. 113-55, §302(a)(3), redesignated par. (3) as (2).

2011—Subsec. (d)(4)(A)(ii). Pub. L. 112-74, §221(b)(3)(B), substituted "that is carried out by the Director of NIH, acting through the Office of the Director of NIH," for "that is carried out by the National Center for Research Resources".

2007—Subsec. (d)(2)(J). Pub. L. 110-170, §2(a)(1), struck out at end "If any chimpanzee is removed from a sanctuary facility for purposes of research authorized under paragraph (3)(A)(ii), the chimpanzee shall be returned immediately upon the completion of that research. All costs associated with the removal of the chimpanzee from the facility, with the care of the chimpanzee during such absence from the facility, and with the return of the chimpanzee to the facility shall be the responsibility of the entity that obtains approval under such paragraph regarding use of the chimpanzee and removes the chimpanzee from the sanctuary facility."

Subsec. (d)(3)(A). Pub. L. 110-170, §2(a)(2)(A), substituted "except that the chimpanzee may be used for noninvasive behavioral studies" for "except as provided in clause (i) or (ii), as follows:

"(i) The chimpanzee may be used for noninvasive behavioral studies"

and struck out cl. (ii) which related to findings necessary before a chimpanzee may be used in research.

Subsec. (d)(3)(B), (C). Pub. L. 110-170, §2(a)(2)(B)-(D), redesignated subpar. (C) as (B), substituted "under subparagraph (A)" for "under subparagraphs (A) and (B)", and struck out former subpar. (B) which related to approval of research design.

§283n. Shared Instrumentation Grant Program

(a) Requirements for grants

In determining whether to award a grant to an applicant under the Shared Instrumentation Grant Program, the Director of NIH, acting through the Office of the Director of NIH, shall consider—

- (1) the extent to which an award for the specific instrument involved would meet the scientific needs and enhance the planned research endeavors of the major users by providing an instrument that is unavailable or to which availability is highly limited;
- (2) with respect to the instrument involved, the availability and commitment of the appropriate technical expertise within the major user group or the applicant institution for use of the instrumentation;
- (3) the adequacy of the organizational plan for the use of the instrument involved and the internal advisory committee for oversight of the applicant, including sharing arrangements if any;
- (4) the applicant's commitment for continued support of the utilization and maintenance of the instrument; and
- (5) the extent to which the specified instrument will be shared and the benefit of the proposed instrument to the overall research community to be served.

(b) Peer review

In awarding grants under the program described in subsection (a), the Director of NIH, acting through the Office of the Director of NIH, shall comply with the peer review requirements in section 289a of this title.

(July 1, 1944, ch. 373, title IV, §404L, formerly Pub. L. 106–505, title III, §305, Nov. 13, 2000, 114 Stat. 2335; renumbered July 1, 1944, ch. 373, title IV, §404L, and amended Pub. L. 112–74, div. F, title II, §221(b)(4), Dec. 23, 2011, 125 Stat. 1088.)

AMENDMENTS

2011—Pub. L. 112–74, §221(b)(4)(B)(iii), substituted "Director of NIH, acting through the Office of the Director of NIH," for "Director of the National Center for Research Resources" in subsecs. (a) and (b).

Subsec. (a). Pub. L. 112–74, §221(b)(4)(B)(ii), substituted "under the Shared Instrumentation Grant Program" for "under the program described in subsection (a)" in introductory provisions.

Pub. L. 112–74, §221(b)(4)(B)(i), redesignated subsec. (b) as (a) and struck out former subsec. (a). Prior to amendment, text of subsec. (a) read as follows: "There is authorized to be appropriated \$100,000,000 for fiscal year 2000, and such sums as may be necessary for each subsequent fiscal year, to enable the Secretary of Health and Human Services, acting through the Director of the National Center for Research Resources, to provide for the continued operation of the Shared Instrumentation Grant Program (initiated in fiscal year 1992 under the authority of section 287 of this title)."

Subsec. (b). Pub. L. 112–74, §221(b)(4)(B)(iv), substituted "in subsection (a), the" for "in subsection (a)" and made technical amendment to reference in original act which appears in text as reference to section 289a of this title.

Pub. L. 112–74, §221(b)(4)(B)(i), redesignated subsec. (c) as (b). Former subsec. (b) redesignated (a).

Subsec. (c). Pub. L. 112–74, §221(b)(4)(B)(i), redesignated subsec. (c) as (b).

§283o. Next generation of researchers

(a) Next generation of researchers initiative

There shall be established within the Office of the Director of the National Institutes of Health, the Next Generation of Researchers Initiative (referred to in this section as the "Initiative"), through which the Director shall coordinate all policies and programs within the National Institutes of Health that are focused on promoting and providing opportunities for new researchers and earlier research independence.

(b) Activities

The Director of the National Institutes of Health, through the Initiative shall—

(1) promote policies and programs within the National Institutes of Health that are focused on improving opportunities for new researchers and promoting earlier research independence, including existing policies and programs, as appropriate;

(2) develop, modify, or prioritize policies, as needed, within the National Institutes of Health to promote opportunities for new researchers and earlier research independence, such as policies to increase opportunities for new researchers to receive funding, enhance training and mentorship programs for researchers, and enhance workforce diversity;

(3) coordinate, as appropriate, with relevant agencies, professional and academic associations, academic institutions, and others, to improve and update existing information on the biomedical research workforce in order to inform programs related to the training, recruitment, and retention of biomedical researchers; and

(4) carry out other activities, including evaluation and oversight of existing programs, as appropriate, to promote the development of the next generation of researchers and earlier research independence.

(July 1, 1944, ch. 373, title IV, §404M, as added Pub. L. 114–255, div. A, title II, §2021(a), Dec. 13, 2016, 130 Stat. 1051.)

§283p. Population focused research

The Director of the National Institutes of Health shall, as appropriate, encourage efforts to improve research related to the health of sexual and gender minority populations, including by—

(1) facilitating increased participation of sexual and gender minority populations in clinical research supported by the National Institutes of Health, and reporting on such participation, as applicable;

(2) facilitating the development of valid and reliable methods for research relevant to sexual and gender minority populations; and

(3) addressing methodological challenges.

(July 1, 1944, ch. 373, title IV, §404N, as added Pub. L. 114–255, div. A, title II, §2038(d), Dec. 13, 2016, 130 Stat. 1065.)

STATUTORY NOTES AND RELATED SUBSIDIARIES

REPORTING

Pub. L. 114–255, div. A, title II, §2038(e), Dec. 13, 2016, 130 Stat. 1065, provided that:

"(1) IN GENERAL.—The Secretary, in collaboration with the Director of the National Institutes of Health, shall as appropriate—

"(A) continue to support research for the development of appropriate measures related to reporting health information about sexual and gender minority populations; and

"(B) not later than 2 years after the date of enactment of this Act [Dec. 13, 2016], disseminate and make public such measures.

"(2) NATIONAL ACADEMY OF MEDICINE RECOMMENDATIONS.—In developing the measures described in paragraph (1)(A), the Secretary shall take into account recommendations made by the National Academy of Medicine."

§283q. Eureka prize competitions

(a) In general

Pursuant to the authorities and processes established under section 3719 of title 15, the Director of the National Institutes of Health shall support prize competitions for one or both of the following goals:

- (1) Identifying and funding areas of biomedical science that could realize significant advancements through a prize competition.
- (2) Improving health outcomes, particularly with respect to human diseases and conditions—
 - (A) for which public and private investment in research is disproportionately small relative to Federal Government expenditures on prevention and treatment activities with respect to such diseases and conditions, such that Federal expenditures on health programs would be reduced;
 - (B) that are serious and represent a significant disease burden in the United States; or
 - (C) for which there is potential for significant return on investment to the United States.

(b) Tracking; reporting

The Director of the National Institutes of Health shall—

- (1) collect information on—
 - (A) the effect of innovations funded through the prize competitions under this section in advancing biomedical science or improving health outcomes pursuant to subsection (a); and
 - (B) the effect of the innovations on Federal expenditures; and

(2) include the information collected under paragraph (1) in the triennial report under section 283 of this title (as amended by section 2032).

§283r. National Science Advisory Board for Biosecurity

(a) Establishment

The Secretary, acting through the Director of NIH, shall establish an advisory committee, to be known as the "National Science Advisory Board for Biosecurity" (referred to in this section as the "Board").

(b) Duties

(1) ¹ In general

The National Science Advisory Board for Biosecurity referred to in section 205 of the Pandemic and All-Hazards Preparedness Act (Public Law 109–417) (referred to in this section as the "Board") shall provide technical advice, guidance, or recommendations, to relevant Federal departments and agencies related to biosafety and biosecurity oversight of biomedical research, including—

- (A) oversight of federally-conducted or federally-supported dual use biomedical research, such as the review of policies or frameworks used to assess and appropriately manage safety and security risks associated with such research, taking into consideration national security

concerns, the potential benefits of such research, considerations related to the research community, transparency, and public availability of information, and international research collaboration; and

(B) continuing to carry out the activities required under section 205 of the Pandemic and All-Hazards Preparedness Act (Public Law 109–417).

(c) Considerations

In carrying out the duties under subsection (b), the Board may consider strategies to improve the safety and security of biomedical research, including through—

(1) leveraging or using new technologies and scientific advancements to reduce safety and security risks associated with such research and improve containment of pathogens; and

(2) outreach to, and education and training of, researchers, laboratory personnel, and other appropriate individuals with respect to safety and security risks associated with such research and mitigation of such risks.

(d) Membership

The Board shall be composed of the following:

(1) Non-voting, ex officio members, including the following:

(A) At least one representative of each of the following:

(i) The Department of Health and Human Services.

(ii) The Department of Defense.

(iii) The Department of Agriculture.

(iv) The Department of Homeland Security.

(v) The Department of Energy.

(vi) The Department of State.

(vii) The Office of Science and Technology Policy.

(viii) The Office of the Director of National Intelligence.

(B) Representatives of such other Federal departments or agencies as the Secretary determines appropriate to carry out the requirements of this section.

(2) Individuals, appointed by the Secretary, with expertise in biology, infectious diseases, public health, ethics, national security, and other fields, as the Secretary determines appropriate, who shall serve as voting members.

PART B—GENERAL PROVISIONS RESPECTING NATIONAL RESEARCH INSTITUTES

§284. Directors of national research institutes

(a) Appointment

(1) In general

The Director of the National Cancer Institute shall be appointed by the President, and the Directors of the other national research institutes and national centers shall be appointed by the Secretary, acting through the Director of National Institutes of Health. Each Director of a national research institute or national center shall report directly to the Director of National Institutes of Health.

(2) Appointment

(A) Term

A Director of a national research institute or national center who is appointed by the Secretary, acting through the Director of National Institutes of Health, shall be appointed for 5 years.

(B) Reappointment

At the end of the term of a Director of a national research institute or national center, the Director may be reappointed in accordance with standards applicable to the relevant appointment mechanism. There shall be no limit on the number of terms that a Director may serve.

(C) Vacancies

If the office of a Director of a national research institute or national center becomes vacant before the end of such Director's term, the Director appointed to fill the vacancy shall be appointed for a 5-year term starting on the date of such appointment.

(D) Current directors

Each Director of a national research institute or national center who is serving on December 13, 2016, shall be deemed to be appointed for a 5-year term under this subsection beginning on such date.

(E) Rule of construction

Nothing in this subsection shall be construed to limit the authority of the Secretary or the Director of National Institutes of Health to terminate the appointment of a director referred to in subparagraph (A) before the expiration of such director's 5-year term.

(F) Nature of appointment

Appointments and reappointments under this subsection shall be made on the basis of ability and experience as it relates to the mission of the National Institutes of Health and its components, including compliance with any legal requirement that the Secretary or Director of National Institutes of Health determines relevant.

(3) Nonapplication of certain provision

The restrictions contained in section 202 of the Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act, 1993 (Public Law 102–394; 42 U.S.C. 238f note) related to consultants and individual scientists appointed for limited periods of time shall not apply to Directors appointed under this subsection.

(b) Duties and authority; grants, contracts, and cooperative agreements

(1) In carrying out the purposes of section 241 of this title with respect to human diseases or disorders or other aspects of human health for which the national research institutes were established, the Secretary, acting through the Director of each national research institute—

(A) shall encourage and support research, investigations, experiments, demonstrations, and studies in the health sciences related to—

- (i) the maintenance of health,
- (ii) the detection, diagnosis, treatment, and prevention of human diseases and disorders,
- (iii) the rehabilitation of individuals with human diseases, disorders, and disabilities, and
- (iv) the expansion of knowledge of the processes underlying human diseases, disorders, and disabilities, the processes underlying the normal and pathological functioning of the body and its organ systems, and the processes underlying the interactions between the human organism and the environment;

(B) may, subject to the peer review prescribed under section 289a(b) of this title and any advisory council review under section 284a(a)(3)(A)(i) of this title, conduct the research, investigations, experiments, demonstrations, and studies referred to in subparagraph (A);

(C) shall, as appropriate, conduct and support research that has the potential to transform the scientific field, has inherently higher risk, and that seeks to address major current challenges;

(D) may conduct and support research training (i) for which fellowship support is not provided under section 288 of this title, and (ii) which is not residency training of physicians or other health professionals;

(E) may develop, implement, and support demonstrations and programs for the application of the results of the activities of the institute to clinical practice and disease prevention activities;

(F) may develop, conduct, and support public and professional education and information programs;

(G) may secure, develop and maintain, distribute, and support the development and maintenance of resources needed for research;

(H) may make available the facilities of the institute to appropriate entities and individuals engaged in research activities and cooperate with and assist Federal and State agencies charged with protecting the public health;

(I) may accept unconditional gifts made to the institute for its activities, and, in the case of gifts of a value in excess of \$50,000, establish suitable memorials to the donor;

(J) may secure for the institute consultation services and advice of persons from the United States or abroad;

(K) may use, with their consent, the services, equipment, personnel, information, and facilities of other Federal, State, or local public agencies, with or without reimbursement therefor;

(L) may accept voluntary and uncompensated services; and

(M) may perform such other functions as the Secretary determines are needed to carry out effectively the purposes of the institute.

The indemnification provisions of section 3861 of title 10 shall apply with respect to contracts entered into under this subsection and section 282(b) of this title.

(2) Support for an activity or program under this subsection may be provided through grants, contracts, and cooperative agreements. The Secretary, acting through the Director of each national research institute—

(A) may enter into a contract for research, training, or demonstrations only if the contract has been recommended after technical and scientific peer review required by regulations under section 289a of this title;

(B) may make grants and cooperative agreements under paragraph (1) for research, training, or demonstrations, except that—

(i) if the direct cost of the grant or cooperative agreement to be made does not exceed \$50,000, such grant or cooperative agreement may be made only if such grant or cooperative agreement has been recommended after technical and scientific peer review required by regulations under section 289a of this title, and

(ii) if the direct cost of the grant or cooperative agreement to be made exceeds \$50,000, such grant or cooperative agreement may be made only if such grant or cooperative agreement has been recommended after technical and scientific peer review required by regulations under section 289a of this title and is recommended under section 284a(a)(3)(A)(ii) of this title by the advisory council for the national research institute involved; and

(C) shall, subject to section 300cc–40c(d)(2) of this title, receive from the President and the Office of Management and Budget directly all funds appropriated by the Congress for obligation and expenditure by the Institute.

(3) Before an award is made by a national research institute or by a national center for a grant for a research program or project (commonly referred to as an "R-series grant"), other than an award constituting a noncompetitive renewal of such a grant, or a noncompetitive administrative supplement to such a grant, the Director of such national research institute or national center shall, consistent with the peer review process—

(A) review and make the final decision with respect to making the award; and

(B) take into consideration, as appropriate—

(i) the mission of the national research institute or national center and the scientific priorities identified in the strategic plan under section 282(m) of this title;

(ii) programs or projects funded by other agencies on similar research topics; and

(iii) advice by staff and the advisory council or board of such national research institute or national center.

(c) Coordination with other public and private entities; cooperation with other national research institutes; appointment of additional peer review groups

In carrying out subsection (b), each Director of a national research institute—

(1) shall coordinate, as appropriate, the activities of the institute with similar programs of other public and private entities;

(2) shall cooperate with the Directors of the other national research institutes in the development and support of multidisciplinary research and research that involves more than one institute;

(3) may, in consultation with the advisory council for the Institute and with the approval of the Director of NIH—

(A) establish technical and scientific peer review groups in addition to those appointed under section 282(b)(16) of this title; and

(B) appoint the members of peer review groups established under subparagraph (A); and

(4) may publish, or arrange for the publication of, information with respect to the purpose of the Institute without regard to section 501 of title 44.

Chapter 10 of title 5 shall not apply to the duration of a peer review group appointed under paragraph (3).

FEDERAL RESEARCH

Pub. L. 117–215, title IV, §401, Dec. 2, 2022, 136 Stat. 2265, provided that:

"(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act [Dec. 2, 2022], the Secretary of Health and Human Services, in coordination with the Director of the National Institutes of Health and the heads of other relevant Federal agencies, shall submit to the Caucus on International Narcotics Control, the Committee on the Judiciary, and the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce and the Committee on the Judiciary of the House of Representatives a report on—

"(1) the potential therapeutic effects of cannabidiol or marijuana on serious medical conditions, including intractable epilepsy;

"(2) the potential effects of marijuana, including—

"(A) the effect of increasing delta-9-tetrahydrocannabinol levels on the human body and developing adolescent brains; and

"(B) the effect of various delta-9-tetrahydrocannabinol levels on cognitive abilities, such as those that are required to operate motor vehicles or other heavy equipment; and

"(3) the barriers associated with researching marijuana or cannabidiol in States that have legalized the use of such substances, which shall include—

"(A) recommendations as to how such barriers might be overcome, including whether public-private partnerships or Federal-State research partnerships may or should be implemented to provide researchers with access to additional strains of marijuana and cannabidiol; and

"(B) recommendations as to what safeguards must be in place to verify—

"(i) the levels of tetrahydrocannabinol, cannabidiol, or other cannabinoids contained in products obtained from such States is accurate; and

"(ii) that such products do not contain harmful or toxic components.

"(b) ACTIVITIES.—To the extent practicable, the Secretary of Health and Human Services, either directly or through awarding grants, contracts, or cooperative agreements, shall expand and coordinate the activities of the National Institutes of Health and other relevant Federal agencies to better determine the effects of cannabidiol and marijuana, as outlined in the report submitted under paragraphs (1) and (2) of subsection (a)."

[For definitions of terms as used in section 401 of Pub. L. 117–215, set out above, see section 2(a) of Pub. L. 117–215, set out as a note under section 801 of Title 21, Food and Drugs.]

ENHANCING THE CLINICAL AND TRANSLATIONAL SCIENCE AWARD

Pub. L. 109–482, title I, §106, Jan. 15, 2007, 120 Stat. 3696, provided that:

"(a) IN GENERAL.—In administering the Clinical and Translational Science Award, the Director of NIH shall establish a mechanism to preserve independent funding and infrastructure for pediatric clinical research centers by—

"(1) allowing the appointment of a secondary principal investigator under a single Clinical and Translational Science Award, such that a pediatric principal investigator may be appointed with direct authority over a separate budget and infrastructure for pediatric clinical research; or

"(2) otherwise securing institutional independence of pediatric clinical research centers with respect to finances, infrastructure, resources, and research agenda.

"(b) REPORT.—As part of the biennial report under section 403 of the Public Health Service Act [42 U.S.C. 283], the Director of NIH shall provide an evaluation and comparison of outcomes and effectiveness of training programs under subsection (a).

"(c) DEFINITION.—For purposes of this section, the term 'Director of NIH' has the meaning given such term in section 401 of the Public Health Service Act [42 U.S.C. 281]."

§284a. Advisory councils

(a) Establishment; acceptance of conditional gifts; functions

(1) Except as provided in subsection (h), the Secretary shall appoint an advisory council for each national research institute which (A) shall advise, assist, consult with, and make recommendations to the Secretary and the Director of such institute on matters related to the activities carried out by and through the institute and the policies respecting such activities, and (B) shall carry out the special functions prescribed by part C.

(2) Each advisory council for a national research institute may recommend to the Secretary acceptance, in accordance with section 238 of this title, of conditional gifts for study, investigation, or research respecting the diseases, disorders, or other aspect of human health with respect to which

the institute was established, for the acquisition of grounds, or for the construction, equipping, or maintenance of facilities for the institute.

(3) Each advisory council for a national research institute—

(A)(i) may on the basis of the materials provided under section 289a(b)(2) of this title respecting research conducted at the institute, make recommendations to the Director of the institute respecting such research,

(ii) may review applications for grants and cooperative agreements for research or training and for which advisory council approval is required under section 284(b)(2) of this title and recommend for approval applications for projects which show promise of making valuable contributions to human knowledge, and

(iii) may review any grant, contract, or cooperative agreement proposed to be made or entered into by the institute;

(B) may collect, by correspondence or by personal investigation, information as to studies which are being carried on in the United States or any other country as to the diseases, disorders, or other aspect of human health with respect to which the institute was established and with the approval of the Director of the institute make available such information through appropriate publications for the benefit of public and private health entities and health professions personnel and scientists and for the information of the general public; and

(C) may appoint subcommittees and convene workshops and conferences.

(b) Membership; compensation

(1) Each advisory council shall consist of ex officio members and not more than eighteen members appointed by the Secretary. The ex officio members shall be nonvoting members.

(2) The ex officio members of an advisory council shall consist of—

(A) the Secretary, the Director of NIH, the Director of the national research institute for which the council is established, the Under Secretary for Health of the Department of Veterans Affairs or the Chief Dental Director of the Department of Veterans Affairs, and the Assistant Secretary of Defense for Health Affairs (or the designees of such officers), and

(B) such additional officers or employees of the United States as the Secretary determines necessary for the advisory council to effectively carry out its functions.

(3) The members of an advisory council who are not ex officio members shall be appointed as follows:

(A) Two-thirds of the members shall be appointed by the Secretary from among the leading representatives of the health and scientific disciplines (including not less than two individuals who are leaders in the fields of public health and the behavioral or social sciences) relevant to the activities of the national research institute for which the advisory council is established.

(B) One-third of the members shall be appointed by the Secretary from the general public and shall include leaders in fields of public policy, law, health policy, economics, and management.

(4) Members of an advisory council who are officers or employees of the United States shall not receive any compensation for service on the advisory council. The other members of an advisory council shall receive, for each day (including traveltime) they are engaged in the performance of the functions of the advisory council, compensation at rates not to exceed the daily equivalent of the annual rate in effect for grade GS-18 of the General Schedule.

(c) Term of office; reappointment; vacancy

The term of office of an appointed member of an advisory council is four years, except that any member appointed to fill a vacancy for an unexpired term shall be appointed for the remainder of such term and the Secretary shall make appointments to an advisory council in such a manner as to ensure that the terms of the members do not all expire in the same year. A member may serve after the expiration of the member's term for 180 days after the date of such expiration. A member who has been appointed for a term of four years may not be reappointed to an advisory council before two years from the date of expiration of such term of office. If a vacancy occurs in the advisory council

among the appointed members, the Secretary shall make an appointment to fill the vacancy within 90 days from the date the vacancy occurs.

(d) Chairman; term of office

The chairman of an advisory council shall be selected by the Secretary from among the appointed members, except that the Secretary may select the Director of the national research institute for which the advisory council is established to be the chairman of the advisory council. The term of office of the chairman shall be two years.

(e) Meetings

The advisory council shall meet at the call of the chairman or upon the request of the Director of the national research institute for which it was established, but at least three times each fiscal year. The location of the meetings of each advisory council is subject to the approval of the Director of the national research institute for which the advisory council was established.

(f) Appointment of executive secretary; training and orientation for new members

The Director of the national research institute for which an advisory council is established shall designate a member of the staff of the institute to serve as the executive secretary of the advisory council. The Director of such institute shall make available to the advisory council such staff, information, and other assistance as it may require to carry out its functions. The Director of such institute shall provide orientation and training for new members of the advisory council to provide them with such information and training as may be appropriate for their effective participation in the functions of the advisory council.

(g) Comments and recommendations for inclusion in biennial report; additional reports

Each advisory council may prepare, for inclusion in the biennial report made under section 284b ¹ of this title, (1) comments respecting the activities of the advisory council in the fiscal years respecting which the report is prepared, (2) comments on the progress of the national research institute for which it was established in meeting its objectives, and (3) recommendations respecting the future directions and program and policy emphasis of the institute. Each advisory council may prepare such additional reports as it may determine appropriate.

(h) Advisory councils in existence; application of section to National Cancer Advisory Board and advisory council to National Heart, Lung, and Blood Institute

(1) Except as provided in paragraph (2), this section does not terminate the membership of any advisory council for a national research institute which was in existence on November 20, 1985. After November 20, 1985—

(A) the Secretary shall make appointments to each such advisory council in such a manner as to bring about as soon as practicable the composition for such council prescribed by this section;

(B) each advisory council shall organize itself in accordance with this section and exercise the functions prescribed by this section; and

(C) the Director of each national research institute shall perform for such advisory council the functions prescribed by this section.

(2)(A) The National Cancer Advisory Board shall be the advisory council for the National Cancer Institute. This section applies to the National Cancer Advisory Board, except that—

(i) appointments to such Board shall be made by the President;

(ii) the term of office of an appointed member shall be 6 years;

(iii) of the members appointed to the Board—

(I) not less than 5 members shall be individuals knowledgeable in environmental carcinogenesis (including carcinogenesis involving occupational and dietary factors); and

(II) not less than one member shall be an individual knowledgeable in pediatric oncology;

(iv) the chairman of the Board shall be selected by the President from the appointed members and shall serve as chairman for a term of two years;

(v) the ex officio members of the Board shall be nonvoting members and shall be the Secretary, the Director of the Office of Science and Technology Policy, the Director of NIH, the Under Secretary for Health of the Department of Veterans Affairs, the Director of the National Institute for Occupational Safety and Health, the Director of the National Institute of Environmental Health Sciences, the Secretary of Labor, the Commissioner of the Food and Drug Administration, the Administrator of the Environmental Protection Agency, the Chairman of the Consumer Product Safety Commission, the Assistant Secretary of Defense for Health Affairs, and the Director of the Office of Science of the Department of Energy (or the designees of such officers); and

(vi) the Board shall meet at least four times each fiscal year.

(B) This section applies to the advisory council to the National Heart, Lung, and Blood Institute, except that the advisory council shall meet at least four times each fiscal year.

EDITORIAL NOTES

AMENDMENTS

1998—Subsec. (a)(4). Pub. L. 105–362 struck out par. (4) which read as follows: "Not later than December 31, 1987, and December 31 of each succeeding year, the Secretary shall report to the Congress the amount obligated in the fiscal year preceding such date for administrative expenses of the National Institutes of Health and the total amount appropriated for the National Institutes of Health for such fiscal year. The Secretary shall consult with the Comptroller General of the United States in preparing each report."

1996—Subsec. (a)(3). Pub. L. 104–316 struck out at end "In identifying expenses incurred for such support and administration the Secretary shall consult with the Comptroller General of the United States."

1993—Pub. L. 103–43 amended section catchline generally, redesignated subsec. (b) as (a) and par. (5) of subsec. (a) as (b), struck out former subsec. (a) which authorized appropriations in addition to amounts otherwise appropriated under this subchapter for the National Cancer Institute for programs other than under section 285a–1 of this title and for its program under section 285a–1 of this title and for the National Heart, Lung, and Blood Institute for programs other than under section 285b–1 of this title and for its program under section 285b–1 of this title, and substituted "Department of Veterans Affairs" for "Veterans' Administration" in subsec. (b).

1988—Subsec. (a)(1), (2). Pub. L. 100–607, §118(a), amended pars. (1) and (2) generally. Prior to amendment, pars. (1) and (2) read as follows:

"(1)(A) For the National Cancer Institute (other than its programs under section 285a–1 of this title), there are authorized to be appropriated \$1,194,000,000 for fiscal year 1986, \$1,270,000,000 for fiscal year 1987, and \$1,344,000,000 for fiscal year 1988.

"(B) For the programs under section 285a–1 of this title, there are authorized to be appropriated \$68,000,000 for fiscal year 1986, \$74,000,000 for fiscal year 1987, and \$80,000,000 for fiscal year 1988.

"(2)(A) For the National Heart, Lung, and Blood Institute (other than its programs under section 285b–1 of this title), there are authorized to be appropriated \$809,000,000 for fiscal year 1986, \$871,000,000 for fiscal year 1987, and \$927,000,000 for fiscal year 1988. Of the amount appropriated under this subsection for such fiscal year, not less than 15 percent of such amount shall be reserved for programs respecting diseases of the lung and not less than 15 percent of such amount shall be reserved for programs respecting blood diseases and blood resources.

"(B) For the programs under section 285b–1 of this title, there are authorized to be appropriated \$82,000,000 for fiscal year 1986, \$90,000,000 for fiscal year 1987, and \$98,000,000 for fiscal year 1988."

Subsec. (a)(2)(B). Pub. L. 100–690 inserted a comma after "section 285b–1 of this title".

Subsec. (b)(5). Pub. L. 100–607, §118(b), added par. (5).

§284d. Definitions

(a) Health service research

For purposes of this subchapter, the term "health services research" means research endeavors that

study the impact of the organization, financing and management of health services on the quality, cost, access to and outcomes of care. Such term does not include research on the efficacy of services to prevent, diagnose, or treat medical conditions.

(b) Clinical research

As used in this subchapter, the term "clinical research" means patient oriented clinical research conducted with human subjects, or research on the causes and consequences of disease in human populations involving material of human origin (such as tissue specimens and cognitive phenomena) for which an investigator or colleague directly interacts with human subjects in an outpatient or inpatient setting to clarify a problem in human physiology, pathophysiology or disease, or epidemiologic or behavioral studies, outcomes research or health services research, or developing new technologies, therapeutic interventions, or clinical trials.

STATUTORY NOTES AND RELATED SUBSIDIARIES

EFFECTIVE DATE OF 2007 AMENDMENT

Amendment by Pub. L. 109–482 applicable only with respect to amounts appropriated for fiscal year 2007 or subsequent fiscal years, see section 109 of Pub. L. 109–482, set out as a note under section 281 of this title.

§284f. Parkinson's disease

(a) In general

The Director of NIH shall establish a program for the conduct and support of research and training with respect to Parkinson's disease (subject to the extent of amounts appropriated to carry out this section).

(b) Inter-institute coordination

(1) In general

The Director of NIH shall provide for the coordination of the program established under subsection (a) among all of the national research institutes conducting Parkinson's disease research.

(2) Conference

Coordination under paragraph (1) shall include the convening of a research planning conference not less frequently than once every 2 years. Each such conference shall prepare and submit to the Committee on Appropriations and the Committee on Labor and Human Resources of the Senate and the Committee on Appropriations and the Committee on Commerce of the House of Representatives a report concerning the conference.

(c) Morris K. Udall research centers

(1) In general

The Director of NIH is authorized to award Core Center Grants to encourage the development of innovative multidisciplinary research and provide training concerning Parkinson's disease. The Director is authorized to award not more than 10 Core Center Grants and designate each center funded under such grants as a Morris K. Udall Center for Research on Parkinson's Disease.

(2) Requirements

(A) In general

With respect to Parkinson's disease, each center assisted under this subsection shall—

- (i) use the facilities of a single institution or a consortium of cooperating institutions, and

meet such qualifications as may be prescribed by the Director of the NIH; and

(ii) conduct basic and clinical research.

(B) Discretionary requirements

With respect to Parkinson's disease, each center assisted under this subsection may—

(i) conduct training programs for scientists and health professionals;

(ii) conduct programs to provide information and continuing education to health professionals;

(iii) conduct programs for the dissemination of information to the public;

(iv) separately or in collaboration with other centers, establish a nationwide data system derived from patient populations with Parkinson's disease, and where possible, comparing relevant data involving general populations;

(v) separately or in collaboration with other centers, establish a Parkinson's Disease Information Clearinghouse to facilitate and enhance knowledge and understanding of Parkinson's disease; and

(vi) separately or in collaboration with other centers, establish a national education program that fosters a national focus on Parkinson's disease and the care of those with Parkinson's disease.

(3) Stipends regarding training programs

A center may use funds provided under paragraph (1) to provide stipends for scientists and health professionals enrolled in training programs under paragraph (2)(B).

(4) Duration of support

Support of a center under this subsection may be for a period not exceeding five years. Such period may be extended by the Director of NIH for one or more additional periods of not more than five years if the operations of such center have been reviewed by an appropriate technical and scientific peer review group established by the Director and if such group has recommended to the Director that such period should be extended.

(d) Morris K. Udall Awards for Excellence in Parkinson's Disease Research

The Director of NIH is authorized to establish a grant program to support investigators with a proven record of excellence and innovation in Parkinson's disease research and who demonstrate potential for significant future breakthroughs in the understanding of the pathogenesis,¹ diagnosis, and treatment of Parkinson's disease. Grants under this subsection shall be available for a period of not to exceed 5 years.
